Dear Rhonda L Singer-Zavatone:

As you are now aware, big changes are ahead for the Growth Participation Plan (GPP). As we prepare for the new vision of the Plan, we prepare for the payout of the existing unit grant values.

With the establishment of the new unit value of \$1201.74, your total unit grant(s) is now worth \$15000. As announced, we will begin to pay out your unit grant in the existing plan over a four year period starting on May 18. The initial installment on your payout is \$3750. The remaining unit grant will earn interest at a rate of 9% until the final installment, scheduled to be paid in 2009.

As a non-vested employee, the first installment will be deposited in the deferred compensation account through PenCal. We will forward additional information about investment options available through PenCal, as well as procedures for opening an account if you have not already done so. Remember, only continuous fulltime service counts towards vesting in the GPP. Therefore, the date to use for vesting purposes may be different than your original hire date. The date to use for vesting purposes for your service is 12/1/2004

If you have any questions about your vesting date or the value of your unit grant, please contact your Human Resources department.

All funds paid out of the GPP are paid as ordinary earnings and will be taxed accordingly. We will be providing financial planning resources to help you plan how to invest the proceeds of the GPP. We will forward additional information in the coming weeks. Please remember that you have an hour of time with a financial advisor available through the Employee Help Line. Just call 1-888-300-0431 to arrange an appointment.

If you have any other questions regarding the GPP, please contact your Human Resources Department.

Sincerely,

The Plan Administrators
