DEFINITIONS: As used on pages 1 and 3, "I" means the terms that apply to this loan. "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW: The law of the state of Missouri will govern this note. Any term of this note which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

COMMISSIONS: I understand and agree that you (or your affiliate) will earn commissions or fees on any insurance products and may earn such fees on other services that I buy through you or your affiliate.

PAYMENTS: Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. You and I may provide in this agreement for accrued interest not paid when due to be added to principal. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE: The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other loans or class of loans to me or other borrowers.

ACCUAL METHOD: The amount of interest that I will pay on this loan will be calculated using the interest rate and accrual method stated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "year." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS: If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below, or if we have agreed that accrued interest not paid when due may be added to principal.

MULTIPLE ADVANCE LOANS: If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this is closed end credit, repaying a part of the principal will not entitle me to additional credit.

PAYMENTS BY LENDER: If you are authorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

SET-OFF: I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

- (1) any deposit account balance I have with you;
- (2) any money owed to me on an item presented to you or in your possession for collection or exchange; and
- (3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance due the date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

REAL ESTATE OR RESIDENCE SECURITY: If this note is secured by real estate or a residence that is personal property, the existence of a default and your remedies for such a default will be determined by applicable law, by the terms of any separate instrument creating the security interest and, to the extent not prohibited by law and not contrary to the terms of the separate security instrument, by the "Default" and "Remedies" paragraphs herein.

DEFAULT: I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe that you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season if I am a producer of crops; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES: If I am in default on this note you have, but are not limited to, the following remedies:

- (1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued charges).
- (2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "Set-Off" paragraph herein.
- (3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.
- (4) You may refuse to make advances to me or allow purchases on credit by me.
- (5) You may use any remedy you have under state or federal law.

By selecting any one or more of these remedies you do not give up your right to later use any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to later consider the event as a default if it continues or happens again.

COLLECTION COSTS AND ATTORNEY'S FEES: I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur with such attorney plus court costs (except where prohibited by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER: I give up my rights to require you to do certain things. I will not require you to:

- (1) demand payment of amounts due (presentment);
- (2) obtain official certification of nonpayment (protest); or
- (3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT: I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this form or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may do so without any notice that it has not been paid (notice of dishonor). You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of the note. I will not assign my obligation under this agreement without your prior written approval.

FINANCIAL INFORMATION: I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.

NOTICE: Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by first class mail addressed to me at my last known address. My current address is on page 1. I agree to inform you in writing of any change in my address. I will give you notice to you by mailing it first class to your address stated on page 1 of this agreement, or to any other address that you have designated.

COLLATERAL PROTECTION INSURANCE: If insurance on collateral is required by my agreement with you and I do not provide evidence of the required coverage, you may purchase insurance at my expense to protect your interests in my collateral. This insurance may, but need not, protect my interests. The coverage that you purchase may not pay any claim that I make or any claim that is made against me in connection with the collateral. I may later cancel any insurance purchased by you, but only after providing evidence that I have obtained insurance as required by our agreement. If you purchase insurance for the collateral, I will be responsible for the costs of that insurance, including the insurance premium, interest and any other charges you may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to my total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance I may be able to obtain on my own.

ADDITIONAL PROVISIONS

The Guarantor further acknowledges and agrees with Lender that:

1. No act or thing need occur to establish the liability of the Guarantor hereunder, and no act or thing, except full payment and discharge of all indebtedness, shall in any way exonerate the Guarantor or modify, reduce, limit or release the liability of the Guarantor hereunder.

2. This is an absolute, unconditional and continuing Guaranty of payment of the indebtedness and will continue to be enforceable against the Guarantor, whether or not all indebtedness is paid in full, until this Guaranty is revoked by written notice actually received by the Lender. Any revocation shall not be effective as to any indebtedness existing or committed to at the time of actual receipt of notice by the Lender, or as to any renewals, extensions and refinancings thereof.

The Guarantor represents and warrants to the Lender that the Guarantor has a direct and substantial economic interest in Borrower and expects to derive substantial benefits therefrom and from any loans and financial accommodations resulting from the creation of Indebtedness guaranteed hereby, and that this Guaranty is given for a business purpose. The Guarantor agrees to rely exclusively on its right to revoke this Guaranty prospectively as to future transactions by written notice actually received by Lender if at any time the benefits then being received by the Guarantor in connection with this Guaranty are not sufficient to warrant its continuance as a Guarantor as to future Indebtedness. Accordingly, the Lender may rely conclusively on a continuing warranty, hereby made, that the Guarantor continues to be benefited by this Guaranty and that the Lender has no duty to inquire into or confirm the receipt of any benefits, and that this Guaranty will be enforceable without regard to the receipt, nature or value of any such benefits.

3. If the Guarantor is dissolved or becomes insolvent, however defined, or revokes this Guaranty, then the Lender has the right to declare the full amount of all indebtedness immediately due and payable, and the Guarantor will forthwith pay the Lender. If the Guarantor voluntarily commences or there is commenced involuntarily against the Guarantor a case under the United States Bankruptcy Code, the full amount of all indebtedness, whether due and payable or unmatured, will become immediately due and payable without demand or notice thereof.

4. The Guarantor will be liable for all indebtedness without any limitation as to amount, plus accrued interest thereon and all other costs, fees, and expenses agreed to be paid under all agreements evidencing the indebtedness and securing the payment of the indebtedness, and all attorneys' fees, collection costs and enforcement expenses referable thereto. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the Guarantor hereunder. The Lender may apply any sums received by or available to the Lender on account of the Indebtedness from Borrower or any other person (except the Guarantor), from their properties, out of any collateral security or from any other source to payment of the excess. Such application of receipts will not reduce, affect or impair the liability of the Guarantor hereunder. If the liability of the Guarantor is limited pursuant to this paragraph 4, any payment made by the Guarantor under this Guaranty will be effective to reduce or discharge its liability only if accompanied by a written transmittal document, received by the Lender, advising that such payment is made under this Guaranty for that purpose.

5. The Guarantor will pay or reimburse the Lender for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by the Lender in connection with the protection, defense or enforcement of this Guaranty in any litigation or bankruptcy or insolvency proceedings.

6. Whether or not any existing relationship between the Guarantor and Borrower has been changed or ended and whether or not this Guaranty has been revoked, the Lender may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the Guarantor and without any notice to the Guarantor. The liability of the Guarantor will not be affected or impaired by any of the following acts or things (which the Lender is expressly authorized to do, omit or suffer from time to time, both before and after revocation of this Guaranty, without notice to or approval by the Guarantor): (i) any acceptance of collateral security, Guarantors, accommodation parties or sureties for any or all Indebtedness; (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver, adjustment, forbearance, compromise or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, Borrower or any other Guarantor or other person liable in respect of any Indebtedness; (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof or substitution thereof; (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any release, modification, substitution, discharge, impairment, deterioration, waste, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the Lender under § 1111(b)(2) of the United States Bankruptcy Code.

7. The Guarantor waives any and all defenses, claims and discharges of Borrower, or any other obligor, pertaining to Indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Guarantor will not assert, plead or enforce against the Lender any defense of waiver, release, estoppel, statute of limitations, res judicata,

statute of frauds, fraud, forgery, incapacity, minority, usury, illegality or unenforceability which may be available to Borrower or any other person liable in respect of any Indebtedness, or any setoff available against the Lender to Borrower or any such other person, whether or not on account of a related transaction. The Guarantor expressly agrees that the Guarantor will be liable, to the fullest extent permitted by applicable law, for any deficiency remaining after foreclosure of any mortgage or security interest securing Indebtedness, whether or not the liability of Borrower or any other obligor for such deficiency is discharged pursuant to statute or judicial decision. The Guarantor shall remain obligated, to the fullest extent permitted by law, to pay such amounts as though Borrower's obligations had not been discharged.

8. The Guarantor further agree(s) that Guarantor will be obligated to pay Indebtedness even though any other person obligated to pay Indebtedness, including Borrower, has such obligation discharged in bankruptcy or otherwise discharged by law. "Indebtedness" shall include post-bankruptcy petition interest and attorneys' fees and any other amounts which Borrower is discharged from paying or which do not accrue to Indebtedness due to Borrower's discharge, and Guarantor will be obligated to pay such amounts as fully as if Borrower's obligations had not been discharged.

9. If any payment applied by the Lender to Indebtedness is thereafter set aside, recovered, rescinded or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Borrower or any other obligor), the Indebtedness to which such payment was applied will for the purposes of this Guaranty be deemed to have continued in existence, notwithstanding such application, and this Guaranty will be enforceable as to such Indebtedness as fully as if such application had never been made.

10. Until the obligations of the Borrower to Lender have been paid in full, the Guarantor waive(s) any claim, remedy or other right which the Guarantor may now have or hereafter acquire against Borrower or any other person obligated to pay Indebtedness arising out of the creation or performance of the Guarantor's obligation under this Guaranty, including, without limitation, any right of subrogation, contribution, reimbursement, indemnification, exoneration or any right to participate in any claim or remedy the Guarantor may have against the Borrower, collateral, or other party obligated for Borrower's debt, whether or not such claim, remedy, or right arises in equity, or under contract, statute or common law.

11. The Guarantor waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. The Lender will not be required first to resort for payment of the Indebtedness to Borrower or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this Guaranty.

12. The liability of the Guarantor under this Guaranty is in addition to and is cumulative with all other liabilities of the Guarantor to the Lender as Guarantor or otherwise, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

13. To induce Lender to enter into the Loan, Guarantor makes these representations and warranties for as long as Guaranty is in effect. Guarantor is duly organized, validly existing and in good standing under the laws in the jurisdiction where Guarantor was organized and is duly qualified, validly existing and in good standing in all jurisdictions in which Guarantor operates or Guarantor owns or leases property. Guarantor has the power and authority to enter into this transaction and to carry on Guarantor's business or activity as now conducted. The execution, delivery and performance of this Guaranty and the obligation evidenced by this Guaranty are within Guarantor's duly authorized powers; have received all necessary governmental approval; will not violate any provision of law or order of court or governmental agency; and will not violate any agreement to which Guarantor is a party or to which Guarantor is or any of Guarantor's property is subject. Other than previously disclosed in writing to Lender, Guarantor has not changed Guarantor's name or principal place of business within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Guarantor does not and will not use any other name and will preserve Guarantor's existing name, trade names and franchises. Guarantor owns or leases all property that Guarantor needs to conduct Guarantor's business and activities. All of Guarantor's property is free and clear of all liens, security interests, encumbrances and other adverse claims and interests, except those Lender previously agreed to in writing. Guarantor is not violating any laws, regulations, rules, orders, judgments or decrees applicable to Guarantor or Guarantor's property, except for those that Guarantor is challenging in good faith through proper proceedings after providing adequate reserves to fully pay the claim and its challenge should Guarantor lose.

14. This Guaranty is effective upon delivery to the Lender, without further act, condition or acceptance by the Lender. It will be binding upon the Guarantor and the successors and assigns of the Guarantor and will inure to the benefit of the Lender and its participants, successors and assigns. ADDITIONAL PROVISIONS

The Guarantor further acknowledges and agrees with Lender that:

1. No act or thing need occur to establish the liability of the Guarantor hereunder, and no act or thing, except full payment and discharge of all indebtedness, shall in any way exonerate the Guarantor or modify, reduce, limit or release the liability of the Guarantor hereunder.

2. This is an absolute, unconditional and continuing Guaranty of payment of the Indebtedness and will continue to be enforceable against the Guarantor, whether or not all Indebtedness is paid in full, until this Guaranty is revoked by written notice actually received by the Lender. Any revocation shall not be effective as to any Indebtedness existing or committed to at the time of actual receipt of notice by the Lender, or as to any renewals, extensions and refinancings thereof.

The Guarantor represents and warrants to the Lender that the Guarantor has a direct and substantial economic interest in Borrower and expects to derive substantial benefits therefrom and from any loans and financial accommodations resulting from the creation of Indebtedness guaranteed hereby, and that this Guaranty is given for a business purpose. The Guarantor agrees to rely exclusively on its right to revoke this Guaranty prospectively as to future transactions by written notice actually received by Lender if at any time the benefits then being received by the Guarantor in connection with this Guaranty are not sufficient to warrant its continuance as a Guarantor as to future Indebtedness. Accordingly, the Lender may rely conclusively on a continuing warranty, hereby made, that the Guarantor continues to be benefited by this Guaranty and that the Lender has no duty to inquire into or confirm the receipt of any benefits, and that this Guaranty will be enforceable without regard to the receipt, nature or value of any such benefits.

3. If the Guarantor is dissolved or becomes insolvent, however defined, or revokes this Guaranty, then the Lender has the right to declare the full amount of all Indebtedness immediately due and payable, and the Guarantor will forthwith pay the Lender. If the Guarantor voluntarily commences or there is commenced involuntarily against the Guarantor a case under the United States Bankruptcy Code, the full amount of all Indebtedness, whether due and payable or unmatured, will become immediately due and payable without demand or notice thereof.

4. The Guarantor will be liable for all Indebtedness without any limitation as to amount, plus accrued interest thereon and all other costs, fees, and expenses agreed to be paid under all agreements evidencing the Indebtedness and securing the payment of the Indebtedness, and all attorneys' fees, collection costs and enforcement expenses referable thereto. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the Guarantor hereunder. The Lender may apply any sums received by or available to the Lender on account of the Indebtedness from Borrower or any other person (except the Guarantor), from their properties, out of any collateral security or from any other source to payment of the excess. Such application of receipts will not reduce, affect or impair the liability of the Guarantor hereunder. If the liability of the Guarantor is limited pursuant to this paragraph 4, any payment made by the Guarantor under this Guaranty will be effective to reduce or discharge its liability only if accompanied by a written transmittal document, received by the Lender, advising that such payment is made under this Guaranty for that purpose.

5. The Guarantor will pay or reimburse the Lender for all costs and expenses (including reasonable attorneys' fees and legal expenses) incurred by the Lender in connection with the protection, defense or enforcement of this Guaranty in any litigation or bankruptcy or insolvency proceedings.

6. Whether or not any existing relationship between the Guarantor and Borrower has been changed or ended and whether or not this Guaranty has been revoked, the Lender may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Indebtedness, without any consent or approval by the Guarantor and without any notice to the Guarantor. The liability of the Guarantor will not be affected or impaired by any of the following acts or things (which the Lender is expressly authorized to do, omit or suffer from time to time, both before and after revocation of this Guaranty, without notice to or approval by the Guarantor): (i) any acceptance of collateral security, Guarantors, accommodation parties or sureties for any or all Indebtedness; (ii) any one or more extensions or renewals of Indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Indebtedness; (iii) any waiver, adjustment, forbearance, compromise or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of Indebtedness, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Indebtedness; (iv) any full or partial release of, settlement with, or agreement not to sue, Borrower or any other Guarantor or other person liable in respect of any Indebtedness; (v) any discharge of any evidence of Indebtedness or the acceptance of any instrument in renewal thereof or substitution thereof; (vi) any failure to obtain collateral security (including rights of setoff) for Indebtedness, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any release, modification, substitution, discharge, impairment, deterioration, waste, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; (x) any election by the Lender under §1111(b)(2) of the United States Bankruptcy Code.

7. The Guarantor waives any and all defenses, claims and discharges of Borrower, or any other obligor, pertaining to Indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Guarantor will not assert, plead or enforce against the Lender any defense of waiver, release, estoppel, statute of limitations, res judicata,

statute of frauds, fraud, forgery, incapacity, minority, usury, illegality or unenforceability which may be available to Borrower or any other person liable in respect of any Indebtedness, or any setoff available against the Lender to Borrower or any such other person, whether or not on account of a related transaction. The Guarantor expressly agrees that the Guarantor will be liable, to the fullest extent permitted by applicable law, for any deficiency remaining after foreclosure of any mortgage or security interest securing Indebtedness, whether or not the liability of Borrower or any other obligor for such deficiency is discharged pursuant to statute or judicial decision. The Guarantor shall remain obligated, to the fullest extent permitted by law, to pay such amounts as though Borrower's obligations had not been discharged.

8. The Guarantor further agree(s) that Guarantor will be obligated to pay Indebtedness even though any other person obligated to pay Indebtedness, including Borrower, has such obligation discharged in bankruptcy or otherwise discharged by law. "Indebtedness" shall include post-bankruptcy petition interest and attorneys' fees and any other amounts which Borrower is discharged from paying or which do not accrue to Indebtedness due to Borrower's discharge, and Guarantor will be obligated to pay such amounts as fully as if Borrower's obligations had not been discharged.

9. If any payment applied by the Lender to Indebtedness is thereafter set aside, recovered, rescinded or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Borrower or any other obligor), the Indebtedness to which such payment was applied will for the purposes of this Guaranty be deemed to have continued in existence, notwithstanding such application, and this Guaranty will be enforceable as to such Indebtedness as fully as if such application had never been made.

10. Until the obligations of the Borrower to Lender have been paid in full, the Guarantor waive(s) any claim, remedy or other right which the Guarantor may now have or hereafter acquire against Borrower or any other person obligated to pay Indebtedness arising out of the creation or performance of the Guarantor's obligation under this Guaranty, including, without limitation, any right of subrogation, contribution, reimbursement, indemnification, exoneration or any right to participate in any claim or remedy the Guarantor may have against the Borrower, collateral, or other party obligated for Borrower's debt, whether or not such claim, remedy, or right arises in equity, or under contract, statute or common law.

11. The Guarantor waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. The Lender will not be required first to resort for payment of the Indebtedness to Borrower or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this Guaranty.

12. The liability of the Guarantor under this Guaranty is in addition to and is cumulative with all other liabilities of the Guarantor to the Lender as Guarantor or otherwise, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

13. To induce Lender to enter into the Loan, Guarantor makes these representations and warranties for as long as Guaranty is in effect. Guarantor is duly organized, validly existing and in good standing under the laws in the jurisdiction where Guarantor was organized and is duly qualified, validly existing and in good standing in all jurisdictions in which Guarantor operates or Guarantor owns or leases property. Guarantor has the power and authority to enter into this transaction and to carry on Guarantor's business or activity as now conducted. The execution, delivery and performance of this Guaranty and the obligation evidenced by this Guaranty are within Guarantor's duly authorized powers; have received all necessary governmental approval; will not violate any provision of law or order of court or governmental agency; and will not violate any agreement to which Guarantor is a party or to which Guarantor is or any of Guarantor's property is subject. Other than previously disclosed in writing to Lender, Guarantor has not changed Guarantor's name or principal place of business within the last ten years and has not used any other trade or fictitious name. Without Lender's prior written consent, Guarantor does not and will not use any other name and will preserve Guarantor's existing name, trade names and franchises. Guarantor owns or leases all property that Guarantor needs to conduct Guarantor's business and activities. All of Guarantor's property is free and clear of all liens, security interests, encumbrances and other adverse claims and interests, except those Lender previously agreed to in writing. Guarantor is not violating any laws, regulations, rules, orders, judgments or decrees applicable to Guarantor or Guarantor's property, except for those that Guarantor is challenging in good faith through proper proceedings after providing adequate reserves to fully pay the claim and its challenge should Guarantor lose.

14. This Guaranty is effective upon delivery to the Lender, without further act, condition or acceptance by the Lender. It will be binding upon the Guarantor and the successors and assigns of the Guarantor and will inure to the benefit of the Lender and its participants, successors and assigns. If there be more than one Guarantor, all agreements and promises herein shall be construed to be, and are hereby declared to be, joint and several in each and every particular and shall be fully binding upon and enforceable against either, any or all the Guarantors. Any invalidity or unenforceability of any provision or application of this Guaranty will not affect other lawful provisions and application hereof, and to this end the provisions of this Guaranty are declared to be severable. Except as allowed by the terms herein, this Guaranty may not be waived, modified, amended, terminated, released or otherwise changed except by a writing signed by the Guarantor and the Lender. This Guaranty shall be governed by the laws of the State in which it is executed. The Guarantor waives notice of the Lender's acceptance hereof.
