RE: RECEIPT OF CAPITAL

Dear Mister Heidrich,

I hereby confirm the receipt of capital in the amount of 100.000 US\$.

Concurrently, your investment will be placed in trading so you will receive interest in the amount of 6% from December 15, 2006 on.

Because your investment is only placed in trading for 3 weeks, your profit is 4.5% for December 2006. An account statement for December 2006 will be included with the January 2007-statement.

Likewise, we will compound any interest and profits as agreed.

I am looking forward to a profitable cooperation.

With kind regards, your

/s/

Ulrich Engler

Many greetings
