Dear Honorable Michael G. Williamson,

herewith I raise objection, against the demand of lawyer Dr. Annerose Tashiro, above \$ 1,034,487.83 in fees, as well as \$ 123,583.07 in expences.

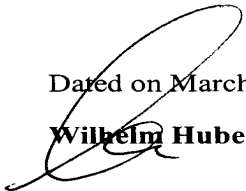

The German courts will decide demands, represent by Dr. Annerose Tashiro, when a certificate of a finance expert, Prof. Dr. Paulus, in Berlin, is given.

Should this certificate ascertain the use of the German jurisdiction, above mentioned issues, caused by Dr. Annerose Tashiro, will never again flow back in the insolvency mass.

Because it concerns, besides, investor's money, I ask you not to approve these Fees and Expences first once, until the certificate of the professor Dr. Paulus is given.

Dated on March 07, 2011

Wilhelm Huber
