Dear Mr. Bennett (or who else may be helping me with my matter).

Firstly I have to apologize, if this letter should not be written too precisely. As i am from Germany I am not famliar with the customs of US-Courts.

I am one of the partys demanding satisfaction out of the compulsory-auction against Ulrich Engler. My name is Barnaby Mulcahy and my problem is, that I moved six months ago (June 2011) and therefore didn't receive any mail from the court ever since.

Please also - if possible - inform me about the actual status of the case so i can catch up.

Details regarding the case: The case No. is 9:08-bk-04360-(i received the letters „mgw“ and „alp“ so far but not including my own claim until now).

I am one of the claimers against Ulrich Felix Anton Engler. The Property of Mr. Engler is about to be sold within a cumpulsory auction and i seek settlement from this auction or the settlement agreement.

If changing this information at the court implys certain confirmation, please let me know. to do - i ask for this though Im not sure if you need this information re. the disbursment of the auction revenue that i get oft he auction.

Thank you very much,
