Dear Avani,

As you are aware, the Growth Participation Plan (GPP) has undergone significant changes over the past year. We have now completed all of the necessary updates to the Plan document and collateral materials, and we are able to provide information on your personal position in the plan.

New Plan Information:

As we announced last year, we have converted the GPP from a long-term deferred compensation plan to a more current annual profit sharing arrangement. To that end, we enclose the amended GPP Plan Document along with an overview of the changes made to the plan and your grant of units. These changes are consistent with the communication received last year.

As an existing participant in the original Plan structure, you are eligible to receive the total New Participation Unit grant associated with your position in the new Plan. The total unit grant is 100 units. This grant will be issued in four installments of 25 units each over a four year period. The installments are similar to "rolling" options, and each will have a four year growth cycle. Any value that has accumulated over the four years for the installment will be paid per the terms of the restated Plan document.

The first installment of your grant of the New Participation Units was issued in 2006 and is deemed to have increased in value \$100 per New Participation Unit. The grant issuance is evidenced by this letter. We will not be issuing separate certificates.

Original Plan Balance:

In addition to new grants under the amended plan, we are in the second year of paying out your balance accrued under the original GPP through December 31, 2005. As was discussed at the annual meeting, we are a growth company and continue to utilize our capital to start new campuses (Tall Grass Creek in Kansas City and Ashby Ponds in Virginia) in addition to supporting existing communities. We are completing the refinancing of our capital in multiple campuses and will be positioned to both fund the second installment by the end of July as well as starting our 20th community, Hickory Chase, in Ohio this fall.

Your balance in the original plan was fixed in 2006, with one quarter paid last year. The remaining balance is earning 9% and the second payment is targeted to be paid by the end of July. Your balance is \$41,605.50 and the targeted 2007 installment, plus interest, is \$13,868.50. If you are not yet vested, the installment will be directed to the account at PenCal. As a reminder, the original Plan vesting remains at 5 years of service.

We will update you on this schedule as we progress through the summer. Thanks for all your support and commitment.

If you have any other questions regarding the GPP, please contact your Human Resources Department.

Sincerely,

The Plan Administrators

Growth Participation Plan - Update

The Growth Participation Plan is a Long Term Incentive plan designed to reward key performers for their contribution to the success of the Company. The requirements for participation in the Plan are:

- Grade 29 and above
- Full-time - Must be full time service

Some Key GPP Terms for understanding the Plan:

- Unit Installments: The unit issuances staggered over a 4 year period
- Pro-Rated Installments: For newly hired or promoted employees, the first unit installment will be pro-rated based on the date of hire or promotion
- Total Unit Grants: The total of the staggered unit issuances
- Rolling Options: The four year growth period limit for the unit issuances
- Accumulated Value: The value of the issuance after the four year growth period

What is new about plan?

- It gives employees the benefit of a cash payout while they continue to benefit from the success of the company
- Increases the tangible value of the program
- 4 year rolling "options"
- First unit installment will be pro-rated based on the quarter in which the hire or promotion takes place
- Units phased in over 4 years
- Unit vesting shortened from 5 years to 4 - the original plan vesting remains at 5 years, the new plan is reduced to 4 years.
- Valuation shifts toward profit sharing
- Drive to more regular valuation

How is the plan valued?

- There are 3 indicators of performance:
 - Erickson's performance against goals for the current year;
 - The increase, if any, in the appraised value of Erickson;
 - The available cash from Operations (cash from Management, Development and Construction fees, less any cash used for overhead).
- The target for successful performance is an annual increase of \$100 per New Participation unit. The Administrators will assess if Erickson's overall performance has met, will not meet, or exceeded the target based on at least the 3 performance indicators set out above. The New Participation Units granted in 2006 are deemed to have increased in value \$100 per New Participation Unit.

GPP Q & A

- Is the GPP a “qualified plan” or a “non-qualified plan”?
 - **The GPP is a “non-qualified” plan.**

- Do we elect a beneficiary for the GPP distributions?
 - **Since the GPP is a “non-qualified” plan, there is no beneficiary designation.**

- How are the first unit installments pro-rated for newly hired or promoted employees?
 - **Going forward, the first unit installment will be pro-rated based on the quarter in which the hire or promotion takes place. If an employee is promoted to an eligible manager level position (eligible for 100 total units) in the first quarter they will receive 100% of their first installment (25 units); 75% if it is the second quarter (18.75units), 50% if it is the third quarter (12.5 units) and 25% if it is the fourth quarter (6.25 units).**

- Will 401k/403b be taken out of GPP Payouts?
 - **The GPP is paid as ordinary earnings. If you are a 403b or 401k participants, deductions will be made as you have instructed for all other earnings.**

- Can the money be rolled over to some kind of investment account?
 - **The GPP is a “non-qualified” plan and is paid out as ordinary earnings. It cannot be rolled over into an IRA or similar account.**

- Is there any way to reduce the tax impact?
 - **Generally, maximize your contribution to the 401k or 403b. Remember that you have an hour of time with a financial advisor available through the Employee Help Line. Just call 1-888-300-0431 to arrange an appointment.**
