**Pump #11**  
Store04

**Sent:** Wednesday, December 19, 2012 12:57 PM

**To:** Leroy Stocks; Lori Tygart

The hose on pump #11 was pulled off in a drive off. A cashier noticed the hose was disconnected when doing outside trash. Could we get Mike to fix this?

Thanks!

Do you know if any one has fixed the leak on pump 7? It was unbagged today but no one had said anything to me about it being fixed. I've re-bagged it. We had a customer complain that it was leaking again.

Leroy,

Mike looked at the outside ice machine outlet. He had his voltage meter and was not getting a reading for any power going to the outlet. He left you a voice message. Just wanted to let you know. He will be able to answer any questions.
