Due Date Extension: If any payment of principal of, or interest on, the Loan falls due on a Saturday, Sunday or other day which is not a Business Day, then such due date shall be extended to the next following Business Day, and additional interest shall accrue and be payable for the period of such extension.

2.3. Adjustment for Impositions on Loan Payments. All payments made by Borrower under the Loan Documents shall be made free and clear of, and without deduction or withholding for or on account of, any income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, hereafter imposed, levied, collected, withheld or assessed by any governmental or taxing authority (other than taxes on the overall net income or overall gross receipts of Lender imposed as a result of a present or former connection between Lender and the jurisdiction of the government or taxing authority imposing such taxes, provided, however, that this exclusion shall not apply to a connection arising solely from Lender's having executed, delivered, performed its obligations under, received a payment under, or enforced any of the Loan Documents). If any such amounts are required to be withheld from amounts payable to Lender, the amounts payable to Lender under these Loan Documents shall be increased to the

extent necessary to yield to Lender, after payment of such amounts, interest or any such other amounts payable at the rates or in the amounts specified herein. If any such amounts are payable by Borrower, Borrower shall pay all such amounts by their due date and shall promptly send Lender a certified copy of an original official receipt showing payment thereof. If Borrower fails to pay such amounts when due or to deliver the required receipt to Lender, Borrower shall indemnify Lender for any incremental taxes, interest or penalties that may become payable by Lender as a result of any such failure.

2.4. Prepayments: The Note may be prepaid in whole or in part at any time without premium or penalty. The Note may be prepaid only on the last day of the applicable Interest Period; provided, however, that such Note may be prepaid prior to such day so long as such prepayment is accompanied by a simultaneous payment of the Make Whole Costs, plus accrued interest on the principal amount being prepaid through the date of prepayment.

2.5. Use of Loan Proceeds: The Borrower covenants and agrees that all advances received by the Borrower under the Loan shall be used solely for purposes described in Section 2.1(a) of this Agreement or, with Lender's permission, for paying such other costs and expenses as may be approved by Lender.

2.6. Fees: On the Closing Date, the Borrower shall pay a commitment fee in an amount equal to one percent (1%) of the Face Amount of Loan. The fees so calculated and due on the Closing Date equal, in the aggregate, Eight Hundred Thirty Thousand Dollars (\$830,000.00). Additionally, the Borrower shall pay annually a one-eighth percent (.0125%) average usage fee beginning in the third year of the Loan.

2.7. Letters of Credit: Prior to advancing funds to secure Letters of Credit, the Issuing Lender must be approved by Lender, which approval shall not be unreasonably withheld.

2.8. Collateral for Loan. The collateral for the Loan will consist of all assets of the Borrower, including all lien rights of the Borrower in and to assets of the Tenant and/or the Manager. The collateral for the Loan will also include direct liens in favor of Lender on all of the assets of the Manager related solely to Wind Crest Community.

REQUIREMENTS AND CONDITIONS FOR ALL LOAN ADVANCES

The obligation of Lender to make any Loan advance is subject to the Borrower's satisfaction of the following requirements and conditions:

4.1. Satisfaction of Initial Advance Requirements: The Borrower shall have satisfied all requirements of Article III if any such requirements were not satisfied prior to the initial advance of Loan proceeds for the First Construction Phase of the Project.

4.2. Satisfaction of Construction Phase Requirements: The Borrower shall have provided to Lender new or updated versions of the documents described in Article III for that Construction Phase of the Project to which an advance relates, as required by Lender, including at a minimum:

(a) Upon Lender's request, an update to the title binder described in Section 3.1 (or to the policy issued pursuant to such binder) or other endorsement or agreement acceptable to Lender guaranteeing Lender's first lien with respect to such advance as required under Section 3.1;

(b) Upon Lender's request, an updated survey (i) showing any new footings completed since the prior advance of Loan proceeds or (ii) showing any additional perimeter walls or any material ground level improvements which have been added since the delivery of the survey required under Section 3.1;

(c) Those documents described in paragraphs (f), (g), (h), (i), (j), (o) and (y) of Section 3.1 with respect to the Construction Phase to which an advance relates;

(d) If the schedule of the Construction Phases has been materially changed or amended, an updated schedule of the Construction Phases, including a statement from each of the Contractor and the Architect that, in their best professional judgment, the schedule of the

Construction Phases, as updated, is realistic and can be adhered to in completing the Project in accordance with the Plans and Specification and a report from the Construction Inspector, in form and substance satisfactory to Lender;

(e) If the Foundation Work for such Construction Phase is completed, Lender shall have received and approved the documents described in paragraph (n) of Section 4.6 (if required by Lender thereunder);

(f) If requested by Lender, written confirmation from a Construction Inspector that (i) such Construction Inspector has reviewed the Plans and Specifications for such Phase of the Project, (ii) the documents in which Lender is granted a security interest by the Assignment of Project Documents satisfactorily provide for the construction and equipment of the Improvements for such Phase, (iii) the Plans and Specifications for such Phase have been reviewed and approved by all governmental authorities to which such Plans and Specifications are required to be submitted, and (iv) in the opinion of such Construction Inspector the Improvements for such Phase can be completed for an amount not greater than the lesser of (A) the maximum advances available under the Loan (taking into account the revolving nature of the Loan), together with any available funds of the Borrower (including anticipated loans to the Borrower under the Community Documents), or (B) the projected costs of such Phase provided by the Borrower to Lender; and

(g) Any other documents deemed necessary by Lender in connection with the Construction Phase to which an advance relates.

4.3. Residence and Care Agreements:

(a) With respect to advances for each Residential Construction Phase, the Borrower shall have delivered to Lender evidence acceptable to Lender that the Tenant has received and accepted Applications from Applicants to either the Tenant Reserve List or the Tenant Standby List (not including Applicants to the Tenant Futures List), together with payment of Priority List Deposits by all such Applicants and payment of Reservation Deposits by those Applicants on the Tenant Reserve List, equal in number to (i) seventy percent (70%) of the Continuing Care Units (as defined in the Residence and Care Agreements) to be constructed as part of such Residential Construction Phase, which Applications specify either (A) by number, a specific Continuing Care Unit in a specific building to be constructed as part of such Residential Construction Phase or (B) that the Applicant will accept the next available unit of the type designated by the Applicant on the Application (e.g. Efficiency, Studio, One Bedroom, Two Bedroom, etc.), and (ii) except in the case of the First Residential Construction Phase, eighty-five percent (85%) of the Continuing Care Units in each prior Residential Construction Phase, specifying the same matters set forth in subparts (A) and (B) of subsection (i) above. Notwithstanding the foregoing, (i) Lender reserves the right to exclude from consideration towards the seventy percent (70%) and/or eighty-five percent (85%) requirements, Applications which Lender, in Lender's reasonable judgment, believes cannot be accommodated by the Residential Construction Phase at issue and (ii) the Tenant Standby List may be a complete list for the entire Project and need not be restricted to a single Phase. (Applications may be excluded, by way of example and not of limitation, in the event a large number of Applications specify a particular type of Continuing Care Unit which cannot be accommodated in a particular

Residential Construction Phase.) The Applications shall be bona fide arm's length contracts with Applicants of the Wind Crest Community, such contracts to be reasonably acceptable to Lender in form and substance. Lender shall have the right to audit existing Applications at any time, including (subject to applicable laws regarding privacy) obtaining Applicant's addresses and phone numbers and contacting Applicants, to verify the status of such Applications. At the time of each request for an advance of the Loan, the Borrower shall provide to Lender the information necessary to demonstrate satisfaction of the requirements of this paragraph, certified to the best of the knowledge, belief and information of an officer of the Borrower and also of either the Manager or the Tenant, which details the Applications received and accepted by the Tenant up to the date of the certification, and contains the following information for each Applicant: (a) the name of such Applicant; (b) the Building number and Unit number or type for which such Applicant has applied; and (c) the amount of the Applicant's Priority List Deposit and Reservation Deposit (as applicable), together with the anticipated Full Entrance Deposit expected to be paid by such Applicant. The Borrower shall also have delivered to Lender evidence acceptable to Lender that all monies held in escrow pursuant to the Residence and Care Agreements have been deposited in one or more escrow accounts acceptable to Lender.

(b) With respect to each Phase of the Project which is not a Residential Construction Phase, any other provision or provisions of this Agreement or any of the Loan Documents to the contrary notwithstanding, all advances of the Loan shall be available only upon Lender's approval of the commencement of such Construction Phase, which approval shall not be unreasonably withheld.

4.4. Submission of Disbursement Requests: Disbursements by Lender shall be made pursuant to monthly requisitions in the form attached hereto as Schedule X submitted by the Borrower and approved by the Construction Inspector. Each requisition shall be accompanied by cost-to-completion projections. Disbursements for labor and services provided by subcontractors shall be subject to retainage equal to ten percent (10%) of each subcontract, until such subcontract is fifty percent (50%) complete, and thereafter five percent (5%) of all requisitions for such items pursuant to such subcontract (any excess to be released by Lender at that time). The balance of all retainages shall be released following completion of the Phase to which such subcontract relates and upon compliance with the conditions set forth in Article V regarding final advances. No advances will be made for materials delivered to or stored on the Property which have not been physically incorporated into the Project, unless the Borrower has made available for inspection by the Construction Inspector on behalf of Lender (i) written evidence from the seller or fabricator identifying the stored materials and indicating that ownership of the materials is vested, or upon payment therefor will vest, in the Borrower free and clear of liens, and (ii) evidence satisfactory to the Construction Inspector and Lender that the materials are secured, insured and protected against theft or damage. No advances shall be made for any non-Project related costs or expenses except as permitted under Section 2.1(a) of this Agreement regarding the Working Capital Advances (subject to the limitations set forth therein on such items).

4.5. Inspections: Approval by Lender of each disbursement will require a certification by a Construction Inspector warranting that all completed work on the Project as of the date of any draw has been performed and all materials installed according to the Plans and Specifications, together with copies of approvals and certifications by appropriate governmental agencies of their approval and acceptance of work completed on the Project.

4.6. Additional Requirement and Conditions: The obligation of Lender to make any disbursements hereunder shall be subject to satisfaction of the following requirements and conditions:

(a) The Borrower shall have submitted a complete and fully executed disbursement request, duly approved and certified as provided in Section 4.5 hereof, by the time specified in Section 2.1(b).

(b) If required by Lender, Lender shall have received an endorsement to its title insurance policy on the Property, issued at the Borrower's expense, indicating that there has been no change in the status of title and containing no survey exceptions not theretofore approved by Lender;

(c) If required by Lender, Lender shall have received written confirmation from the Construction Inspector that, in such Construction Inspector's opinion, the Phase of the Project to which any Loan advance relates can be completed in accordance with the Plans and Specifications on or prior to the Completion Date for an amount not greater than the then current budget for such Phase submitted to and approved by Lender; provided, however, that unless otherwise requested by Lender such analysis shall include hard costs only;

(d) No Event of Default, nor any event or state of facts which with notice or passage of time or both would constitute an Event of Default, shall then exist;

(e) Lender shall have received a copy of all grading, building and other permits required for the Construction Phase of the Project to which such requisition relates;

(f) Lender shall have received any reasonably required endorsements or modifications to casualty, liability and other insurance requested by Lender or required to be provided under the terms of the Loan Documents or Schedule XVII hereto;

(g) Lender shall have received final title insurance policies (or binders) and policies of insurance issued pursuant to and reflecting the requirements of Sections 3.1(a) and 3.1(d) hereof, for all Property encumbered by the Deed of Trust;

(h) If required by Lender, Lender shall have received an updated survey showing the location of all poured footings completed since the prior draw, together with all other Improvements, and certified as to all requirements of Lender;

(i) Lender shall have received copies of lien waivers or other evidence of payment of any costs or expenses of the contractor, all subcontractors, laborers, mechanics, suppliers and materialmen through the date of the most recent draw request, or, if the most recent draw request occurred more than forty-five (45) days prior to the current draw, then such copies of waivers shall be through the end of the calendar month immediately preceding the current draw;

(j) Lender shall have received copies of such additional permits and licenses for completion of the Project as may be necessary or required by governmental authorities having jurisdiction over the Project;

(k) Lender shall be satisfied as to the continuing accuracy of the Project Budget with respect to the applicable Construction Phase;

(l) Lender shall have received evidence that the Borrower has invested in the Project Twenty Five Million Dollars (\$25,000,000) of its own funds or subordinate debt acceptable to Lender in its sole discretion. The amount of Borrower's equity requirement which may consist of Pre-Development Soft Costs shall be determined by Lender in its sole discretion;

(m) The Borrower shall have provided to Lender copies of paid real estate tax receipts for all property covered by the Deed of Trust for each semi-annual tax payment date occurring prior to the date of such disbursement; and

(n) If required by Lender, upon completion of the foundations for any Construction Phase of the Project, the Borrower shall have promptly delivered to Lender, at the Borrower's expense, the materials specified below:

(i) An updated survey showing all foundations of the Improvements in such Construction Phase in place and showing the location of any other subsurface work completed as of the date of the updated survey which constitutes part of the Project (the foundations and such subsurface work are referred to herein as "Foundation Work") and showing no encroachments of the Foundation Work over any easements or lot lines and showing no violations of any building lines;

(ii) A certificate from the Architect stating that the Foundation Work and all other work in place conforms to the Plans and Specifications and identifying any portion of such Construction Phase consisting of subsurface work which has not yet been completed;

(iii) A certification from the Construction Inspector warranting that the Foundation Work for the Construction Phase has been substantially completed, together with copies of approvals and certifications by appropriate governmental agencies of their approval and acceptance of the Foundation Work completed; and

(iv) An ALTA Form Comprehensive Endorsement 1 to Lender's title insurance policy dated after the date of completion of the Foundation Work bearing no exception or qualification as to the Foundation Work; provided, that such endorsement shall be required after Final Completion of all Phases in a particular Neighborhood occurs rather than after Final Completion of each Construction Phase occurs.

4.7. Lender's Verification of Contracts. Prior to the Closing Date, and from time to time thereafter, Lender or the Title Company may forward to the Contractor and any or all subcontractors listed on the Borrower's Sworn Statement (as hereinafter defined) a contract verification to confirm the terms and amount of the Construction Contract or any subcontract for any Construction Phase of the Project for the Contractor and each subcontractor providing materials or services for such Phase. If there is any discrepancy between the terms and amounts as shown by the Construction Contract, the sworn statements, and the verifications, Lender may require, as a condition to further disbursements, that such discrepancies be eliminated to its satisfaction. The term "Borrower's Sworn Statement" means a sworn statement from Borrower setting forth a description of all contracts executed by the Borrower with respect to the

Construction Phase for the Project, the names and addresses of the contractors, engineers and other parties under those contracts, the date of each such contract and of any supplements or amendments thereto, the nature and scope of the work covered thereby, and the aggregate amounts theretofore paid and thereafter to be paid to each contractor thereunder; and further stating whether said contracts include all of the work required to be done and all of the materials necessary for completion of the Construction Phase of the Project in accordance with the Plans and Specifications, and, if not, providing sufficient information to enable Lender to estimate the cost of any work or materials not so covered.

4.8. Consultants. In connection with the transactions contemplated hereby, Lender shall have the right (but not the duty) to employ such consultants, including the Construction Inspector, as it may deem appropriate from time to time, to (a) review and make recommendations regarding the Plans and Specifications, the Project Budget for any Construction Phase and the construction schedule set forth in Schedule II attached hereto, which recommendations shall be considered by the Borrower on a good faith basis, (b) inspect the Property from time to time to insure that the same is being duly constructed and equipped as herein provided, (c) review and make recommendations regarding any elements of a request for disbursement, which recommendations shall be considered by the Borrower on a good faith basis, (d) obtain information and documentation respecting the Project, attend meetings respecting the Project and formulate reports for Lender pertaining to the Project and (e) perform such other services as Lender from time to time may require, all solely on behalf of Lender and at the Borrower's expense. Neither Lender nor any such consultants shall be deemed to have assumed any responsibility to, or be liable to, the Borrower or any of the Guarantors with respect to any actions taken or omitted by Lender or such consultants pursuant to this Section 4.8. Notwithstanding the aforesaid or anything else provided in this Agreement to the contrary, the Borrower shall not be entitled to rely on any statements or actions of the Construction Inspector or any of Lender's other consultants and neither the Construction Inspector nor any other consultant retained by Lender shall have the power or authority to grant any consents or approvals or bind Lender in any manner, absent confirmation by Lender of the accuracy of the information conveyed by such consultant to the Borrower.

4.9. Offsite Materials.

In the event that any disbursement request includes the cost of materials stored at a location other than the Land ("Offsite Materials"), precedent to such disbursement, Borrower shall provide:

- (a) if applicable, evidence that Borrower has paid for the Offsite Materials;
- (b) if the Offsite Materials are stored at the property of the supplier (an "Offsite Supplier"), a written statement from the Offsite Supplier that the Offsite Materials have been paid for by Borrower, have been segregated from other materials in such Project and have been marked with Borrower's name. Such statement shall also acknowledge (i) Lender's or Inspector's right to enter the offsite supplier's Project at reasonable times to inspect or remove the Offsite Materials and (ii) Lender's security interest in the Offsite Materials;

(c) if the Offsite Materials are stored in a place other than the Project of the Offsite Supplier, a written statement from the bailee or other custodian acknowledging (i) Lender's or Inspector's right to enter the storage site at reasonable times to inspect or remove the Offsite Materials and (ii) Lender's security interest in the Offsite Materials; and

(d) certificates of insurance acceptable to Lender showing the Offsite Materials to be insured as required hereunder and showing Lender as co-insureds.

Lender shall not be required to make disbursements for any Offsite Materials until Lender or Inspector has inspected and approved such Offsite Materials. Further, Borrower agrees to limit the total materials stored at the Project or offsite to materials with an aggregate cost of less than \$3,000,000.

4.10. Representations and Warranties: The representations and warranties set forth in Article VII hereof shall be true and correct in all material respects on and as of the date of the initial advance for each Construction Phase, and no Default or Event of Default shall then exist under this Agreement.

ARTICLE V

REQUIREMENTS AND CONDITIONS FOR FINAL ADVANCE FOR EACH CONSTRUCTION PHASE

In addition to all other conditions set forth in Articles III and IV, the obligation of Lender to make the final advance of the Loan for a Construction Phase shall be subject to Lender's receipt of the following:

5.1. Submission of Documents: The Borrower shall submit the following items to Lender:

(a) Waivers of liens from the general contractor and all subcontractors, laborers, mechanics, suppliers and materialmen who have worked on the relevant Construction Phase of the Project through the date of the most recent draw request related to such Construction Phase, or, if the most recent draw request for such Construction Phase occurred more than forty-five (45) days prior to the final advance for such Construction Phase, then such waivers shall be through the end of the calendar month immediately preceding the final draw request for such Construction Phase (with final waivers to be submitted to Lender within thirty (30) days after the final advance, as provided in Section 7.8 of this Agreement);

(b) If required by Lender, certificates of completion, in form and substance satisfactory to Lender, from the Borrower and the Construction Inspector certifying completion of all of Borrower's requirements relating to the relevant Construction Phase of the Project under the Loan Documents;

(d) Copies of such additional permits and licenses for final completion and occupancy of the relevant Construction Phase of the Project as may be necessary or required by governmental authorities having jurisdiction over the Project, including, but not limited to, permits to be issued by the Colorado Department of Health;

(e) An as-built survey certified as per the requirements of Lender;

(f) At Lender's request, a final endorsement to Lender's title insurance policy (issued to Lender on Lender's behalf) dated as of the date of final disbursement and showing no matters unacceptable to Lender.

(g) Evidence acceptable to Lender that casualty and liability insurance has been placed in force and effect with respect to all Improvements in the relevant Construction Phase.

5.2. Other Requirements: The following requirements shall have been satisfied:

(a) The Borrower shall have paid all costs and expenses of Lender accrued to date and payable by the Borrower under the Loan Documents in connection with the completion of the Project and review of final disbursement requests.

(b) All fixtures and equipment required for the operation of the Construction Phase shall have been installed free and clear of all liens, title retention agreements and security interests except security interests granted to Lender.

(c) All other then current requirements of this Agreement shall have been satisfied.

ARTICLE VI

GENERAL PROVISIONS REGARDING DISBURSEMENTS

6.1. Equity Balance Test: Within fifteen (15) days after the last day of each calendar month, the Borrower will deliver to Lender an Equity Balance Test Certificate as of the end of the prior month. Lender will review the Equity Balance Test Certificate and, in its discretion, make a determination as to whether the projections and calculations in the Equity Balance Test Certificate are acceptable to Lender and whether a Positive Funds Balance exists or a Negative Funds Balance exists. If Lender, in its reasonable discretion, determines that a Negative Funds Balance exists and that the amount of the Negative Funds Balance is unlikely to be recovered by reallocations, pricing adjustments or otherwise, Lender shall deliver a written notice to the Borrower regarding the Projected Available Funds Deficiency. Lender, in its reasonable discretion, may require the Borrower to fund additional equity in an amount of money equal to the Projected Available Funds Deficiency. If Lender does not require such an equity contribution, the Borrower shall be permitted to pay the costs and expenses in connection with the construction of the Project in cash.

6.2. Authorized Disbursements: Notwithstanding any other provision of this Agreement, the Borrower hereby irrevocably authorizes Lender, at the option of Lender, after the

occurrence of any Event of Default to make disbursements of Loan proceeds (i) directly to the Title Company or any public authority for fees, assessments or taxes owed with respect to the Project, any insurer of the Project to whom premiums are owed for the maintenance of insurance required by the Loan Documents and Schedule XVII hereto, or to any contractor, subcontractor, laborer, mechanic, supplier or materialmen furnishing labor, services or materials in connection with the Project for any amounts due them in connection therewith, or (ii) directly to Lender for interest, fees, expenses and any other amounts advanced by Lender or required to be paid to Lender under the Note or the other Loan Documents. No further authorization from the Borrower shall be necessary for Lender to make such direct disbursements, and all such disbursements shall satisfy pro tanto the obligation of Lender hereunder and shall be secured by the Deed of Trust.

6.3. Disbursements Do Not Constitute Waiver: No disbursement of any Loan proceeds by Lender shall constitute a waiver of any of the conditions of the obligation of Lender to make further disbursements nor, in the event the Borrower is unable to satisfy any such condition, shall any such disbursement have the effect of precluding Lender, from thereafter declaring such inability to be an Event of Default.

ARTICLE VII

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to Lender as of the date hereof, and is deemed to represent and warrant as of the date Borrower submits any disbursement request to Lender hereunder and as of the date of any disbursement hereunder, unless modification thereof has been approved by Lender or where approval is not required, that:

7.1. Ongoing Accuracy of Representations and Warranties: All representations and warranties made by the Borrower and/or the Guarantors or by any other person or entity on behalf of the Borrower or the Guarantors to Lender in connection with the Loan are true, complete and correct in all material respects.

7.2. Organization and Authorization of Borrower: The Borrower is a duly organized and validly existing limited liability company formed under the laws of Maryland, and that the Borrower has all necessary power and authority to execute and deliver, and to consummate the transactions contemplated in, this Agreement, the other Loan Documents, and all other agreements and instruments herein mentioned to which the Borrower is a party. Neither the Borrower nor any of the Guarantors has been convicted of a felony and there are no proceedings or investigation being conducted involving criminal activities of either Borrower or any of the Guarantors.

7.3. Actions Pending: Except as previously disclosed to Lender in writing, there is no action, suit, investigation or proceeding pending or, to the knowledge of the Borrower, threatened, against or affecting the Borrower, any of the Guarantors, the Tenant or the Project, or any properties or rights of the Borrower, any of the Guarantors, or the Tenant before any court, arbitrator or administrative or governmental body which might affect the Project or which might

result in any material adverse change in the business, financial condition or operations of the Borrower, of the Guarantors (considered as a group), or of the Tenant.

7.4. Statutes, Judgments, etc.: To the best of the Borrower's knowledge, there is no law, statute, rule or regulation which would be contravened by the execution, delivery, or performance of this Agreement or the other Loan Documents, or the construction and equipping of the Improvements as herein contemplated. There is no judgment, decree or order of any court or government agency binding on the Borrower, any of the Guarantors, or the Tenant which would be contravened by the execution, delivery, or performance of this Agreement or the other Loan Documents, or the construction and equipping of the Improvements as herein contemplated.

7.5. Use of the Project: The use of the Project as herein contemplated complies, in all material respects, to the best of the Borrower's knowledge, with applicable restrictive covenants, zoning ordinances, environmental regulations and controls, and other requirements and regulations of governmental authorities having jurisdiction over the Project or the uses thereof.

7.6. Taxes: All federal, state and local tax returns and reports of the Borrower, the Guarantors, and (to the best of Borrower's knowledge) the Tenant required by law to be filed have been duly filed, and all taxes, assessments, fees and other governmental charges upon the Borrower, the Guarantors and the Tenant and their properties, assets, income and franchises which are due and payable have been paid, unless the same are being contested in good faith by appropriate proceedings and the party owing the same has created a reserve therefor in an amount acceptable to Lender. Each of the Borrower, the Guarantors, and (to the best of Borrower's knowledge) the Tenant maintains adequate reserves and/or accruals in respect of federal, state and local taxes for all fiscal periods, and the Borrower does not know of any unpaid assessments for any taxes or any basis therefor.

7.7. No Default: Except as previously disclosed to Lender in writing, to the best of the Borrower's knowledge, there exists no default, by the Borrower, any of the Guarantors, or the Tenant, in the payment of any indebtedness or in the performance of any obligations under any deed of trust, indenture, lease contract or other agreement, instrument or undertaking to which any of them is a party or by which any of them or their assets may be bound and which might have a material adverse effect upon any of them, and no Default or Event of Default as herein provided has occurred. To the best of the Borrower's knowledge, the Borrower, the Guarantors, and the Tenant are not in default under any order, judgment, award or decree of any court, arbitrator, or governmental authority binding on or affecting any of them or by which any of them or their assets may be bound or affected, and no such order, judgment, award or decree materially adversely affects the ability of any of them to carry on its business as now conducted or the ability of any of them to perform its obligations under this Agreement or the other Loan Documents.

7.8. No Distributions: No affiliates of Borrower, Manager or Erickson are owed any amounts of any kind, including amounts of the type described in Section 8.10 hereof, by the Borrower as of the date of this Agreement.

7.9. Permits. A true and complete list of all certificates, licenses, authorizations, registrations, permits and/or approvals necessary, for all commencement and continuance of Construction of the Improvements and the operation of the Project, with reasonably projected timeline to obtain same, is attached hereto as Schedule XVIII. Except as otherwise reflected on Schedule XVIII Borrower has obtained all such certificates, licenses, authorizations, registrations, permits and/or approvals, all of which as of the date of this Agreement that have already been obtained are in full force and effect and not, to the knowledge of Borrower, subject to any revocation, amendment, release, suspension, forfeiture or the like. To the best of Borrower's knowledge, the present and/or contemplated use and/or occupancy of the Project does not conflict with or violate in any material respect any such certificate, license, authorization, registration, permit and/or approval; and it has delivered to Lender, before the execution of this Agreement, duplicate original or certified copies of all such certificates, licenses, authorizations, registrations, permits and/or approvals obtained to date.

7.10. No Defenses: Enforcement of this Agreement and the other Loan Documents is subject to no defenses of any kind.

7.11. Additional Representations and Warranties: All of the representations and warranties set forth in Schedule XI attached hereto are true, complete and correct in all material respects.

ARTICLE VIII

COVENANTS

The Borrower covenants and agrees with Lender that, so long as any portion of the Loan remains unpaid:

8.1. Construction of Improvements: As long as Lender complies with its funding obligations under this Agreement, the Borrower will cause the Improvements for each Construction Phase to be completed in accordance with the Plans and Specifications for each Construction Phase on or before the Completion Date for each Construction Phase, free and clear of all liens other than the Deed of Trust and any junior encumbrance permitted thereby. Each intended addition, deletion or modification to the Plans and Specifications shall be approved in writing by Lender and all governmental authorities to whom such Plans and Specifications are required to be submitted. No modification of or amendment to the Plans and Specifications for any single Construction Phase approved by Lender, which either (i) results in a change which is structural and material in nature or (ii) results in an increase in construction costs in excess of the contingency amounts shown in the Project Budget for any Construction Phase by more than One Hundred Thousand Dollars (\$100,000) shall be made without prior written approval of Lender. Lender shall use its reasonable efforts to approve or deny any request for a change order within seven (7) Business Days.

8.2. Maintenance of Property; Insurance: The Borrower will keep or cause to be kept the Improvements and all of the property useful or necessary in the operation of Wind Crest Community in good working order and condition. The Borrower will obtain or cause to be obtained and maintain in full force and effect any and all insurance required hereby and by the

Deed of Trust. All policies of insurance shall be in form and with companies satisfactory to Lender in amounts required hereby and by the Loan Documents (and in any event not less than amounts sufficient to prevent any co-insurance liability of the Borrower or Lender), naming Lender as Mortgagee, with loss payable to Lender, and providing for not less than thirty (30) days prior written notice to Lender of any intended cancellation, termination or reduction in coverage.

8.3. Financial Statements, Books and Records:

(a) The Borrower shall provide, or cause to be provided, to Lender within fifteen (15) days after the end of each calendar month, or at such other times as required under the Loan Documents, a statement or schedule reconciling the date and amount of all Entrance Deposits received by the Tenant to the payments due under the terms of the Note. All of the foregoing information shall be certified to the best of the knowledge, belief and information of the Borrower.

(b) The Borrower and the Developer shall deliver to Lender within thirty (30) days after the close of each calendar month of each calendar year, beginning with the calendar month during which this Agreement was executed, a balance sheet, statements of income and expense and retained earnings and a statement of cash flows, on both a consolidated and consolidating basis for all such entities, for that portion of the fiscal year-to-date then ended, prepared in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year (or containing disclosure of the effect on financial position or results of operations of any change in the application of generally accepted accounting principles during the year), prepared and certified as to accuracy by the chief financial officer of Erickson Retirement Communities, LLC (one of the Guarantors, which is also the initial Manager and the Developer), on behalf of such entity as a member of the Borrower, together with a letter in the form attached hereto as Schedule XII regarding compliance with all covenants set forth in the Loan Documents. The financial statements required under this paragraph (b) for Erickson Retirement Communities, LLC shall include management discussion and analysis of the contents of such financial statements. Lender reserves the right to require the financial information described in this subsection from the other Guarantors.

(c) The Borrower and the Developer in its capacity as a Guarantor shall deliver to Lender within ninety (90) days after the close of each fiscal year beginning with the fiscal year ended December 31, 2005, a draft balance sheet for itself and for the Tenant as of the close of such fiscal year and draft statements of income and retained earnings and a statement of cash flows, on both a consolidated and consolidating basis for all such entities, for the year then ended, prepared in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding year (or containing disclosure of the effect on financial position or results of operations of any change in the application of generally accepted accounting principles during the year), by a firm of independent certified public accountants acceptable to Lender in the case of Developer in its capacity as a Guarantor and by a financial officer in the case of the Borrower and the other Guarantors. The Developer shall deliver to Lender within one hundred twenty (120) days after the close of each fiscal year beginning with the fiscal year ended December 31, 2005, a finalized balance sheet and financial statements

described in the immediately preceding sentence, prepared in the same manner as aforesaid, all of which shall be audited by a firm of independent certified public accountants acceptable to Lender, provided, however, that the Developer shall not be obligated to deliver an audited balance sheet and financial statement for the fiscal year ended December 31, 2005. Lender reserves the right to require audited balance sheets and financial statements from the other Guarantors.

(d) The Borrower and the Guarantors shall furnish to Lender, within thirty (30) days after filing thereof, copies of all federal, state and local income tax returns or informational filings for the Borrower, the Guarantors, and the Tenant.

(e) The Borrower will, and will cause the Guarantors and the Tenant, to: (a) at all times maintain complete and accurate records and books of account in accordance with generally accepted accounting principles, (b) comply with any or all other reasonable reporting, verification, inspection and other administrative requirements of Lender as requested by Lender from time to time and (c) permit Lender, by its agents, accountants and attorneys to enter and inspect all properties and operations of the Borrower, the Guarantors, and the Tenant, examine such records and books of account and copy and make abstracts from any and all of such records and books of account. Lender will use reasonable efforts not to interfere with the business of the Borrower, the Guarantors or the Tenant in the course of such inspections.

(f) The Borrower will deliver or cause the Guarantors to deliver to Lender not less than thirty (30) days prior to the start of each new fiscal year, an annual operating budget for Erickson Retirement Communities, LLC.

(g) The Borrower will deliver or cause the Guarantors to deliver to Lender within twenty-one (21) days after the end of each fiscal quarter of Erickson Retirement Communities, LLC a project status report for the Project.

(h) The Borrower will deliver or cause the Guarantors to deliver to Lender within twenty-one (21) days after the end of each calendar month a monthly marketing report for the Project and for each of the other projects described in paragraph (g) above.

(i) The Borrower will, and will cause the Guarantors, the Tenant and Erickson, to supply to Lender promptly upon Lender's request, but in no event later than thirty (30) days following Lender's request, such other information about their financial condition and business affairs as Lender may, from time to time, reasonably request, the parties hereby agreeing that it shall be reasonable for Lender at any time to request at a minimum (and without limitation of other materials which it may be reasonable for Lender to request from time to time) financial statements and information regarding loan and guaranty obligations and liens on assets for the Guarantors, the Tenant and/or Erickson.

(j) The Borrower shall cooperate with Lender in arranging for inspections by representatives of Lender or the Construction Inspector of the progress of construction from time to time.

8.4. Availability of Funds: Upon request by Lender, the Borrower will furnish Lender satisfactory evidence that funds necessary to complete the Project in excess of the proceeds of

the Loan (taking into account the revolving nature of the Loan) together with any required funds of the Borrower (including current and future loans to the Borrower from the Tenant) have been advanced by or are available to the Borrower.

8.5. Certifications, Licenses, Permits, etc.: The Borrower will obtain or cause to be obtained all certifications, licenses, permits and governmental approvals as may be necessary or required to complete the Project and furnish copies to Lender upon their receipt.

8.6. Notices: The Borrower will promptly give written notice to Lender of (i) all litigation in excess of \$100,000 (individually or in aggregate) affecting the Borrower, any of the Guarantors, the Tenant, or any aspect of the Project, (ii) all complaints and charges made by any governmental authority having jurisdiction over the Project which may delay the construction of the Improvements, require material changes in the Plans and Specifications or otherwise impair the security granted to Lender, (iii) any condition or event which constitutes (or which, with the giving of notice or lapse of time, or both, would constitute) an Event of Default, and (iv) any material adverse change in the financial condition of Borrower or any of the Guarantors.

8.7. Payment of Obligations: The Borrower will pay and discharge (or cause to be paid and discharged) at or before maturity all of its material obligations and liabilities, including (without limitation) tax liabilities, and will pay or cause to be paid all costs and expenses of constructing and equipping the Improvements, and claims for labor, materials, and supplies that, if unpaid, might become liens on the Property, except such as are being contested in good faith by appropriate proceedings. The Borrower will maintain in accordance with generally accepted accounting principles appropriate reserves for the accrual of any such obligations and liabilities.

8.8. Further Assurances: Upon request by Lender, the Borrower shall do (or cause to be done) any act or execute (or cause to be executed) any additional documents (including, but not limited to, security agreements and financing statements on any personalty included or to be included in the Property) as may be reasonably required by Lender to confirm the lien and security interest of the Deed of Trust or any other Loan Documents.

8.9. Sale of Assets, Consolidation, Merger, Etc.: Except for transactions exclusively between members of the Borrower/Guarantor Group and Tenant and except as otherwise specifically permitted in the Loan Documents, neither the Borrower nor any of the Guarantors nor the Tenant, shall (a) sell, lease, transfer or otherwise encumber or dispose of a material portion of its properties or assets, other than (i) transfers made by Developer in connection with the financing or disposition of any other continuing care retirement communities in the ordinary course of its business, (ii) arms' length leases entered into in the normal course of business at Wind Crest Community or other retirement communities with banks, beauticians or other service providers contemplated to be a part of the overall community development, or a sale and leaseback of any property on which a community is being developed, which sale/leaseback is for financing purposes (iii) easements or other encumbrances necessary for the development of Wind Crest Community or other retirement communities which do not represent an economic obligation on the part of the Borrower or Guarantors and which do not impair the value of the property on which they are granted, (iv) disposal of worn out or obsolete assets which are replaced at the time of disposal with assets of equal or greater value; and (v) liens filed against the Property by the Colorado Commissioner of Financial Services pursuant to C.R.S. § 12-13-

106 so long as such liens are subordinate to the lien of the Deed of Trust; (b) consolidate with or merge into any other entity, or permit another entity to merge into it, or acquire all or substantially all the properties or assets of any other person or entity; (c) (clause intentionally deleted); or (d) cause or permit any change in the name of, or the ownership of member interests in, the Borrower or any Guarantors or the Tenant, or any change in the management of the Borrower (but Borrower shall give Lender notice of any changes in the management of the Guarantors or the Tenant or the change in the identity of the Manager), or in the manner in which the business or operations of the Borrower, any of the Guarantors or the Tenant is conducted.

8.10. Distributions, Etc: Except for transactions exclusively between members of the Borrower/Guarantor Group and as otherwise permitted in this Agreement, neither the Borrower nor any of the Guarantors will, without Lender's prior written consent, pay any income, bonuses, profits, dividends, salaries or fees to, or make any distribution of cash or property to, any members of the Borrower or any of the Guarantors or affiliates thereof (including other entities in which the Borrower or any of the Guarantors owns an interest); provided, however, that so long as no Default shall have occurred and be continuing or would be created by any such distribution, and provided the Borrower sends Lender a separate written notice (i.e., separate from financial statements or other reporting requirements under the Loan Documents) and supplies Lender with all information reasonably requested by Lender with respect to the following items prior to any payments or distributions being made under this Section 8.10: (a) the Borrower and the Guarantors may make distributions out of cash flow to each of their members in an amount equal to the federal, state and local tax liability of such member arising out of its stock, partnership or membership interest in the Borrower or the Guarantors so long as (i) prior to the payment of any such distribution, Lender shall have received and approved (which approval shall not be unreasonably withheld) of the Borrower's written calculation of such tax liability and (ii) such distribution is paid by the Borrower or the Guarantors within thirty (30) days of the date on which such tax liability is due and payable; (b) the Borrower may make development distributions to its members calculated as five percent (5%) of Initial Entrance Deposits for each Residential Construction Phase, or, in the event the Guarantors are no longer members of the Borrower, amounts equal to such development distribution may be paid as a development fee under the Development Agreement, but no such development distributions or fees (collectively "Development Distributions") shall be paid in advance of the following schedule: after the completion of any Residential Construction Phase which achieves an occupancy of ninety-five percent (95%), one-half (1/2) of the Development Distribution for each Residential Construction Phase (including Residential Construction Phases built prior to Construction Phase RB2.1) shall be paid, and the remaining one-half (1/2) of such Development Distribution shall be paid when such Residential Construction Phase achieves an occupancy of ninety-eight percent (98%); (c) subject to the provisions of Section 8.18 hereof, and to the other provisions of the Loan Documents, payments may be made to Erickson in accordance with agreements previously approved by Lender and set forth on Schedule XIII attached hereto; and (d) so long as Developer is in compliance with the Liquidity Covenant set forth in Section 8.18, Developer may make distributions at its discretion. Notwithstanding the foregoing provisions of this Section 8.10, the Borrower and the Guarantors shall be permitted at all times, both prior to and after the occurrence of a Default, to pay salaries and other forms of employment compensation (e.g. bonuses, 401(k) payments, etc.) to individuals who are members of the Borrower and the Guarantors, provided the amounts thereof are reasonable, prior to the occurrence of a Default, and provided the amounts thereof are approved in advance by Lender in

writing after the occurrence of a Default. Except for amounts permitted to be paid under the terms of this Section 8.10, at the times and in the amounts permitted hereunder, neither Erickson Retirement Communities, LLC or Erickson Group, LLC shall be owed any amounts by the Borrower or any of the Guarantors during the term of the Loan, except as otherwise permitted by the terms of Section 8.11(c) of this Agreement.

8.11. Additional Debt: Except for transactions exclusively between members of the Borrower/Guarantor Group, the Borrower shall not incur, create, assume or permit to exist any obligation or obligations for money borrowed or other indebtedness or debt obligations of any type other than (a) the Loan described herein or other obligations in favor of Lender; (b) loans made pursuant to the terms of the Community Loan Documents; (c) loans from members, provided repayment of such loans is subordinated to repayment of the Loan to Lender under the terms of the Loan Documents; and (d) trade debt of the Manager incurred in the ordinary course of business; without first giving Lender prior written notice thereof and answering any reasonable inquiries made by Lender with respect to the details of such activity in order to permit Lender to determine, among other matters, whether Lender would consider such activity an Event of Default under Section 9.1(o) of this Agreement. Notwithstanding the above or any other provision of this Agreement to the contrary, during the Loan term, the Borrower will not incur any additional indebtedness which is not expressly subordinate to the Loan on terms acceptable to Lender, nor will it allow any additional liens on any of its assets.

8.12. Guaranties: Except for (a) transactions exclusively between members of the Borrower/Guarantor Group, (b) the endorsing of checks or other instruments for deposit or collection in the ordinary course of business by the Borrower and the Guarantors, and (c) the guaranteeing of loans in favor of Lender and loans permitted under Section 8.11, the Borrower shall not endorse, guarantee or become surety for the obligation of any person or entity without first giving Lender prior written notice thereof and answering any reasonable inquiries made by Lender with respect to the details of such activity in order to permit Lender to determine, among other matters, whether Lender would consider such activity an Event of Default under Section 9.1(o) of this Agreement.

8.13. Acquisitions: The Borrower shall not acquire any new business or any interest in any new business or any real estate (including entering into any leases or other arrangements for new or additional locations) or make any investment of any kind in any other entity, including, but not limited to, asset or stock acquisition, or undertake any other construction project, (including any new retirement community, but excluding normal repairs and maintenance to existing structures), without first giving Lender prior written notice thereof and answering any reasonable inquiries made by Lender with respect to the details of such activity in order to permit Lender to determine, among other matters, whether Lender would consider such activity an Event of Default under Section 9.1(o) of this Agreement.

8.14. Loans: Except for transactions exclusively between members of the Borrower/Guarantor Group, neither the Borrower nor any of the Guarantors shall make loans to any person or entity for any purpose except for (a) loans made to members of the Borrower or the Guarantors during any fiscal year in amounts not exceeding the amount of the anticipated, permitted distributions to be made to such member during such fiscal year less the amount of all

actual distributions so made at any time; and (b) loans to the Tenant under the Working Capital Loan Documents.

8.15. Intentionally Deleted:

8.16. Intentionally Deleted:

8.17. Fees of Construction Inspector: The Borrower will pay all fees of any Construction Inspector retained by Lender in connection with the Loan, which fees will typically be \$1,500, more or less, per disbursement request.

8.18. Liquidity Covenant: At all times until the Guaranteed Obligations have been fully satisfied, Borrower shall cause Developer to maintain liquidity in an amount equal to the minimum sum of \$24,000,000.00 plus an additional amount equal to \$7,500,000.00 for each new retirement community (in excess of four (4)) sponsored by Developer under construction during the term of the Loan and for which such construction is being financed by bank construction financing or its equivalent (excluding bond financing). For purposes of this Guaranty, "liquidity" means unencumbered and unrestricted cash and readily marketable securities (including both debt and equity instruments). At Lender's request, Borrower agrees to cause Developer to provide a written schedule identifying such Liquid Assets and location of deposit.

8.19. Entrance Deposits: All Entrance Deposits shall at all times be received, held and disbursed by the Manager, the Escrow Agent, the Tenant and the Borrower in compliance with the provisions of this Section 8.19. All Entrance Deposits (including each and every portion thereof) paid or delivered to the Tenant or the Manager shall be delivered by them to the Escrow Agent within two (2) Business Days of delivery of any check, money order or other medium of payment by a Resident to either the Manager or the Tenant. The Escrow Agent shall hold each Resident's Entrance Deposit in accordance with the terms of the Residence and Care Agreements. At such time as each Entrance Deposit is payable to the Tenant, the Escrow Agent shall, on a semi-monthly basis, disburse such Entrance Deposit (with the Tenant's prior authority and approval, as an advance under the Community Loan Agreement) directly to the Borrower Collateral Account. All amounts in the Borrower Collateral Account shall, on the fifteenth (15th) and thirtieth 30th days of each calendar month, be applied by Lender to repayment of the Loan. Notwithstanding the foregoing, (a) Lender may at any time following the occurrence of any Event of Default, apply any and all funds in the Borrower Collateral Account to payment of the Loan; (b) the Borrower may accept an assignment from the Tenant of promissory notes from Residents in lieu of cash advances under the Community Loan Documents, and Lender will in turn accept an assignment of such promissory notes and the payments made thereunder in lieu of payments which would otherwise be required under the Note for Units paid for in cash, provided that no such note may have a maturity longer than one (1) year, and the aggregate of all notes with a maturity in excess of thirty (30) days shall not exceed \$1,500,000 without the prior written consent of Lender.

8.20. Developer's Fee. No development fee or distribution may be paid or made by the Borrower except in accordance with the provisions of Section 8.10(b) of this Agreement.

8.21. Compliance With Laws, Agreements: The Borrower shall comply, and shall cause the Tenant, the Manager and all other persons or entities involved in the construction, leasing, operation or management of Wind Crest Community to comply, with all laws, rules and regulations applicable to such activities, including all licensing laws of the State of Colorado, and with the provisions of all material agreements relating to reimbursement for care and services provided to Residents of Wind Crest Community.

8.22. Delivery of Documents: The Borrower shall deliver or cause to be delivered to Lender copies of all Medicare/Medicaid participation agreements, third party payor agreements, transfer agreements and other agreements of any kind relating to provision of care and services to Residents of Wind Crest Community, promptly upon execution thereof.

8.23. Bank Accounts: All of the Bank Accounts shall at all times be maintained with and on the books of Account Bank. No party other than Lender shall have any right of access to any of the Bank Accounts, all of which shall be and remain at all times under the exclusive dominion and control of Lender, and no withdrawals may be made from any of the Bank Accounts except with prior written consent of Lender; provided, however, that Lender's rights with respect to any of the Bank Accounts belonging to the Tenant shall be limited to the rights of the Borrower with respect thereto (all of which rights shall be reassigned by the Borrower to Lender), except where a grant of rights to the Borrower expressly states that reassignment of such rights to the Borrower's lender is not subject to such a limitation. All of the Bank Accounts and Borrower's interest in the WC Operating Account shall be pledged to Lender as collateral for the Loan (such pledge with respect to any of the Bank Accounts belonging to the Tenant being an assignment to Lender of the Borrower's rights in such account as collateral for the Tenant's obligations to the Borrower). The Lender hereby agrees that prior to the occurrence of a Default under the Loan Documents, Lender will disburse from the Lockbox Account monthly within forty-eight (48) hours of receipt by Lender of a certification by the Borrower as to the proper amounts thereof, all amounts which would, in the absence of the Loan Documents, be disbursed to the Borrower Operating Account and the WC Operating Account under the terms of the Lockbox Account Agreement, but if Lender fails to do so the parties to the Lockbox Account Agreement shall nevertheless still not have any access to the Lockbox Account. Notwithstanding the foregoing provisions of this Section 8.23, Lender hereby grants to the Borrower a revocable license to withdraw funds from the Borrower Operating Account prior to the occurrence of a Default under the Loan Documents for payment of business expenses incurred in the ordinary course, subject, however, to approval in advance by Lender as regards the Borrower Operating Account, only. Such license shall terminate (as to the Borrower Operating Account automatically upon the occurrence of a Default under the Loan Documents, after which Lender shall once again have sole right of access to the Borrower Operating Account. Each of the Bank Accounts shall be titled in the name of Lender as trustee for itself and the other parties in interest to such Bank Accounts. Unless Tenant is in default under the Working Capital Loan Documents, Tenant may withdraw funds from the WC Operating Account subject to the provisions of this Agreement. The provisions of this Section 8.23 shall supersede and control over any other contrary or conflicting provisions of the Loan Documents with respect to the Bank Accounts. The Borrower shall cause all parties to the Bank Accounts to agree to the provisions of the Loan Documents with respect thereto, including the provisions of Section 8.19 of this Agreement. Notwithstanding the foregoing, if any collateral for the Loan consists of Deposit Accounts (as defined by the Colorado Uniform Commercial Code – Secured

Transactions) of the Borrower (which are not Bank Accounts) or of another party which have been pledged in favor of Borrower, Borrower shall advise Lender in writing of the creation of such accounts within 30 days and shall obtain and/or deliver to Lender a control agreement, in form reasonably satisfactory to Lender.

8.24. Flow of Funds. All Entrance Deposits and Monthly Fees paid by the Residents of Wind Crest Community shall be received, held, disbursed and applied in accordance with the charts attached hereto as Schedule XIV labeled "Flow of Entrance Deposits," and Schedule XV labeled "Flow of Monthly Fees."

8.25. Transfer Agreements. Prior to occupancy of any Units in Wind Crest Community, and continuing during the term of the Loan, Borrower shall provide to Lender copies of transfer agreements with other local nursing homes and hospitals, in form and substance satisfactory to Lender, evidencing arrangements necessary to accommodate the skilled nursing and acute care needs of the Residents of Wind Crest Community, taking into account the number of approved and available nursing home beds at Wind Crest Community from time to time.

8.26. Final Lien Waivers. Final lien waivers for each Construction Phase shall be submitted within thirty (30) days following the date of making of the final disbursement for such Construction Phase.

8.27. Proceedings to Enjoin or Prevent Construction. If any proceedings are filed or are threatened to be filed seeking to (a) enjoin or otherwise prevent or declare invalid or unlawful the construction, occupancy, maintenance or operation of the Project or any portion thereof; (b) adversely affect the validity or priority of the liens and security interests granted to Lender hereby; or (c) adversely affect the financial condition of the Borrower or any of the Guarantors or the ability of the Borrower to complete the Project, then the Borrower will notify Lender of such proceedings and within fifteen (15) Business Days following Borrower's notice of such proceedings, the Borrower will cause such proceedings to be vigorously contested in good faith, and in the event of an adverse ruling or decision, prosecute all allowable appeals therefrom. Without limiting the generality of the foregoing, the Borrower will resist the entry or seek the stay of any temporary or permanent injunction that may be entered, and use its best efforts to bring about a favorable and speedy disposition of all such proceedings.

8.28. Excess Indebtedness. The Borrower agrees to pay to Lender on demand the amount by which the total obligations hereunder (excluding interest due and paid in the ordinary course as provided for herein), at any time, may exceed the total amount of the Loan advanced to the Borrower in accordance with the terms of the Loan Documents.

8.29. Compliance with Covenants. The Borrower will comply with all recorded or other covenants affecting the Property.

8.30. Prohibition Against Additional Recordings. Except for liens contemplated by C.R.S. § 12-13-106, the Borrower will not record or permit to be recorded any document, instrument, agreement or other writing against the Land or Improvements without the prior written consent of Lender.

8.31. Total Number of Projects. The Guarantors (directly or through subsidiaries and affiliates thereof) shall not at any time have, in the aggregate, more than sixteen (16) continuing care retirement communities or similar projects which are either under construction or financed with debt that is not deeply subordinated in the same manner as the Developer's subdebt.

ARTICLE IX

DEFAULT; REMEDIES

9.1. Default: An Event of Default shall be deemed to have occurred under this Agreement upon the occurrence of any one or more of the following events:

(a) The Borrower fails to make any payment of principal or interest under the Note or this Agreement within five (5) days after the due date thereof, including any payment required by the acceleration and/or mandatory prepayment provisions of the Note;

(b) Any representation or warranty made by the Borrower, any of the Guarantors, the Tenant, or any other person or entity acting on behalf of any of the foregoing entities in any writing furnished to Lender in connection with the Loan or this Agreement shall be (i) intentionally false or misleading or (ii) false or misleading in any material respect (whether or not intentional) as to any fact or circumstance which Lender deems to have been material to its overall decision to extend credit, such materiality to be tested with reference to the date as of which such representation or warranty was made or deemed to have been made;

(c) The Borrower, any of the Guarantors, the Tenant or any other party thereto defaults in the performance or observance of any agreement, covenant, or condition set forth in this Agreement or any of the other Loan Documents which agreement, covenant or condition is not specifically referred to in any other paragraph of this Section 9.1, which default is not cured in full within a reasonable time but in no event to exceed thirty (30) days after Lender gives the defaulting party written notice thereof; provided, however, that Lender may, in its sole discretion, extend the cure period for any default upon the reasonable request of the defaulting party, in the event that the default cannot be cured within the time set forth in this Agreement and the defaulting party is diligently pursuing cure of the default;

(d) An Event of Default (if so defined) shall occur under any of the other Loan Documents, which shall not be cured in full within the time therein permitted;

(e) Failure by the Borrower to cause any Construction Phase of the Project to achieve Substantial Completion on or before its Completion Date, subject to an extension of up to sixty (60) days for failure caused by strike, war, acts of God, casualty or other act or omission beyond the Borrower's reasonable control to remedy or overcome, not including lack of funds (as long as Lender is in compliance with its funding obligations under this Agreement);

(f) Failure by the Borrower to cause all Phases in any Neighborhood to achieve Final Completion on or before the Final Completion Date of the last Phase in such Neighborhood;

(g) Any survey required by Lender during the period of construction shows any matters deemed by Lender to be materially adverse, in Lender's reasonable judgment, which matters have not previously been approved by Lender and such matters are not approved or removed within thirty (30) days after notice thereof by Lender to the Borrower; provided, however, that Lender may, in its sole discretion, extend the cure period upon the reasonable request of the Borrower, in the event such matters cannot be removed within thirty (30) days and the Borrower is diligently pursuing removal of such matters;

(h) Suspension of work on any Construction Phase of the Project for which work has commenced for a period in excess of thirty (30) days (except for suspensions caused by strike, war, acts of God, casualty or any other act or omission beyond the Borrower's reasonable control to remedy or overcome, not including lack of funds as long as Lender is in compliance with its funding obligations under this Agreement), or the reasonable determination by Lender given in writing to the Borrower that regardless of the cause of any suspensions, the Improvements in such Construction Phase cannot be completed on or before such Construction Phase's Completion Date;

(i) Failure by the Borrower to satisfy any conditions of its right to receive a disbursement hereunder for a period in excess of thirty (30) days from the date the requisition therefor is received by Lender;

(j) Any violation of the provisions of Sections 8.9, 8.11, 8.12, 8.13, 8.14, 8.19, 8.23, or 8.31 of this Agreement;

(k) Any violation of the provisions of Sections 8.4, 8.10 and 8.28 which are not cured within thirty (30) days after the occurrence of such violation and any violation of Section 8.30 which is not cured within fifteen (15) days after Lender gives Borrower written notice thereof;

(l) the entry of one or more judgments in excess of \$250,000 in the aggregate against the Borrower, any of the Guarantors or the Tenant and the failure to satisfy such judgment within thirty (30) days (either by payment or by the filing of a supersedeas bond) unless such judgment has been appealed in good faith and the legal effect of such appeal is to stay the obligation to satisfy such judgment until resolution of the appeal;

(m) The Borrower executes a chattel deed of trust or other security agreement with respect to any materials, fixtures or articles used in the construction or equipment of the Improvements, or any such materials, fixtures or articles are purchased pursuant to any conditional sales contract or otherwise so that the ownership thereof will not vest unconditionally in the Borrower free from liens and security interests upon being made a part of the Project, and any such liens or security interests (including mechanics' liens) shall not be discharged or canceled within thirty (30) days;

(n) The Borrower, any of the Guarantors, or the Tenant petitions or applies to any court or tribunal for, or consents to, the appointment of, or taking possession of itself or of any substantial part of its assets by, a trustee, receiver, custodian, liquidator or similar official (all such actions being hereinafter referred to as "Receivership Actions"), or any such person or

entity commences any proceedings under United States or State bankruptcy laws (including reorganization, arrangement, and other debtor relief proceedings) now or hereafter in effect (collectively, "Bankruptcy Laws");

(o) A petition or application is filed in a Receivership Action or in an involuntary case under Bankruptcy Laws, or any Receivership Action or involuntary case under Bankruptcy Laws is otherwise commenced, against the Borrower, any of the Guarantors, or the Tenant and any of them by any act indicates its approval thereof or acquiescence therein; or an order for relief is entered against the Borrower, any of the Guarantors or the Tenant in an involuntary case under Bankruptcy Laws, as now or hereafter in effect; or an order, judgment, or decree is entered appointing any trustee, receiver, custodian, liquidator, or similar official in any Receivership Action against the Borrower, any of the Guarantors or the Tenant, and such order, judgment or decree remains unstayed and in effect for more than forty-five (45) days; or (regardless of whether an order for relief or other judgment or decree is entered) any petition or application against the Borrower, any of the Guarantors or the Tenant in a Receivership Action or in an involuntary case under Bankruptcy Laws is not dismissed within ninety (90) days of filing;

(p) The occurrence of any condition or situation which, in Lender's sole judgment, constitutes a material adverse change with respect to the Project, the Borrower, any of the Guarantors, the Manager, the Developer, the Tenant or the Loan, including, but not limited to, cost overruns which exceed the contingency allowances provided for in the Project Budget with respect to any Construction Phase of the Project by more than One Hundred Thousand Dollars and which costs overruns are not funded by additional equity from the Borrower.

(q) If at any time the number of Applicants certified pursuant to Section 4.3 of this Agreement falls below sixty-five percent (65%) of the Units in any one or more Residential Construction Phases for which Lender has advanced funds;

(r) The occurrence of any default, and expiration of any stated grace or cure period, or the occurrence of any Event of Default (so defined) pursuant to any of the Community Documents;

(s) At any time after the date on which a Certificate of Occupancy is issued for one or more Units in the First Residential Construction Phase, (i) the failure of the Tenant to move any one or more Residents into Continuing Care Units at an average rate (tested at all times cumulatively from the date on which such Certificate of Occupancy is issued) of at least ten (10) moves per month, or (ii) the failure of the Tenant to move any one or more Residents into Continuing Care Units within four (4) months of the date a Certificate of Occupancy for such Unit or Units has been issued and a Resident has made all financial arrangements necessary for such move and otherwise stands ready and willing to move into such Unit;

(t) The failure of the Tenant to make a loan in the full amount contemplated under the Community Loan Documents (excluding Entrance Deposits evidenced by notes) with respect to a Continuing Care Unit at the time a Resident occupies a Continuing Care Unit, whether or not such failure constitutes a default or Event of Default under the Community Loan Documents;

(u) The occurrence of any default, and expiration of any stated grace or cure period, or the occurrence of any Event of Default (so defined), in connection with any indebtedness of the Borrower, any of the Guarantors or the Tenant in excess of Two Hundred Fifty Thousand Dollars (\$250,000), individually or in the aggregate;

(v) Failure to provide evidence of all necessary regulatory approvals of the forms of Community Documents approved by Lender within one hundred eighty (180) days after the date of this Agreement;

(w) The occurrence of any default, and expiration of any stated grace or cure period, or the occurrence of any Event of Default (so defined), pursuant to any of the Subordinated Documents, including, but not limited to, the Borrower's Operating Agreement;

(x) Any reduction in the combined, unrestricted Liquid Assets of the Borrower and the Guarantors below Twenty Million Dollars (\$20,000,000) (as to which no cure period shall apply), or any reduction in the combined, unrestricted Liquid Assets of the Borrower and the Guarantors below Twenty-Four Million Dollars (\$24,000,000), or such greater amount as may be required by the provisions of Section 8.18 of this Agreement, which is not cured within the period provided in Section 9.1(c) above;

(y) The bankruptcy or insolvency of any Contractor or subcontractor performing work or supplying goods or materials in connection with any Construction Phase and either (i) in the case of the Contractor, failure of the Borrower to procure a replacement Contractor satisfactory to Lender within fifteen (15) days from the occurrence of such bankruptcy or insolvency, and in the case of a subcontractor, to procure a replacement subcontractor satisfactory to Lender within thirty (30) days from the occurrence of such bankruptcy or insolvency or (ii) the failure to provide evidence satisfactory to Lender that such bankruptcy or insolvency shall not have a materially adverse effect on the Loan or the Project;

(z) The existence of any collusion, fraud, dishonesty or bad faith by or with the acquiescence of the Borrower or any of the Guarantors which in any way relates to or affects the Loan or the Project;

(aa) The termination of the Construction Contract or the Architect's Agreement without Lender's prior written consent, unless the same is replaced within fifteen (15) days by an agreement or agreements acceptable to Lender;

(bb) Failure by the Borrower to make the deposit or to pay the costs and expenses in connection with the construction of the Project as required pursuant to the terms of Section 6.1; or

(cc) If the conditions for the final advance of the Loan for a Construction Phase set forth in Article V are not complied with prior to the Completion Date.

9.2. Remedies: Upon the occurrence of any curable Default, the obligation of Lender to make any further disbursements under the Loan shall be suspended pending cure of such Default. Upon the occurrence of any Event of Default, the obligation of Lender to make any further disbursements under the Loan shall terminate. Lender may, upon the occurrence of an

Event of Default, at the sole option of Lender and without further notice or demand, declare the Note to be immediately due and payable in full, together with all interest accrued thereon, without presentment, demand, protest or notice, all of which the Borrower hereby waives. Upon such declaration, Lender may proceed to exercise any and all remedies available to Lender under this Agreement, the other Loan Documents, or under applicable law, all of which rights and remedies shall be cumulative and may be exercised concurrently. The Borrower hereby acknowledges and agrees that Lender shall be entitled to pursue any of the remedies set forth in Schedule XVI attached hereto, in addition to any and all remedies available under the Loan Documents or under applicable law.

9.3. Completion of Improvements: Upon the occurrence of an Event of Default and notice thereof to the Borrower, Lender may, in addition to any other remedies available to it and in the sole discretion of Lender, (i) enter upon the Land and complete the Improvements in accordance with the Plans and Specifications with such changes therein as Lender may deem appropriate, and employ watchmen to protect the Property, (ii) at any time discontinue any work commenced in respect of the Project, (iii) assume any or all contracts covered by the Assignment of Project Documents or any other contracts made by the Borrower relating to the construction or equipping of the Improvements and take over and use all or any part of the labor, materials, supplies and equipment contracted for by the Borrower, (iv) engage builders, contractors, and others for the purpose of furnishing labor, materials and equipment in connection with the Project, and (v) pay, settle or compromise all bills or claims that may become liens against the Property. The Borrower shall be liable to Lender for all sums paid or incurred by Lender to construct and equip the Improvements whether the same shall be paid or incurred pursuant to the provisions of this Section 9.3 or otherwise, and all payments made or liabilities incurred by Lender hereunder of any kind whatsoever shall be paid by the Borrower to Lender upon demand with interest at the rate provided in the Note. For the purpose of exercising the rights granted by this Section, the Borrower hereby irrevocably constitutes and appoints Lender its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and to do and perform any acts in the name and on behalf of the Borrower.

9.4. Jurisdiction and Venue. In any action brought by Lender under this Agreement, the Borrower consents to the exercise of personal jurisdiction over it by the courts of the State of Colorado and agrees that venue shall be proper in any County of the State of Colorado in addition to any other court where venue may be proper. The Borrower waives and releases, to the extent permitted by law, all errors and all rights of exemption, appeal, stay of execution, inquisition and extension upon any levy on real estate or personal property to which the Borrower may otherwise be entitled under the laws of the United States of America or of any State or Possession of the United States of America now in force or which may hereafter be passed, as well as the benefit of any and every statute, ordinance, or rule of court which may be lawfully waived conferring upon the Borrower any right or privilege of exemption, stay of execution, or supplementary proceedings, or other relief from the enforcement or immediate enforcement of a judgment or related proceedings on a judgment; provided, however, that the foregoing waiver does not extend to the Borrower's rights (if any) under applicable rules to file a motion to open, vacate or modify a judgment by confession in good faith and within the timeframes permitted by such rule, which rights the Borrower does not waive. The authority and power to appear for and enter judgment against the Borrower shall be exercisable concurrently in one or more jurisdictions and shall not be exhausted or extinguished by one or more exercises

thereof, or by any imperfect exercise thereof or by any judgment entered pursuant thereto. Such authority and power may be exercised on one or more occasions, from time to time, in the same or different jurisdictions, as often as Lender shall deem necessary or desirable.

ARTICLE X

MISCELLANEOUS

10.1. Expenses: The Borrower agrees, whether or not the transactions herein contemplated shall be consummated, to pay and save Lender harmless against liability for the payment of all reasonable expenses arising in connection with such transactions, including all stamp and other taxes (including tangible personal property taxes) which may be payable in respect of the execution and delivery of any of the Loan Documents, or the execution, delivery, filing or recording of the Deed of Trust and financing statements relating thereto, and any and all supplements and/or modifications thereto, and all fees and expenses of counsel for Lender in connection herewith (including legal fees and any other fees incurred by Lender subsequent to Closing in connection with the disbursement, renewal or collection of the Loan). The Borrower's obligation under this Section 10.1 shall survive the transfer of the Loan by Lender and the payment of all indebtedness hereunder.

10.2. Nonassignability by Borrower:

(a) The Loan may not be assigned by the Borrower without the consent of Lender. Neither the Loan nor any advances hereunder shall be subject to the process of any court upon legal action by or against the Borrower, or by or against anyone claiming under or through the Borrower. For the purposes of this Agreement, the Loan shall remain in the custody of Lender until the Borrower complies with each and all of the provisions hereof; provided, however, that nothing herein contained shall be considered as in anywise modifying, affecting or subordinating the obligations heretofore given or to be given by the Borrower as security for the Loan and the same shall be and remain in full force and effect, this Agreement being intended only as additional security and protection for the Loan and to assure its use for the purposes intended by Lender and the Borrower.

(b) Borrower acknowledges that Lender may, at its option, sell participation interests in the Loan to other participating banks or Lender may (but shall not be obligated to) assign, in whole or in part, its interest in the Loan to its affiliates, or to other assignees (the "Assignee"). In the event Lender elects to sell participation interests or assign interests in the Loan, the terms of Schedule XIX shall be applicable and shall constitute a part of this Agreement. Borrower agrees with each present and future participant in the Loan or Assignee of the Loan that if an Event of Default should occur, each present and future participant or Assignee shall have all of the rights and remedies of Lender with respect to any amount due from Borrower pursuant to the Loan Documents. The execution by a participant of a participation agreement with Lender, and the execution by Borrower of this Agreement, regardless of the order of execution, shall evidence an agreement between Borrower and said participant in accordance with the terms of this Section. Notwithstanding the foregoing, Lender agrees that in connection with any sale of participation interests or the assignment of portions of Lender's interest in the Loan, all remedies under this Agreement shall be exercised by Lender as agent (or

by some other party designated as agent) on behalf of all such holders of the portions of the Loan.

10.3. No Partnership, Joint Venture, Agency: The Borrower and Lender acknowledge that the relationship between them created hereby and by the other Loan Documents is that of debtor and creditor and is not intended to be and shall not in any way be construed to be that of a partnership, joint venture, or principal and agent; and that the activities of Lender in connection with the construction and equipment of the Improvements and disbursement of the Loan shall not be deemed to make Lender a partner, joint venturer, or principal or agent of the Borrower, but rather shall be deemed solely for the purpose of protecting the security granted to Lender for the Loan.

10.4. Financing Sign on Property, Publicity: The Borrower agrees that Lender may, at Lender's expense, place signs at the Property at any locations selected by Lender and approved by Borrower, which approval shall not be unreasonably withheld by the Borrower, until completion of construction of the Project, and to prepare and furnish news releases at any time to the news media or any other publications selected by Lender advertising the fact that financial assistance for the Project has been obtained from Lender.

10.5. Notices: All notices, requests and demands upon the respective parties hereto shall be deemed to have been given or made when delivered against hand receipt or five (5) days after deposit in the United States mail, postage prepaid, and addressed as follows:

10.6. WAIVER OF JURY TRIAL: THE BORROWER AND LENDER HEREBY VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THE LOAN, THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. THIS WAIVER APPLIES TO ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS AND PROCEEDINGS, INCLUDING PARTIES WHO ARE NOT PARTIES TO THIS AGREEMENT. THIS WAIVER IS KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY MADE BY THE BORROWER AND LENDER WHO ACKNOWLEDGE THAT THEY HAVE BEEN REPRESENTED IN THE EXECUTION OF THIS AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF THEIR OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL. THE BORROWER AND LENDER FURTHER ACKNOWLEDGE THAT THEY HAVE READ AND UNDERSTAND THE MEANING AND RAMIFICATIONS OF THIS WAIVER PROVISION.

10.7. Lender Consent Rights; No Implied Waiver: No amendment or waiver of any provision of this Agreement or any other Loan Document, any of the Community Loan Documents, the Working Capital Loan Documents, or the Management Agreement and no consent with respect to any departure by the Borrower or any Guarantor therefrom, shall be effective unless the same shall be in writing and signed by Lender and the Borrower, and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

10.8. Survival of Agreements: All agreements, covenants, representations and warranties of the Borrower made in this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and the making of all disbursements hereunder, regardless of any investigation made by Lender.

10.9. Entire Agreement; Successors and Assigns; Time of the Essence: This Agreement and the other Loan Documents contain the entire terms of the agreement with respect to the Loan, and no representations, inducements, promises or agreements between the Borrower, and Lender not set forth herein or in the other Loan Documents shall be of any force or effect. This Agreement shall be binding upon and shall inure to the benefit of the Borrower, and Lender and their respective successors and assigns (provided, with respect to the Borrower, that such successors and assigns are permitted hereunder), whether so expressed or not. Time is of the essence under this Agreement.

10.10. Severability: In case any one or more provisions contained in this Agreement or the other Loan Documents should be deemed invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall in no way be affected or impaired thereby and shall be enforceable to the maximum extent permitted by law.

10.11. Descriptive Headings: The headings of the articles, sections and paragraphs of this Agreement are for the convenience of reference only, and are not considered to be a part hereof and shall not limit or otherwise affect any of the terms hereof.

10.12. Governing Law: This Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Colorado (excluding principles of conflicts of law), both in interpretation and performance; provided, however, that with regard to provisions involving the granting, perfection and enforcement of security interests in collateral, the law of the jurisdiction in which the collateral is located (or which otherwise applies to security interests in collateral) shall govern.

10.13. Waiver of Defenses: OTHER THAN CLAIMS BASED UPON THE FAILURE OF LENDER TO ACT IN A COMMERCIALY REASONABLE MANNER, THE BORROWER, ON BEHALF OF ITSELF AND ANY GUARANTOR, WAIVES EVERY PRESENT AND FUTURE DEFENSE (OTHER THAN THE DEFENSE OF PAYMENT IN FULL), CAUSE OF ACTION, COUNTERCLAIM OR SETOFF WHICH THE BORROWER MAY NOW HAVE OR HEREAFTER MAY HAVE TO ANY ACTION BY THE LENDERS IN ENFORCING THIS AGREEMENT, PROVIDED THAT LENDER ACT IN GOOD FAITH, THE BORROWER RATIFIES AND CONFIRMS WHATEVER THE LENDERS MAY DO PURSUANT TO THE TERMS OF THIS AGREEMENT. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE LENDERS GRANTING ANY FINANCIAL ACCOMMODATION TO THE BORROWER.

10.14. Discretion of Lender: Anything in the Loan Documents to the contrary notwithstanding, any approval or consent of Lender required to be obtained under the Loan Documents, and any other matter required to be acceptable to Lender or determined to be to Lender or Lender's satisfaction under the Loan Documents, or any other provision of the Loan Documents allowing Lender any discretion or imposing less than an absolute requirement on Lender shall be given, accepted or determined, or not, in Lender's or Lender's sole and absolute discretion, or shall otherwise be interpreted to permit the exercise of Lender's sole and absolute discretion, except where stated to be subject to Lender's "reasonable" discretion, in which case Lender's judgment with respect to such matter shall be reasonable.

10.15. Use of Certain Defined Terms: Certain defined terms are not used in this Agreement, but are nonetheless defined here for convenience and are used in the other Loan Documents with reference to the definitions contained herein. The fact that certain of the Bank Accounts are described by the name "Collateral Account" shall not alter the fact that each of the Bank Accounts has been pledged to Lender as collateral for the Loan on the terms set forth in the Loan Documents. The following defined terms used in this Agreement and in the other Loan Documents refer to both the account itself and all rights therein as related thereto, including all rights in and to all balances, rights of withdrawal, choses in action and proceeds: Bank Accounts,

Borrower Collateral Account, Lockbox Account, Development Fee Account, Borrower Operating Account, and WC Operating Account.

10.16. Approval of Community Documents. No approval by Lender, either express or implied, of the Community Documents or any amendments thereto, shall have the effect of making any provision thereof binding upon Lender unless Lender shall have joined as a party therein with the expressed intention of becoming bound thereby.

10.17. Schedules Incorporated. Schedules I through XVIII of this Agreement are hereby incorporated as a part of this Agreement as if fully set forth herein.

10.18. Execution in Counterpart, By Facsimile. The Loan Documents, including all amendments, extensions, modifications and restatements thereto approved by the parties, may be executed in counterparts, all of which taken together shall be deemed to constitute a single document, and may be delivered by facsimile (in addition to any other method of delivery), such delivery to be deemed completed upon receipt of such facsimile transmissions.

6. All governmental permits and licenses required by applicable law to construct, occupy and operate the Property and the Project have been validly issued and are in full force or, if the present stage of construction of the Project does not allow the issuance of all such permits and licenses, then as the construction progresses the Borrower shall promptly obtain such licenses and permits as and when they become available and the Borrower knows of no judicial or administrative proceeding in which groups, organizations or other persons are contesting the development, construction and/or use of the Project that would delay or prohibit the Project;

7. The storm and sanitary sewage disposal system, water system, drainage system and all mechanical systems of the Property do (or when constructed will) comply with all applicable laws, statutes, ordinances, rules and regulations, including, without limitation, all Environmental Requirements. The applicable environmental protection agency, pollution control board and/or other governmental agencies having jurisdiction of the Property have issued their permits for the construction, tap-on and operation of those systems required for the present stage of construction, and will do so as construction progresses for future Phases;

8. All utility, parking, access (including curb-cuts and highway access), construction, recreational and other permits and easements required for the construction and use of the Property have been granted and issued for the present stage of construction and will be issued as construction progresses for future Phases;

9. When completed in accordance with the Plans and Specifications, the Project will not encroach upon any building line, set back line, sideyard line, or any recorded or visible easement (or other easement of which the Borrower is aware or has reason to believe may exist) which exists with respect to the Property;

10. The Plans and Specifications have been or will be designed using generally accepted trade practices, including a provision for all improvements not on the Land which are required to be in place to make use of the Improvements;

11. In the aggregate, the Construction Contracts cover all labor, material and equipment required by the Plans and Specifications or necessary to complete the initial Phases of the Project;

12. The Loan, including interest rate, fees and charges as contemplated hereby, is a business loan; the Loan is an exempted transaction under the Truth In Lending Act, 12 U.S.C. §1601 et seq.; and the Loan does not, and when disbursed will not, violate the provisions of the usury laws of the State of Colorado, any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction, the Borrower or any property securing the Loan;

13. There are no leases for use or occupancy of any part of the Property other than as previously delivered to and approved by Lender; and

14. The Lease is in full force and effect; no defaults have occurred thereunder; except for sums due under the loan evidenced by the Community Documents, the Tenant has no right of set-off against payment of rent due thereunder; no events or circumstances exist which, with the passage of time or the giving of notice, or both, would constitute a default under the Lease; and enforcement of the Lease by the Borrower or by Lender pursuant to an exercise of Lender's rights under the Assignment of Rents and Leases of even date herewith given by the Borrower to Lender would be subject to no defenses of any kind.

LENDER REMEDIES UPON EVENT OF DEFAULT

1. **Remedies Conferred upon Lender.** Upon the occurrence of any Event of Default, Lender, in addition to all remedies conferred upon Lender by law and by the terms of the Note, the Deed of Trust and the other Loan Documents, may pursue any one or more of the following remedies concurrently or successively, it being the intent hereof that none of such remedies shall be to the exclusion of any others:

(a) Take possession of the Property and complete the construction and equipping of the Project and do anything required, necessary or advisable in Lender's sole judgment to fulfill the obligations of the Borrower hereunder, including the rights to avail itself of or procure performance of existing Construction Contracts, to let any contracts with the same contractors, subcontractors or others and to employ watchmen to protect the Property from injury. Without restricting the generality of the foregoing and for the purposes aforesaid, the Borrower hereby appoints and constitutes Lender as the Borrower's lawful attorney-in-fact with full power of substitution in the premises to perform the following actions following an Event of Default:

(i) to complete construction of the Project in the name of the Borrower;

(ii) to use unadvanced Loan proceeds or to advance funds in excess of the face amount of the Note to complete the Project;

(iii) to make changes in the Plans and Specifications which Lender deems necessary or appropriate to complete the Project;

(iv) to retain or employ new contractors, subcontractors, architects, engineers and inspectors;

(v) without inquiring into and without respect to the validity thereof, to pay, settle or compromise all existing bills and claims which may be liens, or to avoid such bills and claims becoming liens, against the Property or any portion of the Property or as may be necessary or desirable for the completion of the construction and equipping of the Project or for the clearance of title to the Property;

(vi) to prosecute and defend actions or proceedings in connection with the Property;

(vii) to take action and require such performance as Lender deems necessary or advisable under any of the bonds to be furnished hereunder and to make settlements and compromises with the surety or sureties thereunder, and in connection therewith, to execute instruments of release and satisfaction; and

(viii) to do any and every act which the Borrower might do in its own behalf with respect to the Property, it being understood and agreed that this power of attorney shall be a power coupled with an interest and cannot be revoked;

(b) Withhold further disbursement of the proceeds of the Loan and terminate any of its obligations to the Borrower;

(c) Declare the Note to be due and payable forthwith, without presentment, demand, protest or other notice of any kind, all of which Borrower hereby expressly waives;

(d) In addition to any rights of setoff that Lender may have under applicable law, Lender, without notice of any kind to the Borrower, may appropriate and apply to the payment of the Note or of any sums due under this Agreement any and all balances, deposits, credits, accounts, certificates of deposit, instruments or money of the Borrower then or thereafter in the possession of Lender; and

(e) Exercise or pursue any other remedy or cause of action permitted at law or in equity or under this Agreement or any other Loan Document, including, but not limited to, foreclosure of the Deed of Trust and enforcement of all Loan Documents.

2. Right of Lender to Make Advances to Cure Event of Defaults; Obligatory Advances. If the Borrower shall fail to perform any of its covenants or agreements herein or in any of the other Loan Documents contained, Lender may (but shall not be required to) perform any of such covenants and agreements, and any amounts expended by Lender in so doing, and any amounts expended by Lender pursuant to Section 1 hereof and any amounts advanced by Lender pursuant to this Agreement shall be deemed advanced by Lender under an obligation to do so regardless of the identity of the person or persons to whom said funds are disbursed. Loan proceeds advanced by Lender in the exercise of its judgment that the same are needed to complete the Project to protect its security for the Loan are obligatory advances hereunder and shall constitute additional indebtedness payable on demand and evidenced and secured by the Loan Documents.

3. Attorneys' Fees. The Borrower will pay Lender' reasonable attorneys' fees and costs in connection with the negotiation, preparation, administration and enforcement of this Agreement; without limiting the generality of the foregoing, if at any time or times hereafter Lender employs counsel for advice or other representation with respect to any matter concerning the Borrower, this Agreement, the Property or the Loan Documents or to protect, collect, lease, sell, take possession of, or liquidate any of the Property, or to attempt to enforce or protect any security interest or lien or other right in any of the Property or under any of the Loan Documents, or to enforce any rights of Lender or obligations of the Borrower or any other person, firm or corporation which may be obligated to Lender by virtue of this Agreement or under any of the Loan Documents or any other agreement, instrument or document, heretofore or hereafter delivered to Lender in furtherance hereof, then in any such event, all of the attorneys' fees arising from such services, and any expenses, costs and charges relating thereto (including reasonable attorneys' fees and time charges of attorneys

who may be employees of Lender or any affiliate of Lender shall constitute an additional indebtedness owing by the Borrower to Lender payable on demand and evidenced and secured by the Loan Documents.

4. No Waiver. No failure by Lender to exercise, or delay by Lender in exercising, any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies provided in this Agreement and in the Loan Documents are cumulative and not exclusive of each other or of any right or remedy provided at law or in equity. No notice to or demand on the Borrower in any case, in itself, shall entitle the Borrower to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of Lender to any other or further action in any circumstances without notice or demand.

5. Default Rate. From and after the date of any Event of Default until the date on which such Event of Default is cured or waived, interest on funds outstanding hereunder shall accrue at the Default Interest Rate and be payable on demand. The failure of Lender to charge interest at the Default Interest Rate shall not be evidence of the absence of an Event of Default or waiver of an Event of Default by Lender.

SCHEDULE XVII

INSURANCE

At all times while the Loan is outstanding, the Borrower will maintain, at its expense (and provide satisfactory evidence thereof to Lender) the following insurance coverages and policies with respect to the Mortgaged Property, which coverages and policies must be acceptable to Lender's insurance consultant in its sole discretion:

Prior to Substantial Completion

Builder's Risk Insurance. At all times that any amounts are guaranteed or owing by the Borrower under the Loan Documents and at all times during which structural construction, repairs or alterations are being made with respect to the improvements, the Borrower shall keep the Property insured for the benefit of the Borrower and Lender against loss or damage by all risks of loss to the Property customarily covered by so-called "All Risk" or "Special Perils Form" builder's risk policies as available in the insurance market at the Closing Date (and against such additional risks of loss as may be customarily covered by such policies after the Closing Date). Any Builder's Risk Insurance shall include an endorsement granting permission to occupy. Such insurance shall be written in amounts equal to the one hundred percent (100%) insurable replacement value of the Property (excluding land and foundations), or such other amount as may be approved by Lender. Such insurance shall be written in forms and by companies satisfactory to Lender, and the losses thereunder shall be payable to the Borrower and Lender, jointly. The policy or policies of such insurance shall, if requested by Lender, be delivered to and retained by Lender, and shall contain a standard lender clause showing the loss, if any, as payable to Lender and shall require the insurer to give Lender at least thirty (30) days' prior notice of its cancellation or non-renewal of the policy or policies. the Borrower shall provide Lender with receipt evidencing the payment of all premiums due on such policies. the Borrower shall give Lender prompt notice of any loss covered by such insurance, and Lender shall have the right (so long as no Event of Default has occurred) to adjust any loss covered by an insurance policy. All monies received as payment for a loss covered by an insurance policy ("Insurance Proceeds") shall be paid over to Lender to be applied, at the option of Lender, either to the prepayment of the indebtedness secured by the Deed of Trust or to the payment of other charges or expenses actually incurred by the Borrower in the restoration, reconstruction, repair, renovation or replacement of the Property. Such insurance shall cover at least the following perils: building collapse, fire, flood, hurricane, impact of vehicles and aircraft, lightning, malicious mischief, earth movement, terrorism, vandalism, water damage, and windstorm (earth movement and Flood shall have a sub-limit of not less than \$5,000,000 per occurrence and in the annual aggregate, or such other amount as is acceptable to Lender), and shall include loss of materials, equipment, machinery, and supplies which become part of the completed project whether on-site, in transit, or stored offsite; and, soft costs including coverage for loss of business income and/or rents due to delayed completion of the construction. Such insurance policy shall cover: (i) additional expense of demolition and increased cost of construction, including, without limitation, increased costs that arise from any changes in laws or other Legal Requirements with respect to such restoration in a minimum amount of \$1,000,000 or such other amount as is acceptable to Lender. Such insurance policy shall contain an agreed amount

endorsement or a coinsurance waiver and replacement cost value endorsement without reduction for depreciation and shall in no event be less than the outstanding balance of the Loan.

Borrower's Liability Insurance. the Borrower will at all times keep itself insured against liability for damages arising from any accident or casualty in or upon the Property by maintaining comprehensive general public liability insurance and excess liability coverage the minimum limits of which shall \$15,000,000 per occurrence and in the aggregate. Such insurance shall name the Lender as additional insured.

Contractors' Liability Insurance. During the construction of the improvements, the Borrower will cause the Contractor to obtain and keep in effect Commercial General Liability coverage, including products and completed operations, with no less than \$15,000,000 in limits per occurrence and in the annual aggregate and Automobile Liability insurance (including owned, hired and non-owned liability) with no less than \$15,000,000 in limits per occurrence. In addition Borrower shall ensure that all trade contractors provide similar liability insurance coverage with umbrella liability limits that are commensurate with the risks presented by their operations at the site as determined by the Contractor. All parties engaged in work on the Project or on any restoration of any portion of the Project shall maintain any Workers' Compensation and Employer's Liability insurance required by law in force for all workers on the job. A certificate of insurance shall be issued to Borrower and Lender, naming each as Additional Insured, and evidencing all insurance required in this Loan Agreement.

Architect's and Engineer's Professional Liability Insurance. Borrower shall cause third-party architects and engineers providing services to the project to provide Architect's and Engineer's professional liability insurance in at least the amount of \$1,000,000 per occurrence and aggregate, or such other amount as is acceptable to Lender.

Following Substantial Completion

Special Perils Property Insurance. Borrower shall maintain property insurance covering any improvements on the property against all risks of loss to the Property customarily covered by so-called "All Risk" or "Special Perils Form" policies as available in the insurance market at the Closing Date (and against such additional risks of loss as may be customarily covered by such policies after the Closing Date) (collectively, the "Special Perils Insurance"). Special Perils Insurance shall cover 100% of the insurable replacement cost value of the Improvements and shall cover at least the following perils: building collapse, fire, flood, hurricane, impact of vehicles and aircraft, lightning, malicious mischief, earth movement, terrorism, vandalism, water damage, and windstorm (Earth movement and Flood shall have a sub-limit of not less than \$5,000,000 per occurrence and in the annual aggregate, or such other amount as is acceptable to Lender). Special Perils Insurance shall also cover such other insurable perils as, under good insurance practices, other commercial property owners from time to time insure against for property and buildings similar to the Property in height, location, nature, type of construction, and use, ("Comparable Properties"). Each Special Perils Insurance policy shall cover the additional expense of demolition and increased cost of construction, including, without limitation, increased costs that arise from any changes in laws or other Legal Requirements with respect to such restoration in a minimum amount of \$1,000,000 or such other amount as is acceptable to Lender. Any Special Perils Insurance policy shall contain an agreed amount

endorsement or a coinsurance waiver endorsement and a replacement cost value endorsement without reduction for depreciation and shall in no event be less than the outstanding balance of the Loan.

Business Interruption. Borrower shall maintain business interruption income insurance for the Project in an amount of \$50,000,000 and containing a ninety day extended period of indemnity endorsement. Such insurance shall also include an agreed insurance amount endorsement waiving all co-insurance provisions.

Comprehensive Boiler and Machinery Insurance. Borrower shall maintain Comprehensive boiler and machinery insurance including property damage coverage and time element coverage in an amount equal to one hundred percent (100%) of the full replacement cost but not to exceed \$25,000,000, without deduction for depreciation, of the Project housing the machinery, if steam boilers, pipes, turbines, engines or any other pressure vessels are in operation with respect to the Project. Such insurance coverage shall include a "joint loss" clause if such coverage is provided by an insurance carrier other than that which provides the comprehensive "all risk" insurance described above.

Liability Insurance. Borrower shall maintain the following insurance for personal injury, bodily injury, death, accident and property damage (collectively, the "Liability Insurance"): public liability insurance, including commercial general liability insurance and umbrella liability insurance. Liability Insurance shall provide coverage of at least \$15,000,000 per occurrence and \$15,000,000 in the annual aggregate, per location. If any Liability Insurance also covers other location(s) with a shared aggregate limit, then the minimum Liability Insurance shall be increased to \$25,000,000. Liability Insurance shall include coverage for liability arising from premises and operations, elevators, escalators, independent contractors, contractual liability (including, without limitation, any liability assumed under any Leases), and products and completed operations. All Liability Insurance shall name Lender as an "Additional Insured" by an endorsement satisfactory to Lender.

Automobile Liability: Borrower shall maintain motor vehicle liability coverage for all owned, hired and non-owned vehicles used in connection with the operation of the Project containing a minimum per occurrence coverage amount of \$15,000,000 per occurrence.

Statutory Employees' Insurance. Borrower shall maintain workers' compensation and employers liability insurance as required by law and in accordance with all applicable Legal Requirements ("Statutory Employees' Insurance").

Fidelity. Borrower shall maintain a blanket fidelity bond against losses resulting from dishonest or fraudulent acts committed by (i) Borrower's personnel, and (ii) temporary contract employees or student interns.

Other Insurance. Borrower shall maintain such other insurance coverage as may be deemed necessary at any time during the term of the Loan and as shall be provided within such time periods as Lender may determine, in each case, in its commercially reasonable discretion.

All insurance policies shall have a term of not less than one year and shall be in the form and amount and with deductibles as, from time to time, shall be acceptable to Lender in its reasonable discretion. All such policies shall provide for loss payable solely to Lender and shall contain a standard "non-contributory mortgagee" endorsement or its equivalent relating, among other things, to recovery by Lender notwithstanding the negligent or willful acts or omissions of Borrower and notwithstanding (i) occupancy or use of the Project for purposes more hazardous than those permitted by the terms of such policy, (ii) any foreclosure or other action taken by Lender pursuant to the Security Instrument upon the occurrence of an Event of Default thereunder, or (iii) any change in title or ownership of the Project.

All insurance policies must be written by an insurance carrier with an A.M. Best rating of not less than A-. All liability insurance policies (including, but not limited to, general liability, professional liability and any applicable blanket and/or umbrella policies) must name "GMAC Commercial Mortgage Corporation and its successors and/or assigns as their interests may appear" as additional insureds, and all property insurance policies must name "GMAC Commercial Mortgage Corporation and its successors and/or assigns" as the named mortgage holder entitled to all insurance proceeds. Lender shall have the right, without Borrower's consent, by notice to the insurance company, to change the additional insured and named mortgagee endorsements in connection with any sale of the Loan. All insurance policies for the above required insurance must provide for thirty (30) days prior written notice of cancellation to Lender. The proceeds of any of the policies described above under the headings "Builder's Risk Insurance," "Special Perils Property Insurance," and "Comprehensive Boiler and Machinery Insurance" shall be payable by check and shall be payable jointly to Lender and Borrower and delivered to Lender, the check shall be endorsed to Lender by Borrower and such proceeds shall be applied by Lender, at its sole option, either (i) to the full or partial payment or prepayment of the Loan (without premium), or (ii) to the repair and/or restoration of the Improvements, Equipment and Inventory damaged or taken as more particularly described below. If the check for such proceeds is received by Borrower, it shall be held in trust for Lender and promptly delivered to Lender by Borrower with Borrower's endorsement to Lender.

Policies or binders, together with evidence of the above required insurance on ACORD Form 27 or 28 for property insurance and Acord 25 for liability insurance or their equivalents, must be submitted to Lender prior to setting the interest rate on the Loan.

With respect to insurance policies which require payment of premiums annually, not less than thirty (30) days prior to the expiration dates of the insurance policies obtained pursuant to this Agreement, Borrower shall pay such amount, except to the extent Lender is escrowing sums therefor pursuant to the Loan Documents. Not less than thirty (30) days prior to the expiration dates of the insurance policies obtained pursuant to this Agreement, originals or certified copies of renewals of such policies (or certificates evidencing such renewals) bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Lender of such payment, which premiums shall not be paid by Borrower through or by any financing arrangement, shall be delivered by Borrower to Lender at the address set forth in Section 10.7 hereof. Borrower shall not carry separate insurance, concurrent in kind or form or contributing in the event of loss, with any insurance required under this Section 5.5. If the limits of any policy required hereunder are reduced or eliminated due to a covered loss, Borrower shall pay the additional premium, if any, in order to have the original limits of insurance reinstated, or

Borrower shall purchase new insurance in the same type and amount that existed immediately prior to the loss.

If Borrower fails to maintain and deliver to Lender the original policies or certificates of insurance required by this Agreement, Lender may, at its option, procure such insurance and Borrower shall pay or, as the case may be, reimburse Lender for, all premiums thereon promptly, upon demand by Lender, with interest thereon at the Default Interest Rate from the date paid by Lender to the date of repayment and such sum shall constitute a part of the Loan.

The insurance required by this Agreement may, at the option of Borrower, be effected by blanket and/or umbrella policies issued to Borrower or to an affiliate of Borrower covering the Project and the properties of such affiliate; provided that, in each case, the policies otherwise comply with the provisions of this Agreement and allocate to the Project, from time to time, the coverage specified by this Agreement, without possibility of reduction or coinsurance by reason of, or damage to, any other property (real or personal) named therein. If the insurance required by this Agreement shall be effected by any such blanket or umbrella policies, Borrower shall furnish to Lender original policies or certified copies thereof, with schedules attached thereto showing the amount of the insurance provided under such policies which is applicable to the Project.

Neither Lender nor its agents or employees shall be liable for any loss or damage insured by the insurance policies required to be maintained under this Agreement; it being understood that (a) Borrower shall look solely to its insurance company for the recovery of such loss or damage, (b) such insurance company shall have no rights of subrogation against Lender, its agents or employees, and (c) Borrower shall use its best efforts to procure from such insurance company a waiver of subrogation rights against Lender. If, however, such insurance policies do not provide for a waiver of subrogation rights against Lender (whether because such a waiver is unavailable or otherwise), then Borrower hereby agrees, to the extent permitted by law and to the extent not prohibited by such insurance policies, to waive its rights of recovery, if any, against Lender, its agents and employees, whether resulting from any damage to the Project, any liability claim in connection with the Project or otherwise. If any such insurance policy shall prohibit Borrower from waiving such claims, then Borrower must obtain from such insurance company a waiver of subrogation rights against Lender.

If Borrower is in default of insurance requirements set forth in this Schedule XVII, Borrower appoints Lender as Borrower's attorney-in-fact, which appointment shall be deemed irrevocable and coupled with an interest, to cause the issuance of an endorsement of any insurance policy to bring Borrower into compliance herewith and, as limited above, at Lender's sole option, to make any claim for, receive payment for, and execute and endorse any documents, checks or other instruments in payment for loss, theft, or damage covered under any such insurance policy; provided, however, that in no event will Lender be liable for failure to collect any amounts payable under any insurance policy.

Notwithstanding the foregoing to the contrary, Lender agrees that Lender shall make the net proceeds of insurance or condemnation (after payment of Lender's reasonable costs and expenses) available to Borrower for Borrower's repair, restoration and replacement of the Improvements, Equipment and Inventory damaged or taken if the following conditions are met:

the aggregate amount of all such proceeds shall not exceed the aggregate amount of all such Loan.

(a) at the time of such loss or damage and at all times thereafter while Lender is holding any portion of such proceeds, there shall exist no Default or Event of Default.

(b) the improvements, equipment, and inventory for which loss or damage has resulted shall be capable of being restored to their preexisting condition and utility in all material respects with a value equal to or greater than that which existed prior to such loss or damage and such restoration shall be capable of being completed prior to the earlier to occur of (i) the expiration of business interruption insurance as determined by the Inspector or (ii) the Maturity Date;

(c) within thirty (30) days from the date of such loss or damage Borrower shall have given Lender a written notice electing to have the proceeds applied for such purpose;

(d) within sixty (60) days following the date of notice under the preceding subsection (d) and prior to any proceeds being disbursed to Borrower, Borrower shall have provided to Lender all of the following:

(i) complete Plans for restoration, repair and replacement of the Improvements, Equipment and Inventory damaged to the condition, utility and value required by subsection (c) above,

(ii) builder's risk insurance for the full cost of construction with Lender named under a standard mortgagee loss-payable clause,

(iii) such additional funds, as in Lender's reasonable opinion are necessary, to complete such repair, restoration and replacement, and

(iv) copies of all permits and licenses necessary to complete the work in accordance with the Plans;

(e) Lender may, at Borrower's expense, retain an independent inspector to review and approve Plans and completed construction and to approve all requests for disbursement, which approvals shall be conditions precedent to release of proceeds as work progresses;

(f) no portion of such proceeds shall be made available by Lender for architectural reviews or for any purpose which is not directly attributable to the cost of repairing, restoring or replacing the Improvements, Equipment and Inventory for which a loss or damage has occurred unless the same is covered by such insurance;

(g) Borrower shall diligently pursue such work and shall complete such work prior to the earlier to occur of the expiration of business interruption insurance or the Maturity Date;

(h) each disbursement by Lender of such proceeds and deposits shall be funded subject to the conditions and in accordance with the terms hereof;

(i) Lender shall have a first lien and security interest in all building materials and completed repair and restoration work and in all fixtures and equipment acquired with such proceeds, and Borrower shall execute and deliver such mortgages, deeds of trust, security agreements, financing statements and other instruments as Lender shall request to create, evidence, or perfect such lien and security interest; and

(j) in the event and to the extent such proceeds are not required or used for the repair, restoration and replacement of the Improvements, Equipment and Inventory for which a loss or damage has occurred, or in the event Borrower fails to timely make the election to have insurance proceeds applied to the restoration of the Improvements, Equipment, or Inventory, or, having made such election, fails to timely comply with the terms and conditions set forth herein, or, if the conditions set forth herein for such application are otherwise not satisfied, then Lender shall be entitled without notice to or consent from Borrower to apply such proceeds, or the balance thereof, at Lender's option either (i) to the full or partial payment or prepayment of the Loan (without premium) in the manner aforesaid, or (ii) to the repair, restoration and/or replacement of all or any part of such Improvements, Equipment and Inventory for which a loss or damage has occurred.

(e) "Eligible Assignee" means a Person that is (a) an institution that is a "qualified purchaser" as defined in Section 2(a)(51)(A) of the Investment Company Act of 1940, as amended, and the rules and regulations promulgated thereunder, and is also any of (i) a commercial bank, savings and loan association, savings bank, finance company or Fund organized under the laws of the United States, or any State thereof or the District of Columbia, and having total assets in excess of \$1,000,000,000; (ii) a commercial bank organized under the laws of any other country which is a member of the Organization for Economic Cooperation and Development (the "OECD"), or a political subdivision of any such country, and having total assets in excess of \$1,000,000,000, provided that such bank is acting through a branch or agency located in the country in which it is organized or another country which is also a member of the OECD; (iii) the central bank of any country which is a member of the OECD; (iv) any other bank, insurance company, commercial finance company or other financial institution or other Person approved by Borrower, with Borrower's approval not to be unreasonably withheld, conditioned or delayed; and (v) if, but only if, any Event of Default has occurred and is continuing, any other bank, insurance company, commercial finance company or other financial institution or other Person.

(f) "Lender" means GMAC Commercial Mortgage Corporation, a California corporation, and the lending institutions which are or may become parties hereto pursuant to this Article XI.

(g) "Notes" means the promissory note executed of even date herewith by Borrower in favor of GMAC Commercial Mortgage Corporation in the stated principal amount of \$83,000,000, as the same may be replaced from time to time in accordance with Section 11.14(d) hereof, and as otherwise amended, supplemented, extended, renewed, and/or restated from time to time in accordance with its terms.

(h) “Required Lenders” means the Lenders holding at least sixty-six and two-thirds percent (66.67%) of the outstanding principal amount of the Notes on such date.

Section 11.2 Appointment and Authorization of Agent. Each Lender hereby irrevocably designates and appoints Agent to act as the Agent as specified herein and in the other Loan Documents, and each such Lender hereby irrevocably authorizes the Agent to take such actions, exercise such powers and perform such duties as are expressly delegated to or conferred upon the Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Agent agrees to act as such upon the express conditions contained in this Article XI. The Agent shall not have any duties or responsibilities except those expressly set forth herein or in the other Loan Documents, nor shall it have any fiduciary relationship with any Lender, and no implied covenants, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Agent.

Section 11.3 Administration of Loan by Agent.

(a) The Agent shall be responsible for administering the Loan on a day-to-day basis. In the exercise of such administrative duties, the Agent shall use the same diligence and standard of care that is customarily used by the Agent with respect to similar loans held by the Agent solely for its own account.

(b) Lenders agree that, except to the extent otherwise expressly set forth below, Agent shall make all determinations as to whether any term or provision of this Agreement or any other Loan Document may be changed, waived, discharged or terminated, and whether to grant or withhold any consent required or permitted by this Agreement or any other Loan Document. Each Lender delegates to the Agent the full right and authority on its behalf to take the following specific actions in connection with its administration of the Loan:

(i) subject to the rights of Agent under Section 11.7, to fund the Loan in accordance with the provisions of the Loan Documents, but only to the extent of immediately available funds provided to the Agent by the respective Lenders for such purpose;

(ii) to receive all payments of principal, interest, fees and other charges paid by, or on behalf of, the Borrower and, except for fees to which the Agent is entitled pursuant to the Loan Documents or otherwise, to distribute all such funds to the respective Lenders as provided for hereunder;

(iii) to keep and maintain complete and accurate files and records of all material matters pertaining to the Loan, and make such files and records available for inspection and copying by each Lender and its respective employees and agents during normal business hours upon reasonable prior notice to the Agent;

(iv) Except as otherwise set forth below, to approve or reject any and all Change Orders; or

(v) to do or omit doing all such other actions as may be reasonably necessary or incident to the implementation, administration and servicing of the Loan and the rights and duties delegated hereinabove.

(c) Agent shall not, without first obtaining the consent of Required Lenders and, upon receiving the direction of the Required Lenders, shall, take any of the following actions:

(i) consent to Change Orders or any material changes to the Budget or the Plans, involving (A) an expenditure of more than \$2,500,000 as to any individual Change Order, and (B) as to the aggregate of all Change Orders approved by Agent only, an expenditure of more than \$10,000,000. This item (i) shall not apply to the Agent's decision of whether to consent to the reallocation of any savings in the Budget, the determination of which shall be made by Agent solely;

(ii) amend, supplement or otherwise modify in any material respect any of the Loan Documents, or waive compliance with or execute a written waiver of any material provision of the Loan Documents except to the extent that any provisions of the Loan Documents allow Agent to, or expressly provides that Agent may, waive, consent to or approve any obligations of Borrower or Guarantors, or any conditions, including, without limitation, conditions to Advances, set forth therein, and provided, further, that Agent, in its sole discretion and without consulting with or obtaining written approval of the Lenders, may (a) waive applicable late charges herein, and (b) grant extensions to cure periods (as set forth in the Loan Documents) as reasonably necessary in order for Borrower or Guarantors to remedy an event that has occurred which, with the lapse of the applicable cure period, would constitute an Event of Default under any of the Loan Documents. This item (ii) shall not apply to any amendment, supplement, modification or waiver that requires the consent of all Lenders under Section 11.3 (d) hereof.

(d) The unanimous written approval of all the Lenders (other than a Delinquent Lender) shall be required with respect to any proposed amendment, waiver, discharge, termination, or consent which:

(i) has the effect of (A) extending the Applicable Maturity Date (except as contemplated in Section 1.13(d)) or changing the conditions to the extension of the Initial Maturity Date as set forth in Section 1.13(d), (B) reducing the interest rate or extending the time of payment of interest on the Loan, (C) increasing or reducing the principal amount of the Loan (other than as a result of advances which Agent directs to be made after the occurrence of an Event of Default to protect the value of the Project), or (D) otherwise postponing or forgiving any indebtedness under the Loan or the Loan Documents;

(ii) releases or discharges any material portion of the Project other than in accordance with the express provisions of the Loan Documents;

(iii) amends, modifies or waives any provisions of this (d);

(iv) waives compliance with the restrictions on transfer contained in the Mortgage, or the restrictions on further encumbrance of the Property as contained in the Mortgage;

(v) reduces the percentage specified in the definition of Required Lenders contained in this Agreement;

(vi) except as otherwise provided in this Agreement, changes the amount of any Lender's Commitment or Commitment Percentage;

(vii) changes the amount of the Contract Deposit required for a Contract of Sale to be deemed a Qualified Contract of Sale;

(viii) releases, modifies or waives any material obligation of the Guarantor under the Guaranty; or

(ix) permits the Borrower to use any savings in the Budget initially allocated to Hard Costs to pay Borrower's overhead;

and provided, further, that without the consent of the Agent, no such action shall amend, modify or waive any provision of this Section or any other provisions of any Loan Document which relates to the rights or obligations of the Agent.

(e) With respect to any requested amendment, waiver, consent or other action which requires the approval of the Required Lenders or all of the Lenders, as the case may be, in accordance with the terms of this Agreement, or if the Agent is required hereunder to seek, or desires to seek, the approval of the Required Lenders or all of the Lenders, as the case may be, prior to undertaking a particular action or course of conduct, the Agent in each such case shall provide each Lender with written notice of any such request for amendment, waiver or consent or any other requested or proposed action or course of conduct, accompanied by such detailed background information and explanations as may be reasonably necessary to determine whether to approve or disapprove such amendment, waiver, consent or other action or course of conduct. The Agent may (but shall not be required to) include in any such notice, printed in capital letters of boldface type, a legend substantially to the following effect;

"THIS COMMUNICATION REQUIRES IMMEDIATE RESPONSE. FAILURE TO RESPOND WITHIN TEN (10) CALENDAR DAYS FROM THE RECEIPT OF THIS COMMUNICATION SHALL CONSTITUTE A DEEMED APPROVAL BY THE ADDRESSEE OF THE ACTION REQUESTED BY THE BORROWER OR THE COURSE OF CONDUCT PROPOSED BY THE AGENT AND RECITED ABOVE."

and if the foregoing legend is included by the Agent in its communication, a Lender shall be deemed to have approved or consented to such action or course of conduct for all purposes hereunder if such Lender fails to object to such action or course of conduct by written notice to the Agent within ten (10) calendar days of such Lender's receipt of such notice.

Section 11.4 Employees and Agents. The Agent may exercise its powers and execute its duties under this Agreement or any other Loan Document by or through employees,

agents or attorneys-in-fact, and shall be entitled to take, and to rely on, advice of counsel concerning all matters pertaining to its rights and duties under this Agreement and the other Loan Documents. The Agent may utilize the services of such Persons as the Agent in its sole discretion may reasonably determine, and all reasonable out-of-pocket fees and expenses of any such Persons shall be paid by the Borrower. The Agent shall not be responsible for the negligence or misconduct of any Persons selected by it with reasonable care.

Section 11.5 No Liability, Reliance by Agent. Neither the Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be liable to any of the Lenders for any action lawfully taken or omitted to be taken by it or them under or in connection with this Agreement or the other Loan Documents, except for its or their gross negligence or willful misconduct. Neither the Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be responsible for or have any duty to ascertain, inquire into, or verify (i) any recital, statement, representation or warranty made by the Borrower or any of its officers or agents contained in this Agreement or the other Loan Documents or in any certificate or other document delivered in connection therewith; (ii) the performance or observance of any of the covenants or agreements contained in, or the conditions of this Agreement or the other Loan Documents; (iii) the state or condition of any properties of the Borrower or any other obligor hereunder constituting the Project or the obligations of the Borrower hereunder, or any information contained in the books or records of the Borrower; (iv) the validity, enforceability, collectibility, effectiveness or genuineness of this Agreement or any other Loan Document or any other certificate, document or instrument furnished in connection therewith; or (v) the validity, priority or perfection of any lien securing or purporting to secure the Loan or the value or sufficiency of the Project. The Agent shall be entitled to rely, and shall be fully protected in relying, upon any notice, consent, certificate, affidavit, or other document or writing believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons, and upon the advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Agent. The Agent shall be fully justified as between it and the Lenders in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of the taking or failing to take any such action. The Agent shall in all cases be fully protected with respect to claims by the Lender in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with any written request of the Required Lenders and any action taken or failure to act by the Agent pursuant thereto, shall be binding upon all of the Lenders; provided, however, that the Agent shall not be required in any event to act, or to refrain from acting, in any manner which is contrary to the Loan Documents or to applicable law.

Section 11.6 No Representations. The Agent shall not be responsible for the execution or validity or enforceability of this Agreement, the Notes, any of the other Loan Documents or any instrument at any time constituting, or intended to constitute, collateral security for the Notes, or for the value of any such collateral security or for the validity, enforceability or collectibility of any such amounts owing with respect to the Notes, or for any recitals or statements, warranties or representations made herein or in any of the other Loan Documents or in any certificate or instrument hereafter furnished to it by or on behalf of the

Borrower or the Guarantor, or be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or in any instrument at any time constituting, or intended to constitute, collateral security for the Notes. The Agent shall not be bound to ascertain whether any notice, consent, waiver or request delivered to it by the Borrower or any holder of any of the Notes shall have been duly authorized or is true, accurate and complete. The Agent has not made nor does it now make any representations or warranties, express or implied, nor does it assume any liability to the Lenders, with respect to the credit worthiness or financial condition of the Borrower or the Guarantor. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender, and based upon such information and documents as it has deemed appropriate, made its own credit analysis and investigation into the business, assets, operations, property and financial and other condition of the Borrower and Guarantor and has made its own decision to enter into this Agreement and the other Loan Documents. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in determining whether or not conditions precedent to closing or funding the Loan hereunder have been satisfied and in taking or not taking any action under this Agreement and the other Loan Documents. Each Lender expressly acknowledges that it has relied upon its own legal counsel in its consideration of its decision to enter into the Agreement and the other Loan Documents and will so rely in regard to the implementation of the transaction contemplated hereby and thereby and that it does not have any lawyer-client relationship with Agent's Counsel as counsel for any other Lenders with respect thereto.

Section 11.7 Respecting Loan and Payments

(f) Agent shall give written notice to each Lender of each Request for Advance, by facsimile transmission, other electronic means, hand delivery or overnight courier, not later than 11:00 a.m. (Eastern Time) three (3) Business Days prior to any Advance. Each such notice shall be accompanied by a written summary of the Request for Advance and shall specify (a) the date of the requested Advance, (b) the aggregate amount of the requested Advance, and (c) each Lender's Commitment Percentage of the amount of the requested Advance. Each Lender shall, before 11:00 a.m. (Eastern Time) on the date set forth in any such Request for Advance, make available to Agent, at an account to be designated by Agent, in same day funds, the amount of such Lender's Commitment Percentage of the amount of the requested Advance. After Agent's receipt of such funds and upon Agent's determination that the applicable conditions to making the requested Advance have been fulfilled, Agent shall make such funds available to Borrower (in the manner provided in Section 1.3 hereof) the aggregate amount of such funds received by Agent (or such lesser amount approved by the Agent).

(g) The obligations of the Lenders hereunder are several and not joint. Failure of any Lender to fulfill its obligations hereunder shall not result in any other Lender becoming obligated to advance more than its Commitment Percentage of the Loan, nor shall such failure release or diminish the obligations of any other Lender to fund its Commitment Percentage provided herein; provided, however, that if no Lender shall become an Electing Lender pursuant to Section 11.13, all of the non Delinquent Lenders shall fund the Delinquent Lender's Deficiency pro rata among the non Delinquent Lenders in the proportion that the amount of each such non Delinquent Lender's Commitment Percentage bears to the total

Commitment Percentages of all non Delinquent Lenders within three (3) Business Days after notice by Agent to Lenders that no Lender has become an Electing Lender provided further that (i) no Lender shall be required in any event to fund an aggregate amount of the Loan funds greater than the amount of its Commitment Percentage, (ii) no Lender shall be responsible for the failure of any other Lender to advance or to perform any of its other obligations in connection with the Loan and the Loan Documents; (iii) the obligation to fund a Delinquent Lender's Deficiency shall terminate on the sixtieth (60th) day next following the giving of the initial borrowing date for which a Deficiency first occurred as a result of a Delinquent Lender's failure to advance its share of the Advance in question; (iv) if the Delinquent Lender's default has not been cured, or Borrower and Agent, after using commercially reasonable efforts (but without increasing the Commitment Percentage of Agent or any of its affiliates as a Lender) to obtain an Eligible Assignee to replace Delinquent Lender as a Lender hereunder, has not replaced the Delinquent Lender within said sixty (60) day period, Borrower shall upon demand from the Agent deposit with Agent an amount equal to the aggregate amount of the Deficiencies funded by the non Delinquent Lenders. The amount so deposited by Borrower shall be advanced by Agent in lieu of an Advance by the non Delinquent Lenders until such time as the aggregate Costs to be paid no longer exceed the non Delinquent Lenders unfunded Commitment Percentages and, thereafter, Borrower shall continue to deposit with Agent each month an amount equal to that which would have been funded by the Delinquent Lender. Borrower agrees that Agent for the ratable benefit of Lenders shall have a lien on and security interest in any sums deposited by Borrower pursuant to this paragraph. If Borrower shall fail to make the deposits required to be made by it pursuant to this paragraph, the Lenders shall not be required to make any further Advances under the Loan and the Loan amount shall be permanently reduced by any and all Deficiencies unless and until a substitute lender that is an Eligible Assignee, reasonably acceptable to Agent other than the Delinquent Lender(s), pays such Deficiency(ies) (including those funded by the other Lenders and/or Borrower) to the Agent who shall distribute same pro rata to the Persons who funded such Deficiency(ies) (including, if applicable and after the Lenders (other than the Delinquent Lender) have been fully reimbursed for the respective amounts of such Deficiency(ies) funded by them, to Borrower) and assumes the obligations of the Delinquent Lender to fund its ratable share of the balance of the Loan subject to and in accordance with this Agreement and the other Loan Documents. Delinquent Lender shall be required to execute an Assignment and Acceptance in favor of such substitute lender provided such substitute lender executes the same as well. Notwithstanding anything contained in this Section to the contrary, if the Delinquent Lender's default has not been cured and the Delinquent Lender has not been replaced with an Eligible Assignee within said sixty (60) day period, then the Borrower may provide a replacement Lender without first obtaining Agent's consent provided that (i) such replacement Lender is an Eligible Assignee, and (ii) if such replacement Lender is a subsidiary or affiliate of the Borrower, then such replacement Lender shall be treated as a "Delinquent Lender" in that it shall have no right to participate in the administration of, or decision-making rights related to, the Loan, this Agreement or the other Loan Documents.

(h) The Agent, Lenders and the Borrower acknowledge, and agree that the failure or refusal by a Lender to make available its Commitment Percentage of requested Advance due to a Default for which notice to Borrower has been delivered, monetary Default, or Event of Default shall not result in such Lender being a Delinquent Lender and the Agent shall not be required to disburse any funds made available to the Agent by the other Lenders until

such Default for which notice to Borrower has been delivered, monetary Default, or Event of Default is cured.

(i) The Agent may, unless notified to the contrary by any Lender prior to a date of any Advance, assume that such Lender has made available to the Agent on such date the amount of such Lender's Commitment Percentage of the Advance to be made, and the Agent may (but it shall not be required to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If any Lender makes available to the Agent such amount on a date after the date that an Advance is made, such Lender shall pay to the Agent on demand an amount equal to the product of (i) the average computed for the period referred to in clause (iii) below, of the weighted average interest rate paid by the Agent for federal funds acquired by the Agent during each day included in such period, times (ii) the amount of such Lender's Commitment Percentage for such Advance, times (iii) a fraction, the numerator of which is the number of days that elapse from and including the date of the Advance to the date on which the amount of such Lender's Commitment Percentage of such Advance shall become immediately available to the Agent, and the denominator of which is 365. A statement of the Agent submitted to such Lender with respect to any amounts owing under this paragraph shall be prima facie evidence of the amount due and owing to the Agent by such Lender.

(j) Within a reasonable period of time following the making of each Advance, but in no event later than ten (10) Business Days following such Advance, Agent shall deliver to each Lender a copy of Borrower's Request for Advance. Promptly after receipt by Agent of written request from any Lender, Agent shall deliver to the requesting Lender the accompanying certifications and such other instruments, documents, certifications and approvals delivered by or on behalf of Borrower to Agent in support of the requested Advance.

(k) All payments of principal of and interest on the Loans or the Notes shall be made to the Agent by the Borrower or any other obligor or guarantor for the account of the Lenders in immediately available funds as provided in the Notes and this Agreement. The Agent agrees promptly to distribute to each Lender, by the next Business Day after the date upon which each such payment is made, if possible, such Lender's proportionate share of each such payment in immediately available funds, except as otherwise expressly provided herein. The Agent shall upon each distribution promptly notify each Lender of the amounts distributed to it applicable to principal of, and interest on, the proportionate share of the Loan held by the applicable Lender. Each payment to the Agent under the first sentence of this Section 8.6(f) shall constitute a payment by the Borrower to each Lender in the amount of such Lender's proportionate share of such payment, and any such payment to the Agent shall not be considered outstanding for any purpose after the date of such payment by the Borrower to the Agent without regard to whether or when the Agent makes distribution thereof as provided above. If any payment received by the Agent from the Borrower is insufficient to pay both all accrued interest and all principal then due and owing, the Agent shall first apply such payment to all outstanding interest until paid in full and shall then apply the remainder of such payment to all principal then due and owing, and shall distribute the payment to each Lender accordingly.

(l) Subject to the terms and conditions hereof, the Agent shall distribute all Liquidation Proceeds in the order and manner set forth below:

- First: To the Agent, towards any fees and any expenses for which the Agent is entitled to reimbursement under this Agreement or the other Loan Documents not theretofore paid to the Agent.
- Second: To all applicable Lenders in accordance with their proportional share based upon their respective Commitment Percentages until all Lenders have been reimbursed for all expenses, costs and other amounts (but excluding principal and interest on the Loan) due under the Loan Documents which such Lenders have previously paid to the Agent and not theretofore been repaid.
- Third: To all Lenders in accordance with their proportional share based upon their respective Commitment Percentages until all Lenders have been paid in full all interest and principal due to such Lenders under the Loan, with each Lender applying such proceeds for purposes of this Agreement first against accrued interest due and then to the outstanding principal balance due to such Lender under the Loan. For purposes of this provision only, "interest" shall be deemed to include any breakage fee or other liability of Borrower to any Lender (including Agent as a Lender) or any affiliate of any Lender under any Interest Rate Hedge if one is entered into between Borrower and a Lender or an affiliate of a Lender with respect to the Loan and the Commitment Percentages of all Lenders shall be adjusted to include in the Lender providing the Interest Rate Hedge the then applicable breakage fee or other liability of Borrower.
- Fourth: To all applicable Lenders in accordance with their proportional share based upon their respective Commitment Percentages until all Lenders have been paid in full all other amounts due to such Lenders under the Loan including, without limitation, any costs and expenses incurred directly by such Lenders to the extent such costs and expenses are reimbursable to such Lenders by the Borrower under the Loan Documents.
- Fifth: To the Borrower or such third parties as may be entitled to claim Liquidation Proceeds.

(m) If, after Agent has paid each Lender's proportionate share of any payment received or applied by Agent in respect of the Loan, that payment is rescinded or must otherwise be returned or paid over by Agent, whether pursuant to any bankruptcy or insolvency law, sharing of payments clause of any loan agreement or otherwise, such Lender shall, at Agent's request, promptly return its proportionate share of such payment or application to Agent, together with the Lender's proportionate share of any interest or other amount required to be paid by Agent with respect to such payment or application.

(n) If any Lender (including the Agent), acting in its individual capacity, shall exercise any right of setoff against a deposit balance or other account of the Borrower held by such Lender on account of the obligations of the Borrower under this Agreement, such Lender shall remit to the Agent all such sums received pursuant to the exercise of such right of setoff, and the Agent shall apply all such sums for the benefit of all of the Lenders hereunder in accordance with the terms of this Agreement.

(o) If in the opinion of the Agent distribution of any amount received by it in such capacity hereunder or under the Notes or under any of the other Loan Documents might involve any liability, it may refrain from making distribution until its right to make distribution shall have been adjudicated by a court of competent jurisdiction or has been resolved by the mutual consent of all Lenders. In addition, the Agent may request full and complete indemnity, in form and substance satisfactory to it, prior to making any such distribution. If a court of competent jurisdiction shall adjudge that any amount received and distributed by the Agent is to be repaid, each person to whom any such distribution shall have been made shall either repay to the Agent its proportionate share of the amount so adjudged to be repaid or shall pay over to the same in such manner and to such persons as shall be determined by such court.

(p) The Required Lenders may direct the Agent in writing as to the method and the extent of any sale of all or any portion of the Project or other disposition and all of the Lenders shall indemnify and hold the Agent harmless from all liabilities incurred in respect to all actions taken or omitted in accordance with such directions provided that Agent need not comply with any such directions to the extent Agent reasonably believes the Agent's compliance with such directions would constitute a violation of the obligations undertaken by the Agent and/or Lenders under the Loan Documents, or will constitute a violation of any statute, ordinance or regulation applicable to the Agent.

Section 11.8 Holders of Notes. The Agent may deem and treat the payee of any Note as the absolute owner or purchaser thereof for all purposes hereof. Any request, authority or consent of any person or entity who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

Section 11.9 Indemnity. The Lenders agree to reimburse and indemnify the Agent ratably in proportion to their respective Commitment Percentages for (i) any amounts not reimbursed by the Borrower for which the Agent is entitled to reimbursement by the Borrower under this Agreement or the other Loan Documents, (ii) any other expenses incurred by the Agent on behalf of the Lenders in connection with the preparation, execution, delivery, administration, amendment, waiver and/or enforcement of this Agreement and the other Loan Documents, and (iii) any liabilities, obligations, losses, damages, penalties, action, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Agent in any way relating to or arising out of this Agreement or the other Loan Documents or any other document delivered in connection therewith or any transaction contemplated thereby, or the enforcement of any of the terms hereof or thereof, provided that no Lender shall be liable for any of the foregoing to the extent that they arise from the gross negligence or willful misconduct of the Agent. If any indemnity furnished

to Agent for any purpose shall, in the opinion of the Agent, be insufficient or become impaired, the Agent may call for additional indemnity and cease, or not commence, to do the action indemnified against until such additional indemnity is furnished.

Section 11.10 Agent as Lender. With respect to its Commitment as a Lender, and the loans made by it and the Note issued to it, the Agent shall have the same rights and powers hereunder and under any other Loan Document as any Lender and may exercise the same as though it were not the Agent, and the term " Lender" or " Lenders" shall, unless the context otherwise indicates, include the Agent in its individual capacity. The Agent may lend money to, and generally engage in any kind of trust business with the Borrower or any subsidiary or affiliate of the Borrower as if it were not the Agent hereunder.

Section 11.11 Resignation. The Agent may resign at anytime by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower. Upon any such resignation the Required Lenders shall have the right to appoint a successor Agent. Unless an Event of Default shall have occurred and be continuing, Borrower shall have the right to consent to any successor Agent, such consent not to be unreasonably withheld, conditioned or delayed. If no successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent, which shall be a Lender or which meets the requirements of an Eligible Assignee. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder and under the Loan Documents. After any retiring Agent's resignation, the provisions of this Agreement and the other Loan Documents shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Agent.

Section 11.12 Notification of Defaults and Events of Default. Each Lender hereby agrees that, upon learning of the existence of a Default or an Event of Default, it shall promptly notify the Agent thereof. The Agent shall not be deemed to have knowledge or notice of the occurrence of any Event of Default unless the Agent has actual knowledge of the same or has received notice from a Lender or the Borrower referring to this Agreement describing such Event of Default and stating that such notice is a "notice of default." In the event that the Agent obtains such actual knowledge or receives such a notice, the Agent shall give prompt notice thereof to each of the Lenders. The Agent shall take such action with respect to such Event of Default as shall be reasonably directed by the Required Lenders. Unless and until the Agent shall have received such direction, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Event of Default as it shall deem advisable in the best interest of the Lenders, provided, however, that the Agent shall not accelerate the indebtedness under this Agreement without the prior written consent of the Required Lenders.

Section 11.13 Duties in the Case of Enforcement. In case one of more Events of Default have occurred and shall be continuing, and whether or not acceleration of the Loan shall have occurred, the Agent shall, if (a) so requested by the Required Lenders and (b) the Lenders have provided to the Agent such additional indemnities and assurances against expenses and

liabilities as the Agent may reasonably request, proceed to enforce the provisions of this Agreement and the other Loan Documents respecting the foreclosure of the Mortgage, the sale or other disposition of all or any part of the Project and exercise all or any such other legal and equitable and other rights or remedies as it may have in respect of any collateral for the Loan. The Agent shall be fully protected in so acting or refraining from acting upon the instruction of the Required Lenders, and such instruction shall be binding upon all of the Lenders. The Required Lenders may direct the Agent in writing as to the method and the extent of any such sale or other disposition, the Lenders hereby agreeing to indemnify and hold the Agent harmless from all liabilities incurred in respect of all actions taken or omitted in accordance with such directions, provided that the Agent need not comply with any such direction to the extent that the Agent reasonably believes the Agent's compliance with such direction to be unlawful or commercially unreasonable in any applicable jurisdiction. The Agent may, in its discretion but without obligation, in the absence of direction from the Required Lenders, take such interim actions as it believes necessary to preserve the rights of the Lenders hereunder and in and to the Project and any other collateral securing the Loan, including but not limited to petitioning a court for injunctive relief, appointment of a receiver or preservation of the proceeds of the Project and any other collateral. Each of the Lenders acknowledges and agrees that no individual Lender may separately enforce or exercise any of the provisions of any of the Loan Documents, including without limitation the Notes, other than through the Agent.

Section 11.14 Delinquent Lender. If for any reason any Lender shall fail or refuse to abide by its obligations under the Agreement, including without limitation its obligation to make available to Agent its pro rata share of the Loan, expenses or setoff (the delinquent Lender, a "Delinquent Lender"; the portion of the Loan not made available, a "Deficiency") and such failure is not cured within ten (10) days of receipt from the Agent of written notice thereof, then, in addition to the rights and remedies that may be available to Agent, the other Lenders, the Borrower or any other party at law or in equity, and not at limitation thereof, (i) such Delinquent Lender's right to participate in the administration of, or decision-making rights related to, the Loan, this Agreement or the other Loan Documents shall be suspended during the pendency of such failure or refusal, and (ii) a Delinquent Lender shall be deemed to have assigned any and all payments due to it from the Borrower, whether on account of the outstanding Loan, interest, fees or otherwise, to the remaining non delinquent Lenders for application to, and reduction of, their proportionate shares of the outstanding Loan until, as a result of application of such assigned payments the Lenders' respective pro rata shares of the outstanding Loan shall have returned to those in effect immediately prior to such delinquency and without giving effect to the nonpayment causing such delinquency. The Delinquent Lender's decision-making and participation rights to payments as set forth in clauses (i) and (ii) above shall be restored only upon the payment by the Delinquent Lender of its pro rata share of the Loan or expenses as to which it is delinquent, together with interest thereon at the Default Rate from the date when originally due until the date upon which any such amounts are actually paid.

The non-delinquent Lenders shall also have the right, but not the obligation, in their respective, sole and absolute discretion, to acquire for no cash consideration (pro rata, based on the respective Commitments of those Lenders electing to exercise such right) (each electing Lender, an "Electing Lender") the Delinquent Lender's Commitment to fund the Deficiency and any future advances of the Loan (collectively, the "Future Commitment"). Upon any such

purchase of the pro rata share of any Delinquent Lender's Future Commitment, the Delinquent Lender's share in any future Loan and its rights under the Loan Documents with respect thereto shall terminate on the date of purchase, and the Delinquent Lender shall promptly execute all documents reasonably requested to surrender and transfer such interest, including, if so requested, an Assignment and Acceptance. Each Delinquent Lender shall indemnify Agent and each non-delinquent Lender from and against any and all loss, damage or expenses, including but not limited to reasonable attorneys' fees and funds advanced by Agent or by any non-delinquent Lender, on account of an Delinquent Lender's failure to timely fund its pro rata share of a Loan Advance or to otherwise perform its obligations under the Loan Documents.

Section 11.15 Assignment and Participation.

(a) Except as provided herein, each Lender may assign to one or more Eligible Assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment Percentage and Commitment and the same portion of the Loan at the time owing to it and the Notes held by it), upon satisfaction of the following conditions: (i) each such assignment shall be of a constant, and not a varying, percentage of all the assigning Lender's rights and obligations under this Agreement, (ii) so long as no Event of Default has occurred and is continuing, each assignment shall be in an amount that is at least Five Million Dollars (\$5,000,000.00) and is a whole multiple of One Million Dollars (\$1,000,000.00), (iii) the parties of such assignment shall execute and deliver to the Agent, for recording in the Register (as hereinafter defined), an Assignment and Acceptance, substantially in the form of Schedule "XX" hereto (an "Assignment and Acceptance"), together with any Notes subject to such assignment, (iv) the assignee shall execute and deliver a fully completed certificate in the form of Schedule "XXI" to the Borrower and Guarantor confirming that the prospective assignee satisfies at least one of the criteria established therein, and (v) Agent (in its capacity as a Lender) may not syndicate or assign the Loan to more than eight (8) additional Lenders (excluding itself and its affiliates). Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, which effective date shall be at least five (5) Business Days after the execution thereof, (x) the assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder, and (y) the assigning Lender shall, to the extent provided in such assignment and upon payment to the Agent of the registration fee referred to in Section 11.14(c), be released from its obligations under this Agreement.

(b) By executing and delivering an Assignment and Acceptance, the parties to the assignment thereunder confirm to and agree with each other and the other parties hereto as follows:

(i) other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the assigning Lender makes no representation or warranty, express or implied, and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, the other Loan Documents or any other

instrument or document furnished pursuant hereto or the attachment, perfection or priority of any security interest or mortgage;

(ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower and Guarantor, or the performance or observance by the Borrower or Guarantor of any of their obligations under this Agreement or any of the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto;

(iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statement provided by the Borrower as required by the terms of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance;

(iv) such assignee will, independently and without reliance upon the assigning Lender, the Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement;

(v) such assignee represents and warrants that (to the extent required herein) it is an Eligible Assignee;

(vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto;

(vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender; and

(viii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance.

(c) The Agent shall maintain a copy of each Assignment and Acceptance delivered to it and a register or similar list (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment Percentage of, and principal amount of the Loan owing to the Lenders from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Agent and the Lenders may treat each person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and the Lenders at any reasonable time and from time to time upon reasonable prior notice. Upon each such recordation, the assigning Lender agrees to pay to the Agent a registration fee in the sum of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00).

(d) Upon its receipt of an Assignment and Acceptance executed by the parties to such assignment, together with each Note subject to such assignment, the Agent shall

(a) record the information contained therein in the Register, and (b) give prompt notice thereof to the Borrower and the Lenders (other than the assigning Lender). Within five (5) Business Days after receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Agent, in exchange for each surrendered Note, a new Note to the order of such assignee in an amount equal to the amount assumed by such assignee pursuant to such Assignment and Acceptance and, if the assigning Lender has retained some portion of its obligations hereunder, a new Note to the order of the assigning Lender in an amount equal to the amount retained by it hereunder. Such new Notes shall provide that they are replacements for the surrendered Notes, shall be in an aggregate principal amount equal to the aggregate principal amount of the surrendered Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be substantially in the form set forth on Schedule "XXII" attached hereto.

(e) Each Lender may sell participations to one or more banks or other financial institutions in all or a portion of such Lender's rights and obligations under this Agreement and the other Loan Documents; provided that (i) each such participation shall be in a minimum amount of Five Million Dollars (\$5,000,000.00), (ii) any such sale or participation shall not affect the rights and duties of the selling Lender hereunder to the Borrower, and (iii) participations may not be made unless the prospective participant shall have executed and delivered a fully completed certificate in the form of Schedule "XXI" to the Borrower and Guarantor confirming that the prospective participant satisfies at least one of the criteria established therein. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Any assigning Lender shall retain its rights to be indemnified pursuant to this Agreement with respect to any claims or actions arising prior to the date of such assignment. If any assignee Lender is not incorporated under the laws of the United States of America or any state thereof, it shall, prior to the date on which any interest or fees are payable hereunder or under any of the other Loan Documents for its account, deliver to the Borrower and the Agent a certification as to such assignee Lender's exemption from deduction or withholding of any United States federal income taxes. Any Lender may at any time pledge all or any portion of its interest and rights under this Agreement (including all or any portion of the Note) to any of the twelve Federal Reserve Banks organized under § 4 of the Federal Reserve Act, 12 U.S.C. §341. No such pledge or the enforcement thereof shall release the Lender from its obligations hereunder or under any of the other Loan Documents.

(g) The Borrower agrees that in addition to disclosures made in accordance with standard and customary banking practices and orders issued by a court of law the Agent and the Lenders may disclose information obtained by the Agent and the Lenders pursuant to this Agreement including, without limitation, all budgets and financial statements, to assignees or participants or potential assignees or participants hereunder without any notice to the Borrower; provided that such assignees or participants or potential assignees or participants shall agree (x) to treat in confidence such information unless such information becomes public knowledge, (y) not to disclose such information to a third party, except as required by law or

legal process and (c) not to make use of such information for purposes of transactions unrelated to such contemplated assignment or participation.

(h) Except as otherwise expressly provided in this Section 11.15, no Lender may assign all or a portion of its interests, rights and obligations under this Agreement, the Notes and/or the other Loan Documents without the prior written consent of Agent and, provided that no Event of Default then exists, the Borrower.

(i) Notwithstanding anything to the contrary contained in this Agreement, no Lender may assign or participate any interest in the Loan held by it hereunder to the Borrower or Guarantor, or any of their respective affiliates.

(j) Notwithstanding anything to the contrary contained in this Agreement, GMAC Commercial Mortgage Corporation may assign all or a portion of its Commitment to GMAC Commercial Mortgage Corporation (in its capacity as a Lender) provided that at the time of such assignment GMAC Commercial Mortgage Corporation is a wholly-owned subsidiary of GMAC Commercial Mortgage Corporation, but whether or not GMAC Bank constitutes an Eligible Assignee at such time.

and provided, further, that without the consent of the Agent, no such action shall amend, modify or waive any provision of this Section or any other provisions of any Loan Document which relates to the rights or obligations of the Agent.

Section 11.16 Syndication of the Loan. Agent in cooperation with the Borrower, will manage all aspects of the syndication of the Loan, including, without limitation, decisions as to the selection of financial institutions to be approached, when such financial institutions will be approached and any titles offered to proposed financial institutions, the final allocation of Commitments and the final distribution of fees, and Agent may, on behalf of the Borrower, accept commitments from other financial institutions. The Borrower agrees to reasonably cooperate with the syndication of the Loan (including assignments and participations as described in Section 11.15) and the Borrower will provide all information (including the financial statements required to be delivered pursuant to Section 3.22 hereof) reasonably requested by the Agent in a form reasonably satisfactory to the Agent. The Borrower will also make its management and its advisors available at reasonable times on reasonable notice to meet with potential lenders in connection with the syndication or assignment or administration of the Loan or lender syndicate. Borrower agrees that, prior to and during the syndication of Loan, Borrower will not permit any offering, placement of Borrower or any competing issues of debt securities or commercial bank facilities of Borrower or any of its affiliates. Borrower hereby agrees to amend this Agreement, the Notes, the Mortgage, and/or any of the other Loan Documents from time to time to the extent requested by Agent in connection with the syndication of the Loan and to execute and deliver to Agent any document reflecting such amendment as requested by Agent, provided that such proposed amendments do not materially and adversely affect the rights or obligations of Borrower hereunder or thereunder. The Borrower agrees to pay (promptly upon the rendering of such a bill and delivery thereof to Borrower) all reasonable out-of-pocket expenses incurred by the Agent in connection with each syndication, assignment and/or participation of the Loan as contemplated in this Section 11.16,

including, without limitation, \$15,000 for reimbursement to Agent for the costs associated with a syndication group meeting.

SCHEDULE XXII**REPLACEMENT PROMISSORY NOTE**

\$ _____ .00

Littleton, Colorado
_____, 200__

FOR VALUE RECEIVED, the undersigned LITTLETON CAMPUS, LLC, a Maryland limited liability company, having an address at 701 Maiden Choice Lane, Catonsville, MD 21228 (the "Borrower"), hereby promises to pay to the order of _____, having an address at _____, together with its successors and assigns or, if this Note has then been endorsed "to bearer", to the bearer of this Note (collectively the "Lender"), at Lender's said address or at such other place or to such other person as may be designated in writing to Borrower by Lender, the principal sum of _____ and 00/100 Dollars (\$ _____ .00) (the "Loan") or so much thereof as shall be advanced or re-advanced and remains outstanding (provided such outstanding principal balance of the Loan shall never exceed \$ _____) pursuant to the terms of a certain construction loan agreement of even date herewith by and between Borrower and Lender (the "Loan Agreement"), together with interest on the unpaid balance thereof at the rate hereinafter set forth. This Note is given in replacement of that certain Promissory Note dated March 29, 2006 from Borrower to GMAC COMMERCIAL MORTGAGE CORPORATION in the amount of \$83,000,000.

ON THE TERMS AND SUBJECT TO THE CONDITIONS which are hereinafter set forth:

Section 1. Interest Rate.

1.1 Initial Note Rate and Initial Payment. Interest shall accrue on the outstanding principal balance of the Loan from and after the date hereof ("**Closing Date**") at the rate of seven and five eights percent (7.625%) per annum ("**Initial Note Rate**") until the last day of the month prior to the first Note Rate Adjustment Date (as defined below). Interest for the period beginning on the Closing Date and ending on and including the last day of the month in which this Note is dated shall be due and payable on the date hereof ("**Initial Interest Period**").

1.2 Calculation Basis; Interest Accrual Period. Interest on the outstanding principal balance of the Loan shall be calculated utilizing a 365 day year and shall be paid for the actual number of days elapsed for any whole or partial month in which interest is being calculated. Except for the Initial Interest Period, interest shall accrue at the Note Rate, from the period beginning on the first (1st) day of the month prior to the Payment Date (defined in Section 2.1 below), through and including the last day of the month immediately prior to such Payment Date (each an "**Interest Accrual Period**").

1.3 Default Interest Rate. If Borrower fails to make any payment of principal, interest or fees on the date on which such payment becomes due and payable (taking into account any applicable grace, notice and/or cure periods) whether at maturity or by acceleration, or if an

Event of Default exists, the Note Rate then payable on the Loan shall immediately increase to the Note Rate plus five hundred (500) basis points (the “**Default Rate**”) and shall continue to accrue at the Default Rate until full payment is received or such Event of Default is cured or waived in writing by Lender. Interest at the Default Rate shall also accrue on any judgment obtained by Lender in connection with collection of the Loan or enforcement of any obligations due under the Loan Documents until such judgment is paid in full.

1.4 Note Rate and Note Rate Adjustment Dates. The “**Note Rate**” shall mean an interest rate which is the average of London Interbank Offered Rates (“**LIBOR**”), in U.S. dollar deposits, for a term of one month determined solely by Lender on each Note Rate Adjustment Date (defined below) plus two and three quarters percent (2.75%) (“**Margin**”), which combined figure shall be rounded upwards to the nearest one-eighth percent (.125%). On each Note Rate Adjustment Date, Lender will obtain the close-of-business LIBOR from “Page 3750” on the Telerate Service (or such other page as may replace Page 3750 on that service) on the Note Rate Adjustment Date. If Telerate Service ceases publication or ceases to publish LIBOR, Lender shall select a comparable publication to determine the LIBOR and provide notice thereof to Borrower. LIBOR may or may not be the lowest rate based upon the market for U.S. dollar deposits in the London Interbank Eurodollar Market at which Lender prices loans on the date on which LIBOR is determined by Lender as set forth above. Adjustments to the Note Rate in connection with changes in LIBOR shall be determined two (2) Business Days prior to the beginning of any Interest Accrual Period and shall become effective at the beginning of such Interest Accrual Period (each “**Note Rate Adjustment Date**”) except that the Initial Note Rate shall be determined two (2) Business Days prior to the Closing Date.

1.5 Adjustments due to Calculation Errors. This Note shall bear interest at the Initial Note Rate and Note Rate as determined in accordance with the provisions hereof; provided, however, that, if Lender at any time determines, in the sole but reasonable exercise of its discretion that it has miscalculated the amount of the monthly payment of principal and/or interest (whether because of a miscalculation of the Initial Note Rate, the Note Rate or otherwise), Lender shall give notice to Borrower of the corrected amount of such monthly payment (and the corrected amount of the Note Rate, if applicable) and (a) if the corrected amount of such monthly payment represents an increase thereof, Borrower shall, within ten (10) calendar days after the date of such notice, pay to Lender any sums that Borrower would have otherwise been obligated under this Note to pay to Lender had the amount of such monthly payment not been miscalculated or (b) if the corrected amount of such monthly payment represents a decrease thereof, and Borrower is not in breach or default under any of the terms and provisions of the Note, the Loan Agreement or any of the other Loan Documents, Borrower shall, within ten (10) calendar days thereafter be paid the sums that Borrower would not have otherwise been obligated to pay to Lender had the amount of such monthly payment not been miscalculated.

1.6 LIBOR Unascertainable. Lender’s obligation to maintain interest based on LIBOR shall be suspended and the Note Rate shall be based on the Interest Rate Index (as defined below) plus Margin upon Lender’s determination, in good faith, that adequate and reasonable means do not exist for ascertaining LIBOR or that a contingency has occurred which materially and adversely affects the London Interbank Eurodollar Market at which Lender prices loans (which determination by Lender shall be conclusive and binding on Borrower in the

absence of manifest error). Computation of the Note Rate based on the Interest Rate Index shall continue until Lender determines that the circumstances giving rise to Lender's substitution of the Interest Rate Index for LIBOR no longer exists and Lender shall promptly notify Borrower of such determination. For purposes hereof "**Interest Rate Index**" shall mean the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board forty-five (45) days prior to each Note Rate Adjustment Date.

1.7 Adjustment for Impositions on Loan Payments. All payments made by Borrower under the Loan Documents shall be made free and clear of, and without deduction or withholding for or on account of, any income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, hereafter imposed, levied, collected, withheld or assessed by any governmental or taxing authority (other than taxes on the overall net income or overall gross receipts of Lender imposed as a result of a present or former connection between Lender and the jurisdiction of the government or taxing authority imposing such taxes, provided, however, that this exclusion shall not apply to a connection arising solely from Lender's having executed, delivered, performed its obligations under, received a payment under, or enforced any of the Loan Documents). If any such amounts are required to be withheld from amounts payable to Lender, the amounts payable to Lender under these Loan Documents shall be increased to the extent necessary to yield to Lender, after payment of such amounts, interest or any such other amounts payable at the rates or in the amounts specified herein. If any such amounts are payable by Borrower, Borrower shall pay all such amounts by their due date and shall promptly send Lender a certified copy of an original official receipt showing payment thereof. If Borrower fails to pay such amounts when due or to deliver the required receipt to Lender, Borrower shall indemnify Lender for any incremental taxes, interest or penalties that may become payable by Lender as a result of any such failure.

1.8 Increased Costs of Maintaining Interest. Borrower shall pay to Lender all Funding Losses (as hereinafter defined) incurred from time to time by Lender upon demand. Lender shall deliver to Borrower a statement for any such sums to which Lender is entitled to receive pursuant to this Section 1.8, which statement shall be binding and conclusive absent manifest error. Payment of Funding Losses hereunder shall be in addition to any obligation to pay any other fee in circumstances where such fee(s) would be due and owing under the Loan Documents. For purposes hereof, "**Funding Losses**" shall mean the reduction of any amounts received or receivable from Borrower, in either case, due to the introduction of, or any change in, law or applicable regulation or treaty (including the administration or interpretation thereof), whether or not having the force of law, or due to the compliance by Lender with any directive, whether or not having the force of law, or request from any central bank or domestic or foreign governmental authority.

1.9 Acceleration. Notwithstanding anything to the contrary contained herein, if Borrower is prohibited by law from paying any amount due to Lender under Section 1.7 or Section 1.8 hereof, Lender may elect to declare the unpaid principal balance of the Loan, together with all unpaid interest accrued thereon and any other amounts due hereunder, due and payable within one hundred twenty (120) days of Lender's written notice to Borrower. Lender's delay or failure in accelerating the Loan upon the discovery or occurrence of an event under

Section 1.7 or Section 1.8 shall not be deemed a waiver or estoppel against the exercise of such right.

1.10 Interest Rate Hedge. Unless Borrower (or one of its affiliates on behalf of Borrower) has otherwise purchased an interest rate cap as protection against interest rate fluctuations under the Loan reasonably acceptable to Lender, at Lender's request at any time during the term of the Loan, Borrower shall obtain, and shall assign for the benefit of Lender, an interest rate cap as protection against interest rate fluctuations under the Loan which (1) will be in effect for a term approved by Lender and shall provide for payments whenever LIBOR exceeds a strike price determined by Lender in its sole discretion, (2) shall be in a notional amount equal to the original stated principal amount of the Note and (3) shall otherwise satisfy all interest rate cap requirements of Lender then in effect.

Section 2. Note Payments, Repayment and Prepayment Rights.

2.1 Payment Dates. Commencing on May 1, 2006 and continuing on the first day of each month thereafter (each a "Payment Date"), through and including the Payment Date immediately prior to the Maturity Date, Borrower shall pay (x) monthly payments of interest at the Note Rate (in effect as of the immediately preceding Note Rate Adjustment Date) based on principal outstanding during the Interest Accrual Period immediately prior to the applicable Payment Date and (y) any amounts due under the Loan Documents including, without limitation, those amounts described in Section 2.2 below. If any Payment Date is not a Business Day, such payment shall be due and payable on the immediately preceding Business Day.

2.2 Repayments. The outstanding principal amount of this Note shall be repaid, on the fifteenth (15th) day and thirtieth (30th) day of each calendar month, from and to the extent of (a) one hundred percent (100%) of all Initial Entrance Deposits as described in the Loan Agreement, and (b) one hundred percent (100%) of all payments (principal and interest) received by the Borrower under the Working Capital Loan Documents described in the Loan Agreement. Except as otherwise set forth above, Borrower may only repay the Loan in whole or in part on any Payment Date so long as each of the following conditions are satisfied:

- (A) Borrower provides at least ten (10) days written notice to Lender of its intent to repay prior to the intended repayment date which must be a Payment Date.
- (B) Borrower pays with such repayment all accrued interest through the end of the current Interest Accrual Period and all other outstanding amounts then due and unpaid under the Loan Agreement and the other Loan Documents.
- (C) Borrower pays with such repayment all costs and expenses incurred by Lender in connection with such repayment, as determined by Lender in its sole discretion, and any other costs and expenses due and payable by Borrower under the Loan Documents.

Section 3. Application of Payments. Payments made by Borrower on account hereof shall be applied, first, toward any Late Fees (defined in Section 8.3 below) or other fees and charges due hereunder, second, toward payment of any interest due at the Default Rate, third, toward payment of any interest due at the then applicable Note Rate set forth in Section 1.4 above, and fourth, toward payment of principal. Notwithstanding the foregoing, if any advances made by Lender under the terms of any instruments securing this Note have not been repaid, any payments made may, at the option of Lender, be applied, first, to repay such advances and interest thereon, with the balance, if any, applied as set forth in the preceding sentence.

Section 4. Maturity Date. Anything in this Note to the contrary notwithstanding, the entire unpaid balance of the principal amount hereof and all interest accrued thereon through the end of the current Interest Accrual Period and including interest accruing at the Default Rate, to and including the Maturity Date (as defined below) together with all fees, costs and amounts due and payable under the Loan Documents shall, unless sooner paid, and except to the extent that payment thereof is sooner accelerated, shall be and become due and payable on March ____, 2009, (the “**Maturity Date**”), provided that if the Maturity Date is not a Business Day, such payment shall be due and payable on the immediately preceding Business Day

Section 5. Extension of Maturity Date.

- (i) Extension Option. Borrower has the right to extend the Maturity Date of the Loan for two (2) additional terms (each an “**Extension Term**”), with the first additional term having twenty-four (24) months (“**First Extension Term**”) and extending the Maturity Date to March ____, 2011 (“**First Extended Maturity Date**”), and the second additional term having twenty-four (24) months (“**Second Extension Term**”) and extending the First Extended Maturity Date to March ____, 2013 (“**Second Extended Maturity Date**”). Upon Borrower’s proper and timely exercise of its rights under this Section 5, the term “**Maturity Date**” shall be deemed to be the First Extended Maturity Date and, as applicable, the Second Extended Maturity Date.
- (ii) Conditions Precedent to Maturity Date Extension. Each of the following conditions must be satisfied in a manner acceptable to Lender (or waived in writing by Lender) as a condition precedent to extension of the Maturity Date:
 - (A) Borrower delivers written notice to Lender not more than sixty (60) days and not less than thirty (30) days prior to the expiring Maturity Date advising that Borrower is exercising its Extension Option.
 - (B) Construction of each Construction Phase (as described in the Loan Agreement) has been or is being completed in accordance with the Plans and Specifications (as described in the Loan Agreement) and Projected Completion Costs

(as described in the Loan Agreement) as approved in all respects by Lender and the Construction Inspector (as defined in the "Loan Agreement").

- (C) Borrower has timely satisfied all requirements and conditions for the final advance for each Construction Phase as more particularly described in Article V and Schedule II of the Loan Agreement.
 - (D) No Event of Default exists and no event or condition exists that would be an Event of Default if notice had been given or applicable grace/cure periods had expired (or both), as of the date Borrower exercises such extension option and as of the commencement date of the relevant Extension Term.
 - (E) Borrower provides evidence, acceptable to Lender, that the sum of all Initial Entrance Deposits (as defined in Section 2.2 above) received by Borrower on or before the Maturity Date is no less than ninety percent (90%) of the sum of Initial Entrance Deposits at the Maturity Date shown on Borrower's final cash flow pro-forma projections for the Project (as defined in the Loan Agreement) as submitted and approved by Lender on or prior to the date hereof.
 - (F) Borrower executes and delivers to Lender an amendment to this Note, acceptable to Lender in all respects, which confirms the date to which the Maturity Date has been extended, the principal and interest amounts payable during the Extension Term, payment of the Usage Fee (described in Section 11 below) and such other matters as Lender may require.
 - (G) Borrower reimburses Lender for all costs reasonably incurred by Lender in processing the extension request, including, without limitation, reasonable legal fees.
- (iii) Commencing on the first Payment Date occurring during the Extension Term and continuing on each Payment Date thereafter, through and including the Payment Date immediately prior to the Maturity Date, Borrower shall make monthly payments consisting of accrued interest at the applicable Note Rate based on principal outstanding during the Interest Accrual Period, except for purposes of calculating the Note Rate for the Extension Term, the Margin shall be adjusted to reflect Lender's underwriting and pricing criteria then in effect for new loan originations as determined by Lender in its sole discretion.

Section 6. Delivery of Payments. All payments due to Lender under the Loan Documents are to be paid in immediately available funds to Lender at Lender's office located at 200 Witmer Road, P.O. Box 809, Horsham, Pennsylvania 19044, Attn: Servicing - Accounting Manager, or at such other place as Lender may designate to Borrower in writing from time to time. All amounts due under the Loan Documents shall be paid without setoff, counterclaim or any other deduction whatsoever. No payment due under this Note or any of the other Loan Documents shall be deemed paid to Lender until received by Lender at its designated office on a Business Day prior to 2:00 p.m. Eastern Standard Time. Any payment received after the time established by the preceding sentence shall be deemed to have been paid on the immediately following Business Day. Each payment that is paid to Lender within ten (10) days prior to the date on which such payment is due, and prior to its scheduled Payment Date, shall not be deemed a prepayment and shall be deemed to have been received on the Payment Date solely for the purpose of calculating interest due. If any payment received by Lender is deemed by a court of competent jurisdiction to be a voidable preference or fraudulent conveyance under any bankruptcy, insolvency or other debtor relief law, and is required to be returned by Lender, then the obligation to make such payment shall be reinstated, notwithstanding that the Note may have been marked satisfied and returned to Borrower or otherwise canceled, and such payment shall be immediately due and payable upon demand.

Section 7. Security.

The debt evidenced by this Note is to be secured by, among other things, (a) a Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing (collectively, the **"Deed of Trust"**) of even date herewith by Borrower for the benefit of Lender, and intended to be recorded in the office of the land records of, Douglas County, Colorado, covering certain real property which is described in Exhibit "A" to the Deed of Trust, and (b) a Guaranty (Full Payment and Performance) of even date herewith (the **"Guaranty Agreement"**), given by Erickson Retirement Communities, LLC, a Maryland limited liability company and Erickson Group, LLC, a Maryland limited liability company (individually and collectively, the **"Guarantor"**), for the benefit of Lender.

Section 8. Default.

8.1 Events of Default. Anything in this Note to the contrary notwithstanding, on the occurrence of any of the following events (each of which is referred to herein, together with each of the Events of Default defined and described in the Loan Agreement and the Deed of Trust as an **"Event of Default"**), Lender may, in the exercise of its sole and absolute discretion, accelerate the debt evidenced by this Note, in which event the entire outstanding principal balance and all interest and fees accrued thereon shall immediately be and become due and payable without further notice:

8.1.1 Failure to Pay or Perform. If (a) any payment of principal and interest is not paid in full on or before the Payment Date on which such payment is due, and such failure continues for five (5) days after the applicable Payment Date, (b) if unpaid principal, accrued but unpaid interest and all other amounts outstanding under the Loan Documents (defined below) are not paid in full on or before the Maturity Date or (c) there exists an uncured default under any

other document or instrument evidencing or securing the Loan (collectively, the “**Loan Documents**”) which has been executed by Borrower and/or Guarantor or any other party to the Loan Documents, and such default is not cured within the grace or cure period, if any, provided in any of such Loan Documents.

8.1.2 Bankruptcy.

(a) If Borrower or Guarantor (i) applies for or consents to the appointment of a receiver, trustee or liquidator of Borrower or Guarantor, as the case may be, or of all or a substantial part of its assets, (ii) files a voluntary petition in bankruptcy, or admits in writing its inability to pay its debts as they come due, (iii) makes an assignment for the benefit of creditors, (iv) files a petition or an answer seeking a reorganization or an arrangement with creditors or seeking to take advantage of any insolvency law, (v) performs any other act of bankruptcy, or (vi) files an answer admitting the material allegations of a petition filed against Borrower or Guarantor in any bankruptcy, reorganization or insolvency proceeding; or

(b) if (i) an order, judgment or decree is entered by any court of competent jurisdiction adjudicating Borrower or Guarantor a bankrupt or an insolvent, or approving a receiver, trustee or liquidator of Borrower or Guarantor or of all or a substantial part of its assets, or (ii) there otherwise commences with respect to Borrower or Guarantor or any of its assets any proceeding under any bankruptcy, reorganization, arrangement, insolvency, readjustment, receivership or like law or statute, and if such order, judgment, decree or proceeding continues unstayed for any period of sixty (60) consecutive days after the expiration of any stay thereof.

8.1.3 Judgments. If any judgment for the payment of money in excess of \$100,000.00 hereafter awarded against Borrower or Guarantor by any court of competent jurisdiction remains unsatisfied or otherwise in force and effect for a period of thirty (30) days after the date of such award.

8.2 No Impairment of Rights. Nothing in this Section shall be deemed in any way to alter or impair any right which Lender has under this Note or the Deed of Trust, or any other Loan Documents, or at law or in equity, to accelerate such debt on the occurrence of any other Event of Default provided herein or therein, whether or not relating to this Note.

8.3 Late Fees. Without limiting the generality of the foregoing provisions of this Section, if any payment due on a Payment Date is not received in full on or before the Payment Date, Borrower shall pay to Lender, immediately and without demand, a late payment charge, for each month during which such payment delinquency exists, equal to five percent (5%) of such amount (“**Late Fees**”) to defray the expenses incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of use of such delinquent payment.

Section 9. Costs of Enforcement. Borrower shall pay to Lender on demand the amount of any and all expenses incurred by Lender (a) in enforcing its rights hereunder or under the Deed of Trust and/or the Loan Documents, (b) as the result of the occurrence of an Event of

Default by Borrower in performing its obligations under this Note, including but not limited to the expense of collecting any amount owed hereunder, and of any and all reasonable attorneys' fees incurred by Lender in connection with such default, whether suit be brought or not, and (c) in protecting the security for the Loan and Borrower's obligations under the Loan Documents. Such expenses shall be added to the principal amount hereof, shall be secured by the Deed of Trust and shall accrue interest at the Default Rate.

Section 10. Borrower's Waiver of Certain Rights. Borrower and any endorser, guarantor or surety hereby waives the exercise of any and all exemption rights which it holds at law or in equity with respect to the debt evidenced by this Note, and of any and all rights which it holds at law or in equity to require any valuation, appraisal or marshalling, or to have or receive any presentment, protest, demand and notice of dishonor, protest, demand and nonpayment as a condition to Lender's exercise of any of its rights under this Note or the Loan Documents.

Section 11. Usage Fee. Commencing with the third (3rd) year of the Loan and continuing during each Extension Term, Borrower shall pay to Lender, on an annual basis in arrears, an amount equal to one eighth of one percent (.125%) of the outstanding principal balance of the Loan ("Usage Fee") and Lender's calculation of such Usage Fee shall be deemed conclusive absent manifest error.

Section 12. General.

12.1 Applicable Law. This Note shall be given effect and construed by application of the laws of the State of Colorado (without regard to the principles thereof governing conflicts of laws), and any action or proceeding arising hereunder, and each of Lender and Borrower submits (and waives all rights to object) to non-exclusive personal jurisdiction in the State of Colorado, for the enforcement of any and all obligations under the Loan Documents except that if any such action or proceeding arises under the Constitution, laws or treaties of the United States of America, or if there is a diversity of citizenship between the parties thereto, so that it is to be brought in a United States District Court, it shall be brought in the United States District Court for the District of Colorado or any successor federal court having original jurisdiction.

12.2 Headings. The headings of the Sections, subsections, paragraphs and subparagraphs hereof are provided herein for and only for convenience of reference, and shall not be considered in construing their contents.

12.3 Construction. As used herein, (a) the term "**person**" means a natural person, a trustee, a corporation, a limited liability company, a partnership and any other form of legal entity, and (b) all references made (i) in the neuter, masculine or feminine gender shall be deemed to have been made in all such genders, (ii) in the singular or plural number shall be deemed to have been made, respectively, in the plural or singular number as well, and (iii) to any Section, subsection, paragraph or subparagraph shall, unless therein expressly indicated to the contrary, be deemed to have been made to such Section, subsection, paragraph or subparagraph of this Note.

12.4 Severability. No determination by any court, governmental body or otherwise that any provision of this Note or any amendment hereof is invalid or unenforceable in any instance shall affect the validity or enforceability of (a) any other such provision or (b) such provision in any circumstance not controlled by such determination. Each such provision shall be valid and enforceable to the fullest extent allowed by, and shall be construed wherever possible as being consistent with, applicable law.

12.5 No Waiver. Lender shall not be deemed to have waived the exercise of any right which it holds hereunder unless such waiver is made expressly and in writing. No delay or omission by Lender in exercising any such right (and no allowance by Lender to Borrower of an opportunity to cure a default in performing its obligations hereunder) shall be deemed a waiver of its future exercise. No such waiver made as to any instance involving the exercise of any such right shall be deemed a waiver as to any other such instance, or any other such right. Further, acceptance by Lender of all or any portion of any sum payable under, or partial performance of any covenant of, this Note, the Deed of Trust or any of the other Loan Documents, whether before, on, or after the due date of such payment or performance, shall not be a waiver of Lender's right either to require prompt and full payment and performance when due of all other sums payable or obligations due thereunder or hereunder or to exercise any of Lender's rights and remedies hereunder or thereunder.

12.6 Waiver of Jury Trial; Service of Process; Court Costs. **BORROWER AND LENDER HEREBY WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH BORROWER AND LENDER MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS NOTE AND/OR ANY OF THE OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE BY BORROWER, UPON CONSULTATION WITH COUNSEL OF BORROWER'S CHOICE, AND BORROWER HEREBY REPRESENTS THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. BORROWER FURTHER REPRESENTS AND WARRANTS THAT IT HAS BEEN REPRESENTED IN THE SIGNING OF THIS NOTE AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, OR HAS HAD THE OPPORTUNITY TO BE REPRESENTED BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT IT HAS HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL. BORROWER HEREBY IRREVOCABLY DESIGNATES THE CORPORATION COMPANY, AS THE TRUE AND LAWFUL ATTORNEY OF BORROWER FOR THE PURPOSE OF RECEIVING SERVICE OF ALL LEGAL NOTICES AND PROCESS ISSUED BY ANY COURT IN THE STATE OF COLORADO AS WELL AS SERVICE OF ALL PLEADINGS AND OTHER DOCUMENTS RELATED TO ANY LEGAL PROCEEDING OR ACTION ARISING OUT OF THIS NOTE. BORROWER AGREES THAT SERVICE UPON THE CORPORATION COMPANY SHALL BE VALID REGARDLESS OF BORROWER'S WHEREABOUTS AT THE TIME OF SUCH SERVICE AND**

REGARDLESS OF WHETHER BORROWER RECEIVES A COPY OF SUCH SERVICE, PROVIDED THAT LENDER SHALL HAVE MAILED A COPY TO BORROWER IN ACCORDANCE WITH THE NOTICE PROVISIONS HEREIN. BORROWER AGREES TO PAY ALL COURT COSTS AND REASONABLE ATTORNEY'S FEES INCURRED BY LENDER IN CONNECTION WITH ENFORCING ANY PROVISION OF THIS NOTE. NOTWITHSTANDING THE FOREGOING, LENDER AGREES TO USE REASONABLE EFFORTS TO PROVIDE BORROWER WITH NOTICE OF THE FILING OF ANY LAWSUIT BY LENDER AGAINST BORROWER.

12.7 Offset. Upon the occurrence of an Event of Default, Lender may set-off against any principal and interest owing hereunder, any and all credits, money, stocks, bonds or other security or property of any nature whatsoever on deposit with, or held by, or in the possession of, Lender, to the credit of or for the account of Borrower, without notice to or consent of Borrower or Guarantor.

12.8 Non-Exclusivity of Rights and Remedies. None of the rights and remedies herein conferred upon or reserved to Lender is intended to be exclusive of any other right or remedy contained herein or in any of the other Loan Documents and each and every such right and remedy shall be cumulative and concurrent, and may be enforced separately, successively or together, and may be exercised from time to time as often as may be deemed necessary or desirable by Lender.

12.9 Incorporation by Reference. All of the agreements, conditions, covenants and provisions contained in each of the Loan Documents are hereby made a part of this Note to the same extent and with the same force and effect as if they were fully set forth herein. Borrower covenants and agrees to keep and perform, or cause to be kept and performed, all such agreements, conditions, covenants and provisions strictly in accordance with their terms.

12.10 Joint and Several Liability. [INTENTIONALLY DELETED]

12.11 Business Purpose. Borrower represents and warrants that the Loan evidenced by this Note is being obtained solely for the purpose of acquiring or carrying on a business, professional or commercial activity and is not for personal, agricultural, family or household purposes.

12.12 Interest Limitation. Notwithstanding anything to the contrary contained herein or in the Deed of Trust or in any other of the Loan Documents, the effective rate of interest on the obligation evidenced by this Note shall not exceed the lawful maximum rate of interest permitted to be paid. Without limiting the generality of the foregoing, in the event that the interest charged hereunder results in an effective rate of interest higher than that lawfully permitted to be paid, then such charges shall be reduced by the sum sufficient to result in an effective rate of interest permitted and any amount which would exceed the highest lawful rate already received and held by Lender shall be applied to a reduction of principal and not to the payment of interest. Borrower agrees that for the purpose of determining highest rate permitted by law, any non-principal payment (including, without limitation, Late Fees and other fees) shall be deemed, to the extent permitted by law, to be an expense, fee or premium rather than interest.

12.13 Modification. This Note may be modified, amended, discharged or waived only by an agreement in writing signed by the party against whom enforcement of such modification, amendment, discharge or waiver is sought.

12.14 Time of the Essence. Time is strictly of the essence of this Note.

12.15 Negotiable Instrument. Borrower agrees that this Note shall be deemed a negotiable instrument, even though this Note may not otherwise qualify, under applicable law, absent this paragraph, as a negotiable instrument.

12.16 Interest Rate After Judgment. If judgment is entered against Borrower on this Note, the amount of the judgment entered (which may include principal, interest, fees, Late Fees and costs) shall bear interest at the Default Rate, to be determined on the date of the entry of the judgment.

12.17 Relationship. Borrower and Lender intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Note or in any of the other Loan Documents shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by or between Borrower and Lender.

12.18 Waiver of Automatic Stay. **BORROWER HEREBY AGREES THAT, IN CONSIDERATION OF LENDER'S AGREEMENT TO MAKE THE LOAN AND IN RECOGNITION THAT THE FOLLOWING COVENANT IS A MATERIAL INDUCEMENT FOR LENDER TO MAKE THE LOAN, IN THE EVENT THAT BORROWER SHALL (A) FILE WITH ANY BANKRUPTCY COURT OF COMPETENT JURISDICTION OR BE THE SUBJECT OF ANY PETITION UNDER ANY SECTION OR CHAPTER OF TITLE 11 OF THE UNITED STATES CODE, AS AMENDED (THE "BANKRUPTCY CODE")**, OR SIMILAR LAW OR STATUTE; **(B) BE THE SUBJECT OF ANY ORDER FOR RELIEF ISSUED UNDER THE BANKRUPTCY CODE OR SIMILAR LAW OR STATUTE; (C) FILE OR BE THE SUBJECT OF ANY PETITION SEEKING ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY, OR OTHER RELIEF FOR DEBTORS; (D) HAVE SOUGHT OR CONSENTED TO OR ACQUIESCED IN THE APPOINTMENT OF ANY TRUSTEE, RECEIVER, CONSERVATOR, OR LIQUIDATOR; OR (E) BE THE SUBJECT OF AN ORDER, JUDGMENT OR DECREE ENTERED BY ANY COURT OF COMPETENT JURISDICTION APPROVING A PETITION FILED AGAINST ANY BORROWER FOR ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY OR RELIEF FOR DEBTORS, THEN, TO THE EXTENT PERMITTED BY APPLICABLE LAW AND SUBJECT TO COURT APPROVAL, LENDER SHALL THEREUPON BE ENTITLED, AND BORROWER HEREBY IRREVOCABLY CONSENTS TO, AND WILL NOT CONTEST, AND AGREES TO STIPULATE TO, RELIEF FROM ANY AUTOMATIC STAY OR OTHER INJUNCTION IMPOSED BY SECTION 362 OF THE BANKRUPTCY CODE OR**

SIMILAR LAW OR STATUTE (INCLUDING, WITHOUT LIMITATION, RELIEF FROM ANY EXCLUSIVE PERIOD SET FORTH IN SECTION 1121 OF THE BANKRUPTCY CODE) OR OTHERWISE, ON OR AGAINST THE EXERCISE OF THE RIGHTS AND REMEDIES OTHERWISE AVAILABLE TO LENDER AS PROVIDED IN THE LOAN DOCUMENTS, AND AS OTHERWISE PROVIDED BY LAW, AND BORROWER HEREBY IRREVOCABLY WAIVES ITS RIGHTS TO OBJECT TO SUCH RELIEF.

12.19 “Business Day”. Any reference to the term Business Day in this Note shall mean any day other than a Saturday, a Sunday, or days when Federal Banks located in the State of New York or Commonwealth of Pennsylvania are closed for a legal holiday or by government directive. When used with respect to the Note Rate Adjustment Date, “Business Day” shall mean a day upon which United States dollar deposits may be dealt in on the London and New York City interbank markets and commercial banks and foreign exchange markets are open in London and New York City.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Borrower has executed and sealed this Note or caused it to be executed and sealed on its behalf by its duly authorized representatives, the day and year first above written, and the obligations under this Note shall be binding upon Borrower's successors and assigns.

(a) The Grantor shall take any and all steps necessary to renew the Licenses in accordance with all applicable laws, rules and regulations and shall fully, promptly and faithfully comply with and perform its obligations and duties under the Licenses in accordance with the terms thereof, including, without limitation, (i) the payment of any and all issuance, renewal or other fees, charges, assessments and other expenses assessed by any issuing governmental authority in connection with any of the Licenses, (ii) the filing of any and all reports, surveys, schedules, certificates, applications and other items required by any issuing governmental authority as a condition precedent to any renewal, issuance, or continuance of any of the Licenses, and (iii) the operation and maintenance of the Retirement Community in compliance with all laws, rules and regulations imposed upon and governing retirement communities, assisted living facilities and comprehensive care facilities in general, and the Retirement Community in particular.

(b) The Grantor shall not (i) request any changes or amendments to any of the Licenses that are not customarily made in the ordinary course of business, or (ii) terminate, restrict, or cancel any of the Licenses, to the extent any such changes, amendments, termination, restriction or cancellation could have a materially adverse effect on the financial condition or operations of the Grantor or the Retirement Community.

(c) The Grantor will promptly (i) furnish to the Secured Party evidence of the issuance, renewal or continuance of any of the Licenses, and evidence of compliance with all of the conditions under which any of the Licenses exists, and (ii) inform the Secured Party of any notices received relating to the threatened or actual revocation, restriction, suspension or expiration of any of the Licenses, including any proposed or actual admission ban or restriction.

(d) The Grantor will promptly notify the Secured Party in writing of the happening of any of the following events: (i) any modification of any of the Licenses, if such modification would substantially affect such License, (ii) failure or inability of the Grantor to comply with any of the conditions of the Licenses, (iii) any receipt of any notice of the threatened or pending revocation, suspension, probation, expiration, amendment, or rescission of any of the Licenses or any pending or threatened revocation, suspension, probation, expiration, amendment, or rescission of any of the Licenses, and (iv) as a consequence of any sanction of a governmental authority, the issuance or threatened issuance of any of the Licenses for a period of less than twelve (12) months from the date of issuance.

19. Covenants Related to Residence and Care Agreements.

(a) To the extent that the Grantor has any authority or rights with respect to the Residence and Care Agreements, the Grantor shall not, without the prior written consent of the Secured Party, enter into, or take or fail to take any action pursuant to, or give any consent under the terms of, any Residence and Care Agreement which materially reduces or delays the amount (taken in the aggregate) or the timing of payment of any of the fees or charges payable by any resident as shown or described in the form delivered to Secured Party at closing, or which would in any other manner result in a reduction or delay in the amount or timing of payments under the Lease or the Documents, or in the amounts available to the Grantor for such purposes. Upon request of the Secured Party, the Grantor shall provide to Secured Party copies of executed Residence and Care Agreements, schedules regarding the same in form and substance acceptable to the Secured Party, and such other information regarding the Residence and Care Agreements and the residents of the Retirement Community as the Secured Party may reasonably require, including any information the Secured Party deems pertinent to evaluate the financial condition and business affairs of the Grantor.

(b) The Grantor hereby agrees that all Entrance Deposits shall be held as provided in Section 8.19 of the Loan Agreement. Except to the extent prohibited by law, the Grantor hereby assigns to Secured Party, and grants to Secured Party a security interest in, all of the Grantor's interest (if any) in the Entrance Deposits (which term shall include all similar deposits, payments or entrance fees charged by Grantor and relating to the occupation of living units in the Retirement Community), whether now in escrow or received after the date hereof. Except to the extent prohibited by applicable law, the Secured Party shall be entitled to exercise its remedies as secured party under the applicable Uniform Commercial Code, and all other rights and remedies available to the Secured Party, against the Entrance Deposits without being obligated to assume any of the obligations of the Grantor under the Residence and Care

Agreements, and the Grantor shall continue to be liable for all obligations of the Grantor thereunder. The Grantor hereby agrees to use its best efforts to satisfy the conditions precedent to permit the release of the Entrance Deposits from escrow.

20. Performance by Secured Party. If the Grantor fails to perform, observe, or comply with any of the conditions, terms or covenants contained in this Security Agreement, the Secured Party, without notice to or demand upon the Grantor and without waiving or releasing any of the Obligations or any default, may (but shall be under no obligation to) at any time thereafter perform such conditions, terms or covenants for the account and at the expense of the Grantor, and may enter upon any place of business or other premises of the Grantor for that purpose and take all such action thereon as the Secured Party may consider necessary or appropriate for such purpose. All sums paid or advanced by the Secured Party in connection with the foregoing and all costs and expenses (including, without limitation, attorneys' fees and expenses) incurred in connection therewith (collectively, the "Expense Payments") shall be paid by the Grantor to the Secured Party on demand and shall constitute and become a part of the Obligations secured hereby.

21. Event of Default. The occurrence of any one or more of the following events shall constitute an Event of Default under this Security Agreement: (a) any failure of Grantor to perform, observe or comply with any of the provisions of this Security Agreement which is not cured within ten (10) days after notice from the Secured Party; (b) the occurrence of an Event of Default under any of the Documents; (c) if any information furnished by the Grantor, or by any other person acting on behalf of an Grantor in connection with the Loan, the Collateral, or with any of the Documents shall prove untrue or misleading in any material respect; (d) the filing of any petition under the Bankruptcy Code or any similar federal or state statute by or against the Grantor, or the failure of the Grantor generally to pay debts as such debts become due; (e) the filing of an application for the appointment of a receiver for, the making of a general Security Agreement for the benefit of creditors by, or the insolvency of, the Grantor; or (f) the dissolution, merger, consolidation, or reorganization of the Grantor.

22. Rights and Remedies Upon an Event of Default. In the event of an Event of Default hereunder (and in addition to all of its rights, powers and remedies under this Security Agreement), the Secured Party may, at its option, declare the unpaid balance of all or any part of the Obligations to be immediately due and payable, and the Secured Party shall have all of the rights and remedies of a Secured Party under the applicable Uniform Commercial Code and other applicable laws. The Grantor, upon demand by the Secured Party, shall assemble the Collateral and make it available to the Secured Party at a place designated by the Secured Party which is mutually convenient to both parties. The Secured Party or its agents may enter upon the Grantor's premises with or without judicial process or proceedings to take possession of the Collateral, to remove it, to render it unusable or to sell or otherwise dispose of it.

Additionally, upon the occurrence of an Event of Default hereunder, the Secured Party may, by written notice to the Grantor and to any of such Grantor's account debtors, direct that any and all future payments in respect of such accounts shall be made directly to the Secured Party.

Subject to the provisions of this Security Agreement, upon or at any time after the occurrence of an Event of Default under the Documents, the Secured Party may, without notice and without regard to the adequacy of security for the Obligations under the Documents, either in person or by agent, with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enforce any and all rights and remedies of the Grantor under and in connection with any of the Licenses, except to the extent prohibited by law, and subject to the provisions of this Security Agreement or any of the other Documents, make, cancel, enforce, transfer or modify any of the Licenses and do any acts that the Secured Party deems proper to protect the security hereof. The Grantor agrees to take all actions necessary to enable the Secured Party to fully exercise its rights hereunder, including, but not limited to assisting the Secured Party to obtain any required governmental agency approval. The Grantor shall cooperate to the fullest extent possible in arranging for the transfer or issuance to the Secured Party or its designee or assignee of all licenses, permits, approvals and authorizations, and all governmental and private reimbursement agreements of any kind, necessary or useful to the operation of the Retirement Community, under applicable federal, state or local law. The cooperation required under this agreement shall include the execution, delivery and filing with appropriate governmental entities and private party health care reimbursers of all applications, petitions, requests, assignments and other documents or instruments of any kind, including but not limited to a surrender or termination of any existing operating license, provider agreement or other reimbursement agreement if requested by the Secured Party to facilitate the issuance of new licenses or provider agreements in the name of the Secured Party or its designee or assignee. The Secured Party shall have the right, and the Grantor hereby irrevocably designates and appoints the Secured Party and its designees as the attorney-in-fact of the Grantor, with power of substitution and with power and authority in the Grantor's name, the Secured Party's name or otherwise and for the use and benefit of the Secured Party to take control of, change the terms of, release, exchange, substitute, extend, renew or otherwise deal with, the Licenses in any manner as the Secured Party may deem advisable, should any Grantor fail to cooperate as required above.

Any written notice of the sale, disposition or other intended action by the Secured Party with respect to the Collateral which is required by applicable laws and is sent by regular mail, postage prepaid, to the Grantor at the address of the Grantor's chief executive office specified below, or such other address of the Grantor which may from time to time be shown on the Secured Party's records, at least ten (10) days prior to such sale, disposition or other action, shall constitute reasonable notice to the Grantor. The Grantor shall pay on demand all costs and expenses, including, without limitation, attorneys' fees and expenses, incurred by or on behalf of the Secured Party (a) in enforcing the Obligations, and (b) in connection with the taking, holding, preparing for sale or other disposition, selling, managing, collecting or otherwise disposing of, the Collateral. All of such costs and expenses (collectively, the "Enforcement Costs") shall be paid by the Grantor to the Secured Party on demand and shall constitute and become a part of the Obligations secured hereby. Any proceeds of sale or other disposition of the Collateral will be applied by the Secured Party to the payment of Enforcement Costs and Expense Payments, and any balance of such proceeds (if any) will be applied by the Secured Party to the payment of the remaining Obligations (whether then due or not), at such time or times and in such order and manner of application as the Secured Party may from time to time in its sole discretion determine.

In addition to, and without limitation of, any rights of the Secured Party under applicable laws, if Grantor becomes insolvent, however evidenced, or any Event of Default occurs, the Secured Party may at any time and from time to time thereafter, without notice to the Grantor, set-off, hold, segregate, appropriate and apply at any time and from time to time thereafter all such indebtedness, deposits, credits, balances (whether provisional or final and whether or not collected or available), monies, securities and other property toward the payment of all or any part of the Obligations in such order and manner as the Secured Party in its sole discretion may determine and whether or not the Obligations or any part thereof shall then be due or demand for payment thereof made by the Secured Party.

23. Remedies Cumulative. Each right, power and remedy of the Secured Party as provided for in this Security Agreement or in the other Documents or now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Security Agreement or in the Documents or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Secured Party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by the Secured Party of any or all such other rights, powers or remedies.

24. Waiver. No failure or delay by the Secured Party to insist upon the strict performance of any term, condition, covenant or agreement of this Security Agreement or of the other Documents, or to exercise any right, power or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, covenant or agreement or of any such breach, or preclude the Secured Party from exercising any such right, power or remedy at any later time or times. By accepting payment after the due date of any of the Obligations, the Secured Party shall not be deemed to have waived the right either to require prompt payment when due of all other Obligations, or to declare an Event of Default for failure to effect such payment of any such other Obligations. No course of dealing between the Secured Party and the Grantor shall be effective to amend, modify or change any provision of this Security Agreement or the other Documents, and the Secured Party shall have the right at all times to enforce the provisions of this Security Agreement and any of the other Documents in strict accordance with the terms hereof and thereof, notwithstanding any conduct or custom on the part of the Secured Party in refraining from so doing at any time or times. No modification, change, waiver or amendment of this Security Agreement shall be deemed to be made by the Secured Party unless in writing signed by the Secured Party, and each such waiver if any, shall apply only with respect to the specific instance involved. The Grantor waives presentment, notice of dishonor and notice of non-payment with respect to Accounts, General Intangibles, Supporting Obligations and Chattel Paper.

25. Governing Law. This Security Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Colorado (excluding principles of conflicts of law), both in interpretation and performance.

26. Miscellaneous. The paragraph headings of this Security Agreement are for convenience only, and shall not limit or otherwise affect any of the terms hereof. Neither this Security Agreement nor any term, condition, covenant or agreement hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party

against whom enforcement of the change, waiver, discharge or termination is sought. In conjunction with the sale, assignment or transfer of all or any part of the Obligations and of the Documents to any person or persons, the Secured Party may, without notice to or consent of the Grantor, at any time and from time to time sell, assign and transfer all or any part of this Security Agreement and the Collateral hereunder and each such purchaser, assignee and transferee shall have all of the rights, remedies and benefits of the Secured Party hereunder, provided that the Secured Party shall continue to have its rights, remedies and benefits hereunder as to so much of the Obligations and Documents that it has not sold, assigned or transferred. This Security Agreement shall be binding upon the personal representatives, successors and assigns of the Grantor and shall inure to the benefit of the successors, assigns and participants of the Secured Party. In the event any one or more of the provisions of this Security Agreement shall for any reason be held to be invalid, illegal or unenforceable, in whole or in part, or in any respect, or in the event that any one or more of the provisions of this Security Agreement operate or would prospectively operate to invalidate this Security Agreement, then and in either of those events, such provision or provisions only shall be deemed null and void and shall not affect any other provision of this Security Agreement and the remaining provisions of this Security Agreement shall remain operative and in full force and effect and shall in no way be affected, prejudiced or disturbed thereby. LC may also, at its sole discretion, declare the Note to be immediately due and payable in full, together with any accrued interest thereunder, and bring an action therefor, without necessity for presentment, demand, notice, or protest, all of which are waived by WC. LC's rights upon default are in addition to any rights which LC may have at law or in equity.

10. Entire Agreement. This Loan Agreement, the Loan Documents and the Note constitute the entire agreement between the parties in respect of the Loan and there are no oral agreements between the parties in connection herewith. This Loan Agreement, the Loan Documents and the Note may be amended only in writing upon execution of both parties.

15. Consent to Representation. The parties hereto consent to multiple representation by the attorney(s) drafting this Loan Agreement or the Note, or any amendments thereto and waive any claim of conflict of interest.

16. Successors and Assigns. The covenants herein shall be binding upon, and the rights hereunder shall inure to the benefit of the parties, their personal representatives, successors and assigns.

17. Waiver. No delay on the part of LC in exercising any of its rights under this Loan Agreement or the Note shall operate as a waiver thereof, and no single or partial exercise of any such rights (including acceptance of late payments by LC) shall preclude other or further exercise thereof, or the exercise of any other rights. Waiver by LC of any default by WC, or any other party, shall not constitute a waiver of any subsequent defaults but shall be restricted to the default so waived.

18. Notices. Any notice required or permitted by this Loan Agreement or the Note, to be given by either party to the other, may be either personally delivered or sent by certified mail, properly addressed and prepaid, to the addresses of the parties set forth on Exhibit B hereof, unless another address shall have been substituted for such address by notice in writing, the date of personal delivery being taken as the date of the giving of such notice.

In such event, WC will give notice to each resident subject to a Residence and Care Agreement assigned hereunder that LC has succeeded to WC's rights thereunder. In addition, WC herewith assigns and sets over to LC all of its right, title and interest in, to and under all licenses, certificates of need, operating permits, franchises and other governmental authorizations and approvals now or hereafter existing with respect to the acquisition, construction, renovation, expansion, leasing, ownership and/or operation of the Retirement Community, including all certificates of need, licenses

and other authorizations of any kind in connection with any nursing home or other health care facilities which are a part of the Retirement Community, and any and all licenses issued by any governmental authority relating to the operation of food and beverage facilities and/or amenities, and any and all third-party payment contracts under which payment may be made for services rendered at the Retirement Community, including, but not limited to, Medicare and Medicaid provider agreements issued to WC and the Retirement Community, together with all additions to, modifications of and substitutions for any of the foregoing.

FORM OF PROMISSORY NOTE

March ____, 2006

\$ 37,641,000

WORKING CAPITAL PROMISSORY NOTE

FOR VALUE RECEIVED, WIND CREST, INC. ("WC") promises to pay to the order of LITTLETON CAMPUS, LLC ("LC") at LC's offices at 701 Maiden Choice Lane, Baltimore, Maryland, 21228, the principal sum of Thirty-Seven Million Six Hundred Forty-One Thousand Dollars (\$37,641,000) (or so much thereof as has been advanced hereunder from time to time), together with interest thereon at the rate hereinafter provided and any and all other sums which may be owing to the holder of this Note by WC, on the eighth (8th) anniversary date of the date of this Note (the "Maturity Date"). The following terms shall apply to this Note:

1. Interest Rate. For the period from the date of this Note until the Maturity Date, interest shall accrue on the outstanding principal of this Note at the floating rate obtained by adding one percentage point (1 %) to the prime rate of interest, such rate to be adjusted based on the interest rate in effect as of the last business day of each month during the term hereof. The prime rate as used herein refers to that interest rate declared by GMAC Commercial Mortgage Corporation, from time to time.

2. Repayment. Interest accrued hereunder shall be paid to LC over the term hereof monthly in arrears, beginning on April 1, 2006 and continuing on the first date of each succeeding calendar month until the Maturity Date, at which time the entire outstanding principal amount hereof together with any accrued and unpaid interest, as well as any other fees and charges due hereunder, shall be due and payable in full in a single lump sum payment.

3. Calculation of Interest. Interest shall be calculated on the basis of a three hundred sixty (360) days per year factor applied to the actual days on which there exists an unpaid principal balance. Interest shall be calculated by LC and billed to WC for each appropriate period; provided, however, that failure of LC to bill WC shall not relieve WC's payment obligations hereunder.

4. Application of Payments. All payments made hereunder shall be applied first to accrued interest, and then to principal.

5. Prepayment. WC may prepay or repay all or any portion of the principal amount of this Note at any time without penalty.

6. Default Interest Rate. At any time after a default in the payment of any installment of interest, or of principal and interest, or in the payment of any other sums due hereunder, or upon the occurrence of any default by WC as defined in the Loan Agreement, LC may raise the rate of interest accruing on the disbursed unpaid principal balance by two (2) percentage points above the rate of interest otherwise applicable, independent of whether LC elects to accelerate the unpaid principal balance as a result of such default.

7. Interest Rate after Judgment. If judgment is entered against WC on this Note, the amount of the judgment entered (which may include principal, interest, default interest, late charges, fees and costs) shall be interest at the highest rate authorized under this Note as of the date of entry of the judgment.

8. Expenses of Collection. Should this Note be referred to an attorney for collection, whether or not suit has been filed, WC shall pay all of LC's costs, fees (including reasonable attorneys' fees) and expenses resulting from such referral.

9. Waiver of Protest. WC, and all parties to this Note, whether maker, indorser, or guarantor, waive presentment, notice of dishonor and protest.

10. Waiver of Jury Trial. WC and LC hereby voluntarily and intentionally waive any right they may have to a trial by jury in any action, proceeding or litigation directly or indirectly arising out of or under or in connection with this Note. This waiver applies to all claims against all parties to such actions and proceedings, including parties who are not parties to this Note. This waiver is knowingly, intentionally, and voluntarily made by WC, which acknowledges that it has been represented in the execution of this Note and in the making of this waiver by legal counsel and that it has had the opportunity to discuss this waiver with counsel. WC further acknowledges that it has read and understands the meaning and ramifications of this waiver provision.

11. Extension of Maturity Date. All parties to this Note, whether WC, maker, indorser, or guarantor, agree that the maturity of this Note, or any payment due hereunder, may be extended at any time or from time to time without releasing, discharging, or affecting the liability of such party.

Whether or not for additional interest or other consideration paid or payable to the Beneficiary, no forbearance on the part of the Beneficiary or extension of the time for the payment of the whole or any part of the Obligations secured hereby, whether oral or in writing, or any other indulgence given by the Beneficiary to Grantor or to any other part claiming any interest in or to the Mortgaged Property, shall operate to release or in any manner affect the original liability of Grantor, or the priority of this Deed of Trust, or to limit, prejudice or impair any right of the Beneficiary, including, without limitation, the right to realize upon the security, or any part thereof, for the Obligations secured hereby or any of them, notice of any such extension, forbearance or indulgence being hereby waived by Grantor and all those claiming by, through or under Grantor. No consent or waiver, express or implied, by the Beneficiary to or of any default by Grantor shall be construed as a consent or waiver to or of any further default in the same or any other term, condition, covenant or provision of this Deed of Trust or of the Obligations secured hereby.

Section 4. Security Agreement.

(a) Security Interest. This Deed of Trust (a) shall be construed as a Deed of Trust on real property, and (b) shall also constitute and serve as a "Security Agreement" on personal property within the meaning of, and shall constitute until the grant of this Deed of Trust shall terminate as provided in Section 2 hereof, a first and prior security interest under the Code

as to property within the scope thereof and in the state where the Mortgaged Property is located with respect to all fixtures and articles of personal property and any other property included in the Mortgaged Property, now owned or hereafter acquired by Grantor, which might otherwise be deemed "personal property" (and all accessions thereto and the proceeds thereof) (collectively, the "Personal Property"). To this end, Grantor GRANTS to, has GRANTED, BARGAINED, CONVEYED, ASSIGNED, TRANSFERRED, and SET OVER, and by these presents does GRANT, BARGAIN, CONVEY, ASSIGN, TRANSFER and SET OVER, unto Beneficiary, as secured party, a first and prior security interest and all of Grantor's right, title and interest in, to, under and with respect to the Personal Property to secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations. It is the intent of Grantor, Beneficiary, and Trustee that this Deed of Trust encumber all Leases and that all items contained in the definition of "Leases" which are included within the Code be covered by the security interest granted in this Section; and all items contained in the definition of "Leases" which are excluded from the Code be covered by the provisions of Section 2 hereof. Grantor will cooperate with Beneficiary in obtaining control with respect to portions of the Personal Property that are either or both deposit accounts or letter of credit rights.

(b) Financing Statements. Grantor hereby agrees with Beneficiary to execute and deliver to Beneficiary, in form and substance satisfactory to Beneficiary, such "Financing Statements" and such further assurances as Beneficiary may, from time to time, reasonably consider necessary to create, perfect, and preserve Beneficiary's security interest herein granted, and Beneficiary may cause such statements and assurances to be recorded and filed, at such times and places as may be required or permitted by law to so create, perfect, and preserve such security interest. Grantor authorizes Beneficiary to file such "Financing Statements" describing such portions of the Mortgaged Property as Beneficiary may desire.

(c) Fixture Filing. This Deed of Trust shall also constitute a "fixture filing" for the purposes of the Code with respect to the part of the Mortgaged Property which are or are to become fixtures; information concerning the security interest herein granted may be obtained from either party at the address of such party set forth herein. For purposes of the security interest herein granted, Grantor is the "debtor" and Beneficiary is the "secured party," and the addresses of debtor (Grantor) and secured party (Beneficiary) are set forth in the first paragraph of this Deed of Trust.

(d) No Changes. Grantor will not change its principal place of business or chief executive office, or change the state of its organization or registration, or change its name, without in each instance, the prior written consent of the Beneficiary, which consent shall not be unreasonably withheld or delayed. Beneficiary's consent will, however, be conditioned upon, among other things, the execution and delivery of additional financing statements, security agreements, and other instruments which may be necessary to effectively evidence or perfect the Beneficiary's security interest in the Mortgaged Property as a result of such changes.

Section 5. Assignment of Rents.

(a) To facilitate and secure payment and performance of the Obligations, Grantor hereby absolutely and presently transfers and assigns to Beneficiary all right, title and interest of Grantor in and to all Leases and all Rents arising from or out of the Leases or from or

out of the Property or any part thereof. Beneficiary hereby grants to Grantor a license to collect and retain Rents prior to the occurrence of any Event of Default hereunder, such license shall be revocable by Beneficiary without notice to Grantor at any time after the occurrence of an Event of Default, and immediately upon any such revocation, Beneficiary shall be entitled to receive, and Grantor shall deliver to Beneficiary, any and all Rents theretofore collected which remain in the possession or control of Grantor. In furtherance of this Assignment, and not in lieu hereof, Beneficiary may require a separate assignment of rents and leases and/or separate specific assignments of rents and leases covering one or more of the Leases; the terms of all such assignments are incorporated herein by reference.

(b) Grantor hereby authorizes and directs the lessees and tenants under the Leases that, upon written notice from Beneficiary, all Rents shall be paid directly to Beneficiary as they become due. Grantor hereby relieves the lessees and tenants from any liability to Grantor by reason of the payment of the Rents to Beneficiary. Nevertheless, Grantor shall be entitled to collect the Rents until Beneficiary notifies the lessees and tenants in writing to pay the Rents to Beneficiary. Beneficiary is hereby authorized to give such notification upon the occurrence of an Event of Default and at any time thereafter while such Event of Default is continuing. Receipt and application of the Rents by Beneficiary shall not constitute a waiver of any right of Beneficiary under this Deed of Trust or applicable law, shall not cure any Event of Default hereunder, and shall not invalidate or affect any act done in connection with such Event of Default, including, without limitation, foreclosure proceedings.

(c) Beneficiary does not assume and shall not be liable for any obligation of the lessor under any of the Leases and all such obligations shall continue to rest upon Grantor as though this assignment had not been made. Beneficiary shall not be liable for the failure or inability to collect any Rents.

(d) Neither the assignment of rents and leases contained herein or in any separate assignment nor the exercise by Beneficiary of any of its rights or remedies thereunder or in connection therewith, prior to Beneficiary obtaining actual possession of the Property, shall constitute Beneficiary a "mortgagee in possession" or otherwise make Beneficiary responsible or liable in any manner with respect to the Property or the occupancy, operation or use thereof.

Section 6. Default and Remedies. If an Event of Default shall occur, the Beneficiary may exercise any and all remedies provided under this Deed of Trust, under the Note, and under any and all other instruments and documents providing security for the Obligations, or any other remedies available under applicable law or anyone or more of such remedies, including one or more of the following:

(a) Acceleration. Declare all of the Obligations to be immediately due and payable without any further presentment, demand, protest or notice of any kind being required.

(b) Foreclosure; Power of Sale. Foreclose this Deed of Trust, insofar as it encumbers the Property, either by judicial action or through Trustee. If this Deed of Trust encumbers more than one parcel of real estate, foreclosure may be by separate parcel or en masse, as Beneficiary may elect in its sole discretion. Foreclosure through Trustee will be initiated by Beneficiary's filing of its notice of election and demand for sale with Trustee. Upon

the filing of such notice of election and demand for sale, Trustee shall promptly comply with all notice and other requirements of the laws of Colorado then in force with respect to such sales, and shall give four (4) weeks' public notice of the time and place of such sale by advertisement weekly in some newspaper of general circulation then published in the County or City and County in which the Property is located. Any sale conducted by Trustee pursuant to this Section shall be held at the front door of the county courthouse for such County or City and County, or on the Property, or at such other place as similar sales are then customarily held in such County or City and County, provided that the actual place of sale shall be specified in the notice of sale. All fees, costs and expenses of any kind incurred by Beneficiary in connection with foreclosure of this Deed of Trust, including, without limitation, the costs of any appraisals of the Property obtained by Beneficiary, all costs of any receivership for the Property advanced by Beneficiary, and all attorneys' and consultants' fees incurred by Beneficiary, shall constitute a part of the Obligations and may be included as part of the amount owing from Grantor to Beneficiary at any foreclosure sale. The proceeds of any sale under this Section shall be applied first to the fees and expenses of the officer conducting the sale, and then to the reduction or discharge of the Obligations; any surplus remaining shall be paid over to Grantor or to such other person or persons as may be lawfully entitled to such surplus. At the conclusion of any foreclosure sale, the officer conducting the sale shall execute and deliver to the purchaser at the sale a certificate of purchase which shall describe the property sold to such purchaser and shall state that upon the expiration of the applicable periods for redemption, the holder of such certificate will be entitled to a deed to the property described in the certificate. After the expiration of all applicable periods of redemption, unless the property sold has been redeemed by Grantor, the officer who conducted such sale shall, upon request, execute and deliver an appropriate deed to the holder of the certificate of purchase or the last certificate of redemption, as the case may be. Beneficiary or Beneficiary's designee may purchase the Property at any sale. Nothing in this Section dealing with foreclosure procedures or specifying particular actions to be taken by Beneficiary or by Trustee or any similar officer shall be deemed to contradict or add to the requirements and procedures now or hereafter specified by Colorado law, and any such inconsistency shall be resolved in favor of Colorado law applicable at the time of foreclosure. Grantor hereby waives the benefits of any legal or equitable doctrine or principle of marshalling.

(c) Receiver. Apply without notice for the appointment of a receiver of all or any part of the Mortgaged Property and the rents and profits thereof, and such receiver shall have all the broad and effective functions and powers anywhere entrusted by a court to a receiver. Beneficiary shall be entitled to the appointment of such receiver forthwith as a matter of absolute right, without regard to the adequacy or inadequacy of the value of the Mortgaged Property or the solvency or insolvency of Grantor or any other defendant, upon *ex parte* application to any court of competent jurisdiction. Grantor hereby waives any right to any hearing or notice of hearing prior to the appointment of a receiver and waives any right to object to the appointment of such receiver and expressly consents thereto. The income, profits, rents, issues and revenues from the Mortgaged Property shall be applied by such receiver according to the provisions of this Deed of Trust and the practice of the court appointing such receiver.

(d) Rents. Without regard to the adequacy of any security for the Obligations or the solvency of Grantor or any other person or entity, send notifications to any and all lessees

and tenants under the Leases that all Rents shall be paid to Beneficiary. All Rents collected by Beneficiary may be applied in any manner that Beneficiary deems advisable.

(e) Beneficiary's Uniform Commercial Code Remedies. Exercise its rights of enforcement with respect to Fixtures and Personal Property under the Code, and in conjunction with, in addition to or in substitution for the rights and remedies under the Code.

Section 7. No Representation by Beneficiary. By accepting or approving anything required to be observed, performed, or fulfilled or to be given to Beneficiary pursuant to the Community Loan Agreement or any of the other Loan Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Beneficiary shall not be deemed to have warranted, consented to, or affirmed the sufficiency, legality, effectiveness, or legal effect of the same, or of any term, provision, or condition thereof, and such acceptance or approval thereof shall not be or constitute any warranty or affirmation with respect thereto by Beneficiary.

Section 8. Miscellaneous.

(a) Maximum Interest. It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Colorado law governing the maximum rate or amount of interest payable on the Note or the Indebtedness (or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Colorado law). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, Community Loan Agreement or any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Community Loan Agreement or any of the other Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Maximum Lawful Rate shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note, Community Loan Agreement or any other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder.

(b) Release. If the Indebtedness is paid in full in accordance with the terms of this Deed of Trust, the Note, the Community Loan Agreement or any of the other Loan Documents, and if Grantor shall well and truly perform each and every of the Obligations to be performed and discharged in accordance with the terms of this Deed of Trust, the Note, the Community Loan Agreement or any of the other Loan Documents, then this conveyance shall become null and void and be released at Grantor's request and expense, and Beneficiary shall

have no further obligation to make advances under and pursuant to the provisions hereof or in the Community Loan Agreement or any of the other Loan Documents.

3.2. If, on the Date of Settlement of his or her Residence and Care Agreement, a Resident has not paid the required Initial Entrance Deposit in full, then WC shall require such Resident to execute and deliver to WC a promissory note with a maturity date of not more than twelve months from such Date of Settlement and bearing interest of not less than five percent (5%) per annum for the unpaid balance of the Initial Entrance Deposit. Upon payment of any interest and/or principal to WC, WC shall either (i) if required by Regulatory Escrow Requirements, deposit such payment into Regulatory Escrow or (ii) if not required to be deposited, disburse such payment to LC as a Loan advance.

4. Interest Payments.

4.1. During the Initial Move-In Period for each Phase, LC agrees to pay interest monthly on the aggregate Loan advances disbursed for such Phase at the rate of one-twelfth (1/12) of four and four-tenths percent (4.4%) per annum. The interest shall be payable to WC monthly in arrears on the Interest Payment Date.

4.2. Upon the completion of the Initial Move-In Period for a Phase, the aggregate amount of the Loan shall be increased by the amount equal to the sum of the then applicable Initial Entrance Deposits for all of the remaining unsettled Continuing Care Units in such Phase, plus the amounts outstanding, if any, of the Resident's promissory notes referenced in Section 3.2 above applicable to such Phase. Upon completion of the Initial Move-In Period for each Phase, the monthly payment for such Phase shall be calculated as if the aggregate amount of principal attributed to such Phase is amortized in equal monthly installments over a thirty (30) year term at the rate of four and four-tenths percent (4.4%), per annum (even though the full face amount of such Note and the entire principal attributed to such Phase have not been advanced). Due to the fact that the principal amount outstanding under the Note may increase due to the disbursement of certain Loan advances subsequent to the completion of the Initial Move-In Period for a Phase, the portion of such monthly payment allocated to the payment of interest under the Note for such Phase will increase upon LC's receipt of such additional Loan advances. Thereafter, as WC receives the Initial Entrance Deposits on the remaining unsettled Continuing Care Units and payments of principal and interest on Residents' promissory notes evidencing all or any portion of an Initial Entrance

Deposit for such Phase, WC shall disburse to LC such sums received as advances on the Loan, and such advances shall be confirmed by written notice from WC to LC. Interest shall be due and payable on such Loan advances only from the date of such Loan advance.

4.3. WC acknowledges and agrees that in the event that WC fails to pay to LC any sums as and when due under the Master Lease, LC may offset against payments due under the Note an amount equal to such sums not paid by WC. In addition, WC and LC acknowledge and agree that payments due from WC to LC under this Loan Agreement shall be credited against sums due WC from LC pursuant to the Master Lease.

5. The Note.

5.1. Upon execution and delivery of this Loan Agreement by the parties hereto, WC shall execute and deliver to LC the Note in the form attached hereto as Exhibit C, and LC agrees to commence monthly interest payments on the Loan advances for such Phase (and each Phase thereafter upon commencement of the Initial Move-In Period for that Phase), calculated in accordance with the terms of this Loan Agreement and the Note.

5.2. LC agrees to maintain accurate and complete books and records reflecting all sums advanced under the Loan, all payments thereunder, and the proper application of each monthly payment under the Note to principal and interest under the Note. LC further agrees to provide to WC, upon request, a written statement of the principal amount due under the Note, and the application of monthly payments under the Note.

6. Security by WC.

6.1. The parties acknowledge that LC is relying on the commitment of WC to advance funds in accordance with the terms of this Loan Agreement, and that in the event WC defaults in such obligation, LC will suffer material adverse consequences. Consequently, as collateral security for WC's obligations hereunder, WC herewith assigns and sets over to LC all of its right, title and interest in and to (i) the Residence and Care Agreements; and (ii) the Entrance Deposits; and grants to LC a security interest therein. WC will, on request, execute and cause to be filed in appropriate record offices any financing statements, continuation statements or other documents, including a collateral assignment, as may be necessary or appropriate to perfect such security interest. In the event of default by WC in any of its obligations under this Loan Agreement, LC shall have the right to exercise all rights of WC under the Residence and Care Agreements, including the right to enter into such modifications, terminations or amendments thereof as LC may deem appropriate (provided the rights of Residents to occupy the Continuing Care Units subject to their respective Residence and Care Agreements, and to receive the health care services provided for therein, are not impaired, and provided LC satisfies any laws, rules and regulations applicable to LC exercising such rights), all without notice to or concurrence of WC.

6.2. As additional security for all of WC's obligations hereunder, and to the extent not prohibited by law, WC assigns and sets over to LC all of WC's right, title and interest in, to and under (i) all licenses, certificates of need, operating permits, franchises and other governmental authorizations and approvals now or hereafter existing with respect to the acquisition, construction, renovation, expansion, leasing, ownership and/or operation of the Retirement Community, including all certificates of need, licenses and other authorizations of any kind in connection with any nursing home or other health care facilities which are a part of the Retirement Community; (ii) any and all licenses issued by any governmental authority relating to the operation of food and beverage facilities and/or amenities; (iii) any and all third-party payment contracts under which payment may be made for services rendered at the Retirement Community, including, but not limited to, Certificate of Registration, Medicare and Medicaid provider agreements issued to WC and the Retirement Community; and (iv) any and all personalty of WC located on the Property and utilized in connection with the operation or maintenance of the Retirement Community; together with all additions to, modifications of and substitutions for any of the foregoing. WC will, on request, execute and cause to be filed in appropriate record offices, any financing statements, continuation statements or other documents including a collateral assignment, as may be necessary or appropriate to perfect such security interest.

6.3. WC acknowledges and agrees that LC may collaterally assign this Loan Agreement and the other Loan Documents to any lender providing financing for construction of all or any part of the Retirement Community (the "Bank"), as security for any Development Loan made by the Bank to LC. WC agrees to recognize the Bank and its successors or assigns rights to Loan advances upon WC's receipt of written notice from the Bank that LC is in default under such Development Loan, and to execute and deliver such documents as the Bank may reasonably request to confirm such assignment.

7. Representations, Covenants and Warranties.

7.1. LC hereby represents, covenants and warrants as follows:

7.1.1. LC has been duly established as a Maryland limited liability company, is validly existing and authorized to do business and is in good standing in the State of Maryland; is qualified to do business in the State of Colorado; has full power and authority to own its assets and to conduct the activities in which it is engaged; and is in compliance in all material respects with all laws, regulations, ordinances, orders and other requirements of all governmental bodies or agencies applicable to it or its business activities. This Loan Agreement and the Note, when executed and delivered by LC, shall constitute legal, valid, and binding obligations of LC, enforceable against LC according to their terms.

7.1.3. LC has an insurable title in the Property described in the Mortgage, free and clear of all mortgages, security interests, liens and encumbrances, except for liens to secure the Development Loans and except for such items as are set forth on Exhibit D attached hereto.

7.2.1. A copy of the Articles of Incorporation and By-Laws of WC;

8.1.4. A resolution executed by the members of LC, consenting to the borrowing of the funds evidenced by the Loan and the execution and delivery of this Loan Agreement, the Note and the Mortgage by LC;

8.1.5. The Note, in the form attached hereto as Exhibit C; and

8.1.6. The Mortgage, in a form acceptable to WC.

8.2. All representations and warranties of LC contained in this Loan Agreement shall be true and correct in all material respects.

8.3. There shall not have occurred and be continuing any default in the performance or observance of any of the covenants, agreements or conditions to be performed or observed by LC under any of the Loan Documents or the Master Lease nor shall there have occurred and be continuing any event, fact or circumstance which, with the passage of time, the giving or notice, or both, would constitute such a default.

9. Default.

9.1. Upon any failure by LC to make any payment of principal or interest under this Loan Agreement or the Note within ten (10) days after the due date thereof, WC, at WC's option may elect to terminate this Loan Agreement, in which event WC's obligation to disburse Loan advances shall immediately terminate. WC may also, in such event and at its sole discretion, declare the Note to be immediately due and payable in full, and bring an action therefor, without necessity for presentment, demand, notice or protest, all of which are waived by LC.

9.2. Upon default by either party of its obligations under the Loan Documents, the other party shall have the right to seek damages or the remedy of specific performance.

10. Subordination. WC agrees that it will subordinate the Mortgage to the operation and effect of any current or future mortgages, deeds of trust and security interests which LC has imposed or may impose on the Property in accordance with the Master Lease, including liens to secure Development Loans, and to consent to and recognize any pledge by LC to any holder of any Development Loans LC's interest in the Loan as security for such Development Loans.

11. Entire Agreement. This Loan Agreement and the other Loan Documents constitute the entire agreement between the parties in respect of the Loan, and there are no oral agreements between the parties in connection herewith. This Loan Agreement and the other Loan Documents may be amended only in writing executed by both parties.

12. Assignment. The rights and obligations of LC under the Loan Documents may be (i) assigned to any entity which becomes the landlord under the Master Lease or master tenant under any master lease which may replace the Master Lease and (ii) pledged to secure any Development Loans; however, neither WC nor LC shall otherwise assign or pledge any of their respective rights or obligations hereunder without the prior written consent of the other party. Notwithstanding the foregoing, in order to enable the Residents to receive refunds of their Entrance Deposits upon their departure from the Retirement Community, the following assignments shall occur without the necessity of any additional documentation:

(a) WC shall conclusively be deemed to have assigned its rights and obligations

hereunder, including its rights to receive repayment of the Loan, to any successor (either by voluntary or involuntary act or by operation of law) to its rights, title and interest under the Master Lease; and

(b) In the event the Master Lease is terminated for any reason, WC shall conclusively be deemed to have assigned its rights and obligations hereunder, including its rights to receive repayment of the Loan, (i) to the entity legally responsible for the obligation to refund the Entrance Deposits to Residents upon their departure from the Retirement Community, or, in the event no entity or entities are legally responsible, then (ii) to LC. LC and WC agree to execute and deliver such documents as may be requested by either party hereto to evidence, secure and assure the assignments contemplated by this Section.

13. Survival of Covenants. All representations, covenants and warranties made herein shall survive the making of the Loan and the delivery of the Note and other Loan Documents.

14. Governing Law. This Loan Agreement and all of the other Loan Documents shall be governed by the law of the State of Colorado, and venue for any proceedings under this Loan Agreement shall be in the State of Colorado.

15. Severability. In the event that any provision of this Loan Agreement or any other Loan Document is held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the remainder of this Loan Agreement and other Loan Documents, which shall remain in full force and effect and shall be construed as though they had not contained the invalid or unenforceable provision.

16. Limitation on Liability of Members/Partners. The parties hereby agree and confirm that upon the occurrence of any default under any provision of this Loan Agreement or any other Loan Document, if any judicial proceedings to enforce the obligations of either party are brought by the other party, such proceedings shall be limited to the property and assets of the party against whom enforcement is being sought (which, in the case of WC, includes but is not limited to the Entrance Deposits in WC's possession or control, to the extent not prohibited by Regulatory Escrow Requirements and other applicable law). No judgment or suit shall be sought or obtained by any party against the members, partners or any officer, director or employee of a member or partners of the other party or against the assets of such persons or entities. Nothing herein contained shall limit or impair the liability of a member or partner of a party for any obligation arising independently of their status as a member or partner of such party.

17. Successors and Assigns. The covenants herein shall be binding upon, and the rights hereunder shall inure to the benefit of, the parties, their personal representatives, successors and assigns.

18. Waiver. No delay on the part of WC in exercising any of its rights under this Loan Agreement or the Note shall operate as a waiver thereof, and no single or partial exercise of any such rights (including acceptance of late payments by WC) shall preclude other or further exercise thereof

or the exercise of any other rights. Waiver by WC of any default by LC, or any other party, shall not constitute a waiver of any subsequent defaults but shall be restricted to the default so waived.

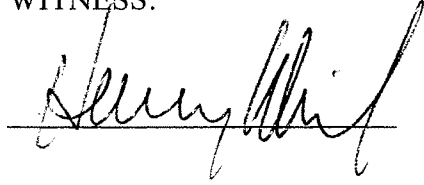

19. Notices. Any notice required or permitted by this Loan Agreement or the other Loan Documents, to be given by either party to the other, may be either personally delivered or sent by certified mail, properly addressed and prepaid, to the addresses of the parties set forth in Exhibit B hereof, unless another address shall have been substituted for such address by notice in writing, the date of so depositing or of personal delivery being taken as the date of the giving of such notice.

WIND CREST
COMMUNITY LOAN AGREEMENT

EXHIBIT C

FORM OF PROMISSORY NOTE

March ___, 2006

\$556,770,000**COMMUNITY LOAN NOTE**

FOR VALUE RECEIVED, Littleton Campus, LLC ("LC") promises to pay to the order of Wind Crest, Inc. ("WC") at WC's offices 701 Maiden Choice Lane, Baltimore, Maryland 21228, the aggregate principal sum of Five Hundred Fifty-Six Million Seven Hundred Seventy Thousand Dollars (\$556,770,000), or such portion thereof as may have been advanced, from time to time, together with interest thereon at the rate hereinafter provided and any and all other sums which may be owing to the holder this Note by LC, on the "Maturity Date" (as hereinafter defined). The following terms shall apply to this Note:

1. **Interest Rate.** For the period from the date of this Note until the Maturity Date, interest shall accrue on the outstanding principal of this Note at the rate of four and four-tenths percent (4.4%) per annum of the outstanding principal of the Note.

2. **Repayment.** During the Initial Move-In Period for each Phase, as defined in the Community Loan Agreement by and between WC and LC dated as of even date herewith, (the "Community Loan Agreement"), LC agrees to pay WC interest monthly in arrears on the first calendar day of the month on the aggregate Loan advances disbursed for such Phase at the rate of one twelfth (1/12) of four and four-tenths percent (4.4%) per annum. Upon completion of the Initial Move-In Period for a Phase, LC agrees to pay to WC equal monthly installments of principal and interest in an amount to be calculated based on amortizing the aggregate principal amount attributable to such Phase at 4.4% per annum over thirty (30) years (even though the full face amount of this Note or such principal has not been advanced as of the date hereof.) If additional Loan advances are made pursuant to the terms of the Community Loan Agreement for such Phase, the monthly payments shall not increase, but the portion of such payment allocated to the payment of interest shall increase. To the extent required above, the payments of principal and interest for each Phase shall commence on the first day of the first Calendar Month following the date Loan proceeds are first advanced by WC to LC under the Community Loan Agreement, and continue thereafter on the same day of each succeeding calendar month until the earlier to occur of (i) payment in full of all sums due under this Note, or (ii) the 360th month thereafter (such date as calculated in this Clause 2(ii) shall be the "Maturity Date"), at which time the entire remaining principal balance, together with accrued but unpaid principal and interest thereon, shall be due and payable.

3. **Calculation of Interest.** Interest shall be calculated on the basis of a three hundred sixty (360) days per year factor applied to the actual days on which there exists an unpaid principal balance. Interest shall be calculated by WC and billed to LC for each appropriate period; provided, however, that failure of WC to bill to LC shall not relieve LC's payment obligations hereunder.

4. **Application of Payments.** All payments made hereunder shall be applied first to accrued interest, and then to principal.

5. **Prepayment.** LC may prepay or repay all or any portion of the principal amount of this Note at any time without penalty or premium.

6. Default Interest Rate. At any time after a default in the payment of any installment of interest, or of principal and interest, or in the payment of any other sums due hereunder, or upon the occurrence of any default by LC as defined in the Community Loan Agreement, WC may raise the rate of interest accruing on the disbursed unpaid principal balance by two (2) percentage points above the rate of interest otherwise applicable, independent of whether WC elects to accelerate the unpaid principal balance as a result of such default.

7. Interest Rate after Judgment. If judgment is entered against LC on this Note, the amount of the judgment entered (which may include principal, interest, default interest, late charges, fees and costs) shall be interest at the highest rate authorized under this Note as of the date of entry of the judgment.

8. Expenses of Collection. Should this Note be referred to an attorney for collection, whether or not judgment has been confessed or suit has been filed, LC shall pay all of WC's costs, fees (including reasonable attorney's fees) and expenses resulting from such referral.

9. Waiver of Protest. LC, and all parties to this Note, whether maker, indorser, or guarantor, waive presentment, notice of dishonor and protest.

10. Waiver of Jury Trial. LC and WC hereby voluntarily and intentionally waive any right they may have to a trial by jury in any action, proceeding or litigation directly or indirectly arising out of or under or in connection with this Note. This waiver applies to all claims against all parties to such actions and proceedings, including parties who are not parties to this Note. This waiver is knowingly, intentionally, and voluntarily made by LC who acknowledges that it has been represented in the execution of this Note and in the making of this waiver by legal counsel and that it had the opportunity to discuss the waiver with counsel. LC further acknowledges that it has read and understands the meaning and ramifications of this waiver provision.

11. Extension of Maturity Date. All parties to this Note, whether LC, maker, indorser, or guarantor, agree that the maturity of this Note, or any payment due hereunder, may be extended at any time or from time to time without releasing, discharging, or affecting the liability of such party.

12. Assignment. The rights and obligations of WC shall be assigned pursuant to the terms and provisions of the Community Loan Agreement.

13. Limitation of Liability of Members/Partners. The parties hereby agree and confirm that upon the occurrence of any default and/or Event of Default under any provision of this Note, if any judicial proceedings to enforce the obligations of either party are brought by any party, such proceedings shall be limited to the property and assets of the party (which, in the case of WC, includes but is not limited to the Entrance Deposits in WC's possession or control, to the extent not prohibited by Regulatory Escrow Requirements and other applicable law). No judgment or suit shall be sought or obtained by any party against the members or partners of the parties, or any officer,

director or employee of a member or partner of the parties or their assets. Nothing herein contained shall limit or impair the liability of a member or partner of a party for any obligation arising independently of their status as a member or partner of such party.

For purposes of this Agreement, the term "proceeds" includes whatever is receivable or received when Pledged Collateral or proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary, and includes, without limitation, proceeds of any indemnity or guaranty payable to Pledgor or the Secured Party from time to time with respect to any of the Pledged Collateral.

Section 2. Security for Obligations. This Agreement secures, and the Pledged Collateral is collateral security for, the prompt payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a)), of the Loan and all obligations and liabilities of every nature of the Company now or hereafter existing under or arising out of or in connection with the Loan Agreement and the other Loan Documents and all extensions or renewals thereof, whether for principal, interest (including without limitation interest that, but for the filing of a petition in bankruptcy with respect to the Company, would accrue on such obligations), fees, expenses, indemnities or otherwise, whether voluntary or involuntary, direct or indirect, absolute or contingent, liquidated or unliquidated, whether or not jointly owed with others, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such obligations or liabilities that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from the Secured Party as a preference, fraudulent transfer or otherwise (all such obligations and liabilities being the "Underlying Debt"), and all obligations of every nature of the Pledgor now or hereafter existing under this Agreement (all such obligations of the Pledgor, together with the Underlying Debt, being the "Secured Obligations").

Section 3. Delivery of Pledged Collateral. All certificates or instruments representing or evidencing the Pledged Collateral shall be delivered to and held by or on behalf of the Secured Party pursuant hereto and shall be in suitable form for transfer by delivery or, as applicable, shall be accompanied by Pledgor's endorsement, where necessary, or duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Secured Party. The Secured Party shall have the right, at any time in its discretion and without notice to any Pledgor, to transfer to or to register in the name of the Secured Party or any of its nominees any or all of the Pledged Collateral, subject only to the revocable rights specified in Section 7(a). In addition, the Secured Party shall have the right at any time to exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations.

Section 4. Representations and Warranties. Pledgor represents and warrants, with respect to itself and the Pledged Collateral listed opposite its name on Schedule I attached hereto, as follows:

(a) Due Authorization, etc. of Pledged Collateral. All of the Pledged Interests held by Pledgor have been duly authorized and validly issued and are fully paid and non-assessable.

(b) Ownership of Pledged Collateral. Pledgor is the legal, record and beneficial owner of the Pledged Collateral free and clear of any Lien except for the security interest created by this Agreement.

(c) Perfection. The pledge of the Pledged Collateral pursuant to this Agreement, together with the recording of the financing statements executed by the Pledgor in connection herewith among the UCC records of the Maryland State Department of Assessments and Taxation, creates a valid and perfected first priority security interest in the Pledged Collateral, securing the payment of the Secured Obligations.

(d) Description of Pledged Interests. The Pledged Interests constitute one hundred percent (100%) of the issued and outstanding member interests in the Company, and there are no outstanding warrants, options or other rights to purchase, or other agreements outstanding with respect to, or property that is now or hereafter convertible into, or that requires the issuance or sale of, any Pledged Interests, except as set forth in the Company's Operating Agreement. None of the Pledged Interests are now or shall at any time hereafter be certificated or represented by any instrument possession of which would be required to perfect the Secured Party's lien.

Section 5. Transfers and Other Liens; Additional Pledged Collateral; Etc.

(a) Pledgor shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral, or (ii) create or suffer to exist any Lien upon or with respect to any of the Pledged Collateral, or (iii) permit the Company to merge or consolidate unless all of the outstanding member interests in the surviving or resulting company are, upon such merger or consolidation, pledged hereunder and

no cash, securities or other property is distributed in respect of the outstanding member interests or shares of any other constituent corporation or limited liability company;

(b) Pledgor shall (i) cause the Company not to issue any member interests or other securities in addition to or in substitution for the Pledged Interests, except to the Pledgor, and (ii) notwithstanding the foregoing clause (i), pledge hereunder, immediately upon its acquisition (directly or indirectly) thereof, any and all additional member interests or other securities of the Company which may be issued at any time;

(c) Pledgor shall promptly notify the Secured Party of any event of which Pledgor becomes aware causing a material loss or depreciation in the value of the Pledged Collateral;

(d) Pledgor shall promptly deliver to the Secured Party all written notices received by it with respect to the Pledged Collateral; and

(e) Pledgor shall pay promptly when due all taxes, assessments and governmental charges or levies imposed upon, and all claims against, the Pledged Collateral, except to the extent the validity thereof is being contested in good faith; provided that Pledgor shall in any event pay such taxes, assessments, charges, levies or claims not later than five days prior to the date of any proposed sale under any judgment, writ or warrant of attachment entered or filed against Pledgor or any of the Pledged Collateral as a result of the failure to make such payment.

Section 6. Further Assurances; Pledge Amendments.

(a) Pledgor agrees that from time to time, at the expense of Pledgor, Pledgor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that the Secured Party may request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Secured Party to exercise and enforce its rights and remedies hereunder with respect to any Pledged Collateral. Without limiting the generality of the foregoing, Pledgor will: (i) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Secured Party may request, in order to perfect and preserve the security interests granted or purported to be granted hereby and (ii) at the Secured Party's request, appear in and defend any action or proceeding that may affect Pledgor's title to or the Secured Party's security interest in all or any part of the Pledged Collateral. Without implying any limitation on the foregoing, the Pledgor shall take such steps as the Secured Party may require and which may be necessary in order that the Secured Party may have "control" (to the extent control is permitted) with respect to the Pledged Collateral in accordance with the applicable Uniform Commercial Code. Further, to the extent permitted by applicable laws, the Secured Party may file, without the Pledgor's signature, one or more financing statements or other notices disclosing the Secured Party's liens and other security interests. The terms "sign," "signed" and "signatures" shall have their ordinary meanings except that, to the limited extent the Secured Party in an authenticated record expressly agrees otherwise from time to time in the exercise of its sole and absolute discretion, the terms may also include other methods used to authenticate.

(b) Pledgor further agrees that it will, upon obtaining any additional member interests or other securities required to be pledged hereunder as provided in Section 5(b), promptly (and in any event within five Business Days) deliver to the Secured Party a Pledge Amendment, duly executed by Pledgor, in substantially the form of Schedule II annexed hereto and incorporated herein by this reference (a "Pledge Amendment"), in respect of the additional Pledged Interests to be pledged pursuant to this Agreement. Pledgor hereby authorizes the Secured Party to attach each Pledge Amendment to this Agreement and agrees that all Pledged Interests listed on any Pledge Amendment delivered to the Secured Party shall for all purposes hereunder be considered Pledged Collateral; provided that the failure of Pledgor to execute a Pledge Amendment with respect to any additional Pledged Interests pledged pursuant to this Agreement shall not impair the security interest of the Secured Party therein or otherwise adversely affect the rights and remedies of the Secured Party or the Lender hereunder with respect thereto.

Section 7. Voting Rights; Dividends; Distributions; Etc.

(a) So long as no Event of Default shall have occurred and be continuing:

(i) Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Pledged Collateral or any part thereof for any purpose not inconsistent with the terms of this Agreement, the Loan Agreement or any other Loan Document; and

(ii) Pledgor shall be entitled to receive and retain, and to utilize free and clear of the lien of this Agreement, only the dividends, distributions and interest permitted under the terms of the Loan Agreement and other Loan Documents.

(b) Upon the occurrence and during the continuation of an Event of Default:

(i) upon written notice from the Secured Party to Pledgor, all rights of such Pledgor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 7(a)(i) shall cease, and all such rights shall thereupon become vested in the Secured Party who shall thereupon have the sole right to exercise such voting and other consensual rights;

(ii) all rights of Pledgor to receive the dividends, distributions and interest payments which it would otherwise be authorized to receive and retain pursuant to Section 7(a)(ii) shall cease, and all such rights shall thereupon become vested in the Secured Party who shall thereupon have the sole right to receive and hold as Pledged Collateral such dividends, distributions and interest payments; and

(iii) all dividends, distributions, principal and interest payments which are received by Pledgor contrary to the provisions of paragraph (ii) of this Section 7(b) shall be received in trust for the benefit of the Secured Party, shall be

segregated from other funds of Pledgor and shall forthwith be paid over to the Secured Party as Pledged Collateral in the same form as so received (with any necessary endorsements).

(c) In order to permit the Secured Party to exercise the voting and other consensual rights which it may be entitled to exercise pursuant to Section 7(b)(i) and to receive all dividends and other distributions which it may be entitled to receive under Section 7(a)(ii) or Section 7(b)(ii), Pledgor shall promptly execute and deliver (or cause to be executed and delivered) to the Secured Party all such proxies, dividend or distribution payment orders and other instruments as the Secured Party may from time to time reasonably request.

Section 8. The Secured Party Appointed Attorney-in-Fact. Pledgor hereby irrevocably appoints the Secured Party as Pledgor's attorney-in-fact, with full authority in the place and stead of Pledgor and in the name of Pledgor, the Secured Party may, from time to time in the Secured Party's discretion, take any action and execute any instrument that the Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation:

(a) to file one or more financing or continuation statements, or amendments thereto, relative to all or any part of the Pledged Collateral without the signature of Pledgor;

(b) to ask, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for money due and to become due under or in respect of any of the Pledge Collateral;

(c) to receive, endorse and collect any instruments made payable to Pledgor representing any dividend, principal or interest payment or other distribution in respect of the Pledged Collateral or any part thereof and to give full discharge for the same; and

(d) to file any claims or take any action or institute any proceedings that the Secured Party may deem necessary or desirable for the collection of any of the Pledged Collateral or otherwise to enforce the rights of the Secured Party and the Lenders with respect to any of the Pledged Collateral.

The Secured Party shall not take any of the actions described in paragraphs (b), (c) or (d) until after the occurrence of an Event of Default.

Section 9. The Secured Party May Perform. If Pledgor fails to perform any agreement contained herein, the Secured Party may itself perform, or cause performance of, such agreement, and the expenses of the Secured Party and the Lender incurred in connection therewith shall be payable by Pledgor under Section 13(b).

Section 10. Standard of Care. The powers conferred on the Secured Party hereunder are solely to protect the its interest in the Pledged Collateral and shall not impose any duty upon the Secured Party to exercise any such powers. Except for the exercise of reasonable care in the custody of any Pledged Collateral in its possession and the accounting for moneys actually received by it hereunder, the Secured Party shall have no duty as to any Pledged

Collateral, it being understood that the Secured Party shall have no responsibility for (a) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Pledged Collateral, whether or not the Secured Party has or is deemed to have knowledge of such matters, (b) taking any necessary steps (other than steps taken in accordance with the standard of care set forth above to maintain possession of the Pledged Collateral) to preserve rights against any parties with respect to any Pledged Collateral, (c) taking any necessary steps to collect or realize upon the Secured Obligations or any guarantee therefore, or any part thereof, or any of the Pledged Collateral, or (d) initiating any action to protect the Pledged Collateral against the possibility of a decline in market value. The Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of Pledged Collateral in its possession if such Pledged Collateral is accorded treatment substantially equal to that which the Secured Party accords its own property consisting of similar securities.

Section 11. Remedies.

(a) If any Event of Default shall have occurred and be continuing, the Secured Party may exercise in respect of the Pledged Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code as in effect in any relevant jurisdiction (the "Code") (whether or not the Code applies to the affected Pledged Collateral), and the Secured Party may also in its sole discretion, without notice except as specified below, sell the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange or broker's board or any of the Secured Party's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Secured Party may deem commercially reasonable, irrespective of the impact of any such sales on the market price of the Pledged Collateral. The Secured Party may be the purchaser of any or all of the Pledged Collateral at any such sale and the Secured Party shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Pledged Collateral payable by the Secured Party at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of Pledgor, and Pledgor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Pledgor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Secured Party shall not be obligated to make any sale of Pledged Collateral regardless of notice of sale having been given. The Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Pledgor hereby waives any claims against the Secured Party arising by reason of the fact that the price at which any Pledged Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Secured Party accepts the first offer received and does not offer such Pledged Collateral to more than one offeree. If the proceeds of any sale or other disposition of the Pledged Collateral are insufficient to pay all the Secured Obligations, Pledgor

shall be liable for the deficiency and the fees of any attorneys employed by the Secured Party to collect such deficiency.

(b) Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act of 1933, as from time to time amended (the "Securities Act"), and applicable state securities laws, the Secured Party may be compelled, with respect to any sale of all or any part of the Pledged Collateral conducted without prior registration or qualification of such Pledged Collateral under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Pledged Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Pledgor acknowledges that any such private sales may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including, without limitation, a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, Pledgor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Secured Party shall have no obligation to engage in public sales and no obligation to delay the sale of any Pledged Collateral for the period of time necessary to permit the insurer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it.

(c) If the Secured Party determines to exercise its rights to sell any or all of the Pledged Collateral, upon written request, Pledgor shall cause each issuer of any Pledged Interests to be sold hereunder from time to time to furnish to the Secured Party all such information as the Secured Party may request in order to determine the number of shares, interest and other instruments included in the Pledged Collateral which may be sold by the Secured Party in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

Section 12. Application of Proceeds. Except as expressly provided elsewhere in this Agreement, all proceeds received by the Secured Party in respect of any sale of, collection from, or other realization upon all or any part of the Pledged Collateral may, in the discretion of the Secured Party, be held by the Secured Party as Pledged Collateral for, and/or then, or at any time thereafter, applied in full or in part by the Secured Party against, the Secured Obligations in the following order of priority:

FIRST: To the payment of all costs and expenses of such sale, collection or other realization, including reasonable compensation to the Secured Party and its agents and counsel, and all other expenses, liabilities and advances made or incurred by the Secured Party in connection therewith, and all amounts for which the Secured Party is entitled to indemnification hereunder and all advances made by the Secured Party hereunder for the account of the Pledgor, and to the payment of all costs and expenses paid or incurred by the Secured Party in connection with the exercise of any right or remedy hereunder, all in accordance with Section 13;

SECOND: To the payment of all other Secured Obligations in such order as the Secured Party shall elect; and

THIRD: To the payment to or upon the order of the Pledgor, or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds.

Section 13. Indemnity and Expenses.

Pledgor agrees to indemnify the Secured Party from and against (i) the cost of enforcement of this Agreement, and (ii) any loss due to inaccuracy or breach of the representations and warranties contained in Section 4 hereof.

Section 14. Suretyship Waivers by Pledgor, etc.

(a) Pledgor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than indefeasible payment in full of the Underlying Debt. In furtherance of the foregoing and without limiting the generality thereof, Pledgor agrees as follows (to the extent not prohibited by applicable law): (i) the Secured Party may from time to time, without notice or demand and without affecting the validity or enforceability of this Agreement or giving rise to any limitation, impairment or discharge of Pledgor's liability hereunder, (A) renew, extend, accelerate or otherwise change the time, place, manner or terms of payment of the Underlying Debt, (B) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Underlying Debt or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations, (C) request and accept guaranties of the Underlying Debt and take and hold other security for the payment of the Underlying Debt, (D) release, exchange, compromise, subordinate or modify, with or without consideration, any other security for payment of the Underlying Debt, any guaranties of the Underlying Debt, or any other obligation of any Person with respect to the Underlying Debt, (E) enforce and apply any other security now or hereafter held by or for the benefit of the Secured Party in respect of the Underlying Debt and direct the order or manner of sale thereof, or exercise any other right or remedy that the Secured Party may have against any such security, as the Secured Party in its discretion may determine consistent with the Loan Agreement and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right or reimbursement or subrogation or other right or remedy of Pledgor against the Company or any other security for the Underlying Debt, and (F) exercise any other rights available to the Secured Party under the Loan Documents, at law or in equity; and (ii) this Agreement and the obligations of Pledgor hereunder shall be valid and enforceable and shall not be subject to any limitation, impairment or discharge for any reason (other than indefeasible payment in full of the Underlying Debt), including without limitation the occurrence of any of the following, whether or not Pledgor shall have had notice or knowledge of any of them: (A) any failure to assert or enforce or agreement not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy with respect to the Underlying Debt or any agreement relating thereto, or with respect to any guaranty of or other security for the payment of the Underlying Debt, (B) any waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions

(including without limitation provisions relating to events of default) of the Loan Agreement, any of the other Loan Documents or any agreement or instrument executed pursuant thereto, or any guaranty or other security for the Underlying Debt, (C) the Underlying Debt, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect, (D) the application of payments received from any source to the payment of indebtedness other than the Underlying Debt, even though the Secured Party might have elected to apply such payment to any part or all of the Underlying Debt, (E) any failure to perfect or continue perfection of a security interest in any other collateral which secures any of the Underlying Debt, (F) any defenses, set-offs or counterclaims which Borrower may allege or assert against the Secured Party in respect of the Underlying Debt, including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury, and (G) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of Pledgor as an obligor in respect of the Underlying Debt.

(b) Pledgor hereby waives, for the benefit of the Secured Party: (i) any right to require the Secured Party, as a condition of payment or performance by Pledgor, to (A) proceed against the Company, any guarantor of the Underlying Debt or any other Person, (B) proceed against or exhaust any other security held from the Company, any guarantor of the Underlying Debt or any other Person, (C) proceed against or have resort to any balance of any deposit account or credit on the books of the Secured Party or any Lender in favor of the Company or any other Person, or (D) pursue any other remedy in the power of the Secured Party whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Company including, without limitation, any defense based on or arising out of the lack of validity or the unenforceability of the Underlying Debt or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Company from any cause other than indefeasible payment in full of the Underlying Debt; (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon the Secured Party's errors or omissions in the administration of the Underlying Debt, except behavior which amounts to bad faith; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of this Agreement and any legal or equitable discharge of Pledgor's obligations hereunder (B) the benefit of any statute of limitations affecting Pledgor's liability hereunder or the enforcement hereof, (C) any rights to set-offs, recoupments and counterclaims, and (D) promptness, diligence and any requirement that the Secured Party protect, secure, perfect or insure any other security interest or lien or any property subject thereto; (vi) notices, demands, presentments, protests, notices of dishonor and notices of any action or inaction, notices of default under the Loan Agreement or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Underlying Debt or any agreement related thereto, notices of any extension of credit to the Company and notices of any of the matters referred to in the preceding paragraph and any right to consent to any thereof; and (vii) to the fullest extent permitted by law, any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of this Agreement.

(c) Until the Underlying Debt shall have been indefeasibly paid in full, Pledgor shall withhold exercise of (i) any right of subrogation, (ii) any right of contribution Pledgor may have against any guarantor of the Underlying Debt, and (iii) any benefit of, and any right to participate in, any other security now or hereafter held by the Secured Party. Pledgor further agrees that, to the extent the waiver of its rights of subrogation and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation Pledgor may have against the Company or against any other collateral or security, and any rights of contribution Pledgor may have against any such guarantor, shall be junior and subordinate to any rights the Secured Party may have against the Company, to all right, title and interest the Secured Party may have against the Company, to all right, title and interest the Secured Party may have in any such other collateral or security, and to any right the Secured Party may have against such guarantor.

(d) The Secured Party shall not have any obligation to disclose or discuss with Pledgor its assessment of the financial condition of the Company. Pledgor has adequate means to obtain information from the Company on a continuing basis concerning the financial condition of the Company and its ability to perform its obligations under the Loan Documents, and Pledgor assumes the responsibility for being and keeping informed of the financial condition of the Company and all of the circumstances bearing upon the risk of nonpayment of the Underlying Debt. Pledgor hereby waives and relinquishes any duty on the part of the Secured Party to disclose any matter, fact or thing relating to the business, operations or condition of the Company now known or hereafter known by the Secured Party.

Section 15. Continuing Security Interest; Transfer of Loan. This Agreement shall create a continuing security interest in the Pledged Collateral and shall (a) remain in full force and effect until the indefeasible payment in full of all Secured Obligations, (b) be binding upon Pledgor, its successors and assigns, and (c) inure, together with the rights and remedies of the Secured Party hereunder, to the benefit of the Secured Party and its successors, transferees, assigns and participants. Without limiting the generality of the foregoing clause (c), the Secured Party may assign or otherwise transfer the Note (or any interest therein) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Secured Party herein or otherwise, provided that such assignment or transfer shall not affect the benefits or rights granted to the Secured Party herein or otherwise. Upon the indefeasible payment in full of all Secured Obligations, the security interest granted hereby shall terminate and all rights to the Pledged Collateral shall revert to the Pledgor. Upon any such termination the Secured Party will, at Pledgor's expense, execute and deliver to Pledgor such documents as Pledgor shall reasonably request to evidence such termination and Pledgor shall be entitled to the return, upon its request and its expense, against receipt and without recourse to the Secured Party, of such of the Pledged Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof.

Section 16. Amendments; Etc. No amendment or waiver of any provision of this Agreement, or consent to any departure by Pledgor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Secured Party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

Section 18. Failure or Indulgence Not Waiver; Remedies Cumulative. No failure or delay on the part of the Secured Party in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST PLEDGOR ARISING OUT OF OR RELATING TO THIS AGREEMENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE OF COLORADO, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, PLEDGOR ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT. Pledgor designates and appoints Jeffrey A. A copy of any such process so served shall be mailed by registered mail to Pledgor as provided in this Agreement; provided that, unless otherwise provided by applicable law, any failure to mail such copy shall not affect the validity of service of such process. If any agent appointed by Pledgor refuses to accept service, Pledgor hereby agrees that service of process sufficient for personal jurisdiction in any action against Pledgor in the State of Colorado may be made by registered or certified mail, return receipt requested, to Pledgor as provided in this Agreement, and Pledgor hereby acknowledges that such service shall be effective and binding in every respect. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of the Secured Party to bring proceedings against Pledgor in the courts of any other jurisdiction.

Section 23. Waiver of Jury Trial. Pledgor hereby waives all rights to a jury in any action, counterclaim, or proceeding based upon, or related to, this Agreement or any of the Loan Documents. This waiver applies to all claims against all parties to such actions and proceedings, including parties who are not parties to this Agreement. This waiver is knowingly, intentionally, and voluntarily made by Pledgor who acknowledges that it has been represented in the execution of this Agreement and in the making of this waiver by independent legal counsel, selected of its own free will, and that it has had the opportunity to discuss this waiver with counsel. Pledgor further acknowledges that it has read and understands the meaning and ramifications of this waiver provision.

5. RENT OBLIGATION

5.1. As of the Initial Commencement Date, WC hereby agrees to pay to LC as Rent for the Premises the sums set forth in Exhibit E attached hereto. Such Rent shall be payable in advance on the first day of each month during the Lease Term and shall not be reduced or abated except in accordance with the terms of Article 18 of this Lease. WC covenants, without any previous demand therefor and without set-off, counterclaim, or deduction, to pay the Rent at the times and in the manner provided.

5.2. LC and WC acknowledge and agree that this Lease is intended to be absolutely "net" to LC, except as expressly provided otherwise in this Lease. Therefore, WC agrees to pay to LC promptly upon demand all sums payable by or assessed against LC as a result of LC's entry into this Lease or as a result of LC's ownership of such portion of the Premises as have been accepted by WC, except to the extent that LC is expressly liable for such cost or expense pursuant to the terms of this Lease. LC expressly agrees that LC is responsible for all taxes and assessments allocable to those portions of the Premises that have not yet been accepted by WC.

6.1. For the purpose of this Lease, "Tax Period" shall mean the fiscal year of each jurisdiction levying taxes on the Premises and "Applicable Taxes" shall mean ad valorem real and personal property taxes assessed and levied against the Premises and any personal property located on the Premises as of the tax status day next preceding each of the said fiscal years.

6.2. WC shall, as Additional Rent, remit to LC WC's proportional share of all Applicable Taxes becoming due and payable during the Lease Term irrespective of any law or regulation which may impose such Applicable Taxes on LC. Applicable Taxes for the Tax Periods in which the Lease Term begins or terminates shall be apportioned in proportion to the number of days the Lease Term exists within each of such Tax Periods bears to the total number of days in such Tax Period.

6.3. Special assessments which become due in full or any part thereof and all installments of special assessments which become due during the Lease Term (whether or not such assessments or the first of such installments become due prior to the Initial Commencement Date) shall be borne by WC as Additional Rent and shall be remitted by WC either (i) to the appropriate collecting authority, or (ii) to LC, if not payable by WC to the collecting authority. For purposes of this Subsection, payment in installments over the longest possible term will be deemed to have been elected in any instance where a determinable option to pay existed or may exist, even though an assessment may have been or may hereafter be paid in full, and WC shall bear the expense of only such installments as would have become due, payable and delinquent during the Lease Term had the installment option been elected.

6.4. WC shall remit or cause to be remitted directly to the appropriate taxing authority all personal property taxes on WC's personal property located upon the Premises.

6.5. WC shall not have the right to contest the amount or validity, in whole or in part, of Applicable Taxes or special assessments, or to withhold any portion of the Applicable Taxes beyond the date on which such Applicable Taxes are due, unless WC shall have obtained the prior written consent of LC thereto. If LC elects to contest the amount or validity, in whole or in part, of the Applicable Taxes or special assessments, WC shall cooperate fully with LC in such contest.

7. INSURANCE AND USE FEES

7.1. WC shall maintain comprehensive public liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Accepted Premises and the streets and alleys adjoining the Accepted Premises, affording protection of at least \$3,000,000 single limit per occurrence of loss or damage, subject to such deductibles as LC may permit. If during the Lease Term changed conditions or other pertinent factors, in the reasonable judgment of LC, should render inadequate the insurance limits referred to above, WC shall furnish on demand such additional coverage as may be reasonably required by LC. All such insurance shall be:

- (i) primary and noncontributory to any other insurance maintained by LC, and
- (ii) effected at WC's expense under valid and enforceable policies issued by insurers of recognized responsibility which are qualified to do business in the state in which the Property is located; and which have a rating of A or better and a financial size rating of X or larger from Best's Key Rating Guide and Supplemental Service, Property/Casualty (or comparable insurance rating service) and are acceptable to LC.

7.2. All policies shall name WC as insured and, as additional insureds, LC and any lender providing construction financing for all or any part of the Retirement Community, as their interests may appear, and shall, to the extent obtainable, contain an agreement by the insurer that such policies shall not be canceled or substantially modified without at least thirty (30) days' prior written notice to LC. Certificates of insurance evidencing coverage of such policies shall be delivered by WC to LC and any lender providing construction financing for all or any part of the Retirement Community, as their interests may appear, prior to the Initial Commencement Date, and similar replacement certificates shall be delivered by WC to such entities at least fifteen (15) days prior to the expiration dates of expiring policies. If WC does not provide such evidence of valid liability insurance coverage, then LC, at its option, may provide said coverage at any time and without notice to WC. The cost thereof will be charged to WC as Additional Rent and shall be payable upon demand.

7.3. WC shall obtain and maintain throughout the Lease Term fire and special form insurance covering the Accepted Premises in an amount not less than 100% of the then replacement cost of such Improvements on the Premises, being the cost of replacing such Improvements, subject to such deductibles as LC shall permit, in LC's reasonable discretion from time to time.

7.4. All such fire and special form insurance shall be effected at WC's expense under valid and enforceable policies issued by insurers approved by LC. Such policies shall name LC or LC's designee and any lender providing construction financing for all or any part of the Retirement Community as sole loss payee as trustee for the proceeds and shall insure LC, WC and any construction lender as their respective interests may appear. Each policy or certificate shall, to the extent obtainable, contain an agreement by the insurer that such

policies shall not be canceled or substantially modified without at least thirty (30) days' prior notice to LC. Memoranda of such policies shall be delivered by WC to LC prior to the Initial Commencement Date, and similar replacement policies shall be delivered by WC to such entities and at least fifteen (15) days prior to the expiration dates of expiring policies. If WC does not provide such evidence to LC of valid liability insurance coverage, then LC, at its option, may provide said coverage at any time and without notice to WC. The cost thereof will be charged to WC as Additional Rent and shall be payable upon demand.

7.5. WC, at its sole cost and expense, shall carry such additional or other insurance as customarily is maintained by operators of similar property, or as reasonably may be required by LC from time to time for its protection against any loss, hazard, or liability to which LC may be exposed. In addition, LC shall be named as an insured on any excess or umbrella insurance policies maintained by WC.

7.6. WC covenants that it will not do nor permit to be done, nor keep nor permit to be kept upon the Accepted Premises, anything which will contravene the policy or policies of insurance against loss by fire or other causes. WC covenants that under no circumstances will it keep or permit to be kept, do or permit to be done in or about the Accepted Premises, anything of a character so hazardous as to render it difficult, impracticable or impossible to secure insurance in companies acceptable to LC, and further, immediately upon notice, to remove from the Accepted Premises and/or to desist from any practice deemed by the insurance companies or the Association of Fire Underwriters as so affecting the insurance risk.

7.7. LC and WC hereby release and relieve the other and waive their respective rights of recovery and subrogation against the other for loss or damage arising out of or incident to any insured casualty which occurs on or about the Premises, whether due to the negligence of either party, their servants, agents, and employees.

7.8. Notwithstanding anything to the contrary contained in this Lease, for the first seven (7) years following the Initial Commencement Date LC agrees to reimburse to WC, annually, a sum equal to (i) all insurance costs paid, per annum, for public liability insurance or comparable insurance required to be carried by WC pursuant to Section 7.1 of this Lease or to be paid by WC under the Management Agreement for any other agreement, in excess of (ii) the average insurance costs paid per annum at continuing care retirement communities managed by Erickson Retirement Communities, LLC (the "Baseline Communities"). Insurance costs shall include but are not necessarily limited to, premiums and deductibles and costs of self-insurance or other risk management programs. The amounts set forth in clause (ii) shall be adjusted so that they are comparable basis with WC's insurance costs, taking into account the number of types of units at WC's community and the Baseline Communities and the types of coverage at such communities, the purpose of such payment by LC being to reflect any increased insurance costs arising from the insurance market in Colorado as opposed to the insurance costs in other parts of the United States where the Baseline

Communities are located. Prior to the Initial Commencement Date, the parties shall establish a protocol for computing the amounts in clauses (i) and (ii).

The terms of this Section 7.8 shall survive the termination of this Lease.

8. UTILITIES; PERMITS

8.1. WC agrees to pay or cause to be paid all charges and taxes incurred by WC or others claiming under or through WC for or on account of water, sewer, gas, electricity, light, heat and power and for telephone and other communication services, including protective devices, and all other public or private utility services which may be used, rendered or supplied upon, to or in connection with the Accepted Premises or any part thereof at any time during the Lease Term.

8.2. LC shall make application for and obtain the necessary permits and licenses for construction and development of the Improvements. WC agrees to thereafter make application for and obtain all licenses and permits necessary for the use and operation of the Premises as a Retirement Community, and LC agrees to execute and deliver to WC such applications as are necessary and are requested by WC to obtain such licenses and permits, provided LC is not obligated to incur any cost, expense or liability in connection therewith.

9. MAINTENANCE; ENVIRONMENTAL MATTERS; COOPERATION

9.1. WC agrees to keep and use the Accepted Premises in a safe, clean, orderly and sanitary manner. WC shall provide security services for the Accepted Premises. WC will keep all sidewalks, driveways and parking areas included in the Accepted Premises and subject to the Lease free of ice, snow and debris.

9.1.1. WC shall, during the Lease Term, keep the interior and exterior of the Accepted Premises, including those Improvements which are subject to the Lease, and appurtenances (including plumbing, heating, electrical, elevator, sprinkler and air conditioning systems thereof) in good order and condition and will make all necessary repairs and replacements thereto, including repairs to any damage caused by normal wear and tear, or by any waste, misuse or neglect of said Accepted Premises, its apparatus or appurtenances by WC, its agents, servants or employees or by any Resident or any invitee of any Resident, at WC's own expense. WC is obligated to prepare, for LC's written approval, a Capital Budget and an Operating Budget for the renovation and refurbishment of the Improvements on a regular basis. Such plan shall be based on the anticipated useful life of such Improvements. After the Capital Budget and Operating Budget are approved in writing by LC, WC shall be obligated to comply with such budgets and to cause such renovation and refurbishment to be done, unless LC consents in writing to a deviation from such plan, which consent may be refused in LC's sole discretion.

9.1.2. All such replacements shall be and remain the property of LC throughout the term of this Lease, and upon expiration of this Lease. WC agrees to execute and deliver to LC such documents as LC may reasonably request to confirm LC's ownership of such replacements.

9.1.3. WC will, at the expiration of the Lease Term or at the sooner termination thereof by forfeiture or otherwise, deliver up the Premises in the same good order and condition as they were upon the Commencement Date for each Phase of the Premises, reasonable wear and tear, permitted alterations, refurbishments, renovations and changes excepted. WC shall be charged with the protection of its own fixtures and personal property, and in no event shall LC be liable for any damage to such property by reason of fire, other casualty or the elements, leakage of water or steam or the acts or neglect of LC or any other person.

9.2. (a) LC shall, at its expense, remove or remediate in accordance with Environmental Requirements, Hazardous Materials located on the Property as of the date of this Lease that are known to LC, including any matters revealed in the environmental investigations of the Property prepared for LC and its affiliates (the "Environmental Reports"). WC shall neither take any action nor utilize the Premises in such a manner which would contaminate the Premises with Hazardous Materials. Should WC or persons under its control use any Hazardous Material on the Premises during the term of the Lease, such Hazardous Material shall be handled in accordance with all Environmental Requirements and manufacturers' requirements.

(b) Notwithstanding any provisions of this Agreement, WC shall indemnify, defend, and hold harmless LC from claims, losses penalties, sanctions, orders, damages or other costs, including reasonable attorneys' fees, incurred should contamination or other Environmental Claim arise from WC's use and operation of the Premises hereunder.

(c) Notwithstanding any other provision of this Agreement, LC shall indemnify, defend, and hold harmless WC from claims, losses, penalties, sanctions, orders, damages or other costs, including reasonable attorneys' fees incurred should contamination or other Environmental Claim arise from (i) facts, circumstances, conditions or Releases existing, initiated or occurring at the Property on or prior to the date of this Lease, to the extent known to LC (including the matters revealed in the Environmental Reports), or (ii) LC's development or use of the Property, unless and to the extent caused by WC's use and operation of the Premises hereunder. NO LENDER (OTHER THAN LC) HOLDING ANY SECURITY INTEREST IN THE PREMISES SHALL BE LIABLE TO WC UNDER THIS SUBSECTION (C), WHETHER BY VIRTUE OF ANY COLLATERAL ASSIGNMENT OF THIS LEASE BY LC, OR OTHERWISE.

(d) Notwithstanding any other provision of this Lease, the provisions of Section 9.2(b) and (c) shall survive any expiration or termination of this Lease.

9.3. WC shall use reasonable efforts to cooperate, at no cost or liability to WC, with LC in the development of each of the Phases.

9.4. Except as provided in Section 9.3, WC shall be responsible for: (i) all repairs and replacements (whether or not such would, in accordance with generally acceptable accounting principles, be deemed to be "capital" in nature) to the roofs, roads and parking areas in the Accepted Premises, and to the plumbing, heating, electrical, elevator, sprinkler and air conditioning systems in the Accepted Premises; and (ii) all improvements or additions to the Property and Improvements required to be made by any laws, rules, regulations, orders or other governmental requirements, now or hereafter in effect.

10. ALTERATIONS; COMPLIANCE WITH LAWS

10.1. LC covenants that, as of the Commencement Date for each Phase, the Phase to be leased to WC as part of the Premises shall be constructed in a good and workmanlike manner, be in material compliance with all applicable federal, state and local laws, ordinances, and regulations, as well as the requirements of the Association of Fire Underwriters, or similar governing insurance body then in effect. WC acknowledges and agrees that WC's sole remedy for a failure by LC to comply with the terms of this Section 10.1 shall be to seek specific performance and/or to pursue actual damages incurred by WC in performing LC's obligations under this Section 10.1.

10.2. WC covenants that it will not make any alterations, refurbishments, renovations, or changes of any kind to the Premises, including any change required to comply with Laws (as hereinafter defined), without first securing the written consent of LC, after submission of the plans therefor, such consent not to be unreasonably withheld. WC will, in making any such alterations, as well as in its use of the Premises, fully comply with all federal, state and local laws, ordinances, and regulations, as well as the requirements of the Association of Fire Underwriters, or similar governing insurance body (collectively, the "Laws"), all at WC's expense.

10.3. WC covenants promptly to comply with and do all things required by any notice served upon it or upon LC in relation to the Premises or any part thereof, from any applicable government or governmental agency, if the same shall be caused by WC's use or occupancy of the Premises, or any alteration, addition or change to the Premises performed by WC or by any change or addition to any Laws.

10.4. All alterations, changes, and improvements made by WC, whether at WC's behest or for the compliance with local, state, and U.S. laws or regulations, shall be made at WC's expense.

10.5. WC covenants that no liens, including mechanic's liens, shall attach to the Premises by virtue of any alteration, refurbishment, renovation or change made by WC, and that if any

such lien is filed WC will cause the same to be removed within thirty (30) days after such filing and shall indemnify and hold harmless LC from any damages resulting from such liens.

11. SIGNS AND APPEARANCE

WC shall not place or permit any signs in or about the Premises without the written permission of LC, such consent not to be unreasonably withheld. WC agrees that it will do nothing to change the uniform architecture, paint or appearance of the Improvements, including but not limited to the paint, covering of windows, or decoration of the Improvements, without the written consent of LC, such consent not to be unreasonably withheld.

12. SUBLETTING OR ASSIGNMENT

WC covenants that WC's interest in the Premises, or any part thereof, shall not be leased or sublet to any person, or a license, operating or concession arrangement granted, without the prior written consent of LC. WC further covenants that this Lease shall not be assigned to any person or entity without the prior written consent of LC. Any lawful levy or sale on execution or other legal process, and also any assignment or sale in bankruptcy, or insolvency, or under any compulsory procedure, or the appointment of a Receiver by a State or Federal court, shall be classified as an assignment within the meaning of this Lease. The decision to allow WC to sublet or to assign this Lease shall be in LC's sole discretion. If LC consents in writing to a subletting or an assignment of the Lease, WC hereunder shall remain liable for the performance of all the covenants and conditions of this Lease. Notwithstanding the provisions of this Article 12, WC need not obtain LC's consent for use of the Premises by its employees, agents, and contractors or for entering into Residence and Care Agreements with qualified Residents of the Retirement Community. LC shall be entitled to review and approve the terms of all subleases or licenses for any sublease or license of a portion of the Premises to retail or medical establishments entered into by WC, which approval will not be unreasonably withheld. LC expressly acknowledges and agrees that such retail and medical subleases and licenses are often entered into to provide necessary services to the Retirement Community, and are not always intended to create economic benefit for WC or to the Retirement Community.

13. INDEMNITY

13.1. WC shall and will save, hold and keep harmless and indemnify LC from and against any and all claims for damages whatsoever, and the costs of defending against the same, of any kind or nature, including personal injuries, arising in any manner or under any circumstances through the exercise by WC of any right granted or conferred hereby, or the performance or non-performance of any of its obligations hereunder, or any other act or omission of WC, its employees, residents, or invitees, whether such damage, including personal injury, be sustained by LC or its officers, agents, employees, residents, or invitees by residents of the Premises, or by other persons or corporations which seek to hold LC liable.

13.2. LC will save, hold, keep harmless and indemnify WC from and against any and all costs of repairs and claims for damages whatsoever and the cost of defending against same, of any kind or nature, including personal injuries, to the extent arising out of the negligent or faulty construction of the improvements and occurring prior to the time the improvements become part of the Accepted Premises; whether such costs or damage, including personal injury, be sustained by WC or its officers, agents, employees, residents; or invitees by residents of the Premises; or by other persons or corporations who seek to hold WC liable.

14. QUIET ENJOYMENT; SUBORDINATION TO MORTGAGE

14.1. LC covenants that WC shall quietly enjoy possession of the Premises during the Lease Term, so long as WC shall not be in default hereunder.

14.2. LC agrees that all Residence and Care Agreements entered into with Residents of the Premises shall be honored by LC, even in the event of termination of this Lease, and that any holder of any security interest in the Premises claiming under LC will not disturb the possessory rights of such Residents under Residence and Care Agreements so long as such Residents are not in default thereunder. LC's obligation of non-disturbance under this Subsection 14.2. in event of any termination of this Lease for any reason is conditioned upon all rent and other fees and assessments with respect to each Unit subject to such a non-disturbance agreement continuing to be paid by the Resident of such Unit, pursuant to the terms of such Resident's Residence and Care Agreement.

14.3. WC and LC hereby agree that in event of any termination of this Lease, WC shall, at the election of LC, assign over to LC or LC's designee, absolutely and free of any claim or right of WC, all of WC's rights and privileges under each of the Residence and Care Agreements then in existence with respect to any and all Units in the Premises, and, to the extent required under the Community Loan Agreement, all of WC's rights and privileges under the Community Loan. LC or LC's designee (as the case may be) will assume all of the obligations of WC under each of the assigned Residence and Care Agreements and the Community Loan arising subsequent to the date of such assignment.

14.4. Following an Event of Default, WC shall assign to LC all of WC's rights under any subleases, licenses, contracts and operating agreements with respect to the Premises requested by LC to be assigned to LC, subject to assumption by LC of all obligations of WC under each agreement so assigned, arising subsequent to the date of such assignment.

14.5. WC agrees that this Lease is and shall be subordinate to all mortgages and deeds of trust that are now, or may hereafter be, placed upon the Premises and to any and all advances to be made thereunder, and to the interest thereon, and all renewals, replacements and extensions thereof, provided, however, WC shall have entered into a non-disturbance agreement with LC's lender, which non-disturbance agreement shall provide that in the event of the enforcement by the trustee, mortgagee or beneficiary under any such lien documents of the remedies provided for by law or by such lien documents, any entity succeeding to the

interest of LC as a result of such enforcement will not terminate this Lease nor disturb WC in the possession and use of the Premises pursuant to this Lease and WC's rights hereunder (except as provided for in this Lease or on such other terms as may be agreed upon between WC and LC's lender). WC also agrees that any such trustee, mortgagee or beneficiary may elect to have this Lease constitute a prior lien to its mortgage or deed of trust, and in the event of such election and upon notification by such trustee, mortgagee or beneficiary to WC to that effect, this Lease shall be deemed prior in lien to such mortgage or deed of trust, whether this Lease is dated prior to or subsequent to the date of said mortgage or deed of trust. WC agrees that upon the request of LC, or any mortgagee or beneficiary, WC shall execute whatever instruments may be required to carry out the intent of this Section. Notwithstanding any other provision of this Section 14.5 to the contrary, pursuant to that certain Tenant Subordination Agreement between WC and GMAC Commercial Mortgage Corporation, a California corporation ("GMAC"), dated the date hereof, this Lease is and shall at all times be subordinate and inferior to that certain Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing to the Public Trustee for the benefit of GMAC, in the principal amount of \$83,000,000.00, encumbering the Property, dated the date hereof, and to all amounts secured thereby and future advances made thereunder, on the terms and conditions set forth in said Tenant Subordination Agreement

14.6. In the event any proceedings are brought for the foreclosure of, or in the event of the conveyance by deed in lieu of foreclosure of, or in the event of exercise of the power of sale under, any mortgage or deed of trust made by LC covering the Premises, WC hereby attorns to, and covenants and agrees to execute instrument in writing reasonably satisfactory to the new owner, whereby WC attorns to such successor in interest and recognizes such successor as LC under this Lease.

15. INSPECTION OF PREMISES

WC agrees that LC and any agents designated by it shall have the right to inspect the Premises at all reasonable times during business hours, or at any time in case of emergency provided, however, that LC's right to inspect occupied Independent Living Units, Assisted Living Units and Nursing Units shall be restricted in accordance with the terms of the Residence and Care Agreement of Residents occupying such Units. LC shall give WC reasonable notice of any inspection; provided, however, that in the case of emergency, LC need not give such notice.

16. RESTORATION

16.1. In the event the Premises are damaged or destroyed by fire, storm, the elements, act of God, unavoidable accident, the public enemy or other insured casualty, but not to such an extent in LC's judgment as to render up to fifty percent (50%) of the gross square footage of any Building unavailable, then WC shall restore such Building as speedily as possible, and Rent shall abate proportionately on such Building until the repairs are substantially completed. For purposes of such restoration, any and all insurance proceeds to be obtained by WC in accordance with Article 7 of this Lease payable on account of such loss (excluding

any rental loss insurance) shall be made available to WC to cover the cost of such restoration. Any proceeds from rental loss insurance shall be paid to LC. Any insurance deductible payment shall be paid by WC. Such restoration shall provide substantially equivalent facilities to those damaged or destroyed, to the extent of available insurance proceeds.

16.2. In the event the Premises are damaged or destroyed by fire, storm, the elements, act of God, unavoidable accident, the public enemy or other insured casualty, to such an extent in LC's judgment as to render more than fifty percent (50%) of the gross square footage of any Building unavailable, then LC shall restore such Building as speedily as possible, and Rent shall abate proportionately on such Building until the repairs are substantially completed. For purposes of such restoration, any and all insurance proceeds to be obtained by WC in accordance with Article 7 of this Lease payable on account of such loss (excluding any rental loss insurance) shall be made available to LC, and any lender providing construction financing for all or any part of the Retirement Community, to cover the cost of such restoration. Any insurance deductible payment and payment of all costs of restoration in excess of such insurance proceeds shall be paid by WC. Such restoration shall provide substantially equivalent facilities to those damaged or destroyed, to the extent of available insurance proceeds.

16.3. If WC fails to obtain and timely pay for casualty insurance premiums as provided in Article 7 of this Lease, then, notwithstanding the terms set forth in Sections 16.1 and 16.2 hereinabove, WC, at WC's own expense, shall be responsible for the restoration of the Premises as speedily as possible, and there shall be no abatement of Rent.

16.4. Prior to making any restoration pursuant to the terms of this Article, WC must obtain the consent of LC to the plans and specifications for such restoration, such consent not to be unreasonably withheld.

17. CONDEMNATION

17.1. If the whole or any part of the Premises shall be taken under the power of eminent domain, or shall be sold by LC under threat of condemnation proceedings, then this Lease shall terminate as to the part so taken or sold on the day when WC is required to yield possession thereof. LC shall make such repairs and alterations as may be necessary in order to restore the part not taken or sold to useful condition but in such event the Rent shall not be reduced or abated. Such restoration shall provide substantially equivalent facilities, but only to the extent of proceeds received or anticipated to be received by LC as a result of such taking or sale.

17.2. If the amount of the Premises so taken or sold is such as to impair substantially the future usefulness of the Premises as a Retirement Community, as agreed in writing by both LC and WC, then this Lease shall terminate as of the date when WC is required to yield possession.

17.3. LC shall have the sole right to bring a claim or receive compensation for any such taking or sale of the fee and the leasehold, or any part thereof. WC shall have the right to bring a claim or receive compensation for relocation of its operations, for the taking of the fixtures, furnishings, and equipment owned by WC, provided that such award does not diminish any award receivable by LC as a result of such taking. LC shall notify WC within ten (10) days of receipt of notice of the taking or condemnation.

18. DEFAULT BY WC

18.1. The following events shall be deemed an "Event of Default":

- (i) appointment of a receiver or trustee for WC in any court, which appointment is not vacated within thirty (30) days;
- (ii) if WC is adjudicated bankrupt or insolvent or makes an assignment for the benefit of creditors;
- (iii) any voluntary or involuntary petition shall be filed by or against WC under any section or chapter of the United States Bankruptcy Code or any similar federal or state statute, and in the event of an involuntary filing against WC, such filing is not vacated within thirty (30) days;
- (iv) WC fails to pay the Rent reserved hereunder within ten (10) days of the due date thereof, LC provides written notice to WC of such failure, and WC fails to pay such Rent within five (5) business days following receipt of notice from LC;
- (v) WC fails to comply with any of the requirements of Article 7 relating to its obligation to maintain insurance; or
- (vi) violation of any of the other covenants, terms or conditions of this Lease by WC, which violation shall remain uncured for a period of thirty (30) days after notice thereof in writing, provided, however, that in the event such default cannot reasonably be cured through the use of diligent efforts within thirty (30) days, WC shall be afforded an additional thirty (30) days to diligently pursue such cure.

18.2. If an Event of Default shall occur, LC may, at its option, but subject to the requirement set forth in Section 14.2 hereinabove that LC honor the rights of Residents of Units in the Premises, under Residence and Care Agreements:

- (i) terminate this Lease, in which event LC shall be entitled to the benefit, without further notice (all statutory notice requirements being hereby expressly waived), of all the provisions of law for summary possession of the Premises now in force or which may hereafter be enacted; or

- (ii) re-enter the Premises and operate the same to the exclusion of WC, for the account of WC, in which event LC may carry out, amend, terminate or modify any and all contracts and agreements previously entered into by WC with respect to the Premises including the Residence and Care Agreements and the Community Loan (so long as the rights of Residents under Residence and Care Agreements are not impaired thereby), make all management decisions with respect to the Premises, collect income, incur expenses, and otherwise operate the Premises, all for the account of WC, until such time as all prior defaults under the Lease have been cured and the Premises is operating on a sound financial basis, upon which time LC shall, unless LC has previously terminated the Lease on account of default, return the Premises to WC, accounting for all income received and expenses incurred; or
- (iii) set off against sums due and owing by LC to WC under the Community Loan any sums due and payable by WC to LC under this Lease, to the extent such sums are not received by LC when due; or
- (iv) exercise any other remedy available to LC at law or in equity.

18.3. LC's rights under this Article 18 to enter upon and operate the Premises as a Retirement Community are subject to all laws and regulations governing continuing care providers in the State of Colorado. In the event that LC declares an Event of Default and re-enters the Premises, LC may grant or assign WC's rights and obligations under this Lease, the Residence and Care Agreements and the Community Loan to Erickson Retirement Communities, LLC or to another registered continuing care provider, or may retain such rights to itself.

18.4 WC covenants and agrees to cooperate with LC with respect to any threatened or attempted appointment of a receiver for the Retirement Community by WC or by any other governmental or quasi-governmental entity exercising regulatory or oversight control over continuing care retirement communities in Colorado.

19. WC HOLDING OVER

If WC shall not immediately surrender possession of the Premises at the expiration of the Lease Term or the sooner termination of this Lease, WC shall become a tenant from month to month, provided the Rent shall be paid to and accepted by LC, in advance, at a rate of one hundred and fifty percent (150%) of the Rent payable just prior to the termination of this Lease; but unless and until LC shall accept such Rent from WC, LC shall continue to be entitled to re-take possession of the Premises without any prior notice whatever to WC. If WC shall fail to surrender possession of the Premises immediately upon the expiration of the Lease Term or the sooner termination of the Lease, WC hereby agrees that all of the obligations of WC and all rights of LC applicable during the Lease Term shall be equally applicable during such period of subsequent occupancy, regardless of the type of tenancy created.

20. WAIVER

Any waiver of any covenant or condition of this Lease shall be in writing signed by the party waiving the right, shall extend to the particular case only, and only in the manner specified, and shall not be construed as applying to or in any way waiving any further or other rights hereunder. The exercise of any of the options aforesaid shall not be construed as a waiver of LC's right to recover actual damages for any breach in an action at law, or to restrain any breach or threatened breach in equity or otherwise.

21. SECURITY FOR WC'S PERFORMANCE

21.1. Within forty-five (45) days after the end of each of the first three fiscal quarters of each fiscal year during the Lease Term, and within ninety (90) days after the end of each fiscal year during the Lease Term, including any renewal terms, WC will submit to LC statements of income and expenses in reasonable detail, reflecting operations of the Retirement Community and the Premises for the respective quarterly and annual periods, and, with the fiscal year end statement, a balance sheet reflecting WC's assets, liabilities and net worth, all in accordance with sound accounting principles, consistently applied. WC shall, at its own expense, contract with and pay for an independent certified public accountant(s) to prepare such financial statements.

21.2. WC will submit to LC annually, not later than sixty (60) days prior to the beginning of each of WC's fiscal years, a budget of anticipated expenses based upon the previous year's operations, and income projected to cover such expenses, (including fees payable to WC or its successors and assigns under the Residence and Care Agreements) plus appropriate contingency factors and reserves for that fiscal year (provided that this obligation shall not apply during the first year of operation of the Retirement Community). In addition, WC shall supply to LC, as promptly as reasonably possible, such other information as LC may reasonably request, from time to time, including, without limitations, marketing, sales and operating reports, additional backup or breakdowns of operating expenses, and/or information of any threatened or pending litigation.

21.3. [Reserved.]

21.4. As collateral security for WC's obligations hereunder, WC assigns and sets over to LC all of WC's right, title and interest in and to all Residence and Care Agreements entered into with respect to Units in the Premises, (including, but not limited to, all payments due to WC thereunder), and grants to LC a security interest therein. WC will, on request, execute and cause to be filed in appropriate record offices any financing statements, continuation statements or other documents, including a collateral assignment, as may be necessary or appropriate to perfect LC's security interest in the Residence and Care Agreements. In event of default by WC in any of its obligations under this Lease, LC shall have the right to exercise all rights of WC under such Residence and Care Agreements, including, if applicable, the right to collect all payments due thereunder, to set fees and charges payable

for all future periods, and to enter into such modifications, terminations or amendments thereof as LC may deem appropriate (provided the rights of Residents to occupy the Units under their respective Residence and Care Agreements are not terminated) all without notice to or concurrence of WC. In such event, WC will give notice to each Resident subject to a Residence and Care Agreement assigned hereunder that LC has succeeded to WC's rights thereunder. WC agrees that LC, as security for any indebtedness of LC, may assign its interest in such assignments.

21.5. As additional security for all of WC's obligations hereunder, and to the extent not prohibited by law, WC assigns and sets over to LC all of WC's right, title and interest in, to and under (i) all licenses, certificates of need, operating permits, franchises and other governmental authorizations and approvals now or hereafter existing with respect to the acquisition, construction, renovation, expansion, leasing, ownership and/or operation of the Retirement Community, including all certificates of need, licenses and other authorizations of any kind in connection with any nursing home or other health care facilities which are a part of the Retirement Community; (ii) any and all licenses issued by any governmental authority relating to the operation of food and beverage facilities and/or amenities; (iii) any and all third-party payment contracts under which payment may be made for services rendered at the Retirement Community, including, but not limited to, Certificate of Registration, Medicare and Medicaid provider agreements issued to WC and the Retirement Community; and (iv) any and all personalty of WC located on the Property and utilized in connection with the operation or maintenance of the Retirement Community; together with all additions to, modifications of and substitutions for any of the foregoing. WC will, on request, execute and cause to be filed in appropriate record offices, any financing statements, continuation statements or other documents including a collateral assignment, as may be necessary or appropriate to perfect such security interest. WC shall, upon request, execute a Collateral Assignment of Residence and Care Agreements and Assignment of Licenses to evidence these assignments. WC agrees that LC, as security for any indebtedness of LC, may assign its interest in such documents.

21.6. WC's accounts and books of record maintained by LC with respect to the operation of the Premises shall be subject to examination and audit by LC at any time during the Lease Term and any renewals hereof. In the Event of Default by WC in furnishing any of the financial statements provided for in Article 21.1 of this Lease, all costs of such examination and/or audit shall be borne by WC and shall be payable by WC as Additional Rent due hereunder promptly upon submission by LC of any bill or bills therefor.

21.7. As LC's security hereunder may be impaired hereunder unless Entrance Deposits are collected in full, WC agrees that it shall enforce collection of all sums due and owing to WC under any promissory note given by a Resident in payment of his or her Entrance Deposit.

21.8. WC acknowledges and agrees that in the event that this Lease terminates or expires prior to the satisfaction of the Community Loan that the provisions of Section 12(b) of the

Community Loan Agreement dated as of the date hereof, as such document may hereafter be amended or modified, shall control the disposition of WC's interest in the Community Loan.

22. COMMON AREAS/ RESERVATIONS

22.1 LC hereby reserves the right and any easements as it deems necessary to enter onto and use the Common Areas for the following purposes:

- (i) ingress and egress to and from areas adjacent to the Premises;
- (ii) construction of future Phases;
- (iii) parking, signage, and reciprocal easements;
- (iv) construction and installation of utilities and stormwater management facilities;
- (v) perform LC's rights or obligations under this Lease
- (vi) perform grading; and
- (vii) such other purposes as LC may reasonably deem necessary.

Upon the request of LC, WC will execute any and all documents necessary to evidence such rights and easements as LC may request.

22.2 WC agrees to execute and deliver to LC such easements, grants, licenses, leases or other agreements relating to the Premises as LC may request that are necessary or desirable for the construction or development of the Retirement Community, provided such documents do not impose any material obligation or liability on WC.

22.3 LC for itself and for its agents, and contractors, reserves the right to enter the Premises to complete the development work on the Premises and this Lease of the Premises shall be subject to the right to enter and access the entrance road into the Retirement Community, to enter and access the interior Retirement Community roads, the utility easements, and the rights of way for the purposes of completing the work.

23. NOTICES

Any notice required or permitted by this Lease, to be given by either party to the other, may be either personally delivered or sent by certified mail, properly addressed and prepaid, to the addresses of the parties set forth on Exhibit F hereto, unless another address shall have been substituted for such address by notice in writing, the date of personal delivery being taken as the date of the giving of such notice

24. MISCELLANEOUS

24.1. WC hereby warrants and represents to LC that WC is a corporation, validly existing under the laws of the State of Maryland and that it has full power and authority to enter into this Lease and perform under the terms of this Lease. LC hereby warrants and represents to WC that LC is a limited liability company, validly existing and in good standing under the laws of the State of Maryland, and that it has full power and authority to enter into this Lease and perform under the terms of this Lease.

24.2. This Lease constitutes the entire agreement between the parties in respect of the Premises, and there are no oral agreements between the parties in connection herewith.

24.3. This Lease shall be governed by the law of the State of Colorado and venue for all proceedings with respect to this Lease shall be in the State of Colorado.

24.4. In the event that any provision of this Lease is held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the remainder of the Lease which shall remain in full force and effect and shall be construed as though they had not contained the invalid or unenforceable provision.

24.5. The covenants herein shall be binding upon, and the rights hereunder shall inure to the benefit of the parties, their personal representatives, successors and assigns, except that WC's rights shall inure only to those assigns for which WC has obtained LC's prior written consent in accordance with Article 12 of this Lease.

24.6. The failure or delay by LC to exercise any of its rights or remedies under this Lease or at law or in equity shall not constitute a waiver of such rights and remedies. The remedies provided in this Lease are in addition to those remedies available to LC at law or in equity.

24.7. The provisions of this Lease shall not be construed to create a joint venture or partnership between LC and WC.

24.8. In the event of a default by LC of its obligations under this Lease, WC hereby waives any recourse to which WC may be entitled, at law or in equity, against the members of LC.

24.9. WC shall, within five (5) days of request therefor by LC, execute and deliver to LC or, at LC's request, to any prospective purchaser, assignee, or any lien holder, an instrument in recordable form certifying: (a) that this Lease is in full force and effect; (b) the dates through which the Rent, including any Additional Rent, and other charges arising hereunder have been paid; (c) the amount of any prepaid Rent or credit due to WC hereunder; (d) that WC has accepted possession of the Premises; (e) as to whether, to the best knowledge, information, and belief of the signer of the certificate, LC or WC is then in default hereunder and the nature of the default; (f) as to any other fact or condition reasonably requested by LC

or such other addressee; and (g) that the statements contained in the certificate may be relied upon by LC or such other addressee.

24.10. LC and WC agree that neither this Lease nor any memorandum thereof shall be recorded without the consent of both parties hereto.

24.11. LC and WC acknowledge and agree that, in the event that LC hereafter acquires WC's interest in this Lease, this Lease, at LC's option, shall not be terminated due to merger and shall continue in full force and effect, and LC may at any time thereafter transfer or assign WC's interest in this Lease to any qualified provider of continuing care services under the laws of the State of Colorado.

24.12. The section headings are for reference purposes only and shall not be used in the interpretation of this Lease.

24.13. In the event that Landlord shall assign this Lease to a new landlord or in the event that a lien holder, for whom WC has executed a subordination agreement pursuant to Section 14 of this Lease, shall foreclose on the Premises, WC agrees to attorn to the new landlord or lien holder, as the case may be, and shall execute and deliver, upon request therefor, a written agreement of attornment confirming that WC is and remains bound under the terms and provisions of this Lease.

24.14 WC and LC hereby voluntarily and intentionally waive any right they may have to a trial by jury in any action, proceeding or litigation directly or indirectly arising out of, under or in connection with this Lease. This waiver applies to all claims against all parties to such actions and proceedings, including parties who are not parties to this Lease. This waiver is knowingly, intentionally, and voluntarily made by WC and LC who acknowledge that they have been represented in the execution of this Lease and in the making of this waiver by independent legal counsel, selected of their own free will, and that they have had the opportunity to discuss this waiver with counsel. WC and LC further acknowledge that they have read and understand the meaning and ramifications of this waiver provision.

25. LIMITATION ON LIABILITY OF MEMBERS/PARTNERS.

The parties hereby agree and confirm that upon the occurrence of any default and/or Event of Default under any provision of this Agreement, if any judicial proceedings to enforce the obligations of either party is brought by any party, such proceedings shall be limited to the property and assets of the party. No judgment or suit shall be sought or obtained by any party against the partners or members of the parties, or any officer, director or employee of a partner or member or their assets. Nothing herein contained shall limit or impair the liability of a partner or member of a party for any obligation arising independently of their status as a partner or member of such party.

26. LANDLORD WORKING CAPITAL LOAN TO WC

LC shall provide the Working Capital Loan to WC on such terms as are acceptable to LC and WC. The terms and conditions of the loan and disbursement of the advances shall be set forth in the Working Capital Loan Agreement of even date herewith by and between LC and WC and the Working Capital Loan Note. WC acknowledges that it has undertaken such studies and investigations as it has deemed appropriate to determine the feasibility on the Project, including the costs and expenses associated therewith, and that, although it has received certain projections from LC, WC hereby expressly disclaims any reliance on such projections.

27. WC'S OPTION TO BUY

WC shall have a Purchase Option for the Premises upon the occurrence of the tenth (10th) anniversary of the date of this Lease, upon the expiration of the Lease Term and again at the end of each ten (10) year extension of the Lease Term, if the same is exercised, upon the following terms and conditions:

27.1 During the Option Notice Period, WC shall give LC written notice of its desire to exercise its Purchase Option to buy the Premises. The purchase agreement for the Premises shall be executed by the parties not less than forty-five (45) days prior to the expiration of the then current Lease Term.

27.2 The Closing of the Purchase Option shall occur on the date following the expiration of the respective Lease Term or, if such date shall be a Saturday, Sunday, or legal holiday, the next business day following. LC and WC agree that the conveyance of the Premises shall be "as is", and that Rent under this Lease shall continue to be due and payable until title to the Premises passes to WC. WC and LC agree to deliver such documents as are customarily delivered in similar transactions, including evidence of due execution and authorization of such documents. All costs of such conveyance, exclusive of LC's attorney's fees but inclusive of title insurance premiums and recordation and transfer taxes, shall be borne by WC.

27.3 The purchase price, as determined in accordance with the provisions set forth below in this Article 27, shall be paid in currently available funds at Closing. The then balance of any current loans which have been made by WC to LC shall be repaid at Closing or credited against the purchase price for the Premises. Adjustment of real estate taxes, metropolitan district charges, and other like charges shall be made to the Closing date.

27.4 This Purchase Option shall be void and of no further force and effect in the event WC shall have defaulted under the terms of this Lease.

27.5 The parties agree and acknowledge that the purchase price to be paid by WC at such time as WC exercises its Purchase Option for the Premises shall be the Fair Market Value of the Premises. Because it is difficult to predict the future value of the Premises, the parties agree that the following methods will determine the Fair Market Value, and therefore, the purchase price, of the Premises for purposes of WC's Purchase Option.

27.5.1. If during the Test Period, the average occupancy rate for the Independent Living Units on the Premises is 95% or more, then the Purchase Price shall be the aggregate amount of the products obtained by multiplying the Entrance Deposits of each Unit type, as listed in the approved Retirement Community marketing material as of the commencement of the respective Option Notice Period, times the total number of Units in the Premises of each Unit type.

27.5.2. If the average occupancy rate during the Test Period is less than 95%, then the Purchase Price of the Premises shall equal the Fair Market Value (defined in the following sentence) of the Premises. "Fair Market Value" of the Premises shall be determined by independent appraisal by a Member, Appraisal Institute ("MAI") qualified appraiser in Colorado selected by LC from a list of not less than four such appraisers submitted by WC. In the event LC refuses to select any of the appraisers submitted by WC, within ten (10) days of such refusal, LC and WC shall each select a MAI qualified appraiser in Colorado ("MAI Appraiser"), and those two MAI Appraisers shall mutually select a third MAI Appraiser. The MAI appraiser(s) shall not use the Market Comparable approach but rather utilize only the Replacement Cost and the Income Capitalization approaches. The Income Capitalization approach valuation shall be based on the Rents generated by the Premises and the Replacement Cost approach valuation shall be based on the cost of development and construction of comparable square footage of usable space of comparable quality of construction. The MAI appraiser(s) shall weigh the valuations of these two approaches in his or her professional opinion to determine the Fair Market Value. The MAI appraiser(s) shall also, to the extent practicable, disregard value attributable to new capital facilities constructed by WC during the Lease Term but not capital replacements made by WC as required under the terms of this Lease. The MAI appraiser(s) shall complete the appraisal and render a determination of the Fair Market Value not less than sixty (60) days prior to the expiration of the then current Lease Term. In the event the three MAI Appraisers are involved, the determination of Fair Market Value shall be that Fair Market Value as determined by the MAI Appraiser which is the middle of the three values.

27.5.3. LC and WC agree that the determination of Fair Market Value shall specifically exclude any office or retail leases for space within the Premises that are for less than market terms. LC and WC acknowledge and agree that such leases will be entered into as an amenity for the Residents, and do not adversely affect the Fair Market Value of the Premises.

This Residence and Care Agreement (the "Agreement") is made and entered into the ____ day of _____, ____ by and between WIND CREST, INC. (referred to in this Agreement as "WIND CREST") and _____ (referred to in this Agreement as the "Resident(s)").

RECITALS

R.1 Wind Crest Retirement Community (the "Community") is a continuing care retirement community located in Highlands Ranch, Colorado, developed in phases to offer various living accommodations and services to seniors, as described herein.

R.2 WIND CREST is a registered continuing care provider under the laws of the State of Colorado. WIND CREST desires to provide certain services listed in this Agreement to Resident and Resident desires to receive such services.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. DESCRIPTION OF COMMUNITY

The Community is being developed in phases over a period of approximately seven (7) years, subject to obtaining all necessary or required governmental approvals and licenses. The Community will consist of Independent Living Units, Assisted Living Units and Nursing Units. The Community is planned to include a bank, a beauty salon, a convenience store, guest rooms, classrooms, a full-service outpatient Medical Center and a pool.

1.1 Independent Living Units. The Community is planned to have approximately 1587 Independent Living Units within three (3) residential neighborhoods. Each residential neighborhood will be comprised of at least four or five residential buildings containing Independent Living Units and one club house. Each club house includes dining options, classrooms, cardrooms, lounges and other common areas. Each residential neighborhood is planned to include at least one unique facility, such as the Medical Center, the swimming pool, health club, auditorium, conference center, or the like.

1.2 Renaissance Gardens. Renaissance Gardens refers to the Community's on-site health care neighborhood. Renaissance Gardens will house both the Assisted Living Units and the Nursing Units. Each floor of Renaissance Gardens will include a dining room, a resident lounge, activity rooms and a bathing core. Renaissance Gardens will be constructed in several phases and will not be available at the opening of the Community.

1.2.1 Assisted Living Units. Renaissance Gardens is planned to include a total of approximately 96 Assisted Living Units upon completion. It is expected that the aggregate number of Assisted Living Units planned for the Community will adequately serve the needs of Community residents. However, in the unusual circumstance that the Assisted Living Units are fully occupied, the Medical Director, or his or her designee, first will arrange for Ancillary Services to be offered in Resident's Independent Living Unit and second, if necessary, will assist in arranging for a transfer to an Off-Site Facility in the immediate area. See Section 8.4 for fees payable by Resident in the event of such a transfer.

1.2.2 Nursing Units. Renaissance Gardens is planned to include approximately 132 private Nursing Units upon completion. It is expected that the aggregate number of Nursing Units will adequately serve the needs of Community residents. However, in the unusual circumstance that the Nursing Units are fully occupied, the Medical Director, or his or her designee, will assist in arranging for a transfer to an Off-Site Facility in the immediate area. See Section 8.4 for fees payable by Resident in the event of such a transfer.

Section 2. TERM

The Term of this Agreement shall commence on the date on which this Agreement shall be executed by Resident and shall continue for the lifetime of the Resident unless the Agreement is terminated earlier as provided in Section 12 hereof.

Section 3. LIVING ACCOMMODATIONS

3.1 Resident's Right to Occupy. Resident shall have the right to occupy and to use the following Living Unit: _____, as-is, from the Occupancy Date to the Departure Date, subject to provisions for a change in accommodations as provided in Section 11 of this Agreement. Resident may not assign or sublet the right to occupy a Living Unit to any other person. WIND CREST shall provide the Living Unit, in good condition, with neutral painted walls, and with standard carpeting in Independent Living Units and Assisted Living Units.

3.2 Joint Residents. When two (2) or more residents reside together in a selected Living Unit, they are considered to be Joint Residents. Each Joint Resident is required to meet WIND CREST'S financial requirements for entrance into the Community, as well as WIND CREST'S health qualifications for occupancy of a selected Living Unit, whether the prospective Joint Residents move to the Community together or on different dates.

3.3 Rights of New Spouse. If during the term of residency, Resident marries a person who is not a resident of the Community, Resident's new spouse will be required to meet WIND CREST'S financial and health-related qualifications for entrance into the Community. These financial qualifications are meant to serve as a financial protection for the larger community of residents. WIND CREST reserves the right to determine the appropriate level of care within the Community for the spouse or to determine that there is not an appropriate level of care within the Community for the spouse. If Resident's spouse is not accepted by WIND CREST, Resident may

terminate this Agreement in accordance with Section 12.1 hereof. If Resident's spouse is accepted by WIND CREST, the fee structure described in Sections 7.3.2 and 8.2 for Joint Residents will apply.

3.4 Resident's Obligation to Furnish Unit. Resident shall be responsible for furnishing the Independent Living Unit and the Assisted Living Unit and for procuring insurance for personal possessions and furnishings. WIND CREST will provide furnishings and equipment, as required by law, for Nursing Units.

3.5 Customized Improvements. Resident may decorate the Living Unit to Resident's personal taste with pictures, window treatments, and the like, so long as such decorations are not permanent fixtures to the Unit or can be easily removed without damaging the structural integrity of the Unit. All other customized improvements to any Independent Living Unit or Assisted Living Unit to be undertaken by Resident either prior to or after the Occupancy Date must be approved in writing by the Executive Director in order to protect the structural integrity of the Unit. If Resident contracts with an outside contractor, the firm or individual contracted with for making the approved improvements, and the plans under which those changes will be made, will be subject to the approval of the Executive Director. If Resident contracts with WIND CREST to make the changes, Resident and WIND CREST shall sign an Agreement to Customize the Living Unit to memorialize the details concerning the improvements and any charges related to such changes. For charges related to the removal of any improvements, please see Section 9.4. No customized improvements may be made to a Nursing Unit.

Resident shall have the right to select attending physicians and other health care professionals, provided such physicians or other health care professionals shall agree to follow the reasonable policies and procedures of WIND CREST and applicable federal and state laws, rules and regulations. Resident is not required to use the on-site Medical Center or the physicians practicing there.

Section 7. ENTRANCE DEPOSIT

7.1 Payment of Entrance Deposit. Resident shall pay to WIND CREST a total Entrance Deposit as shown in Schedule I which shall be made in a series of deposits on or before taking occupancy of Resident's Living Unit at the Community. In the case of Joint Residents, the Entrance Deposit shall be deemed to be a joint asset of the Joint Residents with a right of survivorship and may be used for the care of either Joint Resident. WIND CREST does not require an additional Joint Resident Entrance Deposit if Joint Residents occupy the same Living Unit.

7.2 Escrow of Entrance Deposit. Any and all deposits made by Resident toward the total Entrance Deposit for a Living Unit will be deposited into an escrow account maintained with an Colorado banking corporation. As to Living Units not previously occupied in a building under construction, deposited Entrance Deposits will be held in escrow until the conditions for release of escrow per the Colorado Division of Financial Services have been fulfilled. As to a Living Unit which has been previously occupied, deposited Entrance Deposits shall be released from escrow when the Resident occupies the selected Living Unit or when such Living Unit is ready for occupancy, whichever first occurs.

When the Entrance Deposit is released in full from escrow, it will be held or used by WIND CREST until the termination of this Agreement as provided in Section 12. Once released from escrow, initial Entrance Deposits are loaned by WIND CREST to the owner of the land on which the Community is being developed to pay down outstanding amounts under the construction loan for the Community. Entrance Deposits received from the subsequent occupant of each Living Unit will be used to refund the Entrance Deposit paid by the prior occupant. Any excess between the new Entrance Deposit and the amount refunded to the prior occupant will be used by WIND CREST generally for capital repairs and improvements and for any required reserve funds. However,

Resident will retain the right to a refund of the Entrance Deposit as discussed in this Section 7. No interest shall be paid to Resident with respect to Resident's Entrance Deposit.

7.3 Adjustments to Entrance Deposit. Resident's Entrance Deposit may be increased only under the circumstances listed below. Resident shall not be entitled to a refund or decrease of the Entrance Deposit due to any temporary or permanent transfer, for whatever reason, during the Term of this Agreement.

7.3.1 If Resident transfers permanently from one Living Unit to another Living Unit with a higher Entrance Deposit, Resident shall pay to WIND CREST an additional deposit equal to the difference between the Entrance Deposit then in effect for Resident's present Living Unit and the Entrance Deposit then in effect for the Living Unit to which Resident is transferring.

7.3.2 If Resident's spouse is accepted as a resident in the Community and is placed in a Living Unit other than that of Resident (see Section 3.2 of this Agreement), Resident and his or her new spouse must pay to WIND CREST an additional Entrance Deposit for the spouse's Living Unit.

7.4 Refund of Entrance Deposit Prior to Occupancy. Any portion of the Entrance Deposit paid prior to occupancy shall be refunded by WIND CREST to Resident or Resident's legal representative, as appropriate, if the agreement is terminated prior to occupancy or the application is withdrawn in the circumstances described in section 12.1 hereof.

The refund of the Entrance Deposit shall be made within thirty (30) days following WIND CREST'S election to terminate this Agreement, or within thirty (30) days of WIND CREST'S receipt of actual notice of Resident's election to terminate this Agreement or the automatic termination of the Agreement due to Resident's death, illness, injury or incapacity, as the case may be. If one Joint Resident dies prior to occupancy, the remaining Resident may, but is not required to, rescind this Agreement. The surviving Resident may request a different Living Unit and WIND CREST will refund or charge any difference in the Entrance Deposit between the Living Units; provided that this election is made in writing at least thirty (30) days prior to occupancy.

7.5 Refund Of Entrance Deposit After Occupancy. After occupancy of the Living Unit and subject to the terms and conditions of section 7.6 of this Agreement, WIND CREST shall pay a refund of the Entrance Deposit to the Resident as follows:

7.5.1 Termination By Resident During Lifetime. If Resident terminates the Agreement at any time after the occupancy date, WIND CREST shall pay a refund of the Entrance Deposit within sixty (60) days after fulfillment of the following conditions: (1) Resident has vacated and has removed all possessions from the Living Unit; (2) Resident has signed a unit release for the Living Unit; (3) Resident has paid to WIND CREST all outstanding fees and charges; and (4) a qualified, new resident has signed a Residence and Care Agreement for the Living Unit, the full Entrance Deposit has been paid and the right of rescission has expired. WIND CREST shall pay the refund of the Entrance Deposit to the duly designated beneficiaries named in a refund of entrance deposit agreement or, if there is no refund of entrance deposit agreement, to the Resident.

7.5.2 Termination Due To Death Of Resident. If Resident dies after the occupancy date, WIND CREST shall pay a refund of the Entrance Deposit within sixty (60) days of the fulfillment of the following conditions: (1) the Resident's personal representative or family has removed all possessions from the Living Unit; (2) the Resident's personal representative or family has signed a unit release for the Living Unit; (3) the Resident's personal representative or family has paid all outstanding fees and charges; and (4) a qualified, new resident has signed a Residence and Care Agreement for the Living Unit, the full Entrance Deposit has been paid and the right of rescission has expired. The refund shall be payable by WIND CREST to the beneficiaries named in a duly executed refund of entrance deposit agreement or, if there is no refund of entrance deposit agreement, to the personal representative of Resident's estate. If one Joint Resident dies, there will be no refund of the Entrance Deposit; instead, so long as a surviving Resident continues to reside at the community, the Entrance Deposit shall be deemed to have been paid entirely on behalf of the surviving Resident to be used for the survivor's care if necessary, and will eventually be paid to the survivor, to the beneficiaries named in the survivor's refund of entrance deposit agreement, or to the personal representative of the survivor's estate.

7.5.3 Termination By WIND CREST. If WIND CREST terminates the Agreement for good cause (see subsection 12.3 of this Agreement), WIND CREST shall pay a refund of the Entrance Deposit within thirty (30) days of fulfillment of the conditions listed in subsection 7.5.1 of this agreement. However, the refund paid by WIND CREST in the event of termination for good cause may not be less than the statutory refund set forth in Colorado Life Care Institutions Act Section 12-13-105(b) which provides for amortization of Entrance Deposit over a period of not less than sixty months or over the life expectancy of the resident if such expectancy is less than sixty months. However, the statutory refund may be delayed for a reasonable period until a new resident pays a new Entrance Deposit and Resident pays all outstanding fees and charges for any legitimate items.

7.6 Limitation on Amount of Refund. The amount of the refund which WIND CREST is obligated to pay to Resident and which Resident is entitled to receive shall normally be the amount of Resident's Entrance Deposit at termination minus any outstanding fees or charges unless paid separately. Outstanding Monthly Service Packages, fees for ancillary services, and refurbishing fees will not be automatically deducted from the refund of the Entrance Deposit unless Resident or his/her representative so directs. However, if Resident's Living Unit is not reoccupied by a qualified new resident with an Entrance Deposit equal to or greater than Resident's Entrance Deposit, within a reasonable period of time as determined in WIND CREST'S sole discretion, then WIND CREST will so notify Resident or Resident's personal representative. Resident or Resident's personal representative may then direct WIND CREST to re-market the Living Unit for a discounted Entrance Deposit, and the amount of the discounted Entrance Deposit, when received from a qualified new resident, will constitute the amount of the refund to Resident.

Section 8. MONTHLY SERVICE PACKAGES

8.1 Monthly Service Package. During the term of this Agreement, Resident shall pay the applicable Monthly Service Package for the Living Unit. As of the date of this Agreement, the

applicable Monthly Service Package for Resident's current Living Unit is shown in Schedule I. The Monthly Service Package is due and payable, in advance, on or before the 5th day of each month; provided, however, that the Monthly Service Package for the month during which Resident first takes occupancy of the Living Unit shall be payable in arrears on a pro-rated basis with the payment of the Monthly Service Package for the first full calendar month occurring during the term of this Agreement. Acceptance by WIND CREST of partial payment of the Monthly Service Package does not constitute a waiver of such outstanding fees and charges unless WIND CREST agrees to a waiver in writing. WIND CREST may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

8.2 Monthly Service Package for Joint Residents. Joint Residents occupying the same Living Unit shall pay the appropriate Monthly Service Package for double occupancy of the Living Unit. If Joint Residents occupy different Living Units, both Residents shall each pay the full Monthly Service Package for their respective Living Unit. This fee structure applies to Joint Residents who move to the Community together and to a Resident and a non-resident who are accepted to the Community on different dates.

8.3 Adjustments to the Monthly Service Package. The Monthly Service Package may be revised from time to time. WIND CREST generally adjusts fees on an annual basis after having evaluated those factors that it perceives to be relevant to the costs associated with operating the Community and other financial requirements. Normally such changes will be made to become effective on January 1 of the next following calendar year. However, except for changes required by State or Federal assistance programs, WIND CREST reserves the right, at any time, upon thirty (30) days notice to Resident, to adjust the Monthly Service Packages to reflect any additional cost or liability for which there is no adequate, budgeted reserve, including, but not limited to, tax liability for real estate taxes relating to the Community, increased operating expenses and inflation. Notice to Residents in Renaissance Gardens may be less than thirty (30) days only if the adjustment is due to change in levels of care.

8.4 Monthly Service Package in the Event of a Temporary Transfer. In the event that Resident temporarily transfers to another Living Unit in the Community or to an Off-Site Facility, Resident shall pay the Monthly Service Package for Resident's permanent Living Unit in addition to the Monthly Service Package for the temporary Living Unit or the Off-Site Facility, as the case may be. Payment of the Monthly Service Package for Resident's permanent Living Unit assures that such permanent Living Unit will remain available to Resident during the time that Resident is temporarily transferred. The Monthly Service Package for a temporary Living Unit at the Community shall be prorated on a daily basis for the period during which Resident is temporarily transferred.

During the period of the temporary transfer, Resident's Monthly Service Package for the permanent Living Unit shall be adjusted as follows: (1) if a single Resident or one Joint Resident transfers, the Monthly Service Package will be reduced by a single Non-Occupancy Credit as defined in Section 15 of this Agreement, (2) if both Joint Residents transfer from a double occupancy Unit, the Monthly Service Package will be reduced by the two-person Non-Occupancy Credit, (3) if both Joint Residents transfer, one from a Living Unit and one from another Living Unit, each Resident's Monthly Service Package shall be reduced by the respective Non-Occupancy Credit.

Upon Resident's return to the permanent Living Unit, Resident shall continue to pay the current Monthly Service Package associated with such Living Unit.

8.5 Monthly Service Packages in the Event of a Permanent Transfer to a Different Living Unit. In the event of a permanent transfer to another Living Unit, Resident shall be responsible for payment of the Monthly Service Package as follows:

(1) If Resident permanently transfers from one Independent Living Unit to another Independent Living Unit, Resident shall normally be responsible for payment of the Monthly Service Package for the original Independent Living Unit until it is vacated and all possessions are removed. However, if Resident vacates and removes all possessions from the original Independent Living Unit within ten (10) days of occupying the new Independent Living Unit, WIND CREST will waive further payment of the Monthly Service Package for the original Independent Living Unit as of the date that the new Independent Living Unit was occupied.

(2) If Resident permanently transfers from any Living Unit to an Assisted Living or a Nursing Unit, Resident shall normally be responsible for payment of the Monthly Service Package for the original Living Unit until it is vacated and all possessions are removed.

8.6 Monthly Service Package in the Event of a Termination of Agreement. If Resident terminates this Agreement, or if WIND CREST terminates this Agreement for good cause in accordance with Section 12.3, or if this Agreement should terminate by reason of the death of Resident, Resident or Resident's estate, as the case may be, shall be responsible for the payment of the Monthly Service Package for the vacated Living Unit, less the Non-Occupancy Credit, until either (1) all the conditions for a refund of the Entrance Deposit set forth in Section 7 of this Agreement shall have been fulfilled, or (2) ninety (90) days following the Departure Date, whichever event shall occur first.

Section 9. OTHER FEES, PERIODIC CHARGES, AND COSTS

9.1 Processing Fee. Resident shall pay or has paid to WIND CREST a non-refundable Processing Fee of \$150.00 per person in connection with Resident's application for residence at the Community.

9.2 Ancillary Services. During the term of this Agreement, Resident shall pay Ancillary Service Fees to WIND CREST for the Ancillary Services (as described in Section 5) provided to Resident by WIND CREST. Fees for Ancillary Services which are provided by WIND CREST may be revised by WIND CREST from time to time, and such change shall take effect upon the giving of thirty (30) days notice of such increase to Resident in accordance with the rules and regulations of the Department. The charges which are based on published rates for State or Federally assistance programs (for example, Medicare rates) shall be revised upon the effectiveness of changes to such rates. All Ancillary Services provided by WIND CREST shall be billed to Resident on Resident's monthly statement, and payment shall be due immediately upon the rendering of an invoice for such

Services. Acceptance by WIND CREST of partial payment of the Ancillary Service Fees shall not constitute a waiver of the outstanding charges unless WIND CREST agrees to a waiver in writing. WIND CREST may charge interest at a rate of one and one-half percent (1.5%) per month on any overdue amounts.

9.3 Other Services. Ancillary Services not provided through WIND CREST and any other services arranged by Resident shall be billed directly to Resident, and WIND CREST shall have no responsibility for payment of or collecting payment for such services.

9.4 Refurbishing Fee. Each time Resident permanently vacates an Independent or Assisted Living Unit, irrespective of the length of time of occupancy, Resident shall pay a one-time refurbishing fee to WIND CREST to cover the reasonable cost of cleaning and refurbishing the Living Unit, including but not limited to, super-cleaning or replacement of carpeting, spackling and/or painting of walls, removing any customized improvements and generally restoring the Living Unit to its original condition, or any other appropriate repairs, at WIND CREST'S discretion, to bring the Living Unit back to a like-new condition.

9.5 Medical and Other Insurance. Resident shall procure and maintain in force at Resident's own cost, the maximum coverage available to Resident under Medicare Parts A and B. WIND CREST may accept documented equivalent coverage if Resident is not qualified for Medicare or is insured under other adequate programs. Supplemental insurance is not provided by WIND CREST. Resident shall procure, at Resident's own expense, sufficient renter's insurance coverage against damage or, loss to, or theft of, Resident's personal property maintained at the Community and coverage for personal liability and medical payments should a claim be made or suit be brought against a Resident for damages because of bodily injury or property damage caused. Evidence of such insurance shall, at WIND CREST'S request, be provided prior to occupancy.

9.6 Funeral Arrangements and Burial Expenses. Funeral arrangements and burial expenses are the responsibility of Resident. WIND CREST will not make such arrangements or provide such services.

9.7 Non-Solicitation of Employees. WIND CREST expends significant resources on the hiring, training and development of their employees. Recognizing this expenditure, during the Term of the Agreement, Resident agrees not to employ any person currently employed by WIND CREST, either directly or indirectly by hiring the services of any such person through a third party. Resident also agrees not to employ any person formerly employed by WIND CREST, either directly or indirectly by hiring the services of any such person through a third party, until two years have elapsed from the employee's last date of employment with WIND CREST. Resident further agrees not to solicit any person employed by WIND CREST to terminate his or her employment in order to work for Resident directly or indirectly through a third party.

Section 10. FINANCIAL INABILITY TO PAY

It is the policy of WIND CREST not to terminate a Resident's occupancy for the Resident's financial inability to pay provided that the Resident is otherwise in compliance with the terms of

such Resident's Residence and Care Agreement. To the extent that it is financially feasible and in WIND CREST'S sole discretion, WIND CREST will endeavor to assist residents who are unable to pay full Monthly Service Packages by providing financial assistance as described in this Section 10.

To insure that its charitable intentions are equitably allocated for the benefit of as many Residents as possible, WIND CREST requires that, in the event that Resident claims to be unable to make full monthly payment by reason of financial inability, Resident must take any or all of the following actions, as directed by the Executive Director.

10.1 If the Resident's sources of funds, including expenditures of principal and the guaranty, if any, are inadequate for the Resident to make the payments required under this Agreement, Resident shall file with the Executive Director, on appropriate forms provided by the Executive Director, a Statement of Financial Inability to Pay. As part of the Statement of Financial Inability, Resident shall disclose his or her remaining available assets and income. The Executive Director will review the Resident's financial position to determine the existence of any outside assets, including any guaranty agreements, which may first be spent for Resident's care.

10.2 If Resident has outside assets other than the Entrance Deposit, the Executive Director will establish a Spending Plan for Resident to spend the outside assets and to obtain assistance from other available means. If Resident can qualify, Resident will take the necessary steps to obtain county, state, and federal aid or assistance including Medicare, public assistance and any other public benefit program. Resident agrees to execute any and all documents necessary to make and perfect such claims or rights. If Resident fails to cooperate with the Spending Plan for the outside assets, WIND CREST may terminate the Agreement for good cause.

10.3 After Resident has completed the Spending Plan or if Resident has no available assets other than the Entrance Deposit, WIND CREST will spend-down the Entrance Deposit. The Executive Director will notify Resident if spend-down has been approved and will give the effective date. The Executive Director shall have sole discretion to determine the total amount of the spend-down for Resident, depending upon Resident's financial and health situation as well as the financial and health situation of a Joint Resident.

10.4 Upon completion of the spend-down of the Entrance Deposit, Resident may qualify for assistance from a resident benevolent care fund if such fund is established by WIND CREST in WIND CREST'S sole discretion. If Resident is approved for such assistance, the Executive Director shall inform Resident of the amount which the resident benevolent care fund will contribute to the Monthly Service Packages and the amount which Resident must contribute to the Monthly Service Package.

10.5 If requested by WIND CREST, Resident will transfer to an alternate Living Unit at the Community if and when available.

10.6 Resident will provide periodic statements of financial condition and copies of income tax returns as the same may be requested from time to time by WIND CREST. Resident will notify WIND CREST of any and all assets acquired by Resident through any means whatsoever thereafter,

and will assign or pay such property received to WIND CREST, in an amount equivalent to the total outstanding charges and Fees, owed by Resident.

10.7 When Resident is notified by the Executive Director before the projected depletion of Resident's Entrance Deposit, Resident agrees to immediately apply for Medical Assistance, if available. Resident agrees to execute any and all documents necessary to make and perfect such claims or rights.

Section 11. TRANSFERS

11.1 Temporary and Permanent Transfers. For purposes of this Agreement, a temporary transfer is a transfer of an anticipated finite duration. During a temporary transfer, Resident's permanent Living Unit shall remain available to Resident as long as Resident continues to pay the Monthly Service Package in accordance with Section 8.4. A permanent transfer is a transfer of indeterminate duration. During a permanent transfer, Resident shall be requested to release the Living Unit. After a permanent transfer, if Resident is able to return to the Living Unit previously occupied at the Community or to a different, medically appropriate Living Unit at the Community, Resident shall have the right to occupy the Living Unit subject to the availability of such Living Unit and Resident shall be given priority over non-residents on the waiting list for the Community.

11.2 Transfer at the Election of Resident. Resident may elect to transfer, on a temporary or permanent basis, to an alternate Independent Living Unit, an Assisted Living Unit, Nursing Unit or Off-Site Facility by giving notice to WIND CREST. All transfers within the Community shall be subject to the availability of the elected alternate Living Unit and to the approval of WIND CREST.

11.3 Transfer at the Election of WIND CREST - Non-Emergency. All decisions regarding a transfer of Resident, except for emergency transfers, shall be made by a committee consisting of the Executive Director (or his or her designee) and the Medical Director (or his or her designee) (collectively referred to as the "Committee"). The Committee will consult with Resident, or his or her legal representative. If Resident has a Guarantor or ombudsman, such person also will be consulted if Resident so requests. WIND CREST attempts to interact with Resident or the Resident's representative with the goal of achieving a consensus although a consensus is not always achieved.

To accomplish the permanent transfer, Resident, or his or her representative, shall sign the Living Unit Release Transfer Addendum and the Change of Living Unit Addendum unless Resident is a Joint Resident and the other Joint Resident remains in the Living Unit. After receipt of notice of permanent transfer, Resident shall take all reasonable steps to vacate the Living Unit before the date set for the transfer. WIND CREST will have the option of showing the Living Unit as of the Departure Date indicated in the Living Unit Release Transfer Addendum. After the transfer, if Resident's former Living Unit is not vacated, WIND CREST shall have the right to store Resident's remaining possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility at Resident's expense until disposition thereof can be made. WIND CREST assumes no responsibility for Resident's stored possessions.

Resident shall not be transferred, temporarily or permanently, to a different Living Unit unless (1) in the opinion of the Committee, such transfer is deemed appropriate for the protection of the health and/or safety of Resident or the general and/or economic welfare of other residents, (2) in the opinion of the Committee, the transfer is deemed necessary due to financial inability to pay the Monthly Service Package, or (3) in the case of a permanent transfer to an Off-Site Facility that provides treatment for mental disorders, the need for such transfer is certified by two physicians or one physician and one psychologist. If Resident is transferring due to event (1) or (3) listed above and the Living Unit is occupied by a Joint Resident, the remaining Joint Resident may continue to occupy the Living Unit.

The Committee shall give Resident thirty (30) days advance written notice of the proposed transfer. Resident, or his or her representative, shall notify WIND CREST of any objection to the permanent transfer within ten (10) days of receipt of the notice. If Resident, or his or her representative, does not consent to the transfer, the Committee may, in its discretion and in lieu of a transfer, require Ancillary Services to be provided to Resident if a higher level of care is deemed appropriate in the opinion of the Committee for the protection of the health and safety of Resident or the welfare of other residents. If Resident, or his or her representative, does not consent to either the transfer or the provision of Ancillary Services, WIND CREST may consider such refusal to constitute good cause for WIND CREST to terminate the Agreement in accordance with Section 12.3 hereof.

11.4 Transfer at the Election of WIND CREST - Emergency. If the health and safety of Resident or the health and safety of other residents require immediate action, the Executive Director with the approval, if reasonably obtainable, of the Medical Director, may transfer Resident from Resident's current Living Unit to a different Living Unit or an Off-Site Facility, on a temporary or permanent basis. Emergency circumstances arise when there is a danger of immediate, irreparable harm to the health and safety of Resident or to the health and safety of other people at the Community. In the event that Resident is required to be transferred to the Nursing Facility or the Assisted Living Community during a period that Resident is suffering from legal incompetency, Resident agrees to be bound by the terms of the Agreement in effect at the time of such transfer.

11.5 Use of Living Unit. In the event of a temporary transfer, whether at the election of Resident or WIND CREST, Resident's prior Living Unit will remain available to Resident as long as Resident continues to pay the Monthly Service Package for the permanent Living Unit in accordance with Section 8.4 hereof.

In the event of a permanent transfer, whether at the election of Resident or WIND CREST, Resident, or his or her representative, shall sign and give to WIND CREST a Unit Release Form, advising WIND CREST of the Departure Date for Resident. Resident or his or her representative shall then be responsible for vacating the Living Unit and removing all personal possessions from the Living Unit. WIND CREST shall have the right to show the Living Unit to interested applicants as of the Departure Date indicated in the Unit Release Form.

If Resident fails to vacate the Living Unit by the indicated Departure Date or, in the event of a transfer by WIND CREST, within sixty (60) days from the notice of transfer, WIND CREST shall

have the right to store Resident's possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at Resident's expense, until disposition thereof can be made. WIND CREST assumes no responsibility for Resident's stored possessions.

Section 12. TERMINATION

12.1 Termination Prior to Occupancy. Resident or WIND CREST may terminate the Agreement in the following circumstances.

12.1.1 Resident withdraws his or her application or rescinds the Residence and Care Agreement for any reason prior to occupancy;

12.1.2 Resident dies before occupying the Living Unit or is precluded from occupying the Living Unit as a result of illness, injury or incapacity; or

12.1.3 WIND CREST elects to terminate the Agreement if it is determined that Resident is ineligible for entrance into the Community.

12.2 Termination by Resident. Resident may terminate this Agreement at any time and for any reason by giving sixty (60) days notice to WIND CREST of his or her intention to terminate.

12.3 Termination by WIND CREST. A decision by WIND CREST to terminate this Agreement shall be made by the Executive Director of the Community. WIND CREST may not terminate this Agreement without good cause. "Good Cause" is defined as: i) Non-payment of Fees; ii) Proof that the Resident is a danger to himself/herself or others; iii) Repeated conduct by the Resident that interferes with other Residents' quiet enjoyment of the Community; iv) Persistent refusal to comply with reasonable rules and regulations of the Community; v) A material misrepresentation made intentionally or recklessly by the Resident in his or her application for residency, or related materials, regarding information which, if accurately provided, would have resulted in either a failure of the Resident to qualify for residency or a material increase in the cost of providing to the Resident the care and service under the Agreement; or vi) A material breach by the Resident of the terms and conditions of this Agreement.

Except for termination due to non-payment of fees, WIND CREST will give Resident sixty (60) days written notice of the termination and the reason for termination. In the event of non-payment of fees, WIND CREST will give written notice to the Resident that the Resident is in default under this Agreement for non-payment of fees. WIND CREST may charge Resident interest on the overdue amount of one and one-half percent (1-1/2%) per month. If Resident fails to make full payment of all outstanding fees and charges within thirty (30) days of receipt of the notice, WIND CREST may, at its election, either terminate the Agreement upon an additional thirty (30) days notice or may require a spend-down of the Entrance Deposit, in accordance with the Community's spend-down procedures as generally set forth in Section 10 of this Agreement, to offset the overdue fees and charges. Acceptance by WIND CREST of partial payment of the fees does not constitute a waiver of the outstanding fees and charges unless WIND CREST agrees to a waiver in writing.

12.4 Vacating the Living Unit. Upon termination of the Agreement by election of Resident, election of WIND CREST or due to the death of Resident, Resident, or his or her representative, shall sign and give to WIND CREST a Unit Release Form advising WIND CREST of the Departure Date for Resident. Resident, or his or her representative, shall then be responsible to vacate the Living Unit and to remove all personal possessions from the Living Unit. WIND CREST shall have the right to show the Living Unit to interested applicants as of the date indicated in the Unit Release Form.

If Resident fails to vacate the Living Unit by the indicated Departure Date or, in the event of a termination by WIND CREST within the required time for the notice of termination as provided in Section 12.3, WIND CREST shall have the right to store Resident's possessions in a general storage area at the Community or to arrange for storage in a commercial storage facility, all at Resident's expense, until disposition thereof can be made. WIND CREST assumes no responsibility for Resident's stored possessions.

Section 13. RIGHTS OF WIND CREST

13.1 Community Rules and Regulations. WIND CREST shall have the right to promulgate reasonable rules and regulations governing the conduct of the Residents. Resident shall enjoy the fullest measure of independence consistent with the accommodation in which Resident lives, subject, however, to the limitations of the reasonable policies and procedures now or hereafter adopted by WIND CREST for the conduct and care of all Residents. Resident agrees to abide by all such policies and procedures, and generally to conduct himself or herself in such a manner as to promote the peace and harmony of the Community.

13.2 Access to Living Units at the Community. Resident acknowledges and accepts the responsibility of WIND CREST to enter Resident's Living Unit in order to carry out the purpose and intent of this Agreement and authorizes such entry. Such entry includes (1) performance of authorized housekeeping duties; (2) response to medical emergencies; (3) responses to fire protection systems; (4) entry by authorized personnel in the event that the Resident is reported missing or has not responded to a call; (5) scheduled maintenance activities; and (6) enforcement of the Community's policies and procedures. WIND CREST acknowledges and hereby agrees to respect Resident's right to privacy and agrees to limit uninvited entry into the Living Unit at the Community to emergency situations and scheduled or authorized work as set forth in this paragraph.

13.3 Property Rights. Resident acknowledges that, except as expressly set forth in this Agreement, the rights and privileges granted by this Agreement do not include any right, title or interest in any part of the personal property or real property - including land, buildings and improvements - owned, leased or administered by WIND CREST. Resident's rights are limited to the rights provided in this Agreement for services and the occupancy of the Living Units. Except for Resident's right to occupy the Living Unit, any rights, privileges or benefits under this Agreement shall be subordinate to any mortgage or deed of trust or leasehold interest on any of the premises or interest in real and personal property of WIND CREST, to all amendments, modifications, replacement or refunding, of any such mortgage or deed of trust or leasehold interest, and to such

reasonable rules and regulations governing the use of the property as shall from time to time be imposed by WIND CREST. Resident hereby agrees, upon request of WIND CREST, to execute and deliver any document which is required to this effect by WIND CREST, or by the holder of such mortgage or deed of trust or leasehold interest to effect such subordination or to evidence the same, and appoints WIND CREST as Resident's attorney in fact to accomplish that purpose.

13.4 Limitation of Liability. WIND CREST shall not be responsible for the loss of any personal property belonging to the Resident due to theft or any other cause. The liability of WIND CREST for damage to or loss of Resident's personal property shall be limited to damage or loss caused by negligent acts or omissions of WIND CREST or of its employees acting within the scope of their employment.

13.5 Unauthorized Transfers of Property. The financial information submitted by or on behalf of Resident is a material aspect upon which WIND CREST is reasonably relying in determining Resident's qualifications for becoming a Resident of the Community. Being able to meet the minimum financial criteria to become a Resident helps assure the financial stability of this Community. Furthermore, WIND CREST is committed to take every reasonable step to assist a Resident who has depleted those assets through normal living expenditures so that he or she may continue to remain as a Resident of the Community. However, in order to protect WIND CREST from a situation wherein a Resident divests him/herself of those assets for the purpose of qualifying for assistance or reduction of Monthly Service Packages, Resident agrees not to divest him/herself of, sell, or transfer any assets or property interests (excluding expenditures for Resident's normal living expenses) that would result in a reduction in Resident's net worth (assets less liabilities) which is below the minimum criteria to become a Community resident, without having first obtained the written consent of WIND CREST.

13.6 Religious Affiliation and Sponsorship. The sole member of WIND CREST is Oak Crest Village, Inc., a charitable organization. There is no religious organization which maintains financial control over WIND CREST.

Section 14. MISCELLANEOUS PROVISIONS

14.1 Documents Incorporated by Reference. This Agreement includes the Admissions Application for residence, the Financial Information Form, the Resident Information Form, including Resident's medical records, if any, and the Refund of Entrance Deposit Agreement. This Agreement may include a Promissory Note, a Guaranty Agreement, a Power of Attorney for property disposition, an Advance Directive, Appointment of Health Care Agent, or Living Will, and Resident's medical insurance documentation, all of which documents are incorporated by reference and made a part of this Agreement (see Schedule III attached hereto). Resident acknowledges that WIND CREST will rely on statements of Resident in these documents and warrants that all statements are true and complete to the best of Resident's knowledge.

14.2 Rules of Construction. In this Agreement, the masculine, feminine and neuter genders shall be construed to be interchangeable and shall include one another to the extent that such context is necessary to provide a logical or meaningful construction of the text. Similarly, the

singular and plural shall be interchangeable and shall include one another to the extent that such context is necessary to provide a logical or meaningful construction of the text. Section captions are for ease of reference only.

14.3 Non-Waiver. The failure of any party in any one or more instances to insist on the strict performance, observance or compliance by the other party with any of the terms or provisions of this Agreement, shall not be a continuing waiver thereof nor construed to be a waiver or relinquishment by a party of its rights to insist upon strict compliance by the other party with all of the terms and provisions of this Agreement.

14.4 Entire Agreement. This Agreement, the documents referenced in Section 14.1, and the terms of the Disclosure Statement in effect for the Community represent the entire agreement between WIND CREST, Resident and Guarantor, if any, and supersedes all prior Agreements and negotiations. Except as contained herein or in any contemporaneous, written agreements, there are no promises or agreements between the parties.

14.5 Amendment. This Agreement shall be amended only in writing, signed by WIND CREST and Resident.

14.6 Legal Remedies of Resident and WIND CREST. The Colorado Division of Financial Services has established regulations concerning the certification and regulation of continuing care contracts. Resident shall have all legal rights set forth in the Colorado Life Care Institutions Act. In addition to the legal remedies provided in this Agreement, unless otherwise prohibited by law, WIND CREST shall have full recourse to all remedies available to it at law or in equity.

14.7 Severability. The invalidity or unenforceability of any provision of this Agreement or the application of any such provision, shall not affect or impair any other provisions or the validity or enforceability of the remainder of this Agreement, or any application of any other provision of the remainder of this Agreement; however, the Resident, to the extent provided by law, retains the right to rescind this Agreement if any provision is in violation of the laws of the State of Colorado, as amended from time to time.

14.8 Paragraph Headings. Paragraph headings are added solely to aid in the review of this Agreement and are not to be construed to affect the interpretation of this Agreement.

14.9 Venue. All parties to this Agreement, including WIND CREST, Resident, and Guarantor(s), if any, agree that venue for any action for the enforcement, construction, rescission, termination of, or any action arising out of this Agreement shall be in Douglas County, Colorado. All parties agree that the filing of any action may include a request for an expedited hearing.

14.10 Assignment. In the event that WIND CREST or any of WIND CREST'S successors or assigns shall give Resident notice that any or all of the rights, duties and obligations of WIND CREST have been assigned to a new person or entity certified as a continuing care provider under the laws of the Division of Financial Services and the State of Colorado to provide services to

Residents of the Community, Resident agrees to recognize such new person or entity as the provider under this Agreement, to the extent of such assignment.

**WIND CREST RETIREMENT COMMUNITY
MASTER LEASE AND USE AGREEMENT**

**EXHIBIT E
RENT**

The following general provisions for calculation of and adjustment to the Annual Rent shall apply to each respective Phase of the Premises:

1) As to the Independent Living Units:

a) Annual Rent for occupied Independent Living Units in the Premises, during the Initial Move-In Period for each Phase, shall be payable monthly at the rate of one-twelfth (1/12) of four and four-tenths percent (4.4%) of the Entrance Deposit for each Unit. Such Independent Living Units shall be occupied only by qualified Residents (as determined by rules established by WC) of the Retirement Community pursuant to Residence and Care Agreements entered into between WC and such Residents. The Rent for each Unit occupied under a Residence and Care Agreement shall commence on the date of settlement under the Residence and Care Agreement which shall be the deemed Occupancy Date of a unit, as that term is defined in the Residence and Care Agreement; provided, however, if settlement shall occur other than on the first day of a month, then the Rent for any partial month shall be appropriately pro-rated.

b) Annual Rent for all Independent Living Units in the Premises, occupied or unoccupied, after the Completion of the Initial Move-In Period for each Phase, shall be payable monthly at the rate of one-twelfth (1/12) of five and nine-tenths percent (5.9%) of the Entrance Deposit for such units. For those units which are not occupied as of the Completion of the Initial Move-In Period, the Entrance Deposit for such unoccupied units shall be deemed to be the Entrance Deposit which would have been paid if such units had been occupied on the date of the Completion of the Initial Move-In Period.

2) As to the Assisted Living Units:

i) Annual Rent for occupied Assisted Living Units during the Initial Move-In Period for each Phase, shall be payable monthly at the rate of one-twelfth (1/12) of four and four-tenths percent (4.4%) of the Entrance Deposit for each Unit. Such Assisted Living Units shall be occupied only by qualified

Residents (as determined by rules established by WC) of the Retirement Community pursuant to Residence and Care Agreements entered into between WC and such Residents.

ii) Annual Rent for all of the Assisted Living Facility, occupied or unoccupied, after the Completion of the Initial Move-In Period for each Phase, shall be payable monthly at the rate of one-twelfth (1/12) of five and nine-tenths percent (5.9%) of the Entrance Deposit for the Assisted Living Units. For those units which are not occupied as of the Completion of the Initial Move-In Period for such Phase, the Entrance Deposit for such unoccupied units shall be deemed to be the Entrance Deposit which would have been paid if such units had been occupied on the date of the Completion of the Initial Move-In Period.

- 3) As to the Care Center, the Annual Rent shall be an amount equal to seven and four-tenths percent (7.4%) of the fair market value ("FMV") of such Nursing Units contained therein from time to time. The FMV shall be that value which LC establishes to be the fair market value of the Nursing Units in the Care Center at such time as the Rental commences based on income approach. If WC fails to accept this value within ten (10) days of its receipt of LC's determination, the FMV shall be determined by arbitration in accordance with the rules of the American Arbitration Association. The Annual Rent for the Care Center shall be payable in monthly installments, commencing as of the date the first phase of the "care center" in which the applicable Nursing Units are located, is initially opened, and shall be payable in equal monthly installments.
- 4) As to Community Buildings, the Annual Rent shall be One Hundred Eighty Thousand Dollars (\$180,000) payable in equal monthly installments, for each Community Building.
- 5) As of January 1 of each year until the expiration of the initial ten (10) full calendar years of the Lease Term, the Annual Rent with respect to the Units and Community Buildings, shall be increased (not decreased) by the Adjustment Amount as determined by the following formula:
 - i) the index to be used for this adjustment shall be the U.S. Bureau of Labor Statistics Consumer Price Index, U.S. City Average, All Items, All Urban Consumers (revised 1978, 1967 = 100) (the "Index").

ii) the Index as of January 1 of the prior year shall be the Base Period Index.

iii) the Index as of January 1 for each new year shall be the Adjustment Period Index.

iv) the Base Period Index shall be subtracted from the Adjustment Period Index, the difference of which (if a positive number) shall be divided by the Base Period Index, the dividend of which shall be multiplied by ten percent (10%) for the Percentage Index Increase.

v) the Percentage Index Increase shall be multiplied by the Annual Rent as of December 31 for the year just ending, the product of which shall be the Adjustment Amount, retroactive to January 1 for each new year.

vi) In the event the Index shall hereafter be converted to a different standard reference base or otherwise revised, the determination of the percentage increase shall be made with the use of such conversion factor, formula, or table for converting the Index as may be published by Prentice Hall, Inc. or Commerce Clearing House or any nationally recognized publisher of similar statistical information. In the event the Index shall cease to be published, then, for the purpose of these provisions, there shall be substituted for the Index such other Index as LC and WC shall agree upon; and if they are unable to agree within ninety (90) days after the Index ceases to be published, such matter shall be determined by arbitration in accordance with the rules of the American Arbitration Association.

b) As of January 1 of each year following the expiration of the initial ten (10) full calendar years of the Lease Term, and each year thereafter, the Annual Rent with respect to the Units and the Community Building shall be increased (not decreased) by the Adjustment Amount as determined by the following formula:

i) the index to be used for this adjustment shall be the U.S. Bureau of Labor Statistics Consumer Price Index, U.S. City Average, All Items, All Urban Consumers (revised 1978, 1967 = 100) (the "Index").

ii) the Index as of January 1 of the prior year shall be the Base Period Index.

iii) the Index as of January 1 for each new year shall be the Adjustment Period Index.

iv) the Base Period Index shall be subtracted from the Adjustment Period Index, the difference of which (if a positive number) shall be the Percentage Index Increase.

v) the Percentage Index Increase shall be multiplied by the Base Rent as of December 31 for the year just ending, the product of which shall be the Adjustment Amount, retroactive to January 1 for each new year.

vi) In the event the Index shall hereafter be converted to a different standard reference base or otherwise revised, the determination of the percentage increase shall be made with the use of such conversion factor, formula, or table for converting the Index as may be published by Prentice Hall, Inc. or Commerce Clearing House or any nationally recognized publisher of similar statistical information. In the event the Index shall cease to be published, then, for the purpose of these provisions, there shall be substituted for the Index such other Index as LC and WC shall agree upon; and if they are unable to agree within ninety (90) days after the Index ceases to be published, such matter shall be determined by arbitration in accordance with the rules of the American Arbitration Association.

ASSIGNMENT OF RENTS AND LEASES

THIS ASSIGNMENT OF RENTS AND LEASES (this "Assignment") is made as of the 29th day of March, 2006, by LITTLETON CAMPUS, LLC, a Maryland limited liability company ("Assignor"), to GMAC COMMERCIAL MORTGAGE CORPORATION, a California corporation ("Assignee").

RECITALS

WHEREAS, Assignor is indebted to Assignee for a revolving loan facility in the aggregate principal amount at any one time outstanding not to exceed EIGHTY-THREE MILLION and 00/100 (\$83,000,000.00) DOLLARS (the "Loan"), to be advanced pursuant to a Construction Loan Agreement between Assignor and Assignee of even date herewith (as amended, restated or otherwise modified, the "Loan Agreement"), as evidenced by a Promissory Note of Assignor to Assignee of even date herewith, bearing interest at the variable rate described therein (as amended, restated or otherwise modified, the "Note").

WHEREAS, Assignee, as a condition to making the Loan to Assignor and to obtain additional security therefor, has required the execution of this Assignment by Assignor.

1. ASSIGNMENT

Assignor, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby transfer

and assign unto Assignee, its successors and assigns, all right, title and interest of Assignor in, to and under any and all leases executed by Assignor relating to or affecting the property located in Douglas County, Colorado, commonly known as 3330 West County Line Road, Highlands Ranch, Colorado, and described in Exhibit A attached hereto as a part hereof (hereinafter referred to as the "Premises"), or any part thereof, now existing or which may be

executed at any time in the future prior to the termination of this Assignment, and all amendments, extensions and renewals thereof (hereinafter collectively referred to as the "Leases" or singularly as the "Lease"), together with any and all guarantees of the obligations of the lessees under the Leases, (hereinafter such lessees are collectively referred to as the "Lessees" or singularly as the "Lessee"), and all rents, income and profits which may now or hereafter be or become due or owing under the Leases, or any of them, or on account of the use and/or occupancy of the Premises (collectively, "Rents"). The rights assigned hereunder shall include all of Assignor's right and power to modify any Lease, to terminate the term, to accept a surrender thereof, to waive or release the Lessee thereunder from the performance or observance by such Lessee of any obligations or conditions thereof, and to anticipate rents thereunder for more than one (1) month prior to accrual. This Assignment shall continue and remain in full force and effect during any period of foreclosure with respect to the Premises.

2. PURPOSES

2.01 Payment of Indebtedness. This Assignment is made for the purpose of securing the payment and performance of all of Assignor's obligations under the Note.

2.02 Other Sums. This Assignment also secures the payment and performance by Assignor of all other obligations of Assignor in connection with the Note, the Loan Agreement, the Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing dated of even date herewith (as amended, restated or otherwise modified, the "Deed of Trust"), and all other Loan Documents (as defined in the Loan Agreement), and any obligation, existing or hereinafter created, owed by Assignor to Assignee.

2.03 Other Obligations. This Assignment further secures the performance and discharge of each and every obligation, covenant and agreement of Assignor contained herein or in the Note, the Deed of Trust, the Loan Agreement or any other Loan Document.

3. COVENANTS AND WARRANTIES OF ASSIGNOR

3.01 Priority. Except for assignments, if any, in favor of or approved in writing by Assignee, Assignor has not made or executed and will not make or execute any other assignment of any of the Leases, or the rents, income and profits accruing from the Premises. Assignor has not performed any acts or omitted to do any acts or execute any other instruments, and will not perform any acts or omit to do any acts, or execute any other instruments which will or might prevent Assignee from fully exercising Assignee's rights under any of the terms, covenants and conditions of this Assignment.

3.02 Existing Leases. All existing Leases (if any) are valid and enforceable in accordance with their terms. There are no material defaults now existing under any existing Leases and no state of facts now exists which, with the giving of notice or the lapse of time, or both, would constitute a material default or event of default thereunder. No existing Leases have been altered, modified, amended, terminated or renewed, nor have any of the terms and conditions thereof been waived in any manner. No existing Leases will be hereafter altered, modified or amended in any material respect, or terminated or renewed, nor will any material term or condition thereof by the Lessee to be kept, observed or performed be waived, nor will the

Lessee be released from the observance or performance of any duties or obligations thereunder, without the prior written approval of Assignee.

3.03 Subsequent Leases. All Leases hereafter entered into shall be in such form, with such Lessees, and under such terms and conditions as shall have been previously approved by Assignee. Assignee shall promptly notify Assignor of approval (which shall not be unreasonably withheld) or disapproval of any particular Lease. Following approval by Assignee, no such Lease will be altered, modified, or amended in any material respect (except as expressly contemplated therein), or terminated or renewed, nor will any material obligation thereunder of the Lessee be waived, nor will the Lessee be released from the observance and performance of any duties or obligations thereunder, without the prior written approval of Assignee.

3.04 Performance. Assignor will keep, observe and perform each and every condition and covenant imposed on Assignor under the Leases. Assignor will give prompt notice to Assignee of any material default under any Lease. Assignor, at its sole cost and expense, will enforce, short of termination, the performance or observance of each and every covenant and condition imposed on the Lessee under each Lease. Assignor, at its sole cost and expense, will appear in and defend any and all actions growing out of or in any manner related to, any of the Leases or the obligations, rights, or liabilities of Assignor or any of the Lessees thereunder.

3.05 Collection of Rents. Assignor has not collected or accepted payment of, and will not collect, or accept payment of, rent under any of the Leases for more than one (1) month in advance.

3.06 Further Assurances. Assignor will execute and deliver to Assignee all such further assurances and assignments as Assignee shall from time to time require or deem necessary.

3.07 No Restraints. Assignor is not prohibited by or under any agreement with any other person or party, or under any judgment or decree, from the execution and delivery of this Assignment or from the performance of each and every covenant of Assignor hereunder.

3.08 No Litigation. No litigation or other action has been brought or threatened by or against Assignor or any person or party claiming by, through or under Assignor, which would interfere with the right of Assignor to execute this Assignment, or to perform any of all of Assignor's duties and obligations hereunder.

4. COLLECTION OF RENTS

4.01 Collection of Rents. So long as no Event of Default, as hereinafter defined, exists, Assignor shall have the right to collect, but not more than one (1) month prior to accrual, all rents, issues and profits from the Premises and to retain, use and enjoy the same, unless otherwise provided under the Loan Documents.

4.02 Release. Upon the payment and performance of all obligations of Assignor under the Note, the Deed of Trust, the Loan Agreement and all other Loan Documents, this Assignment shall be and become null and void, of no further force or effect. A release of the Deed of Trust shall, for all purposes, terminate and release this Assignment.

5. FURTHER COVENANTS, WARRANTIES AND AGREEMENTS

5.01 Event of Default. Each of the following shall constitute an "Event of Default" hereunder by Assignor:

- (i) Assignor fails to keep, observe or perform any covenant, agreement or obligation of Assignor contained in this Assignment, which failure continues for a period of thirty (30) days after written notice to Assignor;
- (ii) any representation or warranty of Assignor herein contained proves untrue or misleading in any material respect;
- (iii) any default (including expiration of any applicable grace or cure period) or Event of Default occurs in or under the Note, the Deed of Trust, the Loan Agreement or any other Loan Document.

5.02 Remedies. If a default (which is not cured within any applicable grace or cure period) or an Event of Default occurs, Assignee may at Assignee's option, without notice to Assignor, do any one or more of the following:

- (i) declare all amounts owed by Assignor to Assignee immediately due and payable to Assignee, whether or not the same are then due or owing;
- (ii) enter upon, take possession of, lease and operate the Premises, without becoming a mortgagee in possession; take possession of all personal property, fixtures, documents, books, records, papers and accounts of Assignor relating thereto, and exclude Assignor, its agents and servants, therefrom;
- (iii) perform any and all obligations of Assignor under any of the Leases, and exercise any and all rights of Assignor therein contained, as fully as Assignor could, without regard to the adequacy of security for the indebtedness hereby secured, with or without the bringing of any legal action or the causing of any receiver to be appointed by any court;
- (iv) make, enforce, modify and accept the surrender of any Lease;
- (v) retain and/or evict any Lessee, subject to rights of Lessee contained in the Deed of Trust or in any non-disturbance agreement executed by Assignee;
- (vi) fix or modify rent with respect to all or any portion of the Premises;
- (vii) sue for or otherwise collect and receive all rents, issues and profits with respect to all or any portion of the premises, and apply the same in the manner provided in Section 5.03 hereof; and
- (viii) do all other acts which Assignee may deem necessary or proper to protect Assignee's security.

5.03 Power of Attorney. Assignor hereby appoints Assignee the true and lawful attorney in fact of Assignor, with full power of substitution, in Assignor's name and/or in Assignee's name, after an Event of Default hereunder, to sue for or make such settlement of claims, as Assignee may deem necessary or desirable, or otherwise demand, collect and receive, all rents, issues and profits emanating from or related to the Premises, or any part thereof, or any of the Leases, and to apply the same: first, to and against all costs and expenses of operation of the Premises (including, but not limited to, the payment of taxes, special assessments, insurance premiums, damage claims, and costs of maintaining, repairing, rebuilding and restoring the improvements on the Premises or of making the same rentable) of the performance of Assignor's obligations under the Leases, and of collection (including actual attorneys' fees) of such rents, issues and profits; second, to interest on, and then to the principal of, the indebtedness secured hereby; and third, to any other indebtedness or charge secured hereby or by the Deed of Trust. This power of attorney shall be deemed to be coupled with an interest, and shall be irrevocable. It is the intention of Assignor that all persons and parties may rely upon this power of attorney, and continue to rely upon it, unless and until this Assignment has become null and void pursuant to Section 4.02 hereof.

5.04 Payment by Lessees to Assignee. The Lessees are authorized and directed upon written demand by Assignee to pay any and all amounts due to Assignor under or pursuant to the Leases to Assignee, or to such nominee as Assignee may designate in writing delivered to and received by such Lessees. The Lessees are hereby expressly relieved of any and all duty, liability or obligation to Assignor in respect of all payments so made.

5.05 Assignee Not Liable for Performance Under Leases. Assignee shall not be under any obligation to exercise or prosecute any of the rights or claims assigned to the Assignee hereunder, or to perform or carry out any of the obligations of Assignor under any of the Leases, and Assignee does not assume any liabilities in connection with or arising or growing out of the covenants and agreements of Assignor in the Leases. This Assignment shall not operate to place responsibility for the control, care, management or repair of the Premises, or any part thereof, upon Assignee, nor shall it operate to make Assignee liable for the performance of any of the terms and conditions of any of the Leases, or for any waste of the Premises by the Lessees or by any other party, or for any dangerous or defective condition of the Premises, resulting in loss, injury or death of any of the Lessees, or to any other person or party.

5.06 Indemnity. Assignor hereby agrees to indemnify and hold Assignee harmless from any and all liability, loss, damage, cost or expense, including actual attorneys' fees, which may be incurred by Assignee under any of the Leases, or by reason of this Assignment, and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on Assignee's part to perform or discharge any of the terms, covenants or agreement contained in any of the Leases, other than any liability, loss, damage, claim or demand arising solely from willful misconduct of Assignee.

5.07 No Merger. Assignor, without the prior written consent of Assignee, will not cause or permit the leasehold estate under any Lease to merge with Assignor's reversionary interest.

5.08 Rents. All earnings, revenues, rents, issues, profits and income of the Premises or any part thereof are hereby assigned to Assignee and, in the case of the happening and continuation of an Event of Default hereunder or as defined in the Deed of Trust, the Loan Agreement or any other Loan Document, Assignee shall be entitled to collect and receive all such earnings, revenues, rents, issues, profits and income personally or through a receiver as long as any such Event of Default shall exist and during the pendency of any foreclosure proceedings and during any redemption period, and the collection of such earnings, revenues, rents, issues, profits and income by Assignee shall in no way waive the right of Assignee to foreclose the Deed of Trust in the event of such an Event of Default. Assignor agrees to consent to a receiver if this is believed necessary or desirable for Assignee to enforce its right hereunder.

6. MISCELLANEOUS PROVISIONS

6.01 No Waiver. The entry upon and taking possession of the Premises by Assignee, the collection of rents and the application thereof, or the exercise of any other right or remedy by Assignee herein provided, shall not operate to cure or waive any default or Event of Default under any instrument made or given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the indebtedness secured hereby, or to realize on or enforce any other security for such indebtedness.

6.02 Releases, etc. Assignee may take or release other security for the obligations secured hereby, release any party primarily or secondarily liable for any such obligations, grant extensions, renewals, or indulgences with respect to such obligations, and apply any other security therefor held by Assignee to the satisfaction of such obligations, without prejudice to any of Assignee's rights hereunder.

6.03 Performance by Assignee. Should Assignor fail to perform or observe any covenant or to comply with any condition contained in any of the Leases, then Assignee (without obligation so to do and without notice to or demand on Assignor or releasing Assignor from Assignor's obligation so to do) may perform such covenant or condition and, to the extent that Assignor shall incur any costs or expenses in connection therewith (including any costs or expenses of litigation), then such costs, expenses or payments shall be included in the indebtedness secured hereby and shall bear interest from the date thereof at the Default Rate under the Note.

6.04 Waiver by Assignee. Neither acquiescence by Assignee, nor failure of Assignee to insist upon strict performance by Assignor of any condition, obligation, warranty or agreement in this Assignment, shall constitute a waiver of such default or any subsequent or other default, nor, in the event Assignor is unable to cure such default, shall any such acquiescence or failure preclude Assignee from therefor declaring such default to be an Event of Default as herein provided. Any waiver Assignee of any condition, obligation, warranty or agreement herein contained shall be effective only if evidenced in a written instrument signed by Assignee and delivered to Assignor.

6.05 Rights Cumulative. The rights and remedies of Assignee under this Assignment are cumulative and are not in lieu of, but are in addition to all other rights or remedies which Assignee shall have under the Note, the Deed of Trust, the Loan Agreement or the other Loan

Documents, and in law or equity, all of which rights and remedies may be exercised concurrently.

6.06 Severability. If any term of this Assignment, or the application thereof to any person or circumstance, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which such term is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.

With respect to computer systems owned by Erickson, or in which Erickson otherwise has rights, the Collateral shall include only the information (in whatever form, and on whatever media stored or retained by Erickson) related to the Retirement Community, the media on which information is stored or retained, and only those items of hardware, software, utilities and peripherals which are required to be used in order to retain, access, and/or process such information as stored and retained on such media.

2. Payment and Performance. Each Grantor will pay the Obligations to be paid by such Grantor as and when due and payable and will perform, comply with, and observe the terms and conditions of the Loan Documents to be performed, complied with and observed by such Grantor.

3. Representations and Warranties. (a) Each Grantor represents and warrants, to the Secured Party, with respect to Collateral owned by it, that it is the sole owner of such Collateral and has good and marketable title to such Collateral free and clear of all liens, charges, security interests and other encumbrances except for those in favor of the Secured Party and those previously disclosed in writing to the Secured Party and permitted by the Loan Agreement. Upon request of the Secured Party, each Grantor shall deliver to the Secured Party all certificates of title, certificates of origin or other evidence of the Grantor's ownership of the Collateral as may be required by the Secured Party.

(b) Each Grantor represents and warrants to the Secured Party as of the date hereof and as of the date any future Licenses are issued to, or acquired by, the Grantor that:

ii. all of the Licenses have been issued in the names of one or more of the Grantor(s), or in the name of WC, as indicated on Exhibit A;

iii. there has been no breach of any condition to the issuance, maintenance, renewal and/or continuance of any of the Licenses, and no event has occurred which, with the giving of notice or the passage of time, or both, would constitute such a breach;

iv. all fees, charges and other expenses have been paid, all information has been provided and all material conditions precedent to the issuance, maintenance, renewal, and continuance thereof have been complied with, with respect to all of the Licenses;

v. none of the Grantors has received any notice from any governmental authority of any actual, pending or threatened, suspension, revocation, restriction or imposition of any probationary use of any of the Licenses, or any material amendments or modifications to the Licenses;

vi. this Assignment is the only assignment by the Grantors of any of the Licenses;

vii. the Licenses are free and clear of all liens, security interests and other encumbrances, except for liens granted to the Grantors or to the Secured Party;

viii. none of the Licenses has been or is expected to be issued for a period of less than twelve (12) months unless such license is normally issued for a period of less than twelve (12) months in which case, such License has been or is expected to be issued for a period the duration of which is customary for such License; and

ix. the Grantors have the full power and authority to execute and deliver this Assignment and to perform and comply with the terms and conditions hereof, all of which have been duly authorized.

4. Further Assurances. The Grantors will, jointly and severally, defend their title to the Collateral against all persons and will upon request of the Secured Party, promptly (a) furnish such further assurances of title as may reasonably be required by the Secured Party; and (b) deliver, and execute and/or authorize the filing of or cause to be delivered and executed, in form and content satisfactory to the Secured Party, any financing, continuation, amendment, termination or security interest filing statement, security agreement or other document as the Secured Party may request in order to perfect, preserve, maintain or continue the perfection of the Secured Party's security interest in the Collateral and/or its priority. The Grantors will, jointly and severally, pay the costs of filing any and all financing, continuation, termination or security interest filing statement as well as any recordation or transfer tax required by law to be paid in connection with the filing or recording of any such statement. The Grantors, jointly and severally, hereby covenant to save harmless and indemnify the Secured Party from and against any liability resulting from the failure to pay any required documentary stamps, recordation and transfer taxes, and recording costs incurred by the Secured Party in connection with this Security Agreement, which covenant shall survive the termination of this Security Agreement and the payment of the Obligations. A carbon, photographic or other reproduction of a financing statement is sufficient as a financing statement. This Security Agreement (and reproductions thereof) shall also constitute, and may be filed among the records of any jurisdiction as, a financing statement. Without implying any limitation on the foregoing, with respect to the Collateral that may be perfected by control, the Grantor shall take such steps as the Secured Party may require in order that Secured Party may have such control. To the extent that the proceeds of any of the Accounts are expected to become subject to the control of, or in the possession of, a party other than the Grantor or the Secured Party, the Grantor shall cause all such parties to execute and deliver on the date of this Security Agreement and from time to time hereafter security documents, financing statements or other documents as requested by the Secured Party and as may be necessary to evidence and/or perfect the security interest of the Secured Party in those proceeds. The Grantor hereby irrevocably appoints the Secured Party as

the Grantor's attorney-in-fact, with power of substitution, in the name of the Secured Party or in the name of the Grantor or otherwise, for the use and benefit of the Secured Party, but at the cost and expense of the Grantor and without notice to the Grantor, to execute and deliver any and all of the Instruments and other documents and take any action which the Secured Party may require pursuant the foregoing provisions of this Section, but only in order to further assure the lien, priority and perfection of the security interests created under this Security Agreement. Further, except to the extent prohibited by applicable laws, the Secured Party may file, without the Grantor's signature, one or more financing statements or other notices disclosing the Secured Party's liens and other security interests. All financing statements and notices may describe the Secured Party's collateral as all assets or all personal property of Grantor. Notwithstanding, the filing of such "all assets" financing statements, the scope of the Secured Party's liens and security interests with respect to the Collateral shall be governed by the granting language of the Loan Documents. Furthermore, notwithstanding the provisions of this Security Agreement regarding control, the Grantors shall not be obligated to obtain or provide evidence or documentation of control with respect to any funds now or hereafter held by the Escrow Agent (as defined in the Loan Agreement) under the Escrow Agreement (as defined in the Loan Agreement), unless and until such funds are released from the Escrow Agreement in accordance with the terms thereof.

5. Transfer and Other Liens. Except as otherwise expressly permitted in the Loan Agreement, the Grantors, jointly and severally agree that they will not sell, lease, transfer, exchange or otherwise dispose of the Collateral, or any part thereof or interest therein, without the prior written consent of the Secured Party, and that they will not permit any lien, security interest or other encumbrance to attach to the Collateral, or any part thereof, other than those in favor of the Secured Party or those permitted by the Secured Party in writing, except that each Grantor may, in the ordinary course of its business, and in the absence of an Event of Default hereunder, collect its accounts and Chattel Paper and sell its Inventory, and grant purchase money liens to secure the purchase price of newly acquired equipment and vehicles.

6. Consents. Without notice to and further consent of any of the Grantors, without in any way waiving any of the provisions of this Security Agreement and without in any way releasing all or any part of the Obligations and/or of the Collateral, each Grantor hereby consents (a) to any extension of time for payment of any of the Obligations; (b) to any renewal, modification, waiver or release of any of the Obligations and of any of the Loan Documents; (c) to the addition to or release of, any or all of the Grantors or of any other maker, accommodation maker, endorser, guarantor, surety or indemnitor of any of the Obligations and of any of the Loan Documents; (d) to the addition to or release of all or any part of the collateral and security for any of the Loan Documents and all or any part of the Collateral hereunder; and (e) to any indulgence and/or waiver given to any or all of the Grantors or to any other maker, accommodation maker, endorser, guarantor, surety or indemnitor of any of the Obligations.

8. Names of Grantors, Places of Business and Organization of Grantors and Location of Collateral. Each Grantor represents and warrants to the Secured Party that its correct legal name is as specified on Schedule I attached hereto and that each legal or trade name of such Grantor used during the previous five (5) years (if different from such Grantor's current legal name) is as specified on Schedule I attached hereto. Without prior written notice to the Secured Party, no Grantor will change its name. Each Grantor warrants that such Grantor is organized and existing under the laws of the State set forth on Schedule I attached hereto and that the address of its chief executive office and the address of each other places of business of such Grantor are as specified on Schedule I attached hereto. The Collateral and all books and records pertaining to the Collateral have been for the previous four (4) months (unless acquired by one or more of the Grantors during the previous four (4) months), are only at the chief executive offices specified on Schedule I attached hereto and will be in the future at such executive offices and/or at the situs of the Retirement Community. Each Grantor will immediately advise the Secured Party in writing of the opening of any new place of business or the closing of any of its existing places of business, and of any change in the State of its organization, the location of its chief executive office and the places where the Collateral, or any part thereof, or the books and records concerning the Collateral, or any part thereof, are kept.

10. Insurance. Each Grantor will insure such of the Collateral as specified by the Secured Party against such casualties and risks in such form and amount as may from time to time be required by the Secured Party. All insurance proceeds shall be payable to the Secured Party and all policies or certificates of insurance shall be furnished to the Secured Party. Each Grantor will pay all premiums due or to become due for such insurance and hereby assigns to the Secured Party any returned or unearned premiums which may be due upon cancellation of insurance coverage. The Secured Party is hereby irrevocably (a) appointed as each Grantor's attorney-in-fact to endorse in the name of any Grantor and/or the Secured Party any draft or

check which may be payable to such Grantor in order to collect such returned or unearned premiums or the proceeds of insurance after the occurrence of an Event of Default; and (b) authorized to apply such insurance proceeds after the occurrence of an Event of Default in the same manner and order as the proceeds of sale or other disposition of the Collateral are to be applied pursuant to paragraph 22 hereof.

11. Taxes. Each Grantor will pay as and when due and payable all taxes, levies, license fees, assessments and other impositions levied on the Collateral or any part thereof or for its use and operation, subject to any right to contest provided in the Loan Documents.

12. Equipment not Fixtures. Each Grantor warrants that all equipment which constitutes a part of the Collateral is personalty and is not and will not be affixed to real estate in such manner as to become a fixture or part of such real estate. If, in the opinion of the Secured Party, any such equipment is or may become part of any real estate (other than the real estate covered by the Mortgage described in the Loan Agreement), the Grantors will furnish to the Secured Party a written waiver by the record owner of such real estate of all interest in such equipment and a written subordination to the Secured Party's security interest and lien by any person who has a lien on or security interest in such real estate which is or may be superior to the Secured Party's security interest hereunder.

13. Specific Security Agreements or Assignments. Promptly, upon request by the Secured Party, each Grantor will execute and deliver to the Secured Party written security agreements, assignments, endorsements and/or schedules, in form and content satisfactory to the Secured Party, of specific items of Collateral, including specific Chattel Paper, General Intangibles, Supporting Obligations and Accounts or groups of Chattel Paper, General Intangibles, Supporting Obligations or Accounts, but the security interest of the Secured Party hereunder shall not be limited in any way by such assignments. Such specific assignments are to secure payment of the Obligations and performance of the Loan Documents and are not intended to evidence a sale to the Secured Party (whether or not any assignments thereof separate from this Security Agreement are in form absolute).

14. Delivery, etc. of Chattel Paper and Other Collateral. Each Grantor will promptly upon request by the Secured Party, deliver, assign and endorse to the Secured Party all Chattel Paper and all other documents held by such Grantor in connection therewith, and any other Collateral in which a security interest must be perfected by possession.

15. Government Contracts. If any Account or Chattel Paper arises out of a contract or contracts with the United States of America or any department, agency, or instrumentality thereof, the Grantors shall immediately notify the Secured Party thereof in writing and execute any instruments or take any steps required by the Secured Party in order that all moneys due or to become due under such contract or contracts shall be assigned to the Secured Party and notice thereof given under the Federal Assignment of Claims Act.

16. Collateral Account. The Borrower shall deposit such items of payment for credit to the Borrower Collateral Account as and when required by the Loan Agreement, and in precisely the form received, except for the endorsement of the Borrower where necessary to permit the collection of such items of payment, which endorsement the Borrower hereby agrees to make. Pending such deposit, the Borrower will not commingle any such items of payment with any of its other funds or property, but will hold them separate and apart. The Secured Party will apply the whole or any part of the collected funds credited to the Borrower Collateral Account in accordance with the Loan Agreement against the Obligations, or credit such collected funds to a banking account of the Borrower with the Secured Party, the order and method of such application to be in the sole discretion of the Secured Party.

17. Rights of Secured Party and Duties of Grantor. If all or any part of the Collateral at any time consists of Inventory, Accounts, General Intangibles, Supporting Obligations or Chattel Paper: (a) the Secured Party may, upon the occurrence of an Event of Default, at any time and from time to time, and each Grantor hereby irrevocably appoints the Secured Party as its attorney-in-fact, with power of substitution, in the name of the Secured Party or in the name of such Grantor or otherwise, for the use and benefit of the Secured Party, but at the cost and expense of the Grantors, jointly and severally, and without notice to the Grantors, (i) notify the account debtors obligated on any of the Collateral (including WC, with respect to the working capital loan evidenced by the Working Capital Loan Documents) to make payments thereon directly to the Secured Party, and to take control of the cash and non-cash proceeds of any such Collateral, (ii) charge to any banking account of the Borrower with the Secured Party any item of payment credited to the Borrower Collateral Account which is dishonored by the drawee or maker thereof; (iii) compromise, extend, or renew any of the Collateral or deal with the same as it may deem advisable; (iv) release, make exchanges, substitutions, or surrender, all or any part of the Collateral; (v) remove from each Grantor's place of business all books, records, ledger sheets, correspondence, invoices and documents, relating to or evidencing any of the Collateral or without cost or expense to the Secured Party, make such use of the Grantors' places of business as may be reasonably necessary to administer, control and collect the Collateral; (vi) repair, alter or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any account debtor; (vii) demand, collect, receipt for and give renewals, extensions, discharges and releases of any of the Collateral; (viii) institute and prosecute legal and equitable proceedings to enforce collection of, or realize upon, any of the Collateral; (ix) settle, renew, extend, compromise, compound, exchange or adjust claims with respect to any of the Collateral or any legal proceedings brought with respect thereto; (x) endorse the name of the appropriate Grantor upon any items of payment relating to the Collateral or upon any Proof of Claim in Bankruptcy against an account debtor; and (xi) receive and open all mail addressed to the Grantors and, if an Event of Default exists hereunder, notify the Post Office authorities to change the address for the delivery of mail to the Grantors to such address as the Secured Party may designate; and (b) the Grantors will (i) make no material change to the terms of any lease or of any Account, General Intangible, Supporting Obligation or Chattel Paper without the prior written permission of the Secured Party; and (ii) on demand, make available in form acceptable to the Secured Party documents and receipts evidencing any transaction giving rise to any lease,

Account, General Intangible, Supporting Obligation or Chattel Paper, completion certificates or other proof of the satisfactory performance of services which gave rise to an Account, a General Intangible, Supporting Obligation or Chattel Paper, and each Grantor's copy of any written contract or order from which a lease, an Account, a General Intangible, Supporting Obligation or Chattel Paper arose.

18. Covenants Relating to the Licenses. Each Grantor hereby covenants and agrees as follows:

a. Each Grantor shall take any and all steps necessary to renew the Licenses in accordance with all applicable laws, rules and regulations and shall fully, promptly and faithfully comply with and perform its obligations and duties under the Licenses in accordance with the terms thereof, including, without limitation, (i) the payment of any and all issuance, renewal or other fees, charges, assessments and other expenses assessed by any issuing governmental authority in connection with any of the Licenses, (ii) the filing of any and all reports, surveys, schedules, certificates, applications and other items required by any issuing governmental authority as a condition precedent to any renewal, issuance, or continuance of any of the Licenses, and (iii) the operation and maintenance of the Retirement Community in compliance with all laws, rules and regulations imposed upon and governing retirement communities, assisted living facilities and comprehensive care facilities in general, and the Retirement Community in particular.

b. No Grantor shall (i) request any changes or amendments to any of the Licenses that are not customarily made in the ordinary course of business, or (ii) terminate, restrict, or cancel any of the Licenses, to the extent any such changes, amendments, termination, restriction or cancellation could have a materially adverse effect on the financial condition or operations of the Grantor.

c. Each Grantor will promptly (i) furnish to the Secured Party evidence of the issuance, renewal or continuance of any of the Licenses, and evidence of compliance with all of the conditions under which any of the Licenses exists, and (ii) inform the Secured Party of any notices received relating to the threatened or actual revocation, restriction, suspension or expiration of any of the Licenses, including any proposed or actual admission ban or restriction.

d. Each Grantor will promptly notify the Secured Party in writing of the happening of any of the following events: (i) any modification of any of the Licenses, if such modification would substantially affect such License, (ii) failure or inability of such Grantor to comply with any of the conditions of the Licenses, (iii) any receipt of any notice of the threatened or pending revocation, suspension, probation, expiration, amendment, or rescission of any of the Licenses or any pending or threatened revocation, suspension, probation, expiration, amendment, or rescission of any of the Licenses, and (iv) as a consequence of any sanction of a governmental authority, the issuance or threatened issuance of any of the Licenses for a period of less than twelve (12) months from the date of issuance.

e. Each Grantor will keep the Licenses free and clear of all liens, security interests and other encumbrances, other than (i) those in favor of the Secured Party, and

(ii) a subordinate lien in favor of one or more of the Grantors, all of which have been assigned to the Secured Party.

19. Covenants Related to Residence and Care Agreements.

a. To the extent that they have any authority or rights with respect to the Residence and Care Agreements, the Grantors shall not, without the prior written consent of the Secured Party, enter into, or take or fail to take any action pursuant to, or give any consent under the terms of, any Residence and Care Agreement which materially reduces or delays the amount (taken in the aggregate) or the timing of payment of any of the fees or charges payable by any resident as shown or described in the form of Residence and Care Agreement delivered to Secured Party on or prior to closing, or which would in any other manner result in a reduction or delay in the amount or timing of payments under the Lease or the Loan Documents, or in the amounts available to the Grantors for such purposes. Upon request of the Secured Party, the Grantors shall provide to the Secured Party copies of executed Residence and Care Agreements, schedules regarding the same in form and substance acceptable to the Secured Party, and such other information regarding the Residence and Care Agreements and (subject to applicable laws regarding privacy) the Residents as the Secured Party may reasonably require, including any information the Secured Party deems pertinent to evaluate the financial condition and business affairs of the Grantors.

b. Each Grantor hereby agrees that all Entrance Deposits shall be held as provided in

c. the Loan Agreement. Except to the extent prohibited by law, each Grantor hereby assigns to the Secured Party, and grants to the Secured Party a security interest in, all of the Grantor's interest (if any) in the Entrance Deposits (which term shall include all similar deposits, payments or entrance fees charged by the Grantors and relating to the occupation of living units in the Retirement Community), whether now in escrow or received after the date hereof. Except to the extent prohibited by applicable law, the Secured Party shall be entitled to exercise its remedies as a secured party under the applicable Uniform Commercial Code, and all other rights and remedies available to the Secured Party, against the Entrance Deposits without being obligated to assume any of the obligations of any of the Grantors under the Residence and Care Agreements, and the Grantors shall continue to be liable, jointly and severally, for all obligations of any of the Grantors thereunder. Each Grantor hereby agrees to use its best efforts to satisfy the conditions precedent to permit the release of the Entrance Deposits from escrow.

20. Performance by the Secured Party. If any Grantor fails to perform, observe, or comply with any of the conditions, terms or covenants contained in this Security Agreement, the Secured Party, without notice to or demand upon any of the Grantors and without waiving or releasing any of the Obligations or any default, may (but shall be under no obligation to) at any time thereafter perform such conditions, terms or covenants for the account and at the joint and several expense of the Grantors, and may enter upon any place of business or other premises of any of the Grantors for that purpose and take all such action thereon as the Secured Party may consider necessary or appropriate for such purpose. All sums paid or advanced by the Secured Party in connection with the foregoing and all costs and expenses

(including, without limitation, attorneys' fees and expenses) incurred in connection therewith (collectively, the "Expense Payments") together with interest thereon at the Default Rate set forth in the Note, from the date of payment until repaid in full, shall be paid by the Grantors, jointly and severally to the Secured Party on demand and shall constitute and become a part of the Obligations secured hereby.

21. Event of Default. The occurrence of any one or more of the following events shall constitute an Event of Default under this Security Agreement: (a) any failure of any of the Grantors to perform, observe or comply with any of the provisions of this Security Agreement which is not cured within ten (10) days after notice from the Secured Party; (b) the occurrence of an Event of Default under any of the Loan Documents; (c) if any information furnished by any Grantor, or by any other person acting on behalf of any Grantor in connection with the Collateral, or with any of the Loan Documents shall prove untrue or misleading in any material respect; (d) the filing of any petition under the Bankruptcy Code or any similar Federal or State statute by or against any Grantor, or the failure of any Grantor generally to pay debts as such debts become due; (e) the filing of an application for the appointment of a receiver for, the making of a general security agreement for the benefit of creditors by, or the insolvency of, any Grantor; or (f) the dissolution, merger, consolidation, or reorganization of any Grantor.

22. Rights and Remedies Upon an Event of Default. In the event of an Event of Default hereunder (and in addition to all of its rights, powers and remedies under this Security Agreement), the Secured Party may, at its option, declare the unpaid balance of all or any part of the Obligations to be immediately due and payable, and the Secured Party shall have all of the rights and remedies of a Secured Party under the applicable Uniform Commercial Code and other applicable laws. The Grantors, upon demand by the Secured Party, shall assemble the Collateral and make it available to the Secured Party at a place designated by the Secured Party which is mutually convenient to both parties. The Secured Party or its agents may enter upon any Grantor's premises with or without judicial process or proceedings to take possession of the Collateral, to remove it, to render it unusable or to sell or otherwise dispose of it.

Additionally, upon the occurrence of an Event of Default hereunder, the Secured Party may, by written notice to the Grantors and to WC, direct that any and all future payments in respect of the Working Capital Loan Documents shall be made by WC directly to the Secured Party. Each Grantor hereby authorizes WC to make all further payments on account of the Working Capital Loan Documents directly to the Secured Party following receipt by WC of notice from the Secured Party of the occurrence of an Event of Default hereunder, and without regard to, and without any duty to investigate, the facts supporting declaration of an Event of Default by the Secured Party. In order to effectuate the provisions of this paragraph, and in addition to all rights the Secured Party has hereunder, below, the Borrower has executed and delivered to the Secured Party a letter, dated in blank, a copy of which is attached as Exhibit B hereto, pursuant to which the Borrower directs WC to make all payments in respect of the Working Capital Loan Documents from and after the date of the letter directly to the Secured Party. Secured Party shall be entitled to date such letter and to deliver it to WC following the occurrence of an Event of Default hereunder. WC shall be entitled to rely on such letter, as dated and delivered by the Secured Party, and to act in accordance with the instructions contained therein, without regard to, and without any duty to investigate, the facts supporting the Secured Party's declaration of an Event of Default hereunder.

Subject to the provisions of this Security Agreement, upon or at any time after the occurrence of an Event of Default under the Loan Documents, the Secured Party may, without notice and without regard to the adequacy of security for the Obligations, either in person or by agent, with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enforce any and all rights and remedies of the Grantor under and in connection with any of the Licenses, except to the extent prohibited by law, and subject to the provisions of this Security Agreement or any of the other Loan Documents, make, cancel, enforce, transfer or modify any of the Licenses and do any acts that the Secured Party deems proper to protect the security hereof. Each Grantor agrees to take all actions necessary to enable the Secured Party to fully exercise its rights hereunder, including, but not limited to assisting the Secured Party to obtain any required governmental agency approval. Each Grantor shall cooperate to the fullest extent possible in arranging for the transfer or issuance to the Secured Party or its designee or assignee of all licenses, permits, approvals and authorizations, and all governmental and private reimbursement agreements of any kind, necessary or useful to the operation of the Retirement Community, under applicable federal, state or local law. The cooperation required under this agreement shall include the execution, delivery and filing with appropriate governmental entities and private party health care reimbursers of all applications, petitions, requests, assignments and other documents or instruments of any kind, including but not limited to a surrender or termination of any existing operating license, provider agreement or other reimbursement agreement if requested by the Secured Party to facilitate the issuance of new licenses or provider agreements in the name of the Secured Party or its designee or assignee. The Secured Party shall have the right, and each Grantor hereby irrevocably designates and appoints the Secured Party and its designees as the attorney-in-fact of the Secured Party, with power of substitution and with power and authority in such Grantor's name, the Secured Party's name or otherwise and for the use and benefit of the Secured Party to take control of, change the terms of, release, exchange, substitute, extend, renew or otherwise deal with, the Licenses in any manner as the Secured Party may deem advisable, should any Grantor fail to cooperate as required above.

Any written notice of the sale, disposition or other intended action by the Secured Party with respect to the Collateral which is required by applicable laws and is sent by regular mail, postage prepaid, to the Grantors at the address of the Grantors' chief executive office specified below, or such other address of the Grantors which may from time to time be shown on the Secured Party's records, at least ten (10) days prior to such sale, disposition or other action, shall constitute reasonable notice to the Grantors. The Grantors shall, jointly and severally, pay on demand all costs and expenses, including, without limitation, attorney's fees and expenses, incurred by or on behalf of the Secured Party (a) in enforcing the Obligations, and (b) in connection with the taking, holding, preparing for sale or other disposition, selling, managing, collecting or otherwise disposing of, the Collateral. All of such costs and expenses (collectively, the "Enforcement Costs") together with interest thereon at the Default Rate set forth in the Note, from the date of payment until repaid in full, shall be paid, jointly and severally, by the Grantors to the Secured Party on demand and shall constitute and become a part of the Obligations secured hereby. Any proceeds of sale or other disposition of the Collateral will be applied by the Secured Party to the payment of Enforcement Costs and Expense Payments, and any balance of such proceeds (if any) will be applied by the Secured Party to the payment of the remaining

Obligations (whether then due or not), at such time or times and in such order and manner of application as the Secured Party may from time to time in its sole discretion determine.

In addition to, and without limitation of, any rights of the Secured Party under applicable laws, if any Grantor becomes insolvent, however evidenced, or any Event of Default occurs, the Secured Party may at any time and from time to time thereafter, without notice to any of the Grantors, set-off, hold, segregate, appropriate and apply at any time and from time to time thereafter all such indebtedness, deposits, credits, balances (whether provisional or final and whether or not collected or available), monies, securities and other property toward the payment of all or any part of the Obligations in such order and manner as the Secured Party in its sole discretion may determine and whether or not the Obligations or any part thereof shall then be due or demand for payment thereof made by the Secured Party.

23. Remedies Cumulative. Each right, power and remedy of the Secured Party as provided for in this Security Agreement or in the other Loan Documents or now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Security Agreement or in the Loan Documents or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Secured Party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by the Secured Party of any or all such other rights, powers or remedies.

24. Waiver. No failure or delay by the Secured Party to insist upon the strict performance of any term, condition, covenant or agreement of this Security Agreement or of the Loan Documents, or to exercise any right, power or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, covenant or agreement or of any such breach, or preclude the Secured Party from exercising any such right, power or remedy at any later time or times. By accepting payment after the due date of any of the Obligations, the Secured Party shall not be deemed to have waived the right either to require prompt payment when due of all other Obligations, or to declare an Event of Default for failure to effect such payment of any such other Obligations. No course of dealing between the Secured Party and the Grantors shall be effective to amend, modify or change any provision of this Security Agreement or the other Loan Documents, and the Secured Party shall have the right at all times to enforce the provisions of this Security Agreement and any of the other Loan Documents in strict accordance with the terms hereof and thereof, notwithstanding any conduct or custom on the part of the Secured Party in refraining from so doing at any time or times. No modification, change, waiver or amendment of this Security Agreement shall be deemed to be made by the Secured Party unless in writing signed by the Secured Party, and each such waiver if any, shall apply only with respect to the specific instance involved. Each Grantor waives presentment, notice of dishonor and notice of non-payment with respect to Accounts, General Intangibles, Supporting Obligations and Chattel Paper.

25. Governing Law. This Security Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Colorado (excluding principles of conflicts of law), both in interpretation and performance.

26. Miscellaneous. The paragraph headings of this Security Agreement are for convenience only, and shall not limit or otherwise affect any of the terms hereof. Neither this Security Agreement nor any term, condition, covenant or agreement hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought. In conjunction with the sale, assignment or transfer of all or any part of the Obligations and of the Loan Documents to any person or persons, the Secured Party may, as provided in the Loan Agreement, at any time and from time to time sell, assign and transfer all or any part of this Security Agreement and the Collateral hereunder and each such purchaser, assignee and transferee shall have all of the rights, remedies and benefits of the Secured Party hereunder, provided that the Secured Party shall continue to have its rights, remedies and benefits hereunder as to so much of the Obligations and Loan Documents that it has not sold, assigned or transferred. This Security Agreement shall be binding upon the personal representatives, successors and assigns of the Grantors and shall inure to the benefit of the successors, assigns and participants of the Secured Party. In the event any one or more of the provisions of this Security Agreement shall for any reason be held to be invalid, illegal or unenforceable, in whole or in part, or in any respect, or in the event that any one or more of the provisions of this Security Agreement operate or would prospectively operate to invalidate this Security Agreement, then and in either of those events, such provision or provisions only shall be deemed null and void and shall not affect any other provision of this Security Agreement and the remaining provisions of this Security Agreement shall remain operative and in full force and effect and shall in no way be affected, prejudiced or disturbed thereby. The term "Obligations" as used herein shall be liberally construed to include, without limitation, the obligations, indebtedness and liabilities of each of the Grantors to the Secured Party for, arising under, or in connection with, any and all future loans, credit facilities and financial accommodations by the Secured Party to any of the Grantors whether or not the same may be presently contemplated by the Loan Agreement, the Note, the Guaranty, or any of the other Loan Documents existing on or about the date hereof. All capitalized terms used herein without definition shall have the meanings ascribed to them in the Loan Documents. If any provision hereof relating to the maintenance of books and records or insurance conflicts with any provision of the Loan Agreement or the Deed of Trust (as defined therein), the provisions of the Loan Agreement or Deed of Trust (as the case may be) shall control. All financing statements and notices may describe Beneficiary's collateral as all assets or all personal property of Grantor. Notwithstanding the filing of such "all assets" financing statements, the scope of Beneficiary's liens and security interests with respect to the collateral shall be governed by the granting language of the Loan Documents.

SECTION 4. HABENDUM CLAUSE AND DEFEASANCES.

To have and to hold the Property unto Trustee, for the benefit of Beneficiary forever. All right, title and interest of Grantor in and to all extensions, improvements, betterments, renewals, substitutes and replacements of, and all additions and appurtenances to the Property hereafter acquired by, or released to, Grantor or constructed, assembled or placed by Grantor on the Real Property, and all conversions of the security constituted thereby, immediately upon such acquisition, release, construction, assembling, placement or conversion, as the case may be, and in each such case, without any further mortgage, pledge, conveyance, assignment or other act by Grantor, shall become subject to the lien of this Deed of Trust as fully and completely, and with the same effect, as though now owned by Grantor and specifically described herein. Notwithstanding the foregoing, Grantor shall, at its own cost, make, execute, acknowledge, deliver and record any and all such further acts, deeds, conveyances, mortgages, notices of assignment, transfers, assurances and other documents as Beneficiary shall from time to time require for better assuring, conveying, assigning, transferring and confirming unto Beneficiary of the Property and the other rights hereby conveyed or assigned or intended now or hereafter so to be, or which Grantor may be or may hereafter become bound to convey or assign for carrying out the intention of facilitating the performance of the terms of this Deed of Trust. In addition,

Grantor hereby agrees that this Deed of Trust is a security agreement under the Uniform Commercial Code and creates in Beneficiary a security interest hereunder in, among other things, all Personal Property, Insurance and Condemnation Proceeds and Rents. This Deed of Trust shall be effective as a financing statement pursuant to the Uniform Commercial Code. Grantor shall, at its own cost and expense, execute, deliver and file any financing statements, continuation certificates and other documents Beneficiary may require from time to time to perfect and maintain in favor of Beneficiary a security interest under the Uniform Commercial Code in such Personal Property, Insurance and Condemnation Proceeds and Rents. Without limiting the generality of any of the foregoing, Grantor hereby irrevocably appoints Beneficiary attorney-in-fact, coupled with an interest, for Grantor to execute, deliver and file any of the documents referred to hereinabove for and on behalf of Grantor.

Provided always, and these presents are upon this express condition, that if Grantor or its successors or assigns shall well and truly pay or cause to be paid, in full, unto Beneficiary or their successors or assigns, the obligations secured by this Deed of Trust, and otherwise perform Grantor's respective obligations under the Loan Documents to which Grantor is a party, upon request of Grantor and payment of all fees and costs in connection with the release of this Deed of Trust, Beneficiary shall furnish to Grantor a release of this Deed of Trust in proper form for recording so that the estate hereby granted, shall cease, terminate and be void, but Beneficiary shall not be required to bear any expense or cost in connection with such release or the recording thereof.

The Loan Agreement is hereby incorporated herein by this reference as fully and with the same effect as if set forth herein at length. This Deed of Trust secures all funds advanced pursuant to the Loan Agreement (which advances shall constitute part of the indebtedness evidenced by the Note, whether more or less than the principal amount stated in the Note) and the punctual performance, observance and payment by Grantor of all of the requirements of the Loan Agreement and the Note to be performed, observed or paid by Grantor. In the event of express and direct contradiction between any of the provisions of the Loan Agreement and any of the provisions contained herein, then the provisions contained in the Loan Agreement shall control. Any warranties, representations and agreements made in the Loan Agreement by Grantor shall survive the execution and recording of this Deed of Trust and shall not merge herein.

Upon the written request of Grantor, Beneficiary shall provide Grantor, at Grantor's sole expense, with partial releases from the lien of this Deed of Trust for those certain parcels (which comprise a part of the Property) set forth in Exhibit B attached hereto and incorporated herein by this reference, upon the full satisfaction of the following conditions: (a) no Event of Default shall exist under this Deed of Trust or any other Loan Document; (b) the gross proceeds, if any, to be received by Grantor for any parcel for which release is sought shall be paid directly to Beneficiary to reduce the outstanding principal balance of the Loan, less only reasonable and customary closing costs associated with the sale or transfer of said parcel; and (c) Grantor shall pay all Beneficiary's costs and expenses, including reasonable attorneys' fees, related to the release of any of said parcels. Grantor shall be responsible for the recording of all said releases and all costs associated therewith.

SECTION 5. REPRESENTATIONS AND WARRANTIES

5.1 Warranty of Title and Further Assurances. Grantor warrants that Grantor is lawfully seized of an indefeasible fee simple estate in the Property free and clear of all encumbrances (except for Permitted Encumbrances), and that it has the right and authority to convey the Property and warrants specially title to the Property and that it will execute such further assurances as may be requested. Grantor further covenants that the lien created hereby is and will be maintained as a first lien upon the Property.

SECTION 6. COVENANTS, RIGHTS, AND DUTIES OF GRANTOR GENERALLY

6.1 Covenant to Pay Obligations and to Perform Obligations Under the Terms of the Loan Documents. Grantor covenants that it will punctually (a) pay or cause to be paid to Beneficiary all amounts due under the Loan Documents executed by Grantor, which includes the principal and interest of the Loan and all other costs and indebtedness secured hereby, according to the terms of the Loan Documents executed by Grantor; (b) perform and satisfy all other obligations of Grantor under the Loan Documents; (c) use best efforts in satisfying the conditions to advances of the Loan which conditions are specified in the Loan Agreement; and (d) construct the Improvements (as defined in the Loan Agreement) in accordance with the terms of the Loan Documents.

6.2 Escrow Account. At Beneficiary's option, Grantor agrees that:

6.2.1 Upon written request of Beneficiary, Grantor will pay to Beneficiary monthly installments, each of which shall be equal to one-twelfth (1/12th) of the sum of (a) the estimated annual premiums for all insurance policies required by Sections 8.1 and 8.2, and (b) the estimated annual taxes, assessments and governmental charges pertaining to the Property, to be held by Beneficiary in an escrow account established with Beneficiary (the "Escrow Account") and disbursed by Beneficiary to pay insurance premiums as they become due and taxes, assessments and governmental charges before any penalty or interest shall accrue thereon. Estimates are to be made solely by Beneficiary in its reasonable determination and payments shall be made on the day of the month designated by Beneficiary. No interest shall be payable by Beneficiary on the Escrow Account unless, and then only to the extent that, applicable law shall otherwise require. All overpayments to the Escrow Account shall be applied to reduce future payments to the Escrow Account, if any, or shall be returned to Grantor, at the sole discretion of Beneficiary.

6.2.2 Upon the request of Beneficiary, Grantor shall pay such additional sums into the Escrow Account as Beneficiary determines are necessary, so that one month prior to the date Beneficiary is required to make payments of insurance premiums, or taxes, assessments or governmental charges, as the case may be, payments can be made therefore out of the Escrow Account.

6.2.3 Grantor hereby grants Beneficiary a security interest in the sums on deposit in the Escrow Account to secure the obligations secured hereby,

and upon the occurrence of an Event of Default, Beneficiary may, unless prohibited by applicable law, apply the balance of the Escrow Account to operate the Property or to satisfy Grantor's obligations under the Loan Documents, as Beneficiary may elect.

6.3 Compliance With Laws. Grantor shall comply with all laws a breach of which would adversely affect (a) the financial condition of Grantor, (b) the ability to use buildings and other improvements on the Land for the purposes for which they were designed or intended, (c) the value or status of the Property, or (d) the value or status of Beneficiary's title to the Property.

6.4 Changes in Applicable Tax Laws. In the event (a) any law is hereafter enacted which imposes a tax upon the Loan, any of the Loan Documents, or the transactions evidenced or contemplated by any of the Loan Documents, or (b) any law now in force governing the taxation of deeds of trust, debts secured by deeds of trust, or the manner of collecting any such tax, shall be changed or modified, in any manner, so as to impose a tax upon the Loan, any of the Loan Documents, or the transactions evidenced or contemplated by any of the Loan Documents (including, without limitation, a requirement that revenue stamps be affixed to any or all of the Loan Documents), Grantor will promptly pay any such tax. If Grantor fails to make prompt payment, or if any law either prohibits Grantor from making the payment or would penalize Beneficiary if Grantor makes the payment, then the failure, prohibition, or penalty, shall entitle Beneficiary to declare the entire unpaid principal balance of the Loan, together with all accrued interest and any other amounts due, immediately due and payable; provided that if no Event of Default has occurred, Grantor shall thereupon have thirty (30) days to pay the entire amount due without penalty. If an Event of Default has occurred and is continuing or if Grantor fails to make payment in full within thirty (30) days, then Beneficiary shall be entitled to exercise all rights hereunder as though an Event of Default had occurred.

6.5 Certifications, Licenses, Permits, Etc.: Grantor will obtain or cause to be obtained all certifications, licenses, permits and governmental approvals as may be necessary or required to complete the Project and CCRC as required by the Loan Agreement.

6.6 Sale of Assets, Consolidation, Merger, Etc.: Except as may be otherwise expressly permitted by the Loan Agreement, Grantor shall not (a) sell, lease, transfer or otherwise dispose of its properties and assets with a fair market value in excess of \$50,000 to any person, (b) consolidate with or merge into any other entity, or permit another entity to merge into it, or acquire all or substantially all the properties or assets of any other person or entity, (c) enter into an arrangement, directly or indirectly, with any person whereby it or any of its subsidiaries or affiliates shall sell or transfer any property, real or personal, which is used and useful in its business, whether now owned or hereafter acquired, and thereafter rent or lease such property or other property for substantially the same purpose or purposes as the property being sold or transferred, or (d) cause or permit any change in its name, ownership of member interests in Grantor, or management or in the manner in which its business is conducted.

6.7 Distributions, Etc.: Grantor will not pay any income, bonuses, profits, salaries or fees to any of its members or make any distribution of cash or property to any of its members or

affiliates thereof (including other partnerships or limited liability companies in which any of its members own an interest) except as may be permitted in the Loan Agreement.

6.8 [INTENTIONALLY OMITTED]

6.9 Further Assurances and Continuation Statements. Grantor from time to time will execute, acknowledge, deliver and record, at Grantor's sole cost and expense, all further instruments, deeds, conveyances, supplemental deeds of trust, assignments, financing statements, transfers and assurances as in the reasonable opinion of Beneficiary's counsel may be necessary (a) to preserve, continue and protect the interest of Beneficiary in the Property, or (b) to secure the rights and remedies of Beneficiary under this Deed of Trust and the other Loan Documents. Grantor, at the request of Beneficiary, shall promptly execute any continuation statements required by the Uniform Commercial Code to maintain the lien on any portion of the Property subject to the Uniform Commercial Code.

6.10 Expenses. Grantor shall reimburse Beneficiary for any sums, including reasonable attorney's fees and expenses, incurred or expended by them (a) in connection with any action or proceeding to sustain the lien, security interest, priority, or validity of any Loan Documents, (b) to protect, enforce, interpret, or construe any of their rights under the Loan Documents, (c) for any title examination or title insurance policy relating to the title to the Property, or (d) for any other purpose contemplated by the Loan Documents. Grantor shall, upon demand, pay all such sums together with interest thereon at the Default Rate defined in the Note accruing from the time the expense is paid. All such sums so expended by Beneficiary shall be secured by this Deed of Trust. In any action or proceeding to foreclose this Deed of Trust or to recover or collect the Loan, the provisions of law allowing the recovery of costs, disbursements, and allowances shall be in addition to the rights given by this Section 6.10.

6.11 Environmental Requirements. Grantor represents and warrants to Beneficiary that, except for the matters disclosed in the Environmental Reports (as defined in the Loan Agreement), copies of which have previously been provided to Beneficiary, there are no hazardous substances on the Real Property, that Grantor has not utilized the Real Property, nor any part thereof, to treat, deposit, store, dispose of, or place any hazardous substances, as defined by 42 U.S.C.A. Section 9601(14) ("Hazardous Substances"); nor has Grantor authorized any other person or entity to treat, deposit, store, dispose of, or place any Hazardous Substance on the Real Property, or any part thereof; and, to the best of Grantor's knowledge, except as disclosed in the Environmental Reports, no other person or entity has treated, deposited, stored, disposed of, or placed any Hazardous Substance on the Real Property or any part thereof, except for paint and similar substances normally used in connection with the proper construction of the Improvements and/or the maintenance and operation of the existing facilities on the Land, all of which are stored, used and disposed of in full compliance with all applicable legal requirements and Environmental Requirements. Grantor further covenants and agrees to give written notice to Beneficiary immediately upon acquiring knowledge of the existence of any condition relating to the Property which constitutes a material threat to the health, safety or property of Grantor or others.

Grantor hereby covenants and agrees that, if at any time it is determined that there are Environmental Materials (hereinafter defined) located on the Real Property, Grantor shall

promptly take or cause to be taken, at its sole expense, such actions as may be necessary to comply with all Environmental Requirements. The term “Environmental Materials” means any materials which: (i) under any Environmental Requirements require special handling in collection, storage, treatment or disposal, (ii) are defined as hazardous material, hazardous substances or hazardous waste under the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901, et. seq.), the Comprehensive Environmental Response Compensation and Liability of Act of 1980 (42 U.S.C. Section 9601 et seq.) (“CERCLA”) or any similar federal law or laws of the state in which the Property is located, or (iii) are oil, petroleum products and their by-products. If Grantor shall fail to take such action, Beneficiary may make advances or payments towards performance or satisfaction of the same but shall be under no obligation to do so; and all sums so advanced or paid, including all sums advanced or paid in connection with any judicial or administrative investigation or proceeding relating thereto, including, without limitation, reasonable attorneys’ fees, fines, or other penalty payments, shall be at once repayable by Grantor and shall bear interest at the Default Rate defined in the Note or at the maximum interest rate which Grantor may by law pay, whichever is lower, from the date the same shall become due and payable until the date paid, and all sums so advanced or paid, with interest as aforesaid, shall become a part of the indebtedness secured hereby. Grantor further covenants and agrees that Grantor shall, and shall cause others to, carry on the business and operations on the Real Property so as to comply and remain in compliance with all Environmental Requirements.

Grantor shall defend, indemnify and hold harmless Beneficiary against any loss, cost or expense (including, without limitation, cleanup costs, and reasonable attorneys’ fees) incurred by Beneficiary resulting from the presence on the Property at any time of any Environmental Materials. This indemnity shall apply notwithstanding any negligent or other contributory conduct by or on the part of any third parties and shall survive: (i) repayment of the Loan and the full release of the lien of this Deed of Trust; (ii) the extinguishment of the lien by foreclosure, power of sale, or any other action; or (iii) the delivery of a deed in lieu of foreclosure.

SECTION 7. RIGHTS AND DUTIES OF GRANTOR WITH RESPECT TO MANAGEMENT AND USE OF THE PROPERTY

7.1 Control by Grantor. Until the happening of an Event of Default, Grantor shall have the right to possess and enjoy the Property and, except as prohibited by the Loan Documents, to receive the Rents.

7.2 Management. At all times Grantor shall provide competent and responsible management to maintain and operate the Property.

7.3 Financial Statements; Books and Records. Grantor shall furnish to Beneficiary annual financial and operating statements of the Property. Such statements shall show all items of income and expense for the operation of the Property, shall be certified by the Chief Financial Officer of Grantor’s member and shall be prepared in accordance with generally accepted accounting principles applied on a consistent basis. All such financial and operating statements shall be supplied in draft form not later than ninety (90) days after the close of Grantor’s fiscal year prepared by a certified public accountant and in final form not later than one hundred twenty (120) days after the close of Grantor’s fiscal year audited by a firm of independent certified public accountants acceptable to Beneficiary. Grantor shall also provide

Beneficiary with copies of all federal, state and local tax returns and filings within ten (10) days of the date the same are filed. Grantor shall deliver, and shall cause Lessee to deliver, to Beneficiary monthly financial statements on a consolidated and consolidating basis within thirty (30) days after each calendar month, certified by the Chief Financial Officer of Grantor's member as to the accuracy thereof. Grantor agrees to make its books and records relating to the operation of the Property available for inspection by Beneficiary, upon request at any reasonable time, at Grantor's principal place of business or at such other location in the State of Maryland or the State of Colorado as Beneficiary may reasonably request. This paragraph shall be in addition to any other financial reporting provisions set forth in the Loan Documents.

7.4 Restriction of Assignment of Rents. Grantor shall not assign the Rents arising from the Property or any part thereof or any interest therein without the prior written consent of Beneficiary, except as permitted by the Loan Agreement. Any attempted assignment, pledge, hypothecation, or grant without such consent shall be null and void.

7.5 Alterations and Improvements. Grantor shall not make any structural alterations or improvements on the Property except in accordance with the Plans and Specifications, as provided in the Loan Agreement. All alterations or improvements shall be erected (a) in a good and workmanlike manner strictly in accordance with all applicable law, (b) entirely on the Land (c) without encroaching upon any easement, right of way, or land of others, (d) so as not to violate any applicable use, height, set-back or other applicable restriction, and (e) without permitting any mechanic's lien to attach to the Property which is not being contested as permitted in Section 7.10. All alterations, additions, and improvements to the Property shall automatically be a part of the Property and shall be subject to this Deed of Trust.

7.6 Restrictions on Sale and Transfer of the Property. Grantor shall not permit the Property, or any part or portion thereof or any interest therein, to be transferred (whether by voluntary or involuntary conveyance, merger, operation of law, or otherwise), other than as may expressly be permitted under the provisions of this Deed of Trust or the Loan Agreement, without the prior written consent of Beneficiary. Any transferee of the Property or any part or portion thereof in fee simple, by virtue of its acceptance of the transfer, shall (without in any way affecting Grantor's liability under the Loan Documents) be conclusively deemed to have agreed to assume primary liability for the performance of Grantor's obligations under the Loan Documents. The sale, assignment, transfer or conveyance of any member interest in Grantor shall be deemed a sale, assignment, transfer and conveyance of the Property in contravention of the provisions of this paragraph, and the sale, assignment, transfer or conveyance of member or other interest of any kind in any of the members of Grantor shall be deemed a sale, assignment, transfer and conveyance of the Property in contravention of the provisions of this paragraph. This section shall not apply to any condemnation, any disposition permitted by Section 7.9 or any disposition by Beneficiary by foreclosure hereunder or as otherwise permitted by the Loan Documents.

7.7 Restriction on Encumbrances. Grantor shall not allow any Encumbrances on the Property except: (a) the Permitted Encumbrances; and (b) liens filed against the Property by the Colorado Commissioner of Financial Services pursuant to C.R.S. Section 12-13-106, so long as such liens are subordinate to the lien of this Deed of Trust and any extensions, amendments, modifications, restatements and replacements thereof, including, without

limitation, any extension, amendment, modification, restatement or replacement which increases the principal amount secured by this Deed of Trust. Grantor shall give Beneficiary prompt notice of any default in or under any Permitted Encumbrances and any notice of foreclosure or threat of foreclosure. Grantor shall comply with its obligations under all Permitted Encumbrances. Beneficiary may, at its election, satisfy any Encumbrance (other than a Permitted Encumbrance not then in default), and Grantor shall, on demand, reimburse Beneficiary for any sums advanced for such satisfaction together with interest at the Default Rate stated in the Note accruing from the date of satisfaction, which sums shall be secured hereby.

7.8 Maintenance, Waste, Repair and Inspection. Grantor shall: (a) keep and maintain the Property in good order, condition, and repair and make, in a prompt manner, all equipment replacements and repairs necessary to insure that the security for the Loan is not impaired; (b) not commit or suffer any waste of the Property; (c) promptly protect and conserve any portion of the Property remaining after any damage to, or partial destruction of, the Property; (d) promptly repair, restore, replace or rebuild any portion of the Property which is damaged or destroyed; (e) promptly restore the balance of the Property remaining after any condemnation; (f) permit Beneficiary or its' designee to inspect the Property at all reasonable times; and (g) not make any material change in the grade of the Property or permit any material excavation of or on the Property, except as required for utility easements and in connection with improvements contemplated in the Loan Agreement.

7.9 Removal and Replacement of Equipment and Improvements. Except for actions taken in connection with the preparation of the Property for the construction of the Improvements, no part of the Property, except supplies consumed or raw materials, work in progress and finished goods sold or transferred in the ordinary course of business operations as they are currently conducted, shall be removed from the Land, demolished, or materially altered without the prior written consent of Beneficiary. Grantor may, without consent and free from the lien and security interest of this Deed of Trust, remove and dispose of any worn out or obsolete fixtures or equipment which are a part of the Property, provided that prior to or simultaneously with their removal, such fixtures and equipment shall be replaced with fixtures or equipment of equal or greater value. The replacement fixtures or equipment shall be free of all Encumbrances, shall automatically be subject to the lien and security interest of this Deed of Trust, and shall automatically be subject to the granting clauses hereof. Upon the sale of any removed fixtures and equipment which are not replaced, the proceeds shall, at the election of Beneficiary, be applied as a prepayment of amounts guaranteed by Grantor under the Loan Documents, whether then due or not. All sales shall be conducted in a commercially reasonable manner.

7.10 Taxes and Permitted Contests. Grantor shall pay: (a) all taxes, assessments and other governmental charges on or before the date any interest or penalty begins to accrue or attach thereto; and (b) all lawful claims which, if unpaid, might become a lien or charge upon the Property; provided, however, that Grantor shall not be required to pay any taxes or claim the amount, validity or payment of which is being contested, in good faith, by appropriate legal proceedings, and so long as, in the sole opinion of Beneficiary, no part of the Property is in danger of being sold, forfeited or lost and the contest is not impairing the security for the Loan.

Upon payment thereof, Grantor shall promptly supply Beneficiary with receipts showing the payment of the taxes or claim.

7.11 Restrictive Covenants, Zoning, etc. No restrictive covenant, zoning change, or other restriction affecting the Property may be entered into, requested by or consented to by Grantor without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld.

7.12 Preservation of Appurtenances. Grantor will do all things necessary to preserve intact and unimpaired, all easements, appurtenances, and other interests and rights in favor of, or constituting any portion of, the Property.

SECTION 8. INSURANCE AND CONDEMNATION

8.1 Insurance. At all times that any amounts are guaranteed or owing by Grantor under the Loan Documents, Grantor will maintain in full force and effect, at its expense (and provide satisfactory evidence thereof to Beneficiary), such insurance coverages and policies with respect to Beneficiary and the Property as shall be required by Lender pursuant to the Loan Agreement.

8.2 [INTENTIONALLY OMITTED]

8.3 [INTENTIONALLY OMITTED]

8.4 Other Insurance. Grantor may not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained under the Loan Agreement unless Beneficiary is included thereon as a named insured with losses payable to Beneficiary as above provided. Grantor shall immediately notify Beneficiary whenever any such separate insurance is taken out and shall promptly deliver to Beneficiary the policy or policies of such insurance.

If any of the Improvements on the Property are located in an area which has been identified as a non-minimal flood hazard area, Grantor will keep the Property covered by flood insurance in an amount at least equal to the full amount secured by this Deed of Trust or the maximum limit of coverage available for the Property.

Unless a written waiver from Beneficiary is obtained, Grantor shall (a) keep all of its insurable properties insured against all risks usually insured against by persons operating like properties in the localities where the properties are located; and (b) maintain public liability insurance against claims for personal injury, death or property damage suffered by others upon or in or about any premises occupied by it or occurring as a result of its maintenance or operation of any automobiles, trucks or other vehicles or airplanes or other facilities or as a result of the use of products sold by it or services rendered by it.

8.5 Condemnation and Allocation of Condemnation Awards. Grantor, immediately upon obtaining knowledge of the institution of any proceeding for a condemnation, will notify Beneficiary of such proceedings. Beneficiary may participate in any such proceedings, and Grantor will, from time to time, deliver to Beneficiary all instruments requested by them to

permit such participation. Any award or payment made as a result of any taking shall be paid to Beneficiary, to be applied (a) if funds sufficient to restore the remainder of the Property are available from such award or payment (together with other funds supplied or caused to be supplied by Grantor) and no Event of Default is then outstanding, to the restoration of the remainder of the Property, or (b) if sufficient funds are not available to restore the remainder of the Property, or an Event of Default is then outstanding, to prepayment of amounts guaranteed by Grantor under the Loan Documents, whether then due or not. All moneys not utilized for the repair or restoration of the remainder of the Property shall be applied as a prepayment of amounts guaranteed by Grantor under the Loan Documents, whether then due or not, in inverse order of maturity. The application of any award or payment as a prepayment of amounts due under the Note shall take effect only on the actual date of the receipt of the payment or award by Beneficiary. In the event any payment or award is used to restore the Property, as aforesaid, Beneficiary shall not be obligated to see to the proper allocation thereof, nor shall any amount so used be deemed a payment of any indebtedness secured by this Deed of Trust. Payments or awards to be used for restoration purposes, as aforesaid, shall be held by Beneficiary and disbursed under such terms and conditions, to such persons, and at such times, as Beneficiary may determine.

SECTION 9. DEFAULT

9.1 Event of Default. The occurrence of any of the following shall constitute an Event of Default:

9.1.1 Event of Default Under Other Loan Documents. An “Event of Default” (if so defined) occurs under a Loan Document other than this Deed of Trust.

9.1.2 Insurance Provisions. The failure of Grantor to perform its obligations set forth in Section 8 and the Loan Agreement to keep the Property adequately and continually insured.

9.1.3 Receiver; Bankruptcy. If Grantor or any Guarantor (a) applies for, or consents in writing to, the appointment of a receiver, trustee, or liquidator for it of the Property, or of all or substantially all of its assets, (b) files a voluntary petition in bankruptcy or admits in writing its inability to pay its debts as they become due, (c) makes an assignment for benefit of creditors, (d) files a petition or an answer seeking a reorganization, composition, adjustment arrangement with creditors, or takes advantage of any insolvency law, (e) files an answer admitting the material allegations of a petition filed against it in any bankruptcy, reorganization, composition, adjustment, arrangement, or insolvency proceeding, or (f) is dissolved as a result of an adversary suit or proceeding.

9.1.4 Receiver; Bankruptcy (Involuntary). If (a) any execution or attachment levied against the assets of Grantor or any Guarantor is not set aside, discharged, or stayed within forty-five (45) days, (b) an order, judgment, or decree is entered by any court of competent jurisdiction on the application of a creditor, adjudicating Grantor or any Guarantor a bankrupt or insolvent, or appointing a

receiver, trustee, or liquidator for Grantor of all or substantially all of its assets, or (c) an order of relief is entered against Grantor or any Guarantor pursuant to any bankruptcy statute or law and such order, judgment, or decree continues unstayed and in effect for a period of forty-five (45) days.

9.1.5 Assignment of Rents. Any attempted assignment by Grantor of the whole or any part of the Rents in contravention of Section 7.4.

9.1.6 Prohibited Transfer or Encumbrance. Any transfer or event in violation of Sections 7.5, 7.6, 7.7 or 7.9.

9.1.7 Loss of License. The loss of any material license or permit necessary for the improvement, operation, occupancy, or use of the Property (whether such license or permit is issued to Grantor, Tenant, Manager or to other entity responsible for the operation of the CRCC).

9.1.8 Defaults under Subordinate Liens. Any default by Grantor under any documents executed in connection with any subordinate liens (including any such liens in favor of Beneficiary) against the Property, which default is not cured within any applicable grace or cure period.

9.1.9 Environmental Requirements. Failure of Grantor to comply with all Environmental Requirements which is not cured within thirty (30) days after notice from Beneficiary.

9.1.10 Other Defaults. The failure of Grantor to perform or observe any of its obligations or covenants under this Deed of Trust not previously specifically referred to in this Article 9, which failure continues for a period of thirty (30) days after written notice to Grantor; provided, however, that Beneficiary may, in its sole discretion, extend the cure period for any default upon the reasonable request of Grantor in the event that the default cannot be cured within the time set forth in this Deed of Trust and Grantor is diligently pursuing cure of the default.

9.1.11 Environmental Liens. If the Environmental Protection Agency of the United States ("EPA"), or any other state or federal agency or any other person or entity (a) asserts or creates a lien upon any or all of the Property by reason of the failure of Grantor to comply with all Environmental Requirements or (b) commences an action or proceeding based on any claims against Grantor, the Property, or Beneficiary for damages or cleanup costs related to Grantor's failure to comply with all Environmental Requirements, and in the case of such an action or proceeding Grantor is unsuccessful in obtaining a dismissal of such action or proceeding within thirty (30) days but in any event prior to the date any lien attaches to the Property .

9.1.12 Material Adverse Change in Financial Condition. The occurrence of any materially adverse change in the financial condition or prospects of Grantor or any Guarantor, or the existence of any other condition which, in

Beneficiary's reasonable determination, constitutes a material impairment of any such person's or entity's ability to perform its respective obligations under the Loan Documents, which is not remedied within 30 days after written notice.

9.2 Payment or Performance by Beneficiary. Upon the occurrence of any Event of Default, Beneficiary may, at its option, make any payments or take any other actions it deems necessary or desirable to cure the Event of Default or conserve the Property. Grantor shall, upon demand, reimburse Beneficiary for all sums so advanced or expenses incurred by Beneficiary, together with interest at the Default Rate stated in the Note from the date of advance or payment of the same, which sums shall be secured by this Deed of Trust. Beneficiary may enter upon the Property without prior notice to Grantor or judicial process and may take any action to enforce their rights under this Section 9.2 without liability to Grantor.

9.3 Completion of Improvements: Upon the occurrence of an Event of Default, Grantor agrees that Beneficiary may, in addition to any other remedies available to it and in its sole discretion, (i) enter upon the Land and complete the Project in accordance with the Plans and Specifications with such changes therein as Beneficiary may deem appropriate, and employ watchmen to protect the Property, (ii) at any time discontinue any work commenced in respect of the Project, (iii) assume any or all contracts covered by any other contracts made by Grantor relating to the construction or equipping of the CCRC and take over and use all or any part of the labor, materials, supplies and equipment contracted for by Grantor, (iv) engage builders, contractors, and others for the purpose of furnishing labor, materials and equipment in connection with the Project, and (v) pay, settle or compromise all bills or claims that may become liens against the Property. Grantor shall be liable to Beneficiary for all sums paid or incurred by Beneficiary to construct and equip the Project whether the same shall be paid or incurred pursuant to the provisions of this Section 9.3 or otherwise (such liabilities to be part of Grantor's obligations), and all payments made or liabilities incurred by them hereunder of any kind whatsoever shall be paid by Grantor to Beneficiary upon demand with interest at the Default Rate provided in the Note. For the purpose of exercising the rights granted by this Section, Grantor hereby irrevocably constitutes and appoints Beneficiary its true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and to do and perform any acts in the name and on behalf of Grantor.

9.4 Possession by Beneficiary. Upon the occurrence of an Event of Default, Beneficiary may enter upon and take possession of the Property with notice to Grantor, but without judicial process or the appointment of a receiver. Beneficiary may exclude all persons from the Property and may proceed to operate the Property and receive all Rents. Beneficiary shall have the right as agent for Grantor to operate the Property and carry on the business of Grantor, either in the name of Grantor or otherwise. Beneficiary shall not be liable to Grantor for taking possession of the Property, as aforesaid, nor shall Beneficiary be required to make repairs or replacements, and Beneficiary shall be liable to account only for Rents actually received by Beneficiary. All Rents collected by Beneficiary shall be applied (a) first, to pay all expenses incurred in taking possession of the Property, (b) second, to pay costs and expenses to operate the Property and/or to comply with the terms of the Loan Documents, including actual attorneys' fees, (c) third, to pay all sums secured by the Loan Documents in the order of priority selected by Beneficiary, and (d) fourth, with the balance, if any, to Grantor or such other person as may be entitled thereto.

9.5 Collection of Rents. Upon the occurrence of an Event of Default and upon written demand by Beneficiary to the Tenant, all Rents shall be payable directly to Beneficiary.

9.6 Acceleration; Judgment; Foreclosure. Upon the occurrence of an Event of Default, Beneficiary may, at the option of Beneficiary, exercise any one or more of the following without notice (unless notice is required by applicable statute or otherwise set forth herein or in the other Loan Documents):

9.6.1 Acceleration. Declare the entire unpaid balance of the Secured Obligations to be immediately due and payable in full, without further notice or demand (each of which is hereby expressly waived by Grantor) whereupon the same shall become immediately due and payable, anything in the Note or the Loan Documents to the contrary notwithstanding.

9.6.2 Foreclosure by Power of Sale. Without limiting the generality of the foregoing or the provisions set forth below, Beneficiary may:

- (a) Foreclose the lien of this Deed of Trust in accordance with subsection (b) below, or elect to sell (either by judicial action or through the Trustee) or otherwise dispose of any part of the Property which is personal property in accordance with subsection (c) below, separate and apart from the sale of real property.
- (b) Elect, without further notice, to file with the Trustee, a Notice of Election and Demand for Sale, in writing, as provided by applicable law. After such filing, the Trustee may lawfully foreclose the lien of this Deed of Trust, and sell and dispose of the Property en masse or in separate parcels (as Beneficiary may elect) and all the right, title, and interest of Grantor therein, at a public auction at any place then authorized by applicable law as may be specified in the notice of such sale, for the highest and best price (the "Trustee's Sale"), four (4) weeks' public notice having previously been given of the time and place of such sale by advertisement, weekly, in a newspaper of general circulation at the time published in Douglas County, Colorado, or upon such other notice as may then be required by applicable law. A copy of the notice of sale will be given to Grantor at its address given in this Deed of Trust, and to such person or persons appearing to have acquired a subsequent record interest in the Property at the address given in the recorded instrument evidencing such interest, any such notice to be given in accordance with applicable law, provided, that where only the county and state are given as the address then such notice will be mailed to the county seat. Trustee will then make and give to the purchaser or purchasers of such Property at such sale a certificate or certificates in writing describing such Property purchased, and the sum or sums paid therefore, and the time when the purchaser or purchasers (or other persons entitled thereto) will be entitled to a deed or deeds therefore, unless the same will be redeemed as provided by applicable law, and Trustee will, upon demand by the person or persons holding the certificate or certificates of purchase, when the demand is made, or upon demand by the person entitled to a deed to and for the Property purchased, at the time such demand is

made (the time for redemption having expired) make and execute to such person or persons a deed or deeds to the Property purchased, which shall be in the ordinary form of a conveyance, and will be signed, acknowledged, and delivered by Trustee, as grantor, and will convey and quitclaim to the person or persons entitled to the deed, as grantee, the Property purchased as aforesaid, and all the right, title, interest, benefit, and equity of redemption of Grantor and its successors and assigns, and shall recite the sum for which the Property was sold and shall refer to the power of sale herein contained, and to the sale or sales made by virtue thereof. In case of an assignment of such certificate or certificates of purchase or in the case of redemption of such Property by a subsequent encumbrancer, such assignment or redemption will also be referred to in such deed or deeds, but the notice of sale need not be set out in such deed or deeds. Trustee will apply the proceeds or avails of any such sale as provided in Section 9.18 hereof. Such sale or sales and said deed or deeds so made will be a perpetual bar, both in law and equity, against Grantor and its successors and assigns, and all other persons claiming the Property, or any part thereof, by, through, from, or under Grantor. The holder of the Note may purchase the Property or any part thereof. It will not be obligatory upon the purchaser or purchasers at any such sale to see to the application of the purchase money. Nothing herein dealing with foreclosure procedures or specifying particular actions to be taken by Beneficiary or by Trustee will be deemed to contradict or add to the requirements and procedures (now or hereafter existing) of Colorado law applicable to this Deed of Trust at the time of foreclosure, and any such conflict or inconsistency shall be resolved in favor of Colorado law.

- (c) Should the Beneficiary elect to cause any part of the Property to be sold or otherwise disposed of as personal property as permitted by subsection (b) above, such Property may be sold or otherwise disposed of in any manner now or hereafter permitted by the Uniform Commercial Code or other applicable law, and Beneficiary will have, and may exercise, all of the rights, remedies and powers of a secured party under the Code or such other law. Grantor agrees that commercial reasonableness and good faith requires Beneficiary to give to Grantor no more than ten (10) days' prior written notice of any public sale or other disposition of any part of the Property to be sold pursuant to this subpart or of the time after which any private sale or other disposition of the Property is to be made.

9.6.3 Grantor as Tenant Holding Over. In the event of any such foreclosure sale, Grantor (if Grantor shall remain in possession) shall be deemed a tenant holding over and shall forthwith deliver possession to the purchaser or purchasers at such sale or be summarily dispossessed according to provisions of law applicable thereto.

9.6.4 Other Remedies. During the continuance of any Event of Default, Beneficiary may take such other and additional steps to protect and enforce its rights, whether by action, suit or proceeding in equity or at law, or in aid of any power granted in the Note or the Loan Documents, or for the enforcement of

any other appropriate legal or equitable remedy, or otherwise, as Beneficiary may elect.

9.7 Other Security. Beneficiary may resort to any other security held by Beneficiary on behalf of and/or for the account of Grantor for the payment of the Secured Obligations or the performance of Grantor's obligations under the Loan Documents in such order and manner as Beneficiary may elect and no such action by Beneficiary shall operate to modify or terminate any of the rights, powers or remedies contained in the Note or the Loan Documents.

9.8 Adjournment of Sale. Beneficiary or, as permitted by law, Trustee, may adjourn from time to time any sale by Trustee to be made under or by virtue of this Deed of Trust by announcement at the time and place appointed for such sale or for such adjourned sale or sales; and, except as otherwise provided by any court, Trustee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

9.9 Conveyance by Trustee. Upon the termination of any sale or sales made by Trustee or Beneficiary under or by virtue of this Deed of Trust, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, Trustee or an officer of the court empowered so to do, shall execute and deliver to the purchaser or purchasers a good and sufficient instrument, or good and sufficient instruments, conveying, assigning and transferring all of Grantor's estate, right, title and interest in and to the properties and rights sold. Any such sale or sales made under or by virtue of this Article, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, shall operate to divest all the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Grantor in and to the properties and rights so sold, and shall be a perpetual bar both at law and in equity against Grantor and against any and all persons claiming or who may claim the same, or any part thereof from, through or under Grantor.

9.10 Acceleration Upon Sale. In the event of any sale made under or by virtue of this Section 9, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, the entire Secured Obligations, if not previously due and payable, and all other sums required to be paid by Grantor pursuant to the Note and the Security Documents, shall immediately become due and payable in full, anything in the Note or the Loan Documents to the contrary notwithstanding.

9.11 Purchase by Beneficiary. In the event of any sale made under or by virtue of this Deed of Trust, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, Beneficiary may bid for and acquire the Property or any part thereof.

9.12 Separate Sales. In the event of any sale, whether made under or by virtue of this Deed of Trust under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, Beneficiary or Trustee, as applicable, may sell the Property or any part thereof in one parcel, as an entirety or in such parcels and in such manner or order as Beneficiary or Trustee, as applicable, in the sole exercise of its or their discretion, may elect. The power of sale set forth above shall not be exhausted by

any one or more sales as to any part of the Property which shall not have been sold (and such power of sale may be exercised from time to time and as many times as Beneficiary may deem necessary until all of the Property has been duly sold and all obligations secured hereby have been fully paid) nor by any sale which is not completed or which is defective in Beneficiary's opinion, until the Secured Obligations shall have been paid in full.

9.13 Rescission of Election to Accelerate. In the event Beneficiary shall elect to accelerate the maturity of the Secured Obligations pursuant to the provisions of this Deed of Trust, such election may be rescinded by written acknowledgment to that effect by Beneficiary; provided, however, that the acceptance of one or more partial payments on account of the Secured Obligations shall not alone affect or rescind such election.

9.14 Recovery of Judgment. During the continuance of any Event of Default, Beneficiary shall be entitled and empowered to institute such actions or proceedings at law or in equity as it may consider advisable for the collection of the entire unpaid balance of the Secured Obligations, and may prosecute any such actions or proceedings to judgment or final decree, and may enforce any such judgment or final decree against Grantor in any manner provided by law. Beneficiary shall be entitled to recover judgment as aforesaid either before or after or during the pendency of any proceeding for the enforcement of any remedies provided for in the Note or the Loan Documents and the right of Beneficiary to recover any judgment as aforesaid shall not be affected by any sale hereunder, or the entry of a decree for the sale of the Property or any part thereof, or by the enforcement of the provisions of the Note and the Loan Documents or the foreclosure of the lien hereof. In the event of a sale of the Property, and of the application of the proceeds of sale, as in this Deed of Trust provided, to the payment of the Secured Obligations, Beneficiary shall be entitled to enforce payment of, and to receive all amounts then remaining due and unpaid upon the Secured Obligations and shall be entitled to recover judgment for any portion of the Secured Obligations remaining unpaid, with interest. In case of proceedings against Grantor in insolvency or bankruptcy or any proceedings for its reorganization or involving the liquidation of its assets, then Beneficiary shall be entitled to prove the whole amount due on account of the Secured Obligations, without deducting therefrom any proceeds obtained from the sale of the whole or any part of the Property; provided, however, that in no case shall Beneficiary receive a greater amount than such amount due on account of the Secured Obligations from the aggregate amount of the proceeds of the sale of the Property and the distribution from the estate of Grantor. No recovery of any judgment by Beneficiary and no levy of an execution under any judgment upon the Property or upon any other properties or assets of Grantor shall affect, in any manner or to any extent, the lien of this Deed of Trust upon the Property or any part thereof, or any liens, rights, powers or remedies of Beneficiary hereunder, but such liens, rights, powers and remedies of Beneficiary shall continue unimpaired as before.

9.15 Discontinuance of Proceedings. In the event Beneficiary shall commence any proceeding to enforce any right, power or remedy under the Note or the Loan Documents and such proceedings shall be discontinued or abandoned for any reason then in every such event the parties shall be restored to their former positions and rights, powers and remedies of Beneficiary shall continue.

9.16 No Condition Precedent to Exercise of Remedies. Neither Grantor nor any guarantor of the payment of all or any part of the Secured Obligations or the performance of all or any of Grantor's obligations under the Loan Documents shall be relieved of any obligation by reason of the failure of Beneficiary to comply with any request of Grantor or of any other person to take action to foreclose on this Deed of Trust or otherwise to enforce any provision of the Note or the Loan Documents, or by reason of the release, regardless of consideration, of all or any part of the Property, or by reason of any agreement or stipulation between any subsequent owner of the Property and Beneficiary extending the time of payments or modifying the terms of the Note or the Loan Documents without first having obtained the consent of Grantor or such guarantor; and in the latter event, Grantor and all guarantors shall continue to be liable to make payment according to the terms of any such extension or modification agreement, unless expressly released and discharged in writing by Beneficiary.

9.17 Strict Performance. No delay or omission of Beneficiary to exercise any right, power or remedy accruing upon the happening of an Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or any acquiescence therein. No delay or omission on the part of Beneficiary to exercise any option for acceleration of the maturity of the Secured Obligations, or for foreclosure following any Event of Default as aforesaid, or any other option granted to Beneficiary hereunder in any one or more instances, or the acceptance by Beneficiary of any partial payment or payments on account of the Secured Obligations, shall constitute a waiver of any such Event of Default and each such option shall remain continuously in full force and effect.

9.18 Application of Proceeds. The proceeds of any sale made under or by virtue of this Deed of Trust, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, together with any other sums which may then be held by Beneficiary pursuant to this Deed of Trust, whether under the provisions of this Article or otherwise, shall be applied as follows:

9.18.1 First, to the payment of all commercially reasonable fees, costs and expenses of such sale, and of any judicial or other proceedings wherein the same may be made, and of all expenses, liabilities and advances made or incurred by Beneficiary under this Deed of Trust, and all taxes and assessments due upon the Property at the time of such sale and to discharge any other lien prior to this Deed of Trust, except any taxes, assessments or other liens subject to which the Property shall have been sold.

9.18.2 Second, to the payment of any other sums required to be paid by Grantor pursuant to any provisions of the Note or the Loan Documents, including, without limitation, all expenses, liabilities and advances made or incurred by Beneficiary under this Deed of Trust or in connection with the enforcement thereof together with interest on all such advances at the Default Rate (as defined in the Note) from the date incurred until paid.

9.18.3 Third, to the payment of whatever may then remain unpaid on account of the Indebtedness, with interest thereon to the date of payment or as otherwise provided in the Note and the Loan Documents.

9.18.4 Fourth, the surplus, if any, to whomsoever may be lawfully entitled to receive the same.

9.19 Application of Purchase Money. In the event of any sale made under or by virtue of this Deed of Trust, whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, the receipt by Beneficiary or Trustee of the payment of the purchase money shall be full and sufficient discharge of any purchaser of the Property and no such purchaser, after paying such purchase money and receiving such a receipt, shall be bound or liable to see to the application of such purchase money.

9.20 Documents Effecting Sale. In connection with any sale under this Deed of Trust, Beneficiary may procure such title reports, surveys, tax histories, environmental assessments and appraisals as it deems necessary, and all costs and expenses incurred in connection therewith shall be payable by the Grantor or from the proceeds of the sale.

9.21 Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting Grantor, its creditors or its properties, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings for the entire amount due and payable by Grantor under this Instrument at the date of the institution of such proceedings and for any additional amount which may become due and payable by Grantor hereunder after such date.

9.22 Protection of Beneficiary's Security. If Grantor fails to perform any of its obligations under this Deed of Trust or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Property, Beneficiary's security or Beneficiary's rights under this Deed of Trust, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of hazardous materials laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Beneficiary at Beneficiary's option may make such appearances, disburse such sums and take such actions as Beneficiary reasonably deems necessary to perform such obligations of Grantor and to protect Beneficiary's interest, including (i) disbursement of reasonable fees and out of pocket expenses of attorneys, accountants, inspectors and consultants, (ii) entry upon the Property to make repairs or secure the Property, (iii) procurement of the insurance coverages required hereunder, and (iv) payment of Impositions. Any amounts disbursed by Beneficiary under this Section 9.22, or under any other provision of this Deed of Trust, or under any of the other Loan Documents, that treats such disbursement as being made under this Section 9.22, shall be added to, and become part of the Secured Obligations, shall be immediately due and payable and shall bear interest from the date of disbursement until paid at the Default Rate as defined in the Note. Nothing in this Section 9.22 shall require Beneficiary to incur any expense or take any action.

9.23 Insurance or Condemnation After Deficiency. If the Property is sold in a foreclosure proceeding under Section 9.6 prior to receipt of a condemnation award or payment, Beneficiary shall receive and apply the proceeds of the award or payment toward the

satisfaction of any deficiency resulting from the sale, whether or not a deficiency judgment is sought, recovered, or denied.

9.24 Bond. Grantor waives any right to require the person authorized to make the sale hereunder to post a bond.

9.25 Appointment of a Receiver. Upon the occurrence of an Event of Default, Beneficiary shall be entitled, upon ex parte application, to the immediate appointment of a receiver for the Property, without regard to the value of the Property or the solvency of any person liable for payment of the amounts due under the Loan Documents, and Grantor hereby irrevocably consents to such appointment, waives notice of any application therefor and agrees that the appointment of such receiver may be continued during the pendency of any nonjudicial foreclosure under power of sale of all or any portion of the Property, notwithstanding entry of judgment in any action. Any such receiver shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided herein. Grantor agrees to promptly deliver to any such receiver all Rents, leases, documents, financial data and other information requested by such receiver in connection with the Property, and, without limiting the foregoing, Grantor hereby authorizes Beneficiary to deliver to any such receiver any or all of the Rents, leases, documents, data and information in Beneficiary's possession relating to the Property. Upon obtaining possession of the Property or upon the appointment of a receiver, Beneficiary or the receiver, as the case may be, may, at its sole option, (a) make all necessary or proper repairs and additions to or upon the Property, (b) operate, maintain, control, make secure and preserve the Property, (c) receive all Rents, and (d) complete the construction of any unfinished improvements on the Property and, in connection therewith, continue any and all outstanding contracts for the erection and completion of such Improvements and make and enter into any further contracts which may be necessary, either in their or its own name or in the name of Grantor (the cost of completing the Improvements shall be expenses secured by this Deed of Trust and accrue interest as set forth herein). In so doing, Beneficiary or such receiver shall have the right to manage the Property and to carry on the business of Grantor and may exercise all of the rights and powers of Grantor, either in the name of Grantor, or otherwise, including, but without limiting the generality of the foregoing, the right to lease the Property, to cancel, modify, renew or extend any lease or sublease of the Property and to carry on any contracts entered into by Grantor with respect to the Property. Beneficiary or such receiver shall be under no liability for, or by reason of, any such taking of possession, entry, holding, removal, maintaining, operation or management, except for gross negligence or willful misconduct. Grantor shall pay on demand to Beneficiary or the receiver (as the case may be) the amount of any deficiency between (a) the Rents received by Beneficiary or the receiver, and (b) all expenses incurred in taking possession of, and operating, the Property, together with interest thereon at the Default Rate as provided in the Note. The exercise of the remedies provided in this Section shall not cure or waive any Event of Default and the enforcement of such remedies, once commenced, shall continue for so long as Beneficiary shall elect, notwithstanding the fact that the exercise of such remedies may have, for a time, cured the original Event of Default.

9.26 Remedies Cumulative. All rights, powers, and remedies of Grantor provided for in the Loan Documents are cumulative and concurrent and shall be in addition to and not exclusive of any appropriate legal or equitable remedy provided by law or contract. Exercise of

any right, power, or remedy shall not preclude the simultaneous or subsequent exercise of any other by Beneficiary.

9.27 Consent to Jurisdiction and Venue. Grantor consents to be sued in any jurisdiction where any of the Property is located.

9.28 Rights Under the Uniform Commercial Code. Upon the occurrence of an Event of Default, Grantor shall assemble and make available to Beneficiary those portions of the Property which consist of personal property at a place to be designated by Beneficiary may exercise all the rights and remedies of a secured party under the Uniform Commercial Code. Any notices required by the Uniform Commercial Code shall be deemed reasonable if mailed certified mail, return receipt requested, postage prepaid, by Beneficiary to Grantor. Disposition of the Property shall be deemed commercially reasonable if made pursuant to a public offering advertised at least twice in a newspaper of general circulation in the County where the Property is located.

SECTION 10. MISCELLANEOUS

10.1 Financing Sign on Property, Publicity: Grantor authorizes Beneficiary, at Beneficiary's expense, to place signs on the Land at any locations selected by Beneficiary and approved by Grantor until completion of the Project, and to prepare and furnish news releases at any time to the news media or any other publications selected by Beneficiary advertising the fact that financial assistance for the Project has been obtained from Beneficiary.

10.2 Waivers. No term of any Loan Document shall be deemed waived unless the waiver shall be in writing and signed by the parties making the waiver. No failure by Beneficiary to insist upon Grantor's strict performance of any of the terms of the Loan Documents to which Grantor is a party shall be deemed or construed as a waiver of those or any other terms. Any delay in exercising or enforcing any rights with respect to an Event of Default shall not bar Beneficiary from exercising any rights under the Loan Documents, or at law or in equity.

10.3 Consents.

10.3.1 Beneficiary may (a) release any person liable under the Loan Documents, (b) release any part of the security, (c) extend the time of payment of the Loan, and/or (d) modify the terms of the Loan Documents, regardless of consideration and without notice to or consent by the holder of any subordinate lien on the Property. No release, extension or modification of the security held under the Loan Documents shall impair or affect the lien of this Deed of Trust or the priority of such lien over any subordinate lien.

10.3.2 Regardless of whether a person has been given notice or has given its prior consent, it shall not be relieved of any obligation under any Loan Documents by reason of (a) the failure of Beneficiary or any other person to take any action, foreclose, or otherwise enforce any provision of the Loan Documents, (b) the release of any other person liable under any Loan Document, (c) the release of any portion of the security under the Loan Documents, or (d) any agreement or

stipulation between any subsequent owners of the Property and Beneficiary extending the time of payment or modifying the terms of any Loan Document.

No transferor of any obligation under any Loan Document shall be relieved of its obligations by any modification of any Loan Document subsequent to the transfer. This Deed of Trust shall be binding upon the personal representatives, successors and assigns of Grantor and shall inure to the benefit of the successors, assigns and participants of Beneficiary.

10.10 Notices from Governmental Authorities Affecting the Property. Any notice from any governmental or quasi-governmental authority or corporation with respect to the Property sent to or known by Grantor shall be promptly transmitted to Beneficiary.

10.11 Applicable Law. This Deed of Trust shall be governed by and construed in accordance with the internal laws of the State of Colorado and applicable laws of the United States of America.

10.12 Time of the Essence. Time is of the essence with respect to the Loan Documents.

10.13 Effect of Payments. Any payment or other performance made in accordance with the Loan Documents by any person other than Grantor shall not entitle such person to any right of subrogation under the Loan Documents, unless expressly consented to in writing by Beneficiary.

10.14 Word Forms. The use of any gender, tense, or conjugation herein shall be applicable to all genders, tenses and conjugations. The use of the singular shall include the plural and the plural shall include the singular.

10.15 Assignment of Rents. Grantor, as additional security for the payment of the debt evidenced by the Note, together with interest thereon, insurance premiums, taxes and assessments, at the time and in the manner provided herein, and for the performance of the covenants and agreements contained herein and in the Note and/or the Loan Documents, does hereby sell, assign, transfer and set over unto Beneficiary all of the rents, profits, income and other moneys, whether due or to become due, under all oral or written leases, licenses or other

agreements for the use or occupancy of the Property, or any part thereof, in existence or coming into existence during the period this Deed of Trust is in effect. This assignment of rents shall run with the land and be good and valid as against Grantor herein, or those claiming by, through or under Grantor, from the date of the recording of this Deed of Trust in Douglas County, Colorado, provided, however, that Grantor may collect and retain such rents, profits and income so long as there exists no Event of Default. This assignment shall continue to be operative during the foreclosure or any other proceeding taken to enforce this Deed of Trust. In the event of a sale on foreclosure which shall result in deficiency, this assignment shall stand as security during the redemption period for the payment of such deficiency.

In the event of default by Grantor under this Deed of Trust, the Note, the Loan Agreement or the other Loan Documents, Grantor shall, upon demand therefor made by Beneficiary, deliver and surrender possession of the Property to Beneficiary, who shall thereafter collect the rents, profits and income therefrom, rent or lease said Property or any portion thereof upon such terms and for such time as it may deem best, terminate any tenancy and maintain proceedings to recover rents or possession of the Property from any tenant or trespasser, and apply the proceeds of such rent, profits and income actually collected, less all reasonable costs incurred in making such collection or in renting, leasing, operating or maintaining the Property, in such order of priority, proportion and upon such item or items as it may determine.

If Grantor fails, refuses or neglects to deliver or surrender such possession, Beneficiary shall be entitled to the appointment of a receiver of the Property and of the earnings, issues, rents, profits and income with such power as the Court making such appointment may confer. The collection by Beneficiary of rents or other income from the Property shall in no way waive the right of Beneficiary to foreclose this Deed of Trust in the event of default, and Beneficiary shall be entitled to all of the rights and remedies accorded by the statutes of the State of Colorado in effect from time to time.

10.16 Future Advances. At all times, regardless of whether any loan proceeds have been disbursed, this Deed of Trust secures (in addition to the amounts secured hereby) the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or incurred by Beneficiary in connection with the Loan.

10.17 Waiver of Right of Redemption and Other Rights. To the fullest extent permitted by law, Grantor agrees that it will not at any time or in any manner whatsoever take any advantage of any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, nor take any advantage of any law now or hereafter in force providing for the valuation or appraisal of the Property, or any part thereof, prior to any sale thereof to be made pursuant to any provisions herein contained, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale, claim or exercise any rights under any statute now or hereafter in force to redeem the property so sold, or any part thereof, or relating to the marshaling thereof, upon foreclosure sale or other enforcement hereof. To the fullest extent permitted by law, Grantor hereby expressly waives any and all rights it may have to require that the Property be sold as separate tracts or units in the event of foreclosure. To the fullest extent permitted by law, Grantor hereby waives any and all rights of redemption from sale under any judgment of foreclosure of this Deed of Trust on behalf of Grantor and on behalf

10.18 Attorneys' Fees. If Beneficiary shall be made a party to or shall intervene in any action or proceeding affecting the Property or the title thereto or the interest of Beneficiary under this Deed of Trust or in connection with any provision hereof or under any of the other Loan Documents, or if Beneficiary employs an attorney to collect any or all of the indebtedness secured hereby or to foreclose this Deed of Trust by judicial proceedings or public trustee's sale proceedings hereunder, Beneficiary shall be reimbursed by Grantor, immediately and upon demand, for all reasonable costs, charges and reasonable attorneys' fees incurred by it in any such case, whether or not suit be commenced, and the same shall be secured hereby as a further charge and lien upon the Property with interest at the Default Rate provided for in the Note.

10.19 RELIEF FROM AUTOMATIC STAY. **GRANTOR HEREBY AGREES THAT, IN CONSIDERATION OF BENEFICIARY'S AGREEMENT TO MAKE THE LOAN AND IN RECOGNITION THAT THE FOLLOWING COVENANT IS A MATERIAL INDUCEMENT FOR BENEFICIARY TO MAKE THE LOAN, IN THE EVENT THAT GRANTOR SHALL (I) FILE WITH ANY BANKRUPTCY COURT OF COMPETENT JURISDICTION OR BE THE SUBJECT OF ANY PETITION UNDER ANY SECTION OR CHAPTER OF TITLE 11 OF THE UNITED STATES CODE, AS AMENDED ("BANKRUPTCY CODE"), OR SIMILAR LAW OR STATUTE; (II) BE THE SUBJECT OF ANY ORDER FOR RELIEF ISSUED UNDER THE BANKRUPTCY CODE OR SIMILAR LAW OR STATUTE; (III) FILE OR BE THE SUBJECT OF ANY PETITION SEEKING ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY, OR OTHER RELIEF FOR DEBTORS; (IV) HAVE SOUGHT OR CONSENTED TO OR ACQUIESCED IN THE APPOINTMENT OF ANY TRUSTEE, RECEIVER, CONSERVATOR, OR LIQUIDATOR; OR (V) BE THE SUBJECT OF AN ORDER, JUDGMENT OR DECREE ENTERED BY ANY COURT OF COMPETENT JURISDICTION APPROVING A PETITION FILED AGAINST GRANTOR FOR ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY OR RELIEF FOR DEBTORS, THEN, SUBJECT TO COURT APPROVAL, BENEFICIARY SHALL THEREUPON BY ENTITLED AND GRANTOR HEREBY IRREVOCABLY CONSENTS TO, AND WILL NOT CONTEST, AND AGREES TO STIPULATE TO RELIEF FROM ANY AUTOMATIC STAY OR OTHER INJUNCTION IMPOSED BY SECTION 362 OF THE BANKRUPTCY CODE, OR SIMILAR LAW OR STATUTE (INCLUDING, WITHOUT LIMITATION, RELIEF FROM ANY EXCLUSIVE PERIOD SET FORTH IN SECTION 1121 OF THE BANKRUPTCY CODE) OR OTHERWISE, ON OR AGAINST THE EXERCISE OF THE RIGHTS AND REMEDIES OTHERWISE AVAILABLE TO BENEFICIARY AS PROVIDED IN THE LOAN DOCUMENTS, AND AS OTHERWISE PROVIDED BY LAW, AND GRANTOR HEREBY IRREVOCABLY WAIVES ITS RIGHTS TO OBJECT TO SUCH RELIEF.**

10.20 WAIVER OF TRIAL BY JURY. GRANTOR HEREBY VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY A JURY IN ANY ACTION, PROCEEDING OR LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THE LOAN, THIS DEED OF TRUST, OR ANY OF THE OTHER LOAN DOCUMENTS TO WHICH GRANTOR IS A PARTY. THIS WAIVER APPLIES TO ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS AND PROCEEDINGS, INCLUDING PARTIES WHO ARE NOT PARTIES TO THIS DEED OF TRUST. THIS WAIVER IS KNOWINGLY, INTENTIONALLY AND VOLUNTARILY MADE BY GRANTOR WHO ACKNOWLEDGES THAT IT HAS BEEN REPRESENTED IN THE EXECUTION OF THIS DEED OF TRUST AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF ITS OWN FREE WILL, AND THAT IT HAS HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL. GRANTOR FURTHER ACKNOWLEDGES THAT IT HAS READ AND UNDERSTANDS THE MEANING AND RAMIFICATIONS OF THIS WAIVER PROVISION.

ENVIRONMENTAL INDEMNITY AGREEMENT

THIS ENVIRONMENTAL INDEMNITY AGREEMENT (this "Agreement"), dated as of March 29, 2006, is executed by LITTLETON CAMPUS, LLC, a Maryland limited liability company (the "Borrower"), ERICKSON RETIREMENT COMMUNITIES, LLC, a Maryland limited liability company ("Guarantor I") and ERICKSON GROUP, LLC, a Maryland limited liability company ("Guarantor II") (Guarantor I and Guarantor II collectively the "Guarantors") (Borrower and the Guarantors being hereinafter sometimes referred to individually as an "Obligor" and collectively as the "Obligors"), for the benefit of, as a condition to, and to induce, GMAC COMMERCIAL MORTGAGE CORPORATION, a California corporation ("Lender"), to make a revolving construction loan (the "Loan") to Borrower evidenced or to be evidenced by a Promissory Note (the "Note") of even date herewith made by Borrower payable to the order of Lender in the original principal amount of EIGHTY THREE MILLION and 00/100 (\$83,000,000.00) DOLLARS, which Loan is secured or to be secured by a Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing (the "Deed of Trust") of even date herewith, encumbering certain real and personal property as therein described (collectively, the "Property"), including the land described in Exhibit "A" attached hereto and made a part hereof. The term "Loan Documents" as used herein is defined in the Deed of Trust and this Agreement is one of the Loan Documents.

1. Certain Definitions. As used in this Agreement:

(a) "Environmental Claim" means any investigative, enforcement, cleanup, removal, containment, remedial or other private or governmental or regulatory action at any time threatened, instituted or completed pursuant to any applicable Environmental Requirement, against any Obligor or against or with respect to the Property or any condition, use or activity on the Property (including any such action against Lender), and any claim at any time threatened or made by any person against any Obligor or against or with respect to the Property or any condition, use or activity on the Property (including any such claim against Lender), relating to damage, contribution, cost recovery, compensation, loss or injury resulting from or in any way arising in connection with any Hazardous Material or any Environmental Requirement.

(b) "Environmental Requirement" means any Environmental Law, agreement or restriction (including, but not limited to, any condition or requirement imposed by any insurance or surety company), as the same now exists or may be changed or amended or come into effect in the future, which pertains to health, safety, any Hazardous Material, or the environment, including, but not limited to, ground or air or water or noise pollution or contamination, and underground or aboveground tanks.

(c) "Hazardous Material" means any substance, whether solid, liquid or gaseous: which is listed, defined or regulated as a "hazardous substance", "hazardous waste" or "solid waste", or otherwise classified as hazardous or toxic, in or pursuant to any Environmental Requirement; or which is or contains asbestos, radon, any

polychlorinated biphenyl, urea formaldehyde foam insulation, explosive or radioactive material, or motor fuel or other petroleum hydrocarbons; or which causes or poses a threat to cause a contamination or nuisance on the Property or any adjacent property or a hazard to the environment or to the health or safety of persons on the Property.

(d) "Environmental Law" means any federal, state or local law, statute, ordinance, code, rule, regulation, license, authorization, decision, order, injunction, decree, or rule of common law, and any judicial interpretation of any of the foregoing, which pertains to health, safety, any Hazardous Material, or the environment (including, but not limited to, ground or air or water or noise pollution or contamination, and underground or above ground tanks) and shall include, without limitation, the Solid Waste Disposal Act, 42 U.S.C. § 6901 et seq.; the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. § 9601 et seq. ("CERCLA"), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"); the Hazardous Materials Transportation Act, 49 U.S.C. § 1801 et seq.; the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq.; the Clean Air Act, 42 U.S.C. § 7401 et seq.; the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. § 300f et seq. and any State of Colorado environmental laws and/or statutes or other federal environmental statutes, and all rules, regulations, orders and decrees now or hereafter promulgated under any of the foregoing, as any of the foregoing now exist or may be changed or amended or come into effect in the future.

(e) "On" or "on", when used with respect to the Property or any property adjacent to the Property, means "on, in, under, above or about".

2. Representations and Warranties. Borrower hereby represents and warrants to, and covenants with, Lender, without regard to whether Lender has or hereafter obtains any knowledge or report of the environmental condition of the Property, as follows:

(a) Except as previously disclosed in that certain Phase I Environmental Site Assessment Report of Wind Crest dated February 24, 2006, prepared by Terracon Consultants, Inc. and delivered to Lender prior to the date hereof (the "Phase I Report"), the Property has not been used for industrial or manufacturing purposes, for landfill, dumping or other waste disposal activities or operations, for generation, storage, use, sale, treatment, processing, recycling or disposal of any Hazardous Material, for underground or aboveground storage tanks, or for any other use that could give rise to the release of any Hazardous Material on the Property, except for paint and similar substances normally used in connection with the proper construction of improvements and/or the maintenance and operation of existing facilities on the Property, all of which have been stored, used and disposed of in full compliance with all Environmental Laws and Environmental Requirements; and no such use of the Property occurred at any time prior to the period of Borrower's ownership of the Property, except as previously disclosed in the Phase I Report;

(b) To the best of Borrower's knowledge, except as previously disclosed in the Phase I Report, there is no Hazardous Material, storage tank (or similar vessel), whether underground or otherwise, sump or well currently on the Property;

(c) The Obligors have received no notice and have no knowledge of any Environmental Claim regarding the Property or any adjacent property;

(d) To the best of Borrower's knowledge, except as previously disclosed in the Phase I Report, the current conditions, uses and activities on the Property do not violate any Environmental Requirement. The use of the Property which Borrower (and each tenant and subtenant, if any) makes and intends to make of the Property complies, and will comply, with all applicable Environmental Requirements; and neither Borrower, nor any tenant or subtenant, has obtained or is required to obtain any permit or other authorization to construct, occupy, operate, use or conduct any activity on any of the Property by reason of any Environmental Requirement;

(e) The Property does not appear on the National Priorities List or, to the best of Borrower's knowledge, any other list or database of properties maintained by any local, state or federal agency or department showing properties which are known to contain or which are suspected of containing a Hazardous Material; and

(f) The Obligors have never applied for and been denied environmental impairment liability insurance coverage relating to the Property.

3. Violations. The Obligors will not cause, commit, permit or allow to continue (i) any violation of any Environmental Requirement (A) by Borrower or by any person or entity (B) by or with respect to the Property or any use of or condition or activity on the Property, or (ii) the attachment of any environmental lien to the Property. The Obligors will not place, install, dispose of or release, or cause, permit, or allow the placing, installation, disposal, spilling, leaking, dumping or release of, any Hazardous Material or storage tank (or similar vessel) on the Property in violation of any Environmental Laws and will keep the Property free of Hazardous Material.

4. Notice to Lender. The Obligors shall promptly deliver to Lender a copy of each report pertaining to the Property and any report of the Property prepared by or on behalf of any Obligor pursuant to any Environmental Requirement. The Obligor shall immediately advise Lender in writing of any Environmental Claim or of the discovery of any Hazardous Material on the Property, as soon as any Obligor first obtains knowledge thereof, including a full description of the nature and extent of the Environmental Claim and/or Hazardous Material and all relevant circumstances.

5. Access Onto Property. Lender, and its successors and assigns, are hereby granted an easement to enter and to authorize others to enter upon the Property for the purposes of conducting environmental investigations and audits (including taking physical samples) and such other action deemed necessary by Lender to insure compliance by Borrower with all Environmental Requirements. Borrower acknowledges that no adequate remedy at law exists for a violation of the easement granted herein and agrees that Lender is entitled to specific

performance of its rights under this easement. The easement granted herein shall continue until the Deed of Trust is cancelled or released of record.

6. Site Assessments and Information. If Lender shall ever have reasonable cause to believe that any Hazardous Material affects the Property, or if any Environmental Claim is made or threatened, or if a default shall have occurred under the Loan Documents, or upon the occurrence of the Transition Date (defined below) (but only if the Transition Date is the date referred to in clause (ii) of Section 8(c) hereof) if requested by Lender, the Obligors shall, at their expense, provide to Lender from time to time, in each case within forty-five (45) days after Lender's request, an Environmental Assessment (defined below) made after the date of Lender's request. As used in this Agreement, the term "Environmental Assessment" means a report (including all drafts thereof) of an environmental assessment of the Property of such scope (including, but not limited to, the taking of soil borings and air and groundwater samples and other above and below ground testing) as Lender may request, in its commercially reasonable discretion, by a consulting firm acceptable to Lender and made in accordance with Lender's established guidelines. The Obligors will cooperate with each consulting firm making any such Environmental Assessment and will supply to the consulting firm, from time to time and promptly on request, all information available to the Obligors to facilitate the completion of the Environmental Assessment. If the Obligors fail to furnish Lender, within ten (10) days after Lender's request, with a copy of an agreement with an acceptable environmental consulting firm to provide such Environmental Assessment, or if the Obligors fail to furnish to Lender such Environmental Assessment within forty-five (45) days after Lender's request therefore, Lender may cause any such Environmental Assessment to be made at the Obligors' expense and risk. Lender and its designees are hereby granted access to the Property at any time or times, upon reasonable notice (which may be written or oral), and a license which is coupled with an interest and irrevocable, to make or cause to be made any such Environmental Assessment. Lender shall not disclose any information Lender ever has about the environmental condition or compliance of the Property, except as may be required by law. Lender shall be under no duty to make any Environmental Assessment of the Property, and in no event shall any such Environmental Assessment by Lender be or give rise to a representation that any Hazardous Material is or is not present on the Property, or that there has been or shall be compliance with any Environmental Requirement, nor shall the Obligors or any other person be entitled to rely on any Environmental Assessment made by Lender or at Lender's request. Lender owes no duty of care to protect the Obligors or any other person against, or to inform them of, any Hazardous Material or other adverse condition affecting the Property.

7. Remedial Actions.

(a) If any Hazardous Material is discovered on the Property in violation of any Environmental Laws at any time and regardless of the cause, (i) the Obligors shall promptly, at the Obligors' sole risk and expense, remove, treat and dispose of the Hazardous Material in compliance with all applicable Environmental Requirements and solely under the Obligors' (or any of their) names (or if removal is prohibited by any Environmental Requirement, take whatever action is required by any Environmental Requirement), in addition to taking such other action as is necessary to have the full use and benefit of the Property as contemplated by the Loan Documents, and provide Lender with satisfactory evidence thereof; and (ii) if requested by Lender, provide to Lender,

within thirty (30) days of Lender's request, a bond, letter of credit or other financial assurance evidencing to Lender's satisfaction that all necessary funds are readily available to pay the costs and expenses of the actions required by clause (i) preceding and to discharge any assessments or liens established against the Property as a result of the presence of the Hazardous Material on the Property. Within thirty (30) days after completion of such remedial actions, the Obligors shall obtain and deliver to Lender an Environmental Assessment of the Property made after such completion and confirming to Lender's satisfaction that all required remedial action as stated above has been taken and successfully completed and that there is no evidence or suspicion of any contamination or risk of contamination on the Property or any adjacent property, or of violation of any Environmental Requirement, with respect to any such Hazardous Material.

(b) Lender may, but shall never be obligated to, remove or cause the removal of any Hazardous Material from the Property (or if removal is prohibited by any Environmental Requirement, take or cause the taking of such other action as is required by any Environmental Requirement) if the Obligors fail to promptly commence such remedial actions following discovery and thereafter diligently prosecute the same to the satisfaction of Lender (without limitation of Lender's rights to declare a default under any of the Loan Documents and to exercise all rights and remedies available by reason thereof); and Lender and its designees are hereby granted access to the Property at any time or times, upon reasonable notice (which may be written or oral), and a license which is coupled with an interest and irrevocable, to remove or cause such removal or to take or cause the taking of any such other action.

8. Indemnity.

(a) The Obligors hereby agree to protect, indemnify, defend and hold: (i) Lender; (ii) any persons or entities owned or controlled by, owning or controlling, or under common control or affiliated with Lender; (iii) any participants in the Loan; (iv) the directors, officers, partners, employees and agents of Lender, and/or such persons or entities; and (v) the heirs, personal representatives, successors and assigns of each of the foregoing persons or entities (each an "Indemnified Party" and collectively the "Indemnified Parties") harmless from and against, and, if and to the extent paid, reimburse them on demand for, any and all Environmental Damages (as hereinafter defined). However, the foregoing indemnity shall not apply to a particular Indemnified Party to the extent that the subject of the indemnification is caused by or arises out of the gross negligence or willful misconduct of that particular Indemnified Party. Upon demand by Lender, the Obligors shall diligently defend any Environmental Claim which affects the Property or is made or commenced against Lender, whether alone or together with Borrower or any other person, all at Obligors' own cost and expense and by counsel to be approved by Lender in the exercise of its reasonable judgment. In the alternative, at any time Lender may elect to conduct its own defense through counsel selected by Lender and at the cost and expense of the Obligors.

(b) As used in this Agreement, the term "Environmental Damages" means all claims, demands, liabilities (including strict liability), losses, damages (including consequential damages), causes of action, judgments, penalties, fines, costs and expenses

(including fees, costs and expenses of attorneys, consultants, contractors, experts and laboratories), of any and every kind or character, contingent or otherwise, matured or unmatured, known or unknown, foreseeable or unforeseeable, made, incurred, suffered, brought or imposed at any time and from time to time, whether before or after the Transition Date and arising in whole or in part from:

(1) The presence of any Hazardous Material on the Property, or any escape, seepage, leakage, spillage, emission, release, discharge or disposal of any Hazardous Material on or from the Property, or the migration or release or threatened migration or release of any Hazardous Material to, from or through the Property, on or before the Transition Date; or

(2) any act, omission, event or circumstance existing or occurring in connection with the handling, treatment, containment, removal, storage, decontamination, clean-up, transport or disposal of any Hazardous Material which is at any time on or before the Transition Date present on the Property; or

(3) the breach of any representation, warranty, covenant or agreement contained in this Agreement because of any event or condition occurring or existing on or before the Transition Date; or

(4) any violation on or before the Transition Date, of any Environmental Requirement in effect on or before the Transition Date, regardless of whether any act, omission, event or circumstance giving rise to the violation constituted a violation at the time of the occurrence or inception of such act, omission, event or circumstance; or

(5) any Environmental Claim, or the filing or imposition of any environmental lien against the Property, because of, resulting from, in connection with, or arising out of any of the matters referred to in subparagraphs (1) through (4) preceding;

and regardless of whether any of the foregoing was caused by an Obligor, or a tenant or subtenant, or a prior owner of the Property or its tenant or subtenant, or any third party, including, but not limited to, (i) injury or damage to any person, property or natural resource occurring on or off of the Property, including, but not limited to, the cost of demolition and rebuilding of any improvements on real property; (ii) the investigation or remediation of any such Hazardous Material or violation of Environmental Requirement, including, but not limited to, the preparation of any feasibility studies or reports and the performance of any cleanup, remediation, removal, response, abatement, containment, closure, restoration, monitoring or similar work required by any Environmental Requirement or necessary to have full use and benefit of the Property as contemplated by the Loan Documents (including any of the same in connection with any foreclosure action or transfer in lieu thereof); (iii) all liability to pay or indemnify any person or governmental authority for costs expended in connection with any of the foregoing; (iv) the investigation and defense of any claim, whether or not such claim is ultimately defeated; and (v) the settlement of any claim or judgment.

(c) As used in this Agreement, the term “Transition Date” means the earlier of the following two dates: (i) the date on which the indebtedness and obligations secured by the Deed of Trust have been paid and performed in full and the Deed of Trust has been released; or (ii) the date on which the lien of the Deed of Trust is fully and finally foreclosed or a conveyance by deed in lieu of such foreclosure is fully and finally effective and possession of the Property has been given to and accepted by the purchaser or grantee free of occupancy and claims to occupancy by the Obligors and their representatives, successors and assigns; provided that, if such payment, performance, release, foreclosure or conveyance is challenged, in bankruptcy proceedings or otherwise, the Transition Date shall be deemed not to have occurred until such challenge is validly released, dismissed with prejudice or otherwise barred by law from further assertion.

9. Reinstatement of Obligations. If at any time all or any part of any payment made by any Obligor, or received by any Indemnified Party from any Obligor, under or with respect to this Agreement is or must be rescinded or returned for any reason whatsoever, including the insolvency, bankruptcy or reorganization of any Obligor under any Debtor Relief Law (as defined below), then the obligations of the Obligors hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence, notwithstanding such previous payment made by the Obligors, or receipt of payment by an Indemnified Party, and the obligations of the Obligors hereunder shall continue to be effective or be reinstated, as the case may be, as to such payment, all as though such previous payment by the Obligors had never been made.

10. Waivers. To the extent permitted by law, each of the Obligors, for itself and its successors, hereby waives and agrees not to assert or take advantage of:

(a) any right to require the Indemnified Parties to proceed against any other person or to proceed against or exhaust any security held by the Indemnified Parties at any time or to pursue any other remedy in the Indemnified Parties’ power or under any other agreement before proceeding against the Obligors hereunder;

(b) the defense of the statute of limitations in any action hereunder relating to an underlying Environmental Claim that has no statute of limitations;

(c) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other person or persons or the failure of the Indemnified Parties to file or enforce a claim against the estate (in administration, bankruptcy or any other proceedings) of any other person or person;

(d) demand, presentment for payment, notice of nonpayment, protest, notice of protest and all other notices of any kind, or the lack of any thereof, including, without limiting the generality of the foregoing, notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Indemnified Parties, any endorser or creditor of any of the Obligors or any other person whomsoever under this or any other instrument in connection with any obligation or evidence of indebtedness held by the Indemnified Parties;

(e) any right or claim of right to cause a marshalling of the assets of the Obligors;

(f) any principle or provision of law, statutory or otherwise, which is or might be in conflict with the terms and provisions of this Agreement;

(g) any duty on the part of the Indemnified Parties to disclose to the Obligors any facts the Indemnified Parties may now or hereafter know about the Property, regardless of whether the Indemnified Parties have reason to believe that any such facts materially increase the risk beyond that which the Obligors intend to assume or have reason to believe that such facts are unknown to the Obligors or have a reasonable opportunity to communicate such facts to the Obligors, it being understood and agreed that the Obligors are fully responsible for being and keeping informed of the condition of the Property and of any and all circumstances bearing on the risk that liability may be incurred hereunder;

(h) any lack of notice of disposition or of manner of disposition of any collateral for the Loan;

(i) any invalidity, irregularity or unenforceability, in whole or in part, of any one or more of the Loan Documents;

(j) any lack of commercial reasonableness in dealing with the collateral for the Loan;

(k) any deficiencies in the collateral for the Loan or any deficiency in the ability of the Indemnified Parties to collect or to obtain performance from any person or entities now or hereafter liable for the payment and performance of any obligation hereby guaranteed;

(l) any assertion or claim that the automatic stay provided by 11 U.S.C. §362 (arising upon the voluntary or involuntary bankruptcy proceeding of the Obligors) or any other stay provided under any other debtor relief law (whether statutory, common law, case law or otherwise) of any jurisdiction whatsoever, now or hereafter in effect, which may be or become applicable, shall operate or be interpreted to stay, interdict, condition, reduce or inhibit the ability of the Indemnified Parties to enforce any of their rights, whether now or hereafter required, which the Indemnified Parties may have against the Obligors or the collateral for the Loan; and

(m) any modifications of the Loan Documents or any obligation of the Obligors relating to the Loan by operation of law or by action of any court, whether pursuant to the Bankruptcy Reform Act of 1978, as amended or recodified (the "Bankruptcy Code"), or under any other present or future state or federal law regarding bankruptcy, reorganization or other relief to debtors (collectively, the "Debtor Relief Law"), or otherwise.

11. Consideration; Survival; Cumulative Rights. Borrower acknowledges that Lender has relied and will rely on the representations, warranties, covenants and agreements herein in

closing and funding the Loan and that the execution and delivery of this Agreement is an essential condition but for which Lender would not close or fund the Loan. The representations, warranties, covenants and agreements in this Agreement: shall be binding upon Obligors and their successors, assigns and representatives and shall inure to the benefit of Lender and its successors, assigns and representatives and participants in the Loan; and shall not terminate on the Transition Date or upon the release, foreclosure or other termination of the Deed of Trust, but will survive the Transition Date, the payment in full of the indebtedness secured by the Deed of Trust, foreclosure of the Deed of Trust or conveyance in lieu of foreclosure, the release or termination of the Deed of Trust and any and all of the other Loan Documents, any investigation by or on behalf of Lender, any bankruptcy or other debtor relief proceeding, and any other event whatsoever. Any amount to be paid under this Agreement by Obligors (or any of them) shall be a demand obligation owing by Obligors (which Obligors hereby promise to pay). Lender's rights under this Agreement shall be in addition to all rights of Lender under the Loan Documents or at law or in equity, and payments by Obligors under this Agreement shall not reduce Borrower's or Guarantors' obligations and liabilities under any of the Loan Documents. The liability of Obligors or any other person under this Agreement shall not be limited or impaired in any way by any provision in the Loan Documents or applicable law limiting Obligors' or such other person's liability or Lender's recourse or rights to a deficiency judgment, or by any change, extension, release, inaccuracy, breach or failure to perform by any party under the Loan Documents, Borrower's and Guarantors' (and, if applicable, such other person's) liability hereunder being direct and primary and not as a guarantor or surety. Nothing in this Agreement or in any other Loan Document shall limit or impair any rights or remedies of Lender and/or any other Indemnified Party against Obligor(s) or any other person under any Environmental Requirement or otherwise at law or in equity, including, without limitation, any rights of contribution or indemnification.

12. No Waiver. No delay or omission by Lender to exercise any right under this Agreement shall impair any such right nor shall it be construed to be a waiver thereof. No waiver of any single breach or default under this Agreement shall be deemed a waiver of any other breach or default. Any waiver, consent or approval under this Agreement must be in writing to be effective.

13. Notices. Unless specifically provided otherwise, any notice for purposes of this Agreement shall be given in writing and shall be addressed or delivered to the respective addresses set forth at the end of this Agreement, or to such other address as may have been previously designated by the intended recipient by notice given in accordance with this Section. If sent by prepaid, registered or certified mail (return receipt requested), the notice shall be deemed effective when the receipt is signed or when the attempted initial delivery is refused or cannot be made because of a change of address of which the sending party has not been notified; and if transmitted by personal delivery, the notice shall be effective when received. No notice of change of address shall be effective except upon actual receipt. This Section shall not be construed in any way to affect or impair any waiver of notice or demand provided in any Loan Document or to require giving of notice or demand to or upon any person in any situation or for any reason.

14. Invalid Provisions. A determination that any provision of this Agreement is unenforceable or invalid shall not affect the enforceability or validity of any other provision and

a determination that the application of any provision of this Agreement to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to other persons or circumstances.

15. Construction. Whenever in this Agreement the singular number is used, the same shall include plural where appropriate, and vice versa; and words of any gender in this Agreement shall include each other gender where appropriate. The headings in this Agreement are for convenience only and shall be disregarded in the interpretation hereof. Reference to "person" or "entity" means firms, associations, partnerships, joint ventures, trusts, limited liability companies, corporations and other legal entities, including public or governmental bodies, agencies or instrumentalities, as well as natural persons.

16. Applicable Law; Forum. This Agreement is performable in the State of Colorado and applicable Colorado and United States federal law shall govern the rights and duties of the parties hereto and the validity, enforcement and interpretation hereof. Each of the Obligors hereby irrevocably submit generally and unconditionally for itself and in respect of its property to the non-exclusive jurisdiction of any State of Colorado court, or any United States federal court for the District of Colorado and over any suit, action or proceeding arising out of or relating to this Agreement or the indebtedness secured by the Deed of Trust.

17. Execution; Modification. This Agreement has been executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which constitute, collectively, one agreement; but, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart. This Agreement may be amended only by an instrument in writing intended for that purpose executed jointly by an authorized representative of each party hereto and by an authorized representative of the Lender.

18. Entire Agreement. This Agreement contains the entire agreement between the parties respecting the matters herein set forth and supersedes (except as to the Deed of Trust) all prior agreements, whether written or oral, between the parties respecting such matters.

19. Full Recourse. All of the terms and provisions of this Agreement are full recourse obligations of the Obligors and not restricted by any limitation on personal liability.

20. Secured Obligations. The Obligors hereby acknowledge that the obligations of the Obligors under this Agreement are secured by the lien of the Deed of Trust and the security interests and other collateral described in the Deed of Trust and the other Loan Documents.

21. No Recourse Against the Indemnified Parties. The Obligors shall not have any right of recourse against the Indemnified Parties by reason of any action the Indemnified Parties may take or omit to take under the provisions of this Agreement or under the provisions of any of the Loan Documents relating to the environmental condition of the Property, other than actions resulting from the gross negligence or willful misconduct of any of the Indemnified Parties.

22. Reservation of Rights. Nothing contained in this Agreement shall prevent or in any way diminish or interfere with any rights or remedies, including the right to contribution, which the Indemnified Parties may have against the Obligors or any other party under the

Comprehensive Environmental Response, Compensation and Liability Act of 1980 (codified at Title 42 U.S.C. §9601 et seq.), as it may be amended from time to time, or any other applicable federal, state or local laws, all such rights being hereby expressly reserved.

23. No Limitation on Liability. Each of the Obligors hereby consents and agrees that the Indemnified Parties may at any time and from time to time without further consent from the Obligors do, permit or cause any of the following events, and the liability of the Obligors under this Agreement shall be unconditional and absolute and shall in no way be impaired or limited by the occurrence of any of the following events, whether occurring with or without notice to the Obligors, or with or without consideration: (a) any extensions of time for performance required by any of the Loan Documents or extension or renewal of the Note; (b) any sale, assignment or foreclosure of the Note, the Deed of Trust or any of the other Loan Documents or any sale or transfer of the Property; (c) any change in the composition of any of the Obligors; (d) the accuracy or inaccuracy of the representations and warranties made by the Obligors herein or in any of the Loan Documents; (e) the release of any of the Obligors or of any other person or entity from performance or observance of any of the agreements, covenants, terms or conditions contained in any of the Loan Documents by operation of law, the Indemnified Parties' voluntary act or otherwise; (f) the release or substitution in whole or in part of any security for the Loan; (g) Lender's failure to record the Deed of Trust or to file any financing statement (or Lender's improper recording or filing thereof) or to otherwise perfect, protect, secure or insure any lien or security interest given as security for the Loan; (h) the modification of the terms of any one or more of the Loan Documents; or (i) the taking or failure to take any action of any type whatsoever. No such action which the Indemnified Parties shall take or fail to take in connection with the Loan Documents or any collateral for the Loan, nor any course of dealing with the Obligors or any other person, shall limit, impair or release the Obligors' obligations hereunder, affect this Agreement in any way or afford the Borrower any recourse against the Indemnified Parties. Nothing contained in this Paragraph shall be construed to require the Indemnified Parties to take or refrain from taking any action referred to herein.

24. Attorneys' Fees. The Obligors agree to pay all of the Indemnified Parties' costs and expenses, including reasonable attorneys' fees, which may be incurred in enforcing or protecting the Indemnified Parties' rights or interests. From the time(s) incurred until paid in full to the Indemnified Parties, all such sums shall bear interest at the Default Rate, as defined in the Note.

25. Successive Actions. A separate right of action hereunder shall arise each time the Indemnified Parties acquires knowledge of any matter indemnified by the Obligors under this Agreement. Separate and successive actions may be brought hereunder to enforce any of the provisions hereof at any time and from time to time. No action hereunder shall preclude any subsequent action, and the Obligors hereby waive, and covenant not to assert, any defense in the nature of splitting of causes of action or merger of judgments.

26. Joint and Several Liability. If more than one person or entity is signing this Agreement as the Obligors, their obligations under this Agreement will be joint and several.

27. WAIVER OF TRIAL BY JURY. THE OBLIGORS AND LENDER (BY ACCEPTANCE OF THIS AGREEMENT), HAVING BEEN REPRESENTED BY

COUNSEL, EACH KNOWINGLY AND VOLUNTARILY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS (a) UNDER THIS AGREEMENT OR ANY RELATED AGREEMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR (b) ARISING FROM ANY BANKING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE OBLIGORS AGREE THAT THEY WILL NOT ASSERT ANY CLAIM AGAINST LENDER ON ANY THEORY OF LIABILITY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES.

28. WAIVER OF BANKRUPTCY STAY. THE OBLIGORS COVENANT AND AGREE THAT UPON THE COMMENCEMENT OF A VOLUNTARY OR INVOLUNTARY BANKRUPTCY PROCEEDING BY OR AGAINST ANY OF THE OBLIGORS, SUCH OBLIGOR SHALL NOT SEEK A SUPPLEMENTAL STAY OR OTHERWISE PURSUANT TO 11 U.S.C. §105 OR ANY OTHER PROVISION OF THE BANKRUPTCY CODE OR ANY OTHER DEBTOR RELIEF LAW, TO STAY, INTERDICT, CONDITION, REDUCE OR INHIBIT THE ABILITY OF THE INDEMNIFIED PARTIES TO ENFORCE ANY RIGHTS OF THE INDEMNIFIED PARTIES AGAINST SUCH OBLIGOR BY VIRTUE OF THIS AGREEMENT OR OTHERWISE.

GUARANTY
(Full Payment And Performance)

THIS GUARANTY ("**Guaranty**") is made as of this 29th day of March, 2006 in favor of GMAC COMMERCIAL MORTGAGE CORPORATION, a California corporation (together with its successors and assigns, "**Lender**") by ERICKSON RETIREMENT COMMUNITIES, LLC, a Maryland limited liability company ("**ERC**") and ERICKSON GROUP, LLC, a Maryland limited liability company (who, together are referred to as "**Guarantors**" and each individually as "**Guarantor**").

BACKGROUND

A. Littleton Campus, LLC, a Maryland limited liability company ("**Borrower**") and Lender are entering into a certain Loan Agreement of even date herewith ("**Loan Agreement**") pursuant to which Lender will make a revolving loan ("**Loan**") to Borrower in the maximum principal amount of \$83,000,000.00. The Loan also will be evidenced by Borrower's promissory note to Lender of even date herewith ("**Note**") and secured by, among other things, a Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing made by Borrower to Lender also of even date herewith ("**Security Instrument**") which grants to Lender, among other things, a first lien on the property described therein.

B. Each Guarantor owns a direct or indirect interest in Borrower and will derive substantial benefit from Lender's making of the Loan to Borrower.

C. Lender requires as a condition to making the Loan that Guarantors agree, jointly and severally, to guaranty for the benefit of Lender, and its successors and assigns, all obligations and liabilities of Borrower with respect to the Loan, regardless of whether Borrower has personal liability therefore.

NOW, THEREFORE, to induce Lender to make the Loan to Borrower, and in consideration of the substantial benefit each Guarantor will derive from the Loan, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, and intending to be legally bound hereby, each Guarantor hereby agrees as follows:

ARTICLE 1
DEFINED TERMS

1.01 Defined Terms. Capitalized terms used in this Guaranty and not specifically defined in this Guaranty have the meaning provided in the Loan Agreement.

ARTICLE 2
OBLIGATION GUARANTEED

2.01 Guaranteed Obligations. Each Guarantor, jointly and severally, irrevocably and unconditionally, guarantees to Lender: (a) the full and prompt payment when due (not merely the collection) of all amounts due with respect to the Loan, and the observance and performance by

the Borrower of all of the Borrower's obligations under the Loan Documents; (b) the full and prompt payment (not merely the collection) of all present and future liabilities and obligations of the Borrower to the Lender of every kind and description, now existing or hereafter owing, matured or unmatured, direct or indirect, absolute or contingent or joint or several and the observance and performance by the Borrower of all of the Borrower's obligations with respect to the foregoing; (c) the payment of all expenses and charges (including all court costs and reasonable attorneys' fees) paid or incurred by the Lender in realizing upon any of the obligations guaranteed above or in enforcing any of the Loan Documents; (d) the performance of all obligations of the Borrower under the Loan Agreement and Loan Documents including, but not limited to, the indemnification obligations set out in the Loan Agreement; (e) the full and timely completion of all of the Improvements, in each Construction Phase for which construction has commenced, in strict accordance with the provisions of the Loan Agreement, all legal requirements and all related Plans and Specifications approved by Lender, free and clear of any and all liens which may arise from, or in any way relate to, the Improvements; and (f) the full and timely payment of all contractors, subcontractors and material suppliers whose work and materials have been or may hereafter be delivered or supplied for, or incorporated into, the Improvements (collectively, the **"Guaranteed Obligations"**). Without limiting the foregoing, each Guarantor hereby guarantees that if liens relating to, or arising out of, the performance of the Improvements are filed, Guarantor shall cause such liens to be removed or satisfied of record no later than thirty (30) days after notice thereof to Guarantor, all to the reasonable satisfaction of Lender. The foregoing obligations are independent of any obligation (if any) of Borrower under the Loan Documents to provide payment or performance bonds for any of its contractors and are effective regardless of whether Borrower has any personal liability for the Guaranteed Obligations and Guarantor's liability hereunder is not limited to the original or amortized principal balance of the Loan or the value of the collateral given as security for the Loan.

2.02 Completion of Improvements. If for any reason Borrower fails to complete the Improvements in accordance with the terms of the Loan Agreement and other applicable Loan Documents, then, within thirty (30) days after written notice from Lender, Guarantor will immediately assume all responsibility for full completion of the Improvements as required by the Loan Documents and take such other action as Lender may require to remedy Borrower's default. Guarantor shall be in default of this Guaranty if, in Lender's judgment, Guarantor (a) does not assume responsibility for completion of the Improvements within such ten (10) day period, (b) fails to pursue completion of the Improvements diligently or (c) fails to complete the Improvements by the time required by the Loan Documents. In any such event, Lender may (in addition to all other remedies available to Lender), upon written notice to Guarantor, take any action Lender believes necessary to complete the Improvements (but Lender shall not be obligated to do so and may suspend or terminate any such actions at any time, without completion). In connection with Lender's right to complete the Improvements, each of the Guarantors hereby grant (to the extent Guarantors have the ability to grant) to the Lender the right to (i) enter upon the Land and complete the Improvements in accordance with the Plans and Specifications with such changes therein as the Lender may deem appropriate, and employ watchmen to protect the Property, (ii) at any time discontinue any work commenced with respect to the Project, (iii) assume any or all contracts covered by the Collateral Assignment of Project Documents or any other contracts made by Borrower or either of the Guarantors relating to the construction or equipping of the Improvements and take over and use all or any part of the labor, materials, supplies and equipment contracted for by Borrower or either of the Guarantors, (iv)

engage builders, contractors, and others for the purpose of furnishing labor, materials and equipment in connection with the Project, and (v) pay, settle or compromise all bills or claims that may become liens against the Property. No such actions by Lender shall release or limit the liability of any Guarantor. The Guarantors shall be jointly and severally liable to the Lender for all sums paid or incurred by it to construct and equip the Improvements whether the same shall be paid or incurred pursuant to the provisions of this Section 2.02 or otherwise, and all payments made or liabilities incurred by the Lender hereunder of any kind whatsoever shall be paid by the Guarantors to the Lender upon demand with interest at the rate provided in the Note. For the purpose of exercising the rights granted by this Section, Guarantors hereby irrevocably constitute and appoint the Lender as their true and lawful attorney-in-fact to execute, acknowledge and deliver any instruments and to do and perform any acts in the name and on behalf of each such Guarantor.

2.03 Continuing Obligation. This Guaranty is a continuing guaranty and remains in full force and effect and will be discharged only if and when the Loan and all other monetary obligations evidenced by the Loan Documents have been satisfied in full; provided, however, that notwithstanding any of the foregoing to the contrary, this Guaranty shall remain in full force and effect for so long as any payment hereunder may be voided in bankruptcy proceedings as a preference or for any other reason.

2.04 Direct Action Against Guarantor. Each Guarantor's liability under this Guaranty is a guaranty of payment and performance and not of collection. Lender has the right to require each Guarantor to pay, comply with and satisfy its obligations and liabilities under this Guaranty, and shall have the right to proceed immediately against each Guarantor with respect thereto, without being required to attempt recovery first from Borrower or any other party, without first suing on the Note or any other Loan Document and without demonstrating that the collateral for the Loan is inadequate security or that Lender has exercised (to any degree) or exhausted any of Lender's other rights and remedies with respect to Borrower or any collateral for the Loan.

ARTICLE 3

GENERAL TERMS AND CONDITIONS

3.01 Payments; Interest on Amounts Payable Hereunder. Amounts payable to Lender under this Guaranty shall be immediately due and payable on Lender's written demand and shall be paid without reduction by set-off, defense, counterclaim or cross-claim. Interest at the Default Rate (or the maximum interest rate permitted by applicable law) shall accrue on any judgment obtained by Lender in connection with the enforcement or collection of amounts due under this Guaranty until such judgment is paid in full. Lender may apply all money received by Lender to payment or reduction of the Loan or reimbursement of Lender's expenses, in such priority and proportions, and at such time or times as Lender may elect.

3.02 Cumulative Remedies upon Event of Default. Guarantors acknowledge that, following an Event of Default with respect to the Loan, Lender is entitled to accelerate the Loan and exercise all other rights and remedies as have been provided to Lender under the other Loan Documents, by law or in equity, including, without limitation enforcement of this Guaranty. All rights and remedies of Lender are cumulative and may be exercised independently, concurrently or successively in Lender's sole discretion and as often as occasion therefor shall arise. Lender's

delay or failure to accelerate the Loan or exercise any other remedy upon the occurrence of an Event of Default with respect to the Loan shall not be deemed a waiver of such right as remedy. No partial exercise by Lender of any right or remedy will preclude further exercise thereof. Notice or demand given to Guarantor in any instance will not entitle Guarantor to notice or demand in similar or other circumstances nor constitute Lender's waiver of its right to take any future action in any circumstance without notice or demand (except where expressly required by this Guaranty to be given). Lender may release other security for the Loan, may release any party liable for the Loan, may grant extensions, renewals or forbearances with respect thereto, may accept a partial or past due payment or grant other indulgences, or may apply any other security held by it to payment of the Loan, in each case without prejudice to its rights under this Guaranty and without such action being deemed an accord and satisfaction or a reinstatement of the Loan. Lender will not be deemed as a consequence of its delay or failure to act, or any forbearances granted, to have waived or be estopped from exercising any of its rights or remedies.

3.03 Enforcement Costs. Guarantors hereby agree to pay, on written demand by Lender, all costs incurred by Lender in collecting any amount payable under this Guaranty or enforcing or protecting its rights under the Guaranty, in each case whether or not legal proceedings are commenced. Such fees and expenses include, without limitation, reasonable fees for attorneys, paralegals and other hired professionals, a reasonable assessment of the cost of services performed by Lender's default management staff, court fees, costs incurred in connection with pre-trial, trial and appellate level proceedings (including discovery and expert witnesses), costs incurred in post-judgment collection efforts or in any bankruptcy proceeding. Amounts incurred by Lender shall be immediately due and payable, and shall bear interest at the Default Rate from the date of disbursement until paid in full, if not paid in full within ten (10) business days after Lender's written demand for payment.

3.04 Unimpaired Liability. Each Guarantor acknowledges and agrees that all obligations hereunder are and shall be absolute and unconditional under any and all circumstances without regard to the validity, regularity or enforceability of any or all of the Loan Documents or the existence of any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor or surety. Without limiting the foregoing, each Guarantor acknowledges and agrees that its respective liability hereunder shall in no way be released, terminated, discharged, limited or impaired by reason of any of the following (whether or not Guarantor has any knowledge or notice thereof): (a) Borrower's lack of authority or lawful right to enter into any of the Loan Documents; (b) any modification, supplement, extension, consolidation, restatement, waiver or consent provided by Lender with respect to any of the Loan Documents including, without limitation, approval to a transfer of the Property or the grant of extensions of time for payment or performance; (c) failure to record any Loan Document or to perfect any security interest intended to be provided thereby or otherwise to protect, secure or insure any collateral for the Loan; (d) Lender's failure to exercise, or delay in exercising, any rights or remedies Lender may have under the Loan Documents or under this Guaranty; (e) the release or substitution, in whole or in part, of any collateral for the Loan or acceptance of additional collateral for the Loan; (f) the release of any Guarantor from performance, in whole or in part, under this Guaranty or the release of Borrower from performance, in whole or in part, under any of the Loan Documents, in each case whether by operation of law, Lender's voluntary act, or otherwise; (g) any bankruptcy, insolvency, reorganization, adjustment, dissolution,

liquidation or other like proceeding involving or affecting Borrower, any other Guarantor or Lender; (h) the termination or discharge of the Security Instrument or the exercise of any power of sale or any foreclosure (judicial or otherwise) or delivery or acceptance of a deed-in-lieu of foreclosure; (i) the existence of any claim, setoff, counterclaim, defense or other rights which Guarantor may have against Borrower, any other Guarantor or Lender, whether in connection with the Loan or any other transaction; or (j) the accuracy or inaccuracy of the representations and warranties made by Borrower in any of the Loan Documents.

3.05 Waivers. Each Guarantor hereby waives and relinquishes, to the fullest extent permitted by law: (a) all rights or claims of right to cause a marshalling of assets or to cause Lender to proceed against any of the collateral for the Loan before proceeding under this Guaranty against it or any other Guarantor; (b) all rights and remedies accorded by applicable law to sureties or guarantors, except any rights of subrogation and contribution (the exercise of which are subject to the terms of this Guaranty); (c) the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought by or against it; (d) notice of acceptance of this Guaranty and of any action taken or omitted in reliance hereon; (e) presentment for payment, demand, protest, notice of nonpayment or failure to perform or observe, or any other proof, notice or demand to which it might otherwise be entitled with respect to its obligations hereunder; and (f) all homestead or exemption rights against the obligations hereunder and the benefits of any statutes of limitation or repose.

3.06 Guarantor Bound by Judgment Against Borrower. Each Guarantor agrees that it shall be bound conclusively, in any jurisdiction, by the judgment in any action by Lender against Borrower in connection with the Loan Documents (wherever instituted) as if such Guarantor were a party to such action even if not so joined as a party.

3.07 Certain Consequences of Borrower's Bankruptcy.

(a) If Borrower shall be subject to the protection of the Bankruptcy Code or any insolvency law the effect of which is to prevent or delay Lender from taking any remedial action against Borrower, including the exercise of any option Lender has to accelerate and declare the Loan immediately due and payable, Lender may, as against each Guarantor, nevertheless declare the Loan due and payable and enforce any or all of its rights and remedies against any Guarantor as provided herein.

(b) Any payment made on the Loan, whether made by Borrower or any Guarantor or any other Person, that is required to be refunded or recovered from Lender as a preference or a fraudulent transfer or is otherwise set-aside pursuant to the Bankruptcy Code or any insolvency or other debtor relief law shall not be considered as a payment made on the Loan or under this Guaranty. Each Guarantor's liability under this Guaranty shall continue with respect to any such payment, or be deemed reinstated, with the same effect as if such payment had not been received by Lender, notwithstanding any notice of revocation of this Guaranty prior to such avoidance or recovery or payment in full of the Loan, until such time as all periods have expired within which Lender could be required to return any amount paid at any time on account of the Guaranteed Obligations.

(c) Until payment in full of the Loan (including interest accruing on the Note after the commencement of a proceeding by or against Borrower under the Bankruptcy Code, which interest the parties agree remains a claim that is prior and superior to any claim of Guarantor notwithstanding any contrary practice, custom or ruling in cases under the Bankruptcy Code generally), Guarantors agree not to accept any payment or satisfaction of any kind of indebtedness of Borrower to Guarantors and hereby assign such indebtedness to Lender, including the right (but not the obligation) to file proof of claim and to vote in any other bankruptcy or insolvency action, including the right to vote on any plan of reorganization, liquidation or other proposal for debt adjustment under Federal or state law.

3.08 Subrogation and Contribution. Each Guarantor agrees that no payment by it under this Guaranty shall give rise to (a) any rights of subrogation against Borrower or the collateral for the Loan, or (b) any rights of contribution against any other Guarantor, in each case unless and until Lender has received full and indefeasible payment of the Loan. If the deferral of such rights shall be unenforceable for any reason, each Guarantor agrees that (a) its rights of subrogation shall be junior and subordinate to Lender's rights against Borrower and the collateral for the Loan, and (b) its rights of contribution against any other Guarantor shall be junior and subordinate to Lender's rights against each other Guarantor.

3.09 Subordination of Borrower's Obligations to Guarantor. Any indebtedness of Borrower to any Guarantor, now or hereafter existing, together with any interest thereon, shall be and hereby is deferred, postponed and subordinated to the prior payment in full of the Loan. Further, each Guarantor agrees that should such Guarantor receive any payment, satisfaction or security for any indebtedness owed by Borrower to it, the same shall be delivered to Lender in the form received (endorsed or assigned as may be appropriate) for application on account of, or as security for, the Loan and until so delivered to Lender, shall be held in trust for Lender as security for the Loan.

3.10 Lender Transferees; Secondary Market Activities. Each Guarantor acknowledges and agrees that Lender, with prior notice to Guarantors but without the necessity of obtaining any Guarantor's prior consent, may assign all or any portion of its rights hereunder in connection with any sale or assignment of the Loan or servicing rights related to the Loan, may grant participations in the Loan, or contract for the servicing of the Loan, and that each such assignee, participant or servicer shall be entitled to exercise all of Lender's rights and remedies hereunder. Each Guarantor further acknowledges that Lender may provide to third parties with an existing or prospective interest in the servicing, enforcement, ownership, purchase, and/or participation of the Loan, any and all information which Lender now has or may hereafter acquire relating to the Loan, the Property or with respect to Borrower or any Guarantor, as Lender determines necessary or desirable. Each Guarantor irrevocably waives all rights it may have under applicable law, if any, to prohibit such disclosure, including, without limitation, any right of privacy.

3.11 Financial Reports, Inspection of Records. Each Guarantor shall provide Lender the financial statements and information required of it under Section 8.3 of the Loan Agreement on a continuous basis during the term of the Loan and shall also provide certain notices and information under Section 8.13 of the Loan Agreement prior to start up of new retirement communities. Lender and its agents have the right, upon prior written notice to Guarantor

(notice to be given unless an Event of Default exists), to examine the records, books and other papers which reflect upon such Guarantor's financial condition and to make copies and abstracts from such materials.

3.12 Liquidity Covenant. At all times until the Guaranteed Obligations have been fully satisfied, ERC will maintain liquidity in an amount equal to the minimum sum of \$24,000,000.00 plus an additional amount equal to \$7,500,000.00 for each new retirement community (in excess of four (4)) sponsored by Guarantor under construction during the term of the Loan and for which such construction is being financed by bank construction financing or its equivalent (excluding bond financing). For purposes of this Guaranty, "liquidity" means unencumbered and unrestricted cash and readily marketable securities (including both debt and equity instruments). At Lender's request, Borrower agrees to provide a written schedule identifying such Liquid Assets and location of deposits.

3.13 Litigation. Upon obtaining knowledge thereof, Guarantor shall promptly give notice in writing to the Lender of any litigation, pending or threatened, and of any proceeding before any governmental or regulatory agency or officer which might have a material adverse effect on the financial position of such Guarantor (any suit or suits in which the amount in controversy is less than \$100,000 in the aggregate being hereby deemed not to be material).

3.14 Assessments. Guarantor shall pay and discharge, or cause to be paid or discharged, all taxes, assessments and governmental charges or levies imposed upon any of the properties of such Guarantor, all claims for labor, supplies, rent and any other obligations, prior to the date on which penalties attach thereto, and all lawful claims which, if unpaid, might become a lien or charge upon any such properties; provided, however, that such Guarantor shall not be required to pay or cause to be paid any such tax, assessment, charge, levy or claim so long as the Lender has been given notice of the intention of such Guarantor to institute any contest thereof and so long as, in the opinion of the Lender, (i) the payment is being diligently contested in good faith by appropriate proceedings, (ii) the security for the Guaranteed Obligations is not impaired and (iii) such Guarantor (as appropriate) has effectively stayed or prevented the sale of its properties.

3.15 Properties Sale. Except as otherwise permitted in the Loan Agreement, Guarantor shall not sell or otherwise dispose, or cause or allow any other person or entity to sell or otherwise dispose, without prior written consent of the Lender, of any property or properties of such Guarantor except for sales or leases for a consideration approximately equal to fair market value or fair market rental or other fair and appropriate consideration; provided, however, that the Lender shall not unreasonably withhold consent to any disposition that would not have a material adverse effect on the financial position of such Guarantor.

3.16 Distributions. Except as otherwise permitted in the Loan Agreement, Guarantor shall not pay any income, bonuses, profits, salaries or fees to any of its partners or members or make any distribution of cash or property to any of its partners or members or to affiliates thereof (including other entities in which any of its partners or members owns an interest).

3.17 Joinder to Loan Documents. Guarantor further agrees to all provisions of the Loan Agreement and Loan Documents which refer or relate to such Guarantor or which require

its consent or joinder, as fully as if such provisions were set forth herein. Such provisions include, but are not limited to, Sections 8.3, 8.9, 8.10, 8.11, 8.12, 8.13, 8.14 and 8.31 of the Loan Agreement.

ARTICLE 4 **REPRESENTATIONS AND WARRANTIES**

Each Guarantor represents and warrants to Lender that (a) the Loan and this Guaranty are for commercial purposes, (b) it has had adequate opportunity to review the Loan Documents, (c) it is fully aware of obligations of Borrower thereunder and of the financial condition, assets and prospects of Borrower, and (d) it is executing and delivering this Guaranty based solely upon Guarantor's own independent investigation of the matters contemplated by clauses (a)-(c) and in no part upon any representation, warranty or statement of Lender with respect thereto.

4.02 General. Each Guarantor individually, as to such Guarantor, represents and warrants that:

(a) Authority. Guarantor has the full power and authority to execute and deliver this Guaranty and to perform its obligations hereunder. If Guarantor is not an individual: (i) Guarantor is duly organized, validly existing and in good standing under the laws of the state of its formation, and (ii) the execution, delivery and performance of this Guaranty by Guarantor has been duly and validly authorized and the person(s) signing this Guaranty on Guarantor's behalf has been validly authorized and directed to sign this Guaranty.

(b) Valid and Binding Obligation. (c) No Conflict with Other Agreement. Guarantor's execution, delivery and performance of this Guaranty will not (i) violate Guarantor's organizational documents if Guarantor is not an individual, (ii) result in the breach of, or conflict with, or result in the acceleration of, any obligation under any guaranty, indenture, credit facility or other instrument to which Guarantor or any of its assets may be subject, or (iii) violate any order, judgment or decree to which Guarantor or any of its assets is subject.

(d) No Pending Litigation. No action, suit, proceeding or investigation, judicial, administrative or otherwise (including without limitation any reorganization, bankruptcy, insolvency or similar proceeding), currently is pending or, to the best of Guarantor's knowledge, threatened against Guarantor which, either in any one instance or in the aggregate, may have a material, adverse effect on Guarantor's ability to perform its obligations under this Guaranty.

(e) Consideration. Guarantor owns a direct or indirect interest in Borrower and will derive substantial benefit from the Loan to Borrower.

(f) Financial Condition. ERC currently is solvent and will not be rendered insolvent by providing this Guaranty. No change that would have a Material Adverse Effect has occurred with respect to the ERC since the date of its most recent financial statements submitted to Lender, other than has been disclosed in writing to Lender and acknowledged by Lender. For purposes hereof, "Material Adverse Effect" shall mean with respect to any circumstance, act, condition or event of whatever nature (including any adverse determination in any litigation, arbitration, or governmental investigation or proceeding), whether singly or in conjunction with any other event, act, condition circumstances, whether or not related, in Lender's reasonable judgment, a material adverse change in, or a materially adverse effect upon (a) the business, operations, prospects or financial condition of ERC; or (b) the ability of ERC to perform its obligations under any Loan Document to which it is a party.

ARTICLE 5

5.02 Entire Agreement; Modification. This Guaranty is the entire agreement between the parties hereto with respect to the subject matter hereof, and supersedes and replaces all prior discussions, representations, communications and agreements (oral or written). This Guaranty shall not be modified, supplemented, or terminated, nor any provision hereof waived, except by a written instrument signed by the party against whom enforcement thereof is sought, and then only to the extent expressly set forth in such writing.

5.03 Binding Effect; Joint and Several Obligations. This Guaranty is binding upon and inures to the benefit of Guarantors, Lender and their respective heirs, executors, legal representatives, successors, and assigns, whether by voluntary action of the parties or by operation of law. No Guarantor may delegate or transfer its obligations under this Guaranty. If there is more than one Guarantor, each Guarantor shall be jointly and severally liable hereunder.

5.04 Unenforceable Provisions. Any provision of this Guaranty which is determined by a court of competent jurisdiction or government body to be invalid, unenforceable or illegal shall be ineffective only to the extent of such determination and shall not affect the validity, enforceability or legality of any other provision, nor shall such determination apply in any circumstance or to any party not controlled by such determination.

5.05 Duplicate Originals; Counterparts. This Guaranty may be executed in any number of duplicate originals, and each duplicate original shall be deemed to be an original. This Guaranty (and each duplicate original) also may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed Guaranty even though all signatures do not appear on the same document.

5.06 Construction of Certain Terms. Defined terms used in this Guaranty may be used interchangeably in singular or plural form, and pronouns shall be construed to cover all genders. Article and section headings are for convenience only and shall not be used in interpretation of this Guaranty. The words "herein," "hereof" and "hereunder" and other words of similar import refer to this Guaranty as a whole and not to any particular section, paragraph or other subdivision; and the word "section" refers to the entire section and not to any particular subsection, paragraph or other subdivision; and "**Guaranty**" and each of the Loan Documents referred to herein mean the agreement as originally executed and as hereafter modified, supplemented, extended, consolidated, or restated from time to time.

5.07 Governing Law. This Guaranty shall be interpreted and enforced according to the laws of the State of Colorado (excluding any choice of law rules that may direct the application of the laws of another jurisdiction).

5.08 Consent to Jurisdiction. Each Guarantor irrevocably consents and submits to the exclusive jurisdiction and venue of any state or federal court sitting in the county and state where the Property is located with respect to any legal action arising with respect to this Guaranty and waives all objections which it may have to such jurisdiction and venue.

5.09 WAIVER OF JURY TRIAL. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH GUARANTOR WAIVES AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS GUARANTY.

5.10 WAIVER OF AUTOMATIC STAY. GUARANTOR HEREBY AGREES THAT, IN CONSIDERATION OF LENDER'S AGREEMENT TO MAKE THE LOAN AND IN RECOGNITION THAT THE FOLLOWING COVENANT IS A MATERIAL INDUCEMENT FOR LENDER TO MAKE THE LOAN, IN THE EVENT THAT GUARANTOR SHALL (A) FILE WITH ANY BANKRUPTCY COURT OF COMPETENT JURISDICTION OR BE THE SUBJECT OF ANY PETITION UNDER

ANY SECTION OR CHAPTER OF TITLE 11 OF THE UNITED STATES CODE, AS AMENDED ("BANKRUPTCY CODE"), OR SIMILAR LAW OR STATUTE, (B) BE THE SUBJECT OF ANY ORDER FOR RELIEF ISSUED UNDER THE BANKRUPTCY CODE OR SIMILAR LAW OR STATUTE, (C) FILE OR BE THE SUBJECT OF ANY PETITION SEEKING ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY, OR OTHER RELIEF FOR DEBTORS, (D) HAVE SOUGHT OR CONSENTED TO OR ACQUIESCED IN THE APPOINTMENT OF ANY TRUSTEE, RECEIVER, CONSERVATOR, OR LIQUIDATOR, OR (E) BE THE SUBJECT OF AN ORDER, JUDGMENT OR DECREE ENTERED BY ANY COURT OF COMPETENT JURISDICTION APPROVING A PETITION FILED AGAINST GUARANTOR FOR ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY OR RELIEF FOR DEBTORS, THEN, SUBJECT TO APPLICABLE LAW (INCLUDING WITHOUT LIMITATION, COMMON LAW OR STATUTORY FIDUCIARY DUTIES), LENDER SHALL THEREUPON BE ENTITLED, AND GUARANTOR HEREBY IRREVOCABLY CONSENTS TO, AND WILL NOT CONTEST, AND AGREES TO STIPULATE TO RELIEF FROM, ANY AUTOMATIC STAY OR OTHER INJUNCTION IMPOSED BY SECTION 362 OF THE BANKRUPTCY CODE, OR SIMILAR LAW OR STATUTE (INCLUDING, WITHOUT LIMITATION, RELIEF FROM ANY EXCLUSIVE PERIOD SET FORTH IN SECTION 1121 OF THE BANKRUPTCY CODE) OR OTHERWISE, ON OR AGAINST THE EXERCISE OF THE RIGHTS AND REMEDIES OTHERWISE AVAILABLE TO LENDER AS PROVIDED IN THIS AGREEMENT AND/OR THE LOAN DOCUMENTS, AND AS OTHERWISE PROVIDED BY LAW, AND GUARANTOR HEREBY IRREVOCABLY WAIVES GUARANTOR'S RIGHTS TO OBJECT TO SUCH RELIEF.

PROMISSORY NOTE

\$83,000,000.00

Littleton, Colorado
March 27 2006

FOR VALUE RECEIVED, the undersigned LITTLETON CAMPUS, LLC, a Maryland limited liability company, having an address at 701 Maiden Choice Lane, Catonsville, MD 21228 (the **"Borrower"**), hereby promises to pay to the order of GMAC COMMERCIAL MORTGAGE CORPORATION, a California corporation, having an address at 200 Witmer Road, Horsham, Pennsylvania 19044-0809, together with its successors and assigns or, if this Note has then been endorsed "to bearer," to the bearer of this Note (collectively the **"Lender"**), at Lender's said address or at such other place or to such other person as may be designated in writing to Borrower by Lender, the principal sum of Eighty Three Million and 00/100 Dollars (\$83,000,000.00) (the **"Loan"**) or so much thereof as shall be advanced or re-advanced pursuant to the terms of a certain construction loan agreement of even date herewith by and between Borrower and Lender (the **"Loan Agreement"**), together with interest on the unpaid balance thereof at the rate hereinafter set forth.

ON THE TERMS AND SUBJECT TO THE CONDITIONS which are hereinafter set forth:

Section 1. Interest Rate.

1.1 Initial Note Rate and Initial Payment. Interest shall accrue on the outstanding principal balance of the Loan from and after the date hereof (**"Closing Date"**) at the rate of seven and five eighths percent (7.625%) per annum (**"Initial Note Rate"**) until the last day of the month prior to the first Note Rate Adjustment Date (as defined below). Interest for the period beginning on the Closing Date and ending on and including the last day of the month in which this Note is dated shall be due and payable on the date hereof (**"Initial Interest Period"**).

1.2 Calculation Basis; Interest Accrual Period. Interest on the outstanding principal balance of the Loan shall be calculated utilizing a 365 day year and shall be paid for the actual number of days elapsed for any whole or partial month in which interest is being calculated. Except for the Initial Interest Period, interest shall accrue at the Note Rate, from the period beginning on the first (1st) day of the month prior to the Payment Date (defined in Section 2.1 below), through and including the last day of the month immediately prior to such Payment Date (each an **"Interest Accrual Period"**).

1.3 Default Interest Rate. If Borrower fails to make any payment of principal, interest or fees on the date on which such payment becomes due and payable (taking into account any applicable grace, notice and/or cure periods) whether at maturity or by acceleration, or if an Event of Default exists, the Note Rate then payable on the Loan shall immediately increase to the Note Rate plus five hundred (500) basis points (the **"Default Rate"**) and shall continue to accrue at the Default Rate until full payment is received or such Event of Default is cured or waived in writing by Lender. Interest at the Default Rate shall also accrue on any judgment obtained by

Lender in connection with collection of the Loan or enforcement of any obligations due under the Loan Documents until such judgment is paid in full.

1.4 Note Rate and Note Rate Adjustment Dates. The “**Note Rate**” shall mean an interest rate which is the average of London Interbank Offered Rates (“**LIBOR**”), in U.S. dollar deposits, for a term of one month determined solely by Lender on each Note Rate Adjustment Date (defined below) plus two and three quarters percent (2.75%) (“**Margin**”), which combined figure shall be rounded upwards to the nearest one-eighth percent (.125%). On each Note Rate Adjustment Date, Lender will obtain the close-of-business LIBOR from “Page 3750” on the Telerate Service (or such other page as may replace Page 3750 on that service) on the Note Rate Adjustment Date. If Telerate Service ceases publication or ceases to publish LIBOR, Lender shall select a comparable publication to determine the LIBOR and provide notice thereof to Borrower. LIBOR may or may not be the lowest rate based upon the market for U.S. dollar deposits in the London Interbank Eurodollar Market at which Lender prices loans on the date on which LIBOR is determined by Lender as set forth above. Adjustments to the Note Rate in connection with changes in LIBOR shall be determined two (2) Business Days prior to the beginning of any Interest Accrual Period and shall become effective at the beginning of such Interest Accrual Period (each “**Note Rate Adjustment Date**”) except that the Initial Note Rate shall be determined two (2) Business Days prior to the Closing Date.

1.5 Adjustments due to Calculation Errors. This Note shall bear interest at the Initial Note Rate and Note Rate as determined in accordance with the provisions hereof; provided, however, that, if Lender at any time determines, in the sole but reasonable exercise of its discretion that it has miscalculated the amount of the monthly payment of principal and/or interest (whether because of a miscalculation of the Initial Note Rate, the Note Rate or otherwise), Lender shall give notice to Borrower of the corrected amount of such monthly payment (and the corrected amount of the Note Rate, if applicable) and (a) if the corrected amount of such monthly payment represents an increase thereof, Borrower shall, within ten (10) calendar days after the date of such notice, pay to Lender any sums that Borrower would have otherwise been obligated under this Note to pay to Lender had the amount of such monthly payment not been miscalculated or (b) if the corrected amount of such monthly payment represents a decrease thereof, and Borrower is not in breach or default under any of the terms and provisions of the Note, the Loan Agreement or any of the other Loan Documents, Borrower shall, within ten (10) calendar days thereafter be paid the sums that Borrower would not have otherwise been obligated to pay to Lender had the amount of such monthly payment not been miscalculated.

1.6 LIBOR Unascertainable. Lender’s obligation to maintain interest based on LIBOR shall be suspended and the Note Rate shall be based on the Interest Rate Index (as defined below) plus Margin upon Lender’s determination, in good faith, that adequate and reasonable means do not exist for ascertaining LIBOR or that a contingency has occurred which materially and adversely affects the London Interbank Eurodollar Market at which Lender prices loans (which determination by Lender shall be conclusive and binding on Borrower in the absence of manifest error). Computation of the Note Rate based on the Interest Rate Index shall continue until Lender determines that the circumstances giving rise to Lender’s substitution of the Interest Rate Index for LIBOR no longer exists and Lender shall promptly notify Borrower of such determination. For purposes hereof “**Interest Rate Index**” shall mean the weekly average

yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board forty-five (45) days prior to each Note Rate Adjustment Date.

1.7 Adjustment for Impositions on Loan Payments. All payments made by Borrower under the Loan Documents shall be made free and clear of, and without deduction or withholding for or on account of, any income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, hereafter imposed, levied, collected, withheld or assessed by any governmental or taxing authority (other than taxes on the overall net income or overall gross receipts of Lender imposed as a result of a present or former connection between Lender and the jurisdiction of the government or taxing authority imposing such taxes, provided, however, that this exclusion shall not apply to a connection arising solely from Lender's having executed, delivered, performed its obligations under, received a payment under, or enforced any of the Loan Documents). If any such amounts are required to be withheld from amounts payable to Lender, the amounts payable to Lender under these Loan Documents shall be increased to the extent necessary to yield to Lender, after payment of such amounts, interest or any such other amounts payable at the rates or in the amounts specified herein. If any such amounts are payable by Borrower, Borrower shall pay all such amounts by their due date and shall promptly send Lender a certified copy of an original official receipt showing payment thereof. If Borrower fails to pay such amounts when due or to deliver the required receipt to Lender, Borrower shall indemnify Lender for any incremental taxes, interest or penalties that may become payable by Lender as a result of any such failure.

1.8 Increased Costs of Maintaining Interest. Borrower shall pay to Lender all Funding Losses (as hereinafter defined) incurred from time to time by Lender upon demand. Lender shall deliver to Borrower a statement for any such sums to which Lender is entitled to receive pursuant to this Section 1.8, which statement shall be binding and conclusive absent manifest error. Payment of Funding Losses hereunder shall be in addition to any obligation to pay any other fee in circumstances where such fee(s) would be due and owing under the Loan Documents. For purposes hereof, "**Funding Losses**" shall mean the reduction of any amounts received or receivable from Borrower, in either case, due to the introduction of, or any change in, law or applicable regulation or treaty (including the administration or interpretation thereof), whether or not having the force of law, or due to the compliance by Lender with any directive, whether or not having the force of law, or request from any central bank or domestic or foreign governmental authority.

1.9 Acceleration. Notwithstanding anything to the contrary contained herein, if Borrower is prohibited by law from paying any amount due to Lender under Section 1.7 or Section 1.8 hereof, Lender may elect to declare the unpaid principal balance of the Loan, together with all unpaid interest accrued thereon and any other amounts due hereunder, due and payable within one hundred twenty (120) days of Lender's written notice to Borrower. Lender's delay or failure in accelerating the Loan upon the discovery or occurrence of an event under Section 1.7 or Section 1.8 shall not be deemed a waiver or estoppel against the exercise of such right.

1.10 Interest Rate Hedge. Unless Borrower (or one of its affiliates on behalf of Borrower) has otherwise purchased an interest rate cap as protection against interest rate

fluctuations under the Loan reasonably acceptable to Lender, at Lender's request at any time during the term of the Loan, Borrower shall obtain, and shall assign for the benefit of Lender, an interest rate cap as protection against interest rate fluctuations under the Loan which (1) will be in effect for a term approved by Lender and shall provide for payments whenever LIBOR exceeds a strike price determined by Lender in its sole discretion, (2) shall be in a notional amount equal to the original stated principal amount of the Note and (3) shall otherwise satisfy all interest rate cap requirements of Lender then in effect.

Section 2. Note Payments, Repayment and Prepayment Rights.

2.1 Payment Dates. Commencing on May 1, 2006 and continuing on the first day of each month thereafter (each a "Payment Date"), through and including the Payment Date immediately prior to the Maturity Date, Borrower shall pay (x) monthly payments of interest at the Note Rate (in effect as of the immediately preceding Note Rate Adjustment Date) based on principal outstanding during the Interest Accrual Period immediately prior to the applicable Payment Date and (y) any amounts due under the Loan Documents including, without limitation, those amounts described in Section 2.2 below. If any Payment Date is not a Business Day, such payment shall be due and payable on the immediately preceding Business Day.

2.2 Repayments. The outstanding principal amount of this Note shall be repaid, on the fifteenth (15th) day and thirtieth (30th) day of each calendar month, from and to the extent of (a) one hundred percent (100%) of all Initial Entrance Deposits as described in the Loan Agreement, and (b) one hundred percent (100%) of all payments (principal and interest) received by the Borrower under the Working Capital Loan Documents described in the Loan Agreement. Except as otherwise set forth above, Borrower may only repay the Loan in whole or in part on any Payment Date so long as each of the following conditions are satisfied:

- (A) Borrower provides at least ten (10) days written notice to Lender of its intent to repay prior to the intended repayment date which must be a Payment Date.
- (B) Borrower pays with such repayment all accrued interest through the end of the current Interest Accrual Period and all other outstanding amounts then due and unpaid under the Loan Agreement and the other Loan Documents.
- (C) Borrower pays with such repayment all costs and expenses incurred by Lender in connection with such repayment, as determined by Lender in its sole discretion, and any other costs and expenses due and payable by Borrower under the Loan Documents.

Section 3. Application of Payments. Payments made by Borrower on account hereof shall be applied, first, toward any Late Fees (defined in Section 8.3 below) or other fees and charges due hereunder, second, toward payment of any interest due at the Default Rate, third, toward payment of any interest due at the then applicable Note Rate set forth in Section 1.4 above, and fourth, toward payment of principal. Notwithstanding the foregoing, if any advances

made by Lender under the terms of any instruments securing this Note have not been repaid, any payments made may, at the option of Lender, be applied, first, to repay such advances and interest thereon, with the balance, if any, applied as set forth in the preceding sentence.

Section 4. Maturity Date. Anything in this Note to the contrary notwithstanding, the entire unpaid balance of the principal amount hereof and all interest accrued thereon through the end of the current Interest Accrual Period and including interest accruing at the Default Rate, to and including the Maturity Date (as defined below) together with all fees, costs and amounts due and payable under the Loan Documents shall, unless sooner paid, and except to the extent that payment thereof is sooner accelerated, shall be and become due and payable on March ____, 2009, (the "**Maturity Date**"), provided that if the Maturity Date is not a Business Day, such payment shall be due and payable on the immediately preceding Business Day

Section 5. Extension of Maturity Date.

- (i) Extension Option. Borrower has the right to extend the Maturity Date of the Loan for two (2) additional terms (each an "**Extension Term**"), with the first additional term having twenty-four (24) months ("**First Extension Term**") and extending the Maturity Date to March ____, 2011 ("**First Extended Maturity Date**"), and the second additional term having twenty-four (24) months ("**Second Extension Term**") and extending the First Extended Maturity Date to March ____, 2013 ("**Second Extended Maturity Date**"). Upon Borrower's proper and timely exercise of its rights under this Section 5, the term "**Maturity Date**" shall be deemed to be the First Extended Maturity Date and, as applicable, the Second Extended Maturity Date.
- (ii) Conditions Precedent to Maturity Date Extension. Each of the following conditions must be satisfied in a manner acceptable to Lender (or waived in writing by Lender) as a condition precedent to extension of the Maturity Date:
 - (A) Borrower delivers written notice to Lender not more than sixty (60) days and not less than thirty (30) days prior to the expiring Maturity Date advising that Borrower is exercising its Extension Option.
 - (B) Construction of each Construction Phase (as described in the Loan Agreement) has been or is being completed in accordance with the Plans and Specifications (as described in the Loan Agreement) and Projected Completion Costs (as described in the Loan Agreement) as approved in all respects by Lender and the Construction Inspector (as defined in the "Loan Agreement").

- (C) Borrower has timely satisfied all requirements and conditions for the final advance for each Construction Phase as more particularly described in Article V and Schedule II of the Loan Agreement.
 - (D) No Event of Default exists and no event or condition exists that would be an Event of Default if notice had been given or applicable grace/cure periods had expired (or both), as of the date Borrower exercises such extension option and as of the commencement date of the relevant Extension Term.
 - (E) Borrower provides evidence, acceptable to Lender, that the sum of all Initial Entrance Deposits (as defined in Section 2.2 above) received by Borrower on or before the Maturity Date is no less than ninety percent (90%) of the sum of Initial Entrance Deposits at the Maturity Date shown on Borrower's final cash flow pro-forma projections for the Project (as defined in the Loan Agreement) as submitted and approved by Lender on or prior to the date hereof.
 - (F) Borrower executes and delivers to Lender an amendment to this Note, acceptable to Lender in all respects, which confirms the date to which the Maturity Date has been extended, the principal and interest amounts payable during the Extension Term, payment of the Usage Fee (described in Section 11 below) and such other matters as Lender may require.
 - (G) Borrower reimburses Lender for all costs reasonably incurred by Lender in processing the extension request, including, without limitation, reasonable legal fees.
- (iii) Commencing on the first Payment Date occurring during the Extension Term and continuing on each Payment Date thereafter, through and including the Payment Date immediately prior to the Maturity Date, Borrower shall make monthly payments consisting of accrued interest at the applicable Note Rate based on principal outstanding during the Interest Accrual Period, except for purposes of calculating the Note Rate for the Extension Term, the Margin shall be adjusted to reflect Lender's underwriting and pricing criteria then in effect for new loan originations as determined by Lender in its sole discretion.

Section 6. Delivery of Payments. All payments due to Lender under the Loan Documents are to be paid in immediately available funds to Lender at Lender's office located at 200 Witmer Road, P.O. Box 809, Horsham, Pennsylvania 19044, Attn: Servicing - Accounting

Manager, or at such other place as Lender may designate to Borrower in writing from time to time. All amounts due under the Loan Documents shall be paid without setoff, counterclaim or any other deduction whatsoever. No payment due under this Note or any of the other Loan Documents shall be deemed paid to Lender until received by Lender at its designated office on a Business Day prior to 2:00 p.m. Eastern Standard Time. Any payment received after the time established by the preceding sentence shall be deemed to have been paid on the immediately following Business Day. Each payment that is paid to Lender within ten (10) days prior to the date on which such payment is due, and prior to its scheduled Payment Date, shall not be deemed a prepayment and shall be deemed to have been received on the Payment Date solely for the purpose of calculating interest due. If any payment received by Lender is deemed by a court of competent jurisdiction to be a voidable preference or fraudulent conveyance under any bankruptcy, insolvency or other debtor relief law, and is required to be returned by Lender, then the obligation to make such payment shall be reinstated, notwithstanding that the Note may have been marked satisfied and returned to Borrower or otherwise canceled, and such payment shall be immediately due and payable upon demand.

Section 7. Security.

The debt evidenced by this Note is to be secured by, among other things, (a) a Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing (collectively, the **"Deed of Trust"**) of even date herewith by Borrower for the benefit of Lender, and intended to be recorded in the office of the land records of, Douglas County, Colorado, covering certain real property which is described in Exhibit "A" to the Deed of Trust, and (b) a Guaranty (Full Payment and Performance) of even date herewith (the **"Guaranty Agreement"**), given by Erickson Retirement Communities, LLC, a Maryland limited liability company and Erickson Group, LLC, a Maryland limited liability company (individually and collectively, the **"Guarantor"**), for the benefit of Lender.

Section 8. Default.

8.1 Events of Default. Anything in this Note to the contrary notwithstanding, on the occurrence of any of the following events (each of which is referred to herein, together with each of the Events of Default defined and described in the Loan Agreement and the Deed of Trust as an **"Event of Default"**), Lender may, in the exercise of its sole and absolute discretion, accelerate the debt evidenced by this Note, in which event the entire outstanding principal balance and all interest and fees accrued thereon shall immediately be and become due and payable without further notice:

8.1.1 Failure to Pay or Perform. If (a) any payment of principal and interest is not paid in full on or before the Payment Date on which such payment is due, and such failure continues for five (5) days after the applicable Payment Date, (b) if unpaid principal, accrued but unpaid interest and all other amounts outstanding under the Loan Documents (defined below) are not paid in full on or before the Maturity Date or (c) there exists an uncured default under any other document or instrument evidencing or securing the Loan (collectively, the **"Loan Documents"**) which has been executed by Borrower and/or Guarantor or any other party to the Loan Documents, and such default is not cured within the grace or cure period, if any, provided in any of such Loan Documents.

8.1.2 Bankruptcy.

(a) If Borrower or Guarantor (i) applies for or consents to the appointment of a receiver, trustee or liquidator of Borrower or Guarantor, as the case may be, or of all or a substantial part of its assets, (ii) files a voluntary petition in bankruptcy, or admits in writing its inability to pay its debts as they come due, (iii) makes an assignment for the benefit of creditors, (iv) files a petition or an answer seeking a reorganization or an arrangement with creditors or seeking to take advantage of any insolvency law, (v) performs any other act of bankruptcy, or (vi) files an answer admitting the material allegations of a petition filed against Borrower or Guarantor in any bankruptcy, reorganization or insolvency proceeding; or

(b) if (i) an order, judgment or decree is entered by any court of competent jurisdiction adjudicating Borrower or Guarantor a bankrupt or an insolvent, or approving a receiver, trustee or liquidator of Borrower or Guarantor or of all or a substantial part of its assets, or (ii) there otherwise commences with respect to Borrower or Guarantor or any of its assets any proceeding under any bankruptcy, reorganization, arrangement, insolvency, readjustment, receivership or like law or statute, and if such order, judgment, decree or proceeding continues unstayed for any period of sixty (60) consecutive days after the expiration of any stay thereof.

8.1.3 Judgments. If any judgment for the payment of money in excess of \$100,000.00 hereafter awarded against Borrower or Guarantor by any court of competent jurisdiction remains unsatisfied or otherwise in force and effect for a period of thirty (30) days after the date of such award.

8.2 No Impairment of Rights. Nothing in this Section shall be deemed in any way to alter or impair any right which Lender has under this Note or the Deed of Trust, or any other Loan Documents, or at law or in equity, to accelerate such debt on the occurrence of any other Event of Default provided herein or therein, whether or not relating to this Note.

8.3 Late Fees. Without limiting the generality of the foregoing provisions of this Section, if any payment due on a Payment Date is not received in full on or before the Payment Date, Borrower shall pay to Lender, immediately and without demand, a late payment charge, for each month during which such payment delinquency exists, equal to five percent (5%) of such amount ("**Late Fees**") to defray the expenses incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of use of such delinquent payment.

Section 9. Costs of Enforcement. Borrower shall pay to Lender on demand the amount of any and all expenses incurred by Lender (a) in enforcing its rights hereunder or under the Deed of Trust and/or the Loan Documents, (b) as the result of the occurrence of an Event of Default by Borrower in performing its obligations under this Note, including but not limited to the expense of collecting any amount owed hereunder, and of any and all reasonable attorneys' fees incurred by Lender in connection with such default, whether suit be brought or not, and (c) in protecting the security for the Loan and Borrower's obligations under the Loan Documents.

Such expenses shall be added to the principal amount hereof, shall be secured by the Deed of Trust and shall accrue interest at the Default Rate.

Section 10. Borrower's Waiver of Certain Rights. Borrower and any endorser, guarantor or surety hereby waives the exercise of any and all exemption rights which it holds at law or in equity with respect to the debt evidenced by this Note, and of any and all rights which it holds at law or in equity to require any valuation, appraisal or marshalling, or to have or receive any presentment, protest, demand and notice of dishonor, protest, demand and nonpayment as a condition to Lender's exercise of any of its rights under this Note or the Loan Documents.

Section 11. Usage Fee. Commencing with the third (3rd) year of the Loan and continuing during each Extension Term, Borrower shall pay to Lender, on an annual basis in arrears, an amount equal to one eighth of one percent (.125%) of the outstanding principal balance of the Loan ("Usage Fee") and Lender's calculation of such Usage Fee shall be deemed conclusive absent manifest error.

Section 12. General.

12.1 Applicable Law. This Note shall be given effect and construed by application of the laws of the State of Colorado (without regard to the principles thereof governing conflicts of laws), and any action or proceeding arising hereunder, and each of Lender and Borrower submits (and waives all rights to object) to non-exclusive personal jurisdiction in the State of Colorado, for the enforcement of any and all obligations under the Loan Documents except that if any such action or proceeding arises under the Constitution, laws or treaties of the United States of America, or if there is a diversity of citizenship between the parties thereto, so that it is to be brought in a United States District Court, it shall be brought in the United States District Court for the District of Colorado or any successor federal court having original jurisdiction.

12.2 Headings. The headings of the Sections, subsections, paragraphs and subparagraphs hereof are provided herein for and only for convenience of reference, and shall not be considered in construing their contents.

12.3 Construction. As used herein, (a) the term "**person**" means a natural person, a trustee, a corporation, a limited liability company, a partnership and any other form of legal entity, and (b) all references made (i) in the neuter, masculine or feminine gender shall be deemed to have been made in all such genders, (ii) in the singular or plural number shall be deemed to have been made, respectively, in the plural or singular number as well, and (iii) to any Section, subsection, paragraph or subparagraph shall, unless therein expressly indicated to the contrary, be deemed to have been made to such Section, subsection, paragraph or subparagraph of this Note.

12.4 Severability. No determination by any court, governmental body or otherwise that any provision of this Note or any amendment hereof is invalid or unenforceable in any instance shall affect the validity or enforceability of (a) any other such provision or (b) such provision in any circumstance not controlled by such determination. Each such provision shall

be valid and enforceable to the fullest extent allowed by, and shall be construed wherever possible as being consistent with, applicable law.

12.5 No Waiver. Lender shall not be deemed to have waived the exercise of any right which it holds hereunder unless such waiver is made expressly and in writing. No delay or omission by Lender in exercising any such right (and no allowance by Lender to Borrower of an opportunity to cure a default in performing its obligations hereunder) shall be deemed a waiver of its future exercise. No such waiver made as to any instance involving the exercise of any such right shall be deemed a waiver as to any other such instance, or any other such right. Further, acceptance by Lender of all or any portion of any sum payable under, or partial performance of any covenant of, this Note, the Deed of Trust or any of the other Loan Documents, whether before, on, or after the due date of such payment or performance, shall not be a waiver of Lender's right either to require prompt and full payment and performance when due of all other sums payable or obligations due thereunder or hereunder or to exercise any of Lender's rights and remedies hereunder or thereunder.

12.6 Waiver of Jury Trial; Service of Process; Court Costs. **BORROWER AND LENDER HEREBY WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH BORROWER AND LENDER MAY BE PARTIES ARISING OUT OF, IN CONNECTION WITH, OR IN ANY WAY PERTAINING TO, THIS NOTE AND/OR ANY OF THE OTHER LOAN DOCUMENTS. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE. THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE BY BORROWER, UPON CONSULTATION WITH COUNSEL OF BORROWER'S CHOICE, AND BORROWER HEREBY REPRESENTS THAT NO REPRESENTATIONS OF FACT OR OPINION HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR TO IN ANY WAY MODIFY OR NULLIFY ITS EFFECT. BORROWER FURTHER REPRESENTS AND WARRANTS THAT IT HAS BEEN REPRESENTED IN THE SIGNING OF THIS NOTE AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, OR HAS HAD THE OPPORTUNITY TO BE REPRESENTED BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT IT HAS HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL. BORROWER HEREBY IRREVOCABLY DESIGNATES THE CORPORATION COMPANY, AS THE TRUE AND LAWFUL ATTORNEY OF BORROWER FOR THE PURPOSE OF RECEIVING SERVICE OF ALL LEGAL NOTICES AND PROCESS ISSUED BY ANY COURT IN THE STATE OF COLORADO AS WELL AS SERVICE OF ALL PLEADINGS AND OTHER DOCUMENTS RELATED TO ANY LEGAL PROCEEDING OR ACTION ARISING OUT OF THIS NOTE. BORROWER AGREES THAT SERVICE UPON THE CORPORATION COMPANY SHALL BE VALID REGARDLESS OF BORROWER'S WHEREABOUTS AT THE TIME OF SUCH SERVICE AND REGARDLESS OF WHETHER BORROWER RECEIVES A COPY OF SUCH SERVICE, PROVIDED THAT LENDER SHALL HAVE MAILED A COPY TO BORROWER IN ACCORDANCE WITH THE NOTICE PROVISIONS HEREIN. BORROWER AGREES TO PAY ALL COURT COSTS AND REASONABLE**

ATTORNEY'S FEES INCURRED BY LENDER IN CONNECTION WITH ENFORCING ANY PROVISION OF THIS NOTE. NOTWITHSTANDING THE FOREGOING, LENDER AGREES TO USE REASONABLE EFFORTS TO PROVIDE BORROWER WITH NOTICE OF THE FILING OF ANY LAWSUIT BY LENDER AGAINST BORROWER.

12.7 Offset. Upon the occurrence of an Event of Default, Lender may set-off against any principal and interest owing hereunder, any and all credits, money, stocks, bonds or other security or property of any nature whatsoever on deposit with, or held by, or in the possession of, Lender, to the credit of or for the account of Borrower, without notice to or consent of Borrower or Guarantor.

12.8 Non-Exclusivity of Rights and Remedies. None of the rights and remedies herein conferred upon or reserved to Lender is intended to be exclusive of any other right or remedy contained herein or in any of the other Loan Documents and each and every such right and remedy shall be cumulative and concurrent, and may be enforced separately, successively or together, and may be exercised from time to time as often as may be deemed necessary or desirable by Lender.

12.9 Incorporation by Reference. All of the agreements, conditions, covenants and provisions contained in each of the Loan Documents are hereby made a part of this Note to the same extent and with the same force and effect as if they were fully set forth herein. Borrower covenants and agrees to keep and perform, or cause to be kept and performed, all such agreements, conditions, covenants and provisions strictly in accordance with their terms.

12.10 Joint and Several Liability. [INTENTIONALLY DELETED]

12.11 Business Purpose. Borrower represents and warrants that the Loan evidenced by this Note is being obtained solely for the purpose of acquiring or carrying on a business, professional or commercial activity and is not for personal, agricultural, family or household purposes.

12.12 Interest Limitation. Notwithstanding anything to the contrary contained herein or in the Deed of Trust or in any other of the Loan Documents, the effective rate of interest on the obligation evidenced by this Note shall not exceed the lawful maximum rate of interest permitted to be paid. Without limiting the generality of the foregoing, in the event that the interest charged hereunder results in an effective rate of interest higher than that lawfully permitted to be paid, then such charges shall be reduced by the sum sufficient to result in an effective rate of interest permitted and any amount which would exceed the highest lawful rate already received and held by Lender shall be applied to a reduction of principal and not to the payment of interest. Borrower agrees that for the purpose of determining highest rate permitted by law, any non-principal payment (including, without limitation, Late Fees and other fees) shall be deemed, to the extent permitted by law, to be an expense, fee or premium rather than interest.

12.13 Modification. This Note may be modified, amended, discharged or waived only by an agreement in writing signed by the party against whom enforcement of such modification, amendment, discharge or waiver is sought.

12.14 Time of the Essence. Time is strictly of the essence of this Note.

12.15 Negotiable Instrument. Borrower agrees that this Note shall be deemed a negotiable instrument, even though this Note may not otherwise qualify, under applicable law, absent this paragraph, as a negotiable instrument.

12.16 Interest Rate After Judgment. If judgment is entered against Borrower on this Note, the amount of the judgment entered (which may include principal, interest, fees, Late Fees and costs) shall bear interest at the Default Rate, to be determined on the date of the entry of the judgment.

12.17 Relationship. Borrower and Lender intend that the relationship between them shall be solely that of creditor and debtor. Nothing contained in this Note or in any of the other Loan Documents shall be deemed or construed to create a partnership, tenancy-in-common, joint tenancy, joint venture or co-ownership by or between Borrower and Lender.

12.18 Waiver of Automatic Stay. **BORROWER HEREBY AGREES THAT, IN CONSIDERATION OF LENDER'S AGREEMENT TO MAKE THE LOAN AND IN RECOGNITION THAT THE FOLLOWING COVENANT IS A MATERIAL INDUCEMENT FOR LENDER TO MAKE THE LOAN, IN THE EVENT THAT BORROWER SHALL (A) FILE WITH ANY BANKRUPTCY COURT OF COMPETENT JURISDICTION OR BE THE SUBJECT OF ANY PETITION UNDER ANY SECTION OR CHAPTER OF TITLE 11 OF THE UNITED STATES CODE, AS AMENDED (THE "BANKRUPTCY CODE") , OR SIMILAR LAW OR STATUTE; (B) BE THE SUBJECT OF ANY ORDER FOR RELIEF ISSUED UNDER THE BANKRUPTCY CODE OR SIMILAR LAW OR STATUTE; (C) FILE OR BE THE SUBJECT OF ANY PETITION SEEKING ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY, OR OTHER RELIEF FOR DEBTORS; (D) HAVE SOUGHT OR CONSENTED TO OR ACQUIESCED IN THE APPOINTMENT OF ANY TRUSTEE, RECEIVER, CONSERVATOR, OR LIQUIDATOR; OR (E) BE THE SUBJECT OF AN ORDER, JUDGMENT OR DECREE ENTERED BY ANY COURT OF COMPETENT JURISDICTION APPROVING A PETITION FILED AGAINST ANY BORROWER FOR ANY REORGANIZATION, ARRANGEMENT, COMPOSITION, READJUSTMENT, LIQUIDATION, DISSOLUTION, OR SIMILAR RELIEF UNDER ANY PRESENT OR FUTURE FEDERAL OR STATE ACT OR LAW RELATING TO BANKRUPTCY, INSOLVENCY OR RELIEF FOR DEBTORS, THEN, TO THE EXTENT PERMITTED BY APPLICABLE LAW AND SUBJECT TO COURT APPROVAL, LENDER SHALL THEREUPON BE ENTITLED, AND BORROWER HEREBY IRREVOCABLY CONSENTS TO, AND WILL NOT CONTEST, AND AGREES TO STIPULATE TO, RELIEF FROM ANY AUTOMATIC STAY OR OTHER INJUNCTION IMPOSED BY SECTION 362 OF THE BANKRUPTCY CODE OR SIMILAR LAW OR STATUTE (INCLUDING, WITHOUT LIMITATION, RELIEF FROM ANY EXCLUSIVE PERIOD SET FORTH IN SECTION 1121 OF THE BANKRUPTCY CODE) OR OTHERWISE, ON OR AGAINST THE EXERCISE OF THE RIGHTS AND REMEDIES OTHERWISE AVAILABLE TO LENDER AS**

PROVIDED IN THE LOAN DOCUMENTS, AND AS OTHERWISE PROVIDED BY LAW, AND BORROWER HEREBY IRREVOCABLY WAIVES ITS RIGHTS TO OBJECT TO SUCH RELIEF.

12.19 “Business Day”. Any reference to the term Business Day in this Note shall mean any day other than a Saturday, a Sunday, or days when Federal Banks located in the State of New York or Commonwealth of Pennsylvania are closed for a legal holiday or by government directive. When used with respect to the Note Rate Adjustment Date, “Business Day” shall mean a day upon which United States dollar deposits may be dealt in on the London and New York City interbank markets and commercial banks and foreign exchange markets are open in London and New York City.

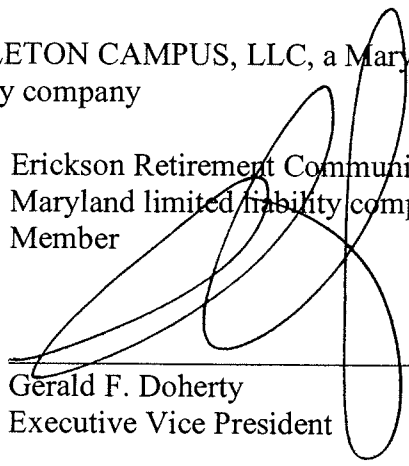

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Borrower has executed and sealed this Note or caused it to be executed and sealed on its behalf by its duly authorized representatives, the day and year first above written, and the obligations under this Note shall be binding upon Borrower's successors and assigns.

SUBORDINATION AGREEMENT
(Wind Crest, Inc.)

THIS SUBORDINATION AGREEMENT (the "Agreement") is made as of the 29th day of March, 2006 in favor of GMAC COMMERCIAL MORTGAGE CORPORATION, a California corporation ("Lender"), by LITTLETON CAMPUS, LLC, a Maryland limited liability company (the "Borrower"), ERICKSON RETIREMENT COMMUNITIES, LLC, a Maryland limited liability company ("ERC"), and ERICKSON GROUP, LLC, a Maryland limited liability company ("EG"), (Erickson and EG being hereinafter collectively referred to as the "Guarantors"), and WIND CREST, INC., a Maryland nonstock corporation ("WC") (WC being hereinafter sometimes referred to as the "Creditor").

RECITALS

A. The Borrower has requested a revolving construction loan up to \$83,000,000.00 (the "Loan") from Lender, pursuant to the terms of a Construction Loan Agreement between Lender and the Borrower dated of even date herewith (the "Loan Agreement"). The Loan is evidenced by a Promissory Note from the Borrower dated of even date herewith (the "Note"), is guaranteed by the Guarantors pursuant to a Guaranty Agreement of even date herewith (the "Guaranty") and is secured by, among other things, a Deed of Trust, Assignment of Rents and Leases, Security Agreement and Fixture Filing (the "Deed of Trust") upon property located in Douglas County, Colorado and commonly known as 3330 West County Line Road, Highlands Ranch, Colorado (the "Land") owned by the Borrower. The Borrower intends to use the proceeds of the Loan for construction of a retirement community (the "Retirement Community") on the Land. The Land is leased to WC by the Borrower, and WC has entered into an agreement with ERC for management of the Retirement Community. As used in this Agreement, (i) the term "Obligations" means all past, present, and future indebtedness, liabilities, and obligations of any nature whatsoever of the Borrower or either of the Guarantors to Lender in connection with the Loan pursuant to the terms of the Loan Agreement, the Note, the Guaranty and the "Loan Documents"; and (ii) the term "Loan Documents" shall have the meaning set forth in the Loan Agreement, and shall include, without limitation, the Loan Agreement, the Note, the Guaranty and the Deed of Trust. Capitalized terms not defined herein shall have meanings set forth in the Loan Agreement.

B. The Creditor, the Borrower and the Guarantors have various contracts, leases, loans, obligations and credit arrangements among themselves, including, but not limited to, those certain loans to be made by Creditor to the Borrower pursuant to a Community Loan Agreement dated of even date herewith (the "Community Loan Agreement") and secured by a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing on the land executed by Borrower in favor of Creditor and dated of even date herewith. As used in this Agreement, (i) the term "Subordinated Indebtedness" means all past, present and future indebtedness, liabilities, and obligations of any nature whatsoever, whether characterized as debt, equity or otherwise,

including any and all loan advances, distributions, dividends, returns of capital, preferred equity, fees, loan repayments or any other payments of any kind owing by the Borrower or any of the Guarantors to the Creditor, whether as a member or otherwise, including, but not limited to, the obligations contained in the Community Loan Documents (as that term is defined in the Community Loan Agreement); and (ii) the term "Subordinated Documents" means collectively any loan agreement, security agreement, deed of trust, mortgage, lease, collateral pledge agreement, stock pledge agreement, assignment, promissory note, guaranty, operating agreement or any other instrument or agreement previously, simultaneously, or hereafter executed and delivered by the Borrower or any other person as evidence of, security for, guarantee for, or in connection with, the Subordinated Indebtedness.

C. As a condition of making the Loan, Lender has required that the Creditor agree to subordinate its rights under the Subordinated Documents in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Payment Subordination. Any and all amounts or claims of any kind or description now or hereafter owing to the Creditor by the Borrower and/or any of the Guarantors under the Subordinated Documents shall be subordinate to any and all amounts or claims of any kind or description now or hereafter owing to Lender under the Loan Documents, and the Creditor agrees that all claims of Lender shall be paid in full before any payment may be made on all or any portion of the Subordinated Indebtedness; provided, however, that so long as (a) no Default has occurred and is continuing under the Loan Documents, and (b) no Event of Default has occurred under the Loan Documents, and except as may be otherwise prohibited in the Loan Agreement, the Borrower may (i) make payments to the Creditor when due in accordance with such of the Subordinated Documents listed on Exhibit A which have been approved by Lender and any others as may be reviewed and approved by Lender and (ii) make payments to the Creditor for services rendered in the ordinary course of business, and which are not reflected in Subordinated Documents which have been reviewed and approved by Lender, provided such services are rendered at arms-length charges. Upon the occurrence of a Default which is continuing under the Loan Documents, or upon the occurrence of an Event of Default under the Loan Documents, the Creditor agrees not to bring or take any action to enforce any claim or claims under the Subordinated Documents or to apply any security now or hereafter existing or to sue upon or collect or receive payment of, and the Borrower and the Guarantors agree not to pay to the Creditor, any such claim or claims. All sums received by the Creditor from Borrower or the Guarantors following the occurrence of a Default under the Loan Documents, including (x) payments received from the Borrower and/or the Guarantors under the Subordinated Documents, and/or (y) proceeds realized from the Creditor's exercise of its remedies under the Subordinated Documents, shall be delivered to Lender, if delivered prior to the occurrence of an Event of Default, until an Event of Default has occurred under the Loan Documents, and after the occurrence of an Event of Default to be applied first to the Obligations; provided that if any sums are delivered to Lender prior to the cure of a curable Default under the Loan Documents, Lender shall return such funds to the party entitled thereto after such Default has been cured in

accordance with the terms of the Loan Documents and unless another Default or Event of Default shall have occurred in the interim.

2. Lien Subordination. The Creditor further agrees that the Subordinated Documents and all liens and security interests created thereby are and shall be subordinate and inferior to the Loan Documents and all liens and security interests created thereby in favor of Lender.

3. Collateral Assignment. For the sole purpose of securing the performance by the Creditor of the provisions of this Agreement, the Creditor assigns, pledges, and grants to Lender a security interest in the Subordinated Indebtedness and all proceeds thereof and in the Subordinated Documents. Upon the request of Lender, the Creditor shall endorse, assign, and deliver to Lender in a manner acceptable to Lender all notes, instruments, and agreements evidencing, securing, guaranteeing, or made in connection with the Subordinated Indebtedness. In the event of the failure of the Creditor to make any such endorsement, assignment, or delivery, Lender, or any of its officers or employees, is hereby appointed attorney-in-fact of the Creditor and is irrevocably authorized to make the same. The foregoing appointment shall be deemed to be coupled with an interest and shall survive the death or disability of the Creditor.

4. Primacy of the Lender's Claims as Against the Creditor. In any insolvency, receivership, bankruptcy, liquidation, or reorganization proceeding, or any other proceeding, whether voluntary or involuntary, by or against the Borrower or any of the Guarantors under any bankruptcy or insolvency law or other laws relating to the relief of debtors, Lender's claims against the assets of the Borrower and the Guarantors shall be paid in full before any payment is made by or on behalf of the Borrower or any of the Guarantors to the Creditor. The Creditor, the Borrower and the Guarantors agree that Lender may collect the Creditor's claims directly from any trustee appointed in such proceeding. The Creditor agrees to furnish all assignments, powers or other documents requested by Lender to facilitate such direct collection by Lender.

5. Collection of Claims of the Creditor. The Creditor agrees to pay over to Lender on account of the claim or claims of Lender against the Borrower and the Guarantors any funds that may be received by the Creditor from the Borrower and/or the Guarantors, or for or on behalf of the Borrower and/or the Guarantors, at any time the Creditor is not allowed to receive and hold the same under Section 1 of this Agreement. The Creditor further agrees not to sell, assign, transfer, or endorse any of its claims under the Subordinated Documents or any of its interests in and to the Subordinated Indebtedness to anyone without the prior written consent of Lender, and not to join in any petition of bankruptcy or any assignment for the benefit of creditors, or any creditors' agreements, or to take any lien or security on any of the Borrower's or Guarantors' property at any time (other than any liens or security taken as of the date hereof).

6. Continuance of Agreement. This Subordination Agreement and the obligations of the Creditor, the Borrower and the Guarantors and the rights and privileges of Lender hereunder shall continue until payment in full of all amounts due under the Loan Documents. This Subordination Agreement shall be binding upon the personal representatives, successors and assigns of the Creditor, the Borrower and the Guarantors and shall inure to the benefit of the successors, assigns and participants of Lender.

7. Waiver. Lender shall have uncontrolled power and discretion, without notice to the Creditor, to deal in any manner with any indebtedness, liability, interest, costs and expenses payable by the Borrower and/or the Guarantors to Lender, and any security and guarantees therefor, including but not limited to release, surrender, extension, renewal, acceleration, compromise, or substitution. The Creditor hereby waives and agrees not to assert against Lender any rights which a guarantor or surety could exercise, but nothing in this Agreement shall cause the Creditor to be deemed a guarantor or surety.

8. Prepayment; Revision of Payment Terms. The Creditor shall not accept any prepayment, in whole or in part, of any amounts due to them in connection with the Subordinated Indebtedness and shall not revise the payment terms under the Subordinated Documents without the prior written consent of Lender.

9. Notice. The Creditor agrees to notify Lender within ten (10) days after the occurrence of any breach or default under the Subordinated Documents.

10. Insolvency. The insolvency or bankruptcy of the Borrower or any of the Guarantors shall not affect this Subordination Agreement and the same shall remain in full force and effect and shall constitute an assignment by the Creditor to Lender of any funds or property payable to the Creditor from the Borrower's and/or the Guarantors' assets not previously assigned to Lender.

11. Effect of Agreement. To the extent that any of the provisions contained herein are inconsistent with any provisions of the Subordinated Documents, the provisions contained in this Subordination Agreement shall govern.

12. Colorado Law. This Subordination Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Colorado (excluding principles of conflicts of law), both in interpretation and performance.

13. Agreement of Borrower and Guarantors. The Borrower and Guarantors join in this Agreement to evidence their consent hereto and agree to be bound by the terms hereof. The Borrower and Guarantors shall not take any action which would violate the provisions of this Agreement.

14. Counterparts. This document may be executed in Counterparts.
