Your account return: represents an estimate of your portfolio return based on available account data using the time-weighted daily valuation calculation widely used by financial analysts. The return reflects the results of your investment selections as well as account activity. All returns over one year are annualized. Other return formulas may yield different results. For the purposes of this calculation, your Inception Date will reflect the later 01/31/2000 or the month you started investing in the plan at T. Rowe Price. Past performance is no guarantee of future results.
