RECITALS

A. Landlord is the owner of those certain tracts of real property located at the addresses set forth on Exhibit A attached hereto (each such tract, "Real Property" and collectively the "Real Properties"). Each Real Property is more particularly described in Exhibit A attached hereto and for purposes hereof shall include all of Landlord's right, title and interest in and to all easements, appurtenances and rights relating to the Real Property, including without limitation, Landlord's right, title, and interest, if any, in and to all (1) adjacent streets, alleys, rights-of-way and any adjacent strips or gores of real estate; (2) the Buildings (as defined below); and (3) the Building Equipment (as defined below). Each building, together with all improvements on or to each tract of Real Property, including but not limited to all site work, landscaping, fixtures, utilities, and other improvements, is individually referred to as the "Building," and collectively referred to as the "Buildings". The machinery, equipment and systems necessary for the operation of the Buildings that are "fixtures" pursuant to applicable law, including, but not limited to any heating, ventilation and air-conditioning equipment, canopies, fire sprinklers and fire suppression equipment, lighting, built in walk-in coolers and grill hoods, built-in freezers, built-in sinks, built-in shelving, awnings, and supports for signs (but specifically excluding any such items that are not "fixtures" pursuant to applicable law), are referred to herein collectively as the "Building Equipment." Each Real Property, together with the related Buildings and Building Equipment are referred to herein individually as a "Demised Property," and collectively as the "Demised Properties."

B. The personal property, equipment and trade fixtures owned or leased by Tenant located at the Buildings on any Demised Properties (other than the Building Equipment) and used in connection with the operation of the business at the Demised Properties are referred to herein collectively as the "Restaurant Equipment", which shall include, but not be limited to, those items set forth on Schedule 1.

C. Landlord currently leases the Demised Properties to Tenant pursuant to that certain Master Land and Building Lease, dated April 29, 2011, as amended by that certain First Amendment to Master Land and Building Lease dated as of July 18, 2012 (collectively, the "Existing Lease").

D. Landlord and Tenant desire to amend and restate the Existing Lease in its entirety on the terms and conditions set forth in this Lease.

E. This Lease constitutes a single and indivisible lease of all the Demised Properties collectively, and is not an aggregation of leases for the separate Demised Properties. Neither Landlord nor Tenant would have entered into this Lease except as a single and indivisible lease.

NOW, THEREFORE, in consideration of the lease of the Demised Properties and the rents, covenants and conditions herein set forth, Landlord and Tenant do hereby covenant, promise and agree as follows:

ARTICLE I

AMENDMENT AND RESTATEMENT; DEMISE OF PREMISES

Section 1.01 This Lease amends and restates the Existing Lease and replaces and supersedes each and every term and condition of the Existing Lease as of the Commencement Date; provided, however, the amendment and restatement of the Existing Lease by this Lease is not intended to limit any liability or obligation of Tenant which accrued under the Existing Lease prior to the Commencement Date, including, without limitation, any indemnification and/or hold harmless provision in the Existing Lease. It is understood and acknowledged by Landlord and Tenant that any liability or obligation of Tenant which accrued under the Existing Lease prior to the Commencement Date with respect to properties other than the Demised Properties are subject to the chapter 11 of the United States Bankruptcy Code (the "Code") and any relevant court order from the United States Bankruptcy Court for the Western District of Texas, San Antonio Division (the "Bankruptcy Court") with respect to the voluntary petitions filed by Tenant and certain of its affiliates (each, a "Debtor," and collectively with Tenant, the "Debtors") in Bankruptcy Court on March 7, 2016 (the "Petition Date").

Section 1.02 Subject to the terms and conditions contained herein, Landlord does hereby lease unto Tenant, and Tenant does hereby lease from Landlord, for the term hereinafter provided in Article II, the Demised Properties for the use thereof by Tenant, Tenant's employees, customers, invitees and permitted assigns.

ARTICLE II

TERM

Section 2.01

(a) This Lease shall commence on the Commencement Date and terminate on July 1, 2021 (the "Original Lease Term") unless sooner terminated as hereinafter set forth. The "Lease Term," as such term is used herein, shall mean the Original Lease Term as extended (or as may be extended) pursuant to Section 2.02 below, unless sooner terminated as hereinafter set forth.

(b) This Lease shall be deemed to be in full force and effect upon the Commencement Date. Tenant shall be deemed in possession of the Demised Properties upon the Commencement Date.

Section 2.02

(a) Tenant shall have the option to extend the term of this Lease for up to three (3) separate option periods upon and subject to the terms set forth below in this Section 2.02. The first option period (the "First Option Period") shall commence at the expiration of the Original Lease Term. The second option period (the "Second Option Period") shall commence at the expiration of the First Option Period. The third option period (the "Third Option Period") shall commence at the expiration of the Second Option Period. The First Option Period, the Second Option Period and the Third Option Period are sometimes referred to herein collectively as the "Option Periods" and individually as an "Option Period." Each Option Period shall continue for a period of five (5) years from the commencement date of such Option Period. Except as otherwise expressly provided herein, all of the terms and conditions of this Lease applicable to the Original Lease Term shall continue to apply during each Option Period.

(b) To validly extend the Lease Term for the First Option Period (i) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the Original Lease Term and no later than nine (9) months prior to the expiration of the Original Lease Term, and (ii) as of the date such written notice is delivered to Landlord, and as of the date the First Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(c) To validly extend the Lease Term for the Second Option Period (i) Tenant must have validly extended the Lease for the First Option Period, (ii) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the First Option Period and no later than nine (9) months prior to the expiration of the First Option Period, and (iii) as of the date such written notice is delivered to Landlord, and as of the date the Second Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(d) To validly extend the Lease Term for the Third Option Period (i) Tenant must have validly extended the Lease for the Second Option Period, (ii) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the Second Option Period and no later than nine (9) months prior to the expiration of the Second Option Period, and (iii) as of the date such written notice is delivered to Landlord, and as of the date the Third Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(e) Without limiting anything contained in Article XXXVI hereof, time is of the strictest essence in the performance of each provision of this Section 2.02. Either party, upon request of the other, shall execute and acknowledge, in form suitable for recording, an instrument confirming any Option Period, with Tenant paying all applicable recording costs.

ARTICLE III

RENT

Section 3.01 Rent. As used herein, “Rent” means Base Rent (as defined below) plus Percentage Rent (as defined below) plus Additional Rent (as defined below). Tenant shall pay all Rent, from and after the Commencement Date and thereafter throughout the Lease Term, without offset, deduction, or abatement except as may be otherwise expressly provided herein. Notwithstanding the foregoing, any amounts due by Tenant to Landlord hereunder for which no due date is expressly specified herein shall be due within thirty (30) days following the delivery to Tenant by Landlord of written notice of such amounts due. Except as otherwise expressly provided herein, in the event of nonpayment by Tenant of any Rent, Landlord shall have the same rights and remedies in respect thereof regardless of whether such Rent is Base Rent or Additional Rent. All payments of Rent due to Landlord shall be paid to Landlord by electronic deposit into an account designated by Landlord (a “Landlord’s Account”).

Section 3.02 Base Rent.

(a) As used herein, subject to the annual increases as hereinafter provided, the “Base Rent” for the Demised Properties for each month of the Lease Term shall be THIRTY-SEVEN THOUSAND EIGHT HUNDRED and 00/100 DOLLARS (\$37,800.00). Tenant shall pay to Landlord Base Rent, in advance, without demand therefor, on or before the first day of each and every calendar month during the Lease Term (each a “Payment Date”) and if the Commencement Date is not the first day of a calendar month, Tenant shall pay to Landlord pro-rated Base Rent on the Commencement Date for the partial calendar month in which the Commencement Date occurs. Tenant authorizes Landlord to establish arrangements whereby payments of the Base Rent and impound payments under Section 3.03(c) hereof are transferred by Automated Clearing House Debit directly from an account at a U.S. bank in the name of Tenant to such account as Landlord may designate or as Landlord may otherwise designate; provided, however, upon written notice from Landlord to Tenant, Tenant shall deliver all payments of Base Rent and impound payments under Section 3.03(c) hereof as specified in such written notice from Landlord.

(b) Subject to the terms of this Section, on each Adjustment Date (as defined below) throughout the Lease Term, the monthly Base Rent shall increase by the Base Rent Escalation (as defined below), and such increased Base Rent shall apply for the ensuing twelve (12) month period.

(c) The following terms shall have the following meanings:

(1) “Adjustment Date” shall mean each July 1 throughout the Lease Term, commencing July 1, 2018.

(2) “Base Rent Escalation” shall mean the product of the then-current Base Rent multiplied by 1.25%.

Section 3.03 Additional Rent.

(a) As used herein, “Additional Rent” means any and all fees, expenses, taxes and charges of every kind and nature arising in connection with or relating to the Demised Properties (other than Base Rent), including without limitation (i) any and all taxes (including, without limitation, Real Estate Taxes (as defined below)), fees, utility service charges, insurance premiums, and other costs, and any amounts owed by Tenant under any indemnity to Landlord hereunder, including, without limitation under Article X and Article XXXVII; (ii) all fees and penalties that may accrue on any amounts due from Tenant hereunder if Tenant fails to pay such amounts in a timely manner; (iii) all other damages, costs and expenses (including, without limitation, reasonable attorneys’ fees and other legal and court costs) which Landlord may suffer or incur in enforcing this Lease (whether or not any formal action is brought by Landlord against Tenant) or in otherwise taking actions permitted under this Lease following a Default by Tenant (including, without limitation, making Repairs and fulfilling other obligations of Tenant as provided in Section 7.01, and purchasing insurance required to be maintained by Tenant under this Lease, as provided in Section 11.07); (iv) any and all other sums which may become due, or costs and expenses that may be incurred by Landlord, by reason of any Default or Event of Default under this Lease; and (v) any and all costs of maintaining, repairing and restoring the Demised Properties. In addition, “Additional Rent” shall include any rent or other income received by Tenant from any subtenant of any Demised Property to the extent applicable to periods after the expiration or termination of this Lease as to the Demised Properties.

(b) Without limiting anything contained in subsection 3.03(a), Tenant shall pay, as Additional Rent all “Real Estate Taxes” (as hereinafter defined). As used herein, the term “Real Estate Taxes” means all taxes and general and special assessments and other impositions in lieu thereof, as a supplement thereto and any other tax which is measured by the value of land and assessed on a uniform basis against the owners of land, including any substitution in whole or in part therefor due to a future change in the method of taxation, in each case assessed against, or allocable or attributable to, the Demised Properties and accruing during or prior to the Lease Term. Nothing contained in this Lease, however, shall require Tenant to pay any estate, inheritance, corporate, franchise, income or similar taxes of Landlord, nor shall any of same be deemed Real Estate Taxes, unless same shall be specifically imposed in substitution for, or in lieu of, Real Estate Taxes. In addition, Tenant shall not be required to pay any tax imposed (except as otherwise required under Article XXV) with respect to the sale, exchange, mortgage, encumbrance, or other disposition by Landlord, in whole or in part, of any of the Demised Properties or Landlord’s interest in this Lease (provided, however, that the foregoing shall not limit Tenant’s obligation to pay any increase in Real Estate Taxes resulting from any such sale, exchange, mortgage, encumbrance, or other disposition by Landlord). If by law, any general or special assessment or like charge may be paid in installments without any penalty whatsoever, then such assessment may be paid in such installments and Tenant shall only be liable for the portion thereof that is allocable or attributable to the Lease Term or any portion thereof. If such assessment or charge may be payable in installments with interest, Tenant may pay such assessment or charge in installments, provided that if such installments extend beyond the Lease Term, Landlord shall have the option to repay all remaining installments coming due following the Lease Term without interest.

(c) In lieu of paying Real Estate Taxes directly to the applicable collecting authority, on July 1, 2016, Tenant shall pay to Landlord an amount, when added to the monthly payments due under this subsection 3.03(c), shall be sufficient to pay the Real Estate Taxes next coming due (collectively, the “Real Estate Taxes Pass-Throughs”). On every Payment Date thereafter, Tenant shall pay to Landlord one-twelfth of the amount of the Real Estate Taxes that Landlord reasonably estimates will be payable during the next ensuing twelve (12) months. Funds in the Real Estate Taxes Pass-Throughs shall be used for payment of the Real Estate Taxes next coming due. Should additional funds be required at any time, Tenant shall pay the same to Landlord on demand. Landlord may deposit all impounded funds in accounts insured by any federal or state agency and may commingle such funds with other funds and accounts of Landlord. Interest or other gains from such funds, if any, shall be the sole property of Landlord. If Tenant fails to make any payments required under this subsection 3.03(c) when due, then Tenant shall, without limiting any other remedies available to Landlord, reimburse Landlord for any and all penalties or interest, or portion thereof, incurred by Landlord as a result of such nonpayment or late payment by Tenant. If an Event of Default shall occur, Landlord may apply all impounded funds against any sums due from Tenant to Landlord in such order and priority as Landlord may elect in its sole discretion. Upon Tenant’s written request, Landlord shall give to Tenant an annual accounting showing all credits and debits to and from such impounded funds received from Tenant.

(d) Tenant shall have the right to undertake an action or proceeding against the applicable collecting authority seeking an abatement of Real Estate Taxes or a reduction in the valuation of the Demised Properties and/or contest the applicability of any Real Estate Taxes; provided, however, that Tenant has paid timely (and continues to pay timely) all Real Estate Taxes as provided in this Lease to the extent required by applicable law. Landlord may deliver to Tenant written requests from time to time, not more than once in any thirty (30) day period, for information regarding any such action or proceeding by Tenant. Tenant shall respond in good faith with all information reasonably requested by Landlord within 5 business days after receipt of Landlord’s written request. In any instance where any such permitted action or proceeding is being undertaken by Tenant, Landlord shall cooperate reasonably with Tenant, at no cost or expense to Landlord, and execute any and all documents approved by Landlord and reasonably required in connection therewith. Tenant shall be entitled to any refund (after the deduction therefrom of all expenses incurred by Landlord in connection therewith) of any Real Estate Taxes (including, without limitation, penalties or interest thereon) received by Tenant or Landlord, whether or not such refund was a result of actions or proceedings instituted by Tenant.

(e) Without limiting anything contained in subsection 3.03(a), Tenant shall be solely responsible for, and shall pay directly to the applicable service providers, the cost of all utility services provided to the Demised Properties throughout the Lease Term.

(f) Without limiting any of Tenant’s other obligations set forth in this Article, Tenant shall pay to Landlord, with each payment due to Landlord hereunder (and as a part of Rent due hereunder), all sales and excise tax on rental income and all other similar taxes imposed upon Landlord with respect to rental or other payments in the nature of a gross receipts tax, sales tax, privilege tax or the like, whether imposed by a federal, state or local taxing

authority, which when added to such payment shall yield to Landlord after deduction of all such tax payable by Landlord with respect to all such payments a net amount which Landlord would have realized from such payment had no such tax been imposed.

Section 3.04 Percentage Rent.

(a) During each Lease Year during the Lease Term, Tenant shall pay to Landlord percentage rent equal to four (4%) percent of the amount of Tenant's Gross Receipts (as hereinafter defined) for any Demised Property in any Lease Year that exceed the Breakpoint (as hereinafter defined) for such Demised Property ("Percentage Rent"). Percentage Rent will be computed for each Lease Year and shall be payable by Tenant within 45 days of the end of each Lease Year. For purposes of this Section 3.04, "Lease Year" means the 12-month period beginning on each July 1st and terminating on the same day of the succeeding year, and on the same day of each year thereafter during the Lease Term (provided that the final Lease Year of the Lease Term shall terminate on the expiration or earlier termination of this Lease). "Breakpoint" means Tenant's Gross Receipts for the particular Demised Property for the trailing twelve month period ending April 30, 2016 as set forth on Exhibit A attached hereto; provided that, on each Adjustment Date throughout the Lease Term, the Breakpoint shall increase by the Breakpoint Escalation (as defined below), and such increased Breakpoint shall apply for the ensuing twelve (12) month period. "Breakpoint Escalation" shall mean the product of the then-current Breakpoint multiplied by 1.25%. "Gross Receipts" means any and all receipts and revenues from all business conducted at, upon or from the particular Demised Property by Tenant, all subtenants, licensees, concessionaires and assignees and all others, whether evidenced by cash, check, credit, charge account, exchange, redemption of gift cards and merchandise certificates or otherwise, and shall include, but not be limited to, amounts received from the sale of any food, beverages, goods or other merchandise whatsoever, for services performed on the particular Demised Property, from vending or other machines, and from orders of food, beverages, goods, merchandise, or services taken at the particular Demised Property (whether such orders are filled from the particular Demised Property or elsewhere). Gross Receipts will not include: (i) the amount of any sales or other tax imposed by any governmental authority directly on sales and collected from customers if such amount is paid by Tenant to such governmental authority; (ii) transfers of food, beverages, merchandise or goods between different restaurants of Tenant; (iii) returns to shippers or manufacturers; (iv) cash or credit refunds to customers on transactions otherwise included in Gross Receipts; (v) sales of fixtures, machinery and equipment after use thereof in the conduct of Tenant's business at the particular Demised Property (except where Tenant is in the business of selling such fixtures, machinery or equipment); (vi) sales of gift cards and merchandise certificates (provided that the redemption of gift cards and merchandise certificates shall be included in Gross Receipts); and (vii) sales at a discount to Tenant's employees. No income or other tax or other item of expense whatsoever may be deducted from the amount of Gross Receipts. Each charge or sale upon installment or credit will be treated as a sale for the full price in the month during which such charge or sale is made, irrespective of the time when Tenant receives payment (whether full or partial) therefor.

(b) Landlord's acceptance of payments of Percentage Rent will be without prejudice to Landlord's right to conduct an examination of Tenant's books and records of its Gross Receipts and inventories of food, beverages, merchandise and goods in each Demised

Property in order to verify the amount of annual Gross Receipts made by Tenant in and from each Demised Property. Further, at any time (but not more frequently than once each Lease Year) within 24 months after Landlord's receipt of any Annual Statement, Landlord may, at Landlord's expense, require a complete audit of Tenant's records, files, sales slips and sales tax records in connection with Tenant's sales on, from or related to each Demised Property for the period covered by such Annual Statement. If any audit discloses a liability on account of Percentage Rent to the extent of 3% or more in excess of the Percentage Rent previously computed and paid by Tenant for the applicable period, then Tenant shall pay promptly to Landlord the reasonable cost of the audit and the amount of the deficiency in Percentage Rent. If such audit discloses a discrepancy of less than 3%, Tenant shall pay the amount of the deficiency only.

(c) The provisions of this Section 3.04 shall survive the expiration or earlier termination of this Lease.

ARTICLE IV

USE

Section 4.01 Tenant may use the Demised Properties to operate a RYAN'S STEAKHOUSE restaurant, FIRE MOUNTAIN STEAKHOUSE restaurant, OLD COUNTRY BUFFET restaurant, or HOMETOWN BUFFET restaurant, and for any other lawful purpose, provided that any such usage shall comply fully with all applicable covenants, conditions and restrictions of record, and the following uses shall in any event be prohibited: strip clubs and other adult entertainment venues, option or swapmeet venues, carry-out liquor stores and any other specially regulated uses that would be considered deleterious to the value of commercial real property in otherwise generally desirable locations. Notwithstanding any other provision of this Article, Tenant shall not use, or suffer or permit any person or entity to use, the Demised Properties or any portion thereof for any purpose in violation of any applicable law, ordinance or regulation applicable to the Demised Properties or in violation of any covenants or restrictions of record. From the Commencement Date and thereafter throughout the Lease Term, Tenant shall conduct its business in a commercially reasonable and reputable manner with respect to the Demised Properties and otherwise in compliance with the terms and provisions of this Lease. The character of the occupancy of the Demised Properties is an additional consideration and a material inducement for the granting of this Lease by Landlord to Tenant. Notwithstanding anything to the contrary contained herein, Tenant shall at all times during the Lease Term occupy each of the Demised Properties and diligently operate its business on each of the Demised Properties as one of the restaurants under the Ovation Brands umbrella.

Section 4.02 Without limiting any other provision of this Lease, all obligations of Tenant under this Article IV shall apply also to any subtenant of any of the Demised Properties.

ARTICLE V

ACCEPTANCE OF DEMISED PROPERTIES

Tenant acknowledges that it has had access to the Demised Properties prior to execution of this Lease and has had the opportunity to perform all tests, studies, inspections and investigations (including, without limitation, any investigations regarding zoning and use issues regarding all Demised Properties) that it desires, and that Tenant is accepting each Demised Property in its AS IS condition existing on the date Tenant executes this Lease. Tenant hereby accepts each Demised Property in its condition as of the date of possession hereunder, subject to all applicable zoning, municipal, county, and state laws, ordinances, and regulations, including private easements and restrictions, governing and regulating the use of the Demised Properties, whether or not of record (collectively, the “Diligence Matters”), and accepts this Lease subject thereto and to all matters disclosed hereby. Tenant acknowledges that neither Landlord nor any of Landlord’s Affiliates (as defined below) have made any representation or warranty as to the suitability of any Demised Property for the conduct of the Tenant’s business and that Tenant is entering into this Lease solely on the basis of its own investigations and familiarity with the Demised Properties and not on the basis of any representation, warranty, covenant, agreement, undertaking, promise, statement, arrangement or understanding by, on behalf of, or with, Landlord, except as expressly set forth in this Lease.

ARTICLE VI

ALTERATIONS

Subject to the provisions of this Article VI, Tenant shall have no right to make changes, alterations or additions (collectively, “Alterations”) to the Buildings on any single Real Property which involve structural changes or which cost in the aggregate in excess of Four Hundred Thousand Dollars (US\$400,000.00) per Demised Property, which amount shall be adjusted annually in proportion to increases in the CPI, in each case without prior written consent of Landlord, which Landlord agrees it will not unreasonably withhold, condition or delay; provided, however, in no event shall any Alterations be made which, after completion, would: (i) reduce the value of the Buildings as they existed prior to the time that said Alterations are made; or (ii) adversely affect the structural integrity of the Buildings. Notwithstanding the foregoing, Tenant shall be permitted to implement the structural (hoods, vents) and nonstructural Alterations required to implement ongoing conversion to the grill program already instituted in many OLD COUNTRY BUFFET, HOMETOWN BUFFET or RYAN’S STEAKHOUSE restaurants provided such Alterations do not adversely affect the structural integrity of the Buildings. Any and all Alterations made by Tenant shall be at Tenant’s sole cost and expense. Prior to the commencement of construction, including Alterations which cost less than US\$400,000.00 per Demised Property, which amount shall be adjusted annually in proportion to increases in the CPI (but excluding non-structural Alterations costing less US\$250,000.00 (which amount shall be adjusted annually in proportion to increases in the CPI) in the aggregate per Demised Property, minor maintenance or repair projects and cosmetic refresh projects involving only painting, carpeting, floor covering and installation of moveable replacement Restaurant Equipment (collectively, a “Minor Project”), Tenant shall deliver promptly to

Landlord detailed cost estimates for any such proposed Alterations, as well as all drawings, plans and other information regarding such Alterations (such estimates, drawings, plans and other information are collectively referred to herein as the “Alteration Information”). Landlord’s review and/or approval (if required) of any Alteration Information shall in no event constitute any representation or warranty of Landlord regarding (x) the compliance of any Alteration Information with any governmental or legal requirements, (y) the presence or absence of any defects in any Alteration Information, or (z) the safety or quality of any of the Alterations constructed in accordance with any plans or other Alteration Information. Landlord’s review and/or approval of any of the Alteration Information shall not preclude recovery by Landlord against Tenant based upon the Alterations, the Alteration Information, or any defects therein. In making any and all Alterations, Tenant also shall comply with all of the following conditions:

(a) No Alterations shall be undertaken until Tenant shall have (i) procured and paid for, so far as the same may be required, all necessary permits and authorizations of all governmental authorities having jurisdiction over such Alterations, and (ii) except for Minor Projects, delivered to Landlord at least fifteen (15) days prior to commencing any such Alterations written evidence acceptable to Landlord, in its commercially reasonable discretion, of all such permits and authorizations. Landlord shall, to the extent necessary (but at no cost, expense, or risk of loss to Landlord), join in the application for such permits or authorizations whenever necessary, promptly upon written request of Tenant.

(b) Any and all structural Alterations of the Building shall be performed under the supervision of an architect and/or structural engineer.

(c) Except for Minor Projects, Tenant shall notify Landlord at least fifteen (15) days prior to commencing any Alterations so as to permit, and Tenant shall permit, Landlord access to the relevant Demised Property(ies) in order to post and keep posted thereon such notice(s) as may be provided or required by applicable law to disclaim responsibility for any construction on the relevant Demised Property(ies). Landlord may deliver to Tenant written requests from time to time, not more than once in any thirty (30) day period, for information regarding any Alterations that that Tenant has then undertaken. Tenant shall respond in good faith with all information reasonably requested by Landlord within 5 days after receipt of Landlord’s written request.

(d) Any and all Alterations shall be conducted and completed in a commercially reasonable time period (subject to the terms of Article XVII), in a good and workmanlike manner, and in compliance with all applicable laws, municipal ordinances, building codes and permits, and requirements of all governmental authorities having jurisdiction over the relevant Demised Property(ies), and of the local Board of Fire Underwriters, if any; and, upon completion of any and all Alterations, Tenant shall obtain and deliver to Landlord a copy of the amended certificate of occupancy for the relevant Demised Property(ies), if required under applicable law or by governmental authority. To the extent reasonably practicable, any and all Alterations shall be made and conducted so as not to disrupt Tenant’s business.

(e) The cost of any and all Alterations shall be promptly paid by Tenant so that the Demised Properties at all times shall be free of any and all liens for labor and/or

materials supplied for any Alterations subject to the next succeeding sentence. In the event any such lien shall be filed, Tenant shall, within ten (10) days after receipt of notice of such lien, deliver written notice to Landlord thereof, and Tenant shall, within thirty (30) days after receipt of notice of such lien, discharge the same by bond, title indemnity or payment of the amount due the lien claimant. However, Tenant may in good faith contest such lien provided that within such thirty (30) day period Tenant provides Landlord with a surety bond, title indemnity or other form of security reasonably acceptable to Landlord, protecting against said lien. Tenant shall provide Landlord promptly with evidence satisfactory to Landlord that all contractors, subcontractors or materialmen have been paid in full with respect to such Alterations and that their lien rights have been waived or released. In the event Tenant fails to either discharge such lien or protect against such lien in accordance with the foregoing, then Landlord shall have the option (but not the obligation) to pay such lien or post a bond to protect against such lien and pass through such costs to Tenant as Additional Rent.

ARTICLE VII

REPAIRS AND MAINTENANCE

Except as otherwise provided in this Article, Tenant, at its sole cost and expense, shall maintain each Demised Property and each part thereof, structural and non-structural, in good order and condition, ordinary wear and tear and damage by casualty and condemnation excepted (such obligations shall include, without limitation, the obligation to maintain all areas outside of the Buildings (including all sidewalks, driveways, landscaping, trash enclosures, and trash compacting and loading areas on the Demised Properties), in a neat and clean condition, and ensuring that debris from the operation of each restaurant on the Demised Properties are cleaned on a regular basis) and, subject to the terms and conditions of Article VI, shall make any necessary Repairs thereto, interior and exterior, whether extraordinary, foreseen or unforeseen but subject to the casualty and condemnation provisions of this Lease. Tenant and Landlord shall each pay one-half of the cost and expense of any Repairs reasonably requested by Landlord which are performed during the last year of the Lease Term. When used in this Article VII, the term "Repairs" shall include all such replacements, renewals, alterations, additions and betterments necessary for Tenant to properly maintain each Demised Property in good order and condition and in compliance with all applicable laws. The adequacy of any and all Repairs to the Demised Properties required or conducted pursuant to this Article VII shall be measured by and meet, at a minimum, all of the following standards: (1) at least equal in quality of material and workmanship to the condition of the relevant Demised Property(ies) prior to the need for such Repairs; (2) avoidance of any and all structural damage or injury to the Building or persons therein; (3) any and all maintenance, service, operation and repair standards and requirements promulgated by Tenant for its (or its subsidiaries' or affiliates') restaurants; and (4) any and all repairs, replacements or upgrades necessary to ensure compliance with the rules and regulations of all governmental agencies having jurisdiction over the relevant Demised Property(ies), including all Environmental Laws (as defined below) and shall conform to the requirements of any covenants, conditions, restrictions or other permitted encumbrances which are of record. Landlord shall have no duty whatsoever to maintain, replace, upgrade, or repair any portion of the Demised Properties, and Tenant hereby expressly waives the right to make repairs at the expense of Landlord, which right may be provided for in any law now or hereinafter in effect. If

Tenant fails or neglects to commence and diligently proceed with all necessary Repairs as set forth above (for the purposes hereof, application by Tenant for a building permit (if necessary under applicable law to commence the applicable Repair) shall be deemed to constitute the commencement of a Repair under this Article) within thirty (30) days after receipt of written notice of the need therefor describing the applicable Repair or other obligation (a “Repair Notice”) (except in emergency situations involving risk of further damage to the Demised Properties or injury to persons, in which case no such grace period shall be applicable and Tenant shall be obligated to expeditiously commence all necessary Repairs and diligently proceed to complete same), then Landlord or its agents may enter the Demised Properties for the purpose of making such Repairs (with Landlord making commercially reasonable efforts not to unreasonably interfere with Tenant’s business operations). All commercially reasonable out of pocket costs and expenses in relation to such Repairs incurred as a consequence of such Landlord’s action shall be paid by Tenant to Landlord within thirty (30) days after Landlord delivers to Tenant copies of invoices for such Repairs. These invoices shall be prima facie evidence of the payment of the charges to be paid by Tenant.

ARTICLE VIII

COMPLIANCE WITH LAW

Tenant shall, throughout the Lease Term, at its sole cost and expense, comply with all laws and regulations of federal, state, municipal and local governments, departments, commissions and boards pursuant to law, or directives or orders issued pursuant thereto, including without limitation all Environmental Laws and the Americans With Disabilities Act, with respect to, regarding, or pertaining to the Demised Properties, in each case whether now existing or hereafter enacted.

ARTICLE IX

QUIET ENJOYMENT SUBJECT TO DILIGENCE MATTERS

From and after the Commencement Date until the expiration or termination of the Lease Term, and provided no Event of Default has occurred and is continuing, Tenant shall have quiet enjoyment of the Demised Properties, subject however, to all Diligence Matters, which shall have priority over the interest of Tenant in this Lease and its leasehold interest in the Demised Properties.

ARTICLE X

DISCLAIMER AND INDEMNITY

Section 10.01 As used in this Lease, (x) “Landlord Parties” means, collectively, Landlord, Landlord’s Affiliates, Landlord’s Lenders and any Fee Mortgagee; (y) “Landlord’s Affiliates” means Landlord’s members, partners, officers, directors, shareholders, employees, or any person or entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with Landlord (for purposes of this definition, the

term “control,” “controlled by” or “under common control with” means the power, direct or indirect, to direct or cause the direction of the management and policies of Landlord, whether through the ownership of voting stock, by contract, as trustee or executor, or otherwise); and (z) “Landlord’s Lenders” means any persons or entities providing financing or refinancing to Landlord which is secured by a mortgage against any Demised Property or any secured mezzanine lender in the capital structure of any direct or indirect owner in Landlord. To the extent not prohibited by law, none of the Landlord Parties shall be liable, under any circumstances, for any loss, injury, death or damage to person or property (including but not limited to the business or any loss of income or profit therefrom) of Tenant, Tenant’s members, officers, directors, shareholders, agents, employees, contractors, customers, invitees, or any other person in or about the Demised Properties, whether the same are caused by (a) fire, explosion, falling plaster, steam, dampness, electricity, gas, water, rain; or (b) breakage, leakage or other defects of sprinklers, wires, appliances, plumbing fixtures, water or gas pipes, roof, air conditioning, lighting fixtures, street improvements, or subsurface improvements; or (c) theft, acts of God, acts of the public enemy, riot, strike, insurrection, civil unrest, war, court order, requisition or order of governmental body or authority; or (d) any act or omission of any other occupant of the Demised Properties; or (e) operations in construction of any private, public or quasi-public work; or (f) any other cause, including damage or injury which arises from the condition of the Demised Properties, from occupants of adjacent property, from the public, or from any other sources or places, and regardless of whether the cause of such damage or injury or the means of repairing the same are inaccessible to Tenant, or which may arise through repair, alteration or maintenance of any part of the Demised Properties or failure to make any such repair, from any condition or defect in, on or about the Demised Properties including any “Environmental Conditions” (as defined in Article XXXVII) or the presence of any mold or any “Hazardous Materials” (as defined in Article XXXVII) (other than known environmental problems specifically identified in the environmental site reports described on Schedule 2 to the Existing Lease (the “Environmental Reports”)), or from any other condition or cause whatsoever; provided, however, that the foregoing release set forth in this Section 10.01 shall not be applicable to any claim against a Landlord Party to the extent, and only to the extent, that such claim is attributable to the gross negligence or willful misconduct of such Landlord Party, as determined by a final nonappealable judgment (or by a judgment which such Landlord Party elects not to appeal) by a court of competent jurisdiction.

Section 10.02 In addition to any and all other obligations of Tenant under this Lease (including without limitation under any indemnity or similar provision set forth herein), to the extent permitted by law, Tenant hereby fully and forever releases, discharges, acquits, indemnifies, protects, and agrees to defend (with counsel selected by Tenant and approved by Landlord (or Landlord’s Lenders), such approval not to be unreasonably withheld, delayed or conditioned) and hold all Landlord Parties wholly free and harmless of, from and against any and all losses, claims, demands, actions, causes of action, settlements, obligations, duties, indebtedness, debts, controversies, remedies, choses in action, liabilities, costs, penalties, fines, damages, injury, judgments, forfeiture, or expenses (including without limitation reasonable attorneys’, consultant, testing and investigation and expert fees and court costs), whether known or unknown, whether liquidated or unliquidated: (a) arising out of or in any way related to or resulting directly or indirectly from: (i) the use, occupancy or activities of Tenant, its subtenants,

agents, employees, contractors or invitees in or about the Demised Properties; (ii) any failure on the part of Tenant to comply with any applicable law, code or regulation, including without limitation all Environmental Laws; (iii) any Default or Event of Default under this Lease or any breach or default by Tenant under any other Transaction Document (as defined below) (including without limitation as a result of any termination by Landlord, following an Event of Default, of any sublease, license, concession, or other consensual arrangement for possession entered into by Tenant and affecting the Demised Properties pursuant to Section 16.07); (iv) any other loss, injury or damage described in Section 10.01 above; (v) in connection with mold at any Demised Property (other than known mold problems specifically identified in the Environmental Reports); (vi) work or labor performed, materials or supplies furnished to or at the request of Tenant or in connection with obligations incurred by or performance of any work done for the account of Tenant in, on or about the Demised Properties; and (b) whether heretofore now existing or hereafter arising out of or in any way related to or resulting directly or indirectly from the presence or “Release” (as defined in Article XXXVII) at, on, under, to or from the Demised Properties of Hazardous Materials (other than known environmental problems specifically identified in the Environmental Reports). All of the personal or any other property of Tenant kept or stored at, on or about the Demised Properties shall be kept or stored at the sole risk of Tenant. Without limiting the foregoing, Tenant shall pay on demand all fees and costs of Landlord (including, without limitation, attorneys’ fees and costs) in connection with any enforcement by Landlord of the terms of this Lease and any amendment to this Lease requested by Tenant. Notwithstanding the foregoing, the indemnity set forth in this Section 10.02 shall not be applicable to any claim against any Landlord Party to the extent, and only to the extent, such claim is attributable to the gross negligence or willful misconduct of such Landlord Party, as determined by a final nonappealable judgment (or by a judgment which such Landlord Party elects not to appeal) by a court of competent jurisdiction. As used herein, “Transactional Documents” means, collectively, this Lease and the Guaranty, and any other agreements entered into by and between Landlord and Tenant regarding the foregoing or the Demised Properties.

Section 10.03 Landlord and Tenant each (a) represent to the other party that, other than Hilco Real Estate, LLC retained by Tenant (“Hilco”) such representing party has dealt with no broker or brokers in connection with the negotiation, execution and delivery of this Lease and (b) agrees to indemnify, defend, protect (with counsel selected by the other party) and holds such other party wholly free and harmless of, from and against any and all claims or demands for any and all brokerage commissions and/or finder’s fees due or alleged to be due as a result of any agreement or purported agreement made by such indemnifying party. Tenant shall be responsible for paying any commissions or fees to Hilco and Tenant agrees to indemnify, defend, protect (with counsel selected by Landlord) and hold Landlord wholly free and harmless of, from and against any and all claims or demands for any and all brokerage commissions and/or finder’s fees due or alleged to be due as a result of any agreement or purported agreement made by Tenant with Hilco.

Section 10.04 The provisions of this Article X shall survive the expiration or sooner termination of this Lease. Tenant hereby waives the provisions of any applicable laws restricting the release of claims, or extent of release of claims, which Tenant does not know or suspect to exist at the time of release, which, if known, would have materially affected Tenant’s decision to agree to this release. In this regard, Tenant hereby agrees, represents, and warrants to Landlord

that Tenant realizes and acknowledges that factual matters now unknown to Tenant may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and Tenant further agrees, represents and warrants that the release provided hereunder has been negotiated and agreed upon in light of that realization and that Tenant nevertheless hereby intends to release, discharge and acquit the parties set forth herein above from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are in any manner set forth in or related to this Lease, the Demised Properties and all dealings in connection therewith.

ARTICLE XI

INSURANCE

Section 11.01 INTENTIONALLY DELETED.

Section 11.02 As of the Commencement Date and throughout the Lease Term, Tenant shall maintain, with financially sound and reputable insurers (as further described in Section 11.03), public liability and other types of insurance with respect to its business and each Real Property (including the Buildings now existing or hereafter erected thereon) against all losses, hazards, casualties, liabilities and contingencies as customarily carried or maintained by persons of established reputation engaged in similar businesses. Without limitation of the foregoing, Tenant shall maintain or cause to be maintained policies of insurance with respect to the Real Property in the following amounts and covering the following risks:

(a) Commercial property coverage for one hundred percent (100%) insurable guaranteed 100% replacement value with no co-insurance penalty (A) “Special Form Causes of Loss” coverage (as such term is used in the insurance industry), at least as broad as ISO Special Form Causes of Loss, CP1030, including coverage for glass breakage, vandalism and malicious mischief, with any deductible (other than related to the property insurance requirement pursuant to Sections 11.02(d) and 11.02(f) below) in excess of One Hundred Thousand Dollars (US\$100,000) to be approved by Landlord and, (B) “Ordinance and Law Coverage” with limits of not less than the building value for Coverage A (loss to the undamaged portion of the Buildings), limits of not less than fifteen percent (15%) of the building value of the Buildings for Coverage B (Demolition Cost Coverage), and limits not less than fifteen percent (15%) of the value of the Buildings for Coverage C (Increased Cost of Construction Coverage).

(b) Commercial General Liability insurance including Product Liability and Liquor Liability (if alcohol is served) covering each Demised Property at least as broad as the most commonly available ISO Commercial General Liability policy form CG0001 (occurrence basis) covering bodily injury, property damage and personal and advertising injury, for the joint benefit of and insuring Tenant and Landlord as set forth below, with limits not less than One Million Dollars (US\$1,000,000) per occurrence, with a general aggregate of not less than One Million Dollars (US\$1,000,000), with any deductible or self-insured retention in excess of Five Hundred Thousand Dollars (US\$500,000) to be approved by Landlord, and a “following form” Umbrella Liability policy or Excess Liability policy to include Product Liability and Liquor

Liability (if alcohol is served), in an amount such that the total coverage under both the aforesaid Commercial General Liability policy and the Umbrella Liability policy or Excess Liability policy is not less than Five Million Dollars (US\$5,000,000) per occurrence.

(c) Worker's compensation insurance covering all persons employed by Tenant at each Demised Property in connection with any work done on or about any of the Demised Property for which claims for death or bodily injury could be asserted against Landlord, Tenant or any of the Demised Property.

(d) In the event a Demised Property is located in an area identified by the National Flood Insurance Program as an area having "special flood hazards" (zones beginning with "A" or "V") Tenant shall maintain throughout the term of this Lease and any extension thereof, flood insurance for the full replacement value of such Demised Property, with any deductible in excess of the greater of (i) Two Hundred Fifty Thousand Dollars (US\$250,000.00) or five percent (5%) of property value to be approved by Landlord.

(e) Insurance against loss or damage from explosion of any steam or pressure boilers or similar apparatus located in or about the Buildings with limits of not less than Ten Million Dollars (US\$10,000,000) for consequential damages, covering the Buildings and Fixtures (excluding footings and foundations and other parts of the Buildings which are not insurable), with any deductible in excess of One Hundred Thousand Dollars (US\$100,000) to be approved by Landlord.

(f) In the event any Demised Property is located in a major earthquake damage area and earthquake insurance is available, Tenant shall maintain throughout the Term applicable to such Demised Property earthquake insurance for the full replacement value of the Demised Property, with any deductible in excess of the greater of (i) Two Hundred Fifty Thousand Dollars (US\$250,000) or (ii) five percent (5%) of property value to be approved by Landlord.

(g) Such additional and/or other insurance with respect to the Buildings located on the applicable Demised Property and in such amounts as at the time is customarily carried by prudent owners or tenants with respect to improvements and equipment similar in character, location and use and occupancy to the Buildings located on each of the Demised Property.

Section 11.03 Each carrier providing any insurance, or portion thereof, required by this Article shall have the legal right to conduct its business in the jurisdiction in which the applicable Real Property is located, and shall have a claims paying ability rating by S&P of not less than "A-" and an A.M. Best Company, Inc. rating of not less than A and financial size category of not less than X. Tenant shall cause all insurance that it is required to maintain hereunder to contain a mortgagee clause and loss payee clause in favor of Landlord's Lender in accordance with this Section to be payable to Landlord's Lender as a mortgagee and not as a co-insured, as its interest may appear.

Section 11.04 All insurance policies required to be maintained by Tenant hereunder and renewals thereof (a) shall be in a form reasonably acceptable to Landlord, (b) shall provide for a term of not less than six months (except for any short term extensions granted by the relevant insurance carriers while Tenant and such insurance carriers work on a longer term policy renewal), (c) if the same are insurance policies covering any property (i) shall include a standard non-contributory mortgagee endorsement or its equivalent in favor of and in form acceptable to Landlord's Lender, (ii) shall contain an agreed value clause updated periodically and (iii) shall designate Landlord's Lender as "mortgagee and loss payee" as their interest may appear, and (d) shall provide that the policy of insurance shall not be terminated, cancelled, substantially modified or allowed to lapse on any renewal date without at least thirty (30) days' prior written notice to Landlord, Landlord's Lender and to any other party covered by any standard mortgage clause, loss-payee or additional insured endorsement. In addition, all property insurance policies (except for flood and earthquake limits) must either automatically reinstate after each loss or Tenant must otherwise provide for uninterrupted coverage. Furthermore, all property insurance policies shall reflect that Landlord and Landlord's Lender (the "Landlord Insured Parties") are loss payees to the extent that their respective interests appear. With respect to commercial general liability and umbrella policies, the Landlord Insured Parties shall be named as additional insureds with respect to the leased Demised Properties. The Landlord Insured Parties shall be provided with evidence of property insurance coverage consistent with this Article XI utilizing an Accord form 27, 28 or equivalent, confirming the loss payee status of the Landlord Insured Parties. The form shall also reflect any business interruption coverage maintained voluntarily by Tenant. With respect to liability and umbrella insurance, the Landlord Insured Parties shall be provided with evidence of coverage utilizing an Accord form 25 or equivalent, reflecting that the Landlord Insured Parties are additional insureds with respect to the leased locations. This form shall also confirm the existence of workers compensation insurance including a waiver of subrogation against Landlord.

Section 11.05 Any insurance provided for in this Article may be effected by a blanket policy or policies of insurance, or under so-called "all-risk" or "multi-peril" insurance policies, provided that the amount of the total insurance available with respect to the Demised Properties shall provide coverage and indemnity at least equivalent to separate policies in the amounts herein required, and provided further that in other respects, any such policy or policies shall comply with the provisions of this Article. Any increased coverage provided by individual or blanket policies shall be satisfactory, provided the aggregate liability limits covering the Demised Properties under such policies shall otherwise comply with the provisions of this Article.

Section 11.06 Every property insurance policy carried by either party with respect to the Demised Properties shall (if it can be so written) include provisions waiving the insurer's subrogation rights against the other party to the extent such rights can be waived by the insured prior to the occurrence of damage or loss. Subject to the above, each party hereby waives any rights of recovery against the other party for any property direct damage or associated consequential loss covered by said policies (or by policies required to be carried hereunder by such party) whether or not such damage or loss shall have been caused by any acts or omissions of the other party, but such waiver shall operate only to the extent such waiving party is so

protected by such insurance coverage (or would have been protected by maintaining all policies required to be carried hereunder by such party).

Section 11.07 All insurance policies required under this Article XI shall provide that the beneficial interest of Landlord in such policies shall be fully transferable. In the event Tenant fails to procure or maintain any policy of insurance required under Article XI, or if the insurance company or coverages provided fail to meet the requirements contained in this Article XI, Landlord may, at its option, purchase such insurance and charge Tenant all costs and expenses incurred in procuring and maintaining such insurance.

ARTICLE XII

DAMAGE OR DESTRUCTION

Section 12.01 If at any time during the Lease Term, any Demised Properties or any part thereof shall be damaged or destroyed by fire or other casualty of any kind or nature, Tenant shall promptly apply for all necessary permits, and promptly after issuance of such permits and receipt of insurance proceeds, diligently proceed to repair, replace or rebuild such Demised Properties as nearly as possible to their condition and character immediately prior to such damage with such variations and Alterations as may be permitted under (and subject to the provisions of) Article VI (the “Restoration Work”). Notwithstanding the foregoing, if Tenant has not exercised its renewal option, Tenant shall have no obligation to repair, replace or rebuild such Demised Properties during the last two (2) years of the Lease Term, so long as (i) no Event of Default exists, including without limitation any Event of Default under the insurance provisions, (ii) Landlord shall have received any and all insurance proceeds relating to such casualty (other than insurance proceeds on account of Tenant’s trade fixtures, Restaurant Equipment or inventory) and (iii) Tenant shall have paid the deductible for the insurance policy covering such casualty. Tenant shall have the right to receive any and all insurance proceeds on account of Tenant’s trade fixtures, Restaurant Equipment or inventory.

Section 12.02 All property and casualty insurance proceeds payable to Landlord or Tenant (except (i) insurance proceeds payable to Tenant on account of Tenant’s trade fixtures, Restaurant Equipment or inventory; and (ii) insurance proceeds payable from comprehensive general public liability insurance, or any other liability insurance) at any time as a result of casualty to the Demised Properties shall be paid to Tenant if less than \$100,000 (which amount shall be adjusted annually in proportion to increases in the CPI), otherwise jointly to Landlord and Tenant for purposes of payment for the cost of the Restoration Work, except as may be otherwise expressly set forth herein. Landlord shall make such insurance proceeds available to Tenant based on a commercially reasonable draw schedule. Landlord and Tenant shall cooperate in order to obtain the largest possible insurance award lawfully obtainable and shall execute any and all consents and other instruments and take all other actions necessary or desirable in order to effectuate same and to cause such proceeds to be paid as hereinbefore provided. The proceeds of any such insurance in the case of loss shall, to the extent necessary, be used first for the Restoration Work with the balance, if any, payable to Landlord. If insurance proceeds as a result of a casualty to the relevant Demised Property(ies) are insufficient to complete the Restoration

Work necessary by reason of such casualty, then Tenant shall be responsible for the payment of such amounts necessary to complete such work.

Section 12.03 This Lease shall not be affected in any manner by reason of the total or partial destruction to any Demised Property or any part thereof and Tenant, notwithstanding any law or statute, present or future, waives all rights to quit or surrender any Demised Property or any portion thereof because of the total or partial destruction of any Demised Property (prior to the expiration of this Lease). Base Rent and Additional Rent required to be paid by Tenant hereunder shall not abate as a result of any casualty.

ARTICLE XIII

EMINENT DOMAIN

Section 13.01 Landlord and Tenant hereby agree that in no event shall any taking of any Demised Property for any public or quasi-public use under any statute or by right of eminent domain, or by purchase in lieu thereof, in any way relieve Tenant of any obligations under this Lease (as to the applicable Demised Property or otherwise) except as explicitly provided in this Article.

Section 13.02 The parties hereto agree to cooperate in applying for and in prosecuting any claim for any taking regarding any Demised Property and further agree that the aggregate net award shall be distributed to Landlord for the condemned Demised Property. Tenant shall be entitled to claim and receive any award or payment from the condemning authority expressly granted for the taking of Tenant's trade fixtures, Restaurant Equipment or inventory, the interruption of its business and moving expenses, but only if such claim or award does not adversely affect or interfere with the prosecution of Landlord's claim for the taking or otherwise reduce the amount recoverable by Landlord for the taking.

Section 13.03 In case of a taking of any portion of any Demised Property (except if this Lease is terminated with respect to such Demised Property pursuant to Section 13.04), Tenant at its own expense shall proceed with diligence (subject to reasonable time periods for purposes of adjustment of any award and unavoidable delays) to repair or reconstruct (or cause to be repaired and reconstructed) the affected Building to a complete architectural unit (all such repair, reconstruction and work being referred to in this Article as "Reconstruction Work"). Landlord shall make such condemnation award available to Tenant based on a commercially reasonable draw schedule for Reconstruction Work up to and not exceeding the net compensation amount realized by Landlord as a result of such taking (i.e., the gross amount of the compensation received by Landlord from the taking authority less all reasonable costs and expenses incurred by Landlord in pursuing, prosecuting, and/or recovering its claim to such award). All Reconstruction Work shall be performed in accordance with the standards and requirements for Alterations set forth in Article VI.

Section 13.04 In case of a taking of any portion of any Demised Property, the Base Rent payable hereunder regarding the Demised Properties shall be equitably reduced as of the Impact Date (as hereinafter defined) by a percentage equal to the percentage of the diminution in

value of such Demised Property, as reasonably determined by Tenant and Landlord (however, Tenant shall not reduce the payment of Base Rent until such determination of the equitable reduction in Base Rent, or until determination by an arbitration as set forth below, and then Tenant shall be entitled to a credit for any excess payments of Base Rent made by Tenant). “Impact Date” shall mean the date on which Tenant is no longer legally permitted to use the portion of the Demised Property that was taken. In determining the equitable reduction in Base Rent, the parties shall utilize the fair market value of such Demised Property, as of the date of inception of this Lease, as determined by an MAI Appraiser mutually acceptable to the parties. If the parties fail to agree on the reduction in Base Rent due to the applicable taking with respect to the Demised Properties within fifteen (15) business days after the applicable taking, then either party, by written notice delivered to the other party (the date when such notice is delivered to the other party is referred to herein as the “Notice Date”), may cause the following procedure to be utilized in determining such reduction in Base Rent:

(1) Submission of Proposed Base Rent Reduction. Within fifteen (15) days after the Notice Date, each of Landlord and Tenant shall deliver to the other party its calculation of its proposed equitable reduction in the Base Rent as a result of the applicable taking (a “Base Rent Reduction”), which calculation shall include (a) the Base Rent properly allocated to the Demised Properties prior to the taking, (b) the percentage diminution in value of the applicable Demised Property as a result of the taking, and (c) the resulting reduction in Base Rent hereunder as a result of such taking.

(2) Appointment and Qualifications of Appraiser. Within thirty (30) days after the Notice Date, Landlord and Tenant shall each appoint one licensed real estate appraiser who has been active over the previous five-year (5-year) period in the appraisal of single tenant restaurants within the county in which the Demised Properties are located (each such appraiser chosen pursuant to this subsection (2), an “Appraiser”). Each of Landlord and Tenant shall notify the other party, in writing, of its Appraiser (and the business address thereof) within two (2) business days after the appointment thereof (collectively, the “Appraiser Appointment Notices”). Each of Landlord and Tenant agree that any Appraiser may be (but is not required to be) an appraiser who assisted either party in determining such party’s calculation of the Base Rent Reduction pursuant to subsection (1), above.

(3) Appointment of Third Appraiser. If each party appoints an Appraiser and notifies the other party in accordance with subsection (2), above, then the two (2) Appraisers shall, within ten (10) business days after delivery of the later of the two Appraiser Appointment Notices, agree on and appoint a third Appraiser (whom shall be a licensed real estate appraiser with all other qualifications for the initial two Appraisers chosen by the parties as set forth in subsection (2), above) and provide prompt written notice to Landlord and Tenant of such third Appraiser and the

business address thereof. If the two (2) Appraisers fail to agree on and appoint a third Appraiser within such ten (10) business day period, then either party may elect to have the third Appraiser selected by the AAA by delivering written notice thereof to the other party. In such event, the electing party shall petition the AAA (with a copy to the other party) to so determine the third Appraiser and the parties shall cooperate reasonably with each other and the AAA (including, without limitation, by responding promptly to any requests for information made by the AAA) in connection with such determination. The decision of the AAA shall be final and conclusive as to the identity of the third Appraiser.

(4) Appraisers' Decision. Within thirty (30) days after the appointment of the third Appraiser, each of the three (3) Appraisers shall decide whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser. The decision of the majority of the three (3) Appraisers shall be binding on Landlord and Tenant (subject to subsection (5), below). The determination of each Appraiser shall be limited to the sole issue of, and each Appraiser shall have neither the right nor the power to determine any issue other than, whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser.

(5) If Only One Appraiser Is Appointed. If either Landlord or Tenant fails to appoint an Appraiser within thirty (30) days after the Tenant Notice Date or fails to deliver an Appraiser Appointment Notice in accordance with subsection (2), above, and the other party does appoint an Appraiser within such thirty (30) day period and delivers an Appraiser Appointment Notice in accordance with subsection (2), above, then the Appraiser timely appointed by such other party shall reach a decision regarding whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser, and notify Landlord and Tenant of that decision within thirty (30) days after such Appraiser's appointment. In such event, such Appraiser's decision shall be binding on Landlord and Tenant.

(6) Cost of Arbitration. If the Appraisers (or Appraiser, pursuant to subsection (5), above) determine that Tenant's proposed Base Rent Reduction is closer to the actual Base Rent Reduction, then Landlord shall be deemed the "Losing Party" and Tenant shall be deemed the "Prevailing Party." If the Appraisers (or Appraiser, pursuant to subsection (5), above) determine that Landlord's proposed Base Rent Reduction is closer to the actual Base Rent Reduction, then Tenant shall be deemed the "Losing Party" and Landlord shall be deemed the "Prevailing Party."

Each party shall initially pay the fees and expenses of its legal counsel, appointed appraiser, appraisals, one-half of the fees of the third appraiser, and one-half the fees of the AAA (if applicable), provided, however, that the Losing Party shall be obligated to reimburse the Prevailing Party for all costs of the arbitration paid by the Prevailing Party promptly upon the completion of the arbitration procedure set forth in this Section (including fees and expenses of the Prevailing Party's legal counsel, appointed appraiser, appraisals, and its one-half share of the fees of the third appraiser, and the AAA (if applicable)).

In the event of a total taking of a Demised Property, (i) this Lease shall terminate with respect to such Demised Property, (ii) Tenant's obligations with respect to such Demised Property shall terminate from and after the Total Taking Date (as hereinafter defined) and (iii) Landlord shall be entitled to the entire condemnation award for such total taking of such Demised Property. In the event of the taking of more than twenty-five (25%) percent of the square footage of the restaurant building located on a Demised Property, Tenant shall have the right to terminate this Lease with respect to such Demised Property by written notice given to Landlord no later than the Total Taking Date, and if such termination right is timely exercised, Tenant's obligations with respect to such Demised Property shall terminate from and after the Total Taking Date and Landlord shall be entitled to the entire condemnation award for such taking of such Demised Property. "Total Taking Date" shall mean the date of the actual transfer of title of such Demised Property from Landlord to the applicable condemning authority.

Notwithstanding the foregoing, in connection with any condemnation award received by Landlord in an amount less than US\$100,000 (which amount shall be adjusted annually in proportion to increases in the CPI), Landlord, in its sole discretion, shall either reduce the Base Rent as of the Impact Date (a) in accordance with the foregoing appraisal process or (b) by an amount equal to the product of (1) the actual condemnation award received by Landlord multiplied by (2) 0.667 percent (0.667%).

Section 13.05 Any compensation for a temporary taking shall be payable to Tenant without participation by Landlord, except to the proportionate extent such temporary taking extends beyond the end of the Lease Term, and there shall be no abatement of Rent as a result of any temporary taking affecting any of the Demised Properties.

ARTICLE XIV

PERFORMANCE OF OBLIGATIONS

Section 14.01 Performance of Obligations.

(a) Landlord hereby represents, warrants and covenants to Tenant that Landlord has the right and lawful authority to enter into this Lease and perform Landlord's obligations hereunder.

(b) Tenant hereby represents, warrants and covenants to Landlord that Tenant has the right and lawful authority to enter into this Lease and perform Tenant's obligations hereunder.

Section 14.02 Intentionally Deleted

Section 14.03 Books and Records. Tenant shall keep accurate books and records of account of all of the Demised Properties. Tenant shall provide, or cause to be provided, to Landlord, in addition to any other financial statements required under this Lease, the following financial statements and information, all of which must be prepared in a form reasonably acceptable to Landlord:

(i) promptly and in any event within sixty (60) days after the end of each Fiscal Quarter, (x) quarterly statements of EBITDA in respect of each Demised Property for each Fiscal Month in such Fiscal Quarter and year-to-date, to be certified by an officer of Tenant, and (y) total sales figures in respect of each Demised Property for each Fiscal Month in such Fiscal Quarter and year-to-date; and

(ii) promptly and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, an annual statement of financial position of Tenant, including a balance sheet and statement of profits and losses and, to the extent one is prepared, a statement of cash flows, such annual statements of financial position to be certified by an officer of Tenant to fairly represent the financial condition of Tenant as of the date thereof. To the extent such financial statements are audited, Tenant shall provide Landlord with a final copy of that audit within thirty (30) days of completion. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Tenant shall be permitted to satisfy its obligations under this clause (ii) by providing (or causing Buffets, LLC to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Tenant; and

(iii) in the event that Tenant defaults in making any payment required under this Lease when due and such default is not cured within thirty (30) days, within sixty (60) days of Landlord's request, a quarterly statement of financial position of Tenant, including a balance sheet and statement of profits and losses and a statement of cash flows, for the most recent Fiscal Quarter for which such quarterly statements were prepared by Tenant, such quarterly statements to be certified by an officer of Tenant to fairly represent the financial condition of Tenant as of the date thereof. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Tenant shall be permitted to satisfy its obligations under this clause (iii) by providing (or causing Buffets, LLC to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Tenant.

"Fiscal Year" shall mean a fiscal year from approximately July to June (subject to change by Tenant); "Fiscal Quarter" shall mean approximately July through September, approximately October through December, approximately January through March, and

approximately April through June (subject to change by Tenant). The last day of each Fiscal Year is the Wednesday closest to June 30th (subject to change by Tenant); and “Fiscal Month” shall mean either (A) a calendar month or (B) a reporting period equal to 1/13 of a year, whichever shall then be used by Tenant in maintaining its books and records.

Tenant acknowledges that Landlord must comply with certain financial audit requirements and Landlord will suffer damages from Tenant’s failure to deliver any of the financial information required in Subsections 14.03(i) and (ii) (the “Key Financial Statements”) as and when due. If Tenant fails to deliver any Key Financial Statements as and when due, and such failure is not cured within ten (10) days after written notice from Landlord, subject to Force Majeure, Tenant shall pay Landlord a fee equal to US\$500 for each day that Tenant has failed to deliver any such Key Financial Statements (the “Financial Statements Default Fee”). The Financial Statements Default Fee is in addition to, and not in lieu of, any other remedy of Landlord under this Lease regarding Tenant’s failure to deliver the Key Financial Statements. Tenant’s payment of the Financial Statements Default Fee does not cure any Default or Event of Default caused by the failure to deliver any Key Financial Statement in a timely manner.

ARTICLE XV

INTENTIONALLY DELETED

ARTICLE XVI

DEFAULT

Section 16.01 Events Of Default. The occurrence of any of the following shall constitute an event of default under this Lease (“Event of Default”) on the part of Tenant:

(a) Nonpayment of Base Rent. Failure to pay any installment of Base Rent hereunder when due, and the continuance of such nonpayment for five (5) days after Tenant’s receipt of written notice and demand from Landlord.

(b) Nonpayment of Additional Rent. Failure to pay any amount of Additional Rent on or before the date when due and such failure continuing for seven (7) business days following delivery to Tenant by Landlord of written notice specifying such failure.

(c) Insolvency. If at any time during the Lease Term, (i) proceedings in bankruptcy shall be instituted (voluntarily or involuntarily) by or against Tenant or Buffets, LLC, a Minnesota limited liability company, formerly known as Buffets, Inc., OCB Restaurant Company, LLC, a Minnesota limited liability company, or HomeTown Buffet, Inc., a Minnesota corporation (individually or collectively, as the context may require, “Guarantor”) that result in the filing of a voluntary petition or the entry of an order for relief, or (ii) Tenant or Guarantor shall file, or any creditor or other person shall file against Tenant or Guarantor, any petition in bankruptcy (i.e., seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief) under the Bankruptcy Code of the United

States of America (or under any other present or future federal or state statute, law or regulation of similar intent or application), and such filing is not vacated or withdrawn within sixty (60) days thereafter, or (iii) a trustee or receiver shall be appointed to take possession of any of the Demised Properties, or of all or substantially all of the business or assets of Tenant or Guarantor, and such appointment is not vacated or withdrawn and possession restored to Tenant within sixty (60) days thereafter, or (iv) a general assignment or arrangement is made by Tenant or Guarantor for the benefit of creditors, or (v) any sheriff, marshal, constable or other duly-constituted public official takes possession of any Demised Property, or of all or substantially all of the business or assets of Tenant or Guarantor by authority of any attachment, execution, or other judicial seizure proceedings, and if such attachment or other seizure remains undismissed or undischarged for a period of sixty (60) days after the levy thereof, or (vi) Tenant or Guarantor shall admit in writing Tenant's or Guarantor's inability to pay its debts as they become due; or (vii) Tenant or Guarantor files an answer admitting or failing timely to contest a material allegation of a petition filed against Tenant or Guarantor, respectively, in any such proceeding; or (viii) within ninety (90) days after the commencement of any proceeding against Tenant or Guarantor seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, such proceeding shall not have been dismissed. In the event that under applicable law the trustee in bankruptcy or Tenant has the right to affirm this Lease and continue to perform the obligations of Tenant hereunder, such trustee or Tenant shall, within such time period as may be permitted by the bankruptcy court having jurisdiction, cure all defaults of Tenant hereunder outstanding as of the date of the affirmance of this Lease and provide to Landlord such adequate assurances as may be necessary to ensure Landlord of the continued performance of Tenant's obligations under this Lease.

(d) Misrepresentation. The discovery by Landlord that any representation, warranty or financial statement given to Landlord by Tenant or Guarantor, or any affiliate of Tenant or Guarantor, was intentionally materially false or misleading when given, including without limitation as set forth in any Transaction Document.

(e) Insurance; Patriot Act. Any breach by Tenant under Article XI or Article XLII, provided however, any breach by Tenant under Article XI shall not constitute an Event of Default so long as Tenant cures any such breach within ten (10) days after receipt of written notice of such breach from Landlord (provided further however, that any lapse of any of the insurance policies required under Article XI shall constitute an automatic Event of Default without any notice or cure right).

(f) Delivery of Documents. The failure by Tenant to deliver any of the documents required pursuant to Section 26.01, 28.01 or 38.01 within the time periods required pursuant to such sections (except if the delay is caused by the good faith negotiation between Tenant and Landlord or its Lender with respect to the form and substance of such documents).

(g) Financial Information; Insurance. Tenant fails in any of its obligations set forth in Section 14.03, such failure continuing for a period of ten (10) days after written notice of such failure is delivered by Landlord to Tenant; or any claim of lien is recorded against any Demised Property and such claim of lien continues for thirty (30) days without discharge (by

bonding or other means available pursuant to applicable law), satisfaction or provision for payment being made by or on behalf of Tenant.

(h) Cross Default With Guaranty. There is any default by Guarantor, after any applicable notice or cure periods, under the Guaranty.

(i) Intentionally Omitted.

(j) Cross Default With Other Leases. There is any default by the tenant, after any applicable notice or cure periods, under any of the leases listed below (collectively, the “Crossed Leases”) provided that, this clause (j) shall only apply to any particular Crossed Lease during the time period that Landlord and the landlord under such Crossed Lease are affiliated entities:

(1) the Amended and Restated Master Land and Building Lease dated as of even date herewith between ARC DBPPROP001, LLC, as landlord, and Fire Mountain Restaurants, LLC, OCB Restaurant Company, LLC and HomeTown Buffet, Inc., as tenant;

(2) the Land and Building Lease dated as of even date herewith between ARC DBPPROP001, LLC, as landlord, and OCB Restaurant Company, LLC, as tenant, with respect to the premises located at 1655 Countryside Drive, Turlock, California; and

(3) the Land and Building Lease dated as of even date herewith between ARC DBPPROP001, LLC, as landlord, and OCB Restaurant Company, LLC, as tenant, with respect to the premises located at 4640 Roosevelt Boulevard, Philadelphia, Pennsylvania.

(k) Other Obligations. The failure by Tenant to timely perform any obligation, agreement or covenant under this Lease, other than those matters specified in Sections 16.01(a)-(j) above, and such failure continuing for a period of thirty (30) days after written notice of such failure is delivered to Tenant, or such longer period, up to but not exceeding an additional ninety (90) days, as is reasonably necessary to remedy such default provided, however, that if Tenant has continuously and diligently pursued a remedy at all times during such thirty (30) day period and additional ninety (90) day period, and notwithstanding such efforts by Tenant the applicable Default has not been cured, and if Tenant prior to the expiration of such additional ninety (90) day period delivers to Landlord cash or other collateral, or agrees to other undertakings, in each case reasonably acceptable to Landlord that, in Landlord’s commercially reasonable judgment, fully mitigate any loss that Landlord has suffered, or is reasonably likely to suffer, as a result of such Default, then such Default shall be deemed cured by Tenant for all purposes hereunder; provided, however, that if at any time thereafter Landlord determines in its commercially reasonable discretion that additional cash, collateral or other undertakings by Tenant are required in order to fully mitigate any loss that Landlord has suffered, or is reasonably likely to suffer, as a result of such Default, then Tenant shall deliver such cash or collateral to Landlord, or agree to such other undertakings, within

thirty (30) days after Landlord's written request therefor (and any failure to do so shall constitute an immediate Event of Default hereunder), and Landlord and Tenant agree that Landlord's actions in accordance with this subsection 16.01(k) shall satisfy any obligation of Landlord pursuant to applicable law to mitigate its damages following any Default.

As used in this Lease, "Default" means any breach or default under this Lease, whether or not the same is an Event of Default, and also any breach or default under this Lease, that after notice or lapse of time or both, would constitute an Event of Default if that breach or default were not cured within any applicable grace or cure period.

Section 16.02 Remedies Upon Event of Default. If an Event of Default by Tenant occurs and during the continuance thereof, in addition to any other remedies available to Landlord at law or in equity or elsewhere hereunder, Landlord shall have the following remedies:

(a) Termination. Landlord shall have the right, with or without notice or demand, immediately upon expiration of any applicable grace period specified herein, to terminate this Lease (or Tenant's possession to any of the Demised Properties), and at any time thereafter recover possession of all or any portion of the Demised Properties or any part thereof and expel and remove therefrom Tenant and any other person occupying the same by any lawful means, and repossess and enjoy all or any portion of the Demised Properties without prejudice to any of the remedies that Landlord may have under this Lease. If Landlord elects to terminate this Lease (or to terminate Tenant's right of possession), Landlord shall also have the right to reenter the Demised Properties and take possession of and remove all personal property of Tenant, if any, in such Demised Properties. In connection with any such repossession Tenant (and any affiliate of Tenant holding a liquor license, if any, with respect to the Demised Properties) shall cooperate reasonably with Landlord and any applicable government agency in transferring its liquor license to Landlord, or in assisting Landlord in obtaining a liquor license, all at no cost or expense to Tenant. If Landlord elects to terminate this Lease and/or Tenant's right to possession, or if Tenant's right to possession is otherwise terminated by operation of law, Landlord may recover as damages from Tenant the following: (i) all Rent then due under this Lease through the date of termination; (ii) the Rent due for the remainder of the Lease Term in excess of the fair market rental value of the Demised Properties for the remainder of the Lease Term, including without limitation any and all Additional Rent (each discounted by the discount rate of the Federal Reserve Bank of San Francisco plus one percent (1%)); (iii) the cost of reletting the Demised Properties, including without limitation the anticipated period of vacancy until such Demised Properties can be re-let at their fair market rental values; and (iv) any other costs and expenses that Landlord may reasonably incur in connection with the Event of Default. Efforts by Landlord to mitigate the damaged caused by the Event of Default (or Tenant's Default under this Lease) shall not waive Landlord's right to recover damages under the foregoing provisions.

(b) Continuation after Event of Default. If Landlord does not elect to terminate this Lease, then this Lease shall continue in effect, and Landlord may enforce all of its rights and remedies under this Lease, including, without limitation, the right to recover Rent as it becomes due, and Landlord, without terminating this Lease, may exercise all of the rights and remedies of a landlord under law, subject to Article XXXII hereof. Landlord shall not be

deemed to have terminated this Lease except by an express statement in writing. Acts of maintenance or preservation, efforts to relet the Demised Properties, or the appointment of a receiver upon application of Landlord to protect Landlord's interest under this Lease shall not constitute an election to terminate Tenant's right to possession unless such election is expressly stated in writing by Landlord. Notwithstanding any such reletting without such termination, Landlord may at any time thereafter elect to terminate Tenant's right to possession and this Lease. If Landlord elects to relet the Demised Properties for the account of Tenant, the rent received by Landlord from such reletting shall be applied as follows: first, to the payment of any and all costs of such reletting (including, without limitation, reasonable attorneys' fees, brokers' fees, alterations and repairs to the Demised Properties, and tenant improvement costs); second, to the payment of any and all indebtedness other than Rent due hereunder from Tenant to Landlord; third, to the payment of any and all Rent due and unpaid hereunder; and the balance, if any, shall be held by Landlord and applied in payment of future Rent as it becomes due. If the rent received from the reletting is less than the sum of the costs of reletting, other indebtedness due by Tenant, and the Rent due by Tenant, then Tenant shall pay the deficiency to Landlord promptly upon demand by Landlord. Such deficiency shall be calculated and paid monthly.

(c) State-Specific Remedy. Landlord may pursue any other remedy now or hereafter available to Landlord under the laws and judicial decisions of the state in which the Demised Properties are located in addition to and not as an alternative remedy to those provided hereunder.

Section 16.03 Indemnification. Nothing in this Article shall be deemed to affect Tenant's obligation to indemnify, defend, protect and hold harmless Landlord and the other Landlord Parties under this Lease (including, without limitation, under Article X and Article XXXVII), and such obligation shall survive the termination or expiration of this Lease.

Section 16.04 Waiver of Notice/Performance by Landlord. Notwithstanding any provision herein, (a) if Tenant is required to comply with any governmental requirement, Tenant shall not be entitled to notice of default from Landlord and right to cure beyond the period within which such compliance may be required by applicable law or government agency or (b) if in Landlord's reasonable determination the continuance of any default by Tenant for the full period of notice provided for herein will constitute a threat of injury or harm to persons or property, Landlord may, with or without notice, elect to perform those acts with respect to which Tenant is in default for the account and at the expense of Tenant. If by reason of such governmental requirement or default by Tenant, Landlord is compelled or elects to pay any sum of money, (including without limitation reasonable attorneys' fees, consultant fees, testing and investigation fees, expert fees and court costs), such sums so paid by Landlord shall be due to Landlord from Tenant within thirty (30) days after written demand therefor from Landlord, in addition to any other amounts to be paid by Tenant under this Lease.

Section 16.05 Late Fee. In addition to any interest charged to Tenant under Section 16.06, if any payment of Base Rent or Additional Rent is not received by Landlord from Tenant within five (5) days after such payment is due to Landlord hereunder, such payment shall be deemed delinquent and cause Tenant to incur a late fee of seven percent (7%) on each such

delinquent payment (the "Late Fee"), due and payable immediately with the delinquent Base Rent or delinquent Additional Rent, as the case may be.

Section 16.06 Interest. Tenant hereby acknowledges that late payment by Tenant of Base Rent, Additional Rent and/or any other sums due by Tenant hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by the terms of any mortgage or trust deed covering the Demised Properties. Accordingly, in addition to any Late Fee due from Tenant hereunder, any sum due by Tenant under this Lease which is not paid when due shall bear interest at the lesser of ten percent (10%) per annum of such sums or the maximum rate allowed under applicable law, from the date such sum becomes due and payable by Tenant hereunder until paid, unless otherwise expressly provided in this Lease.

Section 16.07 Tenant's Subleases. If Landlord elects to terminate this Lease on account of any Event of Default, then Landlord may: (i) terminate any sublease and any license, concession, or other consensual arrangement for possession entered into by Tenant and affecting any of the Demised Properties which is not the subject of a nondisturbance agreement executed by Landlord; or (ii) choose to succeed to Tenant's interest in such arrangement. Absent a nondisturbance agreement between Landlord and such subtenant, no payment by a subtenant with respect to a sublease shall entitle such subtenant to possession of any Demised Property after termination of this Lease and Landlord's election to terminate the sublease by the subtenant. If Landlord elects to succeed to Tenant's interest in such arrangement, then Tenant shall, as of the date of notice given by Landlord to Tenant of such election, have no further right to, or interest in, any rent or other consideration receivable under that arrangement.

Section 16.08 Other Effects of Events of Default.

(a) Upon the occurrence of an Event of Default, Landlord shall have all rights and remedies hereunder and under applicable law immediately. Except only as may be required by statute which cannot be waived lawfully, Landlord shall have no obligation to give any notice after an Event of Default as a condition to Landlord's pursuit of any right or remedy.

(b) This Section is in all respects subject to any applicable statute that provides rights in favor of Tenant that are contrary to this Section. Notwithstanding anything else herein (but subject to any such applicable statute), Landlord shall have no obligation to accept the attempted or purported cure of, or to waive, any Event of Default, regardless of tender of delinquent payments or other performance by Tenant, or any other event or condition whatsoever; and Tenant shall not have any right to cure any Event of Default, and no right to cure shall be implied.

(c) Without limiting the foregoing, after the occurrence of any Event of Default (irrespective of whether or not the same consists of an ongoing condition, a one-time occurrence, or otherwise), the same shall be deemed to continue at all times thereafter; provided, however, that such Event of Default shall cease to continue only if Landlord shall accept performance of the defaulted obligation or shall execute and deliver a written agreement

in which Landlord expressly states that such Event of Default has ceased to continue. Landlord shall not be obligated under any circumstances whatsoever to accept such performance or execute and deliver any such writing.

(d) Without limitation, this Section shall govern in any case where reference is made in this Lease to (i) any “cure” (whether by use of such word or otherwise) of any Event of Default, (ii) “during an Event of Default” or “the continuance of an Event of Default” (in each case, whether by use of such words or otherwise), or (iii) any condition or event which continues beyond the time when the same becomes an Event of Default.

Section 16.09 Acceptance of Rent Without Waiving Rights. No payment by Tenant shall be deemed to be other than on account of the earliest sum due from Tenant hereunder, nor shall any endorsement or statement by Tenant on any check or any letter accompanying such payment be deemed an accord and satisfaction of any amount in dispute between Tenant and Landlord or otherwise. Landlord may accept any and all of Tenant’s payments without waiving any right or remedy under this Lease, including but not limited to the right to commence and pursue an action to enforce rights and remedies under a previously served notice of default, without giving Tenant any further notice or demand.

Section 16.10 Waiver by Tenant. Tenant hereby waives all claims for damages that may be caused by Landlord’s lawful reentering and taking possession of the Demised Properties in accordance with the provisions of this Lease or removing and storing the property of Tenant as herein provided.

Section 16.11 Remedies Cumulative. All rights, privileges, elections, and remedies of Landlord and Tenant are cumulative and not alternative with all other rights and remedies hereunder, at law or in equity to the fullest extent permitted by law. The exercise of one or more rights or remedies by Landlord or Tenant shall not impair Landlord’s or Tenant’s rights to exercise any other right or remedy to the fullest extent permitted by law.

Section 16.12 Survival. The remedies available to Landlord pursuant to this Article shall survive expiration or termination of this Lease.

ARTICLE XVII

UNAVOIDABLE DELAYS, FORCE MAJEURE

If either party shall be prevented or delayed from punctually performing any obligation or satisfying any condition under this Lease by any condition beyond the control of such party, exclusive of financial inability of a party (including without limitation any of the following if beyond the control of (and not caused by) such party (“Force Majeure”): strike, lockout, labor dispute, civil unrest, inability to obtain labor, materials or reasonable substitutes thereof, acts of God, present or future governmental restrictions, regulations or control, insurrection, and sabotage), then the time to perform such obligation or satisfy such condition shall be extended by the delay caused by such event, but only for a reasonable period of time not to exceed, in any event, three hundred sixty-five (365) days (the “Force Majeure Deadline”).

The provisions of this Article shall in no event operate to delay the Commencement Date or to excuse Tenant from the payment of all Rent as and when due under this Lease.

ARTICLE XVIII

NO WAIVER

The failure of Landlord or Tenant to insist upon strict performance of any of the terms and conditions hereof shall not be deemed a waiver of any rights or remedies that party or any other such party may have, and shall not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions.

ARTICLE XIX

ARTICLE XX

ACCESS

Landlord and its designees shall have the right upon not less than forty-eight hours' prior written notice to Tenant (except in the event of an emergency, where no prior notice shall be required) to enter upon any of the Demised Properties at reasonable hours to inspect such Demised Properties or, during the period commencing one year prior to the end of the Lease Term, for the purpose of exhibiting same to prospective tenants and posting "for lease" or similar signage at the Demised Properties, in Landlord's discretion. Any such entry and/or inspection by Landlord shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Properties. Tenant may provide an escort for Landlord during any such entry and/or inspection, but Landlord's right to such entry and/or inspection shall not be subject to the availability or presence of any such escort provided by Tenant. Landlord agrees to reasonably cooperate with any escort provided by Tenant during any inspection of the Demised Properties.

ARTICLE XXI

SIGNS

No sign shall be installed on any of the Demised Properties until all governmental approvals and permits required therefor are first obtained and all fees pertaining thereto have been paid by Tenant. Except as set forth in the preceding sentence, Tenant may, at Tenant's sole cost and expense, install or erect signs of any height or dimensions and bearing such inscription as Tenant shall reasonably determine. Tenant may at all times remove such signage, subject to the requirements of this Lease. Upon the termination of this Lease following an Event of Default or upon a rejection of this Lease in any bankruptcy, Landlord shall have the right, at its sole option, to retain and use the signage structures (e.g. base, pole) in the future operation of the Demised Properties without payment of any compensation to Tenant.

ARTICLE XXII

IMPROVEMENTS AND FIXTURES

Section 22.01 Any and all portions of the Building, all other improvements on the Real Property at the Commencement Date and all Building Equipment on the Demised Properties at the Commencement Date shall be the property of Landlord (excluding the trade fixtures and the Restaurant Equipment). In the event that Tenant installs or erects fixtures or improvements to the Demised Properties after the Commencement Date (excluding the trade fixtures and Restaurant Equipment), such fixtures or improvements shall at the expiration or earlier termination of this Lease, become the property of Landlord and remain upon and be surrendered with the Demised Properties. Notwithstanding the foregoing provisions, Tenant shall be liable for all property taxes, assessments, and similar charges assessed against or allocable to any fixtures or equipment at the Demised Properties (irrespective of whether such items are Building Equipment owned by Landlord or Restaurant Equipment or other personal property of Tenant) and which are attributable to any period of time during the Lease Term.

Section 22.02 During the Lease Term, Tenant shall be entitled to use the Building Equipment in Tenant's operations at the Demised Properties. Except as otherwise provided in Section 22.04, Tenant shall keep the Building Equipment in good working order and repair, ordinary wear and tear excepted, shall not remove the Building Equipment from the Demised Properties and shall not permit any lien or other encumbrance to attach to Building Equipment except any such liens that are being contested by Tenant in good faith by appropriate proceedings and that have been bonded over by Tenant to the commercially reasonable satisfaction of Landlord or for which Tenant provides alternative security to the commercially reasonable satisfaction of Landlord. Tenant shall keep (or cause to be kept) the Building Equipment insured and shall be responsible for any casualty or other loss to Building Equipment or occasioned by Building Equipment. Tenant may, from time to time, retire or replace Building Equipment with new or comparable items of equipment purchased by Tenant, in which event such replaced equipment shall constitute Building Equipment. All Building Equipment shall be the property of Landlord, and Tenant shall execute such instruments and documents as Landlord may reasonably require to evidence such ownership by Landlord.

Section 22.03

(a) Without limiting Landlord's rights or Tenant's obligations in subsection (b), Tenant shall deliver to Landlord within thirty (30) days following Tenant's receipt of Landlord's written request (i) to the extent in Tenant's possession and/or control, a complete listing of all Restaurant Equipment, which may be in electronic format, to the extent not previously delivered to Landlord, and (ii) any fixed asset report relating to the Restaurant Equipment in Tenant's possession and/or control, to the extent not previously delivered to Landlord; provided that Landlord shall have the right to deliver such request not more than one time in any 12 month period during the Lease Term and provided that Tenant's delivery of such information in (i) and (ii) shall be without any representation or warranty as to such information's accuracy or completeness.

(b) At any time during the occurrence of any Event of Default, and during the occurrence of any Default caused by the failure of Tenant to pay any amount as and when due from Tenant under this Lease, and within ninety (90) days before the expiration of the Lease Term, Tenant shall deliver to Landlord immediately following Tenant's receipt of Landlord's written request (i) to the extent in Tenant's possession and/or control, a complete listing of all Restaurant Equipment, which may be in electronic format, to the extent not previously delivered to Landlord, and (ii) any fixed asset report relating to the Restaurant Equipment in Tenant's possession and/or control, to the extent not previously delivered to Landlord; provided that Tenant's delivery of such information in (i) and (ii) shall be without any representation or warranty as to such information's accuracy or completeness.

(c) Without limiting Article XX, at any time during the Lease Term, upon not less than forty-eight hours' prior written notice to Tenant, Landlord may enter upon the Demised Property at reasonable hours to inspect and inventory the Restaurant Equipment provided that (i) such inspection and inventory shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Property, (ii) Landlord shall have the right to such inspection and inventory not more than one time in any 12 month period during the Lease Term, (iii) at Tenant's option, such inspection and inventory shall not be conducted during normal business hours and Tenant may provide an escort for Landlord during any such inspection and inventory (provided further that Landlord's right to such inspection and inventory shall not be subject to the availability or presence of any such escort), and (iv) Landlord shall promptly pay the costs of any damage caused by Landlord and/or its agents to any Restaurant Equipment in connection with such inspection and inventory.

(d) Without limiting Article XX, at any time during the occurrence of any Event of Default or any Default in connection with any payment due and payable by Tenant under this Lease and within ninety (90) days before the expiration of the Lease Term, Landlord may enter (without any notice) upon the Demised Property to inspect and inventory the Restaurant Equipment; provided that (i) such inspection and inventory shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Property, (ii) at Tenant's option, such inspection and inventory shall not be conducted during normal business hours and Tenant may provide an escort for Landlord during any such inspection and inventory (provided further that Landlord's right to such inspection and inventory shall not be subject to

the availability or presence of any such escort), and (iii) Landlord shall promptly pay the costs of any damage caused by Landlord and/or its agents to any Restaurant Equipment in connection with such inspection and inventory.

(e) Tenant shall not commit waste with respect to the Restaurant Equipment located in each Demised Property and shall not remove the Restaurant Equipment from the Demised Properties (except to the extent it is replaced by equipment of equal or greater quality and utility). Tenant shall keep the Restaurant Equipment insured and shall be responsible for any casualty or other loss to Restaurant Equipment or occasioned by Restaurant Equipment. Tenant may, from time to time, retire or replace Restaurant Equipment with new items of equipment purchased by Tenant, in which event such replaced equipment shall constitute Restaurant Equipment.

(f) Landlord shall execute and deliver a lien waiver agreement in form and substance commercially reasonably satisfactory to Landlord to any lender of the Restaurant Equipment.

Any Restaurant Equipment remaining on the Demised Properties after ten (10) days after the expiration or earlier termination of the Lease Term shall be deemed abandoned and shall become the property of Landlord without payment therefor.

ARTICLE XXIII

END OF TERM

Upon the expiration or earlier termination of the Lease Term, Tenant shall peaceably and quietly quit and surrender the Demised Properties, and all Alterations which are then part of the Demised Properties, broom clean and in good order and condition, ordinary wear and tear excepted and except as provided in Articles XII and XIII. Tenant shall prior to the end of the Lease Term transfer to Landlord all plans, drawings, other Alteration Information, and technical descriptions of the Demised Properties (if available), and shall assign to Landlord all assignable permits, licenses, authorizations and warranties necessary for the operation of the Demised Properties (in each case to the extent not previously transferred or assigned to Landlord). Upon the expiration or earlier termination of this Lease Tenant shall have the obligation to remove all Restaurant Equipment, except that Tenant may elect to abandon any trade fixtures or equipment which is attached or connected to the Demised Properties. Any such items or other items of Restaurant Equipment or personal property which are not removed upon the expiration or earlier termination of this Lease shall be deemed abandoned and may be removed, disposed of or used by Landlord without payment of any compensation to Tenant. This Article XXIII shall survive the expiration or termination of this Lease.

ARTICLE XXIV

HOLDING OVER

If Tenant holds over in possession after the expiration of the Lease Term, then such holding over shall not be deemed to extend the Lease Term or renew this Lease, but rather

the tenancy thereafter shall continue as a tenancy at sufferance pursuant to the terms and conditions herein contained, at One Hundred Fifty percent (150%) of the Base Rent otherwise then applicable (in addition to all Additional Rent); and Tenant shall be responsible for the consequences of any unauthorized holdover and shall indemnify, defend, protect (with counsel selected by Landlord) and hold Landlord Parties wholly free and harmless of, from and against any and all damages, losses, costs, expenses and claims arising therefrom, including reasonable attorneys fees and costs. This Article shall survive expiration or termination of this Lease.

ARTICLE XXV

TENANT ASSIGNMENT AND SUBLETTING

Section 25.01

(a) Except as otherwise explicitly provided in this Article, neither Tenant, nor Tenant's successors or assigns, shall assign in whole or in part, by operation of law or otherwise, this Lease, or sublet the Demised Properties, in whole or in part, or permit the Demised Properties or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Demised Properties shall be managed or operated by anyone other than the owner of the Tenant's leasehold estate, without the prior written consent of Landlord in each instance, such consent not to be unreasonably withheld or conditioned so long as Landlord has received all information reasonably requested. Notwithstanding the foregoing, Tenant may assign or transfer this Lease in its entirety or sublease all or a portion of the Demised Properties, with prior written notice to Landlord, but without Landlord's prior written consent, if such assignment, transfer or sublease is to a Tenant Affiliate (as defined below), in which case neither the Tenant nor the Guarantor shall be released of its obligations under this Lease, provided, however, no consent shall be required only so long as such Tenant Affiliate which holds such interest in this Lease shall remain a Tenant Affiliate. In the event such Tenant Affiliate which holds such interest in this Lease ceases to be a Tenant Affiliate during the Lease Term, then such cessation shall be an automatic Event of Default, subject to the terms of this Lease. "Tenant Affiliate" shall mean any person or entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with Tenant (for purposes of this section, the term "control," "controlled by" or "under common control with" means the power, direct or indirect, to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting stock, by contract, as trustee or executor, or otherwise). Any disposition of an ownership interest in Tenant, either directly or indirectly, in such a manner that the ultimate beneficial owners of Tenant, through one or more tiers of ownership, transfer "control" of Tenant, shall be deemed to be an assignment of this Lease. Notwithstanding the foregoing, the following may be made with prior written notice to Landlord, but without Landlord's prior written consent: (i) the sale or transfer of all or any portion of the equity ownership interests of Guarantor (or its parent) or all or substantially all of Guarantor's (or its parents') assets, provided that all of Tenant's obligations hereunder and Guarantor's obligations under the Guaranty shall be expressly assumed by the entity acquiring all or substantially all of the assets of Guarantor, (ii) an initial public offering ("IPO") of stock in Guarantor, Buffets Holdings, Inc. and/or any subsidiary of either of them and (iii) the transfer of shares of stock in any entity

after its IPO. Provided Tenant remains liable for all its obligations under this Lease and there shall not exist any Event of Default or event that, with the passage of time or the giving of notice or both, could become an Event of Default, Landlord shall not unreasonably withhold consent to: (X) an assignment of this Lease for the purposes permitted herein to an individual, partnership or corporation if (i) such individual, partnership or corporation (together with any affiliates that will agree to guaranty the Tenant's obligations and liabilities under this Lease pursuant to a guaranty substantially in the form of Exhibit F hereto) has, in the reasonable opinion of Landlord at least five (5) years' experience in managing and operating restaurants, as well as a record of timely payment of obligations and compliance with applicable laws; (ii) such individual, partnership or corporation (together with any affiliates that will agree to guaranty the Tenant's obligations and liabilities under this Lease pursuant to a guaranty substantially in the form of Exhibit F hereto) is commercially and financially sound; and (iii) the restaurant use meets the standards and criteria set forth in Article IV; or (Y) a sublease of any Demised Property in its entirety to a retailer or restaurant operator if (i) the proposed sublease will take effect after July 1, 2017, (ii) the proposed subtenant will not engage in any use prohibited by Section 4.01 hereof and would not be anticipated to receive in excess of seventy-five (75%) percent of its revenues from such Demised Property from the sale of alcoholic beverages, (iii) the proposed subtenant has a record of timely payment of obligations and compliance with applicable laws, and is commercially and financially sound, (iv) neither the proposed subtenant nor any of its officers, directors, and direct or indirect owners regardless of the number of tiers of ownership is a Person (as hereinafter defined) (1) whose property or interest in property is blocked or subject to blocking pursuant to Section 1 of Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)), (2) who engages in any dealings or transactions prohibited by Section 2 of such executive order, or is otherwise associated with any such person in any manner violative of Section 2, or (3) on the list of Specially Designated Nationals and Blocked Persons or subject to the limitations or prohibitions under any other U.S. Department of Treasury's Office of Foreign Assets Control regulation or executive order, (v) the proposed subtenant and each of its officers, directors, and direct or indirect owners regardless of the number of tiers of ownership, is in compliance with (1) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (2) the Uniting And Strengthening America By Providing Appropriate Tools Required To Intercept And Obstruct Terrorism (USA Patriot Act of 2001), and (vi) the proposed subtenant has delivered to Landlord and any Landlord's Lender, upon request, a subordination, non-disturbance and attornment agreement in form and substance reasonably acceptable to Landlord and any Landlord's Lender (to which Tenant shall not be required to be a party to the extent such agreement is also executed by Landlord's Lender (provided, however, that Tenant may be required to execute a separate instrument evidencing its consent to and agreement with the provisions of such agreement)). Notwithstanding the foregoing, (x) after any such assignment or sublease, Tenant shall remain liable for all its obligations under this Lease, Guarantor shall remain liable under the Guaranty, and Tenant shall execute and deliver to Landlord a guaranty in form and substance reasonably acceptable to both Landlord and Tenant (which shall contain surety and guarantor waivers similar to those contained in the Guaranty), whereby Tenant explicitly guarantees all of the assignee's or

subtenant's obligations under this Lease, and (y) Landlord may condition its consent to any sublease regarding the Demised Premises upon the sublease containing the following provisions, in form and substance acceptable to Landlord and Landlord's Lender (collectively, the "Subordination and Attornment Provisions"): (i) that the sublease is subordinate in all respects to this Lease; (ii) that in the event of the cancellation or termination of this Lease for any reason whatsoever or of the surrender of this Lease by operation of law prior to the expiration date of the sublease, subtenant shall make full and complete attornment to Landlord under either the terms of this Lease or the terms of the sublease, in Landlord's sole and absolute discretion, for the balance of the term of the sublease; (iii) that subtenant waives the provisions of any law then or thereafter in effect which may give subtenant any right of election to terminate the sublease or to surrender possession of the Demised Properties in the event any proceeding is brought by Landlord to terminate this Lease; and (iv) that all of the foregoing provisions in (i) through (iv) are for the benefit of both Tenant and Landlord and Landlord is a third party beneficiary thereof. Notwithstanding the foregoing, Landlord and Tenant agree that upon the request of any subtenant, Landlord or Landlord's Lender, Landlord, Tenant and such subtenant will execute and deliver to each other a separate subordination, attornment and nondisturbance agreement regarding the sublease, in form and substance reasonably acceptable to all parties thereto.

(b) Tenant shall submit current financial statements of any proposed assignee or sublessee together with Tenant's request for Landlord's approval of any proposed assignment or sublease which requires Landlord's approval hereunder.

(c) If this Lease is assigned or transferred, or if all or any part of the Demised Properties is sublet or occupied by any party other than Tenant, Landlord may collect rent from the assignee, transferee, subtenant or occupant, and apply the net amount collected to the Rent reserved in this Lease, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Lease, or the acceptance of the assignee, transferee, subtenant or occupant as tenant, or a release of Tenant from the performance or further performance by Tenant of its obligations under this Lease. Without limiting the generality of the foregoing, Tenant expressly acknowledges and agrees that in the event of any assignment of this Lease, Tenant shall remain jointly and severally liable with the assignee for all of the obligations under this Lease, and in all other cases of any transfer of Tenant's interest under this Lease, Tenant shall remain primarily liable for such obligations. Subject to the foregoing, the consent by Landlord to an assignment, transfer, management contract or subletting shall not in any way be construed to relieve Tenant from obtaining the express written consent of Landlord in each instance to any subsequent similar action that Tenant may intend to take.

Section 25.02 Upon any sublease or assignment permitted as provided in this Article XXV, Tenant shall deliver to Landlord copies of such sublease agreement or assignment in form and substance reasonably satisfactory to Landlord (including, without limitation, assumption language reasonably satisfactory to Landlord in any assignment agreement) promptly after the execution thereof by Tenant. An assignment made with Landlord's consent or as otherwise permitted hereunder shall not be effective until Tenant delivers to Landlord an executed counterpart of such assignment containing an agreement, in recordable form, executed by the

assignor and the proposed assignee, in which the assignee assumes the performance of the obligations of the assignor under this Lease throughout the Lease Term. In no event shall Tenant be entitled to amend, extend or otherwise modify any sublease without the prior written consent of Landlord, which Landlord may withhold in its commercially reasonable discretion.

Section 25.03 This Lease shall be binding upon, enforceable by, and inure to the benefit of the parties hereto and their respective heirs, successors, representatives and assigns.

ARTICLE XXVI

FINANCINGS

Section 26.01 Except as provided herein, without the necessity of any additional document being executed by Tenant for the purpose of effecting a subordination, this Lease and any and all subleases and similar arrangements shall be subject and subordinate to all ground leases and the lien of all mortgages and deeds of trust which now or hereafter affect Landlord's interest in the Demised Properties, and all amendments thereto, all without the necessity of Tenant's (or any subtenant's) executing further instruments to effect subordination. In the event that any mortgage or deed of trust is foreclosed or a deed in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the Tenant of the successor in interest to Landlord at the option of and on terms acceptable to such successor in interest. So long as no Event of Default exists under this Lease, Tenant's possession of the Demised Properties shall not be disturbed as a result of such foreclosure or deed in lieu of foreclosure. Notwithstanding the foregoing, as of the Commencement Date (or if no mortgages, deeds of trust or other security instruments encumber Landlord's interest in any of the Demised Properties as of the Commencement Date, then at such time as any such instrument does encumber the Demised Properties after the Commencement Date), Landlord, Landlord's Lender, and Tenant shall execute and deliver to each other a subordination, non-disturbance and attornment agreement in the form attached hereto as Exhibit G (an "SNDA"). The interest in the Demised Properties of any such future ground lessee or lienholder shall have priority over the interest of Tenant in this Lease and in the Demised Properties, subject to Landlord, Landlord's Lender and Tenant entering into a subordination, non-disturbance and attornment agreement reasonably required by Landlord or Landlord's Lender. Tenant shall execute and deliver to Landlord and Landlord's Lender, and Tenant shall cause any subtenant to execute and deliver to Landlord and Landlord's Lender, in each case within fifteen (15) days after Landlord's written request therefor, an SNDA or other subordination, nondisturbance and attornment agreement reasonably required by Landlord or Landlord's Lender. If Tenant fails to deliver such SNDA within such 15 day period, then Landlord shall deliver a subsequent written request of such SNDA (the "SNDA Second Request") and Tenant shall be required to deliver such SNDA within five (5) days after the SNDA Second Request.

Section 26.02 Subject to the terms of this Article, Landlord agrees that Tenant shall have the right to encumber or hypothecate Tenant's interest in the leasehold estate created by this Lease. As used in this Article, "Leasehold Mortgage" shall mean any leasehold deed of trust, mortgage, assignment of leases and rents, assignment, security agreement, or other security document securing the applicable financing from Tenant's lender or Tenant Affiliates' lender

(collectively, "Tenant's Lender"). Landlord shall not be obligated to subordinate any or all of Landlord's right, title or interest in and to the Demised Properties and this Lease to the lien of any Leasehold Mortgage. A Leasehold Mortgage shall encumber only Tenant's leasehold interest in the Demised Properties, and shall not encumber Landlord's right, title or interest in the Demised Properties. Landlord shall have no liability whatsoever for the payment of any obligation secured by any Leasehold Mortgage or any other provisions of such note or the Leasehold Mortgage or related obligations. Should there be any conflict between the provisions of this Lease and of any Leasehold Mortgage, the provisions of this Lease shall control. No Leasehold Mortgage will be for a term longer than the Original Lease Term or as the Original Lease Term may be extended in accordance with the terms of this Lease. Either prior to or concurrently with the recordation of the Leasehold Mortgage, Tenant shall cause a fully conformed copy thereof and of the financing agreement secured thereby to be delivered to Landlord and Fee Mortgagee, together with a written notice containing the name and post office address of Tenant's Lender. Without limiting anything contained in this Section, within fifteen (15) days after written request from Tenant, Landlord shall deliver an estoppel certificate in favor of Tenant's Lender regarding this Lease, in form and substance reasonably acceptable to Landlord and Tenant's Lender. Tenant agrees that a condition precedent to its granting a Leasehold Mortgage to any Tenant's Lender shall be the execution and delivery by such Tenant's Lender to Landlord and Landlord's Lender of a subordination, non-disturbance and attornment agreement, in form and substance reasonably acceptable to Landlord and Fee Mortgagee, which shall provide, without limitation, that upon a default under the Leasehold Mortgages, Tenant's Lender may foreclose only on this Lease as an entirety, applicable to all, but not less than all (even if otherwise possible under applicable law) of the Demised Properties. If Landlord obtains financing secured by mortgages, deeds of trust or other security instruments encumbering Landlord's interest in the Demised Properties (the "Fee Mortgages") as of the Commencement Date, then Tenant shall not record a Leasehold Mortgage until after the recordation of the Fee Mortgages. However, if Landlord does not obtain financing secured by Fee Mortgages as of the Commencement Date, Tenant shall be permitted to record the Leasehold Mortgages prior to the Fee Mortgages so long as Tenant has otherwise satisfied the requirements under this Section. A Leasehold Mortgage shall be, and hereafter shall continue at all times to be, subject to each and all of the covenants, conditions and restrictions set forth in this Lease, and junior, subject and subordinate, in each and every respect, to all rights and interests of any Fee Mortgagee (as defined below) now or hereafter affecting any of the Demised Properties. If Landlord delivers to Tenant a Default notice under this Lease, Landlord shall notify any Tenant's Lender (without any liability for failure to provide such notification) who has given Landlord a prior written request for such notice of such Default by sending a copy of the Default notice to Tenant's Lender, and Landlord shall recognize and accept the performance of any obligation of Tenant hereunder by Tenant's Lender (provided said performance occurs within the same cure periods as provided to Tenant under this Lease); provided, however that nothing contained herein shall obligate Tenant's Lender to take any such actions. As used herein, "Fee Mortgagee" means any mortgagee or Landlord's Lender (and its successors and assigns) under any Fee Mortgage.

Any act by Tenant or Tenant's Lender in violation of this Section 26.02 shall be null and void and of no force or effect. This Section shall survive termination of this Lease.

ARTICLE XXVII

INTENTIONALLY DELETED

ARTICLE XXVIII

CERTIFICATES

Section 28.01

(a) Tenant or Landlord, as applicable (the "Certifying Party") shall, without charge, at any time and from time to time, within fifteen (15) days after requested in writing by the other party (the "Requesting Party"), deliver a written instrument (the "Estoppel Certificate") to the Requesting Party or any other person, firm or corporation specified by the Requesting Party, duly executed and acknowledged, certifying such information as is reasonably requested by the Requesting Party, which may include confirmation that:

(i) This Lease is unmodified and in full force and effect, or if there has been any modification, that this Lease is in full force and effect as modified and stating any such modification;

(ii) Whether or not there are then existing, to the actual knowledge of the executing officer, any defenses against the enforcement of any of the agreements, terms, covenants or conditions of this Lease upon the part of the Certifying Party to be performed or complied with, and, if so, specifying same (including, without limitation, whether the Certifying Party knows or does not know of any default by the Requesting Party in the Requesting Party's performance of all agreements, terms, covenants and conditions to be performed by the Requesting Party, and if such default does exist, specifying same);

(iii) The amounts and dates to which the Base Rent and Additional Rent and any and all other charges due by Tenant hereunder have been paid, the amounts of any and all outstanding balances of such items, if any, known to the Certifying Party; and

(iv) such other accurate statements as may be reasonably requested by the Requesting Party.

If the Certifying Party fails to deliver such Estoppel Certificate within such fifteen (15) day period, then the Requesting Party shall deliver a subsequent written request of such Estoppel Certificate (the "Estoppel Certificate Second Request") and the Certifying Party shall be required to deliver such Estoppel Certificate within five (5) days after the Estoppel Certificate Second Request.

(b) Delivery of a completed Estoppel Certificate in substantially the form as set forth on Exhibit B attached hereto ("Estoppel Certificate") shall satisfy the requirements of this Section.

ARTICLE XXIX

RELATIONSHIP OF PARTIES

Nothing contained in this Lease shall be construed to create the relationship of principal and agent, partnership, joint venture or any other relationship between the parties hereto other than the relationship of Landlord and Tenant.

ARTICLE XXX

RECORDING

Neither Landlord nor Tenant shall record this Lease; however, upon the request of either party hereto, the other party shall join in the execution and recordation of a memorandum of lease (or other document that serves the same purpose) in a form substantially similar to the form attached hereto as Exhibit C or a substantially equivalent form complying with state-specific recording requirements (collectively, the "Memoranda" and each individually a "Memorandum"). Each Memorandum shall describe the parties, the relevant Demised Property, the term of this Lease, any special provisions other than those pertaining to Rent and shall incorporate this Lease by reference. Tenant shall pay all costs charged or collected by the county recorders and other appropriate government offices to record the Memoranda.

ARTICLE XXXI

CAPTIONS AND SECTION NUMBERS

The captions, section numbers, and index appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles nor in any way affect this Lease.

ARTICLE XXXII

APPLICABLE LAW; WAIVER OF JURY TRIAL

This Lease shall be governed by, and construed in accordance with the laws of the State of New York without regard to conflicts of law principles; provided, however, that any forcible entry and detainer action or similar proceeding shall be governed by the laws of the state in which the applicable Real Property is located. If any provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the

remainder of this Lease shall not be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by the law.

LANDLORD AND TENANT HEREBY CONSENT TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE COUNTY OF NEW YORK, STATE OF NEW YORK OR WITHIN THE COUNTY AND STATE IN WHICH ANY DEMISED PROPERTY IS LOCATED AND EACH IRREVOCABLY AGREES THAT (EXCEPT FOR FORCIBLE ENTRY AND DETAINER ACTIONS OR SIMILAR ACTIONS) ALL ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THIS LEASE SHALL BE LITIGATED IN SUCH COURTS. TENANT ACCEPTS FOR ITSELF AND IN CONNECTION WITH THE DEMISED PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS LEASE.

EACH OF LANDLORD AND TENANT, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVES, RELINQUISHES AND FOREVER FORGOES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING (WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE) BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS LEASE. TENANT ACKNOWLEDGES THAT THE PROVISIONS OF THIS ARTICLE ARE A MATERIAL INDUCEMENT TO LANDLORD'S ENTERING INTO THE LEASE.

ARTICLE XXXIII

ENTIRE AGREEMENT

Tenant specifically agrees that it shall not sue or seek contribution from the Landlord Parties or any successors or assigns thereof for any matter for which Tenant is obligated to provide indemnification under this Section. All reasonable costs and expenses incurred by Landlord for which Tenant is obligated to indemnify Landlord under this Section shall be repaid promptly by Tenant to Landlord. This Section shall survive termination of this Lease.

ARTICLE XXXVIII

LANDLORD ASSIGNMENT

Section 38.01 This Lease shall be fully assignable by the Landlord or its successors and/or assigns, in whole or in part, subject to the terms of Article XXXIV and this Article. In the event that from time to time Landlord desires to partially assign its interest in this Lease with respect to one or more of the Demised Properties, then (a) Landlord will determine the Base Rent allocated to any Demised Properties to be covered by the partial assignment (the "Proposed Allocated Base Rent Amount") and Landlord shall inform Tenant in writing of the Proposed Allocated Base Rent Amount; then Tenant shall reply in writing to Landlord within ten (10) business days after delivery thereof either (i) confirming its acceptance of the Proposed Allocated Base Rent Amount and such confirmed amount shall be the "Allocated Base Rent Amount" or (ii) rejecting such Proposed Allocated Base Rent Amounts due to the same directly causing potential capital lease accounting treatment in a detailed explanation reasonably satisfactory to Landlord and proposing an amount that is as close as possible to the Proposed Allocated Base Rent Amount without triggering potential capital lease accounting treatment and such proposed amount shall be the "Allocated Base Rent Amount," and if Tenant fails to reply to Landlord within such ten (10) business day period, the Proposed Allocated Base Rent Amount shall be deemed approved and shall be the "Allocated Base Rent Amount"; (b) Landlord, at its cost and expense, shall prepare an individual lease agreement (or individual lease agreements, in Landlord's discretion) in the form attached hereto as Exhibit D with respect to any such Demised

Properties (each, an “Individual Lease Agreement”); (c) upon the assignment by Landlord, this Lease shall be amended to exclude any such Demised Properties from this Lease, the Base Rent hereunder shall be reduced by the Allocated Base Rent Amount; and (d) the Base Rent payable under the Individual Lease Agreement(s) will equal the Allocated Base Rent Amount. In such event, each party (including Landlord’s assignee), shall execute any such new Individual Lease Agreement within five (5) business days after Landlord’s delivery thereof. If Tenant fails to deliver such new Individual Lease Agreement within such 5 business day period, then Landlord shall deliver a subsequent written request of such new Individual Lease Agreement (the “New Individual Lease Agreement Second Request”) and Tenant shall be required to deliver such new Individual Lease Agreement within two (2) business days after the New Individual Lease Agreement Second Request. In addition, Tenant shall execute and deliver to Landlord, any other instruments and documents reasonably requested by Landlord in connection with the sale or assignment, including without limitation a new guaranty (substantially in the form of Exhibit D) of any such Individual Lease Agreement and a commercially reasonable subordination, non-disturbance and attornment agreement that may be requested by Landlord’s assignee’s lenders in form and substance reasonably acceptable to Tenant. In addition, Tenant agrees to cooperate reasonably with Landlord in connection with any such sale or assignment (including, without limitation, agreeing to change the method of payment of Rent if required by Landlord’s assignee). From and after the effective date of any such Individual Lease Agreement, Landlord will be released from any liability thereafter arising with respect to the Demised Properties covered thereby. Without limiting the liability of assignee lessor under this Lease following an assignment by Landlord pursuant to this Section, in no event shall Landlord have any liability under any Individual Lease Agreement.

Section 38.02 Landlord and Tenant agree that this Lease constitutes a true lease and not a financing or other form of transaction. In furtherance of the foregoing, Landlord and Tenant each waives any claim or defense based upon the characterization of this Lease as anything other than a true lease and irrevocably waive any claim or defense which asserts that this Lease is anything other than a true lease. Landlord and Tenant covenant and agree that they will not assert that this Lease is anything but a true lease. Landlord and Tenant each stipulate and agree not to challenge the validity, enforceability or characterization of this Lease of the Demised Properties as a true lease and further stipulate and agree that nothing contained in this Lease creates or is intended to create a joint venture, partnership (either de jure or de facto), equitable mortgage, trust, financing device or arrangement, security interest or the like. Landlord and Tenant each shall support the intent of the parties that the lease of the Demised Properties pursuant to this Lease is a true lease and does not create a joint venture, partnership (either de jure or de facto), equitable mortgage, trust, financing device or arrangement, security interest or the like, if, and to the extent that, any challenge occurs.

Section 38.03 Landlord and Tenant agree that this Lease constitutes a single and indivisible lease as to all of the Demised Properties collectively, and shall not be subject to severance or division unless and to the extent, pursuant to Section 38.01, Landlord elects to effect a partial assignment of this Lease. In furtherance of the foregoing, and except as may result from the amendment of this Lease to eliminate certain properties and reduce Base Rent in conjunction with the execution of Individual Lease Agreements pursuant to the terms of Section 38.01, Landlord and Tenant each (i) waive any claim or defense based upon the characterization

of this Lease as anything other than a master lease of all the Demised Properties and irrevocably waive any claim or defense which asserts that this Lease is anything other than a master lease, (ii) covenant and agree that it will not assert that this Lease is anything but a unitary, unseverable instrument pertaining to the lease of all, but not less than all, of the Demised Properties, (iii) stipulate and agree not to challenge the validity, enforceability or characterization of the lease of the Demised Properties as a unitary, unseverable instrument pertaining to the lease of all, but not less than all, of the Demised Properties, and (iv) shall support the intent of the parties that this Lease is a unitary, unseverable instrument pertaining to the lease of all, but not less than all, of the Demised Properties, if, and to the extent that, any challenge occurs.

THIS LAND AND BUILDING LEASE (the "Lease") is made and entered into as of [_____], 20__ (the "Commencement Date"), by and between [_____], a [_____] ("Landlord") and [_____] ("Tenant").

RECITALS

A. Landlord is the owner of a tract of real property (the "Real Property"). The Real Property is more particularly described in Exhibit A attached hereto and for purposes hereof shall include all of Landlord's right, title and interest in and to all easements, appurtenances and rights relating to the Real Property, including without limitation, Landlord's right, title, and interest, if any, in and to all (1) adjacent streets, alleys, rights-of-way and any adjacent strips or gores of real estate; (2) the Buildings (as defined below); and (3) the Building Equipment (as defined below). The building, together with all improvements on or to the tract of Real Property, including but not limited to all site work, landscaping, fixtures, utilities, and other improvements, is referred to as the "Building." The machinery, equipment and systems necessary for the operation of the Building that are "fixtures" pursuant to applicable law, including, but not limited to any heating, ventilation and air-conditioning equipment, canopies, fire sprinklers and fire suppression equipment, lighting, built in walk-in coolers and grill hoods, built-in freezers, built-in sinks, built-in shelving, awnings, and supports for signs (but specifically excluding any such items that are not "fixtures" pursuant to applicable law), are referred to herein collectively as the "Building Equipment." The Real Property, together with the related Building and Building Equipment are referred to herein as the "Demised Property."

B. The personal property, equipment and trade fixtures owned or leased by Tenant located at the Building on the Demised Property (other than the Building Equipment) and used in connection with the operation of the business at the Demised Property are referred to herein collectively as the "Restaurant Equipment", which shall include, but not be limited to, those items set forth on Schedule 1.

C. Tenant desires to lease from Landlord, and Landlord desires to lease to Tenant, the Demised Property so that Tenant may, in accordance with and subject to the terms, conditions and restrictions of this Lease, operate (or cause the operation of) a RYAN'S STEAKHOUSE restaurant, a FIRE MOUNTAIN STEAKHOUSE restaurant, an OLD COUNTRY BUFFET restaurant, a HOMETOWN BUFFET restaurant or other permitted use as set out in Section 4.01 hereof, at the Real Property.

NOW, THEREFORE, in consideration of the lease of the Demised Property and the rents, covenants and conditions herein set forth, Landlord and Tenant do hereby covenant, promise and agree as follows:

ARTICLE I

DEMISE OF PREMISES

Subject to the terms and conditions contained herein, Landlord does hereby lease unto Tenant, and Tenant does hereby lease from Landlord, for the term hereinafter provided in Article II, the Demised Property for the use thereof by Tenant, Tenant's employees, customers, invitees and permitted assigns.

ARTICLE II

TERM

Section 2.01

(a) This Lease shall commence on the Commencement Date and terminate on July 1, 2021 (the "Original Lease Term") unless sooner terminated as hereinafter set forth. The "Lease Term," as such term is used herein, shall mean the Original Lease Term as extended (or as may be extended) pursuant to Section 2.02 below, unless sooner terminated as hereinafter set forth.

(b) This Lease shall be deemed to be in full force and effect upon the Commencement Date. Tenant shall be deemed in possession of the Demised Property upon the Commencement Date.

Section 2.02

(a) Tenant shall have the option to extend the term of this Lease for up to three (3) separate option periods upon and subject to the terms set forth below in this Section 2.02. The first option period (the "First Option Period") shall commence at the expiration of the Original Lease Term. The second option period (the "Second Option Period") shall commence at the expiration of the First Option Period. The third option period (the "Third Option Period") shall commence at the expiration of the Second Option Period. The First Option Period, the Second Option Period and the Third Option Period are sometimes referred to herein collectively as the "Option Periods" and individually as an "Option Period." Each Option Period shall continue for a period of five (5) years from the commencement date of such Option Period. Except as otherwise expressly provided herein, all of the terms and conditions of this Lease applicable to the Original Lease Term shall continue to apply during each Option Period.

(b) To validly extend the Lease Term for the First Option Period (i) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the Original Lease Term and no later than nine (9) months prior to the expiration of the Original Lease Term, and (ii) as of the date such written notice is delivered to Landlord, and as of the date the First Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(c) To validly extend the Lease Term for the Second Option Period (i) Tenant must have validly extended the Lease for the First Option Period, (ii) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the First Option Period and no later than nine (9) months prior to the expiration of the First Option Period, and (iii) as of the date such written notice is delivered to Landlord, and as of the date the Second Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(d) To validly extend the Lease Term for the Third Option Period (i) Tenant must have validly extended the Lease for the Second Option Period, (ii) Tenant must and shall deliver to Landlord written notice of Tenant's election to so extend no earlier than ten (10) months prior to the expiration of the Second Option Period and no later than nine (9) months prior to the expiration of the Second Option Period, and (iii) as of the date such written notice is delivered to Landlord, and as of the date the Third Option Period is scheduled to commence, there shall be no existing Event of Default under this Lease.

(e) Without limiting anything contained in Article XXXVI hereof, time is of the strictest essence in the performance of each provision of this Section 2.02. Either party, upon request of the other, shall execute and acknowledge, in form suitable for recording, an instrument confirming any Option Period, with Tenant paying all applicable recording costs.

ARTICLE III

RENT

Section 3.01 Rent. As used herein, "Rent" means Base Rent (as defined below) plus Percentage Rent (as defined below) plus Additional Rent (as defined below). Tenant shall pay all Rent, from and after the Commencement Date and thereafter throughout the Lease Term, without offset, deduction, or abatement except as may be otherwise expressly provided herein. Notwithstanding the foregoing, any amounts due by Tenant to Landlord hereunder for which no due date is expressly specified herein shall be due within thirty (30) days following the delivery to Tenant by Landlord of written notice of such amounts due. Except as otherwise expressly provided herein, in the event of nonpayment by Tenant of any Rent, Landlord shall have the same rights and remedies in respect thereof regardless of whether such Rent is Base Rent or Additional Rent. All payments of Rent due to Landlord shall be paid to Landlord by electronic deposit into an account designated by Landlord (a "Landlord's Account").

Section 3.02 Base Rent.

(a) As used herein, subject to the annual increases as hereinafter provided, the "Base Rent" for the Demised Property for each month of the Lease Term shall be _____ (US\$ _____). Tenant shall pay to Landlord Base Rent, in advance, without demand therefor, on or before the first day of each and every calendar month during the Lease Term (each a "Payment Date") and if the Commencement Date is not the first day of a calendar month, Tenant shall pay to Landlord pro-rated Base Rent on the

Commencement Date for the partial calendar month in which the Commencement Date occurs. Tenant authorizes Landlord to establish arrangements whereby payments of the Base Rent and impound payments under Section 3.03(c) hereof are transferred by Automated Clearing House Debit directly from an account at a U.S. bank in the name of Tenant to such account as Landlord may designate or as Landlord may otherwise designate; provided, however, upon written notice from Landlord to Tenant, Tenant shall deliver all payments of Base Rent and impound payments under Section 3.03(c) hereof as specified in such written notice from Landlord.

(b) Subject to the terms of this Section, on each Adjustment Date (as defined below) throughout the Lease Term, the monthly Base Rent shall increase by the Base Rent Escalation (as defined below), and such increased Base Rent shall apply for the ensuing twelve (12) month period.

(c) The following terms shall have the following meanings:

(1) "Adjustment Date" shall mean each July 1 throughout the Lease Term, commencing July 1, 201__.

(2) "Base Rent Escalation" shall mean the product of the then-current Base Rent multiplied by 1.25%.

Section 3.03 Additional Rent.

(a) As used herein, "Additional Rent" means any and all fees, expenses, taxes and charges of every kind and nature arising in connection with or relating to the Demised Property (other than Base Rent), including without limitation (i) any and all taxes (including, without limitation, Real Estate Taxes (as defined below)), fees, utility service charges, insurance premiums, and other costs, and any amounts owed by Tenant under any indemnity to Landlord hereunder, including, without limitation under Article X and Article XXXVII; (ii) all fees and penalties that may accrue on any amounts due from Tenant hereunder if Tenant fails to pay such amounts in a timely manner; (iii) all other damages, costs and expenses (including, without limitation, reasonable attorneys' fees and other legal and court costs) which Landlord may suffer or incur in enforcing this Lease (whether or not any formal action is brought by Landlord against Tenant) or in otherwise taking actions permitted under this Lease following a Default by Tenant (including, without limitation, making Repairs and fulfilling other obligations of Tenant as provided in Section 7.01, and purchasing insurance required to be maintained by Tenant under this Lease, as provided in Section 11.07); (iv) any and all other sums which may become due, or costs and expenses that may be incurred by Landlord, by reason of any Default or Event of Default under this Lease; and (v) any and all costs of maintaining, repairing and restoring the Demised Property. In addition, "Additional Rent" shall include any rent or other income received by Tenant from any subtenant of the Demised Property to the extent applicable to periods after the expiration or termination of this Lease as to the Demised Property.

(b) Without limiting anything contained in subsection 3.03(a), Tenant shall pay, as Additional Rent all “Real Estate Taxes” (as hereinafter defined). As used herein, the term “Real Estate Taxes” means all taxes and general and special assessments and other impositions in lieu thereof, as a supplement thereto and any other tax which is measured by the value of land and assessed on a uniform basis against the owners of land, including any substitution in whole or in part therefor due to a future change in the method of taxation, in each case assessed against, or allocable or attributable to, the Demised Property and accruing during or prior to the Lease Term. Nothing contained in this Lease, however, shall require Tenant to pay any estate, inheritance, corporate, franchise, income or similar taxes of Landlord, nor shall any of same be deemed Real Estate Taxes, unless same shall be specifically imposed in substitution for, or in lieu of, Real Estate Taxes. In addition, Tenant shall not be required to pay any tax imposed (except as otherwise required under Article XXV) with respect to the sale, exchange, mortgage, encumbrance, or other disposition by Landlord, in whole or in part, of the Demised Property or Landlord’s interest in this Lease (provided, however, that the foregoing shall not limit Tenant’s obligation to pay any increase in Real Estate Taxes resulting from any such sale, exchange, mortgage, encumbrance, or other disposition by Landlord). If by law, any general or special assessment or like charge may be paid in installments without any penalty whatsoever, then such assessment may be paid in such installments and Tenant shall only be liable for the portion thereof that is allocable or attributable to the Lease Term or any portion thereof. If such assessment or charge may be payable in installments with interest, Tenant may pay such assessment or charge in installments, provided that if such installments extend beyond the Lease Term, Landlord shall have the option to repay all remaining installments coming due following the Lease Term without interest.

(c) In lieu of paying Real Estate Taxes directly to the applicable collecting authority, on _____ 1, 201__¹, Tenant shall pay to Landlord an amount, when added to the monthly payments due under this subsection 3.03(c), shall be sufficient to pay the Real Estate Taxes next coming due (collectively, the “Real Estate Taxes Pass-Throughs”). On every Payment Date thereafter, Tenant shall pay to Landlord one-twelfth of the amount of the Real Estate Taxes that Landlord reasonably estimates will be payable during the next ensuing twelve (12) months. Funds in the Real Estate Taxes Pass-Throughs shall be used for payment of the Real Estate Taxes next coming due. Should additional funds be required at any time, Tenant shall pay the same to Landlord on demand. Landlord may deposit all impounded funds in accounts insured by any federal or state agency and may commingle such funds with other funds and accounts of Landlord. Interest or other gains from such funds, if any, shall be the sole property of Landlord. If Tenant fails to make any payments required under this subsection 3.03(c) when due, then Tenant shall, without limiting any other remedies available to Landlord, reimburse Landlord for any and all penalties or interest, or portion thereof, incurred by Landlord as a result of such nonpayment or late payment by Tenant. If an Event of Default shall occur, Landlord may apply all impounded funds against any sums due from Tenant to Landlord in such order and priority as Landlord may elect in its sole discretion. Upon Tenant’s written

1 Blank to be filled in with month following the Commencement Date.

request, Landlord shall give to Tenant an annual accounting showing all credits and debits to and from such impounded funds received from Tenant.

(d) Tenant shall have the right to undertake an action or proceeding against the applicable collecting authority seeking an abatement of Real Estate Taxes or a reduction in the valuation of the Demised Property and/or contest the applicability of any Real Estate Taxes; provided, however, that Tenant has paid timely (and continues to pay timely) all Real Estate Taxes as provided in this Lease to the extent required by applicable law. Landlord may deliver to Tenant written requests from time to time, not more than once in any thirty (30) day period, for information regarding any such action or proceeding by Tenant. Tenant shall respond in good faith with all information reasonably requested by Landlord within 5 days after receipt of Landlord's written request. In any instance where any such permitted action or proceeding is being undertaken by Tenant, Landlord shall cooperate reasonably with Tenant, at no cost or expense to Landlord, and execute any and all documents approved by Landlord and reasonably required in connection therewith. Tenant shall be entitled to any refund (after the deduction therefrom of all expenses incurred by Landlord in connection therewith) of any Real Estate Taxes (including, without limitation, penalties or interest thereon) received by Tenant or Landlord, whether or not such refund was a result of actions or proceedings instituted by Tenant.

(e) Without limiting anything contained in subsection 3.03(a), Tenant shall be solely responsible for, and shall pay directly to the applicable service providers, the cost of all utility services provided to the Demised Property throughout the Lease Term.

(f) Without limiting any of Tenant's other obligations set forth in this Article, Tenant shall pay to Landlord, with each payment due to Landlord hereunder (and as a part of Rent due hereunder), all sales and excise tax on rental income and all other similar taxes imposed upon Landlord with respect to rental or other payments in the nature of a gross receipts tax, sales tax, privilege tax or the like, whether imposed by a federal, state or local taxing authority, which when added to such payment shall yield to Landlord after deduction of all such tax payable by Landlord with respect to all such payments a net amount which Landlord would have realized from such payment had no such tax been imposed.

Section 3.04 Percentage Rent.

(a) During each Lease Year during the Lease Term, Tenant shall pay to Landlord percentage rent equal to four (4%) percent of the amount of Tenant's Gross Receipts (as hereinafter defined) for the Demised Property in any Lease Year that exceed the Breakpoint (as hereinafter defined) ("Percentage Rent"). Percentage Rent will be computed for each Lease Year and shall be payable by Tenant within 45 days of the end of each Lease Year. For purposes of this Section 3.04, "Lease Year" means the 12-month period beginning on each July 1st and terminating on the same day of the succeeding year, and on the same day of each year thereafter during the Lease Term (provided that the final Lease Year of the Lease Term shall terminate on the expiration or earlier termination of this Lease). "Breakpoint" means \$ _____, which is Tenant's Gross Receipts for the Demised Property for the trailing twelve month period ending

April 30, 20__; provided that, on each Adjustment Date throughout the Lease Term, the Breakpoint shall increase by the Breakpoint Escalation (as defined below), and such increased Breakpoint shall apply for the ensuing twelve (12) month period. "Breakpoint Escalation" shall mean the product of the then-current Breakpoint multiplied by 1.25%. "Gross Receipts" means any and all receipts and revenues from all business conducted at, upon or from the Demised Property by Tenant, all subtenants, licensees, concessionaires and assignees and all others, whether evidenced by cash, check, credit, charge account, exchange, redemption of gift cards and merchandise certificates or otherwise, and shall include, but not be limited to, amounts received from the sale of any food, beverages, goods or other merchandise whatsoever, for services performed on the Demised Property, from vending or other machines, and from orders of food, beverages, goods, merchandise, or services taken at the Demised Property (whether such orders are filled from the Demised Property or elsewhere). Gross Receipts will not include: (i) the amount of any sales or other tax imposed by any governmental authority directly on sales and collected from customers if such amount is paid by Tenant to such governmental authority; (ii) transfers of food, beverages, merchandise or goods between different restaurants of Tenant; (iii) returns to shippers or manufacturers; (iv) cash or credit refunds to customers on transactions otherwise included in Gross Receipts; (v) sales of fixtures, machinery and equipment after use thereof in the conduct of Tenant's business at the Demised Property (except where Tenant is in the business of selling such fixtures, machinery or equipment); (vi) sales of gift cards and merchandise certificates (provided that the redemption of gift cards and merchandise certificates shall be included in Gross Receipts); and (vii) sales at a discount to Tenant's employees. No income or other tax or other item of expense whatsoever may be deducted from the amount of Gross Receipts. Each charge or sale upon installment or credit will be treated as a sale for the full price in the month during which such charge or sale is made, irrespective of the time when Tenant receives payment (whether full or partial) therefor.

(b) Landlord's acceptance of payments of Percentage Rent will be without prejudice to Landlord's right to conduct an examination of Tenant's books and records of its Gross Receipts and inventories of food, beverages, merchandise and goods in the Demised Property in order to verify the amount of annual Gross Receipts made by Tenant in and from the Demised Property. Further, at any time (but not more frequently than once each Lease Year) within 24 months after Landlord's receipt of any Annual Statement, Landlord may, at Landlord's expense, require a complete audit of Tenant's records, files, sales slips and sales tax records in connection with Tenant's sales on, from or related to the Demised Property for the period covered by any such Annual Statement. If any audit discloses a liability on account of Percentage Rent to the extent of 3% or more in excess of the Percentage Rent previously computed and paid by Tenant for the applicable period, then Tenant shall pay promptly to Landlord the reasonable cost of the audit and the amount of the deficiency in Percentage Rent.

(c) The provisions of this Section 3.04 shall survive the expiration or earlier termination of this Lease.

ARTICLE IV

USE

Section 4.01 Tenant may use the Demised Property to operate a RYAN'S STEAKHOUSE restaurant, FIRE MOUNTAIN STEAKHOUSE restaurant, OLD COUNTRY BUFFET restaurant, or HOMETOWN BUFFET restaurant, and for any other lawful purpose, provided that any such usage shall comply fully with all applicable covenants, conditions and restrictions of record, and the following uses shall in any event be prohibited: strip clubs and other adult entertainment venues, option or swapmeet venues, carry-out liquor stores and any other specially regulated uses that would be considered deleterious to the value of commercial real property in otherwise generally desirable locations. Notwithstanding any other provision of this Article, Tenant shall not use, or suffer or permit any person or entity to use, the Demised Property or any portion thereof for any purpose in violation of any applicable law, ordinance or regulation applicable to the Demised Property or in violation of any covenants or restrictions of record. From the Commencement Date and thereafter throughout the Lease Term, Tenant shall conduct its business in a commercially reasonable and reputable manner with respect to the Demised Property and otherwise in compliance with the terms and provisions of this Lease. The character of the occupancy of the Demised Properties is an additional consideration and a material inducement for the granting of this Lease by Landlord to Tenant. Notwithstanding anything to the contrary contained herein, Tenant shall at all times during the Lease Term occupy the Demised Property and diligently operate its business on the Demised Property as one of the restaurants under the Ovation Brands umbrella.

Section 4.02 Without limiting any other provision of this Lease, all obligations of Tenant under this Article IV shall apply also to any subtenant of the Demised Property.

ARTICLE V

ACCEPTANCE OF DEMISED PROPERTY

Tenant acknowledges that it has had access to the Demised Property prior to execution of this Lease and has had the opportunity to perform all tests, studies, inspections and investigations (including, without limitation, any investigations regarding zoning and use issues regarding the Demised Property) that it desires, and that Tenant is accepting the Demised Property in its AS IS condition existing on the date Tenant executes this Lease. Tenant hereby accepts the Demised Property in its condition as of the date of possession hereunder, subject to all applicable zoning, municipal, county, and state laws, ordinances, and regulations, including private easements and restrictions, governing and regulating the use of the Demised Property, whether or not of record (collectively, the "Diligence Matters"), and accepts this Lease subject thereto and to all matters disclosed hereby. Tenant acknowledges that neither Landlord nor any of Landlord's Affiliates (as defined below) have made any representation or warranty as to the suitability of the Demised Property for the conduct of the Tenant's business and that Tenant is entering into this Lease solely on the basis of its own investigations and familiarity with the Demised Property and not on the basis of any representation, warranty, covenant, agreement,

undertaking, promise, statement, arrangement or understanding by, on behalf of, or with, Landlord, except as expressly set forth in this Lease.

ARTICLE VI

ALTERATIONS

Subject to the provisions of this Article VI, Tenant shall have no right to make changes, alterations or additions (collectively, "Alterations") to the Building which involve structural changes or which cost in the aggregate in excess of Four Hundred Thousand Dollars (US\$400,000.00), which amount shall be adjusted annually in proportion to increases in the CPI, in each case without prior written consent of Landlord, which Landlord agrees it will not unreasonably withhold, condition or delay; provided, however, in no event shall any Alterations be made which, after completion, would: (i) reduce the value of the Building as it existed prior to the time that said Alterations are made; or (ii) adversely affect the structural integrity of the Building. Notwithstanding the foregoing, Tenant shall be permitted to implement the structural (hoods, vents) and nonstructural Alterations required to implement ongoing conversion to the grill program already instituted in many OLD COUNTRY BUFFET, HOMETOWN BUFFET or RYAN'S STEAKHOUSE restaurants provided such Alterations do not adversely affect the structural integrity of the Building. Any and all Alterations made by Tenant shall be at Tenant's sole cost and expense. Prior to the commencement of construction, including Alterations which cost less than US\$400,000.00, which amount shall be adjusted annually in proportion to increases in the CPI (but excluding non-structural Alterations costing less US\$250,000.00 (which amount shall be adjusted annually in proportion to increases in the CPI) in the aggregate, minor maintenance or repair projects and cosmetic refresh projects involving only painting, carpeting, floor covering and installation of moveable replacement Restaurant Equipment (collectively, a "Minor Project")), Tenant shall deliver promptly to Landlord detailed cost estimates for any such proposed Alterations, as well as all drawings, plans and other information regarding such Alterations (such estimates, drawings, plans and other information are collectively referred to herein as the "Alteration Information"). Landlord's review and/or approval (if required) of any Alteration Information shall in no event constitute any representation or warranty of Landlord regarding (x) the compliance of any Alteration Information with any governmental or legal requirements, (y) the presence or absence of any defects in any Alteration Information, or (z) the safety or quality of any of the Alterations constructed in accordance with any plans or other Alteration Information. Landlord's review and/or approval of any of the Alteration Information shall not preclude recovery by Landlord against Tenant based upon the Alterations, the Alteration Information, or any defects therein. In making any and all Alterations, Tenant also shall comply with all of the following conditions:

(a) No Alterations shall be undertaken until Tenant shall have (i) procured and paid for, so far as the same may be required, all necessary permits and authorizations of all governmental authorities having jurisdiction over such Alterations, and (ii) except for Minor Projects, delivered to Landlord at least fifteen (15) days prior to commencing any such Alterations written evidence acceptable to Landlord, in its commercially reasonable discretion,

of all such permits and authorizations. Landlord shall, to the extent necessary (but at no cost, expense, or risk of loss to Landlord), join in the application for such permits or authorizations whenever necessary, promptly upon written request of Tenant.

(b) Any and all structural Alterations of the Building shall be performed under the supervision of an architect and/or structural engineer.

(c) Except for Minor Projects, Tenant shall notify Landlord at least fifteen (15) days prior to commencing any Alterations so as to permit, and Tenant shall permit, Landlord access to the Demised Property in order to post and keep posted thereon such notice(s) as may be provided or required by applicable law to disclaim responsibility for any construction on the Demised Property. Landlord may deliver to Tenant written requests from time to time, not more than once in any thirty (30) day period, for information regarding any Alterations that Tenant has then undertaken. Tenant shall respond in good faith with all information reasonably requested by Landlord within 5 days after receipt of Landlord's written request.

(d) Any and all Alterations shall be conducted and completed in a commercially reasonable time period (subject to the terms of Article XVII), in a good and workmanlike manner, and in compliance with all applicable laws, municipal ordinances, building codes and permits, and requirements of all governmental authorities having jurisdiction over the Demised Property, and of the local Board of Fire Underwriters, if any; and, upon completion of any and all Alterations, Tenant shall obtain and deliver to Landlord a copy of the amended certificate of occupancy for the Demised Property, if required under applicable law or by governmental authority. To the extent reasonably practicable, any and all Alterations shall be made and conducted so as not to disrupt Tenant's business.

(e) The cost of any and all Alterations shall be promptly paid by Tenant so that the Demised Property at all times shall be free of any and all liens for labor and/or materials supplied for any Alterations subject to the next succeeding sentence. In the event any such lien shall be filed, Tenant shall, within ten (10) days after receipt of notice of such lien, deliver written notice to Landlord thereof, and Tenant shall, within thirty (30) days after receipt of notice of such lien, discharge the same by bond, title indemnity or payment of the amount due the lien claimant. However, Tenant may in good faith contest such lien provided that within such thirty (30) day period Tenant provides Landlord with a surety bond, title indemnity or other form of security reasonably acceptable to Landlord, protecting against said lien. Tenant shall provide Landlord promptly with evidence satisfactory to Landlord that all contractors, subcontractors or materialmen have been paid in full with respect to such Alterations and that their lien rights have been waived or released. In the event Tenant fails to either discharge such lien or protect against such lien in accordance with the foregoing, then Landlord shall have the option (but not the obligation) to pay such lien or post a bond to protect against such lien and pass through such costs to Tenant as Additional Rent.

ARTICLE VII

REPAIRS AND MAINTENANCE

Except as otherwise provided in this Article, Tenant, at its sole cost and expense, shall maintain the Demised Property and each part thereof, structural and non-structural, in good order and condition, ordinary wear and tear and damage by casualty and condemnation excepted (such obligations shall include, without limitation, the obligation to maintain all areas outside of the Building (including all sidewalks, driveways, landscaping, trash enclosures, and trash compacting and loading areas on the Demised Property), in a neat and clean condition, and ensuring that debris from the operation of the restaurant on the Demised Property are cleaned on a regular basis) and, subject to the terms and conditions of Article VI, shall make any necessary Repairs thereto, interior and exterior, whether extraordinary, foreseen or unforeseen but subject to the casualty and condemnation provisions of this Lease. Tenant and Landlord shall each pay one-half of the cost and expense of any Repairs reasonably requested by Landlord which are performed during the last year of the Lease Term. When used in this Article VII, the term "Repairs" shall include all such replacements, renewals, alterations, additions and betterments necessary for Tenant to properly maintain the Demised Property in good order and condition and in compliance with all applicable laws. The adequacy of any and all Repairs to the Demised Property required or conducted pursuant to this Article VII shall be measured by and meet, at a minimum, all of the following standards: (1) at least equal in quality of material and workmanship to the condition of the Demised Property prior to the need for such Repairs; (2) avoidance of any and all structural damage or injury to the Building or persons therein; (3) any and all maintenance, service, operation and repair standards and requirements promulgated by Tenant for its (or its subsidiaries' or affiliates') restaurants; and (4) any and all repairs, replacements or upgrades necessary to ensure compliance with the rules and regulations of all governmental agencies having jurisdiction over the relevant Demised Property, including all Environmental Laws (as defined below) and shall conform to the requirements of any covenants, conditions, restrictions or other permitted encumbrances which are of record. Landlord shall have no duty whatsoever to maintain, replace, upgrade, or repair any portion of the Demised Property, and Tenant hereby expressly waives the right to make repairs at the expense of Landlord, which right may be provided for in any law now or hereinafter in effect. If Tenant fails or neglects to commence and diligently proceed with all necessary Repairs (for the purposes hereof, application by Tenant for a building permit (if necessary under applicable law to commence the applicable Repair) shall be deemed to constitute the commencement of a Repair under this Article) within thirty (30) days after receipt of written notice of the need therefor describing the applicable Repair or other obligation (a "Repair Notice") (except in emergency situations involving risk of further damage to the Demised Properties or injury to persons, in which case no such grace period shall be applicable and Tenant shall be obligated to expeditiously commence all necessary Repairs and diligently proceed to complete same), then Landlord or its agents may enter the Demised Property for the purpose of making such Repairs (with Landlord making commercially reasonable efforts not to unreasonably interfere with Tenant's business operations). All commercially reasonable out of pocket costs and expenses in relation to Repairs incurred as a consequence of such Landlord's action shall be paid by Tenant

to Landlord within thirty (30) days after Landlord delivers to Tenant copies of invoices for such Repairs. These invoices shall be prima facie evidence of the payment of the charges to be paid by Tenant.

ARTICLE VIII

COMPLIANCE WITH LAW

Tenant shall, throughout the Lease Term, at its sole cost and expense, comply with all laws and regulations of federal, state, municipal and local governments, departments, commissions and boards pursuant to law, or directives or orders issued pursuant thereto, including without limitation all Environmental Laws and the Americans With Disabilities Act, with respect to, regarding, or pertaining to the Demised Property, in each case whether now existing or hereafter enacted.

ARTICLE IX

QUIET ENJOYMENT SUBJECT TO DILIGENCE MATTERS

From and after the Commencement Date until the expiration or termination of the Lease Term, and provided no Event of Default has occurred and is continuing, Tenant shall have quiet enjoyment of the Demised Property, subject however, to all Diligence Matters, which shall have priority over the interest of Tenant in this Lease and its leasehold interest in the Demised Property.

ARTICLE X

DISCLAIMER AND INDEMNITY

Section 10.01 As used in this Lease, (x) “Landlord Parties” means, collectively, Landlord, Landlord’s Affiliates, Landlord’s Lenders and any Fee Mortgagee; (y) “Landlord’s Affiliates” means Landlord’s members, partners, officers, directors, shareholders, employees, or any person or entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with Landlord (for purposes of this definition, the term “control,” “controlled by” or “under common control with” means the power, direct or indirect, to direct or cause the direction of the management and policies of Landlord, whether through the ownership of voting stock, by contract, as trustee or executor, or otherwise); and (z) “Landlord’s Lenders” means any persons or entities providing financing or refinancing to Landlord which is secured by a mortgage against the Demised Property or any secured mezzanine lender in the capital structure of any direct or indirect owner in Landlord. To the extent not prohibited by law, none of the Landlord Parties shall be liable, under any circumstances, for any loss, injury, death or damage to person or property (including but not limited to the business or any loss of income or profit therefrom) of Tenant, Tenant’s members, officers, directors, shareholders, agents, employees, contractors, customers, invitees, or any other person in or about the Demised Property, whether the same are caused by (a) fire, explosion,

falling plaster, steam, dampness, electricity, gas, water, rain; or (b) breakage, leakage or other defects of sprinklers, wires, appliances, plumbing fixtures, water or gas pipes, roof, air conditioning, lighting fixtures, street improvements, or subsurface improvements; or (c) theft, acts of God, acts of the public enemy, riot, strike, insurrection, civil unrest, war, court order, requisition or order of governmental body or authority; or (d) any act or omission of any other occupant of the Demised Property; or (e) operations in construction of any private, public or quasi-public work; or (f) any other cause, including damage or injury which arises from the condition of the Demised Property, from occupants of adjacent property, from the public, or from any other sources or places, and regardless of whether the cause of such damage or injury or the means of repairing the same are inaccessible to Tenant, or which may arise through repair, alteration or maintenance of any part of the Demised Property or failure to make any such repair, from any condition or defect in, on or about the Demised Property including any “Environmental Conditions” (as defined in Article XXXVII) or the presence of any mold or any “Hazardous Materials” (as defined in Article XXXVII) (other than known environmental problems specifically identified in the environmental site reports described on Schedule 2 (the “Environmental Reports”)), or from any other condition or cause whatsoever; provided, however, that the foregoing release set forth in this Section 10.01 shall not be applicable to any claim against a Landlord Party to the extent, and only to the extent, that such claim is attributable to the gross negligence or willful misconduct of such Landlord Party, as determined by a final nonappealable judgment (or by a judgment which such Landlord Party elects not to appeal) by a court of competent jurisdiction.

Section 10.02 In addition to any and all other obligations of Tenant under this Lease (including without limitation under any indemnity or similar provision set forth herein), to the extent permitted by law, Tenant hereby fully and forever releases, discharges, acquits, indemnifies, protects, and agrees to defend (with counsel selected by Tenant and approved by Landlord (or Landlord’s Lenders), such approval not to be unreasonably withheld, delayed or conditioned) and hold all Landlord Parties wholly free and harmless of, from and against any and all losses, claims, demands, actions, causes of action, settlements, obligations, duties, indebtedness, debts, controversies, remedies, choses in action, liabilities, costs, penalties, fines, damages, injury, judgments, forfeiture, or expenses (including without limitation reasonable attorneys’, consultant, testing and investigation and expert fees and court costs), whether known or unknown, whether liquidated or unliquidated: (a) arising out of or in any way related to or resulting directly or indirectly from: (i) the use, occupancy or activities of Tenant, its subtenants, agents, employees, contractors or invitees in or about the Demised Property; (ii) any failure on the part of Tenant to comply with any applicable law, code or regulation, including without limitation all Environmental Laws; (iii) any Default or Event of Default under this Lease or any breach or default by Tenant under any other Transaction Document (as defined below) (including without limitation as a result of any termination by Landlord, following an Event of Default, of any sublease, license, concession, or other consensual arrangement for possession entered into by Tenant and affecting the Demised Property pursuant to Section 16.07); (iv) any other loss, injury or damage described in Section 10.01 above; (v) in connection with mold at the Demised Property (other than known mold problems specifically identified in the Environmental Reports); (vi) work or labor performed, materials or supplies furnished to or at the request of

Tenant or in connection with obligations incurred by or performance of any work done for the account of Tenant in, on or about the Demised Property; and (b) whether heretofore now existing or hereafter arising out of or in any way related to or resulting directly or indirectly from the presence or “Release” (as defined in Article XXXVII) at, on, under, to or from the Demised Property of Hazardous Materials (other than known environmental problems specifically identified in the Environmental Reports). All of the personal or any other property of Tenant kept or stored at, on or about the Demised Property shall be kept or stored at the sole risk of Tenant. Without limiting the foregoing, Tenant shall pay on demand all fees and costs of Landlord (including, without limitation, attorneys’ fees and costs) in connection with any enforcement by Landlord of the terms of this Lease and any amendment to this Lease requested by Tenant. Notwithstanding the foregoing, the indemnity set forth in this Section 10.02 shall not be applicable to any claim against any Landlord Party to the extent, and only to the extent, such claim is attributable to the gross negligence or willful misconduct of such Landlord Party, as determined by a final nonappealable judgment (or by a judgment which such Landlord Party elects not to appeal) by a court of competent jurisdiction. As used herein, “Transactional Documents” means, collectively, this Lease and the Guaranty, and any other agreements entered into by and between Landlord and Tenant regarding the foregoing or the Demised Property.

Section 10.03 Landlord and Tenant each (a) represent to the other party that such representing party has dealt with no broker or brokers in connection with the negotiation, execution and delivery of this Lease and (b) agrees to indemnify, defend, protect (with counsel selected by the other party) and holds such other party wholly free and harmless of, from and against any and all claims or demands for any and all brokerage commissions and/or finder’s fees due or alleged to be due as a result of any agreement or purported agreement made by such indemnifying party.

Section 10.04 The provisions of this Article X shall survive the expiration or sooner termination of this Lease. Tenant hereby waives the provisions of any applicable laws restricting the release of claims, or extent of release of claims, which Tenant does not know or suspect to exist at the time of release, which, if known, would have materially affected Tenant’s decision to agree to this release. In this regard, Tenant hereby agrees, represents, and warrants to Landlord that Tenant realizes and acknowledges that factual matters now unknown to Tenant may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and Tenant further agrees, represents and warrants that the release provided hereunder has been negotiated and agreed upon in light of that realization and that Tenant nevertheless hereby intends to release, discharge and acquit the parties set forth herein above from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are in any manner set forth in or related to this Lease, the Demised Property and all dealings in connection therewith.

ARTICLE XI

INSURANCE

Section 11.01 INTENTIONALLY DELETED.

Section 11.02 As of the Commencement Date and throughout the Lease Term, Tenant shall maintain, with financially sound and reputable insurers (as further described in Section 11.03), public liability and other types of insurance with respect to its business and each Real Property (including the Building now existing or hereafter erected thereon) against all losses, hazards, casualties, liabilities and contingencies as customarily carried or maintained by persons of established reputation engaged in similar businesses. Without limitation of the foregoing, Tenant shall maintain or cause to be maintained policies of insurance with respect to the Real Property in the following amounts and covering the following risks:

(a) Commercial property coverage for one hundred percent (100%) insurable guaranteed 100% replacement value with no co-insurance penalty (A) “Special Form Causes of Loss” coverage (as such term is used in the insurance industry), at least as broad as ISO Special Form Causes of Loss, CP1030, including coverage for glass breakage, vandalism and malicious mischief, with any deductible (other than related to the property insurance requirement pursuant to Sections 11.02(d) and 11.02(f) below) in excess of One Hundred Thousand Dollars (US\$100,000) to be approved by Landlord and, (B) “Ordinance and Law Coverage” with limits of not less than the building value for Coverage A (loss to the undamaged portion of the Building), limits of not less than fifteen percent (15%) of the building value of the Building for Coverage B (Demolition Cost Coverage), and limits not less than fifteen percent (15%) of the value of the Building for Coverage C (Increased Cost of Construction Coverage).

(b) Commercial General Liability insurance including Product Liability and Liquor Liability (if alcohol is served) covering the Demised Property at least as broad as the most commonly available ISO Commercial General Liability policy form CG0001 (occurrence basis) covering bodily injury, property damage and personal and advertising injury, for the joint benefit of and insuring Tenant and Landlord as set forth below, with limits not less than One Million Dollars (US\$1,000,000) per occurrence, with a general aggregate of not less than One Million Dollars (US\$1,000,000), with any deductible or self-insured retention in excess of Five Hundred Thousand Dollars (US\$500,000) to be approved by Landlord, and a “following form” Umbrella Liability policy or Excess Liability policy to include Product Liability and Liquor Liability (if alcohol is served), in an amount such that the total coverage under both the aforesaid Commercial General Liability policy and the Umbrella Liability policy or Excess Liability policy is not less than Five Million Dollars (US\$5,000,000) per occurrence.

(c) Worker’s compensation insurance covering all persons employed by Tenant at the Demised Property in connection with any work done on or about the Demised Property for which claims for death or bodily injury could be asserted against Landlord, Tenant or the Demised Property.

(d) In the event the Demised Property is located in an area identified by the National Flood Insurance Program as an area having “special flood hazards” (zones beginning with “A” or “V”) Tenant shall maintain throughout the term of this Lease and any extension thereof, flood insurance for the full replacement value of the Demised Property, with any deductible in excess of the greater of (i) Two Hundred Fifty Thousand Dollars (US\$250,000.00) or five percent (5%) of property value to be approved by Landlord.

(e) Insurance against loss or damage from explosion of any steam or pressure boilers or similar apparatus located in or about the Building with limits of not less than Ten Million Dollars (US\$10,000,000) for consequential damages, covering the Building and Fixtures (excluding footings and foundations and other parts of the Buildings which are not insurable), with any deductible in excess of One Hundred Thousand Dollars (US\$100,000) to be approved by Landlord.

(f) In the event the Demised Property is located in a major earthquake damage area and earthquake insurance is available, Tenant shall maintain throughout the Term applicable to the Demised Property earthquake insurance for the full replacement value of the Demised Property, with any deductible in excess of the greater of (i) Two Hundred Fifty Thousand Dollars (US\$250,000) or (ii) five percent (5%) of property value to be approved by Landlord.

(g) Such additional and/or other insurance with respect to the Building located on the Demised Property and in such amounts as at the time is customarily carried by prudent owners or tenants with respect to improvements and equipment similar in character, location and use and occupancy to the Building located on the Demised Property.

Section 11.03 Each carrier providing any insurance, or portion thereof, required by this Article shall have the legal right to conduct its business in the jurisdiction in which the applicable Real Property is located, and shall have a claims paying ability rating by S&P of not less than “A-” and an A.M. Best Company, Inc. rating of not less than A and financial size category of not less than X. Tenant shall cause all insurance that it is required to maintain hereunder to contain a mortgagee clause and loss payee clause in favor of Landlord’s Lender in accordance with this Section to be payable to Landlord’s Lender as a mortgagee and not as a co-insured, as its interest may appear.

Section 11.04 All insurance policies required to be maintained by Tenant hereunder and renewals thereof (a) shall be in a form reasonably acceptable to Landlord, (b) shall provide for a term of not less than six months (except for any short term extensions granted by the relevant insurance carriers while Tenant and such insurance carriers work on a longer term policy renewal), (c) if the same are insurance policies covering any property (i) shall include a standard non-contributory mortgagee endorsement or its equivalent in favor of and in form acceptable to Landlord’s Lender, (ii) shall contain an agreed value clause updated periodically and (iii) shall designate Landlord’s Lender as “mortgagee and loss payee” as their interest may appear, and (d) shall provide that the policy of insurance shall not be terminated, cancelled, substantially modified or allowed to lapse on any renewal date without at least thirty (30) days’

prior written notice to Landlord, Landlord's Lender and to any other party covered by any standard mortgage clause, loss-payee or additional insured endorsement. In addition, all property insurance policies (except for flood and earthquake limits) must either automatically reinstate after each loss or Tenant must otherwise provide for uninterrupted coverage. Furthermore, all property insurance policies shall reflect that Landlord and Landlord's Lender (the "Landlord Insured Parties") are loss payees to the extent that their respective interests appear. With respect to commercial general liability and umbrella policies, the Landlord Insured Parties shall be named as additional insureds with respect to the leased Demised Property. The Landlord Insured Parties shall be provided with evidence of property insurance coverage consistent with this Article XI utilizing an Accord form 27, 28 or equivalent, confirming the loss payee status of the Landlord Insured Parties. The form shall also reflect any business interruption coverage maintained voluntarily by Tenant. With respect to liability and umbrella insurance, the Landlord Insured Parties shall be provided with evidence of coverage utilizing an Accord form 25 or equivalent, reflecting that the Landlord Insured Parties are additional insureds with respect to the leased locations. This form shall also confirm the existence of workers compensation insurance including a waiver of subrogation against Landlord.

Section 11.05 Any insurance provided for in this Article may be effected by a blanket policy or policies of insurance, or under so-called "all-risk" or "multi-peril" insurance policies, provided that the amount of the total insurance available with respect to the Demised Property shall provide coverage and indemnity at least equivalent to separate policies in the amounts herein required, and provided further that in other respects, any such policy or policies shall comply with the provisions of this Article. Any increased coverage provided by individual or blanket policies shall be satisfactory, provided the aggregate liability limits covering the Demised Property under such policies shall otherwise comply with the provisions of this Article.

Section 11.06 Every property insurance policy carried by either party with respect to the Demised Property shall (if it can be so written) include provisions waiving the insurer's subrogation rights against the other party to the extent such rights can be waived by the insured prior to the occurrence of damage or loss. Subject to the above, each party hereby waives any rights of recovery against the other party for any property direct damage or associated consequential loss covered by said policies (or by policies required to be carried hereunder by such party) whether or not such damage or loss shall have been caused by any acts or omissions of the other party, but such waiver shall operate only to the extent such waiving party is so protected by such insurance coverage (or would have been protected by maintaining all policies required to be carried hereunder by such party).

Section 11.07 All insurance policies required under this Article XI shall provide that the beneficial interest of Landlord in such policies shall be fully transferable. In the event Tenant fails to procure or maintain any policy of insurance required under Article XI, or if the insurance company or coverages provided fail to meet the requirements contained in this Article XI, Landlord may, at its option, purchase such insurance and charge Tenant all costs and expenses incurred in procuring and maintaining such insurance.

ARTICLE XII

DAMAGE OR DESTRUCTION

Section 12.01 If at any time during the Lease Term, the Demised Property or any part thereof shall be damaged or destroyed by fire or other casualty of any kind or nature, Tenant shall promptly apply for all necessary permits, and promptly after issuance of such permits and receipt of insurance proceeds, diligently proceed to repair, replace or rebuild the Demised Property as nearly as possible to its condition and character immediately prior to such damage with such variations and Alterations as may be permitted under (and subject to the provisions of) Article VI (the "Restoration Work"). Notwithstanding the foregoing, if Tenant has not exercised its renewal option, Tenant shall have no obligation to repair, replace or rebuild the Demised Property during the last two (2) years of the Lease Term, so long as (i) no Event of Default exists, including without limitation any Event of Default under the insurance provisions, (ii) Landlord shall have received any and all insurance proceeds relating to such casualty (other than insurance proceeds on account of Tenant's trade fixtures, Restaurant Equipment or inventory) and (iii) Tenant shall have paid the deductible for the insurance policy covering such casualty. Tenant shall have the right to receive any and all insurance proceeds on account of Tenant's trade fixtures, Restaurant Equipment or inventory.

Section 12.02 All property and casualty insurance proceeds payable to Landlord or Tenant (except (i) insurance proceeds payable to Tenant on account of Tenant's trade fixtures, Restaurant Equipment or inventory; and (ii) insurance proceeds payable from comprehensive general public liability insurance, or any other liability insurance) at any time as a result of casualty to the Demised Property shall be paid to Tenant if less than \$100,000 (which amount shall be adjusted annually in proportion to increases in the CPI), otherwise jointly to Landlord and Tenant for purposes of payment for the cost of the Restoration Work, except as may be otherwise expressly set forth herein. Landlord shall make such insurance proceeds available to Tenant based on a commercially reasonable draw schedule. Landlord and Tenant shall cooperate in order to obtain the largest possible insurance award lawfully obtainable and shall execute any and all consents and other instruments and take all other actions necessary or desirable in order to effectuate same and to cause such proceeds to be paid as hereinbefore provided. The proceeds of any such insurance in the case of loss shall, to the extent necessary, be used first for the Restoration Work with the balance, if any, payable to Landlord. If insurance proceeds as a result of a casualty to the Demised Property are insufficient to complete the Restoration Work necessary by reason of such casualty, then Tenant shall be responsible for the payment of such amounts necessary to complete such work.

Section 12.03 This Lease shall not be affected in any manner by reason of the total or partial destruction to the Demised Property or any part thereof and Tenant, notwithstanding any law or statute, present or future, waives all rights to quit or surrender the Demised Property or any portion thereof because of the total or partial destruction of the Demised Property (prior to the expiration of this Lease). Base Rent and Additional Rent required to be paid by Tenant hereunder shall not abate as a result of any casualty.

ARTICLE XIII

EMINENT DOMAIN

Section 13.01 Landlord and Tenant hereby agree that in no event shall any taking of the Demised Property for any public or quasi-public use under any statute or by right of eminent domain, or by purchase in lieu thereof, in any way relieve Tenant of any obligations under this Lease (as to the Demised Property or otherwise) except as explicitly provided in this Article.

Section 13.02 The parties hereto agree to cooperate in applying for and in prosecuting any claim for any taking regarding the Demised Property and further agree that the aggregate net award shall be distributed to Landlord for the condemned Demised Property. Tenant shall be entitled to claim and receive any award or payment from the condemning authority expressly granted for the taking of Tenant's trade fixtures, Restaurant Equipment or inventory, the interruption of its business and moving expenses, but only if such claim or award does not adversely affect or interfere with the prosecution of Landlord's claim for the taking or otherwise reduce the amount recoverable by Landlord for the taking.

Section 13.03 In case of a taking of any portion of the Demised Property (except if this Lease is terminated pursuant to Section 13.04), Tenant at its own expense shall proceed with diligence (subject to reasonable time periods for purposes of adjustment of any award and unavoidable delays) to repair or reconstruct (or cause to be repaired and reconstructed) the affected Building to a complete architectural unit (all such repair, reconstruction and work being referred to in this Article as "Reconstruction Work"). Landlord shall make such condemnation award available to Tenant based on a commercially reasonable draw schedule for Reconstruction Work up to and not exceeding the net compensation amount realized by Landlord as a result of such taking (i.e., the gross amount of the compensation received by Landlord from the taking authority less all reasonable costs and expenses incurred by Landlord in pursuing, prosecuting, and/or recovering its claim to such award). All Reconstruction Work shall be performed in accordance with the standards and requirements for Alterations set forth in Article VI.

Section 13.04 In case of a taking of any portion of the Demised Property, the Base Rent payable hereunder regarding the Demised Property shall be equitably reduced as of the Impact Date (as hereinafter defined) by a percentage equal to the percentage of the diminution in value of the Demised Property, as reasonably determined by Tenant and Landlord (however, Tenant shall not reduce the payment of Base Rent until such determination of the equitable reduction in Base Rent, or until determination by an arbitration as set forth below, and then Tenant shall be entitled to a credit for any excess payments of Base Rent made by Tenant). "Impact Date" shall mean the date on which Tenant is no longer legally permitted to use the portion of the Demised Property that was taken. In determining the equitable reduction in Base Rent, the parties shall utilize the fair market value of the Demised Property, as of the date of inception of this Lease, as determined by an MAI Appraiser mutually acceptable to the parties. If the parties fail to agree on the reduction in Base Rent due to the applicable taking with respect to the Demised Property within fifteen (15) business days after the applicable taking, then either party, by written notice delivered to the other party (the date when such notice is delivered to the

other party is referred to herein as the “Notice Date”), may cause the following procedure to be utilized in determining such reduction in Base Rent:

(1) Submission of Proposed Base Rent Reduction. Within fifteen (15) days after the Notice Date, each of Landlord and Tenant shall deliver to the other party its calculation of its proposed equitable reduction in the Base Rent as a result of the applicable taking (a “Base Rent Reduction”), which calculation shall include (a) the Base Rent properly allocated to the Demised Property prior to the taking, (b) the percentage diminution in value of the Demised Property as a result of the taking, and (c) the resulting reduction in Base Rent hereunder as a result of such taking.

(2) Appointment and Qualifications of Appraiser. Within thirty (30) days after the Notice Date, Landlord and Tenant shall each appoint one licensed real estate appraiser who has been active over the previous five-year (5-year) period in the appraisal of single tenant restaurants within the county in which the Demised Property is located (each such appraiser chosen pursuant to this subsection (2), an “Appraiser”). Each of Landlord and Tenant shall notify the other party, in writing, of its Appraiser (and the business address thereof) within two (2) business days after the appointment thereof (collectively, the “Appraiser Appointment Notices”). Each of Landlord and Tenant agree that any Appraiser may be (but is not required to be) an appraiser who assisted either party in determining such party’s calculation of the Base Rent Reduction pursuant to subsection (1), above.

(3) Appointment of Third Appraiser. If each party appoints an Appraiser and notifies the other party in accordance with subsection (2), above, then the two (2) Appraisers shall, within ten (10) business days after delivery of the later of the two Appraiser Appointment Notices, agree on and appoint a third Appraiser (whom shall be a licensed real estate appraiser with all other qualifications for the initial two Appraisers chosen by the parties as set forth in subsection (2), above) and provide prompt written notice to Landlord and Tenant of such third Appraiser and the business address thereof. If the two (2) Appraisers fail to agree on and appoint a third Appraiser within such ten (10) business day period, then either party may elect to have the third Appraiser selected by the AAA by delivering written notice thereof to the other party. In such event, the electing party shall petition the AAA (with a copy to the other party) to so determine the third Appraiser and the parties shall cooperate reasonably with each other and the AAA (including, without limitation, by responding promptly to any requests for information made by the AAA) in connection

with such determination. The decision of the AAA shall be final and conclusive as to the identity of the third Appraiser.

(4) Appraisers' Decision. Within thirty (30) days after the appointment of the third Appraiser, each of the three (3) Appraisers shall decide whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser. The decision of the majority of the three (3) Appraisers shall be binding on Landlord and Tenant (subject to subsection (5), below). The determination of each Appraiser shall be limited to the sole issue of, and each Appraiser shall have neither the right nor the power to determine any issue other than, whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser.

(5) If Only One Appraiser Is Appointed. If either Landlord or Tenant fails to appoint an Appraiser within thirty (30) days after the Tenant Notice Date or fails to deliver an Appraiser Appointment Notice in accordance with subsection (2), above, and the other party does appoint an Appraiser within such thirty (30) day period and delivers an Appraiser Appointment Notice in accordance with subsection (2), above, then the Appraiser timely appointed by such other party shall reach a decision regarding whether the Base Rent Reduction as proposed by Landlord or Tenant pursuant to subsection (1), above, is closer to the actual Base Rent Reduction as determined by each such Appraiser, and notify Landlord and Tenant of that decision within thirty (30) days after such Appraiser's appointment. In such event, such Appraiser's decision shall be binding on Landlord and Tenant.

(6) Cost of Arbitration. If the Appraisers (or Appraiser, pursuant to subsection (5), above) determine that Tenant's proposed Base Rent Reduction is closer to the actual Base Rent Reduction, then Landlord shall be deemed the "Losing Party" and Tenant shall be deemed the "Prevailing Party." If the Appraisers (or Appraiser, pursuant to subsection (5), above) determine that Landlord's proposed Base Rent Reduction is closer to the actual Base Rent Reduction, then Tenant shall be deemed the "Losing Party" and Landlord shall be deemed the "Prevailing Party." Each party shall initially pay the fees and expenses of its legal counsel, appointed appraiser, appraisals, one-half of the fees of the third appraiser, and one-half the fees of the AAA (if applicable), provided, however, that the Losing Party shall be obligated to reimburse the Prevailing Party for all costs of the arbitration paid by the Prevailing Party promptly upon the completion of the arbitration procedure set forth in this Section (including

fees and expenses of the Prevailing Party's legal counsel, appointed appraiser, appraisals, and its one-half share of the fees of the third appraiser, and the AAA (if applicable)).

In the event of a total taking of the Demised Property, (i) this Lease shall terminate, (ii) Tenant's obligations hereunder shall terminate from and after the Total Taking Date (as hereinafter defined) and (iii) Landlord shall be entitled to the entire condemnation award for such total taking of the Demised Property. In the event of the taking of more than twenty-five (25%) percent of the square footage of the restaurant building located on the Demised Property, Tenant shall have the right to terminate this Lease by written notice given to Landlord no later than the Total Taking Date, and if such termination right is timely exercised, Tenant's obligations hereunder shall terminate from and after the Total Taking Date and Landlord shall be entitled to the entire condemnation award for such taking of the Demised Property. "Total Taking Date" shall mean the date of the actual transfer of title of the Demised Property from Landlord to the applicable condemning authority.

Notwithstanding the foregoing, in connection with any condemnation award received by Landlord in an amount less than US\$100,000 (which amount shall be adjusted annually in proportion to increases in the CPI), Landlord, in its sole discretion, shall either reduce the Base Rent as of the Impact Date (a) in accordance with the foregoing appraisal process or (b) by an amount equal to the product of (1) the actual condemnation award received by Landlord multiplied by (2) 0.667 percent (0.667%).

Section 13.05 Any compensation for a temporary taking shall be payable to Tenant without participation by Landlord, except to the proportionate extent such temporary taking extends beyond the end of the Lease Term, and there shall be no abatement of Rent as a result of any temporary taking affecting the Demised Property.

ARTICLE XIV

PERFORMANCE OF OBLIGATIONS

Section 14.01 Performance of Obligations.

(a) Landlord hereby represents, warrants and covenants to Tenant that Landlord has the right and lawful authority to enter into this Lease and perform Landlord's obligations hereunder.

(b) Tenant hereby represents, warrants and covenants to Landlord that Tenant has the right and lawful authority to enter into this Lease and perform Tenant's obligations hereunder.

Section 14.02 Intentionally Deleted

Section 14.03 Books and Records. Tenant shall keep accurate books and records of account of the Demised Property. Tenant shall provide, or cause to be provided, to Landlord, in addition to any other financial statements required under this Lease, the following financial statements and information, all of which must be prepared in a form reasonably acceptable to Landlord:

(i) promptly and in any event within sixty (60) days after the end of each Fiscal Quarter, (x) quarterly statements of EBITDA in respect of the Demised Property for each Fiscal Month in such Fiscal Quarter and year-to-date, to be certified by an officer of Tenant, and (y) total sales figures in respect of the Demised Property for each Fiscal Month in such Fiscal Quarter and year-to-date; and

(ii) promptly and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, an annual statement of financial position of Tenant, including a balance sheet and statement of profits and losses and, to the extent one is prepared, a statement of cash flows, such annual statements of financial position to be certified by an officer of Tenant to fairly represent the financial condition of Tenant as of the date thereof. To the extent such financial statements are audited, Tenant shall provide Landlord with a final copy of that audit within thirty (30) days of completion. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Tenant shall be permitted to satisfy its obligations under this clause (ii) by providing (or causing Buffets, LLC to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Tenant; and

(iii) in the event that Tenant defaults in making any payment required under this Lease when due and such default is not cured within thirty (30) days, within sixty (60) days of Landlord's request, a quarterly statement of financial position of Tenant, including a balance sheet and statement of profits and losses and a statement of cash flows, for the most recent Fiscal Quarter for which such quarterly statements were prepared by Tenant, such quarterly statements to be certified by an officer of Tenant to fairly represent the financial condition of Tenant as of the date thereof. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Tenant shall be permitted to satisfy its obligations under this clause (iii) by providing (or causing Buffets, LLC to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Tenant.

“Fiscal Year” shall mean a fiscal year from approximately July to June (subject to change by Tenant); “Fiscal Quarter” shall mean approximately July through September, approximately October through December, approximately January through March, and approximately April through June (subject to change by Tenant). The last day of each Fiscal Year is the Wednesday closest to June 30th (subject to change by Tenant); and “Fiscal Month” shall mean either (A) a calendar month or (B) a reporting period equal to 1/13 of a year, whichever shall then be used by Tenant in maintaining its books and records.

Tenant acknowledges that Landlord must comply with certain financial audit requirements and Landlord will suffer damages from Tenant's failure to deliver any of the financial information required in Subsections 14.03(i) and (ii) (the "Key Financial Statements") as and when due. If Tenant fails to deliver any Key Financial Statements as and when due, and such failure is not cured within ten (10) days after written notice from Landlord, subject to Force Majeure, Tenant shall pay Landlord a fee equal to US\$500 for each day that Tenant has failed to deliver any such Key Financial Statements (the "Financial Statements Default Fee"). The Financial Statements Default Fee is in addition to, and not in lieu of, any other remedy of Landlord under this Lease regarding Tenant's failure to deliver the Key Financial Statements. Tenant's payment of the Financial Statements Default Fee does not cure any Default or Event of Default caused by the failure to deliver any Key Financial Statement in a timely manner.

ARTICLE XV

INTENTIONALLY DELETED

ARTICLE XVI

DEFAULT

Section 16.01 Events Of Default. The occurrence of any of the following shall constitute an event of default under this Lease ("Event of Default") on the part of Tenant:

(a) Nonpayment of Base Rent. Failure to pay any installment of Base Rent hereunder when due, and the continuance of such nonpayment for five (5) days after Tenant's receipt of written notice and demand from Landlord.

(b) Nonpayment of Additional Rent. Failure to pay any amount of Additional Rent on or before the date when due and such failure continuing for seven (7) business days following delivery to Tenant by Landlord of written notice specifying such failure.

(c) Insolvency. If at any time during the Lease Term, (i) proceedings in bankruptcy shall be instituted (voluntarily or involuntarily) by or against Tenant or Buffets, LLC, a Minnesota limited liability company, formerly known as Buffets, Inc., OCB Restaurant Company, LLC, a Minnesota limited liability company, or HomeTown Buffet, Inc., a Minnesota corporation (individually or collectively, as the context may require, "Guarantor") that result in the filing of a voluntary petition or the entry of an order for relief, or (ii) Tenant or Guarantor shall file, or any creditor or other person shall file against Tenant or Guarantor, any petition in bankruptcy (i.e., seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief) under the Bankruptcy Code of the United States of America (or under any other present or future federal or state statute, law or regulation of similar intent or application), and such filing is not vacated or withdrawn within sixty (60) days thereafter, or (iii) a trustee or receiver shall be appointed to take possession of the Demised Property, or of all or substantially all of the business or assets of Tenant or Guarantor, and such

appointment is not vacated or withdrawn and possession restored to Tenant within sixty (60) days thereafter, or (iv) a general assignment or arrangement is made by Tenant or Guarantor for the benefit of creditors, or (v) any sheriff, marshal, constable or other duly-constituted public official takes possession of the Demised Property, or of all or substantially all of the business or assets of Tenant or Guarantor by authority of any attachment, execution, or other judicial seizure proceedings, and if such attachment or other seizure remains undismissed or undischarged for a period of sixty (60) days after the levy thereof, or (vi) Tenant or Guarantor shall admit in writing Tenant's or Guarantor's inability to pay its debts as they become due; or (vii) Tenant or Guarantor files an answer admitting or failing timely to contest a material allegation of a petition filed against Tenant or Guarantor, respectively, in any such proceeding; or (viii) within ninety (90) days after the commencement of any proceeding against Tenant or Guarantor seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, such proceeding shall not have been dismissed. In the event that under applicable law the trustee in bankruptcy or Tenant has the right to affirm this Lease and continue to perform the obligations of Tenant hereunder, such trustee or Tenant shall, within such time period as may be permitted by the bankruptcy court having jurisdiction, cure all defaults of Tenant hereunder outstanding as of the date of the affirmance of this Lease and provide to Landlord such adequate assurances as may be necessary to ensure Landlord of the continued performance of Tenant's obligations under this Lease.

(d) Misrepresentation. The discovery by Landlord that any representation, warranty or financial statement given to Landlord by Tenant or Guarantor, or any affiliate of Tenant or Guarantor, was intentionally materially false or misleading when given, including without limitation as set forth in any Transaction Document.

(e) Insurance; Patriot Act. Any breach by Tenant under Article XI or Article XLII, provided however, any breach by Tenant under Article XI shall not constitute an Event of Default so long as Tenant cures any such breach within ten (10) days after receipt of written notice of such breach from Landlord (provided further however, that any lapse of any of the insurance policies required under Article XI shall constitute an automatic Event of Default without any notice or cure right).

(f) Delivery of Documents. The failure by Tenant to deliver any of the documents required pursuant to Section 26.01, 28.01 or 38.01 within the time periods required pursuant to such sections (except if the delay is caused by the good faith negotiation between Tenant and Landlord or its Lender with respect to the form and substance of such documents).

(g) Financial Information; Insurance. Tenant fails in any of its obligations set forth in Section 14.03, such failure continuing for a period of ten (10) days after written notice of such failure is delivered by Landlord to Tenant; or any claim of lien is recorded against the Demised Property and such claim of lien continues for thirty (30) days without discharge (by bonding or other means available pursuant to applicable law), satisfaction or provision for payment being made by or on behalf of Tenant.

(h) Cross Default With Guaranty. There is any default by Guarantor, after any applicable notice or cure periods, under the Guaranty.

(i) Intentionally Omitted.

(j) Other Obligations. The failure by Tenant to timely perform any obligation, agreement or covenant under this Lease, other than those matters specified in Sections 16.01(a)-(i) above, and such failure continuing for a period of thirty (30) days after written notice of such failure is delivered to Tenant, or such longer period, up to but not exceeding an additional ninety (90) days, as is reasonably necessary to remedy such default provided, however, that if Tenant has continuously and diligently pursued a remedy at all times during such thirty (30) day period and additional ninety (90) day period, and notwithstanding such efforts by Tenant the applicable Default has not been cured, and if Tenant prior to the expiration of such additional ninety (90) day period delivers to Landlord cash or other collateral, or agrees to other undertakings, in each case reasonably acceptable to Landlord that, in Landlord's commercially reasonable judgment, fully mitigate any loss that Landlord has suffered, or is reasonably likely to suffer, as a result of such Default, then such Default shall be deemed cured by Tenant for all purposes hereunder; provided, however, that if at any time thereafter Landlord determines in its commercially reasonable discretion that additional cash, collateral or other undertakings by Tenant are required in order to fully mitigate any loss that Landlord has suffered, or is reasonably likely to suffer, as a result of such Default, then Tenant shall deliver such cash or collateral to Landlord, or agree to such other undertakings, within thirty (30) days after Landlord's written request therefor (and any failure to do so shall constitute an immediate Event of Default hereunder), and Landlord and Tenant agree that Landlord's actions in accordance with this subsection 16.01(j) shall satisfy any obligation of Landlord pursuant to applicable law to mitigate its damages following any Default.

As used in this Lease, "Default" means any breach or default under this Lease, whether or not the same is an Event of Default, and also any breach or default under this Lease, that after notice or lapse of time or both, would constitute an Event of Default if that breach or default were not cured within any applicable grace or cure period.

Section 16.02 Remedies Upon Event of Default. If an Event of Default by Tenant occurs and during the continuance thereof, in addition to any other remedies available to Landlord at law or in equity or elsewhere hereunder, Landlord shall have the following remedies:

(a) Termination. Landlord shall have the right, with or without notice or demand, immediately upon expiration of any applicable grace period specified herein, to terminate this Lease (or Tenant's possession to the Demised Property), and at any time thereafter recover possession of all or any portion of the Demised Property or any part thereof and expel and remove therefrom Tenant and any other person occupying the same by any lawful means, and repossess and enjoy all or any portion of the Demised Property without prejudice to any of the remedies that Landlord may have under this Lease. If Landlord elects to terminate this Lease (or to terminate Tenant's right of possession), Landlord shall also have the right to reenter the Demised Property and take possession of and remove all personal property of

Tenant, if any, in the Demised Property. In connection with any such repossession Tenant (and any affiliate of Tenant holding a liquor license, if any, with respect to the Demised Property) shall cooperate reasonably with Landlord and any applicable government agency in transferring its liquor license to Landlord, or in assisting Landlord in obtaining a liquor license, all at no cost or expense to Tenant. If Landlord elects to terminate this Lease and/or Tenant's right to possession, or if Tenant's right to possession is otherwise terminated by operation of law, Landlord may recover as damages from Tenant the following: (i) all Rent then due under this Lease through the date of termination; (ii) the Rent due for the remainder of the Lease Term in excess of the fair market rental value of the Demised Property for the remainder of the Lease Term, including without limitation any and all Additional Rent (each discounted by the discount rate of the Federal Reserve Bank of San Francisco plus one percent (1%)); (iii) the cost of reletting the Demised Property, including without limitation the anticipated period of vacancy until such Demised Property can be re-let at its fair market rental values; and (iv) any other costs and expenses that Landlord may reasonably incur in connection with the Event of Default. Efforts by Landlord to mitigate the damaged caused by the Event of Default (or Tenant's Default under this Lease) shall not waive Landlord's right to recover damages under the foregoing provisions.

(b) Continuation after Event of Default. If Landlord does not elect to terminate this Lease, then this Lease shall continue in effect, and Landlord may enforce all of its rights and remedies under this Lease, including, without limitation, the right to recover Rent as it becomes due, and Landlord, without terminating this Lease, may exercise all of the rights and remedies of a landlord under law, subject to Article XXXII hereof. Landlord shall not be deemed to have terminated this Lease except by an express statement in writing. Acts of maintenance or preservation, efforts to relet the Demised Property, or the appointment of a receiver upon application of Landlord to protect Landlord's interest under this Lease shall not constitute an election to terminate Tenant's right to possession unless such election is expressly stated in writing by Landlord. Notwithstanding any such reletting without such termination, Landlord may at any time thereafter elect to terminate Tenant's right to possession and this Lease. If Landlord elects to relet the Demised Property for the account of Tenant, the rent received by Landlord from such reletting shall be applied as follows: first, to the payment of any and all costs of such reletting (including, without limitation, reasonable attorneys' fees, brokers' fees, alterations and repairs to the Demised Property, and tenant improvement costs); second, to the payment of any and all indebtedness other than Rent due hereunder from Tenant to Landlord; third, to the payment of any and all Rent due and unpaid hereunder; and the balance, if any, shall be held by Landlord and applied in payment of future Rent as it becomes due. If the rent received from the reletting is less than the sum of the costs of reletting, other indebtedness due by Tenant, and the Rent due by Tenant, then Tenant shall pay the deficiency to Landlord promptly upon demand by Landlord. Such deficiency shall be calculated and paid monthly.

(c) State-Specific Remedy. Landlord may pursue any other remedy now or hereafter available to Landlord under the laws and judicial decisions of the state in which the

Demised Property is located in addition to and not as an alternative remedy to those provided hereunder.

Section 16.03 Indemnification. Nothing in this Article shall be deemed to affect Tenant's obligation to indemnify, defend, protect and hold harmless Landlord and the other Landlord Parties under this Lease (including, without limitation, under Article X and Article XXXVII), and such obligation shall survive the termination or expiration of this Lease.

Section 16.04 Waiver of Notice/Performance by Landlord. Notwithstanding any provision herein, (a) if Tenant is required to comply with any governmental requirement, Tenant shall not be entitled to notice of default from Landlord and right to cure beyond the period within which such compliance may be required by applicable law or government agency or (b) if in Landlord's reasonable determination the continuance of any default by Tenant for the full period of notice provided for herein will constitute a threat of injury or harm to persons or property, Landlord may, with or without notice, elect to perform those acts with respect to which Tenant is in default for the account and at the expense of Tenant. If by reason of such governmental requirement or default by Tenant, Landlord is compelled or elects to pay any sum of money, (including without limitation reasonable attorneys' fees, consultant fees, testing and investigation fees, expert fees and court costs), such sums so paid by Landlord shall be due to Landlord from Tenant within thirty (30) days after written demand therefor from Landlord, in addition to any other amounts to be paid by Tenant under this Lease.

Section 16.05 Late Fee. In addition to any interest charged to Tenant under Section 16.06, if any payment of Base Rent or Additional Rent is not received by Landlord from Tenant within five (5) days after such payment is due to Landlord hereunder, such payment shall be deemed delinquent and cause Tenant to incur a late fee of seven percent (7%) on each such delinquent payment (the "Late Fee"), due and payable immediately with the delinquent Base Rent or delinquent Additional Rent, as the case may be.

Section 16.06 Interest. Tenant hereby acknowledges that late payment by Tenant of Base Rent, Additional Rent and/or any other sums due by Tenant hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by the terms of any mortgage or trust deed covering the Demised Property. Accordingly, in addition to any Late Fee due from Tenant hereunder, any sum due by Tenant under this Lease which is not paid when due shall bear interest at the lesser of ten percent (10%) per annum of such sums or the maximum rate allowed under applicable law, from the date such sum becomes due and payable by Tenant hereunder until paid, unless otherwise expressly provided in this Lease.

Section 16.07 Tenant's Subleases. If Landlord elects to terminate this Lease on account of any Event of Default, then Landlord may: (i) terminate any sublease and any license, concession, or other consensual arrangement for possession entered into by Tenant and affecting the Demised Property which is not the subject of a nondisturbance agreement executed by Landlord; or (ii) choose to succeed to Tenant's interest in such arrangement. Absent a

nondisturbance agreement between Landlord and such subtenant, no payment by a subtenant with respect to a sublease shall entitle such subtenant to possession of the Demised Property after termination of this Lease and Landlord's election to terminate the sublease by the subtenant. If Landlord elects to succeed to Tenant's interest in such arrangement, then Tenant shall, as of the date of notice given by Landlord to Tenant of such election, have no further right to, or interest in, any rent or other consideration receivable under that arrangement.

Section 16.08 Other Effects of Events of Default.

(a) Upon the occurrence of an Event of Default, Landlord shall have all rights and remedies hereunder and under applicable law immediately. Except only as may be required by statute which cannot be waived lawfully, Landlord shall have no obligation to give any notice after an Event of Default as a condition to Landlord's pursuit of any right or remedy.

(b) This Section is in all respects subject to any applicable statute that provides rights in favor of Tenant that are contrary to this Section. Notwithstanding anything else herein (but subject to any such applicable statute), Landlord shall have no obligation to accept the attempted or purported cure of, or to waive, any Event of Default, regardless of tender of delinquent payments or other performance by Tenant, or any other event or condition whatsoever; and Tenant shall not have any right to cure any Event of Default, and no right to cure shall be implied.

(c) Without limiting the foregoing, after the occurrence of any Event of Default (irrespective of whether or not the same consists of an ongoing condition, a one-time occurrence, or otherwise), the same shall be deemed to continue at all times thereafter; provided, however, that such Event of Default shall cease to continue only if Landlord shall accept performance of the defaulted obligation or shall execute and deliver a written agreement in which Landlord expressly states that such Event of Default has ceased to continue. Landlord shall not be obligated under any circumstances whatsoever to accept such performance or execute and deliver any such writing.

(d) Without limitation, this Section shall govern in any case where reference is made in this Lease to (i) any "cure" (whether by use of such word or otherwise) of any Event of Default, (ii) "during an Event of Default" or "the continuance of an Event of Default" (in each case, whether by use of such words or otherwise), or (iii) any condition or event which continues beyond the time when the same becomes an Event of Default.

Section 16.09 Acceptance of Rent Without Waiving Rights. No payment by Tenant shall be deemed to be other than on account of the earliest sum due from Tenant hereunder, nor shall any endorsement or statement by Tenant on any check or any letter accompanying such payment be deemed an accord and satisfaction of any amount in dispute between Tenant and Landlord or otherwise. Landlord may accept any and all of Tenant's payments without waiving any right or remedy under this Lease, including but not limited to the right to commence and pursue an action to enforce rights and remedies under a previously served notice of default, without giving Tenant any further notice or demand.

Section 16.10 Waiver by Tenant. Tenant hereby waives all claims for damages that may be caused by Landlord's lawful reentering and taking possession of the Demised Property in accordance with the provisions of this Lease or removing and storing the property of Tenant as herein provided.

Section 16.11 Remedies Cumulative. All rights, privileges, elections, and remedies of Landlord and Tenant are cumulative and not alternative with all other rights and remedies hereunder, at law or in equity to the fullest extent permitted by law. The exercise of one or more rights or remedies by Landlord or Tenant shall not impair Landlord's or Tenant's rights to exercise any other right or remedy to the fullest extent permitted by law.

Section 16.12 Survival. The remedies available to Landlord pursuant to this Article shall survive expiration or termination of this Lease.

ARTICLE XVII

UNAVOIDABLE DELAYS, FORCE MAJEURE

If either party shall be prevented or delayed from punctually performing any obligation or satisfying any condition under this Lease by any condition beyond the control of such party, exclusive of financial inability of a party (including without limitation any of the following if beyond the control of (and not caused by) such party ("Force Majeure"): strike, lockout, labor dispute, civil unrest, inability to obtain labor, materials or reasonable substitutes thereof, acts of God, present or future governmental restrictions, regulations or control, insurrection, and sabotage), then the time to perform such obligation or satisfy such condition shall be extended by the delay caused by such event, but only for a reasonable period of time not to exceed, in any event, three hundred sixty-five (365) days (the "Force Majeure Deadline"). The provisions of this Article shall in no event operate to delay the Commencement Date or to excuse Tenant from the payment of all Rent as and when due under this Lease.

ARTICLE XVIII

NO WAIVER

The failure of Landlord or Tenant to insist upon strict performance of any of the terms and conditions hereof shall not be deemed a waiver of any rights or remedies that party or any other such party may have, and shall not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions.

ARTICLE XIX

NOTICES

ARTICLE XX

ACCESS

Landlord and its designees shall have the right upon not less than forty-eight hours' prior written notice to Tenant (except in the event of an emergency, where no prior notice shall be required) to enter upon the Demised Property at reasonable hours to inspect the Demised Property or, during the period commencing one year prior to the end of the Lease Term, for the purpose of exhibiting same to prospective tenants and posting "for lease" or similar signage at the Demised Property, in Landlord's discretion. Any such entry and/or inspection by Landlord shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Property. Tenant may provide an escort for Landlord during any such entry and/or inspection, but Landlord's right to such entry and/or inspection shall not be subject to the availability or presence of any such escort provided by Tenant. Landlord agrees to reasonably cooperate with any escort provided by Tenant during any inspection of the Demised Property.

ARTICLE XXI

SIGNS

No sign shall be installed on the Demised Property until all governmental approvals and permits required therefor are first obtained and all fees pertaining thereto have been paid by Tenant. Except as set forth in the preceding sentence, Tenant may, at Tenant's sole cost and expense, install or erect signs of any height or dimensions and bearing such inscription as Tenant shall reasonably determine. Tenant may at all times remove such signage, subject to the requirements of this Lease. Upon the termination of this Lease following an Event of Default or upon a rejection of this Lease in any bankruptcy, Landlord shall have the right, at its sole option, to retain and use the signage structures (e.g. base, pole) in the future operation of the Demised Property without payment of any compensation to Tenant.

ARTICLE XXII

IMPROVEMENTS AND FIXTURES

Section 22.01 Any and all portions of the Building, all other improvements on the Real Property at the Commencement Date and all Building Equipment on the Demised Property at the

Commencement Date shall be the property of Landlord (excluding the trade fixtures and the Restaurant Equipment). In the event that Tenant installs or erects fixtures or improvements to the Demised Property after the Commencement Date (excluding the trade fixtures and Restaurant Equipment), such fixtures or improvements shall at the expiration or earlier termination of this Lease, become the property of Landlord and remain upon and be surrendered with the Demised Property. Notwithstanding the foregoing provisions, Tenant shall be liable for all property taxes, assessments, and similar charges assessed against or allocable to any fixtures or equipment at the Demised Property (irrespective of whether such items are Building Equipment owned by Landlord or Restaurant Equipment or other personal property of Tenant) and which are attributable to any period of time during the Lease Term.

Section 22.02 During the Lease Term, Tenant shall be entitled to use the Building Equipment in Tenant's operations at the Demised Property. Except as otherwise provided in Section 22.04, Tenant shall keep the Building Equipment in good working order and repair, ordinary wear and tear excepted, shall not remove the Building Equipment from the Demised Property and shall not permit any lien or other encumbrance to attach to Building Equipment except any such liens that are being contested by Tenant in good faith by appropriate proceedings and that have been bonded over by Tenant to the commercially reasonable satisfaction of Landlord or for which Tenant provides alternative security to the commercially reasonable satisfaction of Landlord. Tenant shall keep (or cause to be kept) the Building Equipment insured and shall be responsible for any casualty or other loss to Building Equipment or occasioned by Building Equipment. Tenant may, from time to time, retire or replace Building Equipment with new or comparable items of equipment purchased by Tenant, in which event such replaced equipment shall constitute Building Equipment. All Building Equipment shall be the property of Landlord, and Tenant shall execute such instruments and documents as Landlord may reasonably require to evidence such ownership by Landlord.

Section 22.03

(a) Without limiting Landlord's rights or Tenant's obligations in subsection (b), Tenant shall deliver to Landlord within thirty (30) days following Tenant's receipt of Landlord's written request (i) to the extent in Tenant's possession and/or control, a complete listing of all Restaurant Equipment, which may be in electronic format, to the extent not previously delivered to Landlord, and (ii) any fixed asset report relating to the Restaurant Equipment in Tenant's possession and/or control, to the extent not previously delivered to Landlord; provided that Landlord shall have the right to deliver such request not more than one time in any 12 month period during the Lease Term and provided that Tenant's delivery of such information in (i) and (ii) shall be without any representation or warranty as to such information's accuracy or completeness.

(b) At any time during the occurrence of any Event of Default, and during the occurrence of any Default caused by the failure of Tenant to pay any amount as and when due from Tenant under this Lease, and within ninety (90) days before the expiration of the Lease Term, Tenant shall deliver to Landlord immediately following Tenant's receipt of Landlord's written request (i) to the extent in Tenant's possession and/or control, a complete listing of all

Restaurant Equipment, which may be in electronic format, to the extent not previously delivered to Landlord, and (ii) any fixed asset report relating to the Restaurant Equipment in Tenant's possession and/or control, to the extent not previously delivered to Landlord; provided that Tenant's delivery of such information in (i) and (ii) shall be without any representation or warranty as to such information's accuracy or completeness.

(c) Without limiting Article XX, at any time during the Lease Term, upon not less than forty-eight hours' prior written notice to Tenant, Landlord may enter upon the Demised Property at reasonable hours to inspect and inventory the Restaurant Equipment provided that (i) such inspection and inventory shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Property, (ii) Landlord shall have the right to such inspection and inventory not more than one time in any 12 month period during the Lease Term, (iii) at Tenant's option, such inspection and inventory shall not be conducted during normal business hours and Tenant may provide an escort for Landlord during any such inspection and inventory (provided further that Landlord's right to such inspection and inventory shall not be subject to the availability or presence of any such escort), and (iv) Landlord shall promptly pay the costs of any damage caused by Landlord and/or its agents to any Restaurant Equipment in connection with such inspection and inventory.

(d) Without limiting Article XX, at any time during the occurrence of any Event of Default or any Default in connection with any payment due and payable by Tenant under this Lease and within ninety (90) days before the expiration of the Lease Term, Landlord may enter (without any notice) upon the Demised Property to inspect and inventory the Restaurant Equipment; provided that (i) such inspection and inventory shall not unreasonably interfere with Tenant's ability to conduct its business operations at the Demised Property, (ii) at Tenant's option, such inspection and inventory shall not be conducted during normal business hours and Tenant may provide an escort for Landlord during any such inspection and inventory (provided further that Landlord's right to such inspection and inventory shall not be subject to the availability or presence of any such escort), and (iii) Landlord shall promptly pay the costs of any damage caused by Landlord and/or its agents to any Restaurant Equipment in connection with such inspection and inventory.

(e) Tenant shall not commit waste with respect to the Restaurant Equipment located in the Demised Property and shall not remove the Restaurant Equipment from the Demised Property (except to the extent it is replaced by equipment of equal or greater quality and utility). Tenant shall keep the Restaurant Equipment insured and shall be responsible for any casualty or other loss to Restaurant Equipment or occasioned by Restaurant Equipment. Tenant may, from time to time, retire or replace Restaurant Equipment with new items of equipment purchased by Tenant, in which event such replaced equipment shall constitute Restaurant Equipment.

(f) Landlord shall execute and deliver a lien waiver agreement in form and substance commercially reasonably satisfactory to Landlord to any lender of the Restaurant Equipment.

Any Restaurant Equipment remaining on the Demised Property after ten (10) days after the expiration or earlier termination of the Lease Term shall be deemed abandoned and shall become the property of Landlord without payment therefor.

ARTICLE XXIII

END OF TERM

Upon the expiration or earlier termination of the Lease Term, Tenant shall peaceably and quietly quit and surrender the Demised Property, and all Alterations which are then part of the Demised Property, broom clean and in good order and condition, ordinary wear and tear excepted and except as provided in Articles XII and XIII. Tenant shall prior to the end of the Lease Term transfer to Landlord all plans, drawings, other Alteration Information, and technical descriptions of the Demised Property (if available), and shall assign to Landlord all assignable permits, licenses, authorizations and warranties necessary for the operation of the Demised Property (in each case to the extent not previously transferred or assigned to Landlord). Upon the expiration or earlier termination of this Lease Tenant shall have the obligation to remove all Restaurant Equipment, except that Tenant may elect to abandon any trade fixtures or equipment which is attached or connected to the Demised Property. Any such items or other items of Restaurant Equipment or personal property which are not removed upon the expiration or earlier termination of this Lease shall be deemed abandoned and may be removed, disposed of or used by Landlord without payment of any compensation to Tenant. This Article XXIII shall survive the expiration or termination of this Lease.

ARTICLE XXIV

HOLDING OVER

If Tenant holds over in possession after the expiration of the Lease Term, then such holding over shall not be deemed to extend the Lease Term or renew this Lease, but rather the tenancy thereafter shall continue as a tenancy at sufferance pursuant to the terms and conditions herein contained, at One Hundred Fifty percent (150%) of the Base Rent otherwise then applicable (in addition to all Additional Rent); and Tenant shall be responsible for the consequences of any unauthorized holdover and shall indemnify, defend, protect (with counsel selected by Landlord) and hold Landlord Parties wholly free and harmless of, from and against any and all damages, losses, costs, expenses and claims arising therefrom, including reasonable attorneys fees and costs. This Article shall survive expiration or termination of this Lease.

ARTICLE XXV

TENANT ASSIGNMENT AND SUBLETTING

Section 25.01

(a) Except as otherwise explicitly provided in this Article, neither Tenant, nor Tenant's successors or assigns, shall assign in whole or in part, by operation of law or

LAND AND BUILDING LEASE
(Individual Lease Form)

otherwise, this Lease, or sublet the Demised Property, in whole or in part, or permit the Demised Property or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Demised Property shall be managed or operated by anyone other than the owner of the Tenant's leasehold estate, without the prior written consent of Landlord in each instance, such consent not to be unreasonably withheld or conditioned so long as Landlord has received all information reasonably requested. Notwithstanding the foregoing, Tenant may assign or transfer this Lease in its entirety or sublease all or a portion of the Demised Property, with prior written notice to Landlord, but without Landlord's prior written consent, if such assignment, transfer or sublease is to a Tenant Affiliate (as defined below), in which case neither the Tenant nor the Guarantor shall be released of its obligations under this Lease, provided, however, no consent shall be required only so long as such Tenant Affiliate which holds such interest in this Lease shall remain a Tenant Affiliate. In the event such Tenant Affiliate which holds such interest in this Lease ceases to be a Tenant Affiliate during the Lease Term, then such cessation shall be an automatic Event of Default, subject to the terms of this Lease. "Tenant Affiliate" shall mean any person or entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with Tenant (for purposes of this section, the term "control," "controlled by" or "under common control with" means the power, direct or indirect, to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting stock, by contract, as trustee or executor, or otherwise). Any disposition of an ownership interest in Tenant, either directly or indirectly, in such a manner that the ultimate beneficial owners of Tenant, through one or more tiers of ownership, transfer "control" of Tenant, shall be deemed to be an assignment of this Lease. Notwithstanding the foregoing, the following may be made with prior written notice to Landlord, but without Landlord's prior written consent: (i) the sale or transfer of all or any portion of the equity ownership interests of Guarantor (or its parent) or all or substantially all of Guarantor's (or its parents') assets, provided that all of Tenant's obligations hereunder and Guarantor's obligations under the Guaranty shall be expressly assumed by the entity acquiring all or substantially all of the assets of Guarantor, (ii) an initial public offering ("IPO") of stock in Guarantor, Buffets Holdings, Inc. and/or any subsidiary of either of them and (iii) the transfer of shares of stock in any entity after its IPO. Provided Tenant remains liable for all its obligations under this Lease and there shall not exist any Event of Default or event that, with the passage of time or the giving of notice or both, could become an Event of Default, Landlord shall not unreasonably withhold consent to: (X) an assignment of this Lease for the purposes permitted herein to an individual, partnership or corporation if (i) such individual, partnership or corporation (together with any affiliates that will agree to guaranty the Tenant's obligations and liabilities under this Lease pursuant to a guaranty substantially in the form of Exhibit F hereto) has, in the reasonable opinion of Landlord at least five (5) years' experience in managing and operating restaurants, as well as a record of timely payment of obligations and compliance with applicable laws; (ii) such individual, partnership or corporation (together with any affiliates that will agree to guaranty the Tenant's obligations and liabilities under this Lease pursuant to a guaranty substantially in the form of Exhibit F hereto) is commercially and financially sound; and (iii) the restaurant use meets the standards and criteria set forth in Article IV; or (Y) a sublease of the Demised Property in its entirety to a retailer or restaurant operator if (i) the proposed sublease will take

effect after July 1, 2017, (ii) the proposed subtenant will not engage in any use prohibited by Section 4.01 hereof and would not be anticipated to receive in excess of seventy-five (75%) percent of its revenues from the Demised Property from the sale of alcoholic beverages, (iii) the proposed subtenant has a record of timely payment of obligations and compliance with applicable laws, and is commercially and financially sound, (iv) neither the proposed subtenant nor any of its officers, directors, and direct or indirect owners regardless of the number of tiers of ownership is a Person (as hereinafter defined) (1) whose property or interest in property is blocked or subject to blocking pursuant to Section 1 of Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)), (2) who engages in any dealings or transactions prohibited by Section 2 of such executive order, or is otherwise associated with any such person in any manner violative of Section 2, or (3) on the list of Specially Designated Nationals and Blocked Persons or subject to the limitations or prohibitions under any other U.S. Department of Treasury's Office of Foreign Assets Control regulation or executive order, (v) the proposed subtenant and each of its officers, directors, and direct or indirect owners regardless of the number of tiers of ownership, is in compliance with (1) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (2) the Uniting And Strengthening America By Providing Appropriate Tools Required To Intercept And Obstruct Terrorism (USA Patriot Act of 2001), and (vi) the proposed subtenant has delivered to Landlord and any Landlord's Lender, upon request, a subordination, non-disturbance and attornment agreement in form and substance reasonably acceptable to Landlord and any Landlord's Lender (to which Tenant shall not be required to be a party to the extent such agreement is also executed by Landlord's Lender (provided, however, that Tenant may be required to execute a separate instrument evidencing its consent to and agreement with the provisions of such agreement)). Notwithstanding the foregoing, (x) after any such assignment or sublease, Tenant shall remain liable for all its obligations under this Lease, Guarantor shall remain liable under the Guaranty, and Tenant shall execute and deliver to Landlord a guaranty in form and substance reasonably acceptable to both Landlord and Tenant (which shall contain surety and guarantor waivers similar to those contained in the Guaranty), whereby Tenant explicitly guarantees all of the assignee's or subtenant's obligations under this Lease, and (y) Landlord may condition its consent to any sublease regarding the Demised Premises upon the sublease containing the following provisions, in form and substance acceptable to Landlord and Landlord's Lender (collectively, the "Subordination and Attornment Provisions"): (i) that the sublease is subordinate in all respects to this Lease; (ii) that in the event of the cancellation or termination of this Lease for any reason whatsoever or of the surrender of this Lease by operation of law prior to the expiration date of the sublease, subtenant shall make full and complete attornment to Landlord under either the terms of this Lease or the terms of the sublease, in Landlord's sole and absolute discretion, for the balance of the term of the sublease; (iii) that subtenant waives the provisions of any law then or thereafter in effect which may give subtenant any right of election to terminate the sublease or to surrender possession of the Demised Property in the event any proceeding is brought by Landlord to terminate this Lease; and (iv) that all of the foregoing provisions in (i) through (iv) are for the benefit of both Tenant and Landlord and Landlord is a

third party beneficiary thereof. Notwithstanding the foregoing, Landlord and Tenant agree that upon the request of any subtenant, Landlord or Landlord's Lender, Landlord, Tenant and such subtenant will execute and deliver to each other a separate subordination, attornment and nondisturbance agreement regarding the sublease, in form and substance reasonably acceptable to all parties thereto.

(b) Tenant shall submit current financial statements of any proposed assignee or sublessee together with Tenant's request for Landlord's approval of any proposed assignment or sublease which requires Landlord's approval hereunder.

(c) If this Lease is assigned or transferred, or if all or any part of the Demised Property is sublet or occupied by any party other than Tenant, Landlord may collect rent from the assignee, transferee, subtenant or occupant, and apply the net amount collected to the Rent reserved in this Lease, but no such assignment, subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Lease, or the acceptance of the assignee, transferee, subtenant or occupant as tenant, or a release of Tenant from the performance or further performance by Tenant of its obligations under this Lease. Without limiting the generality of the foregoing, Tenant expressly acknowledges and agrees that in the event of any assignment of this Lease, Tenant shall remain jointly and severally liable with the assignee for all of the obligations under this Lease, and in all other cases of any transfer of Tenant's interest under this Lease, Tenant shall remain primarily liable for such obligations. Subject to the foregoing, the consent by Landlord to an assignment, transfer, management contract or subletting shall not in any way be construed to relieve Tenant from obtaining the express written consent of Landlord in each instance to any subsequent similar action that Tenant may intend to take.

Section 25.02 Upon any sublease or assignment permitted as provided in this Article XXV, Tenant shall deliver to Landlord copies of such sublease agreement or assignment in form and substance reasonably satisfactory to Landlord (including, without limitation, assumption language reasonably satisfactory to Landlord in any assignment agreement) promptly after the execution thereof by Tenant. An assignment made with Landlord's consent or as otherwise permitted hereunder shall not be effective until Tenant delivers to Landlord an executed counterpart of such assignment containing an agreement, in recordable form, executed by the assignor and the proposed assignee, in which the assignee assumes the performance of the obligations of the assignor under this Lease throughout the Lease Term. In no event shall Tenant be entitled to amend, extend or otherwise modify any sublease without the prior written consent of Landlord, which Landlord may withhold in its commercially reasonable discretion.

Section 25.03 This Lease shall be binding upon, enforceable by, and inure to the benefit of the parties hereto and their respective heirs, successors, representatives and assigns.

ARTICLE XXVI

FINANCINGS

Section 26.01 Except as provided herein, without the necessity of any additional document being executed by Tenant for the purpose of effecting a subordination, this Lease and any and all subleases and similar arrangements shall be subject and subordinate to all ground leases and the lien of all mortgages and deeds of trust which now or hereafter affect Landlord's interest in the Demised Property, and all amendments thereto, all without the necessity of Tenant's (or any subtenant's) executing further instruments to effect subordination. In the event that any mortgage or deed of trust is foreclosed or a deed in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the Tenant of the successor in interest to Landlord at the option of and on terms acceptable to such successor in interest. So long as no Event of Default exists under this Lease, Tenant's possession of the Demised Property shall not be disturbed as a result of such foreclosure or deed in lieu of foreclosure. Notwithstanding the foregoing, as of the Commencement Date (or if no mortgages, deeds of trust or other security instruments encumber Landlord's interest in the Demised Property as of the Commencement Date, then at such time as any such instrument does encumber the Demised Property after the Commencement Date), Landlord, Landlord's Lender, and Tenant shall execute and deliver to each other a subordination, non-disturbance and attornment agreement in the form attached hereto as Exhibit G (an "SNDA"). The interest in the Demised Property of any such future ground lessee or lienholder shall have priority over the interest of Tenant in this Lease and in the Demised Property, subject to Landlord, Landlord's Lender and Tenant entering into a subordination, non-disturbance and attornment agreement reasonably required by Landlord or Landlord's Lender. Tenant shall execute and deliver to Landlord and Landlord's Lender, and Tenant shall cause any subtenant to execute and deliver to Landlord and Landlord's Lender, in each case within fifteen (15) days after Landlord's written request therefor, an SNDA or other subordination, nondisturbance and attornment agreement reasonably required by Landlord or Landlord's Lender. If Tenant fails to deliver such SNDA within such 15 day period, then Landlord shall deliver a subsequent written request of such SNDA (the "SNDA Second Request") and Tenant shall be required to deliver such SNDA within five (5) days after the SNDA Second Request.

Section 26.02 Subject to the terms of this Article, Landlord agrees that Tenant shall have the right to encumber or hypothecate Tenant's interest in the leasehold estate created by this Lease. As used in this Article, "Leasehold Mortgage" shall mean any leasehold deed of trust, mortgage, assignment of leases and rents, assignment, security agreement, or other security document securing the applicable financing from Tenant's lender or Tenant Affiliates' lender (collectively, "Tenant's Lender"). Landlord shall not be obligated to subordinate any or all of Landlord's right, title or interest in and to the Demised Property and this Lease to the lien of any Leasehold Mortgage. A Leasehold Mortgage shall encumber only Tenant's leasehold interest in the Demised Property, and shall not encumber Landlord's right, title or interest in the Demised Property. Landlord shall have no liability whatsoever for the payment of any obligation secured by any Leasehold Mortgage or any other provisions of such note or the Leasehold Mortgage or

related obligations. Should there be any conflict between the provisions of this Lease and of any Leasehold Mortgage, the provisions of this Lease shall control. No Leasehold Mortgage will be for a term longer than the Original Lease Term or as the Original Lease Term may be extended in accordance with the terms of this Lease. Either prior to or concurrently with the recordation of the Leasehold Mortgage, Tenant shall cause a fully conformed copy thereof and of the financing agreement secured thereby to be delivered to Landlord and Fee Mortgagee, together with a written notice containing the name and post office address of Tenant's Lender. Without limiting anything contained in this Section, within fifteen (15) days after written request from Tenant, Landlord shall deliver an estoppel certificate in favor of Tenant's Lender regarding this Lease, in form and substance reasonably acceptable to Landlord and Tenant's Lender. Tenant agrees that a condition precedent to its granting a Leasehold Mortgage to any Tenant's Lender shall be the execution and delivery by such Tenant's Lender to Landlord and Landlord's Lender of a subordination, non-disturbance and attornment agreement, in form and substance reasonably acceptable to Landlord and Fee Mortgagee, which shall provide, without limitation, that upon a default under the Leasehold Mortgages, Tenant's Lender may foreclose only on this Lease as an entirety, applicable to all, but not less than all (even if otherwise possible under applicable law) of the Demised Property. If Landlord obtains financing secured by mortgages, deeds of trust or other security instruments encumbering Landlord's interest in the Demised Property (the "Fee Mortgages") as of the Commencement Date, then Tenant shall not record a Leasehold Mortgage until after the recordation of the Fee Mortgages. However, if Landlord does not obtain financing secured by Fee Mortgages as of the Commencement Date, Tenant shall be permitted to record the Leasehold Mortgages prior to the Fee Mortgages so long as Tenant has otherwise satisfied the requirements under this Section. A Leasehold Mortgage shall be, and hereafter shall continue at all times to be, subject to each and all of the covenants, conditions and restrictions set forth in this Lease, and junior, subject and subordinate, in each and every respect, to all rights and interests of any Fee Mortgagee (as defined below) now or hereafter affecting the Demised Property. If Landlord delivers to Tenant a Default notice under this Lease, Landlord shall notify any Tenant's Lender (without any liability for failure to provide such notification) who has given Landlord a prior written request for such notice of such Default by sending a copy of the Default notice to Tenant's Lender, and Landlord shall recognize and accept the performance of any obligation of Tenant hereunder by Tenant's Lender (provided said performance occurs within the same cure periods as provided to Tenant under this Lease); provided, however that nothing contained herein shall obligate Tenant's Lender to take any such actions. As used herein, "Fee Mortgagee" means any mortgagee or Landlord's Lender (and its successors and assigns) under any Fee Mortgage.

Any act by Tenant or Tenant's Lender in violation of this Section 26.02 shall be null and void and of no force or effect. This Section shall survive termination of this Lease.

ARTICLE XXVII

INTENTIONALLY DELETED

ARTICLE XXVIII

CERTIFICATES

Section 28.01

(a) Tenant or Landlord, as applicable (the "Certifying Party") shall, without charge, at any time and from time to time, within fifteen (15) days after requested in writing by the other party (the "Requesting Party"), deliver a written instrument (the "Estoppel Certificate") to the Requesting Party or any other person, firm or corporation specified by the Requesting Party, duly executed and acknowledged, certifying such information as is reasonably requested by the Requesting Party, which may include confirmation that:

(i) This Lease is unmodified and in full force and effect, or if there has been any modification, that this Lease is in full force and effect as modified and stating any such modification;

(ii) Whether or not there are then existing, to the actual knowledge of the executing officer, any defenses against the enforcement of any of the agreements, terms, covenants or conditions of this Lease upon the part of the Certifying Party to be performed or complied with, and, if so, specifying same (including, without limitation, whether the Certifying Party knows or does not know of any default by the Requesting Party in the Requesting Party's performance of all agreements, terms, covenants and conditions to be performed by the Requesting Party, and if such default does exist, specifying same);

(iii) The amounts and dates to which the Base Rent and Additional Rent and any and all other charges due by Tenant hereunder have been paid, the amounts of any and all outstanding balances of such items, if any, known to the Certifying Party; and

(iv) such other accurate statements as may be reasonably requested by the Requesting Party.

If the Certifying Party fails to deliver such Estoppel Certificate within such fifteen (15) day period, then the Requesting Party shall deliver a subsequent written request of such Estoppel Certificate (the "Estoppel Certificate Second Request") and the Certifying Party shall be required to deliver such Estoppel Certificate within five (5) days after the Estoppel Certificate Second Request.

(b) Delivery of a completed Estoppel Certificate in substantially the form as set forth on Exhibit B attached hereto ("Estoppel Certificate") shall satisfy the requirements of this Section.

ARTICLE XXIX

RELATIONSHIP OF PARTIES

Nothing contained in this Lease shall be construed to create the relationship of principal and agent, partnership, joint venture or any other relationship between the parties hereto other than the relationship of Landlord and Tenant.

ARTICLE XXX

RECORDING

Neither Landlord nor Tenant shall record this Lease; however, upon the request of either party hereto, the other party shall join in the execution and recordation of a memorandum of lease (or other document that serves the same purpose) in a form substantially similar to the form attached hereto as Exhibit C or a substantially equivalent form complying with state-specific recording requirements (collectively, the "Memoranda" and each individually a "Memorandum"). Each Memorandum shall describe the parties, the relevant Demised Property, the term of this Lease, any special provisions other than those pertaining to Rent and shall incorporate this Lease by reference. Tenant shall pay all costs charged or collected by the county recorders and other appropriate government offices to record the Memoranda.

ARTICLE XXXI

CAPTIONS AND SECTION NUMBERS

The captions, section numbers, and index appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles nor in any way affect this Lease.

ARTICLE XXXII

APPLICABLE LAW; WAIVER OF JURY TRIAL

This Lease shall be governed by, and construed in accordance with the laws of the State of New York without regard to conflicts of law principles; provided, however, that any forcible entry and detainer action or similar proceeding shall be governed by the laws of the state in which the Real Property is located. If any provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall not be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by the law.

LANDLORD AND TENANT HEREBY CONSENT TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE COUNTY OF NEW YORK, STATE OF NEW YORK OR WITHIN THE COUNTY AND STATE IN WHICH THE DEMISED PROPERTY IS LOCATED AND EACH IRREVOCABLY AGREES THAT (EXCEPT FOR FORCIBLE ENTRY AND DETAINER ACTIONS OR SIMILAR ACTIONS) ALL ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THIS LEASE SHALL BE LITIGATED IN SUCH COURTS. TENANT ACCEPTS FOR ITSELF AND IN CONNECTION WITH THE DEMISED PROPERTY, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS LEASE.

EACH OF LANDLORD AND TENANT, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVES, RELINQUISHES AND FOREVER FORGOES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING (WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE) BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS LEASE. TENANT ACKNOWLEDGES THAT THE PROVISIONS OF THIS ARTICLE ARE A MATERIAL INDUCEMENT TO LANDLORD'S ENTERING INTO THE LEASE.

ARTICLE XXXIII

ENTIRE AGREEMENT

This Lease and the Exhibits attached hereto, all of which form a part hereof, set forth all the covenants, promises, agreements, conditions and understandings between Landlord and Tenant concerning the Demised Property, and there are no covenants, promises, agreements, conditions or understandings heretofore made, either oral or written, between them other than as herein set forth. No modification, amendment, change or addition to this Lease shall be binding upon Landlord or Tenant unless reduced to writing and signed by each party.

ARTICLE XXXIV

LIABILITY OF PARTIES

Section 34.01 The obligations of Landlord under this Lease are not personal obligations of the individual members, partners, directors, officers, shareholders, agents or employees of Landlord. Tenant shall look solely to the Demised Property and the proceeds therefrom for satisfaction of any liability of Landlord and shall not look to other assets of Landlord nor seek recourse against the assets of the individual members, partners, directors, officers, shareholders, agents or employees of Landlord. Whenever Landlord transfers its

interest, Landlord shall be automatically released from future performance subsequently arising under this Lease and from all liabilities and expenses hereunder.

Section 34.02 The obligations of Tenant under this Lease are not personal obligations of the individual members, partners, directors, officers, shareholders, agents or employees of Tenant. Landlord shall not seek recourse against the assets of the individual members, partners, directors, officers, shareholders, agents or employees of Tenant, except pursuant to the Guaranty. If more than one person or entity is named as Tenant hereunder, the obligations under this Lease of all such persons and entities as Tenant shall be joint and several.

ARTICLE XXXV

ATTORNEYS' FEES

If any legal action should be commenced in any court regarding any dispute arising between the parties hereto, or their successors and assigns, concerning any provision of this Lease or the rights and duties of any person in relation thereto, then the prevailing party therein shall be entitled to collect its reasonable expenses, attorneys' fees and court costs, including the same on appeal. Tenant specifically agrees that it shall not sue or seek contribution from the Landlord Parties or any successors or assigns thereof for any matter for which Tenant is obligated to provide indemnification under this Section. All reasonable costs and expenses incurred by Landlord for which Tenant is obligated to indemnify Landlord under this Section shall be repaid promptly by Tenant to Landlord. This Section shall survive termination of this Lease.

ARTICLE XXXVIII

enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles. All requisite authorizations, consents, resolutions and actions on the part of Guarantor have been or will prior to the date hereof be obtained, adopted or taken, as applicable, by Guarantor in connection with making and entering into this Guaranty. Neither this Guaranty nor the consummation of any of the transactions contemplated hereby violates or shall violate any provision of any agreement or document to which Guarantor is a party or to which Guarantor is bound.

(b) Bankruptcy. Neither Guarantor nor any entity or person in Control of, having Control over, or under common Control with Guarantor, regardless of the number of tiers of ownership, is bankrupt under the Federal Bankruptcy Code, or has filed for protection or relief under any applicable bankruptcy or creditor protection statute or has been threatened by creditors with an involuntary application of any applicable bankruptcy or creditor protection statute. Guarantor is not entering into the transactions described in this Agreement with an intent to defraud any creditor or to prefer the rights of one creditor over any other. As used in this Agreement, "Control" means ownership of voting securities sufficient to elect a majority of the board of directors of a corporation, or analogous ownership interests of non-corporate entities.

(c) Contractual Obligations. Guarantor is not in default in the performance, observance or fulfillment of any of the material obligations, covenants or conditions contained in any contractual obligation of Guarantor beyond any applicable notice and cure period, and to Guarantor's knowledge, no condition exists that, with the giving of notice or the lapse of time or both, would constitute such a default.

(d) Disclosure. No financial statements or any other document, certificate or written statement furnished to Landlord by Guarantor and, to the knowledge of Guarantor, no document or statement furnished by any third party on behalf of Guarantor, for use in connection with this Guaranty or the transactions contemplated herein, when taken as a whole, contains any untrue representation, warranty or statement of a material fact, and none omits or will omit to state a material fact necessary in order to make the statements contained herein or therein not misleading. There is no material fact known to Guarantor that has had or will have a Material Adverse effect (as defined below) and that has not been disclosed in writing to Landlord by Guarantor or by any third party on behalf of Guarantor. As used herein, "Material Adverse Effect" means (A) a material adverse effect upon the business, operations, properties, assets or condition (financial or otherwise) of Guarantor or Tenant, with respect to such party, when taken as a whole, or (B) the material impairment of the ability of Guarantor to perform its obligations under this Guaranty, or (C) the material impairment of Landlord's rights or remedies under the Guaranty. In determining whether any individual event would result in a Material Adverse Effect, notwithstanding that such event does not of itself have such effect, a Material Adverse Effect shall be deemed to have occurred if the cumulative effect of such event and all other then occurring events and existing conditions would result in a Material Adverse Effect.

(e) Suits, Judgments and Liens. There is no action, suit or legal, administrative or other proceeding pending or, to Guarantor's knowledge, threatened which questions the legality or propriety of the transactions contemplated by the Guaranty.

5. Guarantor's Financial Covenants. Guarantor shall provide, or cause to be provided, to Landlord the following financial statements and information, all of which must be in a form reasonably acceptable to Landlord:

(i) promptly and in any event within sixty (60) days after the end of each Fiscal Quarter, (x) quarterly statements of EBITDA for each Fiscal Month in such Fiscal Quarter and year-to-date, to be certified by an officer of Guarantor, and (y) total sales figures for each Fiscal Month in such Fiscal Quarter and year-to-date; and

(ii) promptly and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, an annual statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and, to the extent one is prepared, a statement of cash flows, such annual statements of financial position to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. To the extent such financial statements are audited, Guarantor shall provide Landlord with a final copy of that audit within thirty (30) days of completion within sixty (60) days of Landlord's request. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (ii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor; and

(iii) in the event that Tenant defaults in making any payment required under the Lease when due and such default is not cured within thirty (30) days, within sixty (60) days of Landlord's request, a quarterly statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and a statement of cash flows, for the most recent Fiscal Quarter for which such quarterly statements were prepared by Guarantor, such quarterly statements to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (iii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor.

“Fiscal Year” shall mean a fiscal year from approximately July to June (subject to change by Guarantor) and “Fiscal Quarter” shall mean approximately July through September, approximately October through December, approximately January through March, and approximately April through June (subject to change by Guarantor). The last day of each Fiscal Year is the Wednesday closest to June 30th (subject to change by Guarantor).

Guarantor acknowledges that Landlord must comply with certain financial audit requirements and Landlord will suffer damages from Guarantor's failure to deliver any of the financial information required in Subsections 5(i) through (v) (the "Key Financial Statements") as and when due. If Guarantor fails to deliver any Key Financial Statements as and when due, and such failure is not cured within ten (10) days after written notice from Landlord, subject to Force Majeure, Guarantor shall pay Landlord a fee equal to US\$500 for each day that Guarantor has failed to deliver any such Key Financial Statements (the "Financial Statements Default Fee"). The Financial Statements Default Fee is in addition to, and not in lieu of, any other remedy of Landlord under this Guaranty regarding Guarantor's failure to deliver the Key Financial Statements. Guarantor's payment of the Financial Statements Default Fee does not cure any default caused by the failure to deliver any Key Financial Statement in a timely manner.

6. Waiver of Defenses. Guarantor waives (a) any right to require Landlord to (i) proceed against Tenant or any other person or entity; (ii) proceed against or exhaust any security held from Tenant or Guarantor; (iii) pursue any other remedy in Landlord's power against Tenant which Guarantor cannot itself pursue, and which would lighten its burden; (b) all statutes of limitation as a defense to any action brought against Guarantor by Landlord to the fullest extent permitted by law; (c) any defense based upon any legal disability of Tenant, or any discharge or limitation of the liability of Tenant to Landlord, whether consensual or arising by operation of law or any bankruptcy, reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other similar cause; (d) presentment, demand, protest and notice of any kind; and (e) any defense based upon or arising out of any defense which Tenant may have to the payment or performance of any part of Tenant's Obligations, other than any defense arising under the express terms of the Lease. Guarantor waives all demand and notices, including demands for performance, notices of non-performance, notices of non-payment and notice of acceptance of this Guaranty.

7. Effect of Tenant's Bankruptcy. Without limiting anything contained in Section 4 of this Guaranty, the liability of Guarantor under this Guaranty shall in no way be affected by: (a) the release or discharge of Tenant in any creditor proceeding, receivership, bankruptcy or other proceeding; (b) the impairment, limitation, or modification of Tenant's liability or the estate, or of any remedy for the enforcement of Tenant's liability, which may result from the operation of any present or future provision of the Bankruptcy Code (Title 11 of the United States Code, as amended; 11 U.S.C. §§ 101-1330) or any bankruptcy, insolvency, debtor relief statute (state or federal), any other statute, or from the decision of any court; (c) the rejection or disaffirmance of the Lease, or any portion of the Lease, in any such proceeding; (d) the cessation, from any cause whatsoever, whether consensual or by operation of law, of Tenant's liability to Landlord resulting from any such proceeding; or (e) the modification or replacement of Tenant's Obligations in any such proceeding.

8. Waiver of Subrogation.

(a) Notwithstanding any other provision of this Guaranty to the contrary, until Tenant's Obligations are fully performed and paid, during the continuance of an Event of Default, Guarantor hereby waives any claims or other rights which Guarantor may now have or

hereafter acquire against Tenant or any other guarantor of all or any of Tenant's Obligations, which claims or other rights arise from the existence or performance of Guarantor's obligations under this Guaranty (all such claims and rights are referred to as "Guarantor's Conditional Rights"), including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, or indemnification, any right to participate in any claim or remedy of Landlord against Tenant or any collateral which Landlord now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including without limitation, the right to take or receive from Tenant, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights. If, notwithstanding the foregoing provision, any amount shall be paid to Guarantor on account of any Guarantor's Conditional Rights and either (i) such amount is paid to Guarantor at any time when Tenant's Obligations shall not have been paid or performed in full during the continuance of an Event of Default, or (ii) regardless of when such amount is paid to Guarantor, any payment made by Tenant to Landlord is at any time determined to be a Preferential Payment, then such amount paid to Guarantor shall be held in trust for the benefit of Landlord and shall forthwith be paid to Landlord to be credited and applied upon Tenant's Obligations, whether matured or unmatured, in such order as Landlord, in its sole and absolute discretion, shall determine.

(b) During the continuance of an Event of Default, to the extent that any of the provisions of subsection (a) of this Section 8 shall not be enforceable, Guarantor agrees that until such time as Tenant's Obligations have been paid and performed in full and the period of time has expired during which any payment made by Tenant or Guarantor to Landlord may be determined to be a Preferential Payment, Guarantor's Conditional Rights to the extent not validly waived shall be subordinate to Landlord's right to full payment and performance of Tenant's Obligations, and Guarantor shall not enforce Guarantor's Conditional Rights during such period.

9. Costs and Expenses. If Guarantor fails to perform any of its obligations under this Guaranty or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Guaranty, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default and/or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgement in its favor under this Guaranty shall be recoverable separately from and in addition to any other amount included in such judgement, and such attorney's fees' obligation is intended to be severable from the other provisions of this Guaranty and to survive and not be merged into any such judgement.

10 Notices.

DOLLARS (\$ _____), dated the date hereof, in favor of Lender, which Note is payable with interest and upon the terms and conditions described therein ("Loan"). The Deed of Trust is to be recorded concurrently herewith.

- C. As a condition to making the Loan secured by the Deed of Trust, Lender requires that the Deed of Trust be unconditionally and at all times remain a lien on the Property, prior and superior to all the rights of Lessee under the Lease and that the Lessee specifically and unconditionally subordinate the Lease to the lien of the Deed of Trust, in each case, in accordance with the terms and provisions of this Agreement.
- D. Owner and Lessee have agreed to the subordination, attornment and other agreements herein in favor of Lender.

NOW THEREFORE, for valuable consideration and to induce Lender to make the Loan, Owner and Lessee hereby agree for the benefit of Lender as follows:

1. **SUBORDINATION.** Owner and Lessee hereby agree that:
 - 1.1 **Prior Lien.** The Deed of Trust securing the Note in favor of Lender, and any modifications, renewals or extensions thereof, shall unconditionally be and at all times remain a lien on the Property prior and superior to the Lease;
 - 1.2 **Subordination.** Lender would not make the Loan without this agreement to subordinate; and
 - 1.3 **Whole Agreement.** This Agreement shall be the whole agreement and only agreement with regard to the subordination of the Lease to the lien of the Deed of Trust and shall supersede and cancel, but only insofar as would affect the priority between the Deed of Trust and the Lease, any prior agreements as to such subordination, including, without limitation, those provisions, if any, contained in the Lease which provide for the subordination of the Lease to a deed or deeds of trust or to a mortgage or mortgages.

AND FURTHER, Lessee individually declares, agrees and acknowledges for the benefit of Lender, that:

- 1.4 **Use of Proceeds.** Lender, in making disbursements pursuant to the Note, the Deed of Trust or any loan documents with respect to the Property, is under no obligation or duty to, nor has Lender represented that it will, see to the application of such proceeds by the person or persons to whom Lender disburses such proceeds, and any application or use of such proceeds for purposes other than those provided for in such agreement or

agreements shall not defeat this agreement to subordinate in whole or in part;

- 1.5 **Subordination**. Lessee intentionally and unconditionally subordinates all of Lessee's right, title and interest in and to the Property to the lien of the Deed of Trust, in accordance with the terms and provisions of this Agreement, and understands that in reliance upon, and in consideration of, this waiver, relinquishment and subordination, specific loans and advances are being and will be made by Lender and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination.
2. **ASSIGNMENT**. Lessee acknowledges and consents to the assignment of the Lease by Lessor in favor of Lender.
3. **ESTOPPEL**. Lessee acknowledges and represents that:
 - 3.1 **Lease Effective**. The Lease has been duly executed and delivered by Lessee and, subject to the terms and conditions thereof, the Lease is in full force and effect, the obligations of Lessee thereunder are valid and binding and there have been no modifications or additions to the Lease, written or oral;
 - 3.2 **No Default**. To the best of Lessee's knowledge, as of the date hereof: (i) there exists no breach, default, or event or condition which, with the giving of notice or the passage of time or both, would constitute a breach or default under the Lease; and (ii) there are no existing claims, defenses or offsets against rental due or to become due under the Lease;
 - 3.3 **Entire Agreement**. The Lease constitutes the entire agreement between Lessor and Lessee with respect to the Property, and Lessee claims no rights with respect to the Property other than as set forth in the Lease;
 - 3.4 **No Right of First Refusal or Option to Purchase**. The Lease does not grant to Lessee any right of first refusal, or option to purchase, with respect to all or any portion of the Property; and
 - 3.5 **No Prepaid Rent**. No deposits or prepayments of rent have been made in connection with the Lease, except as follows: None.
4. **ADDITIONAL AGREEMENTS**. Lessee covenants and agrees that, during all such times as Lender is the Beneficiary under the Deed of Trust:

EXHIBIT G

LAND AND BUILDING LEASE
(Individual Lease Form)

- 4.1 **Notice of Default.** Lessee will notify Lender in writing concurrently with any notice given to Lessor of any default by Lessor under the Lease, and Lessee agrees that Lender has the right (but not the obligation) to cure any breach or default specified in such notice within the time periods set forth below and Lessee will not declare a default of the Lease, as to Lender, if Lender cures such default within fifteen (15) days from and after the expiration of the time period provided in the Lease for the cure thereof by Lessor; provided, however, that if such default cannot with diligence be cured by Lender with-in such fifteen (15) day period, the commencement of action by Lender within such fifteen (15) day period to remedy the same shall be deemed sufficient so long as Lender pursues such cure with diligence;
- 4.2 **Assignment of Rents.** Upon receipt by Lessee of written notice from Lender that Lender has elected to terminate the license granted to Lessor to collect rents, as provided in the Deed of Trust, and directing the payment of rents by Lessee to Lender, Lessee shall comply with such direction to pay and shall not be required to determine whether Lessor is in default under the Loan and/or the Deed of Trust.
- 4.3 **Certain Actions Not Binding on Lender** Lender shall not be bound by any modification, amendment, termination or cancellation of the Lease (in whole or in part) that was effected without Lender's prior written consent.
5. **ATTORNTMENT.** In the event of a foreclosure under the Deed of Trust, Lessee agrees for the benefit of Lender (including for this purpose any transferee of Lender or any transferee of Lessor's title in and to the Property by Lender's exercise of the remedy of sale by foreclosure under the Deed of Trust), upon the receipt by Lessee of written notice of such foreclosure, as follows:
- 5.1 **Payment of Rent.** Lessee shall pay to Lender all rental payments required to be made by Lessee pursuant to the terms of the Lease for the duration of the term of the Lease;
- 5.2 **Continuation of Performance.** Lessee shall be bound to Lender in accordance with all of the provisions of the Lease for the balance of the term thereof; provided that the Lease shall be deemed not to include any modification, amendment, termination or cancellation of the Lease (in whole or in part) that was effected without Lender's prior written consent; and Lessee hereby attorns to Lender as its landlord, and Lender hereby accepts such attornment, such attornment to be effective and self-operative without the execution of any further instrument immediately upon Lender succeeding to Lessor's interest in the Lease and giving written notice thereof to Lessee;

LAND AND BUILDING LEASE
(Individual Lease Form)

- 5.3 **No Offset.** Lender shall not be liable for, nor subject to, any offsets or defenses which Lessee may have by reason of any act or omission of Lessor under the Lease with respect to the period preceding the effectiveness of the attornment provided for herein, nor for the return of any sums which Lessee may have paid to Lessor under the Lease (a) as and for security deposits, rentals paid more than one (1) month before the time when they became due under the lease, or otherwise, except to the extent that such sums are actually delivered by Lessor to Lender and applied to amounts due in respect of the Loan (or held by Lender as collateral therefor); and, for purposes of determining the rentals due under the Lease, any amount paid in respect of rentals paid more than one (1) month before the time such amount became due under the Lease and not delivered by Lessor to Lender and applied to amounts due in respect of the Loan (or held by Lender as collateral therefor) shall be treated as if they had not been paid; or (b) any payment made by Lessee to Lessor in consideration of any modification, termination or cancellation of the Lease (in whole or in part) without Lender's prior written consent.
- 5.4 **Subsequent Transfer.** If Lender, by succeeding to the interest of Lessor under the Lease, should become obligated to perform the covenants of Lessor thereunder, then, upon any further transfer of Lessor's interest by Lender, all of such obligations shall terminate as to Lender.
6. **NON-DISTURBANCE.** In the event of a foreclosure under the Deed of Trust, so long as there shall then exist no "Event of Default" on the part of Lessee under (and as defined in) the Lease, Lender agrees for itself and its successors and assigns that the leasehold interest of Lessee under the Lease shall not be extinguished or terminated by reason of such foreclosure, but rather the Lease shall continue in full force and effect in accordance with the terms thereof except as modified or limited by this Agreement (including, without limitation, the provisions of Sections 4.3 and 5.2 hereof), and Lender shall recognize and accept Lessee as tenant under the Lease subject to the terms and provisions of the Lease except as modified or limited by this Agreement.
7. **MISCELLANEOUS.**
- 7.1 **Heirs, Successors, Assigns and Transferees.** The covenants herein shall be binding upon, and inure to the benefit of, the heirs, successors and assigns of the parties hereto; and
- 7.2 **Notices.** All notices or other communications required or permitted to be given pursuant to the provisions hereof shall be deemed served upon delivery or, if mailed, upon the first to occur of receipt or the expiration of three (3) days after deposit in United States Postal Service, certified mail,

Guarantor, and shall be enforceable against Guarantor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles. All requisite authorizations, consents, resolutions and actions on the part of Guarantor have been or will prior to the date hereof be obtained, adopted or taken, as applicable, by Guarantor in connection with making and entering into this Guaranty. Neither this Guaranty nor the consummation of any of the transactions contemplated hereby violates or shall violate any provision of any agreement or document to which Guarantor is a party or to which Guarantor is bound.

(b) Operations. Guarantor is an operating entity with active business operations and owns assets other than equity interests. Guarantor is not a conduit, pass-through or holding company. Further, neither Buffets Holdings, LLC ("Holdings") nor Buffets Restaurant Holdings, Inc. ("BR Holdings") are creditors of Tenant or Guarantor nor do Holdings or BR Holdings assert any lien on any assets of Tenant or Guarantor.

(d) Disclosure. No financial statements or any other document, certificate or written statement furnished to Landlord by Guarantor and, to the knowledge of Guarantor, no document or statement furnished by any third party on behalf of Guarantor, for use in connection with this Guaranty or the transactions contemplated herein, when taken as a whole, contains any untrue representation, warranty or statement of a material fact, and none omits or will omit to state a material fact necessary in order to make the statements contained herein or therein not misleading. There is no material fact known to Guarantor that has had or will have a Material Adverse effect (as defined below) and that has not been disclosed in writing to Landlord by Guarantor or by any third party on behalf of Guarantor. As used herein, "Material Adverse Effect" means (A) a material adverse effect upon the business, operations, properties, assets or condition (financial or otherwise) of Guarantor or Tenant, with respect to such party, when taken as a whole, or (B) the material impairment of the ability of Guarantor to perform its obligations under this Guaranty, or (C) the material impairment of Landlord's rights or remedies under the Guaranty. In determining whether any individual event would result in a Material Adverse Effect, notwithstanding that such event does not of itself have such effect, a Material Adverse Effect shall be deemed to have occurred if the cumulative effect of such event and all other then occurring events and existing conditions would result in a Material Adverse Effect.

(e) Suits, Judgments and Liens. There is no action, suit or legal, administrative or other proceeding pending or, to Guarantor's knowledge, threatened which questions the legality or propriety of the transactions contemplated by the Guaranty.

5. Guarantor's Financial Covenants. Guarantor shall provide, or cause to be provided, to Landlord the following financial statements and information, all of which must be in a form reasonably acceptable to Landlord:

(i) promptly and in any event within sixty (60) days after the end of each Fiscal Quarter, (x) quarterly statements of EBITDA for each Fiscal Month in such Fiscal Quarter and year-to-date, to be certified by an officer of Guarantor, and (y) total sales figures for each Fiscal Month in such Fiscal Quarter and year-to-date; and

(ii) promptly and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, an annual statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and, to the extent one is prepared, a statement of cash flows, such annual statements of financial position to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. To the extent such financial statements are audited, Guarantor shall provide Landlord with a final copy of that audit within thirty (30) days of completion within sixty (60) days of Landlord's request. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (ii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor; and

(iii) in the event that Tenant defaults in making any payment required under the Lease when due and such default is not cured within thirty (30) days, within sixty (60) days of Landlord's request, a quarterly statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and a statement of cash flows, for the most recent Fiscal Quarter for which such quarterly statements were prepared by Guarantor, such quarterly statements to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (iii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor.

"Fiscal Year" shall mean a fiscal year from approximately July to June (subject to change by Guarantor) and "Fiscal Quarter" shall mean approximately July through September, approximately October through December, approximately January through March, and approximately April through June (subject to change by Guarantor). The last day of each Fiscal Year is the Wednesday closest to June 30th (subject to change by Guarantor).

Guarantor acknowledges that Landlord must comply with certain financial audit requirements and Landlord will suffer damages from Guarantor's failure to deliver any of the financial information required in Subsections 5(i) through (v) (the "Key Financial Statements") as and when due. If Guarantor fails to deliver any Key Financial Statements as and when due, and such failure is not cured within ten (10) days after written notice from Landlord, subject to Force

EXHIBIT F

AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE

Majeure, Guarantor shall pay Landlord a fee equal to US\$500 for each day that Guarantor has failed to deliver any such Key Financial Statements (the “Financial Statements Default Fee”). The Financial Statements Default Fee is in addition to, and not in lieu of, any other remedy of Landlord under this Guaranty regarding Guarantor’s failure to deliver the Key Financial Statements. Guarantor’s payment of the Financial Statements Default Fee does not cure any default caused by the failure to deliver any Key Financial Statement in a timely manner.

6. Waiver of Defenses. Guarantor waives (a) any right to require Landlord to (i) proceed against Tenant or any other person or entity; (ii) proceed against or exhaust any security held from Tenant or Guarantor; (iii) pursue any other remedy in Landlord’s power against Tenant which Guarantor cannot itself pursue, and which would lighten its burden; (b) all statutes of limitation as a defense to any action brought against Guarantor by Landlord to the fullest extent permitted by law; (c) any defense based upon any legal disability of Tenant, or any discharge or limitation of the liability of Tenant to Landlord, whether consensual or arising by operation of law or any bankruptcy, reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other similar cause; (d) presentment, demand, protest and notice of any kind; and (e) any defense based upon or arising out of any defense which Tenant may have to the payment or performance of any part of Tenant’s Obligations, other than any defense arising under the express terms of the Lease. Guarantor waives all demand and notices, including demands for performance, notices of non-performance, notices of non-payment and notice of acceptance of this Guaranty.

7. Effect of Tenant's Bankruptcy. Without limiting anything contained in Section 4 of this Guaranty, the liability of Guarantor under this Guaranty shall in no way be affected by: (a) the release or discharge of Tenant in any creditor proceeding, receivership, bankruptcy or other proceeding; (b) the impairment, limitation, or modification of Tenant's liability or the estate, or of any remedy for the enforcement of Tenant's liability, which may result from the operation of any present or future provision of the Bankruptcy Code (Title 11 of the United States Code, as amended; 11 U.S.C. §§ 101-1330) or any bankruptcy, insolvency, debtor relief statute (state or federal), any other statute, or from the decision of any court; (c) the rejection or disaffirmance of the Lease, or any portion of the Lease, in any such proceeding; (d) the cessation, from any cause whatsoever, whether consensual or by operation of law, of Tenant's liability to Landlord resulting from any such proceeding; or (e) the modification or replacement of Tenant's Obligations in any such proceeding.

8. Waiver of Subrogation.

(a) Notwithstanding any other provision of this Guaranty to the contrary, until Tenant’s Obligations are fully performed and paid, during the continuance of an Event of Default, Guarantor hereby waives any claims or other rights which Guarantor may now have or hereafter acquire against Tenant or any other guarantor of all or any of Tenant’s Obligations, which claims or other rights arise from the existence or performance of Guarantor’s obligations under this Guaranty (all such claims and rights are referred to as “Guarantor’s Conditional Rights”), including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, or indemnification, any right to participate in any claim or remedy of Landlord

EXHIBIT F

AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE

against Tenant or any collateral which Landlord now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including without limitation, the right to take or receive from Tenant, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights. If, notwithstanding the foregoing provision, any amount shall be paid to Guarantor on account of any Guarantor's Conditional Rights and either (i) such amount is paid to Guarantor at any time when Tenant's Obligations shall not have been paid or performed in full during the continuance of an Event of Default, or (ii) regardless of when such amount is paid to Guarantor, any payment made by Tenant to Landlord is at any time determined to be a Preferential Payment, then such amount paid to Guarantor shall be held in trust for the benefit of Landlord and shall forthwith be paid to Landlord to be credited and applied upon Tenant's Obligations, whether matured or unmatured, in such order as Landlord, in its sole and absolute discretion, shall determine.

(b) During the continuance of an Event of Default, to the extent that any of the provisions of subsection (a) of this Section 8 shall not be enforceable, Guarantor agrees that until such time as Tenant's Obligations have been paid and performed in full and the period of time has expired during which any payment made by Tenant or Guarantor to Landlord may be determined to be a Preferential Payment, Guarantor's Conditional Rights to the extent not validly waived shall be subordinate to Landlord's right to full payment and performance of Tenant's Obligations, and Guarantor shall not enforce Guarantor's Conditional Rights during such period.

9. Costs and Expenses. If Guarantor fails to perform any of its obligations under this Guaranty or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Guaranty, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default and/or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgement in its favor under this Guaranty shall be recoverable separately from and in addition to any other amount included in such judgement, and such attorney's fees' obligation is intended to be severable from the other provisions of this Guaranty and to survive and not be merged into any such judgement.

DOLLARS (\$ _____), dated the date hereof, in favor of Lender, which Note is payable with interest and upon the terms and conditions described therein (“Loan”). The Deed of Trust is to be recorded concurrently herewith.

- C. As a condition to making the Loan secured by the Deed of Trust, Lender requires that the Deed of Trust be unconditionally and at all times remain a lien on the Property, prior and superior to all the rights of Lessee under the Lease and that the Lessee specifically and unconditionally subordinate the Lease to the lien of the Deed of Trust, in each case, in accordance with the terms and provisions of this Agreement.
- D. Owner and Lessee have agreed to the subordination, attornment and other agreements herein in favor of Lender.

NOW THEREFORE, for valuable consideration and to induce Lender to make the Loan, Owner and Lessee hereby agree for the benefit of Lender as follows:

- 1. **SUBORDINATION.** Owner and Lessee hereby agree that:
 - 1.1 **Prior Lien.** The Deed of Trust securing the Note in favor of Lender, and any modifications, renewals or extensions thereof, shall unconditionally be and at all times remain a lien on the Property prior and superior to the Lease;
 - 1.2 **Subordination.** Lender would not make the Loan without this agreement to subordinate; and
 - 1.3 **Whole Agreement.** This Agreement shall be the whole agreement and only agreement with regard to the subordination of the Lease to the lien of the Deed of Trust and shall supersede and cancel, but only insofar as would affect the priority between the Deed of Trust and the Lease, any prior agreements as to such subordination, including, without limitation, those provisions, if any, contained in the Lease which provide for the subordination of the Lease to a deed or deeds of trust or to a mortgage or mortgages.

AND FURTHER, Lessee individually declares, agrees and acknowledges for the benefit of Lender, that:

- 1.4 **Use of Proceeds.** Lender, in making disbursements pursuant to the Note, the Deed of Trust or any loan documents with respect to the Property, is under no obligation or duty to, nor has Lender represented that it will, see to the application of such proceeds by the person or persons to whom Lender disburses such proceeds, and any application or use of such proceeds for purposes other than those provided for in such agreement or

EXHIBIT G
AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE

agreements shall not defeat this agreement to subordinate in whole or in part;

- 1.5 **Subordination**. Lessee intentionally and unconditionally subordinates all of Lessee's right, title and interest in and to the Property to the lien of the Deed of Trust, in accordance with the terms and provisions of this Agreement, and understands that in reliance upon, and in consideration of, this waiver, relinquishment and subordination, specific loans and advances are being and will be made by Lender and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination.
2. **ASSIGNMENT**. Lessee acknowledges and consents to the assignment of the Lease by Lessor in favor of Lender.
3. **ESTOPPEL**. Lessee acknowledges and represents that:
 - 3.1 **Lease Effective**. The Lease has been duly executed and delivered by Lessee and, subject to the terms and conditions thereof, the Lease is in full force and effect, the obligations of Lessee thereunder are valid and binding and there have been no modifications or additions to the Lease, written or oral;
 - 3.2 **No Default**. To the best of Lessee's knowledge, as of the date hereof: (i) there exists no breach, default, or event or condition which, with the giving of notice or the passage of time or both, would constitute a breach or default under the Lease; and (ii) there are no existing claims, defenses or offsets against rental due or to become due under the Lease;
 - 3.3 **Entire Agreement**. The Lease constitutes the entire agreement between Lessor and Lessee with respect to the Property, and Lessee claims no rights with respect to the Property other than as set forth in the Lease;
 - 3.4 **No Right of First Refusal or Option to Purchase**. The Lease does not grant to Lessee any right of first refusal, or option to purchase, with respect to all or any portion of the Property; and
 - 3.5 **No Prepaid Rent**. No deposits or prepayments of rent have been made in connection with the Lease, except as follows: None.
4. **ADDITIONAL AGREEMENTS**. Lessee covenants and agrees that, during all such times as Lender is the Beneficiary under the Deed of Trust:

EXHIBIT G

AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE

- 4.1 **Notice of Default.** Lessee will notify Lender in writing concurrently with any notice given to Lessor of any default by Lessor under the Lease, and Lessee agrees that Lender has the right (but not the obligation) to cure any breach or default specified in such notice within the time periods set forth below and Lessee will not declare a default of the Lease, as to Lender, if Lender cures such default within fifteen (15) days from and after the expiration of the time period provided in the Lease for the cure thereof by Lessor; provided, however, that if such default cannot with diligence be cured by Lender with-in such fifteen (15) day period, the commencement of action by Lender within such fifteen (15) day period to remedy the same shall be deemed sufficient so long as Lender pursues such cure with diligence;
- 4.2 **Assignment of Rents.** Upon receipt by Lessee of written notice from Lender that Lender has elected to terminate the license granted to Lessor to collect rents, as provided in the Deed of Trust, and directing the payment of rents by Lessee to Lender, Lessee shall comply with such direction to pay and shall not be required to determine whether Lessor is in default under the Loan and/or the Deed of Trust.
- 4.3 **Certain Actions Not Binding on Lender**. Lender shall not be bound by any modification, amendment, termination or cancellation of the Lease (in whole or in part) that was effected without Lender's prior written consent.
5. **ATTORNTMENT.** In the event of a foreclosure under the Deed of Trust, Lessee agrees for the benefit of Lender (including for this purpose any transferee of Lender or any transferee of Lessor's title in and to the Property by Lender's exercise of the remedy of sale by foreclosure under the Deed of Trust), upon the receipt by Lessee of written notice of such foreclosure, as follows:
- 5.1 **Payment of Rent.** Lessee shall pay to Lender all rental payments required to be made by Lessee pursuant to the terms of the Lease for the duration of the term of the Lease;
- 5.2 **Continuation of Performance.** Lessee shall be bound to Lender in accordance with all of the provisions of the Lease for the balance of the term thereof; provided that the Lease shall be deemed not to include any modification, amendment, termination or cancellation of the Lease (in whole or in part) that was effected without Lender's prior written consent; and Lessee hereby attorns to Lender as its landlord, and Lender hereby accepts such attornment, such attornment to be effective and self-operative without the execution of any further instrument immediately upon Lender succeeding to Lessor's interest in the Lease and giving written notice thereof to Lessee;

EXHIBIT G

AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE

- 5.3 **No Offset.** Lender shall not be liable for, nor subject to, any offsets or defenses which Lessee may have by reason of any act or omission of Lessor under the Lease with respect to the period preceding the effectiveness of the attornment provided for herein, nor for the return of any sums which Lessee may have paid to Lessor under the Lease (a) as and for security deposits, rentals paid more than one (1) month before the time when they became due under the lease, or otherwise, except to the extent that such sums are actually delivered by Lessor to Lender and applied to amounts due in respect of the Loan (or held by Lender as collateral therefor); and, for purposes of determining the rentals due under the Lease, any amount paid in respect of rentals paid more than one (1) month before the time such amount became due under the Lease and not delivered by Lessor to Lender and applied to amounts due in respect of the Loan (or held by Lender as collateral therefor) shall be treated as if they had not been paid; or (b) any payment made by Lessee to Lessor in consideration of any modification, termination or cancellation of the Lease (in whole or in part) without Lender's prior written consent.
- 5.4 **Subsequent Transfer.** If Lender, by succeeding to the interest of Lessor under the Lease, should become obligated to perform the covenants of Lessor thereunder, then, upon any further transfer of Lessor's interest by Lender, all of such obligations shall terminate as to Lender.
6. **NON-DISTURBANCE.** In the event of a foreclosure under the Deed of Trust, so long as there shall then exist no "Event of Default" on the part of Lessee under (and as defined in) the Lease, Lender agrees for itself and its successors and assigns that the leasehold interest of Lessee under the Lease shall not be extinguished or terminated by reason of such foreclosure, but rather the Lease shall continue in full force and effect in accordance with the terms thereof except as modified or limited by this Agreement (including, without limitation, the provisions of Sections 4.3 and 5.2 hereof), and Lender shall recognize and accept Lessee as tenant under the Lease subject to the terms and provisions of the Lease except as modified or limited by this Agreement.
7. **MISCELLANEOUS.**
- 7.1 **Heirs, Successors, Assigns and Transferees.** The covenants herein shall be binding upon, and inure to the benefit of, the heirs, successors and assigns of the parties hereto; and
- 7.2 **Notices.** All notices or other communications required or permitted to be given pursuant to the provisions hereof shall be deemed served upon delivery or, if mailed, upon the first to occur of receipt or the expiration of three (3) days after deposit in United States Postal Service, certified mail,

GUARANTY

[SEE ATTACHED]

**GUARANTY OF AMENDED AND RESTATED
MASTER LAND AND BUILDING LEASE**

This GUARANTY OF AMENDED AND RESTATED MASTER LAND AND BUILDING LEASE (“Guaranty”) is made as of June 17, 2016, by BUFFETS, LLC, a Minnesota limited liability company, formerly known as Buffets, Inc., HOMETOWN BUFFET, INC., a Minnesota corporation, and OCB RESTAURANT COMPANY, LLC, a Minnesota limited liability company (individually or collectively, as the context may require, “Guarantor”), to COLE BU PORTFOLIO II, LLC, a Delaware limited liability company (“Landlord”), with reference to the following facts:

A. Landlord and Fire Mountain Restaurants, LLC, an Ohio limited liability company (“Tenant”) have entered into that certain Amended and Restated Master Land and Building Lease (as the same may be amended from time to time pursuant to the terms thereof, the “Lease”) regarding certain “Demised Properties” as defined in the Lease. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Lease.

B. Tenant is an indirect/direct 100% owned subsidiary of Guarantor.

C. Landlord would not enter into the Lease but for the execution and delivery of this guaranty by guarantor. Guarantor is willing to execute this guaranty for the express and intended purposes of inducing landlord enter into the Lease.

D. Guarantor will benefit from the execution of the Lease. Guarantor is executing this guaranty in consideration of that anticipated benefit.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and agreed, Guarantor hereby agrees as follows:

1. Guaranty. Guarantor hereby absolutely and unconditionally guarantees to Landlord the full, prompt and faithful performance by Tenant of all Tenant’s Obligations (as defined below). As used herein, “Tenant’s Obligations” means all covenants, terms, and conditions of the Lease, and any extensions, modifications or renewals thereof, to be hereafter performed and kept by Tenant, including without limitation the prompt payment of all amounts that Tenant may at any time owe under the Lease, and any extensions, renewals or modifications thereof.

2. Independent Obligations. Guarantor’s obligations hereunder are independent of the obligations of Tenant, and a separate action or actions may be brought and prosecuted against Guarantor whether or not any action or actions are brought against Tenant and whether or not Tenant shall be joined in any such action or actions.

3. Rights of Landlord. Guarantor authorizes Landlord, without notice or demand and without affecting its liability hereunder, from time to time to (a) extend, accelerate, or otherwise change the time for any payment provided for in the Lease, or any covenant, term or condition of the Lease, delay enforcing Landlord’s remedies or rights against Tenant in connection with the Lease, and consent to any assignment, subletting or reassignment of the

Lease, (b) take and hold security for any payment provided for in the Lease or for the performance of any covenant, term or condition of the Lease, or exchange, waive or release any such security; and (c) apply such security and direct the order or manner of sale thereof as Landlord in its sole discretion may determine. Landlord may without notice assign this Guaranty, the Lease, or the rents and other sums payable thereunder. Notwithstanding any termination, renewal, extension, or holding over of the Lease, or any assignment of the Lease by Landlord or Tenant, this Guaranty shall continue until all of Tenant's Obligations have been fully and completely performed by Tenant.

Guarantor shall not be released by any act or event which might, but for this provision of this Guaranty, be deemed a legal or equitable discharge of a surety, or by reason of any waiver, extension, modification, forbearance or delay or other act or omission of the Landlord or its failure to proceed promptly or otherwise as against Tenant or Guarantor, or by reason or any action taken or omitted or circumstance which may or might vary the risk or affect the rights or remedies of Guarantor as against Tenant, or by reason of any further dealings between Tenant and Landlord, whether relating to the Lease or otherwise, and Guarantor hereby expressly waives and surrenders any defense to its liability hereunder based upon any of the foregoing acts, omissions, things, or agreements. It is the purpose and intent of this Guaranty that the obligations of Guarantor hereunder are absolute and unconditional under any and all circumstances. Notwithstanding any provision hereof to the contrary, Guarantor shall be released and discharged of its obligations hereunder if and to the same extent as Tenant is released or discharged of its obligations under the Lease with the consent of Landlord or in accordance with the terms of the Lease. The foregoing sentence shall in no way affect any waivers or any bankruptcy provisions set forth herein.

Guarantor further agrees that to the extent Tenant or Guarantor makes any payment to Landlord in connection with Tenant's Obligations and all or any part of such payment is subsequent invalidated, declared to be fraudulent or preferential, set aside or required to be repaid by Landlord or paid over to a trustee, receiver or any other entity, whether under any bankruptcy act or otherwise (any such payment is hereinafter referred to as a "Preferential Payment"), then this Guaranty shall continue to be effective or shall be reinstated, as the case may be, and, to the extent of such payment or repayment by Landlord, Tenant's Obligations or part thereof intended to be satisfied by such Preferential Payment shall be revived and continued in full force and effect as if such Preferential Payment had not been made.

4. Guarantor's Representations and Warranties.

(a) Qualification and Authority. Guarantor is a company duly organized, validly existing and in good standing under the laws of Minnesota. Guarantor has the right, power, and authority to execute, deliver, and perform this Guaranty. This Guaranty, when executed and delivered by Guarantor, shall constitute the valid and binding agreement of Guarantor, and shall be enforceable against Guarantor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles. All requisite authorizations, consents, resolutions and actions on the part of Guarantor have been or will prior to the date hereof be obtained, adopted or taken, as applicable, by Guarantor in connection with making and entering into this Guaranty. Neither this Guaranty

nor the consummation of any of the transactions contemplated hereby violates or shall violate any provision of any agreement or document to which Guarantor is a party or to which Guarantor is bound.

(b) Operations. Guarantor is an operating entity with active business operations and owns assets other than equity interests. Guarantor is not a conduit, pass-through or holding company. Further, neither Buffets Holdings, LLC (“Holdings”) nor Buffets Restaurant Holdings, Inc. (“BR Holdings”) are creditors of Tenant or Guarantor nor do Holdings or BR Holdings assert any lien on any assets of Tenant or Guarantor.

(c) Contractual Obligations. Guarantor is not in default in the performance, observance or fulfillment of any of the material obligations, covenants or conditions contained in any contractual obligation of Guarantor beyond any applicable notice and cure period, and to Guarantor’s knowledge, no condition exists that, with the giving of notice or the lapse of time or both, would constitute such a default.

(d) Disclosure. No financial statements or any other document, certificate or written statement furnished to Landlord by Guarantor and, to the knowledge of Guarantor, no document or statement furnished by any third party on behalf of Guarantor, for use in connection with this Guaranty or the transactions contemplated herein, when taken as a whole, contains any untrue representation, warranty or statement of a material fact, and none omits or will omit to state a material fact necessary in order to make the statements contained herein or therein not misleading. There is no material fact known to Guarantor that has had or will have a Material Adverse effect (as defined below) and that has not been disclosed in writing to Landlord by Guarantor or by any third party on behalf of Guarantor. As used herein, “Material Adverse Effect” means (A) a material adverse effect upon the business, operations, properties, assets or condition (financial or otherwise) of Guarantor or Tenant, with respect to such party, when taken as a whole, or (B) the material impairment of the ability of Guarantor to perform its obligations under this Guaranty, or (C) the material impairment of Landlord’s rights or remedies under the Guaranty. In determining whether any individual event would result in a Material Adverse Effect, notwithstanding that such event does not of itself have such effect, a Material Adverse Effect shall be deemed to have occurred if the cumulative effect of such event and all other then occurring events and existing conditions would result in a Material Adverse Effect.

(e) Suits, Judgments and Liens. There is no action, suit or legal, administrative or other proceeding pending or, to Guarantor’s knowledge, threatened which questions the legality or propriety of the transactions contemplated by the Guaranty.

5. Guarantor’s Financial Covenants. Guarantor shall provide, or cause to be provided, to Landlord the following financial statements and information, all of which must be in a form reasonably acceptable to Landlord:

(i) promptly and in any event within sixty (60) days after the end of each Fiscal Quarter, (x) quarterly statements of EBITDA for each Fiscal Month in such Fiscal Quarter and year-to-date, to be certified by an officer of Guarantor, and (y) total sales figures for each Fiscal Month in such Fiscal Quarter and year-to-date; and

(ii) promptly and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, an annual statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and, to the extent one is prepared, a statement of cash flows, such annual statements of financial position to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. To the extent such financial statements are audited, Guarantor shall provide Landlord with a final copy of that audit within thirty (30) days of completion within sixty (60) days of Landlord's request. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (ii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor; and

(iii) in the event that Tenant defaults in making any payment required under the Lease when due and such default is not cured within thirty (30) days, within sixty (60) days of Landlord's request, a quarterly statement of financial position of Guarantor, including a balance sheet and statement of profits and losses and a statement of cash flows, for the most recent Fiscal Quarter for which such quarterly statements were prepared by Guarantor, such quarterly statements to be certified by an officer of Guarantor to fairly represent the financial condition of Guarantor as of the date thereof. Notwithstanding the foregoing, as long as Tenant is a wholly-owned direct or indirect subsidiary of Buffets, LLC, Guarantor shall be permitted to satisfy its obligations under this clause (iii) by providing (or causing Tenant to provide) the financial statements described herein of Buffets, LLC and its subsidiaries on a consolidated basis, rather than of Guarantor.

“Fiscal Year” shall mean a fiscal year from approximately July to June (subject to change by Guarantor) and “Fiscal Quarter” shall mean approximately July through September, approximately October through December, approximately January through March, and approximately April through June (subject to change by Guarantor). The last day of each Fiscal Year is the Wednesday closest to June 30th (subject to change by Guarantor).

Guarantor acknowledges that Landlord must comply with certain financial audit requirements and Landlord will suffer damages from Guarantor's failure to deliver any of the financial information required in Subsections 5(i) through (v) (the “Key Financial Statements”) as and when due. If Guarantor fails to deliver any Key Financial Statements as and when due, and such failure is not cured within ten (10) days after written notice from Landlord, subject to Force Majeure, Guarantor shall pay Landlord a fee equal to US\$500 for each day that Guarantor has failed to deliver any such Key Financial Statements (the “Financial Statements Default Fee”). The Financial Statements Default Fee is in addition to, and not in lieu of, any other remedy of Landlord under this Guaranty regarding Guarantor's failure to deliver the Key Financial Statements. Guarantor's payment of the Financial Statements Default Fee does not cure any default caused by the failure to deliver any Key Financial Statement in a timely manner.

6. Waiver of Defenses. Guarantor waives (a) any right to require Landlord to (i) proceed against Tenant or any other person or entity; (ii) proceed against or exhaust any security

held from Tenant or Guarantor; (iii) pursue any other remedy in Landlord's power against Tenant which Guarantor cannot itself pursue, and which would lighten its burden; (b) all statutes of limitation as a defense to any action brought against Guarantor by Landlord to the fullest extent permitted by law; (c) any defense based upon any legal disability of Tenant, or any discharge or limitation of the liability of Tenant to Landlord, whether consensual or arising by operation of law or any bankruptcy, reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other similar cause; (d) presentment, demand, protest and notice of any kind; and (e) any defense based upon or arising out of any defense which Tenant may have to the payment or performance of any part of Tenant's Obligations, other than any defense arising under the express terms of the Lease. Guarantor waives all demand and notices, including demands for performance, notices of non-performance, notices of non-payment and notice of acceptance of this Guaranty.

7. Effect of Tenant's Bankruptcy. Without limiting anything contained in Section 4 of this Guaranty, the liability of Guarantor under this Guaranty shall in no way be affected by: (a) the release or discharge of Tenant in any creditor proceeding, receivership, bankruptcy or other proceeding; (b) the impairment, limitation, or modification of Tenant's liability or the estate, or of any remedy for the enforcement of Tenant's liability, which may result from the operation of any present or future provision of the Bankruptcy Code (Title 11 of the United States Code, as amended; 11 U.S.C. §§ 101-1330) or any bankruptcy, insolvency, debtor relief statute (state or federal), any other statute, or from the decision of any court; (c) the rejection or disaffirmance of the Lease, or any portion of the Lease, in any such proceeding; (d) the cessation, from any cause whatsoever, whether consensual or by operation of law, of Tenant's liability to Landlord resulting from any such proceeding; or (e) the modification or replacement of Tenant's Obligations in any such proceeding.

8. Waiver of Subrogation.

(a) Notwithstanding any other provision of this Guaranty to the contrary, until Tenant's Obligations are fully performed and paid, during the continuance of an Event of Default, Guarantor hereby waives any claims or other rights which Guarantor may now have or hereafter acquire against Tenant or any other guarantor of all or any of Tenant's Obligations, which claims or other rights arise from the existence or performance of Guarantor's obligations under this Guaranty (all such claims and rights are referred to as "Guarantor's Conditional Rights"), including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, or indemnification, any right to participate in any claim or remedy of Landlord against Tenant or any collateral which Landlord now has or hereafter acquires, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, by any payment made hereunder or otherwise, including without limitation, the right to take or receive from Tenant, directly or indirectly, in cash or other property or by setoff or in any other manner, payment or security on account of such claim or other rights. If, notwithstanding the foregoing provision, any amount shall be paid to Guarantor on account of any Guarantor's Conditional Rights and either (i) such amount is paid to Guarantor at any time when Tenant's Obligations shall not have been paid or performed in full during the continuance of an Event of Default, or (ii) regardless of when such amount is paid to Guarantor, any payment made by Tenant to Landlord is at any time determined to be a Preferential Payment, then such amount paid to

Guarantor shall be held in trust for the benefit of Landlord and shall forthwith be paid to Landlord to be credited and applied upon Tenant's Obligations, whether matured or unmatured, in such order as Landlord, in its sole and absolute discretion, shall determine.

(b) During the continuance of an Event of Default, to the extent that any of the provisions of subsection (a) of this Section 8 shall not be enforceable, Guarantor agrees that until such time as Tenant's Obligations have been paid and performed in full and the period of time has expired during which any payment made by Tenant or Guarantor to Landlord may be determined to be a Preferential Payment, Guarantor's Conditional Rights to the extent not validly waived shall be subordinate to Landlord's right to full payment and performance of Tenant's Obligations, and Guarantor shall not enforce Guarantor's Conditional Rights during such period.

9. Costs and Expenses. If Guarantor fails to perform any of its obligations under this Guaranty or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Guaranty, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default and/or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgement in its favor under this Guaranty shall be recoverable separately from and in addition to any other amount included in such judgement, and such attorney's fees' obligation is intended to be severable from the other provisions of this Guaranty and to survive and not be merged into any such judgement.
