INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, there may be exceptions to these general rules.

Items to be completed in Proof of Claim form**Court, Name of Debtor, and Case Number:**

Fill in the federal judicial district where the bankruptcy case was filed (for example, Central District of California), the bankruptcy debtor's name, and the bankruptcy case number. If the creditor received a notice of the case from the bankruptcy court, all of this information is located at the top of the notice.

Creditor's Name and Address:

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

1. Amount of Claim as of Date Case Filed:

State the total amount owed to the creditor on the date of the Bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

2. Basis for Claim:

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if the trustee or another party in interest files an objection to your claim.

3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:

State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

3a. Debtor May Have Scheduled Account As:

Use this space to report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as scheduled by the debtor.

4. Secured Claim:

Check the appropriate box and provide the requested information if the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See DEFINITIONS, below.) State the type and the value of property that secures the claim, attach copies of lien documentation, and state annual interest rate and the amount past due on the claim as of the date of the bankruptcy filing.

5. Amount of Claim Entitled to Priority Under 11 U.S.C. §507(a).

If any portion of your claim falls in one or more of the listed categories, check the appropriate box(es) and state the amount entitled to priority. (See DEFINITIONS, below.) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

6. Credits:

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

7. Documents:

Attach to this proof of claim form redacted copies documenting the existence of the debt and of any lien securing the debt. You may also attach a summary. You must also attach copies of documents that evidence perfection of any security interest. You may also attach a summary. FRBP 3001(c) and (d). If the claim is based on the delivery of health care goods or services, see instruction 2. Do not send original documents, as attachments may be destroyed after scanning.

Date and Signature:

The person filing this proof of claim must sign and date it. FRBP 9011. If the claim is filed electronically, FRBP 5005(a)(2), authorizes courts to establish local rules specifying what constitutes a signature. Print the name and title, if any, of the creditor or other person authorized to file this claim. State the filer's address and telephone number if it differs from the address given on the top of the form for purposes of receiving notices. Attach a complete copy of any power of attorney. Criminal penalties apply for making a false statement on a proof of claim.

DEFINITIONS**Debtor**

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor

A creditor is a person, corporation, or other entity owed a debt by the debtor that arose on or before the date of the bankruptcy filing. See 11 U.S.C. §101 (10)

Claim

A claim is the creditor's right to receive payment on a debt owed by the debtor that arose on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car.

A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION**Acknowledgment of Filing of Claim**

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system (www.pacer.psc.uscourts.gov) for a small fee to view your filed proof of claim.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

Exhibit A: Summary of Administrative Claim
Open MRI, Inc.
Case No. 10-16577-ajg

“Crum & Forster” is a registered trademark of United States Fire Insurance Company (“U.S. Fire”). The Crum & Forster group of companies includes, among other entities, U.S. Fire and the North River Insurance Company (collectively, “Crum & Forster”). Crum & Forster hereby submits this administrative proof of claim and supporting documentation jointly and severally against all of the jointly administered debtors (“Debtor”), and thus has filed identical proofs of claim on the claims register for each Debtor.

The Crum & Forster insurance policies, as set forth *infra.*, have been assumed under the Chapter 11 Plan. Crum & Forster files this contingent administrative claim for installment payments and deductible billings that will become due in the future. Crum & Forster understands that these monies will be paid in the ordinary course and files this claim as a protective measure.

U.S. Fire issued policy number 406-6807203 with an effective term of 12/5/10-12/5/11. The estimated premium for this policy in the amount of \$771,088 is payable in a deposit in the amount of \$214,042, and equal monthly installments due thereafter in the amount of \$61,894. The policy is subject to premium audit at the end of policy termination. Debtor has paid the deposit premium, and as of the time of submitting this proof of claim, is not delinquent in its installment plan. If the Debtor pays the installments and if a premium audit at policy expiration results in a return of premium to the Debtor, U.S. Fire will assert a right of setoff and/or off set with respect to the premium return. This right of setoff and/or off set will be applied to the above referenced installments due and owing, if any, the additional premium that may become due at audit, and/or to any amounts due under the coverage described below. In the meantime, \$309,470.00 remains due on installment.

The North River Insurance Company issued policy number 406-6805934 with an effective term of 12/5/09-12/5/10. The estimated premium for this policy in the amount of \$749,082 has been paid. The policy is subject to premium audit on expiration. The audit has recently taken place and is being processed. North River reserves its rights of setoff and/or off set with respect to the premium return. This right of setoff and/or off set will be applied to the above referenced installments due and owing, if any, and/or to any amounts due under the coverage described below.

U.S. Fire issued policy number 406-6802559 with an effective term of 12/5/06-12/5/07. The policy is subject to a \$250,000 per claimant deductible and a deductible aggregate amount of \$2M. Currently, Debtor has remitted deductible payments in the amount of \$718,661.20, leaving a potential deductible aggregate in the amount of \$1,281,338.80 (\$2M-\$718,661.20). U.S. Fire expects that this deductible aggregate will increase over time.

U.S. Fire issued policy number 406-6801227 with an effective term of 12/5/05-12/5/06. The policy is subject to a \$250,000 per claimant deductible and a deductible aggregate amount of \$2,250,000. Currently, Debtor has remitted deductible payments in the amount of \$680,296.79,

leaving a potential deductible aggregate in the amount of \$1,569,703.21 (\$2,250,000-\$680,296.79). U.S. Fire expects that this deductible aggregate will increase over time.

U.S. Fire issued policy number 406-0286649 with an effective term of 12/5/04-12/5/05. The policy is subject to a \$250,000 per claimant deductible and a deductible aggregate amount of \$2M. Currently, Debtor has remitted deductible payments in the amount of \$320,344.07, leaving a potential deductible aggregate in the amount of \$1,679,655.93 (\$2M-\$320,344.07). U.S. Fire expects that this deductible aggregate will increase over time.

U.S. Fire issued policy number 406-0286541 with an effective term of 12/5/03-12/5/04. The policy is subject to a \$250,000 per claimant deductible and a deductible aggregate amount of \$2.2M. Currently, Debtor has remitted deductible payments in the amount of \$430,062.45, leaving a potential deductible aggregate in the amount of \$1,769,937.55 (\$2.2M-\$430,062.45). U.S. Fire expects that this deductible aggregate will increase over time.

Crum & Forster therefore files this contingent claim in the amount of \$6,610,105.49 (\$309,470 + \$1,281,338.80 + \$1,569,703.21 + \$1,679,655.93 + \$1,769,937.55). Crum & Forster is a secured creditor because it holds \$995,000 in collateral (\$875,000 in LOC and \$120,000 in escrow monies). Crum & Forster also files this Proof of Claim as an unsecured creditor for any monies due from Debtor which exceeds the collateral.

As of the time of submitting this proof of claim, there are no outstanding amounts due by Debtor. Additional amounts will, however, be due in the future. Crum & Forster reserves its right to file amended proofs of claim.
