**Third Amended Proof of Claim Explanation for GSW Advertising, LLC.
for Zyclara External Genital Warts Website Development¹**

Attached hereto as Exhibit A is a spreadsheet outlining the total hours and out of pocket costs incurred by GSW for Graceway Pharmaceuticals, along with backup detailing the hours expended and out of pocket costs incurred. GSW expended 587 hours pre-petition. At \$150 per hour, the total prepetition fees are \$92,036.63. Of this \$92,036.63, \$55,015 has been paid, leaving a pre-petition balance due of \$37,021.63. Although invoices are attached hereto for \$30,000 and \$30,030 (Exhibits B and C respectively), not all of these fees have been earned yet by GSW. Only \$37,021.63 of the \$60,030 on these invoices was earned prepetition.

GSW is also entitled to rejection damages pursuant to §365(g). In that regard, it is entitled to \$16,980. This is calculated by taking the total estimate of fees which was included as part of the Project Estimate (attached hereto as Exhibit D) of \$105,030 and subtracting prepetition fees billed of \$88,050.00. (No costs were saved by not performing the balance of the project. GSW remained ready, willing and able to provide the agreed upon services.) This amount is in addition to the \$37,021.63 prepetition balance still due, for a total claim of \$54,001.63.

¹ The contract between Debtor and GSW is available upon request from Debtor but is not attached herewith due to the confidential nature of certain provisions contained therein.
