HOME OWNERS BARGAIN OUTLET LEADERSHIP COACHING PROPOSAL

April 30, 2018

The Home Owners Bargain Outlet currently has two store managers devoting the majority of their time on their tactical work and not enough time on training and developing the staff in their stores. To help achieve this, Tom Figiel will partner with [REDACTED] and [REDACTED] as their leadership coach and provide:

- A baseline understanding of the manager/leader skill and value job requirements.
- Identification and awareness of current skill/value alignments and misalignments.
- Assistance with the identification and prioritization of the skill/value areas for development.
- Practice exercises that require the managers to reflect on lessons learned and result in increased self-awareness and correctly aligned manager/leader skills and values.

As the Leadership Coach, I not only work toward the development of specific skills and values, but also serve as a confidante, sounding board, and thinking partner to help the managers master effective ways of responding to their day to day leadership challenges.
