Motion to Reduce Notice Required for Future Notices Under Bankruptcy Rule 2002(a) entered on October 25, 2016 [Doc. #437].

- 3. Pursuant to Bankruptcy Local Rule 9014-1(b)(3), the Notice provided that if no objection or request for hearing was served and filed within 21-days of the date of the mailing of the Notice, i.e., on or before March 31, 2017, an order may be entered by the Court approving the requested relief without further notice or hearing.
- 4. I have reviewed the docket in this case and no timely objections were filed opposing this motion. Further, no timely objections were received by my office.
- 5. For the reasons stated in the Notice, the Trustee and I believe that authorizing the Trustee to settle and compromise avoidance actions in accordance with the settlement parameters as set forth in the Notice will reduce expenses incurred by the estate and is therefore in the best interests of all creditors.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and that this declaration is executed in Oakland, California, on April 3, 2017.
