Fed. R. Bankr. P. 2004(b).

5. The Florida Creditors believe that a Rule 2004 examination by admissions, interrogatories, and requests for documents, followed if necessary by an oral examination, is the best method to reveal any material information in the possession of GIPSA (the “2004 Request”).

9. The proposed Order sets the deadline for performance under the 2004 Request at TWENTY (20) days after entry, unless extended with the consent of the Florida Creditors.

The Court was also made aware of this request during the course of the hearing held this past Friday, June 24, 2011 concerning Purchase Money Claims, among other matters. Therefore, relief may be granted without a hearing. If the Court deems a hearing necessary, the Florida Creditors requests that the Court set the hearing for attendance telephonically at the Court's earliest convenience within the next TEN (10) business days.

WHEREFORE, the Florida Creditors request that this Court order the United States Grain Inspection, Packers And Stockyards Administration to submit to the 2004 Request as requested herein and described in the attached Order.
