from time to time (the “*Prepetition Senior Term Loan Agreement*” and, together with all other loan and security documents executed in connection therewith, the “*Prepetition Senior Term Loan Documents*”) between Debtors ARMC, BRMC, and CRMC (collectively, the “*Prepetition Term Loan Borrowers*”), and ServisFirst, ServisFirst provided a term loan to Term Loan Borrowers, and which is guaranteed by Debtor Curae (together with the Prepetition Term Loan Borrowers, the “*Prepetition Term Loan Parties*”), in the aggregate principal amount of \$18,783,000 (the “*Prepetition Senior Term Loan Facility*”). (vi) **Prepetition First Lien Revolving Facility Collateral.** Pursuant to the Prepetition First Lien Revolving Credit Documents, in order to secure the Debtors’ Prepetition First Lien Revolving Facility Obligations, Borrowers granted Prepetition First Lien Revolving Lender a first lien and security interest in and on the Collateral (as defined in the Prepetition First Lien Revolving Credit Agreement) (the “*Prepetition Revolving Facility First Liens*”), including,

without limitation, all of the Borrowers' right, title, and interest in and to all of the Borrowers' accounts, cash, money, deposit accounts, lockbox accounts, securities, securities accounts, contract rights, instruments, investment properties, goods, and general intangibles (except as provided in the Prepetition First Lien Revolving Credit Agreement), including the proceeds of same (collectively, the "*Prepetition First Lien Revolving Facility Collateral*").

(vii) **Prepetition Senior Term Loan Collateral**. Pursuant to the Prepetition Senior Term Loan Credit Documents, in order to secure the Prepetition Senior Term Loan Facility Obligations, Debtors granted security interests in and liens (the "*Prepetition Senior Term Loan Liens*," on substantially all of their assets (collectively, the "*Prepetition Senior Term Loan Collateral*").

(viii) **CHS Prepetition Obligations Collateral** Pursuant to the CHS Prepetition Loan Documents, in order to secure the CHS Prepetition Obligations, the Term Loan Borrowers and Curae granted security interests in and liens (the "*CHS Prepetition Liens*" and together with the Prepetition Revolving Facility First Liens and Prepetition Senior Term Loan Liens, the "*Prepetition Liens*") subordinate to the Prepetition Senior Term Loan Liens, as applicable, on certain of their assets, specifically excluding the Prepetition First Lien Revolving Facility Collateral (the "*CHS Prepetition Obligations Collateral*" and, together with the Prepetition First Lien Revolving Collateral and the Prepetition Senior Term Loan Collateral, the "*Prepetition Collateral*").

(ix) **Priority of Prepetition Liens; Intercreditor Agreement and Subordination Agreement**. The Prepetition Revolving Facility First Liens are first priority security interests and liens with respect to the Prepetition First Lien Revolving Collateral. The

Prepetition Senior Term Loan Liens are subordinate to the Prepetition Revolving Facility First Liens on the Prepetition First Lien Revolving Facility Collateral and are subject to the terms of that certain Intercreditor and Lien Subordination Agreement, dated as of December 13, 2017 (as amended, supplemented or otherwise modified from time to time in accordance with the terms thereof, the “*Prepetition Intercreditor Agreement*”), between the Prepetition First Lien Revolving Lender and ServisFirst until the Discharge of Revolving Credit Obligations (as defined in the Prepetition Intercreditor Agreement). In addition, CHS consented in the Prepetition Subordination Agreement to the Prepetition First Lien Revolving Lender providing debtor in possession financing to Debtors in any bankruptcy case commenced by or against Debtors, pursuant to section 364 of the Bankruptcy Code, on terms and conditions and in such amounts as Prepetition First Lien Revolving Lender, in its sole discretion, may decide up to a maximum principal amount of \$18 million, and CHS further consented to Debtors granting Prepetition First Lien Revolving Lender liens and security interests upon all of the Debtors’ property to secure such debtor in possession financing, with such liens having priority over the liens and security interests of CHS on Debtors’ property.

4847-3142-2064

(x) **Enforceability of Prepetition First Lien Revolving Facility Obligations and Prepetition Senior Term Loan Facility Obligations.** The Prepetition First Lien Revolving Facility Obligations and Prepetition Senior Term Loan Facility Obligations are (i) legal, valid, binding and enforceable against each applicable Debtor and (ii) not subject to any contest, attack, objection, recoupment, defense, counterclaim, offset, subordination, re-characterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. The Debtors do not have, hereby forever release, and are forever barred from bringing or asserting any claims, counterclaims, causes of action, defense or setoff rights relating to the Prepetition First Lien Revolving Facility Obligations and Prepetition Senior Term Loan Facility Obligations, whether arising under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise against either of the Prepetition First Lien Revolving Lender or ServisFirst and their respective officers, directors, agents, employees, attorneys, successors and assigns.

(xi) **Enforceability of Prepetition Revolving Facility First Liens and Prepetition Senior Term Loan Liens.** The Prepetition Revolving Facility First Liens and Prepetition Senior Term Loan Liens on the Prepetition Collateral were legal, valid, enforceable, non-avoidable, and duly perfected as of the Petition Date, and remain so and are not subject to avoidance, attack, offset, re-characterization or subordination under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise and, as of the Petition Date, and without giving effect to this Interim Order, the Debtors are not aware of any liens or security interests having priority over the Prepetition Revolving Facility First Liens and Prepetition Senior Term Loan Liens on the Prepetition Collateral. The respective Prepetition Revolving Facility First Liens and

Prepetition Senior Term Loan Liens on the Prepetition Collateral were granted for fair consideration and reasonably equivalent value.

F. **Findings Regarding the Postpetition Financing.**

(i) **Good Cause; Need for Postpetition Financing.** Good cause has been shown for the entry of this Interim Order. An immediate need exists for the Debtors to obtain funds from the Interim DIP Loan in order to continue operations, serve patients and to administer and preserve the value of their estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize a return for all creditors requires the availability of working capital from the Interim DIP Loan, the absence of which would immediately and irreparably harm the Debtors, their estates, their patients and their creditors and the possibility for a successful reorganization or sale of the Debtors' assets as a going concern or otherwise. The proposed Interim DIP Loan is in the best interests of the Debtors, their estates, their patients and their creditors.

(ii) **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain (a) unsecured credit allowable under 503(b)(1) of the Bankruptcy Code section as an administrative expense, (b) credit for money borrowed secured solely by a lien on property of the estate that it not otherwise subject to a lien, (c) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, (d) or credit otherwise on more favorable terms and conditions than those provided in the DIP Credit Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined herein).

(iii) **Consent and Adequate Protection of Existing Lien Holders.** The holders of prepetition liens on the DIP Collateral, including ServisFirst and CHS, have either consented to the DIP Financing as set forth in the DIP Financing Documents and/or their interests in the DIP Collateral are adequately protected as set forth herein.

G. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Documents) shall be used in each case in accordance with the Budget and in a manner consistent with the terms and conditions of the DIP Credit Agreement, this Interim Order, and the Final Order, which will include payment in full of the Prepetition First Lien Revolving Facility Obligations under the Prepetition First Lien Revolving Credit Documents upon funding of the Interim DIP Loan; provided, that no more than \$20,000 of the proceeds of the DIP Facility, DIP Collateral (as defined herein), or Cash Collateral, in the aggregate, may be used by any Committee appointed in these Chapter 11 Cases to investigate the Prepetition Liens and/or claims of the Prepetition Secured Lenders, provided further that the Debtors, DIP Lender, and any Committee appointed in these Chapter 11 Cases shall meet and confer in good faith to discuss an appropriate budget for the Committee.

H. **Application of Sale Proceeds of DIP Collateral.** The DIP Liens shall attach as first priority liens and security interests, pursuant to section 364(d) of the Bankruptcy Code, to all proceeds of any sale or other disposition of the DIP Collateral (as defined herein) (the “*Sale Proceeds*”). A portion of the Sale Proceeds in an amount equal to any Overadvance (as that term is defined in the DIP Credit Agreement) outstanding as of the date of such sale shall be paid to DIP Lender to be applied to and pay off any such Overadvance, and \$2,000,000 of the

remaining Sales Proceeds shall be held in escrow by Debtors in one or more designated deposit accounts subject to control agreements in favor of DIP Lender and shall not be disbursed except as otherwise provided in the DIP Financing Documents unless and until all of the DIP Obligations have been satisfied in full and the DIP Lender's commitments under the DIP Facility and DIP Financing Documents have been terminated, with the then remaining Sales Proceeds remitted to ServisFirst in accordance with its Prepetition Senior Term Loan Liens and Adequate Protection Liens.

I. **Adequate Protection for Prepetition Secured Lenders.** The priming of the Prepetition Secured Lenders' Prepetition Liens to the extent set forth below pursuant to section 364(d) of the Bankruptcy Code is necessary to obtain the DIP Financing. In exchange for the priming of the Prepetition Liens set forth below, the Prepetition Secured Lenders shall be entitled to receive adequate protection, as set forth in this Interim Order, pursuant to sections 361, 363 and 364 of the Bankruptcy Code, for any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve-Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use, sale or lease of such Prepetition Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "*Diminution in Value*"). The Prepetition Secured Lenders have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral, including Cash Collateral, to help fund the administration of the Debtors' estates along with the proceeds of the DIP Financing. Based on the DIP Motion and the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements and the use of Cash Collateral are fair and

reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition Secured Lenders; *provided, however*, that nothing herein shall limit the rights of any of the Prepetition Secured Lenders to hereafter seek new or different adequate protection.

J. **Extension of Financing; Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Financing Documents. The terms and conditions of the DIP Facility and the DIP Financing Documents, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration;

(ii) The DIP Financing Documents were negotiated in good faith and at arms' length between the Debtors and the DIP Lender;

(iii) The proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses; and

(iv) The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Financing Documents, and the DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Documents will not be affected or avoided by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

K. **Relief Essential; Best Interest; Good Cause.** The relief requested in the DIP Motion (and as provided in this Interim Order) is necessary, essential, and appropriate for the preservation of the Debtors' assets, business and property. It is in the best interest of the Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement and other DIP Financing Documents. Good cause has been shown for the relief requested in the DIP Motion (and as provided in this Interim Order).

NOW, THEREFORE, on the DIP Motion and the record before this Court with respect to the DIP Motion, including the record created during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Lenders and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Motion Granted.** The DIP Motion is granted in accordance with the terms and conditions set forth in this Interim Order, the DIP Credit Agreement and the other DIP Financing Documents. Any objections to the DIP Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Financing Documents.**

(a) **Approval of Entry Into DIP Financing Documents.** The Debtors are authorized, empowered and directed to execute and deliver the DIP Financing Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Financing Documents, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtors under the

DIP Financing Documents and the creation and perfection of the DIP Liens described in and

provided for by this Interim Order and the DIP Financing Documents. The Debtors are hereby authorized and directed to do and perform all acts, pay the principal, interest, fees, expenses, indemnities and other amounts described in the DIP Credit Agreement as such become due, including, without limitation, commitment fees and reasonable attorneys' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court.

(b) **Authorization to Borrow/and or Guarantee.** To enable them to continue to preserve the value of their estates and dispose of their assets in an orderly fashion, during the period prior to entry of the Final Order (the "*Interim Period*") and subject to the terms and conditions of this Interim Order, upon the execution of the DIP Credit Agreement, the Debtors are hereby authorized to borrow the Interim DIP Loan up to a total committed amount of \$15,000,000.00 under the DIP Financing Documents.

(c) **Conditions Precedent.** The DIP Lender shall have no obligation to make the Interim DIP Loan or any loan or advance under the DIP Credit Agreement during the Interim Period unless the conditions precedent to making such loan under the DIP Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

(d) **DIP Collateral; DIP Liens.** Effective immediately upon the entry of this Interim Order, on account of the Interim DIP Loan, the DIP Lender shall be and is hereby granted first-priority security interests and liens (which shall immediately be valid, binding, permanent, continuing, enforceable, perfected and non-avoidable) on all of the Debtors' real and personal property, including, without limitation, the Prepetition Collateral, including Cash Collateral, the property defined in Schedule 9.1 to the DIP Credit Agreement, and the proceeds

thereof, including, without limitation, the Sale Proceeds, accounts receivable, and all other rights to payment, whether arising before or after the Petition Date (collectively, the “*DIP Collateral*,” and all such liens and security interests granted on or in the DIP Collateral pursuant to this Interim Order and the DIP Financing Documents, the “*DIP Liens*”). The DIP Collateral shall not be subject to any surcharge under section 506(c) or any other provision of the Bankruptcy Code or other applicable law, nor by order of this Court.

(e) **DIP Lien Priority**. Subject only to the Carve-Out (as defined herein), the DIP Liens shall, pursuant to section 364(c)(2) of the Bankruptcy Code, be perfected, first priority liens on all DIP Collateral that is unencumbered as of the Petition Date (other than the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar actions under the Bankruptcy Code or similar state law (the “*Avoidance Actions*”), whether received by judgment, settlement or otherwise). Subject only to the Carve-Out (as defined herein), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected first priority senior priming liens on all DIP Collateral that is subject to the Prepetition Liens (collectively, the “*Primed Liens*”), which DIP Liens shall also prime any liens granted after the Petition Date to provide adequate protection in respect of the Primed Liens. Subject only to the Carve-Out (as defined herein), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected first priority senior liens on all DIP Collateral that is acquired after the Prepetition Date, which DIP Liens shall also prime any liens granted after the Petition Date to any other party, including any liens granted to provide adequate protection in respect of the Primed Liens. Notwithstanding the foregoing, with respect to DIP Collateral consisting of Term Loan Priority Collateral (as that

term is defined in the Prepetition Intercreditor Agreement), the DIP Liens shall prime the Prepetition Liens and Replacement Liens (as defined herein) of ServisFirst with respect to such Term Loan Priority Collateral to secure the DIP Facility for an amount equal to any Overadvance outstanding at any time, plus \$2,000,000.00. Without limiting the foregoing, the DIP Liens shall not be made subject to, subordinate to, or *pari passu* with any lien or security interest by any court order heretofore or hereafter granted in the Chapter 11 Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (any “*Successor Cases*”), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases.

(f) **Enforceable Obligations.** The DIP Financing Documents shall constitute and evidence the valid and binding obligations of the Debtors, which obligations shall be enforceable against the Debtors, their estates and any successors thereto and their creditors or representatives thereof, in accordance with their terms.

(g) **Protection of DIP Lender and Other Rights.** From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Credit Agreement and this Interim Order and in strict compliance with the Budget (subject to any variances thereto permitted by the DIP Credit Agreement).

(h) **Additional Protections of DIP Lender: Superpriority Administrative Claim Status.** Subject to the Carve-Out (as defined herein), all DIP Obligations shall constitute an allowed superpriority administrative expense claim (the “*DIP Superpriority Claim*” and,

together with the DIP Liens, the “*DIP Protections*”) with priority in all of the Chapter 11 Cases and Successor Cases over all other administrative expense claims under sections 364(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 and any other provision of the Bankruptcy Code except as otherwise set forth herein, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claim shall be payable from and have recourse to all prepetition and post-petition property of the Debtors and all proceeds thereof. Without limiting the foregoing, the Superpriority Claim shall not be made subject to, subordinate to, or *pari passu* with any other administrative claim in the Chapter 11 Cases or Successor Cases, except for the Carve-Out (as defined herein).

3. **Authorization to Use Cash Collateral and Proceeds of DIP Facility.** Pursuant to the terms and conditions of this Interim Order, the DIP Credit Agreement and the other DIP Financing Documents, and in accordance with the Budget and the permitted variances thereto set forth in the DIP Credit Agreement, (a) the Debtors are authorized to use the advances under the DIP Credit Agreement during the period commencing immediately after the entry of this Interim Order and terminating upon the occurrence of an Event of Default (as defined herein) and the termination of the DIP Credit Agreement in accordance with its terms and subject to the provisions hereof, and (b) the Debtors are authorized to use all Cash Collateral of the Prepetition

Secured Lenders, *provided* that the Prepetition Secured Lenders are granted adequate protection as hereinafter set forth.

4. **Adequate Protection for Prepetition Secured Parties.** As adequate protection for the interests of the Prepetition Secured Lenders in the Prepetition Collateral (including Cash Collateral) on account of the granting of the DIP Liens, subordination to the Carve-Out (as defined herein), the Debtors' use of Cash Collateral and any other Diminution in Value arising out of the automatic stay or the Debtors' use, sale, or disposition or other depreciation of the Prepetition Collateral, the Prepetition Secured Parties shall receive adequate protection as follows:

(a) **Adequate Protection Replacement Liens.** To the extent of the Diminution in Value of the interests of the Prepetition Secured Lenders in the Prepetition Collateral of the Debtors, the Prepetition Secured Lenders shall be and are hereby granted continuing valid, binding, enforceable, non-avoidable and automatically perfected post-petition security interests in and liens on the DIP Collateral (the "***Replacement Liens***").

(i) **Priority of the Replacement Liens:**

(A) The Replacement Liens shall be junior only to (i) the Carve-Out (as defined herein) and (ii) the DIP Liens. The Replacement Liens shall otherwise be senior to all other security interests in, liens on, or claims against any of the DIP Collateral. The Prepetition Secured Lenders' respective rights with respect to the property secured by the Replacement Liens shall continue to be

governed by the Prepetition Intercreditor Agreement and Prepetition Subordination Agreement, as applicable.

(B) Except as provided herein, the Replacement Liens shall not be made subject to or *pari passu* with any lien or security interest by any court order heretofore or hereafter entered in the Chapter 11 Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Chapter 11 Cases or any successor Cases, or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The Replacement Liens shall not be subject to sections 506(c), 510, 549, or 550 of the Bankruptcy Code.

(ii) **Adequate Protection Superpriority Claims**. To the extent of the Diminution in Value of the interests of the Prepetition Secured Lenders in the Prepetition Collateral of the Debtors, the Prepetition Secured Lenders are hereby granted allowed superpriority administrative expense claims, to the extent provided by sections 503(b) and 507(b) of the Bankruptcy Code, in each of the Chapter 11 Cases and any Successor Cases (the “*Adequate Protection Superpriority Claims*”).

(iii) **Adequate Protection Superpriority Claims**: The Adequate Protection Superpriority Claims shall be junior only to the Carve-Out (as defined herein) and the DIP Superpriority Claim. Except as otherwise provided in this Interim Order, the Adequate Protection Superpriority Claims shall have priority over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or

hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 of the Bankruptcy Code. The Prepetition Secured Lenders' respective rights with respect to the payment of any Adequate Protection Superpriority Claims shall continue to be governed by the Prepetition Intercreditor Agreement and Prepetition Subordination Agreement, as applicable, and all payments on account of Adequate Protection Superpriority Claims shall constitute, as applicable, permitted Distributions (as defined in the Prepetition Intercreditor Agreement) and Permitted Subordinated Loan Payments (as defined in the Subordination Agreement).

(b) **Right to Credit Bid.** The DIP Lender and the Prepetition First Lien Revolving Lender shall each have the right, but not the obligation, to "*credit bid*" separately or in combination the allowed amounts of the Prepetition First Lien Revolving Facility Obligations and the DIP Obligations during any sale of the DIP Collateral, including without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code or included as part of any reorganization plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code.

(c) **Adequate Protection Payments and Protections.** To the extent any Prepetition First Lien Revolving Facility Obligations remain outstanding, the Debtors are authorized and directed to provide adequate protection payments to the Prepetition First Lien Revolving Lender in the form of ongoing (i) [weekly] payment of the reasonable and documented professional fees and expenses of the Prepetition First Lien Revolving Lender,

whether such fees and expenses are incurred prepetition or post-petition, with all professional fees and expenses accrued as of the Petition Date being paid within 7 days after the Petition Date and then weekly thereafter, and (ii) weekly payments of interest under the Prepetition First Lien Revolving Facility in accordance with the Budget. To the extent any Prepetition Senior Term Loan Facility Obligations remain outstanding, the Debtors are authorized and directed to provide adequate protection payments to ServisFirst in the form of ongoing monthly interest payments under the Prepetition Senior Term Loan Agreement as set forth in the Budget (collectively, the “*Prepetition Senior Term Loan Adequate Protection Payments*”). Notwithstanding the foregoing, to the extent the Court determines, pursuant to sections 506(a) or (b) of the Bankruptcy Code that the Prepetition Senior Term Loan Adequate Protection Payments are not properly allocable to interest on the Prepetition Senior Term Loan Obligations, Prepetition Senior Term Loan Adequate Protection Payments may be re-characterized as payment(s) applied to the principal amount of the Prepetition Senior Term Loan Obligations.

5. **Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and the Replacement Liens without the necessity of filing or recording any financing statement, deeds of trust, mortgages, or other instruments or documents which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or obtaining possession of any possessory collateral) to validate or perfect the DIP Liens and the Replacement Liens or to entitle the DIP Liens and the Replacement Liens to the priorities granted herein. Notwithstanding and without limiting the foregoing, the DIP Lender, in its capacity as DIP Lender and Prepetition First Lien

Revolving Lender, ServisFirst and CHS may each file such financing statements, mortgages, notices of liens and other similar documents as they deem appropriate, and they are hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, notices and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases. Notwithstanding and without limiting the foregoing provisions regarding the validity, perfection, and priority of the DIP Liens and the Replacement Liens The Debtors shall execute and deliver to the DIP Lender and the Prepetition First Lien Revolving Lender all such financing statements, mortgages, notices and other documents as the DIP Lender and the Prepetition First Lien Revolving Lender may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens and the Replacement Liens granted pursuant hereto. The DIP Lender, in their discretion, may file a photocopy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the recording officer shall be authorized to file or record such copy of this Interim Order.

6. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims.** Nothing in this Interim Order or the DIP Credit Agreement shall prejudice the rights the Official Committee of Unsecured Creditors Committee (the “*Committee*”), if formed, or any other party in interest to the extent it has requisite standing (other than the Debtors and their non-Debtor subsidiaries) (“*Party in Interest*”) may have to object to or challenge the findings herein and the Debtors’ stipulations regarding (i) the validity, extent, perfection or priority of the

Prepetition Liens in and on the Prepetition Collateral, or (ii) the validity, allowability, priority, status or amount of the Prepetition Secured Obligations (a “**Challenge**”); *provided, however*, if a Committee is formed, an adversary proceeding must be commenced by the Committee asserting the Challenge, including without limitation, asserting any claim against the Prepetition Secured Lenders in the nature of a setoff, counterclaim or defense to the Prepetition Secured Obligations (including but not limited to, those under sections 506, 544, 547, 548, 549 and 550 of the Bankruptcy Code or by way of suit against any of the Prepetition Secured Lenders) (also, a “**Challenge**”) by the earlier of (a) sixty (60) days from the date of the entry of order appointing counsel to the Committee, and (b) November 5, 2018. If no Committee is formed, any Party in Interest must commence an adversary proceeding asserting a Challenge by the earlier of sixty (60) days from the date the U.S. Trustee provides notice that no Committee will be formed, and (c) November 5, 2018 (the “**Challenge Period**”). Debtors must provide notice to all parties on the Debtors’ mailing matrix that no Committee will be formed within five (5) days of Debtors’ receipt of the U.S. Trustee’s announcement of same. The date that is the next calendar day after the termination of the Challenge Period, in the event that no objection or challenge is raised during the Challenge Period, shall be referred to as the “**Challenge Period Termination Date**”. Upon the Challenge Period Termination Date, any and all challenges, claims, causes of action and objections by any party (including, without limitation, the U.S. Trustee, any Committee, any Chapter 11 or Chapter 7 trustee appointed herein or in any Successor Case, and any other Party in Interest) shall be deemed to be forever waived and barred, and the Prepetition Secured Obligations shall be deemed to be allowed in full and shall be deemed to be allowed as secured claims within the meaning of section 506 of the Bankruptcy Code for all purposes in connection

with the Chapter 11 Cases or any Successor Case, and the Debtors' Stipulations shall be binding on all creditors, interest holders and parties in interest. Notwithstanding anything herein to the contrary, if a Committee has been appointed, only the Committee shall be entitled to bring a Challenge on behalf of the Debtors' estates against any of the Prepetition Secured Lenders.

7. **Fees and Expenses.** To the extent any Challenge is filed, the Prepetition Secured Lenders will be entitled to include such costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred in defending the objection or complaint as part of their prepetition claims to the extent allowable under Section 506(b) of the Bankruptcy Code.

8. **Carve-Out.** The DIP Liens, DIP Superpriority Claims, Replacement Liens, and the Adequate Protection Superpriority Claims are subordinate only to the following: (i) quarterly fees required to be paid pursuant to 28 U.S.C. § 1930(a)(6) (the "*U.S. Trustee Fees*"), together with interest payable thereon pursuant to applicable law and any fees payable to the Clerk of the Bankruptcy Court; (ii) until the issuance of a notice from the DIP Lender that an Event of Default has occurred (the "*Carve-Out Notice*") (which the DIP Lender may issue upon an Event of Default), the allowed, accrued, and unpaid reasonable fees and expenses of professionals employed by the Debtors and any Committee pursuant to Sections 327 and 1103 of the Bankruptcy Code (the "*Case Professionals*") in the amounts set forth in the Budget ((i)-(ii), the "*Initial Carve-Out*"); and (iii) following delivery of a Carve-Out Notice, an aggregate amount not to exceed \$105,000 (the "*Residual Carve-Out*," and together with the Initial Carve-Out, the "*Carve-Out*"), provided that (a) any payments made to Case Professionals for services rendered prior to the delivery of the Carve-Out Notice and in accordance with the Budget and (b) any fees and expenses of Case Professionals accrued prior to the delivery of the Carve-Out Notice in the

amounts set forth in the Budget and subsequently allowed, shall not reduce the Residual Carve-Out. The Debtors are authorized, in connection with the sale of all or substantially all of the assets of any Debtor pursuant to the Stalking Horse Agreement (as defined herein) or such other asset sale agreement in form and substance acceptable to DIP Lender and Debtors and Sale Order (as defined herein), to establish an escrow into which will be deposited sufficient funds from the Carve-Out to pay the Debtors' unpaid and/or not-yet-allowed professional fees incurred in these cases through the date of the sale, to the extent such payments are consistent with the Budget. Payment from the escrow shall be made upon final Court approval of the Debtors' professional fees and any hold back of professional fees instituted in these cases. The DIP Liens shall attach to the escrow subject only to the Case Professionals' rights to payment therefrom as set forth above.

9. Notwithstanding anything set forth herein and except as provided in the following paragraph, the Carve-Out shall exclude any fees and expenses incurred in connection with initiating or prosecuting any claims, causes of action, adversary proceedings, or other litigation against any of the DIP Lender or the Prepetition Secured Lenders, including, without limitation, the assertion or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defenses or other contested matter, the purpose of which is to seek any order, judgment, determination or similar relief (i) invalidating, setting aside, disallowing, avoiding, challenging or subordinating, in whole or in part, (a) the DIP Obligations, (b) the Prepetition Secured Obligations, (c) the Prepetition Liens, or (d) the DIP Liens, or (ii) preventing, hindering or delaying, whether directly or indirectly, the DIP Lender's or Prepetition Secured Lenders' assertion or enforcement of their liens or security interests or realization upon any DIP Collateral

or Prepetition Collateral, or (iii) prosecuting any Avoidance Actions against any DIP Lender or any Prepetition Secured Lender, or (iv) challenging the amount, validity, extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to, the Prepetition Secured Obligations, or the adequate protection granted herein.

10. Notwithstanding the preceding paragraph, the Committee, if appointed, shall be authorized to use up to \$20,000.00 in the aggregate of the Initial Carve-Out to investigate the liens, claims and interests of the Prepetition Secured Lenders. Nothing herein shall be construed to obligate the Prepetition Secured Lenders or the DIP Lender, in any way, to pay any professional fees, or to assure that a Debtor has sufficient funds on hand to pay any professional fees.

11. **Payment of Compensation.** Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors or the Committee or shall affect the right of the DIP Lender or the Prepetition Secured Lenders to object to the allowance and payment of such fees and expenses or to permit the Debtors to pay any such amounts not set forth in the Budget.

12. **Section 506(c) Claims.** Nothing contained in this Interim Order shall be deemed a consent by the Prepetition Secured Lenders or the DIP Lenders to any charge, lien, assessment or claim against the DIP Collateral or the Prepetition Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

13. **Collateral Rights.** Unless the DIP Lender has provided its prior written consent or all DIP Obligations and all Prepetition First Lien Revolving Facility Obligations have been paid in full in cash (or will be paid in full in cash upon entry of an order approving indebtedness

(c) In the event that the Debtors seek entry of an order in violation of subsection (a) hereof, the DIP Lender and the Prepetition First Lien Revolving Lender shall be granted relief from the automatic stay with respect to the DIP Collateral and the Prepetition First Lien Revolving Facility Collateral pursuant to the notice procedures set forth in Section 23(b) of this Order.

14. **Commitment Termination Date.** All DIP Obligations of the Debtors to the DIP Lender shall be immediately due and payable, and the Debtors' authority to use the proceeds of the DIP Facility and to use Cash Collateral shall cease, both on the date that is the earliest to occur of: (i) the date that is two hundred seventy (270) days after the Closing Date (as defined herein) (unless extended by one optional 30-day extension at the request of the Debtors, and in

15. **Disposition of Collateral.** The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, without the prior written consent of the DIP Lender (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Lender or an order of this Court), except as provided in the DIP Credit Agreement and this Interim Order and approved by the Bankruptcy Court to the extent required under applicable bankruptcy law. Nothing herein shall prevent the Debtors from making sales in the ordinary course of business to the extent consistent with the Budget.

16. **Events of Default.** The occurrence of an “Event of Default” pursuant to Section 10.1 the DIP Credit Agreement shall constitute an event of default under this Interim Order, unless expressly waived in writing in accordance with the consents required in the DIP Financing Documents (collectively, the “*Events of Default*”). Neither DIP Lender nor Prepetition First Lien Revolving Lender shall be deemed to be in control of Debtors' operations or acting as a "responsible person," "owner," or "operator" of Debtors, as such terms are used in

the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended or modified, solely because they extended loans to the Debtors.

19. **Proofs of Claim.** The Prepetition Secured Lenders and the DIP Lender will not be required to file proofs of claim in the Chapter 11 Cases. Any proof of claim so filed shall be deemed to be in addition and not in lieu of any other proof of claim that may be filed by any of the Prepetition Secured Lenders.

20. **Other Rights and Obligations.**

(a) Good Faith Under Section 364(e) of the Bankruptcy Code. No Modification or Stay of this Interim Order. The DIP Lender has acted in good faith in connection with negotiating the DIP Financing Documents, extending credit under the DIP Facility and allowing the use of Cash Collateral, and its reliance on this Interim Order is in good faith. Based on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Interim Order are hereafter reversed, modified amended or vacated by a subsequent order of this or any other Court, the DIP Lender is entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such reversal, modification, amendment or vacatur shall not affect the validity and enforceability of any advances made pursuant to this Interim Order or the DIP Financing Documents, nor shall it affect the validity, priority, enforceability, or perfection of the DIP Liens. Any claims and DIP Protections granted to the DIP Lender hereunder arising prior to the effective date of such reversal, modification, amendment or vacatur shall be governed in all respects by the original provisions of this Interim

Order, and the DIP Lender shall be entitled to all of the rights, remedies, privileges and benefits, including the DIP Protections granted herein, with respect to any such claim. Since the loans made pursuant to the DIP Credit Agreement are made in reliance on this Interim Order, the obligations owed to the DIP Lender prior to the effective date of any reversal or modification of this Interim Order cannot, as a result of any subsequent order in the Chapter 11 Cases or in any Successor Cases, be subordinated, lose their lien priority or superpriority administrative expense claim status, or be deprived of the benefit of the status of the liens and claims granted to the DIP Lender under this Interim Order and/or the DIP Financing Documents.

(b) Binding Effect.
