ATTACHMENT

This claim (the "Claim") arose as a result of a risk participation by Manufacturers and Traders Trust Company ("M&T") in an interest rate swap agreement (the "Swap") entered into between PNC Bank, National Association ("PNC") and Erickson Retirement Communities, LLC ("ERC"), and PNC's subsequent pre-petition termination of the Swap. Pursuant to the Risk Participation Agreement between PNC and M&T (the "Risk Participation Agreement"), M&T is subrogated to all the rights of PNC against ERC under the governing Swap documents to the extent of M&T's Participation Percentage (as defined in the Risk Participation Agreement). The Claim is secured pursuant to the Security Agreement and related documents executed and delivered by ERC in connection with the Credit Agreement, dated July 27, 2007, as amended or modified from time to time (the "Credit Agreement"), between ERC, as one of the borrowers, and PNC in its capacity as administrative agent on behalf of the lenders under the Credit Agreement.

The Claim is supported by the attached documents and, pursuant to the Bankruptcy Court's Order Granting Joint Motion to Establish Protocol Under Federal Rules of Bankruptcy Procedure 3001 and 2019 for Filing Proofs of Claim, entered on February 8, 2010, by the documents to be submitted in support of proofs of claim filed by Wilmington Trust as PNC's successor administrative agent under the Credit Agreement and PNC's proof of claim against ERC arising under the Swap.

In addition to the amount set forth in this Proof of Claim, M&T reserves the right to collect as part of its Claim, in accordance with the terms of the governing documents and applicable law, all pre-petition and post-petition interest and other charges, including, without limitation, all attorneys' fees and expenses that accrue under the governing documents.

M&T reserves the right to supplement and/or amend this Proof of Claim from time to time and to assert an unsecured claim in this bankruptcy case to the extent that the value of the collateral is insufficient to satisfy the Claim in full amount. M&T also reserves the right to amend and/or supplement this Proof of Claim in all other respects and to add additional claims of any nature whatsoever, including but not limited to claims entitled to administrative priority.

The filing of this Proof of Claim is not an acknowledgment or admission that the Bankruptcy Court has jurisdiction over M&T's claims against any Debtor or non-Debtor entity, and M&T reserves all rights with respect thereto.

MASTER AGREEMENT

dated as of July 27, 2007

PNC BANK, NATIONAL ASSOCIATION and ERICKSON RETIREMENT COMMUNITIES,
("PNC") LLC ("OBLIGOR")

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows: --

1. Interpretation

- (a) **Definitions.** The terms defined in Section 12 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) General Conditions.

- (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
- (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant confirmation or elsewhere in this Agreement.
- (iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or potential event of default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable: —

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of branches or offices through which the parties make and receive payments or deliveries.

(d) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into) that: —

(a) **Basic Representations.**

(i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party: --

(a) **Furnish Specified Information.** It will deliver to the other party any forms, documents or certificates specified in the Schedule or any Confirmation by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party: --

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) or to give notice of a Termination Event) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) Credit Support Default.

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity, of such Credit Support Document;

(iv) **Misrepresentation.** A representation made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party: —

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of

an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:

--

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, and if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to (ii) below or an Additional Termination Event if the event is specified pursuant to (iii) below: --

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b) for such party (which will be the Affected Party): --

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction.

(ii) **Credit Event Upon Merger.** If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, such party ("X"), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the credit worthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(iii) **Additional Termination Event.** If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

- (c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

- (a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

- (b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iii) **Right to Terminate.** If: --

(1) an agreement under Section 6(b)(ii) has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality other than that referred to in Section 6(b)(ii), a Credit Event Upon Merger or an Additional Termination Event occurs,

either party in the case of an Illegality, any Affected Party in the case of an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

- (c) **Effect of Designation.**

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(d) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) **Calculations.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment), from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default: —

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party over (B) the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect to the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party less (B) the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) **Second Method and Loss.** If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from Termination Event: --

(1) **One Affected Party.** If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) **Two Affected Parties.** If there are two Affected Parties: --

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (1) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Unpaid Amounts owing to X less (II) the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: --

11. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably: --

(i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

(c) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdictions of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

12. Definitions

As used in this Agreement: --

"**Additional Termination Event**" has the meaning specified in Section 5(b).

"**Affected Party**" has the meaning specified in Section 5(b).

"Affected Transactions" means (a) with respect to any Termination Event consisting of an Illegality, all Transactions affected by the occurrence of such Termination Event and (b) with respect to any other Termination Event, all Transactions.

"Affiliate" means, subject to the Schedule, in relation to any person, any entity controlled, directly or indirectly, by the person, any entity that controls, directly or indirectly, the person or any entity directly or indirectly under common control with the person. For this purpose, "control" of any entity or person means ownership of a majority of the voting power of the entity or person.

"Applicable Rate" means: —

(a) in respect of obligations payable or deliverable (or which would have been but for Section 2(a)(iii)) by a Defaulting Party, the Default Rate;

(b) in respect of an obligation to pay an amount under Section 6(e) of either party from and after the date (determined in accordance with Section 6(d)(ii)) on which that amount is payable, the Default Rate;

(c) in respect of all other obligations payable or deliverable (or which would have been but for Section 2(a)(iii)) by a Non-defaulting Party, the Non-default Rate; and

(d) in all other cases, the Termination Rate.

"consent" includes a consent, approval, action, authorisation, exemption, notice, filing, registration or exchange control consent.

"Credit Event Upon Merger" has the meaning specified in Section 5(b).

"Credit Support Document" means any agreement or instrument that is specified as such in this Agreement.

"Credit Support Provider" has the meaning specified in the Schedule.

"Default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it) if it were to fund or of funding the relevant amount plus 1% per annum.

"Defaulting Party" has the meanings specified in Section 6(a).

"Early Termination Date" means the date determined in accordance with Section 6(a) or 6(b)(iii).

"Event of Default" has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

"Illegality" has the meaning specified in Section 5(b).

"law" includes any treaty, law, rule or regulation and **"lawful"** or **"unlawful"** will be construed accordingly.

"Local Business Day" means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

"Loss" means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or

any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party's legal fees and out-of-pocket expenses referred to under Section 9. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

"Market Quotation" means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

"Non-default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

"Non-defaulting Party" has the meaning specified in Section 6(a).

"Potential Event of Default" means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

"Reference Market-makers" means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding where to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

"Scheduled Payment Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Set-off" means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under

this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payers.

"Settlement Amount" means, with respect to a party and any Early Termination Date, the sum of: --

(a) the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party's Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

"Specified Entity" has the meaning specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination applies, immediately before that Early Termination Date).

"Termination Event" means an Illegality or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the fair market values reasonably determined by both parties.

- (v)
- (A) In the case of OBLIGOR: it intends and acknowledges that this Agreement, including all Transactions hereunder, shall constitute a "swap agreement" as defined in 11 U.S.C. §101(53B) as in effect on the date of this Agreement (or any successor provision of similar import).
 - (B) In the case of PNC: (1) it intends and acknowledges that this Agreement, including all Transactions hereunder, shall constitute a "qualified financial contract" and a "swap agreement," as those terms are defined in 12 U.S.C. §1821(e)(8)(D) as in effect on the date of this Agreement (or any successor provision of similar import), (2) without limiting the generality of Section 3(a)(i), PNC, by corporate action, is authorized under applicable non-insolvency law to enter into and perform its obligations under this Agreement, each Credit Support Document (if any) to which it is party and each Transaction hereunder, (3) it will, at all times during the term of this Agreement, maintain as part of its official books and records a copy of this Agreement (including all Confirmations from time to time and all other supplements hereto and documents incorporated by reference herein) and each Credit Support Document (if any) to which it is party, and evidence of its authorization of the foregoing, and (4) this Agreement, each Confirmation, each Credit Support Document (if any) to which it is party, and any other documentation relating to this Agreement to which it is a party or that it is required to deliver will be executed and delivered by an officer of PNC of the level of Vice President or higher.

(vi) In the case of each party:

- (A) It is acting for its own account, and it has made its own independent decisions to enter into this Agreement and each Transaction and as to whether this Agreement and each Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into this Agreement or any Transaction; it being understood that information and explanations related to the terms and conditions of this Agreement or any Transaction shall not be considered investment advice or a recommendation to enter into this Agreement or such Transaction. No communication (written or oral) received from the other party shall be deemed to be an assurance or guarantee as to the expected results of this Agreement or any Transaction.
- (B) It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of this Agreement and each Transaction. It is also capable of assuming, and assumes, the risks of this Agreement and each Transaction.
- (C) The other party is not acting as a fiduciary for or an adviser to it in respect of this Agreement or any Transaction.
- (D) The economic terms of this Agreement and such Transaction have been and will be individually tailored and negotiated; the creditworthiness of the other party was a material consideration in its entering into or determining the terms of this Agreement and such Transaction. Each party has received and reviewed financial information concerning the other party and has had a reasonable opportunity to ask questions of and receive answers and information from the other party concerning such other

party, this Agreement, such Credit Support Document, and such Transaction; and the transferability of this Agreement, such Credit Support Document, and such Transaction is restricted as provided herein and therein.

- (vii) In the case of each party, such party intends and acknowledges that this Agreement, including all Transactions hereunder, shall be commercial transactions and shall not be transactions in "securities" for purposes of any securities law (including without limitation the Securities Exchange Act of 1934, as amended, and the Securities Act of 1933, as amended).
- (f) **Accuracy of Specified Information.** Section 3(d) is modified by deleting the period at the end thereof and appending thereto the following: "or, in the case of audited or unaudited financial statements, a fair presentation of the financial condition, results of operations or cash flows (as applicable) of the relevant person for the dates and periods specified therein in conformity with generally accepted accounting principles in the United States."
- (g) **Set-off.** Section 6 is modified by adding the following Section 6(f) thereto:

(f) **Set-off.** Any amount (the "Early Termination Amount") payable to one party (the "Payee") by the other party (the "Payer") under Section 6(e), in circumstances where there is a Defaulting Party or one Affected Party in the case where a Termination Event under Sections 5(b)(ii) or 5(b)(iii) has occurred, will, at the option of the party ("X") other than the Defaulting Party or the Affected Party (and without prior notice to the Defaulting Party or the Affected Party), be reduced by its set-off against any amount(s) (the "Other Agreement Amount") payable (whether at such time or in the future or upon the occurrence of a contingency) by the Payee to the Payer or any Affiliate of the Payer (irrespective of the currency, place of payment or booking office of the obligation) under any other agreement(s) between the Payee and the Payer or any Affiliate of the Payer or instrument(s) or undertaking(s) issued or executed by one party (or if applicable to the context hereto, any Affiliate thereof) to, or in favor of, the other party (or if applicable to the context hereto, any Affiliate thereof) (and the Other Agreement Amount will be discharged promptly and in all respects to the extent it is so set-off). X will give notice to the other party of any set-off effected under this Section 6(f).

For this purpose, either the Early Termination Amount or the Other Agreement Amount (or the relevant portion of such amounts) may be converted by X into the currency in which the other is denominated at the rate of exchange at which such party would be able, acting in a reasonable manner and in good faith, to purchase the relevant amount of such currency.

If an obligation is unascertained, X may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) shall be effective to create a charge or other security interest. This Section 6(f) shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other right to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

- (h) **Jurisdiction.** Section 11(b) is modified by deleting the words "non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City," and replacing them with the words "non-exclusive jurisdiction of the courts of the State of New York and the Commonwealth of Pennsylvania and the United States District Courts located in the Borough of Manhattan in New York City and in Allegheny County, Pennsylvania,".

(i) ***Existing and Future Credit Facilities.***

- (ii) Until all obligations of OBLIGOR under this Agreement, now existing or hereafter arising, have been paid in cash and performed in full and all Transactions under the Master Agreement have terminated, OBLIGOR will at all times perform, comply with and observe all covenants and agreements of each Credit Facility applicable to it, which covenants and agreements, together with related definitions and ancillary provisions, are incorporated (and upon execution of any future Credit Facility shall automatically be deemed incorporated) by reference herein and, for the avoidance of doubt, shall be construed to apply hereunder for the benefit of PNC as though (A) all references therein to any party (or parties) extending Financing were to PNC and (B) for any such covenants and agreements that are conditioned on or relate to either the existence of such Financing or OBLIGOR having any obligations arising out of or in connection therewith, all references to such Financing or obligations were to OBLIGOR's obligations under this Agreement.

- (iii) Section 5(a)(vi) is amended by deleting the semicolon at the end thereof and replacing it with the following: "or (3) in respect of OBLIGOR only (and subject to any applicable grace period not to exceed 30 days), any default, event of default or similar condition or event (however described) under any Credit Facility;"

- (j) ***Default Rate.*** Notwithstanding anything to the contrary herein, the term "Default Rate" will be as defined in Section 2.7 of the Credit Agreement in the form that such section took on the date when such Credit Agreement was executed *without regard to* (A) any termination or cancellation of such Credit Agreement (whether by reason of payment of all obligations of OBLIGOR thereunder or otherwise) or (B) any amendment, modification, supplement, waiver or consent thereto or thereof unless consented to in writing by PNC or any Affiliate thereof.

- (k) ***Service of Process.*** OBLIGOR hereby irrevocably consents to service of any summons, complaint or other legal process on it in any suit, action or proceedings relating to this Agreement, any Credit Support Document or any Transaction by registered or certified U.S. mail, postage prepaid, to it at its address for notices described herein, and agrees that such service shall constitute in every respect valid

and effective service (but nothing herein shall affect the validity or effectiveness of process served in any other manner permitted by law).

Section 2510.3-101.
- (n) **WAIVER OF JURY TRIAL.** EACH PARTY HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDINGS RELATING TO THIS AGREEMENT, ANY CREDIT SUPPORT DOCUMENT OR ANY TRANSACTION.
- (o) **Limitation of Liability.** To the fullest extent permitted by law, no claim may be made by either party against the other or any affiliate, director, officer, employee, attorney or agent thereof for any special, indirect, consequential or punitive damages in respect of any claim arising from or relating to this Agreement, any Credit Support Document or any Transaction or any statement, course of conduct, act, omission or event in connection with any of the foregoing (whether based on breach of contract, tort or any other theory of liability); and each party hereby waives, releases and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist.
- (p) **USA Patriot Act.** PNC hereby notifies OBLIGOR that pursuant to the requirement of the USA Patriot Act (Title III of Pub. - (q) **Outstanding Specified Transactions.** Upon the effectiveness of this Agreement, unless otherwise agreed to in writing by the parties to this Agreement with respect to enumerated Specified Transactions, all Specified Transactions then outstanding between the parties shall be subject to the terms hereof.

The parties hereto have executed the Master Agreement referred to in the caption of this Schedule and have agreed to the contents of this Schedule.

In the event of any inconsistency, the terms which shall prevail will be determined in the following order:
 - (i) this Agreement,
 - (ii) the Confirmation,
 - (iii) the Master Agreement, and
 - (iv) the 2000 Definitions.

As used in this Agreement, except where the context clearly requires otherwise:

"Close-Out Value" means the amount, if any, determined as payable by Counterparty to PNC pursuant to Section 6(e) of the Master Agreement.

 - (ii) perform all of its payment obligations under the Swap Transaction on the date due and to comply with all provisions of the Swap Documents.
- 3. Participation. Upon the designation of an Early Termination Date by either PNC or the Counterparty as a result of the occurrence of an Event of Default as described in Section 5(a) of the Master Agreement or as a result of the occurrence of a Termination Event as described in Section 5(b) of the Master Agreement, PNC shall provide written notice to Participant stating such information as is contemplated under Section 6(d)(i) of the Master Agreement (the "Close-Out Notice"), and (i) if the Close-Out Value is positive, Participant agrees to pay PNC an amount equal to the product of Participant's Participation Percentage multiplied by the Close-Out Value; and (ii) if the Close-Out Value is zero or negative, no payment shall be due pursuant to this Section 3. - 5. Enforcement. Subject to its responsibilities under Section 9, PNC may take any action, without prior notice to or the consent of the Participant, which it determines in its sole discretion to be suitable or fitting to enforce remedies under the Swap Documents or respecting performance by Counterparty of its obligations under any of the Swap Documents or compliance with any of the terms thereof, including without limitation taking or abstaining from taking any action thereunder, or any other actions in connection therewith; provided that PNC shall not, without the consent of Participant, release any collateral that secures counterparty's obligations under the Swap Documents agree to any amendment, modification, waiver, transfer or assignment of the Swap Documents; provided, further that, if Participant shall refuse to consent to any such requested release of collateral, amendment, modification, waiver, transfer or assignment within five (5) days of such request, then PNC may, at its option at any time thereafter, but prior to a payment having been made under Section 3(i), terminate this Agreement. Upon such termination, Participant shall have no further interest in the Swap Transaction or any of the Swap Documents and no further obligations under this Agreement.
- 6. Notice of Event of Default. PNC shall not be deemed to have knowledge or notice of the occurrence of any Event of Default (other than a default under Section 5(a)(i) of the Master Agreement) or Termination Event, as the case may be, under the Master Agreement, unless and until:
 - (i) PNC has received written notice from Counterparty referring to the Master Agreement and describing such Event of Default or Termination Event, as the case may be, or
 - (ii) PNC has sent written notice to Counterparty referring to the Master Agreement and such Event of Default or Termination Event.

PNC shall, promptly after learning of an Event of Default or Termination Event with respect to Counterparty, notify Participant thereof.

7. PNC's Representations. PNC represents and warrants to Participant that:

- (i) to the best of its knowledge, no Event of Default or event that, with the giving of notice or lapse of time or both, would become an Event of Default, has occurred or is continuing under the Master Agreement;
- (ii) no Early Termination Date has occurred or been designated; and
- (iii) as of the date hereof, all obligations of PNC and, to the best of PNC's knowledge, of Counterparty under the Swap Transaction required to be performed by it on or before such date have been fulfilled.

8. Participant's Investigation; No Reliance on PNC. Participant acknowledges that:

- (i) Participant has performed and will continue to perform its own credit analysis of Counterparty and its own investigation of the risks involved in the transactions contemplated by the Swap Documents and in entering into this Agreement and it is not relying, and will not rely on, PNC with respect thereto;
- (ii) Participant has reviewed and approved the form and substance of the Swap Documents;

- (iv) PNC shall have no responsibility to Participant for any errors or omissions in any reports, financial statements or other information provided by Counterparty pursuant to or in connection with the Swap Documents.

9. No Recourse; Limitations of PNC's Liability. Except in the case of the failure of PNC to comply with Sections 2(i) and 3 of this Agreement, Participant shall not have recourse against PNC for any payment of any amount made under the Swap Documents. PNC's only obligation with respect to payments to Participant shall be to remit to Participant the sum provided for in Section 2(i) hereof and its pro rata share of any recoveries relating to advances by Participant pursuant to Section 3(i) hereof. Although PNC will exercise the same care in administering the Swap Documents as if the Swap Documents were made entirely for PNC's own account, PNC shall have no liability to Participant for any loss except a loss due to PNC's own gross negligence or willful misconduct. Without limiting the foregoing, PNC shall be fully protected in relying upon any certificate, document or other communication which appears to it to be genuine and to have been signed or presented by the proper person or persons, and upon the advice of legal counsel, independent accountants and other appropriate experts and shall not be required to make any inquiry concerning the performance of Counterparty of its obligations under or compliance by Counterparty with the terms and conditions of any of the Swap Documents. PNC shall not be deemed to have a fiduciary relationship with Participant, and no similar covenants, responsibilities, duties, obligations or liabilities shall be read into this Agreement or shall otherwise exist against PNC.

10. Reimbursement and Indemnification. Participant shall reimburse PNC on demand for its Participation Percentage of all reasonable out-of-pocket expenses, including reasonable attorney's fees, incurred by PNC in connection with the collection from Counterparty of any amounts relating to advances by Participant pursuant to Section 3(i) hereof, to the extent not recovered from Counterparty, and shall indemnify and hold PNC harmless from and against Participant's Participation Percentage of the amount of any reasonable costs, expenses (including reasonable attorney's fees and disbursements), claims, damages, actions, losses or liabilities, except such as result from PNC's own gross negligence or willful misconduct, that PNC may

suffer or incur in connection with this Agreement or any of the Swap Documents, or the transactions contemplated hereby or thereby, or any actions taken by PNC hereunder or thereunder. The obligations and indemnities under this Section 10 shall survive the termination of the Swap Documents.

11. Termination of Participant's Obligations. Except as provided in Section 5, Participant's obligations under this Agreement shall remain in full force and effect, notwithstanding the termination of the Swap Transaction, until (i) 90 days after the payment by Counterparty of the last payment required to be made by Counterparty under the Swap Documents or (ii) the complete payment of amounts due and payable by Participant hereunder, whichever is later.
12. Default By Participant. In the event that Participant shall fail to perform any obligation to be performed by it under this Agreement and such failure is not remedied on or before the third Business Day after notice of such failure is given by PNC to Participant, Participant shall have no right, if and for so long as such failure is continuing, to withhold its consent in connection with any waiver, amendment, modification, transfer or assignment of any Swap Document.
13. Condition to Payment. Each payment hereunder by one party (the "Payer") to another (the "Payee") is subject to the condition precedent that no amount remains due and payable hereunder from the Payee to the Payer.

Re: Notice of Termination of Swap with PNC Bank, National Association

Dear Mr. Jacobson:

Erickson Retirement Communities, LLC ("Obligor") and PNC Bank, National Association ("PNC") are parties to that certain ISDA Master Agreement (and related Schedule) dated as of July 27, 2007 (the "Master Agreement"), as supplemented by that certain Confirmation Letter dated October 17, 2007, Reference #014c001_7246 (the "Confirmation" and together with the Master Agreement, collectively the "Swap Documents"). Capitalized terms used in this letter but not defined herein shall have the meanings set forth in the Swap Documents.

An Event of Default has occurred under Section 5(a)(vi) of the Master Agreement as a result of the occurrence and continuance of certain events of default in respect of Obligor under that certain Credit Agreement dated as of July 27, 2007, by and among, inter alia, Obligor, the Lenders party thereto (including PNC), and Wilmington Trust FSB, as successor Administrative Agent, as amended. Accordingly, pursuant to our rights under Section 6(a) of the Master Agreement, PNC hereby designates September 30, 2009 as the Early Termination Date in respect of all outstanding Transactions under the Swap Documents (including the Transaction evidenced by the Confirmation). PNC will provide Obligor with a separate letter detailing the amount payable by Obligor to PNC (as determined in accordance with Section 6(e) of the Master Agreement) in respect of such terminated Transactions.

PNC hereby expressly reserves all rights and remedies available under the Swap Documents, any related agreement, or otherwise available at law or equity. All rights and remedies under the Swap Documents are cumulative and not alternative, and PNC may proceed in any order from time to time against Obligor and/or any other person or persons liable for any or all of the obligations arising under the Swap Documents. Neither the failure to exercise, nor any delay in exercising, any such right or remedy, at any time, nor the occurrence by PNC, in its discretion, of engaging in any discussions with Obligor about its operating performance, financial condition or prospects nor of a potential resolution of the above-referenced Event of Default, shall be deemed or constitute a waiver or impairment of any of PNC's rights, remedies or options.

Very truly yours,

Re: Notice of Early Termination Amount Owing Under Swap with PNC Bank

Dear Mr. Jacobson:

Erickson Retirement Communities, LLC ("Obligor") and PNC Bank, National Association ("PNC") are parties to that certain ISDA Master Agreement (and related Schedule) dated as of July 27, 2007 (the "Master Agreement"), as supplemented by that certain Confirmation Letter dated October 17, 2007, Reference #014c001_7246 (the "Confirmation" and together with the Master Agreement, collectively the "Swap Documents"). Capitalized terms used in this letter but not defined herein shall have the meanings set forth in the Swap Documents.

As a result of the occurrence and continuance of an Event of Default under Section 5(a)(vi) of the Master Agreement, we elected to terminate the outstanding swap transaction between us governed by the Master Agreement and evidenced by the Confirmation (the "Transaction"), effective as of September 30, 2009. We notified you of such Early Termination Date by letter dated September 29, 2009 (a copy of which accompanies this letter). This letter is PNC's notification to Obligor of the amount (the "Early Termination Amount") owing by Obligor to PNC in respect of such terminated Transaction and constitutes the statement required by Section 6(d)(i) of the Master Agreement.

The Early Termination Amount is determined in accordance with Section 6(e)(i)(3) of the Master Agreement (based on the parties election of "Second Method and Market Quotation" in the Schedule to the Master Agreement), and is equal to "(A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party." We determined the Settlement Amount in respect of the terminated Transaction on the basis of the following quotations we were able to secure on September 30, 2009 from three (3) Reference Market-makers: (1) \$4,770,000 from Credit Suisse; (2) \$4,787,000 from Nomura; and (3) \$4,802,000 from JPMorgan Chase. Under the terms of the Master Agreement, if exactly three quotations are provided, the Market Quotation (which comprises the Settlement Amount) will be the quotation remaining after disregarding the highest and lowest quotations (which in this case results in the Settlement Amount of \$4,787,000). As of the date of this letter, the Unpaid Amounts owing by PNC to Obligor with respect to the terminated Transaction is \$0, and the Unpaid Amounts owing by Obligor to PNC with respect to the terminated Transaction is \$0. Accordingly, the Early Termination Amount payable by Obligor to PNC in respect of the terminated Transaction is **\$4,787,000** (the sum of the Settlement Amount (\$4,787,000) plus the Termination Currency Equivalent of the Unpaid Amounts owing to PNC (\$0) less the Termination Currency Equivalent of the Unpaid Amounts owing to Obligor (\$0).

Payment of the Early Termination Amount is due and payable in full on October 2, 2009 (which is the date on which this notice is effective), and should be made by wire transfer to PNC via the following instructions:

Bank:	PNC Bank, N.A., Pittsburgh
ABA #:	043-000-096
Account #:	196030010411
Account of:	Investment Operations
Attn:	Derivative Products

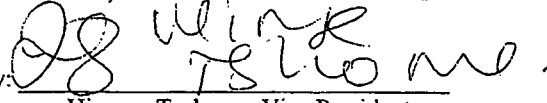

or in other immediately available funds delivered to the undersigned on behalf of PNC. Pursuant to Section 6(d)(ii) of the Master Agreement, interest at the Applicable Rate (defined as PNC's cost of funding rate plus 1% per annum compounding on a daily basis) shall accrue and be payable on the Early Termination Amount for each day that such amount remains unpaid after October 2, 2009.

Pursuant to Section 9 of the Master Agreement, PNC hereby notifies Obligor it is liable to PNC for all reasonable out-of-pocket expenses, including legal fees, incurred by PNC by reason of the enforcement and protection of its rights under the Master Agreement and as a result of the early termination of the Transaction, including, but not limited to, the costs of collection.

PNC hereby expressly reserves all rights and remedies available under the Swap Documents, any related agreement, or otherwise available at law or equity. All rights and remedies under the Swap Documents and any related agreements are cumulative and not alternative, and PNC may proceed in any order from time to time against the Obligor and/or any other person or persons liable for any or all of the obligations arising under the Swap Documents or under any related agreements. Neither the failure to exercise, or any delay in exercising, any such right or remedy, at any time, nor the occurrence by PNC, in its discretion, of engaging in any discussions with the Obligor about their operating performance, financial condition or prospects or a potential resolution of the payment of the Early Termination Amount, shall be deemed or constitute a waiver or impairment of any of PNC's rights, remedies or options.
