US \$843,200,00

Effingham, Illinois

September 24, 2010

FOR VALUE RECEIVED, SNC JJ Montrose-Edgewood, LLC, an Illinois limited liability company (hereinafter referred to as the "borrower") promises to pay to Jeffrey W. Aldrich, Montrose Citgo, Inc., an Illinois corporation, and Edgewood Beer & Gas Port, Inc., an Illinois corporation, or order, the principal sum of EIGHT HUNDRED FORTY THREE THOUSAND TWO HUNDRED AND NO/100 DOLLARS (\$843,200.00) with interest on the unpaid principal balance from the date of this note until paid at the initial rate of 5.75% per annum. Principal and interest shall be payable at 14338 East 950th Avenue, Effingham, Illinois 62401, or such other place as the note holder may designate, in installments as follows: monthly installments of \$7,002.02 each are payable on the 24th day of each month, beginning on October 24, 2010, and on the 24th day of each month thereafter until September 24, 2025. Any remaining indebtedness shall be due and payable on demand, on or after September 24, 2015, upon not less than 90 days written notice to borrower. The interest rate on this note after maturity, including maturity by acceleration, shall be 200 basis points in excess of rate of interest that would have been in effect had no default occurred.

Commencing on the fifth anniversary of the date of this note, and on the tenth anniversary of the date of this note, the interest rate shall be recalculated with changes in the interest rate to take effect on each such anniversary date, based upon the most recent Index Rate then available, plus 250 basis points, and shall thereafter remain in effect until and including the date preceding the next change date.

"Index Rate" means the national prime rate of interest as reported in *The Wall Street Journal*, which is currently 3.25%. If for any reason it shall become impossible to determine the Index Rate based upon the information set forth in the first sentence of this paragraph, the note holder shall choose a new index based on comparable information, which new index shall be used for purposes of calculation of the Index Rate hereunder.

Each such date on which the interest rate may change is referred to as a "change date."

The monthly installment of principal and interest may change, at the discretion of the holder, to reflect changes in the interest rate. On the change date, the holder may determine the amount of the monthly installment payment that will be required to satisfy in full the principal balance then remaining unpaid, together with interest at the adjusted rate, in substantially equal payments by the maturity date stated above.

All interest payable hereunder shall be computed on the basis of actual days elapsed and a year of 365 days.

If any installment under this note is not paid when due and remains unpaid for a period of thirty (30) days after mailing of written notice of the due date thereof, the entire principal

balance outstanding and accrued interest hereon shall at once become immediately due and payable at the option of the note holder, and without further notice. The note holder may exercise this option to accelerate during any other default by borrower in failing to perform any covenant or agreement hereunder or under any other instrument securing or otherwise relating to the indebtedness described herein, regardless of any prior forbearance, if the default remains after a date specified by a notice to borrower, which date shall not be less than thirty (30) days from the date such notice is mailed.

If the note holder has not received the full amount of any monthly payment by the end of fifteen (15) calendar days after the date it is due, borrower will pay a late charge to the note holder. The amount of the charge will be 5% of borrower's overdue payment of principal and interest. Borrower will pay this late charge promptly but only once on each late payment.

Whether or not suit is brought to collect this note, the note holder shall be entitled to collect all reasonable costs and expenses of collection including but not limited to reasonable attorney's fees.

Borrower may prepay the principal amount outstanding in whole or in part, without penalty. Any partial prepayment shall be applied against the principal amount outstanding and shall not postpone the due date of any subsequent installments or change the amount of such installments, unless the note holder shall otherwise agree in writing.

The note holder may at any time after default exercise its right to set off all or any portion of the indebtedness evidenced hereby against any liability or indebtedness of the note holder to the borrower, whether owned by the borrower alone or in conjunction with any other person or entity, without prior notice to the borrower.

Demand, presentment, notice of nonpayment and dishonor, and protest, except as otherwise stated herein, are hereby waived by all makers. For purposes of this instrument, words importing numbers shall include the singular or the plural of the term and words importing the neuter gender may be applied to males and females, or either of them, as the context may require.

Any notice to borrower provided for in this note may be given by mailing such notice by certified mail addressed to borrower at the address stated below, to such other address as borrower may designate by notice to the note holder, or to borrower's last known address. Any notice to the note holder may be given by mailing such notice by certified mail to the note holder at its principal business address, or at such other address as may have been designated by notice to borrower.

The indebtedness evidenced by this note is secured by a mortgage of even date herewith, and reference is made to the mortgage and security agreement for rights as to acceleration of the indebtedness evidenced by this note for reasons including, but not limited to, the sale or transfer of any interest in the collateral described in either the mortgage or the security agreement. The principal amount secured by the mortgage of even date herewith, together with accrued interest, shall, at the option of the mortgagee, become immediately due and payable if all or any part of the collateral described in said mortgage or security agreement, or an interest (whether legal or

equitable) therein, is sold or transferred by mortgagor without the prior written consent of the mortgagee, except as permitted by the mortgage or security agreement, which consent may be withheld at the option of the mortgagee.

Borrower hereby further grants lender a continuing security interest in and right to

set off against any account borrower has with lender, any other collateral securing other loans or obligations with lender and any other property of borrower now or hereafter in lender's possession, all as security hereunder. No further security interest shall be created or allowed to be created with respect to any personal property pledged hereunder.

4. [INTENTIONALLY LEFT BLANK]

- 5. Before they become delinquent, borrower shall pay all rates, taxes, assessments, charges, fines and impositions of every character which are now or hereafter imposed, or which may hereafter become owing by borrower or a lien on the collateral, including any taxes assessed against lender by reason of this mortgage or the obligations, and shall immediately deliver to lender at its principal office any notice of such amounts due and receipts of the proper officials evidencing payment thereof.
- Borrower shall keep the collateral fully insured against loss or damage by fire, hazards including within the term "extended coverage" and such other hazards, casualties and contingencies (including but not limited to business interruption and rent insurance in amounts sufficient to pay all taxes, insurance premiums and debt service on the premises for one year, liability insurance and worker's compensation insurance) as lender may require from time to time in such companies, amounts and form reasonably satisfactory to and with loss made payable to lender. In no event shall the amount of such insurance be less than the greater of the replacement cost of the collateral or the amounts then outstanding under the obligations and any prior mortgage (defined below). Borrower shall deliver to lender such policies with evidence of payment of premiums and renewals thereof or notice of cancellation at least 21 days before the expiration of the existing policies. Borrower shall give prompt notice to lender and any insurance carrier of any loss, and lender may at its option make proof of loss if not made promptly by borrower. If by reason of such insurance lender receives any money for loss or damage, such amount may at the option of lender (a) be retained and applied in whole or in part toward the payment of the obligations in reverse order of installment maturities, if any, or (b) be paid to borrower or any other person for the repair of collateral or for the erection of new buildings in the place of damaged buildings, or for any other purpose or object satisfactory to lender. No such application under alternative (b) above shall in any way relieve borrower of its obligations hereunder or under the obligations. In the event of foreclosure hereunder, lender shall have the right to assign to the purchaser at any sale the unexpired policies required hereunder and collect any unearned premiums thereon and apply the same toward payment of the obligations.
- 7. The rents and profits of the collateral are hereby assigned to lender as security for the payment and performance of the obligations. Borrower hereby appoints lender its true and lawful attorney-in-fact to manage and protect the collateral and collect the rents and profits with full power and authority to bring suit for collection thereof and for possession of the collateral and to do and perform every act and thing necessary or appropriate in connection therewith; provided, however, that so long as there exists no event of default hereunder or under the obligations, borrower may collect, hold and apply said rents and profits as it shall deem appropriate, and this power of attorney and assignment of rents and profits shall not be construed as creating any obligation whatsoever upon lender, and lender shall not be liable because of any delay or leniency allowed or suffered in the collection of such rents and profits. Lender shall, out of the proceeds of the rents and profits of the collateral, pay: FIRST, reasonable charges for collection thereof, compensation to the lender, reasonable attorney's fees incurred by lender in acting hereunder, and costs of repairs and other costs and expenses incurred during the management of the collateral and continuance of this power of attorney and assignment of rents and profits, including any

and all advancements made by lender; and SECOND, the remainder, if any, toward the obligations. This power of attorney and assignment of rents and profits shall be irrevocable until this mortgage shall have been satisfied and released of record, and the releasing hereof shall act as a revocation of this power of attorney and assignment of rents and profits. The failure of lender to apply, use or exercise this power of attorney or assignment of rents and profits shall not release, waive or adversely affect the same or the right to apply, use or exercise the same in the future.

- 8. Borrower shall not, without prior notice to and with the written consent of lender, receive or collect any rents, income, earnings or profits of the collateral more than one month in advance of the respective monthly (or shorter) periods with respect to which they are to accrue, except for an additional one month's rent which borrower may require any tenant of the collateral to deposit in advance as security for the performance of such tenant's obligations.
- 9. Borrower shall at all times maintain, preserve and keep the collateral and every part thereof in good and thorough repair, working order and condition, and the premises in tenantable condition, and borrower shall not commit or permit any waste, impairment or deterioration of the collateral except for ordinary wear and tear. Borrower shall from time to time make all necessary and proper repairs, betterments, renewals, replacements and improvements to the collateral.
- 10. No collateral now or hereafter secured hereby shall be removed, demolished or materially altered; except that, in the ordinary course of business, borrower shall have the right to remove and dispose of, free from the lien hereof, such equipment and fixtures as from time to time may become worn out or obsolete, provided that within a reasonable time such removed equipment and fixtures shall be replaced with other equipment and fixtures reasonably necessary to operate the premises for its intended purpose as a gasoline service station and convenience store..
- 11. In the event of the passage of any law deducting the amount of any lien on the premises from the value of the premises for the purposes of taxation or providing for or changing in any way the laws now in effect for the taxation of mortgages or debts secured thereby or the manner of the collection of any such taxes so as to affect the interests of lender, all amounts under the obligations shall, at the option of lender, be accelerated and immediately become due, payable and collectible.
- 12. Borrower agrees that with respect to the collateral and borrower's ownership, operation, management, possession and control thereof (a) borrower shall keep and maintain complete and accurate books of record and account in accordance with sound accounting practices and copies of all written contracts or other instruments that affect the collateral, (b) lender shall at all reasonable times have the right to examine and inspect the collateral, to appraise the value of the collateral, to examine and inspect borrower's books of record and account and such contracts, and to discuss borrower's affairs, finances and accounts and to be reasonably informed thereof by borrower or otherwise, and (c) borrower shall, within 90 days after the end of each fiscal year of borrower, provide lender with copies of borrower's statement of income and expense showing annual income and detailed expenses of operating the collateral and a balance sheet of borrower for such fiscal year, all in reasonable detail.
- 13. Borrower shall at its expense obtain and maintain in favor of lender a mortgagee's title insurance policy containing only those exceptions to coverage approved in writing by lender (hereinafter called the "permitted exceptions") and from a title insurance company acceptable to lender in the full amount of the obligations insuring among other things (a) the title of borrower in the premises, (b) the

perfection, priority and enforceability of the lien hereof, and (c) such other coverages as lender shall require.

- 14. Borrower hereby represents and warrants that (a) borrower is lawfully seized and possessed of good, merchantable and indefeasible title to all of the collateral and estate in fee simple to the premises, (b) such title is insurable to its full fair market value, (c) borrower has the right to grant this mortgage, and (d) the premises are free and clear of all liens and encumbrances other than the permitted exceptions. Borrower agrees to warrant and defend the title to the collateral against all claims and demands other than those arising under the permitted exceptions.
- 15. If borrower shall fail to perform any of its obligations hereunder, lender may, after providing written notice of such failure and providing borrower thirty (30) days to cure such failure, perform the same on borrower's behalf or make advances for such purposes; and borrower hereby promises to pay lender upon demand all sums so advanced on borrower's behalf with interest 2% in excess of the highest rate of interest stated in any of the obligations and all such sums so advanced with interest as aforesaid shall constitute part of the obligations, but no such advance shall be deemed to relieve borrower from any default hereunder.
- 16. If borrower consists of more than one party, such parties shall be jointly and severally liable for and under any and all promises, representations, warranties, covenants, agreements or other obligations of the borrower contained herein and under the obligations, and each borrower is and shall remain the agent, with full authority, of all the borrowers in making payments to lender, in receiving any notice or demand hereunder, in receipting for the collateral or any part thereof and in dealing with lender hereunder.
- 17. If borrower is a corporation or partnership, borrower and the individuals executing this mortgage on borrower's behalf hereby represent and warrant that (a) borrower is a corporation or partnership validly organized and existing under and pursuant to the laws of the state indicated in the acknowledgment of borrower's signature attached hereto and is incorporated in or has authority to do business in Illinois; (b) borrower has full power and authority to execute and deliver the obligations, this mortgage and all instruments related thereof; (c) the officers, partners or other representatives of borrower who are executing and delivering the obligations, this mortgage and all instruments related thereto have been duly and lawfully authorized to do so, and the same are legally binding upon and enforceable against borrower; and (d) all acts, proceedings and things necessary thereto or proper in the premises have been done, taken and performed.
- 18. Borrower shall upon request immediately execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such further acts, deeds, conveyances, deeds of trust, mortgages, security agreements, financing statements, UCC statements, transfers and assurances in law as lender may require for the better assuring, conveying, mortgaging, assigning and confirming to lender all of the collateral hereby conveyed, mortgaged, pledged or assigned, or intended so to be, or which borrower or others hereafter may become bound to convey, mortgage, pledge or assign hereunder or otherwise.
- 19. Provided that lender first provides written notice to borrower of any default hereunder, and provides borrower thirty (30) days to cure such default, any costs, expenses and fees incurred by lender in the preservation or protection of the collateral and the maintenance, execution or enforcement hereof, including but not limited to the reasonable fees of any attorney employed by lender for the collection or

enforcement of any or all of the obligations, whether or not litigation has commenced, shall be paid by borrower upon demand with interest thereon at the rate stated in paragraph 15, and such obligation shall be secured hereby.

- 20. Borrower shall pay all fees and registration taxes required for the recording and release hereof and any amendments hereto.
- Each of the following shall constitute an event of default under this mortgage: (a) the 21. failure of borrower to pay or perform timely any monetary or non-monetary obligation under the obligations or any part thereof as such obligation becomes due, or any other event of default under the obligations; (b) the failure of borrower to perform timely or the violation or breach of any monetary or non-monetary promise, representation, warranty, agreement, covenant or condition contained herein or under any other note or other obligation to lender; (c) the creation or existence of any junior lien, encumbrance, security interest, security agreement, deed, or mortgage encumbering any part of the collateral; (d) the attachment of any mechanics', artisans', laborers', materialmen's or any similar or other lien on the collateral or any part thereof; (e) except as provided for in paragraph 10, the sale, lease, transfer, conveyance or other disposition of all or any portion of the collateral or any interest therein whether fee, equitable or leasehold; (f) the further assignment of any or all of the rents and profits of the collateral; (g) the assignment of borrower's interest as lessor under any lease of all or any portion of the collateral; (h) the use of the collateral or any part thereof in any manner which might violate any law or ordinance or any policy of insurance affecting the collateral; (i) the failure of borrower to pay or perform timely or the violation or breach of any monetary or non-monetary promise, representation, warranty, agreement, covenant or condition contained in any other mortgage or security agreement which encumbers or is secured by the collateral or any part thereof whether or not lender is a party thereto and whether or not such obligation runs in favor of lender; (j) the falsity or inaccuracy of any representation or warranty made by borrower to lender hereunder or in connection herewith or otherwise; (k) any tax levy, attachment, garnishment, levy of execution or other process issued against borrower or any of the collateral; (1) any assignment for the benefit of borrower's creditors; (m) any application for or appointment of a receiver, liquidator or trustee of borrower with or without the consent of borrower; (n) the adjudication of borrower to be bankrupt, insolvent or a debtor in bankruptcy; (o) the filing of a voluntary petition for bankruptcy, reorganization or arrangement of borrower pursuant to any federal or state bankruptcy law or any similar law; (p) the voluntary or involuntary dissolution or liquidation of borrower or the taking of any action in anticipation thereof or the institution of proceedings therefor; (q) any involuntary appointment, adjudication, petition or proceedings pursuant to any federal or state bankruptcy law or any similar law if not discharged, stayed or dismissed within 60 days; or (r) the failure of borrower to comply with or cause to be complied with all statutes, laws, regulations, ordinances and requirements of any governmental authority relating to the collateral or borrower. (Each of the foregoing is hereinafter sometimes called an "event of default").
- 22. Upon the occurrence of any event of default hereunder, lender shall after written notice to borrower, and after providing borrower thirty (30) days to cure any such event of default, have the right to do any or all of the following at any time or from time to time: (a) to accelerate all amounts remaining unpaid under the obligations all of which shall immediately become due and payable regardless of maturity; (b) to take immediate possession of all or any part of the collateral wherever located; (c) to foreclose this mortgage by judicial foreclosure in any court of competent jurisdiction or by other lawful means; (d) to obtain the immediate appointment of a receiver if required by law for the collection of rents and profits of the collateral during the pendency of such foreclosure; (e) to take or be placed in possession

of the collateral; and (f) to pursue and invoke any and all of its rights and remedies whether at law, equity or hereunder; and this mortgage shall remain in full force and effect.

- 23. In the event lender becomes entitled to exercise any of the remedies provided for in paragraph 22:

Borrower agrees to pay upon demand any deficiency remaining thereafter with interest thereon at the rate stated in paragraph 16 or as provided by law.
- 24. Notwithstanding anything herein or otherwise to the contrary, the rights, powers, options and remedies of lender under the provisions contained herein and provided by law or equity shall be separate, distinct and cumulative, and the same may be exercised together, separately, concurrently, independently or successively, and none of them shall be deemed to be in derogation or to the exclusion of the others; and no action, inaction, omission or forbearance of lender with respect thereto shall be deemed to be an election to proceed under any one right, power, option, remedy or provision herein in derogation or to the exclusion of any other or deemed to be a waiver thereof. Lender shall have the right

to determine the order in which (a) any or all of the collateral shall be subjected to the remedies set forth herein, and (b) any or all portions of the obligations shall be satisfied from proceeds of the collateral.

- 25. Lender shall not assign, pledge, sell, transfer, negotiate, convey or otherwise dispose of the obligations, this mortgage and lender's rights thereunder.
- 26. Upon full satisfaction and payment of the obligations with no outstanding obligations whatsoever thereunder or hereunder from borrower to lender, then this mortgage shall be released of record at borrower's cost.

- 28. If any provision hereunder or under the obligations shall for any reason be deemed to be void, voidable, illegal, invalid or unenforceable, then this mortgage and the obligations shall be construed as if such provision had never been contained herein or therein and the remaining provisions hereof and thereof shall remain in full force and effect and, to such extent, the provisions hereof and of the obligations are hereby declared to be severable. Notwithstanding the foregoing, if any such provision shall for any reason be held to be excessive as to amount, rate of interest, time, duration, scope, activity or subject, then such provision shall be construed by limiting, reducing or modifying it only to the extent necessary to make such provision enforceable under existing applicable law.
- 29. If by the terms hereof or of the obligations borrower is at any time required or obligated to pay interest on the principal balance due under the obligations at a rate in excess of the maximum interest rate permitted by law, then the rate of interest under the obligations shall be deemed to be reduced to such maximum lawful rate, and the interest payable shall be compounded at such maximum lawful rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the obligations.
- 30. Borrower agrees to indemnify and hold lender harmless from and against any and all losses, liabilities, demands, claims, damages, costs and expenses including attorneys fees incurred by lender being made a party to any suit or proceeding (including but not limited to suits to enforce mechanics' liens) by reason of the existence of this mortgage and the same shall constitute part of the obligations and shall be secured hereby.
- 31. This mortgage shall not be amended except by written agreement signed by the party against whom enforcement of the amendment is sought.
- 32. This mortgage and the terms hereof, and the obligations and the terms thereof, shall be governed by and construed according to the laws of the State of Illinois.
