Subject: Renaissance Trust Claim

Below is a revised letter calculating your claim in the SERP based on the additional data you provided us. Please review and if in agreement with the amount of the claim that has been calculated for you, please reply to this email as such.

Dear Mr. Budwit,

The following letter sets forth the Harold M. Pitman (the "Company") calculation for the total amount of your claim to be presented on account of your participation in the so-called SERP or Renaissance deferred compensation/retirement plan (the "SERP"). Ideally, we would like to be able to reach agreement on the total amount of your claim by September 30, 2010.

Your claim is based on three components, i) Deferrals, as defined, of your compensation and/or bonus, ii) Employer Supplemental Contributions and Discretionary Contributions, as defined, if any; and iii) an amount equal to the Change of Control Benefit ("COC Benefit"), as defined by the SERP documents.

Deferrals

As defined in the SERP documents, "to the extent Deferrals are permitted by the Administrator, a Participant shall have a vested right to the portion of his or her Account attributable to Deferrals and any earnings or losses on the investment of such Deferrals. Based on the Company's records, your total Deferral under the SERP is \$0.

Employer Supplemental Contributions and Discretionary Contributions

As defined in the SERP documents, "all non vested Employer Supplemental and/or Discretionary Contributions shall become one hundred percent (100%) vested upon the Change of Control of the Employer..." Based on the Company's records, the total amount of Employer Supplemental Contributions and/or Discretionary Contributions credited to your Participant's Account is \$13,224.00.

Change of Control Benefit

As defined in the SERP documents, "the Participant's COC Benefit shall be equal to the product of the following calculations:

- 1) the present value of the Participant's previously targeted benefit within the Participant's RPA and provided in the Participant's Notification Letter ("Targeted Benefit"). The present value calculation will assume a) that benefit payments would have commenced at age 60, b) a six percent (6%) discount rate, and c) discount period as of the Participant's actual numerical age at the effective date of the Employer's Change of Control. This amount will be reduced by
- 2) an amount equal to the aggregate Employer Supplemental Contribution(s) within the Participant's Account at the effective date of the Employer's Change of Control, augmented by a hypothetical annual interest rate of eight percent (8%).

For purposes of this COC Benefit calculation, actual investment gains and losses (as provided for in Section 5.2 Investments, Gains and Losses) shall not be taken into consideration."
