AGREED MOTION FOR APPROVAL OF STIPULATION WITH RECLAMATION CLAIMANT ANADARKO ENERGY SERVICES COMPANY

Farmland Industries, Inc., et al., debtors and debtors in possession (collectively, the "Debtors") and Anadarko Energy Services Company ("Anadarko"), by and through their undersigned counsel, hereby respectfully submit this Agreed Motion for Approval of Stipulation With Reclamation Claimant Anadarko, Inc. pursuant to the Court's June 6, 2002 Order Granting Administrative Claims Pursuant to 11 U.S.C. § 546(c) (the "Reclamation Order"). In support of this Motion, Debtors and Anadarko provide the following:

1. On May 31, 2002, Debtors filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. Debtors continue to operate their businesses and manage their properties as debtors in possession in accordance with Sections 1107 and 1108 of the Bankruptcy Code.

2. On or about June 7, 2002, Anadarko filed reclamation claim number 53 asserting a reclamation claim for domestic sweet oil in the amount of $537,806.00 and for natural gas in the amount of $415,350.00 for a total reclamation claim in the amount of $953,156.00.

3. Debtors disputed the amount of Anadarko's reclamation claim based on the natural gas portion of the claim.

4. Debtors and Anadarko have reached an agreement and hereby stipulate that Anadarko shall be allowed an administrative expense claim for domestic sweet oil in the amount

of $537,806.00 and an administrative expense claim for natural gas in the amount of $80,300.00, for a total administrative expense claim in the amount of $618,106.00. Furthermore, with respect to the net administrative settlement claim of $80,300.00 for Anadarko's natural gas reclamation claim, the Debtors acknowledge that any prepayments received or buy-backs during the reclamation period are not preferences or fraudulent transfers under §§ 547 and 548 of the Bankruptcy Code.

5. Debtors and Anadarko further agree that the above-mentioned stipulation regarding Anadarko's reclamation claim number 53 does not affect Debtors' rights to assert objections to the remaining balance of Anadarko's proof of claim number 7691 in the amount of $3,224,240.25 (reduced by $618,106.00 which shall be deemed an administrative claim hereunder) through the claims objection process, if necessary.

WHEREFORE, Debtors and Anadarko respectfully request that the Court enter an order approving the stipulation reached between Debtors and Anadarko on Anadarko's reclamation claim number 53, and provide such other relief as is just and proper.

Dated: August 8, 2003.

Respectfully submitted,

FARMLAND INDUSTRIES, INC., ET AL.
