AGREEMENT DATE: June 19, 2009

This contract is a Master Lease Agreement. The terms of each Supplement hereto are subject to any and all conditions and provisions set forth herein at the time of execution of such Supplement as the same may have been amended prior to the execution of such Supplement. Each Supplement shall provide a description of Equipment, Lease Term, Rental Payment(s), Location of Equipment, Supplement Commencement Date and such other information as may be required. Each Supplement is enforceable according to the terms and conditions contained therein and in the event of a conflict between the language of the Master Lease Agreement and any Supplement hereto, the language of the Supplement shall prevall in respect to that Supplement. Each Supplement together with the terms and conditions of this Master Lease Agreement incorporated therein is referred to herein as the "Lease" or "Lease Agreement" and constitutes a "finance lease" as defined in Section 2A-103(g) of the Uniform Commercial Code. Lessor, by its acceptance hereof, hereby leases to Lessee, and the Lessee hereby leases from Lessor, in accordance with the terms and conditions set forth herein and in the applicable Supplement, the Equipment described on the Supplement and in any attachments thereto (the "Equipment"). Lessor and Lessee acknowledge that in the case of certain Supplements, Schedule A thereto constitutes only a summary of the Equipment necessitated by space limitations. However, both parties further acknowledge that the totality of the Equipment is contained in the invoices and related documents pursuant to which the Equipment was originally procured from its manufacturer (and the exhibits and attachments thereto), which items, (including applicable serial numbers) are incorporated by reference into the applicable Supplement, At the expiration of the term of each Supplement, Lessee shall return the exact items specified in such invoices and related documents.

### 1. LEASE TERM

This Master Lease Agreement shall be effective from the date hereof. As to any particular item of Equipment, the term shall continue as stated in the applicable Supplement, from the respective Supplement Commencement Date, as, from time to time, Equipment described in any Supplement is accepted by Lessee. Said term shall be automatically extended at the monthly lease rate in effect at the end of said term unless and until terminated by either party hereto giving the other not less than ninety (90) days prior written notice. Acceptance ("Acceptance") shall occur on or before the fifth day after the Equipment has been delivered and, if applicable, approved for coverage under a prime shift maintenance contract by the manufacturer thereof or other applicable maintenance organization. Lessee agrees both to advise Lessor on the Acceptance date and thereupon to execute and deliver to Lessor a Certificate of Acceptance.

### 2. PAYMENTS OF RENT

Unless otherwise set forth in the respective Supplement, the following shall apply: The first rental payment shall be due upon the Acceptance of the Equipment by Lessee, and such payment shall cover the lease month or other period commencing on the Supplement Commencement Date. Each subsequent rental payment shall be due and payable in advance, for the lease period covered by such payment, on the first day thereof. In the event Acceptance occurs prior to the Supplement Commencement Date, interim rental shall be paid by Lessee in the amount equal to a proration on a per diem basis of the Monthly Rent, as hereinafter defined, for the period commencing as of the date of Acceptance to the Supplement Commencement Date, All rental and other payments by Lessee under this Lease shall be made to Lessor at its address stated above or at such other address as Lessor may designate in writing and if payment shall be made by check, such check shall arrive at such address in sufficient time so that the same shall arrive on or before the date the rental payment shall be due. Monthly rent payable with respect to each item of Equipment ("Monthly Rent") shall be as set forth for such item in the applicable Supplement. Any and all amounts payable to Lessor hereunder other than Monthly Rent shall be considered and referred to herein as "Supplemental Rent". Monthly Rent, together with Supplemental Rent, shall be referred to herein as "Rent". This Lease provides for a net lease, and the Rent due hereunder from Lessee to Lessor shall be absolute and unconditional and shall not be subject to any abatement, recoupment, delense, claim, counter-claim, reduction, set-off, or any other adjustment of any kind for any reason whatsoever.

Without limiting the foregoing, Lessee shall, during the continuance of this Lease, at its own expense, make appropriate arrangements for maintenance of each item of Equipment, including without limitation with respect to each item of Equipment entering into and maintaining in force a contract with the manufacturer of the Equipment or other person or entity approved in writing by Lessor covering at least prime shift maintenance.
