**INTERPLEADER PLAINTIFFS' JOINT DISPOSITIVE ISSUE MEMORANDUM ON
CONSTRUCTIVE TRUST ISSUE**

J & F OKLAHOMA HOLDINGS, INC. ("J&F"), FRIONA INDUSTRIES, L.P. ("Friona") and CACTUS GROWERS, INC. ("Cactus") (collectively the "Texas Interpleader Plaintiffs"), submit this memorandum as their "Objector's Dispositive Issue Memorandum" as defined in the Scheduling Order of July 25, 2011 [Doc. No. 622] (the "Scheduling Order").

1. The Scheduling Order required interested parties to state their positions concerning the "Dispositive Issue." The Dispositive Issue concerns whether proceeds from cattle sales to the Debtor by Stockman Oklahoma Marketing, Inc. ("SOLM"), Crumpler Bros. ("Crumpler"), and Brent Keuhny ("Keuhny") (collectively referred to as the "Constructive Trust Objectors") are subject to state law constructive trust claims absent a prepetition judicial determination impressing such a constructive trust over Debtor's assets.

2. The Texas Interpleader Plaintiffs adopt the legal arguments expressed on the Dispositive Issue at section V(A), pages 7 – 10 of the Trustee's Omnibus Reply to Objections to Purchase Money Claims Report [Doc. no. 564].

3. Therefore, the Texas Interpleader Plaintiffs conclude that the Constructive Trust Objectors may pursue a constructive trust theory only if and to the extent they obtained a judgment prepetition that imposed a constructive trust over sales proceeds derived from sales of the Constructive Trust Objectors in the hands of the Debtor.

Respectfully submitted,
