Dear parties:

As you are aware, on July 2, 2015 (the "Petition Date"), Gas-Mart USA, Inc. (the "Company") and related entities ("Debtors") filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Western District of Missouri (the "Bankruptcy Court"), administratively consolidated under Case No. 15-41815 (the "Bankruptcy Cases"). On the Petition Date, the Company requested the Bankruptcy Court's authority to pay the pre-bankruptcy claims of CITGO in recognition of the importance of the Company's relationship with CITGO and its desire that the Bankruptcy Case have as little effect on the Company's ongoing business operations as possible. On July 28, 2015, the Bankruptcy Court entered a final order (the "Order") authorizing the Company, under certain conditions, to pay the pre-petition claims of CITGO if CITGO agrees to the terms set forth below and to be bound by the terms of the Order.

Accordingly, as authorized by the Bankruptcy Court, CITGO, Fidelity and Deposit Company of Maryland ("Surety"), and the Company agree as follows, effective as of the last to occur of (a) delivery of fully executed counterparts of this Vendor Agreement among the parties, (b) delivery to CITGO of the fully executed Bond Rider identified below, and (c) delivery to CITGO of the Vendor Claim Payment identified below:

1. The gross balance of the pre-petition claim held and asserted by CITGO against the Company is \$977,581.30 (the "Gross CITGO Claim"), and CITGO is holding aggregate pre-petition credit card payment receipts in the amount of \$221,190.12 (the "Credit Card Receipts"), thereby leaving a net pre-petition claim in the amount of \$756,391.18 (the "Vendor Claim").

2. CITGO shall be and hereby is authorized to offset the Credit Card Receipts against the Gross CITGO Claim, which offset shall be deemed to have been applied against the oldest outstanding invoices first.

3. The Vendor Claim will be paid (the "Vendor Claim Payment") by Surety pursuant to that certain Surety Bond No. 09159686 dated September 3, 2014, as modified by that certain Increase Rider dated September 9, 2014 (collectively, the "Bond").

4. Upon payment of the Vendor Claim and renewal of the Bond pursuant to the Bond Rider attached and hereby incorporated by reference as Exhibit A¹, Surety shall (a) be subrogated to the Vendor Claim, which Debtor hereby acknowledges shall be entitled to allowance under §503(b)(9) of the Bankruptcy Code, and (b) be paid the Vendor Claim by Company as provided in the Bond Rider and this Vendor Agreement.

5. Upon receipt of (a) the payment by Surety of the Vendor Claim, and (b) the Bond Rider, CITGO shall continue to observe and perform all the terms and conditions of that certain Marketer Franchise Agreement between CITGO and the Company dated September 10, 2013 (the "MFA"), including but not limited to

a. providing Company with trade credit and other business terms on a post-petition basis consistent with the parties pre-petition terms (including Electronic Funds Transfer (EFT) 10 day payment terms with a 1% discount, up to a maximum credit limit amount of \$743,608.82, and rebates payable under Company's existing Allowance agreements with CITGO); and

b. processing credit card transactions, including offsetting credit card receipts from sales at CITGO-branded gas station locations collected by CITGO against amounts owed to CITGO after any payment default by the Company prior to making demand on the Bond as provided in the MFA.

If the Bond expires or terminates, including but not limited to failure of Company to pay the Vendor Claim as provided in the Bond Rider and this Vendor Agreement, CITGO shall be entitled to terminate any extension of credit to Company under the MFA.

6. This Vendor Agreement is just an interim agreement relating to the MFA and the Company is not hereby (a) assuming the MFA under § 365 of the Bankruptcy Code, (b) waiving, releasing or otherwise compromising any other rights, claims or defenses with CITGO, or (c) converting the Vendor Claim to an administrative claim under § 503(b)(1) of the Bankruptcy Code by entry into this Vendor Agreement; provided, however, that nothing contained herein shall be deemed to waive or impair Surety's rights to administrative claim status under § 503(b)(9) of the Bankruptcy Code. Similarly, CITGO is not hereby waiving, releasing or otherwise compromising any other rights, claims or defenses, including but not limited to any rights, claims or defenses under § 365 of the Bankruptcy Code.

7. Pursuant to the Order, CITGO shall not file or otherwise assert against the Company or any of its assets or property, whether real or personal, any lien related in any way to any remaining amounts alleged owed to CITGO arising from agreements entered into prior to the Petition Date and that to the extent such a lien was previously obtained, CITGO agrees to immediately take all necessary actions to remove such lien.

¹ For which the Company shall pay a bond premium of \$25,500 in the ordinary course of business, and Michael George and David George and Debtors shall deliver a General Agreement of Indemnity

8. If CITGO breaches this Agreement, including but not limited to failing to observe and perform all the terms and conditions of the MFA, or failing to supply goods or services to Company thereunder, then

a. any payments received by Surety on the Vendor Claim will be subject to repayment to the Company if and only to the extent the Company is otherwise determined to be administratively insolvent and Surety is determined to have received an amount greater than it otherwise would have been entitled to receive for holding the Vendor Claim entitled to allowance under § 503(b)(9) of the Bankruptcy Code; and

b. after making said payment, Surety shall be entitled to pursue (i) all rights, claims and remedies against Company for the unpaid balance of the Vendor Claim, and (ii) all rights of subrogation to all claims by the Company against CITGO for breach of this Agreement or the related MFA.

If the Company breaches this Agreement, including but not limited to failing to observe and perform all the terms and conditions of the MFA, then CITGO may terminate fuel deliveries and extensions of credit without leave of the Bankruptcy Court and exercise all other available rights and remedies with appropriate leave of the Bankruptcy Court.

9. CITGO, Surety and the Company consent to jurisdiction of the Bankruptcy Court for enforcement of the Order and this Vendor Agreement.

If you have any questions about this agreement or our financial restructuring, please do not hesitate to call.

Sincerely,

INSTRUCTIONS

WHO MUST FILE. Every entity making application for a motor fuels or aircraft fuels supplier, distributor, wholesaler, importer, exporter or compressed fuel retailer license who does not currently hold a valid fuel tax license, is required to file a surety bond. Security may also be required when deemed necessary by the Motor Fuels Division to ensure compliance with Nebraska Motor Fuels Tax Laws. When a licensee fails to file timely returns, when tax has not been remitted, or when an audit indicates severe problems, a bond may be required.

WHEN AND WHERE TO FILE. The bond and Nebraska Motor Fuels License Application, Form 20ME, must be mailed together to the Motor Fuels Division, P.O. Box 98904, Lincoln, Nebraska 68509-8904. If a bond or application is received separately, it will be returned to the applicant.

DETERMINATION OF AMOUNT. The bond amount for a motor fuels producer, supplier, distributor, wholesaler, importer, or exporter license is approximately three times the estimated average monthly tax liability, in an amount not less than \$20,000. The bond amount for an aircraft fuels supplier, distributor, wholesaler, importer, or exporter license is approximately three times the estimated average monthly tax liability, in an amount not less than \$10,000. When no prior record of liability exists, applicants must estimate their potential liability.

The bond amount for a compressed fuel retailer is approximately two times the estimated average quarterly tax liability, or three times the estimated average monthly tax liability, depending upon the filing frequency. In no instance will this be less than \$1,000. When no prior record of liability exists, applicants must estimate their potential liability.

The duration of this bonding requirement shall be at least one year. In the case of an exporter, the amount and duration of the security shall be fixed by the division.

Failure to maintain a proper bond is cause for license or permit suspension or cancellation.

A Nebraska Motor Fuels Tax Bond Rider, Form 70XN, must be filed to indicate the following changes to existing bonds:

- Change in name;
- Change in ownership;
- Change in form of ownership;
- Change in amount of bond; or
- Change in effective date of bond.

COMBINED MOTOR FUELS TAX BOND

WHO MAY FILE. Any person applying for or holding two or more licenses or permits may, in lieu of filing a separate bond for each license or permit, file a combined bond.

DETERMINATION OF COMBINED AMOUNT. The amount of a combined bond shall be the cumulative total of the amount of the individual bonds which otherwise would be required. The Nebraska Schedule – Combined Motor Fuels Tax Bond below must be completed when filing a combined bond.

General Indemnity Agreement

ZURICH

THIS GENERAL INDEMNITY AGREEMENT ("Agreement"), dated this 10 day of August, 2016 by the undersigned (individually and collectively "Indemnitors") in favor of ZURICH AMERICAN INSURANCE COMPANY and its subsidiaries, affiliates and associated companies in any jurisdiction, including but not limited to FIDELITY AND DEPOSIT COMPANY OF MARYLAND, COLONIAL AMERICAN CASUALTY AND SURETY COMPANY, AMERICAN GUARANTEE AND LIABILITY INSURANCE COMPANY and ZURICH INSURANCE GROUP LTD., their respective successors and assigns (individually and collectively "Surety") with respect to any bond, undertaking, and/or obligation of suretyship or guarantee executed, provided or procured ("issued") by Surety (whether as surety, co-surety, reinsurer or otherwise) whether issued before or after this Agreement, including all renewals, extensions, modifications and substitutions of Bonds ("Bonds" and individually "Bond"). Bonds may be issued in the name of or on behalf of (a) any Indemnitor, (b) any subsidiary or affiliate of any Indemnitor, (c) any joint venture, consortium or other economic enterprise in which any Indemnitor is or was a member at the time the Bond was issued and/or (d) any third party on request of any Indemnitor. Indemnitors' obligations under this Agreement are continuing, including obligations for Bonds issued for entities that may be sold, dissolved, otherwise disposed of, or for which ownership or management changes may occur in the future.

As an inducement to Surety, Indemnitors represent, covenant and agree for themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as follows:

1. **PREMIUMS:** Indemnitors shall promptly pay all premiums and charges of Surety for Bonds, at the current rate charged by Surety, until Surety has been provided satisfactory evidence that Bonds have been fully released and/or discharged.
2. **INDEMNITY:** Indemnitors, jointly and severally, shall exonerate, indemnify, and hold Surety harmless from any and all liability, loss, premiums, claims, damages, extra-contractual damages, court costs and expenses, attorneys' fees, consultant fees, interest, and all other costs and expenses that Surety incurs or sustains (all of the foregoing "Loss") arising from or related to: (a) the underwriting or issuance of any Bond, (b) any Claim, which means any notice, claim, demand, defense, counterclaim, setoff, lawsuit or proceeding or circumstance which may constitute, lead to or result in Loss, liability, or asserted liability in connection with any Bond or this Agreement, (c) any Indemnitor failing to timely and completely perform or comply with this Agreement, (d) Surety enforcing this Agreement or (e) any act of Surety to protect or procure any of Surety's rights, protect or preserve any of the Surety's interests, or to avoid or lessen Surety's liability or alleged liability. Indemnitors' liability to Surety includes all Loss, all payments made, and all actions taken by Surety under the Good Faith belief that Surety is, would be or was liable for the Loss, the amounts paid or the actions taken or that it was necessary or expedient to incur such Loss, make such payments or take such actions, whether or not such liability, necessity or expediency existed. Good Faith means, with respect to any act, exercise of discretion or omission by Surety, an absence of dishonesty, evil intent and actual malice toward Indemnitors. An itemized statement of Loss, sworn to by any officer of Surety, or vouchers, affidavits, or other evidence of payment by Surety, shall be *prima facie* evidence of Indemnitors' liability for such Loss.
3. **SURETY'S RIGHT TO SETTLE:** Surety has the absolute and unconditional right and is authorized but not required to pay, perform, settle, compromise, deny, litigate or otherwise resolve any Claim or pay any Loss under any Bonds. The Surety's decision shall be final, binding, and conclusive on the Indemnitors.
4. **PLACE IN FUNDS:** Indemnitors agree to promptly deposit with Surety, on demand, an amount of money that Surety determines is sufficient to fund any liability or Loss. Such funds may be used by Surety to pay Loss or may be held by Surety as collateral against potential future Loss. Any remaining funds held by Surety after payment of all sums due to Surety under this Agreement shall be returned upon the complete release and/or discharge of Surety's liability under all Bonds.
5. **ISSUANCE OF BONDS:** Surety may decline to issue, execute, modify, procure, extend, or renew any bond and may cancel or terminate any Bond without incurring any liability whatsoever to Indemnitors or otherwise impairing its rights, however derived.
6. **OTHER SURETIES AS BENEFICIARIES:** If Surety procures the issuance of any Bond by other sureties, or issues any Bond with co-sureties, or reinsures any portion of any Bond with reinsuring sureties, then this Agreement shall inure to the benefit of such other sureties, co-sureties and/or reinsuring sureties, including the right to bring an action for enforcement of this Agreement. Surety may share any information relevant to a Claim or underwriting of Bonds with co-sureties, fronting companies, and/or reinsurers.

7. **EVENT OF DEFAULT:** Indemnitors shall be in default of this Agreement if any of the following occur: (a) breach of any Bond; (b) failure to provide collateral in response to a demand made by Surety; (c) breach of any other provision of this Agreement; (d) Surety setting a reserve against Loss or incurring Loss; (e) any Indemnitor becomes the subject of a bankruptcy, ceases or threatens to cease to carry on business, or has any resolution passed or order made for its bankruptcy, winding-up, liquidation or dissolution; or (f) representations made to Surety by or on behalf of any Indemnitor prove to have been materially false or misleading when made.
8. **SURETY'S ADDITIONAL RIGHTS:** This Agreement is in addition to and not in lieu of all rights, powers, and remedies that Surety may have or acquire against Indemnitors or others, and does not waive, release or novate other agreements. Surety may make, consent to or decline to consent to changes in Bonds, may accept, modify or release any Indemnitor, and may accept, modify, subordinate or release any other indemnity, collateral, rights, real or personal property and/or security. Indemnitors waive and subordinate all rights of indemnity, subrogation and contribution against each other and/or any principal until all obligations to Surety under this Agreement, at law or in equity, have been satisfied in full. Surety's forbearance or failure to act to enforce any right shall not waive or diminish any of its rights, which rights may be enforced at any time in Surety's sole discretion.
9. **WAIVER OF NOTICE:** Indemnitors waive notice of the issuance or cancellation of any Bond, any settlement or any act, fact or information concerning or affecting the rights and liabilities of the Surety or the rights or liabilities of Indemnitors under the Bonds or this Agreement, notwithstanding any notice of any kind to which Indemnitors might otherwise have been or be entitled, and notwithstanding any defenses they might have been or be entitled to assert.
10. **DISCHARGE:** Indemnitors shall promptly, on Surety's written demand, procure the full and complete discharge of Surety from all Bonds demanded by Surety and all liability in connection with such Bonds. If Indemnitors are unable to obtain such discharge within the time demanded, Indemnitors shall promptly deposit with Surety an amount of money that Surety determines is sufficient to collateralize or pay any outstanding bonded obligations, or otherwise make provisions acceptable to Surety for the funding of the bonded obligations.
11. **LAWSUITS:** Separate suits may be brought under this Agreement as causes of action accrue, and the bringing of suits or the recovery of judgment on any cause of action shall not prejudice or bar the bringing of other suits upon other causes of action, whether arising before or after any other lawsuit or cause of action.
12. **EXECUTION AND CHANGES:** This Agreement may be executed in counterparts, all of which taken together shall constitute the Agreement. This Agreement shall be effective and immediately binding as to each Indemnitor when that Indemnitor executes this Agreement, regardless of whether any other Indemnitor fails or refuses to execute this Agreement. This Agreement shall only be changed or modified in writing.
13. **SEVERABILITY:** If any provision in this Agreement is found to be contrary to any law applicable to any Indemnitor, or is otherwise found void or unenforceable, the remainder of this Agreement shall remain in full force and effect as to that Indemnitor, and the entire Agreement shall remain of full force and effect as to all other Indemnitors.
14. **TERMINATION OF INDEMNITY:** This Agreement remains in effect until terminated and released by Surety. Any Indemnitor may send written notice to Surety of that Indemnitor's intent to terminate its participation under this Agreement for Bonds issued after the Effective Date of the notice. Such termination of participation shall be effective twenty (20) days from Surety's receipt of the notice ("Effective Date"); however such termination of participation shall not terminate, reduce or discharge Indemnitor's obligations for Bonds issued prior to the Effective Date. The notice of intent to terminate, and any other notices to Surety, shall be addressed as follows: Zurich Surety, Red Brook Corporate Center, 600 Red Brook Blvd., 4th Floor, Owings Mills, Maryland 21117, Attention: Vice President, Commercial Surety.
15. **REPRESENTATIONS AND WARRANTIES:** Each Indemnitor represents and warrants the following: (a) Indemnitor has a substantial, material, and/or beneficial interest in one or more Indemnitors or Principals obtaining Bonds or in Surety refraining from canceling Bonds; (b) Indemnitor has the full power and authority to execute and deliver this Agreement and to perform all obligations in this Agreement; (c) Indemnitor's execution and delivery of this Agreement and performance in accordance with its terms does not and will not conflict with, and will not result in a breach or violation of, any terms or conditions of any law, order, regulation or other agreement or obligation binding on Indemnitor; (d) All information provided to Surety by each Indemnitor prior to and after the execution of this Agreement is true, accurate and complete as of the time provided; and (e) each right, power and remedy given to Surety, under this Agreement or otherwise, forms a material part of Surety's consideration for Bonds.
16. The indemnity of David J. George and Michael L. George is hereby limited to bond number LPM 9159686 issued in favor of CITGO Petroleum Corporation, and any amendments, extensions and renewals thereof.
