Hi Chris,

I'd like to discuss the Sales Force Initiatives for both Derm & OB/GYN during our call on Monday.  
I want to make sure we are moving ahead with these projects.

Have a good weekend,  
Lindsay

Hi Chris,

Hope all is well. I definitely want to develop a sales piece for our Derm force that highlights the dosing for both indications and can be left behind. I want this to be available at launch since it will be imp that the dosing is clearly defined for HCPs. I can call you tomorrow afternoon or Wed to discuss. Thanks!

Hi Lindsay,

Attached are the following 6 PDF files for the market research next week.

2 versions (1 PDF) of the THWARTED ad (with and without a patient)
