6. In reference to Section 17 of the Contract – the phrase "closing of this sale" when used in Section 17 of the Contract refers to the initial closing as described in Section 27 (the "Initial Closing") and not the final payment of the amounts due under Schedule "B" hereto or the recordation of the Deed (the "Final Closing"). In addition, the following new sentence shall be added to the end of Section 17 of the Contract: "Following the Initial Closing (as defined in Schedule "A" hereto), all risk of loss shall be borne by the Buyer."
7. In reference to Section 21 of the Contract – the phrase "ADDITIONAL CONTINGENCIES AND" in the heading of Section 21 of the Contract shall be deleted. In addition, the first and the last sentences of Section 21 of the Contract are hereby deleted.

8. In reference to Section 27 of the Contract – the first sentence shall be deleted and replaced with the following: "On or before the Initial Closing date as discussed in Schedule "A", BUYER and SELLER shall deposit with the closing agency all funds and instruments necessary to complete this transaction." In addition, the third sentence shall be deleted and replaced with the following: "The Initial Closing shall be no later than December 31, 2006."
9. In reference to Section 28 of the Contract – the first sentence shall be deleted and replace with the following: "BUYER shall be entitled to possession upon the Initial Closing."
10. Seller agrees to deliver a preliminary title report to the Buyer within five (5) business days of acceptance of the Contract. Buyer shall have ten (10) business days after receipt of the preliminary title report to object to any defect set forth therein which makes Seller's title not merchantable or otherwise recordable. If written notice of a title defect is not received from Buyer within ten (10) business days after delivery of the preliminary title report from Seller, it shall be conclusively deemed between the parties that Seller has satisfied Seller's obligation hereunder and title is merchantable as set forth in the preliminary title report. If written notice of a title defect is received from Buyer in accordance with the provisions hereof, Seller shall have ten (10) business days within which to cure such defect. If Seller cannot cure such defect within ten (10) business days, Buyer shall have the right to either terminate the Contract and recover Buyer's deposit, or to waive the defect and proceed with Initial Closing.

Merchantable title, in addition to any other legal definitions of the term, shall mean title that is free from any defects or encumbrances, which would prohibit or materially interfere with Buyer's reasonable use of the property consistent with existing covenants and land development regulations.
11. Seller, at Seller's option, may continue to offer Property for sale until the Initial Closing, on and subject to the following requirements. Seller must notify any other prospective buyer that this Contract has been previously signed and it is in full force and effect. Any other contract accepted by Seller must contain a provision that the other offer is subject and junior in right to this Contract.
12. Time is of the essence of this Contract, and any party who fails to tender any payment, or perform any other obligation provided herein, shall be in default under this Contract. In

the event that Buyer defaults and fails to complete the Initial Closing without default of the Seller, Seller's sole remedy shall be to receive 100% of Buyer's earnest money deposit as stipulated and liquidated damages. Seller shall not have the right to specifically enforce Buyer's obligation to complete the Initial Closing. In the event that Seller defaults and fails to complete the Initial Closing, without the default of Buyer, the Buyer shall have the right, at Buyer's option, to either terminate this Contract and recover Buyer's earnest money deposit, or to specifically enforce Seller's obligation to complete the Initial Closing.

13. Seller shall provide Buyer with a proof of all entitlements, if any, within three (3) business days of mutual acceptance of this Contract.
14. Seller shall provide all completed survey and environmental work to date to Buyer prior to the Initial Closing.
15. Prior to the Initial Closing, Seller shall provide Buyer copies of (i) all CRP agreements and/or contracts related to the Property, and (ii) all lease agreements related to the Property. In addition, Seller shall cause all such agreements to be assigned to Buyer either (i) at the Initial Closing to the extent such assignments can be obtained prior to Buyer taking title to the Property, or (ii) upon recordation of the Deed following the satisfaction of Buyer's payment obligations under Schedule "B" hereto in the event such assignments cannot be obtained prior to Buyer taking title to the Property.
16. Seller agrees to the following structured purchase terms:
 - a.) Total purchase price of \$20,000,000 (plus interest as set forth in Schedule "B" hereto), paid in cash as follows:
 - b.) \$2,000,000 down, due at the Initial Closing
 - c.) \$500,000 earnest money to be applied to \$2,000,000 down
 - d.) Balance of purchase price to be paid in accordance with the Schedule "B" hereto.
17. Seller agrees there will be NO penalty for pre-payment, monetary or otherwise, of the

remaining balance at any time prior to July 15, 2009.

18. Seller will cooperate with Buyer at any time prior to the Final Closing, in Buyer's pursuit of rezoning and/or subdividing of the subject property at the Buyer's expense.
19. A Deed shall be prepared by Seller's counsel in the name of Buyer. The Deed shall be provided to Buyer and Buyer's counsel for review prior to execution by Seller, but the Deed shall not be delivered or recorded at the Initial Closing. Title to the Property will remain in Seller's name and the Deed shall be held in escrow with detailed escrow instructions providing for delivery of Deed to Buyer and recordation thereof only upon the satisfaction in full of all of Buyer's payment obligations set forth on Schedule "B" hereto. In the event of a breach of any payment obligation set forth in Schedule "B" hereto, the Deed will be canceled and of no force or effect and title to the Property and all payments received prior to the breach will be retained by Seller. In addition, Seller reserves the right to recover from Buyer any damage to or diminution in value of the Property directly caused by Buyer (but not including, for example, diminution in value resulting from general market conditions).
20. Seller agrees to record at the Initial Closing a Notice of Contract of Sale in the records of Teton County Idaho.
21. It is an express condition to Buyer's obligation to complete the Initial Closing that Seller demonstrate at or prior to the Initial Closing that Licensed Ground Water Right No. 22-7501, with a priority date of October 14, 1992, is in the amount of 6.32 C.F.S. for the irrigation of 620 acres in the East ½ of Section 31 and the West ½ of Section 32, Township 7N, Range 43E, Boise Meridian, with a well and diversion point in the NW ¼ NW ¼ NW ¼ of Section 5 (the "Water Right") is appurtenant to the Property and will transfer with the Property upon recordation of the Deed, free and clear of all liens, claims and encumbrances of any third party and together with any easements or other forms of access necessary to utilize such Water Right for its stated purpose. In this regard, Buyer and Seller acknowledge that Bruce Arnold has asserted an ownership interest in the Water Right. If Seller is, for any reason whatsoever (including the inability to reach a resolution with Mr. Arnold on terms and conditions acceptable to Seller), unable to demonstrate the above on or before the December 31, 2006 (the deadline for the Initial Closing) in a manner satisfactory to Buyer and Buyer's counsel, then Buyer may

terminate the Contract. Upon such termination, the \$500,000 earnest money deposit shall be returned to Buyer, this Contract shall be deemed null and void, and neither Buyer nor Seller shall have any remaining liability to the other party.

22. Buyer is aware there is only one access easement within the Teton River Canyon that runs with the Property through adjacent public land to a pump station just above the Teton River (the "Easement"). The Easement was granted by the United States and is described in Paragraph 13 and Exhibit B of that certain Land Purchase Contract, dated June 24, 1980 (a copy of which is attached hereto). While prior deeds and surveys indicate a second access point to the Teton River Canyon and the Teton River on deeded property, this access point and the ownership of such property remains unclear. As a result, Buyer acknowledges that Seller is making no representations or warranties related to Teton Canyon or Teton River access or property ownership therein other than the Easement as described in the Land Purchase Contract attached hereto. Section One of the Contract and Schedule "C" hereto are expressly qualified by the disclosure made in this Paragraph 20 of this Attachment "A."
23. Regardless of foregoing additional provisions, Buyer reserves the right to object to any issues of Title during the three (3) day time period set forth in Paragraph 10 of this Attachment "A."
24. Earnest money shall be deposited by wire transfer within two banking days of mutual acceptance of contract.
25. Seller shall have ten (10) business days after receipt of the preliminary title report to object, for any reason whatsoever, to the legal description as provided in Schedule "C". If written notice of objection to the legal description is not received from the Buyer within ten (10) business days after delivery of the preliminary title report from Seller, it shall be conclusively deemed that Buyer accepts the legal description as provided in Schedule "C". If written notice of objection is received from Buyer in accordance with the provisions hereof, Seller shall have ten (10) business days within which to cure Buyer's objection. If Seller cannot remedy Buyer's objection within ten (10) business days, Buyer shall have the right to either terminate the Contract and recover Buyer's deposit, or to waive the objection and proceed with Initial Closing.

26. Seller shall be responsible to pay commissions of 2.75% of the purchase price to Live Water Properties, Inc. and 2.25% of the purchase price to Teton Village Realty. For purposes of calculating such commissions, the "purchase price" shall be deemed to be \$20,000,000 (and shall not include the accrued interest component of the payments set forth in Schedule "B" hereto). In addition, such commissions shall be paid as a percentage of, and at such times as, the payments set forth on Schedule "B" hereto are actually received by Seller from Buyer. No commissions shall be paid with respect to any payment obligation set forth in Schedule "B" hereto that is not satisfied in full by Buyer.

A condition of the effectiveness of the Contract is the acceptance of the commission payment provisions set forth above by Live Water Properties and Teton Village Realty, which acceptance can be made by authorized signatures by such entities in the margin of this Paragraph 26 of this Attachment "A".
