This statement is being provided for you because your business or residential personal property is selling or is moving out of the County. In 1998 legislation changed the assessment date for personal property to January 1. The owner of record on that date is required to file a personal property return to whatever county they are situated in. The statutory lien "attaches" to the property itself on July 1 **OR ON THE DAY PRECEDING SALE OR DISPOSAL OF THE PROPERTY**, and gives the Collector authority to seize & sell it to satisfy the lien. Taxes are levied in October & will become the debt of the former owner - a tax lien warrant will be issued against them if the tax remains unpaid at the end of 2004.

This is an estimate only. The assessed value and tax rate, when certified, may be different. Payment of this estimate now will ensure the obligation is satisfied in a fair manner. The 2003/2004 payment covers July 1, 2003 - June 30, 2004. The 2002/2003 amount covers July 1, 2002- June 30, '2003.
