Counsel to the Debtors and Debtors-in-Possession

UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY

In re:	Chapter 11
Duro Dyne National Corp.,[1]	Case No. 18-27963(MBK)
	Jointly Administered
Debtors.	

GLOBAL NOTES, METHODOLOGY AND SPECIFIC DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

On September 7, 2018 (the "Petition Date"), Duro Dyne National Corp., Duro Dyne Machinery Corp., Duro Dyne Corporation, Duro Dyne West Corp., and Duro Dyne Midwest Corp. (each a "Debtor," and collectively, the "Debtors"), each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the "Bankruptcy Code"), in the United States Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court"). The Debtors' chapter 11 cases (collectively, the "Chapter 11 Cases") are being jointly administered under lead case number 18-27963 (MBK). The Debtors, have prepared and filed their respective Schedules of Assets and Liabilities (collectively, the "Schedules") and Statements of Financial Affairs (the "Statements" and, together with the Schedules, the "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's tax identification number, are: Duro Dyne National Corp. (4664); Duro Dyne Machinery Corp. (9699); Duro Dyne Corporation (3616); Duro Dyne West Corp. (5943); and Duro Dyne Midwest Corp. (4662). The Debtors' corporate headquarters are located at 81 Spence St, Bay Shore, NY 11706.

These Global Notes, Methodology and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in and comprise an integral part of the Schedules and Statements filed by each of the Debtors and should be referenced in connection with any review thereof.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Except as otherwise noted, the information provided in the Schedules and Statements is as of the close of business on the Petition Date.

In preparing the Schedules and Statements, the Debtors relied upon financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify or alter any part of the Schedules and Statements as and to the extent the Debtors deem necessary or appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Global Notes and Overview of Methodology

1. Reservation of Rights. Nothing contained in the Schedules and Statements shall constitute a waiver of the Debtors' rights or an admission with respect to the Chapter 11 Cases, including any issues involving substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.

2. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Schedules and Statements, including but not limited to assets listed in Schedule A/B and the collateral in Schedule D reflect net book values of each asset as of the Petition Date as listed in the Debtors' accounting books and records, rather than current market values of such assets. The Debtors reserve all of their rights with respect to the values, amounts and characterizations of the assets listed in the Schedules and Statements.

3. Liabilities. The Debtors allocated liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-

petition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary and appropriate.

4. Causes of Action. Despite reasonable efforts to identify all known assets, the Debtors may not have identified or set forth all of their causes of action (filed or potential) as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have, whether or not listed as assets in the Schedules and Statements, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

5. Estimates. To close the books and records of the Debtors as of the Petition Date for purposes of the Schedules and Statements, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of their assets, liabilities, revenue, and expenses.

6. Claims Description. Schedules D, E and F permit each of the Debtors to designate a claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by that Debtor that such amount is not "disputed," "contingent" or "unliquidated," or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including as to amount, priority, secured or unsecured status or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as "disputed," "contingent" or "unliquidated" by filing and serving an appropriate amendment. Moreover, listing a claim does not constitute an admission of liability by the Debtors.

7. Asbestos Claims. Claims of parties asserting asbestos-related claims against the Debtors are set forth in separately docketed continuation sheets to Schedule F ("Schedule F Rider") due to the voluminous nature of those claims listings. Each such claim is disputed, contingent and unliquidated and is deemed to be valued at $0.00 unless otherwise stated, as in most cases, the claimants have not alleged a specific dollar amount of damages against the Debtors.

8. Paid Claims. The Debtors have authority to pay certain outstanding prepetition liabilities pursuant to various Bankruptcy Court orders. Accordingly, certain outstanding liabilities may have been reduced by post-petition payments made on account of prepetition liabilities. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary and appropriate to avoid over-payment of or duplicate payments for any such liabilities.

9. Property and Equipment. Nothing in the Schedules or Statements (including, without limitation, the failure to list leased property or equipment as owned property or equipment) is, or shall be construed as, an admission as to the determination of legal status of

any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to such issues. Property and equipment listed in the Schedules and Statements is presented without consideration of any liens that may attach (or have attached) to such property and equipment.

10. Insiders. Where the Schedules and Statements require information regarding "insiders" and/or officers and directors, the Debtors have attempted to include therein the Debtors' (a) "directors" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers," as such terms are defined in the Bankruptcy Code or other applicable law. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. With respect to any person listed as an insider, the Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

11. Intellectual Property Rights. Exclusion of certain intellectual property from the Schedules and Statements shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

12. Excluded Liabilities. The Debtors have excluded from the Schedules and Statements certain accrued liabilities, including accrued salaries, paid time off (PTO) and extended sick leave for employees, and liabilities that have been paid pursuant to orders of the Bankruptcy Court.

13. Employee Addresses. Due to privacy concerns, the Debtors have not included addresses in the Schedules and Statements for employees and former employees or have used the Debtor's corporate address.

14. Unliquidated Claim Amounts. Claim amounts that could not be fairly quantified by the Debtors are scheduled as "unknown."

15. Totals. All totals that are included in the Schedules and Statements represent totals of the known liquidated amounts for the individual schedule for which they are listed. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

16. Specific Notes. These Global Notes are in addition to any the specific notes set forth in the individual Schedules and Statements. Disclosure of information in one Schedule, the

Statements, an exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, the Statements, or any exhibits or continuation sheets.

17. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Schedules

18. Schedule A/B 7. The Bankruptcy Court, pursuant to the Interim Order (i) Prohibiting Utility Companies From Discontinuing, Altering or Refusing Service On Account Of Pre-Petition Invoices, (ii) Deeming Utility Companies to Have Adequate Assurance of Future Payment, and (iii) Establishing Procedures For Resolving Requests For Additional Adequate Assurance [Docket No. 42] (the "Interim Utilities Order"), authorized the Debtors to provide adequate assurance of payment for post-petition utility services, including aggregate deposits in the amount of $18,497.53, to be maintained as provided for in the Interim Utilities Order. Such deposits, which in accordance with the Utilities Order were established subsequent to the Petition Date, is not listed on Schedule A/B 7, which reflects information as of the Petition Date.

19. Schedule A/B 25. The amount listed represents estimated receipts of inventory by the Debtors in the 20 days prior to the Petition Date based on the vendor invoice date. Nothing on Schedule A/B 25, however, is intended or shall be deemed to be a determination, or impair, prejudice, waive or otherwise affect the Debtors' rights, with respect to any asserted claims under section 503(b)(9) of the Bankruptcy Code, and the Debtors reserve all of their rights to dispute or challenge the validity of any such Claims.

Schedule D — Creditors Holding Secured Claims.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claims or agreements.

20. Schedule E/F — Creditors Holding Unsecured Priority Claims. The Bankruptcy Court has authorized the Debtors, in their discretion, to pay certain prepetition liabilities. For example, the Bankruptcy Court has entered the following orders:

- Interim Order (i) Authorizing, But Not Directing, the Debtors to Honor Certain Prepetition Obligations to Customers and Continue, Renew, Replace, Modify, Implement or Terminate Customer Programs in the Ordinary Course of Business, and (ii) Authorizing and Directing Financial Institutions to Honor All Related Checks and Electronic Payment Requests [Docket No. 35];

- Order Authorizing, But Not Directing, the Debtors to Pay Certain Prepetition Sales, Use, Income, Property and Other Miscellaneous Taxes and Fees, and Granting Related Relief [Docket No. 34];

- Interim Order Authorizing, the Debtors to (A) Pay Prepetition Claims of General Unsecured Creditors in the Ordinary Course of Business and (B) Granting Related Relief [Doc. No. 47];

- Order Authorizing Debtors to (i) Pay All Prepetition Insurance Premiums (ii) Continue Prepetition Insurance Programs and (iii) Pay all Prepetition Obligations In Respect Thereof [Doc. No. 37]; and

- Interim Order (i) Authorizing the Debtors to Pay Prepetition Wages and Salaries and Related Obligations and Taxes and (ii) Directing All Banks to Honor Checks and Transfers for Payment of Prepetition Employee Obligations [Docket No. 38].

- Order (I) Authorizing the Debtors to Continue and Maintain Their Existing Cash Management System, Bank Accounts and Business Forms, (II) Modifying the Investment Guidelines (III) Providing the United States Trustee with a 60-Day Objection Period and (IV) Granting Related Relief [Docket No. 32].

To the extent that applicable Claims have been paid under one or more of the foregoing orders, such Claims may not be included in Schedule E/F.

The Debtors' analysis of potential priority claims is ongoing and may take significant time to complete. Accordingly, amounts on Schedule E/F have been classified as non-priority pending conclusion of that analysis. The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their right to dispute the priority status of any claim on any basis.

Although the Debtors have made a reasonable attempt to set forth their unsecured obligations on Schedule F, the liabilities identified therein are derived from the Debtors' books and records, which may or may not be completely accurate. Accordingly, the actual amount of claims against the Debtors may vary from the represented liabilities. Parties in interest should not accept that any listed liability necessarily reflects the correct amount of any unsecured creditor's allowed claim or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these Chapter 11 Cases will reflect the relationship of aggregate asset values to aggregate liabilities set forth in the Schedules and Statements.

Parties in interest should consult their own professionals and/or advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated

financials the Debtors believe to be reasonable, actual liabilities may deviate from the Schedules and Statements because of certain events that may occur during the Chapter 11 Cases.

The claims listed on Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although the Debtors have made reasonable efforts to determine the date upon which each of the claims listed on Schedule F was incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule E/F.

Schedule E/F may include prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease.

Schedule E/F does not include potential rejection damages claims, if any, of counterparties to executory contracts or unexpired leases that may be rejected by the Debtors.

21. Schedule G - Executory Contracts and Unexpired Leases. Although the Debtors' existing books, records and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions or over-inclusion may have occurred. Reference to any contract or lease on Schedule G includes any and all amendments, addendums, supplements or restatements to such contract or lease, whether or not specifically referred or separately listed thereon.

The Debtors' listing of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend Schedule G at any time to remove any contract or lease.

Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations may not be set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination agreements, non-disturbance agreements, supplemental agreements, letter agreements, title agreements and confidentiality agreements. Such agreements may not be set forth in Schedule G and certain of the agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G. The Debtors reserve all of their rights with respect to all such agreements.

Certain of the contracts and leases listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters and other documents

that may not be listed on Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts.

The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

The Debtors may be party to certain agreements that have expired by their terms. Out of an abundance of caution, the Debtors may have listed such agreements on Schedule G. The Debtors' inclusion of such contracts or agreements on Schedule G is not an admission that any such contract or agreement is an executory contract or unexpired lease.

Moreover, the Debtors have not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G. The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damage claims; the Schedules and Statements do not reflect any claims for rejection damages. The Debtors reserve the right to make any arguments and objections with respect to the assertion of any such claims.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the Debtors and such supplier or provider.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission of those contracts from Schedule G. The Debtors reserve the right to amend Schedule G at any time to add additional contracts or agreements.

22. Schedule H - Co-Debtors. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition debt facilities are listed as Co-Debtors on Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule E/F and Statement 7, as applicable.

Specific Disclosures with Respect to the Statements

22. Statement 4. As per the indication in Statement 4, any payments or transfers listed in Statement 3 are not repeated in Statement 4. Additionally, any payments or transfers that were identified in Statement 30 may not be repeated in Statement 4.

23. Statement 7. Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. The Debtors dispute any liability with respect to the matters included in Statement 7, and Statement 7 shall not be construed as an admission by the Debtors of any liability with respect to any of the legal disputes or administrative proceedings identified therein.

24. Statement 10. The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses as to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes.

25. Statement 26d. During the two years immediately preceding the Petition Date, the Debtors have provided financial statements in the ordinary course of their business to various parties, including secured lenders, government entities and other interested parties, through online data rooms and other diligence procedures.

26. Statement 30. The Debtors have included a more comprehensive response to Statement 30 in Statement 3.
