Re: Supply Agreement

Dear Ray,

The Supply Agreement between Fleming Foods East, Inc (Fleming) and C & B Supermarket, Inc., dated April 7, 1994 is null and void and no longer in effect. As required of Fleming in the first Article(i), Fleming has ceased operations in the respective trading area, and is no longer engaged in business as a full-line wholesale supplier of food, grocery, and related products, and therefore cannot meet the service required under Article 6 of the agreement.

Please acknowledge.

Sincerely,

Murray Battleman
President
