DEFINITIONS: As used on pages 1 and 3, " \underline{K} " means the terms that apply to this loan. "i," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and suraties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and its successors and assigns.

APPLICABLE LAW: The law of the state of Missouri will govern this note. Any term of this note which is contrary to explicable law will not be effective, unless the law parmits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreemant. No modification of this signeement may be made without your express written consent. Time is of the assence in this agreement.

COMMISSIONS: I understand and agree that you (or your affiliate) will earn commissions or feas on any insurance products and may earn such feas on other services that I buy through you or your affiliate.

PAYMENTS: Each payment I make on this note will first raduce the amount I owe you for oharges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of this loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any leter scheduled payment until this note is paid in full (unless, when I make the prepayment, you and I agree in writing to the contrary).

INTEREST: Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than ons advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal advanced at that time. You and I may provide in this agreement for accrued interest not paid when due to be added to principal. Notwithstending anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to here (alther balore or efter maturily). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me. INDEX RATE: The index will serve only as a device for setting the rate on

INDEX RATE: The index will serve only as a device for setting the rate on this note. You do not guarantee by selecting this index, or the margin, that the rate on this note will be the same rate you charge on any other losing or class of loans to me or other borrowers.

ACCRUAL METHOD: The amount of interest that I will pay on this toan will be calculated using the interest rata and accrual method etated on page 1 of this note. For the purpose of interest calculation, the accrual method will determine the number of days in a "yaar." If no accrual method is stated, then you may use any reasonable accrual method for calculating interest.

POST MATURITY RATE: For purposes of deciding when the "Post Maturity Rate" ishown on page 1] applies, the term "maturity" mashs the date of the last schedulad payment indicated on page 1 of this note or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS: If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph below, or if we have sgread that accrued interest not paid when due may be added to principal.

MULTIPLE ADVANCE LOANS: if this is a multiple advance loan, you and I axpect that you will make more than one advance of principal, if this is closed and credit, repaying a part of the principal will not entitle me to edditional oredit.

PAYMENTS BY LENDER: If you are suthorized to pay, on my behalf, charges I am obligated to pay (such as property insurance premiums), then you may treat those payments made by you as advances and add them to the unpaid principal under this note, or you may demand immediate payment of the charges.

SET-OFF: (agree that you may set off any emount due and payable under this note egainst any right I have to raceive money from you.
