Dear Daniel,

As you are aware, the Growth Participation Plan (GPP) has undergone significant changes over the past year. We have now completed all of the necessary updates to the Plan document and collateral materials, and we are able to provide information on your personal position in the plan.

New Plan Information:

As we announced last year, we have converted the GPP from a long-term deferred compensation plan to a more current annual profit sharing arrangement. To that end, we enclose the amended GPP Plan Document along with an overview of the changes made to the plan and your grant of units. These changes are consistent with the communication received last year.

As an existing participant in the original Plan structure, you are eligible to receive the total New Participation Unit grant associated with your position in the new Plan. The total unit grant is 200 units. This grant will be issued in four installments of 50 units each over a four year period. The installments are similar to "rolling" options, and each will have a four year growth cycle. Any value that has accumulated over the four years for the installment will be paid per the terms of the restated Plan document.

The first installment of your grant of the New Participation Units was issued in 2006 and is deemed to have increased in value \$100 per New Participation Unit. The grant issuance is evidenced by this letter. We will not be issuing separate certificates.

Original Plan Balance:

In addition to new grants under the amended plan, we are in the second year of paying out your balance accrued under the original GPP through December 31, 2005. As was discussed at the annual meeting, we are a growth company and continue to utilize our capital to start new campuses (Tall Grass Creek in Kansas City and Ashby Ponds in Virginia) in addition to supporting existing communities. We are completing the refinancing of our capital in multiple campuses and will be positioned to both fund the second installment by the end of July as well as starting our 20th community, Hickory Chase, in Ohio this fall.

Your balance in the original plan was fixed in 2006, with one quarter paid last year. The remaining balance is earning 9% and the second payment is targeted to be paid by the end of July. Your balance is \$117,861.00 and the targeted 2007 installment, plus interest, is \$39,287.00. If you are not yet vested, the installment will be directed to the account at PenCal. As a reminder, the original Plan vesting remains at 5 years of service.

We will update you on this schedule as we progress through the summer. Thanks for all your support and commitment.

If you have any other questions regarding the GPP, please contact your Human Resources Department.

Sincerely,

The Plan Administrators
