In such event, Contractor may deduct from any sums due to Subcontractor the cost of performing such work and correcting such deficiencies, plus overhead of fifteen percent (15%) of such cost. If payments then or thereafter due Subcontractor are not sufficient to cover such amount, Subcontractor shall promptly pay the difference to Contractor. The remedies of Contractor under this subparagraph are in addition to any other remedies available to Contractor under the Subcontract or available at law or in equity.

8.4. **CONTRACTOR'S ADDITIONAL REMEDIES.** Subcontractor shall reimburse Contractor for any loss, damage or extra expense paid or incurred by Contractor which is due to Subcontractor's failure to supply materials, labor, or to properly perform the Work in accordance with the Subcontract Documents. Subcontractor's failure to perform shall include the failure of its lower-tier subcontractors to perform. Subcontractor's liability shall include but not be limited to (1) damages and other delay costs payable by Contractor to the Owner; (2) Contractor's increased costs of performance, such as extended overhead and increased performance costs resulting from Subcontractor-caused delays or improper Subcontractor Work; (3) warranty and rework costs; (4) liability to third parties; (5) excess procurement costs; (6) consultants' fees; and (7) attorneys' fees and court costs. Contractor is hereby granted a lien on all such property to secure Subcontractor's performance under this Subcontract. If the Owner or Architect fails to issue a Certificate for Payment or the Owner fails to pay Contractor for Subcontractor's Work within forty-five (45) days following the applicable Application for Payment, and such failure is not the fault of the Subcontractor or Subcontractor's sub-subcontractors, the Contractor shall pay the Subcontractor, within ten (10) days following demand, a progress payment computed as provided in Section 10.2 of this Subcontract. Notwithstanding the foregoing, payments to Subcontractor may be withheld on account of (i) defective Work not remedied, (ii) claims filed, (iii) damage to Contractor or another subcontractor or (iv) failure to carry out the Work in accordance with the Subcontract.

10.1.4. If an application for payment is received by the Contractor on or after the 21st day of any calendar month, the Subcontractor's Work covered by such application shall be included by the Contractor in the next Application for Payment submitted to the Owner.

10.1.5. Each application for payment shall be based upon the most recent schedule of values approved by the Contractor in accordance with Section 4.4 of this Subcontract. Applications for payment submitted by the Subcontractor shall indicate the percentage of completion of each portion of the Work as of the end of the period covered by the Subcontractor's application for payment.

Contract Number: 18

10.1.6. Subcontractor shall pay all claimants for all costs and expenses resulting from the performance of the Work and for all labor and materials used. Subcontractor is liable for and shall hold Contractor and Owner harmless from and indemnify Contractor and Owner for all court costs, attorney's fees and damages resulting from claims by sub-subcontractors and Subcontractor's suppliers and all liens and all claims of persons furnishing material or labor on behalf of Subcontractor in connection with the Work. Subcontractor shall deliver to Contractor with each application for payment recordable affidavits and lien releases or waivers acceptable to Contractor from Subcontractor and Subcontractor's sub-subcontractors and suppliers. In the event any person or entity claiming by, through or under Subcontractor notifies Contractor of any non-payment or seeks to encumber funds held by Contractor and payable to Subcontractor or files a lien or other claim against the Project, or Contractor's interest therein, Subcontractor shall within three (3) days notify Contractor if Subcontractor disputes such claim. If at any time a lien has been filed against Contractor, the Owner, the Project or any sums held by Contractor by any person or entity claiming through Subcontractor, Subcontractor shall, within seven (7) days of receipt of notice of such lien pay the claim and cause the lien to be released or shall file a bond in lieu of the payment of such lien and shall cause the lien to be released from the project.

10.1.7. Notwithstanding the foregoing, if such lien or claim is due solely to sums wrongfully held by Contractor, Subcontractor shall not have any obligation to hold harmless or indemnify Contractor against such lien or claim.

10.2. PROGRESS PAYMENTS. Subject to the provisions of the Subcontract, the amount of each progress payment shall be computed as follows:

10.2.1. Take that portion of the Subcontract Sum properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Subcontractor's Work by the share of the total Subcontract Sum allocated to that portion of the Subcontractor's Work in the schedule of values, less that percentage actually retained, if any, from payments to the Contractor on account of the Work of the Subcontractor;

10.2.2. Add that portion of the Subcontract Sum properly allocable to materials and equipment delivered and suitably stored at the site by the Subcontractor for subsequent incorporation in the Subcontractor's Work or, if approved in advance in writing by the Owner, suitably stored off the site at a location agreed upon in writing, less the same percentage retainage required by the Prime Contract to be applied to such materials and equipment in the Contractor's Application for Payment;

10.2.3. Subtract the aggregate of previous payments made by the Contractor; and

10.2.4. Subtract amounts, if any, calculated under Subparagraph 10.2.1 or 10.2.2 which are related to Work of the Subcontractor for which the Architect has withheld or nullified, in whole or in part, a Certificate of Payment for a cause which is the fault of the Subcontractor or Subcontractor's sub-subcontractors.

10.2.5. All periodic payments by Contractor shall be subject to a retainage, to be held by Contractor, of ten percent (10%) of the amount billed by Subcontractor. To the extent approved or permitted by Owner and any lender providing financing for all or any part of the Work, and if Subcontractor is in compliance with the terms of the Subcontract, the aggregate amount of the retainage, subject to offset for defects and deficiencies, shall be reduced to five percent (5%) upon the Work achieving fifty percent (50%) completion and acceptance thereof by Contractor and Owner. No periodic payment by Contractor shall be deemed to constitute acceptance of any faulty or defective Work.

10.3. STORED MATERIALS. Notwithstanding the provisions of Subsection 10.2., payment for stored materials may be conditioned on delivery to the Owner of bills of sale (which shall include a complete description, including photographs, bills of lading, serial numbers, warehouse receipts and/or inventories, as appropriate for Owner to identify the stored materials) and such other procedures satisfactory to Owner to establish the Owner's title and to insure and otherwise protect the Owner's interest in and to such stored materials, unless requested otherwise by Contractor. Subcontractor shall schedule the materials to prevent the arrival of major items well in advance of their incorporation into the improvements.

10.4. SUBSTANTIAL COMPLETION. When the Work or a designated portion thereof is substantially complete in accordance with the requirements of the Prime Contract, the Contractor shall, upon application by the Subcontractor, make prompt application for payment for such Work. Within thirty (30) days following issuance by the Owner of the Certificate for Payment covering such substantially completed Work, the Contractor shall, to the full extent allowed in the Prime Contract, make payment to the Subcontractor, deducting any portion of the funds for the Work withheld in accordance with the Certificate of Payment to cover costs of items to be completed or corrected by the Subcontractor. Such payment to the Subcontractor shall be the entire unpaid balance of the Subcontract Sum if a full release of retainage is allowed under the Prime Contract for the Work prior to the completion of the entire Project. If the Prime Contract does not allow for a full release of retainage, then such payment shall be an amount which, when added to previous payments to the Subcontractor, will reduce the retainage on the Subcontractor's substantially completed Work to the same percentage of retainage as that on the Contractor's work covered by the Certificate of Payment.

11. FINAL PAYMENT.

11.1. TIME. Subject to the provisions of Section 10.4, final payment, constituting the entire unpaid balance of the Subcontract Sum, shall be made by the Contractor to the Subcontractor when the Work is fully performed in accordance with the

Contract Number: 18

requirements of the Subcontract, Subcontractor has filed a final application for payment, the Owner has issued a Certificate for Payment covering the Subcontractor's completed Work and the Contractor has received payment from the Owner. If a Certificate for Payment is not issued within forty-five (45) days of Contractor's application for payment, or the Contractor does not receive from the Owner payment within forty-five (45) days of Contractor's application for payment, and such payment is otherwise due to Subcontractor and such failure is not due to any fault of Subcontractor, final payment to the Subcontractor shall be made upon demand.

11.2. **LIEN WAIVERS.** Final payment shall not be due until Subcontractor has delivered to Contractor a complete, recordable affidavit and release of all liens arising out of this Subcontract, in the form attached hereto as Exhibit F, or such other form as may otherwise be requested by Owner, covering all labor, materials and equipment for which a lien could be filed, or a bond satisfactory to the Contractor indemnifying Contractor and the Project against any and all lien(s). If any lien remains unsatisfied after all payments are made, Subcontractor shall refund to Contractor all monies the latter may be compelled to pay in discharging such lien, including all court costs and expenses and reasonable attorney's fees. The acceptance of final payment shall constitute a release of all claims by Subcontractor except those previously made in writing and identified by Subcontractor as unsettled at the time of the final application for payment.

11.3. **EVIDENCE OF PAYMENT.** Before issuance of the final payment, the Subcontractor, if required, shall submit evidence satisfactory to the Contractor that all payrolls, bills for materials and equipment, and all known indebtedness connected with the Subcontractor's Work have been satisfied.

11.4. **SUB-SUBCONTRACTORS AND PROVIDERS.** Subcontractor shall keep Contractor informed of all sub-subcontractors, and all materials and/or service providers of any tier who provide materials or service for any part of the Work in excess of One Thousand Dollars (\$1,000.00) by completing, submitting and updating as appropriate Exhibit G attached hereto.

12. INSURANCE AND BONDS.

12.1. COVERAGES.

12.1.1. Before the Subcontractor commences any Work pursuant to this Subcontract, the Subcontractor shall obtain and maintain throughout the term of the Subcontract, insurance of the types and in the minimum amounts set forth on Exhibit H. Self-insured retentions and/or deductibles may not be more than Ten Thousand Dollars (\$10,000.00). Acceptance of any insurance by Contractor shall not relieve or decrease the liability of the Subcontractor.

12.1.2. Coverages must be maintained with financially secure insurance companies licensed to do business in the State where the Project is located, have a Best's Guide Rating of not less than A-VI and must otherwise be acceptable to Owner and Contractor. Coverage must be maintained without interruption from date of commencement of the Work until date of final payment, and Contractor, Developer, Owner, and the Operator, their parent and subsidiary companies, together with their employees, officers agents, members and directors shall be named as additional insureds and Lender where required, under Subcontractor's Commercial General Liability policy, Automobile liability policy, Products/Completed Operations Coverage and the Umbrella/Excess Insurance. The additional insured coverage is to be provided by ISO form CG20100704, CG20370704, or equivalent forms, a copy of which will be provided with the certificate of insurance. All such policies shall apply as primary and non-contributory insurance with respect to any other insurance or self-insurance programs afforded to the indemnities and/or additional insured's identified within this agreement.

12.1.3. Certificates of insurance acceptable to the Contractor, together with all appropriate endorsements, shall be filed with the Contractor prior to commencement of the Subcontractor's Work, and at least ten (10) days prior to the expiration of any policy. These certificates and the insurance policies required by this Article 12 shall contain an endorsement that coverages afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days prior written notice has been given to the Contractor. If any of the foregoing insurance coverages are required to remain in force after final payment and are reasonably available, an additional certificate evidencing continuation of such coverage shall be submitted with the final application for payment as required in Article 11. If requested by Contractor, Subcontractor shall provide certified copies of all such policies to Contractor within ten (10) days of such request. Subcontractor must immediately notify Contractor of any reduction or restriction in the required insurance that takes place during the term of the Subcontract, and/or in the event the insurer notifies the Subcontractor of its intent not to renew coverage.

12.1.4. The Contractor shall furnish to the Subcontractor upon demand, satisfactory evidence of insurance required of the Contractor under the Prime Contract.

12.1.5. If Subcontractor fails to secure and maintain the required insurance, Contractor shall have the right (without any obligation to do so, however) to secure same in the name and for the account of the Subcontractor in which event the Subcontractor shall pay the costs thereof to Contractor upon demand and furnish upon demand all information that may be required in connection therewith..

12.1.6. The insurance provisions of this Subcontract shall not be construed as a limitation on the Subcontract's responsibilities and liabilities pursuant to the terms and conditions of the Subcontract, including, but not limited to, liability for claims in excess of the insurance limits and coverages set forth herein.

12.1.7. The Subcontractor shall not make changes in or allow the required insurance coverages to lapse without the Contractor's prior written approval thereto.

Contract Number: 18

12.2. **WAIVERS OF SUBROGATION.** The Contractor and Subcontractor waive all rights against (1) each other and any of their Subcontractors, sub-subcontractors, agents, employees, officers, members and directors, each of the other, and (2) the Owner, Developer, Operator, and any of their Subcontractors, sub-subcontractors, agents, employees, officers, members and directors, for damages caused by fire or other perils to the extent covered by property insurance provided under the Prime Contract or other property insurance applicable to the Work, except such rights as they may have to proceeds of such insurance held by the Owner as fiduciary. The Subcontractor shall require of the Subcontractor's sub-subcontractors, agents and employees, by appropriate agreements, written where legally required for validity, similar waivers in favor of other parties enumerated herein. The policies shall provide such waivers of subrogation by endorsement or otherwise. A waiver of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in the property damaged.

12.3. The Contractor shall promptly, upon request of the Subcontractor, furnish a copy or permit a copy to be made of any bond covering payment of obligations arising under the Subcontract.

12.4. **Performance Bond and Payment Bond:**

Bond Required for the payment and performance bonds. All bonds must be in the AIA312 format or equal. Cost of bond is on bonding company's invoice at standard rates. Subcontractor must include the names of the Owner and Lender on all bonds as a dual obligee. Subcontractor can provide this information through a dual obligee rider. Two original copies of all bonds are required and should be forwarded to the Corporate Office located at 991 Corporate Boulevard, Linthicum, MD 21090.

Unless waived by Contractor in this Subsection 12.4, prior to the commencement of the Work, Subcontractor shall pay for and deliver to Owner acceptable, statutory payment and performance bonds in the full amount of the Subcontract sum issued by a surety acceptable to Owner.

13. **SETTLEMENT OF DISPUTES.**

13.1. In the event of any dispute involving the Work performed or to be performed, Contractor shall issue a decision which shall be followed by Subcontractor, without interruption, deficiency, or delay. If Subcontractor does not agree with such decision, Subcontractor may make a claim under Section 7.3. and the matter shall be resolved as set forth in Article 13.2. or 13.3. as applicable. If the Subcontractor prevails, Subcontractor's sole remedy shall be an equitable adjustment determined as provided in Section 13.2. or 13.3. as applicable. In addition to notice required by Article 9 or the Subcontract Documents, notification of any claim for the equitable adjustment must be asserted in writing not later than ten (10) days after Subcontractor's knowledge of the claim, and if Section 13.2. is applicable, within sufficient time to allow Contractor to give notice to the Owner under the Subcontract Documents.

13.2. In case of any dispute between Contractor and Subcontractor, in any way relating to or arising from any act or omission of the Owner or involving the Subcontract Documents, Subcontractor agrees to be bound to Contractor to the same extent that Contractor is bound to the Owner, by the terms of the Subcontract Documents, and by any and all preliminary and final decisions or determinations made thereunder by the party, board or court so authorized in the Subcontract Documents or by law, whether or not Subcontractor is a party to such proceedings. In case of such dispute, Subcontractor will comply with all provisions of the Subcontract Documents allowing a reasonable time for Contractor to analyze and forward to the Owner any required communications or documentation. Contractor will, at its option, (1) present to the Owner, in Contractor's name, or (2) authorize Subcontractor to present to the Owner, in Contractor's name, all of Subcontractor's claims and answer the Owner's claims involving Subcontractor's Work, whenever Contractor is permitted to do so by the terms of the Subcontract Documents. Contractor will further invoke on behalf of Subcontractor, or allow Subcontractor to invoke, those provisions in the Subcontract Documents for determining disputes. If such dispute is prosecuted or defended by Contractor, Subcontractor, at its own expense, agrees to furnish all documents, statements, witnesses, and other information required by Contractor and to pay or reimburse Contractor for all costs incurred by Contractor in connection with the dispute including attorneys' fees and court costs.

13.3. To the extent not resolved under Section 13.2 above, any dispute between Contractor and Subcontractor shall, at Contractor's sole option, be decided by litigation. In the event of any lawsuit under this clause, the Courts of Illinois shall have sole and exclusive jurisdiction. DUE TO THE SPECIALIZED NATURE OF CONSTRUCTION LITIGATION, EACH PARTY HEREBY WAIVES ITS RIGHT TO A TRIAL BY JURY.

14. **MISCELLANEOUS PROVISIONS.**

14.6. COMMUNICATIONS. It is agreed and understood that all communications by or through Subcontractor to the Architect, Engineer, Owner, Developer or any representative thereof shall be made through Contractor.

14.7. EXAMINATION OF PRIOR WORK. Subcontractor shall carefully examine the work of others which may affect the Work and shall notify Contractor in writing, completely detailing and supporting any apparent deficiencies therein before performing the Work; otherwise, such other Work shall be deemed acceptable to Subcontractor and Subcontractor shall be deemed to have waived all claims with respect thereto.

14.8. INVALIDITY. If any provision of the Subcontract is found to be invalid, unenforceable or unlawful, such provision shall be enforced in such manner as shall most nearly affect the intent of the parties and yet conform to the law applicable thereto and the remainder of the Subcontract Documents shall remain in full force and effect.

14.10. INDEPENDENT CONTRACTOR. Subcontractor is an independent contractor and hereby assumes all of the rights, duties, obligations and liabilities thereby arising.

14.11. WAIVER. Any failure by Contractor at any time or from time to time to enforce or require the strict performance of any of the terms or conditions hereof shall not affect or impair Contractor's right to at any time thereafter avail itself of the remedies available for the subsequent breach of such terms or conditions.

No presumption shall be deemed to exist in favor of or against either party as a result of the preparation and/or negotiation of the Subcontract.
