**Re: Notice of Removal of Certain Executory Contracts and Unexpired Leases by North Mississippi Health Service, Inc. from the Proposed Assumption List**

To Whom it May Concern:

On November 12, 2018, North Mississippi Health Services, Inc. ("NMHS") filed a notice with the United States Bankruptcy Court for the Middle District of Tennessee, listing all executory contracts and unexpired leases that NMHS proposed to assume. Subject to the APA, up to the Closing Date, North Mississippi may, in its sole discretion, exclude any contract or lease by providing notice to the Debtors and to any contract parties. NMHS specifically reserved this right in its notice.

North Mississippi Health Services, Inc. ("NMHS") hereby notifies you that it has determined to remove each executory contract and unexpired lease set forth on Schedule A attached hereto from the proposed assumption list. NMHS no longer intends to take an assignment of these designated contracts and leases.

Please feel free to contact me should you have any questions.

Best regards,

David W. Houston IV
