EXHIBIT "A"

Proof of Claim of Providence Imaging Consultants, P.A.

Providence Imaging Consultants, P.A., a Texas professional association, based in El Paso, Texas ("PIC") was a party to the following two contracts:

1. That certain Professional Services Agreement, dated as of September 22, 2004, as amended, by and between (i) InSight Health Corp., a Delaware corporation, dba Open MRI of West Texas; and (ii) PIC (the "Open MRI Agreement"); and
2. That certain Radiology Services Independent Contractor Agreement, dated as of July 16, 2007, by and between (i) Texas Imaging Services of El Paso, Inc., a Texas corporation now known as InSight Health Corp.; and (ii) PIC (the "Texas Imaging Agreement").

Notwithstanding that (i) the Open MRI Agreement required Insight Health Corp. to give PIC one hundred eighty (180) days' written notice of termination without cause; and (ii) the Texas Imaging Agreement required Insight Health Corp. to give PIC ninety (90) days' written notice of termination for no reason, InSight Health Corp. terminated both the Open MRI Agreement and the Texas Imaging Agreement effective immediately by letters to PIC, dated December 27, 2010.

Under the terms of the Open MRI Agreement, PIC is entitled to receive each month for its services an amount equal to seventeen and one-half percent (17.5%) of InSight Collections received during the preceding month. "Insight Collections" are defined as all collections, professional and technical, related to patient-related goods and services provided by PIC, but do not include (i) collections related to non-professional items, including film copies, subpoena fees, sedation charges, contrast media and drugs provided to patients; and (ii) collections related to services covered in Section 2.3 of the Open MRI Agreement.

Under the terms of the Texas Imaging Agreement, PIC is entitled to receive for its services fifteen percent (15%) of the monthly Net Collected Revenue defined as the cash collected by the Texas Imaging Facilities for the relevant month.

For purposes of this Proof of Claim, PIC does not have the collections information from InSight Health Corp. to determine the amount that PIC is owed for previous services rendered under the terms of both the Open MRI Agreement and the Texas Imaging Agreement. As a result, PIC hereby files a claim for its respective percentage share of all existing and future collections to which PIC is entitled for its services performed under the Open MRI Agreement and the Texas Imaging Agreement. PIC is also filing a separate Motion for Allowance and Payment of Administrative Priority Claim for services rendered from and after December 10, 2010 under the Open MRI Agreement and the Texas Imaging Agreement. PIC is not asserting a claim for the one hundred eighty (180) days termination notice period to which it was entitled under the Open MRI Agreement and the ninety (90) days termination notice period to which it was entitled under the Texas Imaging Agreement.

WARNING! You are attempting to file -- on the Court's CM/ECF system -- a proof of claim in a case where a claims agent has been retained. In cases with claims agents, the Court's ECF system is not being used to maintain the claims register. For instructions concerning the filing a proof of claim in this case, consult the notice (providing the last date to file proofs of claim) sent by the Debtor or contact the claims agent [the contact information for the claims agent should appear on the docket -- see the left-hand side of the bottom of the case caption (immediately above document # 1)].
