November 4, 2009

On Monday October 19, 2009, Erickson Retirement Communities filed a voluntary bankruptcy petition for reorganization under Chapter 11. As a result of that filing, the company must get approval from the Bankruptcy Court for many of our day to day operations.

Erickson is required to provide additional information to the Court before certain monies can be paid out. One of the affected categories is severance pay. Due to this requirement, the company cannot issue any severance payments until we receive the Court's approval.

Erickson has filed a petition with the Court to address the issue and we will provide updates to our former employees as soon as possible. We do not yet have a date for when our motion will be heard or when the court will rule on it but it could be weeks away. There will be no resumption of severance payments until the court approves our motion. We are attaching a spreadsheet identifying the affected employees and the status of their severance payments to date that you may use to re-determine their claims for unemployment benefits.

If we receive the Court's approval and guidance, we will resume the severance payments. We will provide updated information as soon as it is available.

Please do not hesitate to contact me if I can provide further assistance.

Sincerely,

A handwritten signature in dark ink, appearing to read "G. Cole", is written over a light-colored background.
