**GLOBAL NOTES REGARDING DEBTOR’S SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statements of Financial Affairs (the “Statements,” and collectively with the Schedules, the “Schedules and Statements”) filed by Gulf Packaging, Inc. (the “Debtor”) in the United States Bankruptcy Court for the Northern District of Illinois (the “Bankruptcy Court”), were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Federal Rule of Bankruptcy Procedure 1007 by management of the Debtor and are unaudited. While the Debtor’s management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtor reserves its rights to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes Regarding Debtor’s Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Global Notes”)² are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Case and “as of” Information Date. At the end of the business day on April 29, 2015 (the “Petition Date”), the Debtor filed a voluntary petition with the Bankruptcy Court under chapter 11 of the Bankruptcy Code. The Debtor’s chapter 11 bankruptcy case number is 15-15249 (PSH). The Debtor is currently operating its business as debtor-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. Unless otherwise stated, asset and liability information is as of the Petition Date. Additionally, the Debtor has made every effort to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available to, and further research is conducted by the Debtor, the Debtor’s allocation of liabilities between pre-petition and post-petition periods may change.

¹ The last four digits of the Debtor’s tax identification number are 5030.

² These notes are in addition to the specific notes contained in the Debtor’s Schedules or Statements. The fact that the Debtor has prepared a General Note with respect to a particular Schedule (or Statement) and not to others should not be interpreted as a decision by the Debtor to exclude the applicability of such General Note to any or all of the Debtor’s remaining Schedules (or Statements), as appropriate.

2. Basis of Presentation. The Schedules and Statements reflect the assets and liabilities of the Debtor on the basis of the Debtor's non-audited books and records. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principals. In addition, the following conventions were adopted by the Debtor in the preparation of the Schedules and Statements:

a. Book Value. Unless otherwise noted, each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtor's accounting books and records as of the Petition Date. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtor's books, and are not based upon any estimate of their current market values.

b. Litigation. The Debtor, despite best efforts, may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtor reserves all of its rights with respect to any causes of action it may have, and neither these Global Notes nor the Schedules and Statements (or anything contained therein) shall affect or be deemed a waiver of any such causes of action.

c. Liens and Encumbrances on Assets. In the ordinary course of the Debtor's business, tax liens and other encumbrances (*e.g.* judgment liens) are occasionally filed against property owned by the Debtor. It is the Debtor's practice to timely resolve all liens by either satisfying the lien claim or formally contesting the validity of such liens. As of the Petition Date, except as reflected on Schedule D (secured claims) and as discussed below, the Debtor is not aware of any material liens or encumbrances filed against assets directly owned by the Debtor other than those otherwise disclosed.

d. Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim. Furthermore, secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. No attempt was made by the Debtor to estimate the fair market value of the assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtor's as to the sufficiency of collateral related to any secured claim listed on Schedule D. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of the other Debtor, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. Except as specifically stated in the Schedules, utility companies, lessors and other parties that may hold security deposits have not been listed on Schedule D. The descriptions provided in Schedule D

are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

e. Property and Equipment: Leased. In the ordinary course of its business, the Debtor leases real property and various articles of personal property, including furniture, fixtures and equipment, from certain third-party lessors. All such leases are set forth in the Statements. Any unpaid lease payments are listed in Schedule F (unsecured claims). However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether it is a true lease or a financing arrangement) and the Debtor reserves all rights with respect to all such issues.

3. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtor to designate a claim on the Schedules as disputed, contingent or unliquidated. A failure to designate a claim on any of the Schedules as disputed, contingent and/or unliquidated does not constitute an admission by the Debtor that such amount is not disputed, contingent or unliquidated. The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as disputed, contingent or unliquidated. Listing a claim does not constitute an admission of liability by the Debtor. The Debtor reserves the right to amend these Schedules accordingly.

4. Executory Contracts. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein and may include renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which a Debtor is a party is not executory. The Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

5. Liabilities Generally. Some of the Debtor's scheduled liabilities are unknown and/or unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined." As a result, the Debtor's Schedules do not accurately reflect the aggregate amount of the Debtor's liabilities, which may differ materially from those stated in the Schedules.

6. Prepetition and Postpetition Liabilities. The Debtor has sought to allocate liabilities between prepetition and postpetition periods based on information from research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change.

7. Court-Authorized Postpetition Payment of Prepetition Liabilities. Pursuant to certain orders of the Court, the Debtor received permission to pay certain prepetition claims related to the ongoing operation of the Debtor's business, including prepetition wages, salaries and employee benefits. With the exception of wages and salaries, the claims listed on the Schedules and Statements are as of the Petition Date and do not include the post-petition payment of any of these amounts pursuant to orders of the Court.

8. Reservation. Nothing contained in the Schedules and Statements shall constitute a waiver of rights or admission with respect to the Debtor's Chapter 11 cases including, but not limited to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers. Furthermore, the Debtor and its agents, attorneys and financial advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors and omissions may exist.

9. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
