The Assets shall include, to the extent transferrable, all Patient Records (Seller and its representatives shall continue to have access to all Patient Records as necessary to respond to governmental or other inquiries or issues, to defend malpractice claims, and for other reasonable legitimate reason upon request) but excluding any Excluded Documents. The Assets shall also include all of Seller's membership interests in Mississippi LTAC Holdings, LLC, a Delaware limited liability company, ("LTAC Holdings"), and Mississippi Alzheimer Holdings, LLC, a Delaware limited liability company ("Alzheimer Holdings"). (d) The Parties hereto further agree that, as between Purchaser and Seller, all the Excluded Liabilities shall remain the sole, exclusive obligation and responsibility of Seller.

(e) Notwithstanding the foregoing, Purchaser shall be responsible for all Liabilities applicable to and incurred with respect to the period after the Effective Time that

relate to the Business, the Hospital or Purchaser's post-Closing ownership or operation of the Assets; provided, however, that no statement made in this Agreement shall be deemed to allocate or attribute any Liability or obligation to Purchaser which has been released pursuant to the Sale Order. To the extent this Section 2.3(e) conflicts with any other provision of this Agreement, this Section 2.3(e) controls.

**2.4 Excluded Assets.** Nothing herein contained shall be deemed to obligate Seller to sell, transfer, assign, or convey any Excluded Asset, as described on Schedule 1, to Purchaser. The Seller shall retain all right, title, and interest to, in and under the Excluded Assets. To the extent this Section 2.4 conflicts with any other provision of this Agreement, this Section 2.4 controls.

**2.5 Nonassignable Assets.** To the extent that the assignment of any Asset shall require the consent of any other party and such consent shall still be required notwithstanding the Sale Order and Sections 363 and 365 of the Bankruptcy Code (each, a "Nonassignable Asset") nothing in this Agreement nor the consummation of the transactions contemplated hereby shall be construed as an attempt or agreement to assign such Nonassignable Asset unless and until such consent shall have been obtained.

**2.6 Method of Conveyance.** The sale, transfer, conveyance, assignment, and delivery by Seller of the Assets to Purchaser hereunder shall be effected on the Closing Date by delivery by Seller of: (a) an assignment of deed, substantially in the form of Exhibit A, conveying to Purchaser all right, title, and interest of Seller in and to the Real Property, such title to be free and clear of all Liens pursuant to Section 363 of the Bankruptcy Code, except for Permitted Encumbrances (the "Deed"); (b) an affidavit of Seller, which shall be to Seller's Knowledge, issued to Purchaser and to the Title Company (if Purchaser elects, at Purchaser's sole cost and expense, to obtain title insurance), substantially in the form of Exhibit B ("Seller's Affidavit"), if necessary; and (c) assignment(s) and bill(s) of sale and such other instruments of conveyance in the form of Exhibit C (collectively, "Bill of Sale") conveying all right, title, and interest of Seller in all Assets that comprise tangible or intangible personal property, including separate assignment(s) of any U.S. trademark registrations and applications, if any, included within the purchased intellectual property in a form suitable for recording with the U.S. Patent and Trademark Office, all to the fullest extent permitted by Law, free and clear of any and all Liens, except for Permitted Encumbrances.

**2.7 Assumed Contracts.** On and after the Effective Time, Purchaser shall assume and be responsible for, and shall timely pay, perform, and discharge in accordance with their terms, all obligations (i) arising after the Effective Time with respect to executory contracts and unexpired leases identified on Schedule 2.7 (the "Assumed Contracts"). Purchaser shall be responsible for all Cure Payments with respect to the Assumed Contracts, which Cure Payments shall be paid by Purchaser at the Closing. Except for the Assumed Contracts, Purchaser shall not assume and shall not be responsible for any of Seller's contracts or leases.

Cure Payments; (ii) all Liabilities arising under Section 2.14; and (iii) all Liabilities of the Hospital or the Business (the “Assumed Liabilities”) accruing from and after the Effective Time incurred in connection with or otherwise relating to the Assets or the Business.

(b) Notwithstanding anything to the contrary in this Agreement, (i) Purchaser shall consult with Seller and the Committee with respect to the terms of the assumption of the Assumed Contracts provided that Purchaser shall not modify any terms thereof without the prior written consent of Seller and the Committee if such modification would be or could reasonably be expected to be adverse to Seller in any respect, and (ii) the rights of each of Seller and the Committee to object to such terms are expressly preserved and reserved. In addition, the rights of the Committee to object to any assumption of Assumed Contracts is expressly preserved and reserved as to any assumption that the Committee reasonably concludes is not in the best interests of the Debtor or the Debtor’s estate, including any assumption that may or will discharge the obligations of a counterparty with respect to preferences.

(c) Debtor shall not assume any contracts and/or assign any contracts to Purchaser unless Purchaser agrees.

**2.9 Taxes and Assessments.** The Liability for payment of accrued but unbilled or unpaid Taxes (including, but not limited to, real estate taxes, personal property tax, ad valorem tax and similar non-income Taxes) and other assessments relating to, or arising out of the ownership or transfer of, the Assets or the Assumed Contracts (including, but not limited to any water, sewer and other municipal charges owed to any Governmental Authority), imposed on a periodic basis beginning before and ending after the Effective Time or as a result of the consummation of the transactions evidenced by this Agreement or otherwise, shall be paid by Seller at the Closing, provided that Seller has received at Closing the purchase price required to be paid by Purchaser pursuant to this Section. All Taxes and other assessments shall be listed on Schedule 7, which shall be prepared and delivered at Closing. If any Taxes or other assessments paid by Seller at any time on or prior to the Closing Date are attributable in whole or in part to any period following the Closing, then the Purchase Price payable at Closing shall be increased to adjust for the prior payment of such Taxes and assessments by Seller attributable to the post-closing period.

#### **2.10 Purchaser’s Deposit.**

(a) Upon entry of the Bid Procedures Order, Purchaser shall pay to Seller a deposit in the amount of \$150,000 (the “Deposit”) to be held in escrow by Seller or Seller’s agent in accordance with the terms of this Agreement.

(b) Upon entry of the Sale Order, Seller and Purchaser shall have the obligation to consummate the Closing pursuant to and subject to the terms of this Agreement and the Sale Order. If Purchaser fails to consummate the purchase of the Assets on or before March 1, 2019 (unless such failure arises from Seller’s uncured material breach and unless Seller, in consultation with the Committee, and Purchaser agree to extend such deadline in writing), Seller, in consultation with the Committee, is authorized but not required to effect the sale of the Assets to one or more third parties as soon as is commercially reasonable subject to further Orders of the Bankruptcy Court. If Purchaser fails to consummate the purchase of Assets hereunder

through no fault of its own or as a result of final due diligence efforts being different than as relayed to Purchaser at the time of this Agreement, Seller shall not consummate any transaction unless the Deposit is repaid to Purchaser. If Purchaser fails to consummate the transaction as a result of Purchaser's uncured material default, the entire Deposit and all accrued interest thereon will be retained by Seller.

#### 2.11 **Purchase Price.**

(a) In consideration of the sale, transfer, conveyance, and assignment of the Assets to Purchaser, Purchaser shall at Closing: (i) assume the Assumed Liabilities, (ii) pay or deliver to Seller cash by wire transfer of immediately available funds in the amount of \$2,500,000 (the "Cash Purchase Price"); (iii) assume the liabilities described in Sections 2.7 and 2.8 on the terms contained therein; (iv) make the Cure Payments; (v) pay the amount required under Section 2.9; (vi) pay the amount required under Section 2.19; and (vii) pay all Transfer Taxes due in connection with the closing of the transactions contemplated herein (collectively, the "Purchase Price").

Seller shall provide Purchaser with information and other assistance as may be reasonably requested by Purchaser with respect to its request to assume the Provider Agreements. for health care services provided after the Effective Date (the “Billing Services”). Purchaser and a credit-worthy entity acceptable to the Seller and the Committee will indemnify and hold harmless the Seller and its bankruptcy estate from any and all claims, demands and liabilities of any kind or nature arising from or relating to the OTA, including, without limitation, the Purchaser’s use of the Seller’s provider agreements and numbers.

(b) Seller agrees not to take any action to change its EFT/bank account information used by Payors to deposit monies to be paid as a result of the Billing Services (any such monies deposited to be referred to herein as a “Payment”). Seller acknowledges and agrees that any Payments deposited into the Seller’s bank account for Billing Services for services provider after the Effective Date shall be the property of Purchaser, subject to the Seller’s right to setoff or recoup any amounts owed by the Purchaser under this Agreement.

(c) In the event Seller receives notice of any adjustment to any Payments related to Billing Services, Seller agrees to inform Purchaser and send a copy of such notice to Purchaser by overnight mail or electronic transmission no later than three (3) business days after receipt of such notice.

(d) Whenever a Payor sends other notice to or requests information from Seller regarding a claim for services rendered after the Closing Date, Seller shall send a copy of such notice or inform Purchaser of such request by overnight mail or electronic transmission no later than three (3) business days after receipt of such notice or request.

If within three (3) Business Days following receipt of such calculation, Purchaser has not given Seller written notice of its good faith objection to Seller’s calculations, then the transaction shall close based on Seller’s calculations. If Purchaser gives such notice of objection, then the Parties will work together in good faith to resolve the estimated apportionment of Taxes and assessments provided that if they are unable to agree, the Parties shall close and the disputed amount shall be appropriately escrowed.

**2.16 Closing Deliveries of Seller.** At the Closing, in addition to any other documents, assignments, certificates, letters, orders, or agreements described in Section 2.6 or otherwise required to be delivered pursuant to the terms of this Agreement, and the satisfaction of all the conditions set forth in Articles VI and VIII, Seller shall deliver to Purchaser the following:

4.3 **Authorization and Authority.** The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized, approved and ratified by all necessary action on the part of Purchaser. Purchaser has full authority to enter into and deliver this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby.

4.4 **No Conflict.** Neither the execution and delivery by Purchaser of this Agreement nor the performance by Purchaser of its obligations hereunder, (a) (i) violates or breaches the terms of or causes a default under any legal requirement applicable to Purchaser, (ii) contravenes the certificate of incorporation or bylaws or the certificate of formation and operating agreement or other organizational documents of Purchaser, or (iii) violates or breaches the terms or causes a

default under any contract, indenture, evidence of indebtedness or other commitment to which Purchaser is a party or by which it or its properties is bound, or (b) will, with or without the passage of time, the giving of notice or the taking of any action by a third person, have any of the effects set forth in this subsection, except to the extent that any such matter would reasonably be expected to have a material adverse change with regard to Purchaser.

**4.5 Ability to Consummate Transaction.** Purchaser has or will have sufficient immediately available funds and/or access to credit facilities necessary to consummate the purchase of the Assets and perform of its obligations under this Agreement.

(c) There is no Action pending or, to the Knowledge of Purchaser, threatened against Purchaser or any of its Affiliates, or any of their respective members, owners, managers, officers, directors, or other senior executives or to which Purchaser is otherwise a party before any Governmental Authority, which, if adversely determined, would reasonably be expected to have a material adverse effect on the ability of Purchaser to perform its obligations under this Agreement or the ability of Purchaser to consummate the transactions contemplated hereby. Purchaser or any of its Affiliates, or any of their respective members, owners, managers, officers, or senior executives are not subject to any Order of any Governmental Authority except to the extent the same would not reasonably be expected to have a material adverse effect on the ability of Purchaser to perform its obligations under this Agreement or the ability of Purchaser to consummate the transactions contemplated hereby.

**4.8 Brokers and Intermediaries.** Neither Purchaser nor any of its Affiliates has employed any broker, finder, advisor or intermediary that is entitled, in connection with the consummation of the transactions contemplated hereby, to a broker's, finder's, or similar fee or commission. Seller agrees to execute and deliver such instruments and documents reasonably satisfactory to Seller, and to take all such other and further actions reasonably satisfactory to Seller, that Purchaser cannot take or cause to be taken by any Person other than Seller, that are required to enable Purchaser to obtain such Authorizations or transfer such Authorizations from Seller to Purchaser, provided that Seller shall not be obligated to undertake any material Liabilities or other obligations, individually or in the aggregate, relating to such obligations. Notwithstanding the foregoing, Purchaser shall not be obligated to consent to the imposition of materially burdensome conditions on Purchaser or its lenders in order to obtain the Authorizations it being specifically understood and agreed that conditions required under the Mississippi Regulations (or any Federal corollary) shall not constitute a materially burdensome condition.

**5.4 Commercially Reasonable Efforts.** Each Party shall use its commercially reasonable efforts to fulfill or cause the fulfillment of the conditions of the Closing, including, without limitation, the execution and delivery of all agreements contemplated hereunder to be so executed and delivered provided that it shall be the responsibility of Purchaser to obtain the Authorizations and any required consents with respect to the assumption of the Assumed Contracts and satisfy conditions required under the Mississippi Regulations.

**5.5 Adequacy of Purchaser's Review.** Purchaser agrees that it (a) had a full and complete opportunity to conduct due diligence regarding the Assets prior to making its offer and does not require further due diligence, (b) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its bid and executing and delivering this Agreement, and (c) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties of any kind or nature, including, without limitation, any that are express, are implied, arise by operation of law, or that may otherwise be deemed to apply, regarding the Assets, or the completeness of any information provided in connection therewith except, as to clauses (b) and (c), solely for Seller's representations and warranties that are contained in Article 3 of this Agreement.

**5.6 Tax Matters.**

(a) Purchaser shall be responsible for the payment of all Transfer Taxes (whether or not payable by Seller as a matter of law), including that Purchaser shall promptly reimburse Seller for its share of all Transfer Taxes paid by Seller upon receipt of reasonable documentation evidencing such amount. Purchaser and Seller will cooperate in the timely preparation and filing of any Tax return that must be filed in connection with any Transfer Taxes. Any such Taxes or fees resulting from any subsequent transfer of the acquired Assets or Assumed Contracts shall be borne by Purchaser.

(b) After the Closing Date, Seller and Purchaser shall, and shall cause their respective Affiliates to:

5.7 **Announcement.** Other than confirming information that is already a part of the public record or that is contained in filings a Party hereafter makes with the Bankruptcy Court, Seller will not issue any press release or otherwise make any public statement with respect to this Agreement or the transactions contemplated hereby without the prior written consent of Purchaser(which consent shall not be unreasonably withheld or delayed), except as may be required by applicable Law or the applicable regulations of any exchange. Subject to the last sentence of this Section 5.7, if Seller is required by Law or pursuant to applicable regulations of any exchange to issue a press release or otherwise make any public statement or disclosure with respect to this Agreement and the transactions contemplated hereby, Seller will use commercially reasonable efforts to promptly notify Purchaser so that Purchaser may seek a protective order or other appropriate remedy, and in the event that no such protective order or other remedy is obtained, Seller may make such disclosure as Purchaser is advised in writing by counsel as may be required by Law or pursuant to applicable regulations of any exchange. The preceding sentence shall not apply to any filing that Seller reasonably concludes may be required to be made with, or is appropriate to be made with, the Bankruptcy Court.

Without limiting the generality of the foregoing, promptly after the discovery by Seller of any item included within the definition of Assets but not transferred, conveyed, or assigned to Purchaser, (x) Seller will deliver written notice to Purchaser of the existence and non-transfer, non-conveyance, or non-assumption of such item and provide Purchaser with all the information in Seller’s possession about, and with access to such item in Seller’s possession as Purchaser may reasonably request, and (y) if requested by Purchaser, Seller shall use commercially reasonable efforts to transfer, convey, or assign to Purchaser such item in the manner and on the terms and conditions as applicable to an Asset.

Purchaser may disclose Seller's Confidential Information to those who need to know it for the purpose of effectuating the transactions contemplated herein and who agree to keep it confidential. Purchaser shall instruct such Persons having access to Seller's Confidential Information of such obligation of confidentiality. If Purchaser or anyone to whom they has transmitted Seller's Confidential Information subject to the confidentiality obligations herein becomes legally compelled, including, but not limited to, through an action brought pursuant to N.C.G.S. 132-9 (Mississippi Public Records Act), to disclose any of such Confidential Information, Purchaser shall provide Seller with notice prior to making any disclosure so that Seller may seek a protective order or other appropriate remedy. result of a disclosure by Seller (other than in connection with filings with the Bankruptcy Court), (ii) becomes available to Seller on a non-confidential basis from a source other than Purchaser, provided that such source is not known by Seller to be bound by a confidentiality agreement with, or other obligation of secrecy to, Purchaser or (iii) is lawfully received by Seller from a third party having the right to disseminate the Business Confidential Information without restriction on disclosure. Seller may disclose Business Confidential Information to those who need to know it for the purpose of effectuating the transactions contemplated herein and who agree to keep it confidential subject to the same confidentiality obligations herein. Seller shall instruct such Persons having access to Business Confidential Information of such obligation of confidentiality. Any payments owed and paid to Seller for final settled Cost Reports for any periods prior to Closing are acknowledged as part of the Excluded Assets and are not conveyed to Purchaser by this Agreement. Purchaser shall assume and be responsible for Final Cost Report Liability incurred as a result of the filing of any of said reports or as a result of filing any previous Cost Report for periods prior to the Closing. All Cost Reports shall be prepared in accordance with applicable Law and consistent with past practices.

The obligations of the Parties to consummate the transaction provided for in this Agreement shall be subject to the satisfaction of the following conditions on or before the Closing Date:

6.1 **Entry of the Bid Procedures Order.** The Bankruptcy Court shall have entered the Bid Procedures Order substantially in the form attached hereto as Exhibit B and in all respects in form and substance reasonably satisfactory to the Parties and the Committee, and which provides, among other things, that in the event Purchaser is not in breach of this Agreement the Bankruptcy Court approves a sale of all or some of the Assets to a buyer other than Purchaser, Seller shall be required to pay to Purchaser out of the proceeds of the sale of the Assets to a buyer other than Purchaser a break-up fee in the amount of \$100,000 (the "Break-Up Fee").

6.2 **Entry of the Sale Order.** The Bankruptcy Court shall have entered a sale order in form and substance reasonably satisfactory to the Parties and the Committee (the "Sale Order"), which approves this Agreement and the consummation of the transactions contemplated hereby in their entirety; and which provides for the following rulings and/or findings: (a) Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code; (b) timely, adequate, and sufficient notice of the sale was provided; (c) the Assets to be transferred to the Purchaser are property of the bankruptcy estate and Seller has all requisite authority and approval to transfer the Assets; (d) the total consideration to be realized by the Seller represents fair consideration and reasonably equivalent value in the context of any state or federal law governing the rights of creditors; (e) the conveyance and assignment of the Assets pursuant to this Agreement is a legal, valid, and effective transfer of the Assets to the Purchaser, and will vest the Purchaser with all right, title, and interest of the Seller in and to the Assets free and clear of all Liens, Claims, interests and encumbrances except for those (i) liabilities to be assumed by Purchaser pursuant to this Agreement and (ii) Permitted Encumbrances, and (f) neither the Seller nor the Purchaser has engaged in any conduct that would cause or permit the Agreement, or the transfers contemplated thereby, to be avoided under Bankruptcy Code section 363(n). In addition, unless waived by Purchaser in writing in its sole discretion, the Sale Order shall have become a final, non-appealable order.

6.3 **No Injunctions.** No injunction or restraining Order (whether temporary, preliminary or permanent) of any Governmental Authority shall exist against Purchaser or Seller that prevents the transactions contemplated hereby and approved in the Bid Procedures Order or Sale Order. No other Governmental Authority shall have enacted, issued, promulgated, enforced, or entered any statute, rule, regulation, or non-appealable judgment which prohibits or renders illegal the consummation of the Closing or the transactions provided for herein and approved in the Sale Order.

6.4 **Compliance with Applicable Law.** To the extent required by Law, the filing and waiting period requirements relating to any and all approvals necessary under the Healthcare Regulatory Consents and any other applicable Law, if necessary, relating to consummation of the Closing or the transactions provided for herein shall have been duly complied with and/or such approvals shall have been obtained.

6.5 **Consents.** Purchaser shall have obtained (or shall have had transferred to it) those Healthcare Regulatory Consents and other Authorizations that Purchaser is required to apply for and/or obtain in order to operate the Business, it being specifically understood and agreed that Purchaser shall be required to satisfy conditions required under the Mississippi Regulations.

## **ARTICLE VII CONDITIONS TO PURCHASER'S OBLIGATIONS**

The obligations of Purchaser to consummate the transactions provided for in this Agreement shall be subject to the satisfaction of each of the following conditions on or before the Closing Date, subject to the right of Purchaser, in its sole discretion, to waive any one or more of the conditions set forth below:

7.1 **Representations and Warranties of Seller.** The representations and warranties of Seller contained in this Agreement, taken as a whole, shall be true and correct in all material respects on the Closing Date, except to the extent that any representation or warranty is made only as of a specified date, in which case the accuracy of such representation or warranty shall be measured as of such date, and except to the extent of changes permitted by the terms of this Agreement.

7.2 **Schedules.** The matters set forth on the Schedules shall be true and correct in all material respects on the Closing Date, except to the extent of changes permitted by the terms of this Agreement.

7.3 **Documents.** Purchaser shall have received a signed copy of this Agreement with all Schedules and Exhibits attached, as updated through and including the Closing, together with copies of all other documents and certificates to be executed and delivered by Seller at Closing.

7.4 **Performance of Obligations.** Seller shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by it prior to the Closing Date.

7.5 **No Changes to Business.** Since the date of this Agreement, there shall have been no material changes to the Business or Assets that, in the aggregate, have had a material adverse effect on the Business, excluding adverse changes that (i) were projected to occur in any forecast or budget provided by Seller and/or (ii) relate to a proposed sale of all or substantially all of Seller's assets, thereby leaving Seller without an operating business.

7.6 **Release of Liens.** All Liens on the Assets shall have been released, satisfied or otherwise removed or discharged pursuant to Bankruptcy Court order or otherwise, except for the Permitted Encumbrances.

7.7 **Consents.** Purchaser shall have obtained (or shall have had transferred to it) those Healthcare Regulatory Consents and other Authorizations, including any judicial proceedings and appeals related thereto, which Purchaser is required to apply for and obtain in order to operate the Business, it being specifically understood and agreed that Purchaser shall be required to satisfy conditions required under the Mississippi Regulations.

7.8 **FIRPTA Affidavit.** Seller shall deliver to Purchaser a non-foreign affidavit dated as of the Closing Date and in form and substance required under the Treasury Regulations issued pursuant to Section 1445 of the Code so that Purchaser is exempt from withholding any portion of the Purchase Price thereunder (the "FIRPTA Affidavit").

## **ARTICLE VIII CONDITIONS TO SELLER'S OBLIGATIONS**

The obligations of Seller to consummate the transactions provided for in this Agreement shall be subject to the satisfaction of each of the following conditions on or before the Closing Date, subject to the right of Seller, in its sole discretion to waive any one or more of the conditions set forth below:

8.1 **Representations and Warranties of Purchaser.** The representations and warranties of Purchaser contained in this Agreement, taken as a whole, shall be true and correct in all material respects on the Closing Date, except to the extent that any representation or warranty is made as of a specified date, in which case such representation or warranty shall be true in all material respects as of such date, and except to the extent of changes permitted by the terms of this Agreement.

8.2 **Performance of this Agreement.** Purchaser shall have materially performed or complied with all of the obligations to be performed or complied with by it under the terms of this Agreement on or prior to the Closing Date. The Purchaser shall have delivered to the Seller a certificate signed by a duly authorized officer of the Purchaser, dated as of the Closing Date, to the foregoing effect.

8.3 **Payment of Purchase Price and Assumption of Liabilities and Assumed Contracts.** Seller shall receive from Purchaser on the Closing Date the Purchase Price pursuant to Section 2.12 of this Agreement and Purchaser shall have assumed the Assumed Liabilities pursuant to a document that is reasonably satisfactory to Seller.

8.4 **Documents.** Seller shall have received a signed copy of this Agreement with all Schedules and Exhibits attached, as updated through and including the Closing and copies of all such other documents and certificates executed and delivered hereunder.

## **ARTICLE IX SURVIVAL**

9.1 **Survival.** Sections [TBD], and all defined terms used therein, shall survive the Closing, except to the extent (if at all) that such survival is expressly limited herein. The representations and warranties of the Parties shall expire upon the consummation of the Closing.

## **ARTICLE X LIMITED AGREEMENT TERMINATION RIGHTS**

10.1 **Termination of Agreement.** This Agreement and the transactions contemplated hereby may be terminated prior to the Closing Date only as follows:

- (a) by mutual written consent of Purchaser and Seller;
- (b) except as otherwise provided in this Agreement, by either Party if the Closing shall not have occurred on or before the Closing Date;
- (c) by Purchaser if any of the conditions to the obligations of Purchaser to close set forth in Article VII shall have become incapable of fulfillment other than because of a breach by Purchaser of any covenant or agreement contained in this Agreement and such condition is not waived by Purchaser;
- (d) by Purchaser if there shall be a material breach by Seller, as determined by the Bankruptcy Court, of the representations and warranties, taken as a whole, or of any material covenant or agreement contained in this Agreement which breach cannot be or has not been cured within ten (10) Business Days after the giving of written notice by Purchaser to Seller of such breach;
- (e) by Seller if any of the conditions to the obligations of Seller to close set forth in Article VIII shall have become incapable of fulfillment other than as a result of a breach by Seller of any covenant or agreement contained in this Agreement and such condition is not waived by Seller;
- (f) by Seller if there is a material breach by Purchaser, as determined by the Bankruptcy Court, of the representations and warranties, taken as a whole, or of any material covenant or agreement contained in this Agreement which breach cannot be or has not been cured within ten (10) Business Days after the giving of written notice by Seller to Purchaser of such breach; or
- (g) by Seller or Purchaser if the Bankruptcy Court fails to approve this Agreement and enter the Sale Order by November 30, 2018, subject to Seller's right to extend the date of Closing as provided in the definition of Closing Date.

**10.2 Procedure for Termination.** If this Agreement is terminated by Purchaser or Seller, or both, pursuant to Section 10.1, written notice thereof shall forthwith be given to the other party, and upon the giving of such notice (or at such time as specified in the particular termination right set forth in Section 10.1) the transactions contemplated hereunder shall be abandoned and this Agreement shall terminate to the extent and with the effect provided in Section 10.3, without further action by the parties.

**10.3 Effects of Termination.** If this Agreement is validly terminated as provided herein, then each party shall be relieved of its duties and obligations arising under this Agreement after the date of such termination and such termination shall be without Liability to any party; provided, however, that (i) the obligations of the parties set forth in Article XI of this Agreement, and to the extent necessary to effectuate the foregoing enumerated provisions, Article I of this Agreement, shall survive any such termination and shall be enforceable in accordance with their terms, and (ii) if this Agreement is terminated as provided herein, each party shall upon request redeliver or destroy as soon as practicable any or all documents, work papers and other material of the other party relating to its business or affairs or the transactions contemplated hereunder, whether obtained before or after the execution hereof, to the party furnishing the same, other than any material which is of public record. Nothing in this Section 10.3 shall relieve the parties of any Liability for a breach of this Agreement prior to the date of termination or alter the right of Seller to retain the Deposit if permitted to do so pursuant to this Agreement. Notwithstanding the foregoing, no attorneys' fees reasonably incurred by a party in connection with the transactions contemplated herein, or out-of-pocket expense reimbursement or other fees, shall be payable to any party upon termination of this Agreement pursuant to Section 10.1.

## **ARTICLE XI MISCELLANEOUS**

### **11.1 Assignment; Binding Agreement.**

(a) Except as set forth in Section 11.1(c), neither this Agreement nor any rights or obligations of a Party hereunder may be assigned or delegated without the other Party's prior written consent. Any purported assignment or delegation without such consent shall be void. Provided, however, Purchaser may assign any or all of its rights under this Agreement, provided that it remains responsible for performance hereunder.

(b) This Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the Parties hereto and to their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights, remedies, obligations, or Liabilities.

(c) Purchaser shall have the right to assign its rights and obligations under this Agreement including, without limitation, its right to acquire all or any portion of the Assets to its Affiliates, any successor to Purchaser, and/or to its lender if a sale/leaseback transaction is used to finance the transactions contemplated by this Agreement. Notwithstanding any transfer permitted by this Section 11.1(c), Purchaser shall remain liable to Seller with respect to its obligations under this Agreement.

**11.2 Post-Closing Cooperation.** From time to time after the Closing, Seller will execute and deliver, or cause to be executed and delivered, such documents to Purchaser as Purchaser shall reasonably request in order to consummate more effectively the transactions contemplated by this Agreement, including, without limitation, the transfer of the Assets to Purchaser. From time to time after the Closing, Purchaser will execute and deliver, or cause to be executed and delivered, such documents to Seller as Seller shall reasonably request in order to consummate more effectively the transactions contemplated by this Agreement, including, without limitation, Purchaser's assumption of the Assumed Liabilities. From and after the Closing, Seller shall use its commercially reasonable efforts to deliver to Purchaser all such books, reports and other documents that constitute or relate to Assets (which may be redacted to the extent not relevant to the Assets) as may be requested by Purchaser which were not delivered on or before the Closing Date, and to assist the Purchaser in obtaining any Authorizations not obtained by Purchaser prior to the Closing.

**11.3 Expenses.** Except as set forth in this Agreement, each Party shall pay the fees and expenses of its respective counsel, accountants, and other experts and shall pay all other expenses incurred by it in connection with the negotiation, preparation, and execution of this Agreement and the consummation of the transactions contemplated hereby.

**11.4 Entire Agreement and Modification.** This Agreement, including any Exhibits and Schedules attached hereto and thereto and any other documents hereby required to be delivered at the Closing, and any confidentiality agreement previously executed by Seller and Purchaser or Purchaser's Affiliate, constitute the entire agreement between the Parties and supersede all prior discussions, negotiations, or agreements relating to the subject matter of this Agreement. No changes of, additions to, or other modifications of this Agreement shall be valid unless the same is in writing and signed by the Parties.

**11.5 Severability.** If any provision of this Agreement shall be determined to be contrary to Law and unenforceable by any Court, the remaining provisions shall be severable and enforceable in accordance with their terms. To the extent any provision of this Agreement is enforceable in part but not in whole, such provision shall be enforced to the maximum extent permitted by applicable Law.

**11.6 Waiver.** Any of the conditions to Closing set forth in this Agreement, except for those set forth in Article VI, may be waived at any time prior to or at the Closing hereunder by the Party entitled to the benefit thereof. Any such waiver shall only be effective if it is in writing and signed by the Party to be charged with such waiver. The failure of any Party hereto to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any other breach of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of such Party thereafter to enforce each and every such provision. No waiver of any breach of or non-compliance with this Agreement shall be held to be a waiver of any other or subsequent breach or non-compliance.

**11.7 Counterparts.** This Agreement may be executed in multiple counterparts, by the Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. All signatures of the Parties to this Agreement may be transmitted by email or facsimile, and such

email or facsimile of signature will, for all purposes, be deemed to be the original signature of such Party whose signature it reproduces and will be binding upon such Party.

**11.8 Headings; Interpretation.** The table of contents and article and section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

**11.9 Governing Law.** This Agreement shall be construed and interpreted according to the Laws of the State of Mississippi, without regard to the application of the choice of law principles thereof. All of the conveyance documents executed and delivered pursuant to the terms hereof shall be governed by and continued and interpreted according to the Laws of the State of Mississippi, without regard to the application of the choice of law principles thereof.

**11.10 Bankruptcy Court Jurisdiction.**

(a) Purchaser and Seller agree that the Bankruptcy Court shall have exclusive jurisdiction over all disputes, Claims, and other controversies (collectively, “Disputes”) and other matters relating to (a) the interpretation and enforcement of this Agreement or any document executed pursuant hereto; (b) the Assets; (c) the Assumed Liabilities and other obligations assumed by the Purchaser under this Agreement; and (d) any obligations surviving Closing, as long as the Bankruptcy Court reserves such jurisdiction, and Purchaser expressly consents to and agrees not to contest such exclusive jurisdiction.

(b) The parties shall jointly request that the Bankruptcy Court reserve jurisdiction to consider Disputes arising under this Agreement even after the closing of the Bankruptcy Case. To the extent allowed under existing and controlling law in the Fourth Circuit as of the Closing Date, the parties consent to the jurisdiction of the Bankruptcy Court to hear all such Disputes and to enter final orders with respect to all matters and issues raised therein.

**11.11 Notices.** All notices, requests, demands and other communications hereunder shall be deemed to have been duly given if the same shall be in writing and shall be delivered or sent (a) by personal delivery against a receipted copy, (b) by certified mail, return receipt requested, or (c) by e-mail if the addressee confirms receipt of the e-mail, and addressed as set forth below:
