DEFINITIONS, CONSTRUCTION AND CERTAIN GENERAL PROVISIONS

Section 1.01. Definitions. In addition to words and terms defined elsewhere herein, the following words and phrases shall have the following meanings:

After review by the City of such Perfection Certificate, if the Perfection Certificate is found to be in proper form and the Contributed Collateral is determined to be Eligible Collateral supporting the Debt Rating objectives of the City, the City may issue an Acceptance Certificate in duplicate, one copy of which shall be delivered to the Guarantors and the other copy together with one of the duplicate copies of the Perfection Certificate and supporting documentation shall be delivered to the Collateral Agent. The other copy of the Perfection Certificate shall be retained by the City for its records. Following delivery of the Acceptance Certificate, Contributed Collateral shall be treated as Acceptable Collateral satisfactory to be analyzed as Collateral under this Guaranty.

"**Acceptable Guarantors**" means collectively the John Q. Hammons Revocable Trust and John Q. Hammons and Juanita K. Hammons, husband and wife.

"**Acceptable Guaranty**" means a Guaranty, including this Guaranty, executed and delivered by Acceptable Guarantors which is collateralized by Acceptable Collateral in the form of either Cash Collateral and Real Estate Collateral having in the aggregate an Adjusted Equity to satisfy the Aggregate Adjusted Equity Requirement.

"**Adjusted Equity**"means, with reference to the Acceptable Collateral, an amount determined by the Collateral Agent to equal at all times the following:

Until the first biannual Determination Date, as hereinafter defined, the Adjusted Equity of the Real Estate Collateral shall equal or exceed double the aggregate Outstanding principal amount of the Baseball Bonds less the amount on deposit in any Reserve Fund required for the Baseball Bonds, measured by the excess, if any, of the Fair Market Value of the Real Estate Collateral found to be Acceptable Collateral and referred to the Collateral Agent and for which a Deed of Trust and instruments of mortgage or assignment have been executed and delivered granting a Lien in favor of the Collateral Agent in the manner provided below, or, if Cash Collateral, in an amount not less than the aggregate Outstanding principal amount of the Baseball Bonds less the amount on deposit in any Reserve Fund allocable to such Baseball Bonds (which Adjusted Equity for Cash Collateral and for Real Estate Collateral is herein called the "**Adjusted Equity Requirement**") and in the aggregate Adjusted Equity of all Collateral shall equal the aggregate Adjusted Equity Requirement (the "**Aggregate Adjusted Equity Requirement**").

If on a determination of Adjusted Equity the Real Estate Collateral which is in the possession of the Collateral Agent as Collateral under this Guaranty equals or exceeds the Aggregate Adjusted Equity Requirement, the Collateral Agent shall determine the Collateral satisfies the Aggregate Adjusted Equity Requirement and shall record or cause to be recorded or filed for record the Deed of Trust or other instrument tendered to create a Lien in favor of the Collateral Agent. If on a determination of Adjusted Equity the Collateral consisting of Cash Collateral which equals or exceeds the Aggregate Adjusted Equity Requirement, the Collateral Agent shall determine the Collateral tendered satisfies the Aggregate Adjusted Equity Requirement and shall record or file the instruments tendered to create a Lien in favor of the Collateral Agent.

If on such Determination Date the Collateral Agent determines the Adjusted Equity meets or exceeds the Aggregate Adjusted Equity Requirement, the Collateral shall be considered to be satisfactory but if on such Determination Date, the Collateral Agent determines the Collateral is less than the Aggregate Adjusted Equity Requirement, the Collateral Agent shall notify the City and the Guarantors of the determination and the amount of such deficiency in the Collateral and the Guarantors shall, within 10 days of such notification deliver to the City a Perfection Certificate or Perfection Certificates describing additional Eligible Collateral tendered by the Guarantors as Contributed Collateral. Upon receipt of the additional Perfection Certificate designating additional Contributed Collateral and the determination by the City that the Contributed Collateral is Acceptable Collateral, the Collateral Agent shall determine if the Collateral including the additional Contributed Collateral described in the additional Perfection Certificate satisfies the Aggregate Adjusted Equity Requirement and report the findings to the City, and the Guarantors. This process of tendering and review for acceptance shall continue until Acceptable Collateral is determined to be available by the Collateral Agent to meet the Aggregate Adjusted Equity Requirement. (iii) Each Guarantor hereby assumes responsibility for keeping himself, herself, or itself informed of the financial condition of each of the Developers, of any and all endorsers and/or other guarantors of any instrument or document evidencing all or any part of the Guaranteed Obligations and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations or any part thereof that diligent inquiry would reveal and each Guarantor hereby agrees that the

Collateral Agent shall not have any duty to advise any Guarantor of information known to the Collateral Agent regarding such condition or any such circumstances.

(iv) Each Guarantor hereby agrees that any indebtedness of the Developers now or hereafter owing to such Guarantor is hereby subordinated to all of the Guaranteed Obligations, whether heretofore, now or hereafter created (the "**Subordinated Debt**"), and that without the prior consent of the Collateral Agent, the Subordinated Debt shall not be paid in whole or in part until the Guaranteed Obligations have been paid in full, the commitments of the City to make Loan Payments under the Financing Agreement has been terminated and is of no further force or effect, except that payments of principal and interest on the Subordinated Debt shall be permitted so long as no potential Event of Default or Event of Default shall have occurred and be continuing to the extent such payments would not render the Developers incapable of performing the Guaranteed Obligations. No Guarantor will accept any payment of or on account of any Subordinated Debt at any time in contravention of the foregoing. At the request of the Collateral Agent, the Developers shall pay to the Collateral Agent all or any part of the Subordinated Debt and any amount so paid to the Collateral Agent shall be applied to payment of the Guaranteed Obligations. Each payment on the Subordinated Debt received in violation of any of the provisions hereof shall be deemed to have been received by the relevant Guarantor as trustee for the Collateral Agent and shall be paid over to the Collateral Agent immediately on account of the Guaranteed Obligations, but without otherwise affecting in any manner such Guarantors' liability under any of the provisions of this Guaranty. Each Guarantor agrees to file all claims against the Developers in any bankruptcy or other proceeding in which the filing of claims is required by law in respect of any Subordinated Debt, and the Collateral Agent shall be entitled to all of such Guarantor's right thereunder. If for any reason the relevant Guarantor fails to file such claim at least thirty (30) days prior to the last date on which such claim should be filed, the Collateral Agent, as such Guarantor's attorney-in-fact, is hereby authorized to do so in such Guarantor's name or, in the Collateral Agent's discretion, to assign such claim to and cause proof of claim to be filed in the name of the Collateral Agent or its nominee. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the Collateral Agent the full amount payable on the claim in the proceeding, and, to the full extent necessary for that purpose, each Guarantor hereby assigns to the Collateral Agent all such Guarantor's rights to any payments or distributions to which such Guarantor otherwise would be entitled. If the amount so paid is greater than such Guarantor's liability hereunder, the Collateral Agent will pay the excess amount to the party entitled thereto. In addition, each Guarantor hereby appoints the Collateral Agent as its attorney-in-fact to exercise all of such Guarantor's voting rights in connection with any bankruptcy proceeding or any plan for the reorganization of any other Developer.

(v) Each Guarantor shall comply with all covenants applicable to it under the Development Agreement and shall otherwise take no action which will cause an Event of Default or potential Event of Default under this Guaranty. Each Guarantor shall also cause the Developers to comply with all covenants applicable to the Developers under the Development Agreement.

(d) *Guarantee Absolute and Unconditional.* Each Guarantor hereby agrees that its obligations under this Guaranty are absolute and unconditional and shall not be discharged or otherwise affected as a result of:

(i) the invalidity or unenforceability of any security for or other guaranty of the Guaranteed Obligations or of any Baseball Bond or other document (including, without limitation, this Guaranty and the Agency Agreement) evidencing all or any part of the Guaranteed Obligations,

Case 16-21142 Claim 465-1 Filed 12/22/16 Desc Main Document Page 91 of 219

or the lack of perfection or continuing perfection or failure of priority of any security for the Guaranteed Obligations or any other guaranty therefor;

(ii) the absence of any attempt to collect the Guaranteed Obligations from any of the Developers or any other Guarantor or other action to enforce the same;

(iii) failure by the Collateral Agent to take any steps to perfect and maintain any security interest or lien priority in, or to preserve any rights to, any security or collateral for the Guaranteed Obligations or any other guaranty therefor;

(iv) the Collateral Agent's election, in any proceeding instituted under Chapter 11 of Title 11 of the Bankruptcy Code and the application of Section 1111(b)(2) of the Bankruptcy Code;

(v) any borrowing or grant of a security interest by the Developers, as debtor-in-possession, or extension of credit, under Section 364 of the Bankruptcy Code;

(vi) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of the Collateral Agent's claim(s) for repayment of the Guaranteed Obligations;

(vii) any use of cash collateral under Section 363 of the Bankruptcy Code;

(viii) any Guaranty or stipulation as to the provision of adequate protection in any bankruptcy proceeding;

(ix) the avoidance of any lien in favor of the Collateral Agent for any reason;

(x) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Guarantor or any other guarantor, maker or endorser, including without limitation, any discharge of, or bar or stay against collecting, all or any of the Guaranteed Obligations (or any interest thereon) in or as a result of any such proceeding;

(xi) failure by the Collateral Agent to file or enforce a claim against the Developers or its estate in any bankruptcy or insolvency case or proceeding;

(xii) any action taken by the Collateral Agent that is authorized by this Guaranty;

(xiii) any election by the Collateral Agent under Section 9-501(4) of the Uniform Commercial Code as enacted in any relevant jurisdiction as to any security for the Guaranteed Obligations or any guaranty of the Guaranteed Obligations; or

(xiv) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(e) *Reinstatement.* Each Guarantor further agrees that, if any payment is made by any of the Developers or any other person and applied to the Guaranteed Obligations is at any time annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of any Collateral are required to be returned by the Collateral Agent, the City, any Bondowner to the Developers, its estate, trustee, receiver or any other party, including, without limitation, any Guarantor, under any bankruptcy law, state or federal law, common law or equitable cause, then, to the

extent of such payment or repayment, each Guarantor's liability hereunder (and any lien, security interest or other collateral securing such liability) shall be and remain in full force and effect, as fully as if such payment had never been made, or, if prior thereto this Guaranty shall have been cancelled or surrendered (and if any lien, security interest or other collateral securing any Guarantor's liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), this Guaranty (and such lien, security interest or other collateral) shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any Guarantor in respect of the amount of such payment (or any lien, security interest or other collateral securing such obligation).

(f) *Payment.* Each Guarantor further agrees to pay all costs and expenses upon demand including, without limitation, (i) all court costs and reasonable attorneys' fees and expenses paid or incurred by the Collateral Agent in endeavoring to collect all or any part of the Guaranteed Obligations after the same become due and owing from, or in prosecuting any action against, any Guarantor or any other guarantor of all or any part of the Guaranteed Obligations or (ii) in endeavoring to realize upon (whether by judicial, non-judicial or other proceedings) any Collateral or any other collateral securing any Guarantor's liabilities under this Guaranty.

This Guaranty is absolute, unconditional and irrevocable. The Guarantors shall continue to be liable under this Guaranty and these provisions shall remain in full force and effect notwithstanding (a) any modification, agreement, or stipulation between any Guarantor, the Guarantors and the Guaranteed Party or Guaranteed Party or their respective successors and assigns extending the time for performance or modifying any of the terms, covenants, or conditions contained in the Bond Documents or the Baseball Bonds; or (b) any waiver by or failure of any Guaranteed Party to enforce any of the terms, covenants, or conditions contained in the Bond Documents or the Baseball Bonds or any of the terms, covenants, or conditions contained in any modification; or (c) any release of any or all of the premises or any other security then held by obligee for the performance of the Guaranteed Obligations, including the Collateral defined in Section 4.02 hereof.

The liability of Guarantors under this Guaranty is an absolute, immediate and unconditional guaranty of payment and not of collectability, and is not conditional or contingent on the genuineness, validity, regularity, or enforceability of the Bond Documents or the Baseball Bonds or other documents or instruments relating to the obligations herein guaranteed or the pursuit by the Guaranteed Party of any remedies that they now have or may come to have with respect to them. The Guarantors agree it shall not be necessary or required that any Guaranteed Party or any other holder of a Guaranteed Obligation exercise any rights, assert any claims or demand or enforce any remedy whatsoever against the Guarantors or any other Person before the performance of, or as a condition to, the obligations of the Guarantors hereunder.

As security for their obligation hereunder, the Guarantors have concurrently herewith executed the Deed of Trust which has been delivered to the Collateral Agent for recordation and perfection granting a Lien on the Collateral and do further agree to execute and deliver to the Collateral Agent such additional or supplemental forms as may be required in order to perfect and continue the perfection of the Lien of the Deed of Trust on the Collateral in favor of the Guaranteed Parties and any holders or subsequent holder of the Guaranteed Obligations and hereby assigns as security and pledges to the Guaranteed Parties and any holders or subsequent holder of the Guaranteed Obligations as further described in Section 4.02 hereof the Collateral as defined in that section.

Section 2.02. Waivers and Consents. The Guarantors waive notice of acceptance of this Guaranty, diligence, presentment, demand, protest and notice of any kind whatsoever as well as any requirement that the Guaranteed Parties exhaust any right or take any action against anyone or any entity or any security for

any or all of the obligations and consent that the time of payment of any amount under the Bond Documents, or any installment thereof, may be extended, or any provision of the Bond Documents may be modified, waived or amended, without notice to or further assent from the Guarantors and the Guarantors will remain bound hereunder notwithstanding such modifications, waivers or amendments.

The Guarantors waive (a) diligence and demand of payment; (b) all notices to the Guarantors or any other Person (whether of nonpayment, default under the Bond Documents or the Baseball Bonds and any other matters relating to the Bond Documents or the Baseball Bonds, whether or not referred to in this Guaranty); (c) all demands whatsoever; (d) any statute of limitations affecting the Guarantors' liability under this Guaranty or the enforcement of this Guaranty and (e) all principles or provisions of law, statutory or otherwise, that are or might be in conflict with the terms of this Guaranty, and the Guarantors agree that their obligations shall not be affected by any circumstances that might otherwise constitute a legal or equitable discharge of any guarantor or surety.

Section 2.03. Release of Security. The Guarantors consent that any or all of the security for any or all of the obligations hereunder including the real estate security described in the Deed of Trust may be exchanged, released, surrendered, compromised or otherwise disposed of or the terms thereof and with the consent of the City may be modified or any Guarantor released or the terms of any other guaranty modified, without notice to or further assent from the Guarantors and the Guarantors will remain bound hereunder notwithstanding such exchange, release, surrender, compromise or other disposition of, or modification of the terms of, such security or the release of any other guarantor or modification of any other guaranty of the Bond Documents or the Baseball Bonds.

In order to release the Real Estate Collateral from the provisions hereof, the Guarantors shall execute and deliver to the City a Perfection Certificate describing Substituted Collateral which is being tendered by the Guarantors in substitution for the Collateral to be released. The City shall review the Perfection Certificates describing the Substituted Collateral and if the Collateral as substituted is found to be Acceptable Collateral, the City Manager shall execute and deliver an Acceptance Certificate to the Collateral Agent and the Guarantors indicating the City's approval of the release of the Collateral is conditionally approved subject only to a determination by the Collateral Agent that the Collateral when considered with the Substituted Collateral will have an Adjusted Equity to meet the Adjusted Equity Requirement. If the Collateral Agent finds the Adjusted Equity Requirement is met, the Collateral Agent shall execute a release of the Collateral.

Section 2.04. Obligations Unconditional. The obligations of the Guarantors hereunder are enforceable (a) irrespective of any present or future law or order of any government, domestic or foreign, or any agency thereof purporting to reduce, amend, or otherwise affect any obligation of the Guaranteed Parties or any Guarantor or any other Person including any holder (including, without limitation any liquidation, bankruptcy or other similar proceedings affecting the Guaranteed Parties or any other Person and any automatic stay under the Bankruptcy Reform Act of 1978, as amended, revised, supplemented or any similar provision of the federal bankruptcy law); (b) irrespective of the validity of any or all of the obligations or any term or provision of any of the Bond Documents; and (c) irrespective of any other circumstances, whether or not referred to above, that might otherwise constitute a legal or equitable discharge of the Guarantors. The Guarantors' liability hereunder shall be primary, direct, immediate, absolute, continuing, unconditional and unlimited and not conditioned or contingent upon pursuit by the Guaranteed Parties or any other Person of whatever remedies there may be against any Guarantor or any other Person, including, but not limited to the Guaranteed Parties, or any security for any or all of the Guaranteed Obligations. All payments made by the Guarantors hereunder shall be made without setoff, counterclaim or recoupment.

This Guaranty may be enforced by the Guaranteed Parties, their successors, endorsees, or assigns, without the necessity at any time of resorting to or exhausting any security or collateral, including the Collateral, and the Guarantors waive the right to require the Guaranteed Parties to proceed against any other Guarantor or the Guarantors or any individual Guarantor, to exercise their rights and remedies under the Bond Documents or the Baseball Bonds, or to pursue any other remedy or enforce any other right. Nothing contained in this Guaranty prevents the Guaranteed Parties from suing on the Guaranteed Obligations or from exercising any rights available to them under the Phase One Lease or the Baseball Lease, or under any of the Bond Documents or the Baseball Bonds, and the exercise of any of those rights will not constitute a legal or equitable discharge of the Guarantors. The Guarantors understand that the exercise by the Guaranteed Parties of certain rights and remedies contained in the Bond Documents or the Baseball Bonds may affect or eliminate the Guarantors right of subrogation against the Guaranteed Parties and that the Guarantors may therefore incur partially or totally nonreimbursable liability under this Guaranty; nevertheless, the Guarantors authorize the Guaranteed Parties, their successors, endorsees, or assigns, to exercise in their sole discretion, any rights and/or remedies, or any combination of them that may then be available, it being the intent and purpose of the Guarantors that their obligations under this Guaranty be absolute, independent, and unconditional under any and all circumstances. In the event of any foreclosure of any Deed of Trust or security interest, whether by exercise of the power of sale contained in it, by an action for judicial foreclosure, or by an acceptance of a deed in lieu of foreclosure, the Guarantors will remain bound under this Guaranty whether or not any lease is terminated by reason of such foreclosure. In the event of a termination of the Phase One Lease or the Baseball Lease, whether by reason of such foreclosure, by the exercise of the Guaranteed Parties of any of the rights set forth in the Phase One Lease or the Baseball Lease, by operation of law, or otherwise, the Guarantors shall nevertheless continue to be bound by the provisions of this Guaranty.

The Guarantors authorize the Guaranteed Parties, on the nonpayment of any liabilities of the Guarantors to the Guaranteed Parties when due, to sell, without demand, advertisement, or notice to the Guarantors, all of which the Guarantors hereby waives, any and all property, including the Collateral, of the Guarantors in the Guaranteed Parties' possession or securing any liability of the Guarantors at private sale or public auction or otherwise, at the Guaranteed Parties' option, in such parcel or parcels and at such time or times, at such place or places, and on such terms and conditions as the Guaranteed Parties may deem proper, and to apply the net proceeds of such sale or sales, together with any balance of deposits and any sums credited by or due from the Guaranteed Parties to the Guarantors, to the payment of any and all such liabilities.

If any such sale of the Collateral is at public auction, the Guaranteed Parties may be a purchaser at the sale, free from any right of redemption, which the Guarantors hereby expressly waive and release. With or without notification to the Guarantors, the Guaranteed Parties may exchange, release, surrender, realize on, release on trust receipt to the Guarantors, or otherwise deal with any property by whomsoever pledged, mortgaged, or subjected to a security interest to secure directly or indirectly any of the obligations hereunder or for which the Guarantors may be liable, including the Collateral.

Section 2.05. Collateral Agent. There is appointed under Section 4.01 hereof, as agent for the parties hereunder, a Collateral Agent. The Guarantors agree that on a regular basis, not less frequently than every two years, the Collateral Agent shall review the Collateral given to secure the Guarantor's obligations hereunder by making a determination that the Adjusted Equity is equal to or exceeds the Adjusted Equity Requirement. If, upon review of the Collateral, the Collateral Agent shall determine the Adjusted Equity is less than the Adjusted Equity Requirement, the Collateral Agent shall notify the Guarantors, the City and the other Guaranteed Parties of the amount of such deficiency which notification shall be treated as a demand upon the Guarantors to offer additional Contributed Collateral as security hereunder.

The Guarantors agree upon demand to execute and deliver to the City additional Perfection Certificates offering additional Contributed Collateral for consideration by the City. If the City determines the Contributed Collateral to be Acceptable Collateral, the City shall deliver Perfection Certificates describing the additional Contributed Collateral to the Collateral Agent. Such Perfection Certificates shall be accompanied by a mortgage granting to the Collateral Agent a Lien on the real property being offered as Collateral with Net Agreed Value so the Adjusted Equity when considered with the other Collateral by the Collateral Agent will equal the Adjusted Equity Requirement.

On the Guarantors' failure to maintain Collateral equal to or in excess of the Adjusted Equity Requirement or on any of the Guarantors' insolvency, or application for the appointment of a receiver, or commission of an act of bankruptcy, assignment for the benefit of creditors or the issuance of any writ of attachment, execution, garnishment, or other legal process against any of the real estate given as Collateral by the Guarantors, any and all liabilities of any of the Guarantors to the Guaranteed Parties shall become immediately due and payable without notice, presentation, demand for payment, or protest, all of which the Guarantors hereby waive.

Demands or calls for additional Contributed Collateral, or any notices to the Guarantors, may be made or given by the Collateral Agent for the City by leaving them at the address given below for the last known address of the Guarantors or by sending or telephoning them to either such address, with the same effect as if delivered to the Guarantors in person.

Section 2.06. Guaranty Against Recoupment. The Guarantors agree that in the event that any amounts owed under the Bond Documents or the Baseball Bonds are paid by the City, the SCCDC or any Guarantor or paid or reduced by application of the proceeds of any security therefor and all or any part of such payment or reduction shall be recovered under any applicable bankruptcy or insolvency law or otherwise, this Guaranty shall apply to guarantee and cover the amount so recovered as though such payment had never been made, whether or not this Guaranty shall purport to have been discontinued, terminated or released prior to the recovery of such payment from the Trustee.

Section 2.07. Waiver of Subrogation. The Guarantors agree that any and all rights of exoneration, contribution, reimbursement, recourse or subrogation and all other similar rights which they may have against the Guarantors or any individual Guarantor or any security for any obligations guaranteed hereunder or otherwise shall be subordinate to any and all rights which the Trustee or any Guaranteed Party may have against the Guarantors or any such security and that it will not enforce any such right of exoneration, contribution, reimbursement, recourse or subrogation or any other similar right until all obligations have been paid in full.

Section 2.08. Guarantors Bound by Certain Litigation. The Guarantors agree that upon written notice of the institution by any Guaranteed Party of any action or proceeding, legal or otherwise, for the adjudication of any controversy between the Guaranteed Parties, the Guarantors shall be conclusively bound by the adjudication in any such action or proceeding and by any judgment, award or decree entered therein. The Guarantors waive the right to assert in any action or proceeding upon this Guaranty any offsets or counterclaims which they may have with respect thereto which are not available to the Guaranteed Party.

(e) The execution and delivery of the Bond Documents and the Baseball Bonds, the consummation of the transactions contemplated hereby and thereby and the fulfillment of or compliance with the terms and conditions hereof and thereof will not (with the passage of time or the giving of notice, or both) conflict with or result in or constitute a breach of or default under any indenture, mortgage, guaranty, deed of trust, lease or other agreement or instrument to which any Guarantor is a party or by which it or any of its property is bound, or violate any constitutional or statutory provision, or of any order, rule or regulation of any court or governmental authority applicable to any Guarantor or their property.

(f) Except as otherwise described in writing to the City, the SCCDC and the Trustee, there is no action, suit, proceeding or investigation at law or in equity or before any court, public board or body pending or, to the knowledge of any of the Guarantors, threatened against or affecting any of the Guarantors wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Guaranty, or which, in any way, would materially adversely affect the validity or enforceability of the Bond Documents or the Baseball Bonds or any other agreement or instrument to which any of the Guarantors is a party and which is used or contemplated for use in consummation of the transactions contemplated hereby.

(g) None of the Guarantors or any of their employees is an official or employee of the City, the SCCDC or otherwise holds any position with the City or the SCCDC so that the interest of any such Guarantor or employee in any of the Bond Documents, the Baseball Bonds or the Baseball Stadium or any contracts in connection therewith would constitute a conflict of interest for any such Guarantor or employee under Missouri Law, except to the extent that the same have been disclosed to the City, the SCCDC and the Trustee in writing.

(h) The Guarantors do not have any contingent liabilities which relate to or affect the Collateral or the Baseball Stadium other than which have been fully disclosed in writing to the City, the SCCDC and the Trustee on or prior to the Closing Date.

(i) There is no litigation or governmental proceeding pending, nor, to the knowledge of the Guarantors, threatened against the Guarantors which could reasonably be expected to have a material adverse effect on the binding nature, validity or enforceability of, or their ability to perform their obligations pursuant to this Guaranty, or on the financial condition or properties, business or operations of the Baseball Stadium except for those, if any, previously disclosed in writing to the City, the SCCDC and Trustee, the Guarantors hereby warranting that such disclosures are true and accurate as of the date hereof.

(j) The Guarantors are in compliance in all material respects with ERISA to the extent applicable to it and has received no notice to the contrary from the Pension Benefit Guaranty Corporation or any other governmental entity or agency and no reportable event (as defined in ERISA) which could result in a material accumulated deficiency under ERISA or a material liability to the Pension Benefit Guaranty Corporation has occurred and is continuing.

(k) Neither the execution and delivery of this Guaranty, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions hereof will conflict with or result in a breach of the terms, conditions or provisions of any material restriction or any material agreement or instrument to which any of the Guarantors is now a party or by which any of the Guarantors is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Guarantors under the terms of any instrument or agreement except and as set forth herein.

(l) All information supplied by the Guarantors to the City, the SCCDC and the Trustee relating to the Guarantors is true, complete and accurate in all material respects. No information, exhibit or report furnished by the Guarantors to the City, the SCCDC and the Trustee in connection with the negotiation of this Guaranty contains any material misstatement of fact or omits to state any fact necessary to make the statements contained therein not misleading.

(m) The representations and warranties of the Guarantors in the Bond Documents to which they are parties are true and correct, and the Guarantors have furnished the City, the SCCDC and the Trustee a true and correct copy of all the Bond Documents as in effect on the date hereof.

(n) None of the Guarantors are in default with respect to any order of any court, governmental authority or arbitration board or tribunal or under any agreement, indenture, mortgage, lease or other instrument to which any of them is a party or by which any of them or the Baseball Stadium is or may be bound or affected.

(o) No Event of Default or potential Default has occurred and is continuing.

(p) The Guarantor warrants that the Guarantor has the absolute right to execute and deliver the Deed of Trust granting the Lien on the Collateral to secure the obligations of the Guarantor hereunder and that the Adjusted Equity of the Collateral is in excess of the Adjusted Equity Requirement.

(q) With regard to all improvements on the Collateral (including, but not limited to, any part available for parking, ingress or egress and landscaped areas), the Guarantors will:

(A) promptly repair, restore, rebuild or alter, as necessary, any portion of the improvements located on the Collateral which may be damaged or destroyed by fire or other casualties or taken by condemnation and provide adequate restoration as nearly as possible to the condition of the improvements prior to such damage, destruction or taking without regard to the availability or adequacy of insurance proceeds on condemnation awards or in lieu thereof provide Substituted Collateral so the Adjusted Equity will continue to meet the Adjusted Equity Requirement;

(B) pay when due all prior indebtedness secured by prior mortgages;

(E) further covenant that they will not make, authorize or permit to be made any structural alterations which would have a Material Adverse Effect on the Collateral, without the prior written consent of the City, which consent shall not unreasonably be withheld or delayed. As a condition to granting any consent under this subsection, the City may require (y) that plans and specifications for the proposed work, prepared by a reputable architect satisfactory to the City, be submitted to the City for approval and (z) that the Guarantors provide performance and payment bonds in form satisfactory to the City of the Contractor engaged by the Guarantors to complete Phase One. No fixtures or personal property shall be removed from the improvements during the course of the completion of Phase One without the prior written consent of the City;

(F) will keep proper and separate books of accounts in accordance with GAAP and make or cause to be made, full and true entries of all dealings and transactions of every kind relating to the Collateral which books and records will be open to inspection by the City, its agents, accountants and representatives at all reasonable times; and

(G) with regard to leases which may exist on the improvements on the Collateral, the Guarantors covenant and agree they:

(1) will not reduce the rent payable during the term;

(2) grant concessions to tenants under the lease; and

(3) consent to any assignment or substituting which would release liability for payment of rent thereunder.

Section 3.02. Negative Covenants. The Guarantors will not, without the written consent of the City:

(a) Create, or suffer to exist, or permit any Lien upon the Collateral, other than Permitted Encumbrances. The Guarantors will not create, inure, assume or suffer to exist any Lien on, or with respect to any of the assets or properties (including ownership interests) real or personal constituting Collateral, whether now owned or hereafter, acquired, except:

(i) Liens existing on the Closing Date and securing amounts made for Advances and not in excess of the aggregate original principal amount but as reduced to the amount due on the date of the Perfection Certificate;

(iv) Liens constituting encumbrances in the nature of zoning restrictions, easements and rights or restrictions of record on the use of real property, which in the aggregate are not substantial in amount and which do not, in any case, detract from the value of any material parcel of real property or impair the use thereof in the ordinary conduct of business; and

(v) Liens on the Collateral existing on the date hereof and disclosed on the Perfection Certificates furnished to the City (the "**Permitted Encumbrances**") and not incurred in contemplation hereof, as long as the outstanding principal amount of the indebtedness secured thereby is not voluntarily increased by the Guarantor in reliance on a future advance clause or otherwise.

(b) Will also pay (before they become delinquent) all other charges and encumbrances which are or may be a Lien on the Collateral, including, without limitation, taxes and assessments levied against the Collateral.

(c) Sell or transfer any of the Collateral without providing in advance of such sale or transfer Substituted Collateral acceptable to the City and in an amount sufficient so the Adjusted Equity of the Collateral when the Substituted Collateral is added will equal the Adjusted Equity Requirement under this Guaranty.

Section 3.03. Survival of Representations and Warranties. All representations and warranties under this Guaranty shall survive the execution and delivery of this Guaranty.

ARTICLE IV
PARTICULAR COVENANTS

Section 4.01. Indemnification. To the extent permitted by law, the Guarantors will protect, indemnify and hold harmless the City, the SCCDC and the Trustee (and their officials, employees and agents) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and

Case 16-21142 Claim 469-1 Filed 12/22/16 Desc Main Document Page 100 of 219

expenses (including all reasonable costs and expenses of defending against the same) imposed upon or asserted against the City, the SCCDC and the Trustee (or their officials, employees or agents) for any reason in connection with the Loan or the issuance and sale of the Baseball Bonds.

To the extent permitted by law, the Guarantors will protect, indemnify and hold harmless the Trustee (and its officers, employees and agents) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including the reasonable costs and expenses of defending against the same) imposed upon or asserted against the Trustee, other than those resulting from the negligence or bad faith of the Trustee (or its officers, employees and agents), because of any action taken or omitted to be taken by the Trustee in accordance with the Bond Documents or the Baseball Bonds or because of any action taken by the Trustee at the request of or with the consent of any of the Guarantors.

In case any claim, action, suit or proceeding is brought against the City, the SCCDC or the Trustee in respect of which indemnity may be sought hereunder, and upon the request of the City, the SCCDC or the Trustee, the Guarantors will cause, at their expense, such claim, action, suit or proceeding to be resisted and defended by counsel designated by the Guarantors and approved by the City, the SCCDC or the Trustee, as the case may be. Any amounts payable to the City, the SCCDC or the Trustee under this Section that are not paid within ten days after written demand therefor shall bear interest at the Prime Rate but not in excess of the maximum rate allowed by applicable law. The City, the SCCDC or the Trustee may employ separate counsel and participate in the defense. The Guarantors shall not be liable for any settlement entered into or made without its consent.

The indemnification provided by this Section to the City, the SCCDC and the Trustee shall extend to all officials, council members, directors, officers, employees and agents of the City, the SCCDC and the Trustee and shall survive termination of this Guaranty.

Section 4.02. Collateral. As security for all of the Guarantors' Guaranteed Obligations to the Guaranteed Parties hereunder, whether now existing or hereafter arising, the Guarantors mortgage and assign as collateral security each item of Collateral described in the Perfection Certificate attached hereto as Exhibit A and being numbered from A-1 upward and have executed a mortgage in substantially the form required by the laws of the jurisdiction in which such Property is located for each specific tract identified on Exhibit A. The Guarantors agree to maintain the Collateral hereunder so it will continue to have an Adjusted Equity at all times equal to the Aggregate Adjusted Equity Requirement hereunder (the "**Collateral Requirement**"). The Guarantors agree to take such additional actions as may be necessary or advisable at the reasonable request of the Collateral Agent to perfect and continue the mortgage and security interest in the Collateral for the benefit of the Guaranteed Parties. In accordance with the foregoing, the Guarantors have executed and delivered to the Collateral Agent the mortgage granting a Lien in the Property, a copy of which when executed is attached to the Perfection Certificate, and agree to execute and deliver such other and further deeds of trust, mortgage and security agreements as may be required.

The right of the Guaranteed Parties to demand, and the obligation of the Guarantors to pay, the amount of any Guaranteed Obligation guaranteed hereunder shall not be suspended, abrogated, or affected in any way whatever by the fact that such Guaranteed Obligation or any part thereof is secured by a Lien on the Property constituting the Collateral.

Section 4.03. Appointment of Collateral Agent. In the Agency Agreement, Commerce Bank, N.A., has been appointed as Collateral Agent. The Collateral Agent shall administer the Collateral during the period while this Guaranty is in force and effect. The Collateral Agent shall, prior to the issuance of the Baseball Bonds and biannually thereafter, make a determination that the Collateral delivered to secure the Guarantors' obligations under this Guaranty meets or continues to meet, as the case may be, the Adjusted

Equity Requirement. The Guarantors have delivered to the City a Perfection Certificate or Perfection Certificates describing real estate which is proposed as Collateral under this Guaranty. Following the determination by the City that such proposed Collateral is Acceptable Collateral and the City has issued its Acceptance Certificate, the Collateral Agent will determine if the real estate described in the Perfection Certificate has an Adjusted Equity when considered in the aggregate with all other real estate proposed as Collateral in the Perfection Certificates equal to the Adjusted Equity Requirement.

(a) Each Guarantor hereby irrevocably appoints the Collateral Agent such Guarantor's attorney-in-fact, with full authority in the place and stead of such Guarantor and in the name of such Guarantor or otherwise, from time to time in the Collateral Agent's discretion, to take, upon the occurrence and during the continuance of an Event of Default, any action and to execute any instrument which the Collateral Agent may deem necessary or advisable under the Agency Agreement to accomplish the purposes of this Guaranty.

Each Guarantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Guaranty are coupled with an interest and shall be irrevocable until the Obligations are paid in full, no Loan Payments are outstanding and the commitments of the City to make the Loan Payments under the Financing Agreement is terminated.

(b) If any Guarantor fails to perform any Guaranty contained herein, the SCCDC, the City or the Trustee, upon written notice to such Guarantor, if practicable, may itself perform, or cause performance of, such Guaranty, and the expenses of the SCCDC, the City or the Trustee incurred in connection therewith shall be payable by such Guarantor under Section 6.06 hereof.

Section 4.04. Successors. Subject to the appointment and acceptance of a successor for the Collateral Agent as provided in this paragraph, the Collateral Agent may resign at any time upon 30 days notice to the City, the other Guaranteed Parties and the Guarantors. Furthermore, the Collateral Agent shall resign upon the request of the City. Upon any such resignation, the City shall have the right to appoint a successor with the approval of the Guarantors (which approval shall not be unreasonably withheld or delayed and, if an Event of Default has occurred and is continuing, shall not be required); provided that, to the extent required by applicable laws, the incumbent Collateral Agent shall remain the collateral agent for the Guaranteed Parties with respect to any collateral for which a collateral agent must be qualified under such laws until the new collateral agent can be so qualified (but the incumbent Collateral Agent shall be entitled to the indemnities and other protections provided to the Collateral Agent hereunder in such capacity). If no successor shall have been so appointed by the City and shall have been accepted within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the City, appoint a successor Collateral Agent with the approval of the Guarantors (which approval shall not be unreasonably withheld or delayed and, if an Event of Default has occurred and is continuing, shall not be required) which shall be a bank with an office in Springfield, Missouri, or an Affiliate of any such bank. Upon the acceptance of its appointment as the Collateral Agent under the Agency Agreement by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations under the Agency Agreement. The fees payable by the Guarantors to a successor Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Guarantors and such successor.

Section 4.05. Perfection Certificates. The Guarantors have delivered concurrently herewith and will execute and deliver to the City for review and submission to the Collateral Agent Perfection Certificates, in the form of the Perfection Certificates attached hereto as Exhibit A, each of which will describe Property which the Guarantors are tendering for consideration and requesting the City consider as Acceptable

Collateral for the Guaranty and contain a certification that the Fair Market Value of the Property when considered with other Property tendered as Collateral has an Agreed Upon Valuation equal to the Adjusted Equity Requirement. The Guarantors agree by delivery of the Perfection Certificates that upon the City accepting the Collateral as Acceptable Collateral and the Collateral Agent determining the Collateral as Adjusted Equity equal to the Aggregate Adjusted Equity Requirement, the Collateral Agent shall record the mortgage and perfect the security interest on such Property accepted as Collateral under the Guaranty. Thereafter, the Guarantors agree to maintain Collateral with the Collateral Agent with Adjusted Equity at all times equal to the Collateral Requirement. If the Appraisal is more than two years old and the appraiser refuses or is unable to deliver an updated opinion, the Guarantors acknowledge that the Collateral Agent is authorized hereunder to secure a current Appraisal of the real estate described in the Perfection Certificate at the cost of the Guarantors.

The costs of the Collateral Agent's fees and expenses, the costs of the Appraisal, any updated opinion of the appraiser, the preparation of title work, including a mortgagee's title insurance policy, on and recordation fees and taxes due on recordation of the Deed of Trust shall be at the cost and shall be paid by the Guarantors.

Section 4.06. Further Assurances and Corrective Instruments. Subject to the limitations of the Indenture, the Guarantors from time to time will execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, supplemental guaranties, deeds of trust, mortgages and security agreements and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Baseball Stadium or the Baseball Site and for carrying out the intention or facilitating the performance of this Guaranty.

Section 4.07. Recording and Filing of Documents. The Guarantors will cause all appropriate deeds of trust, mortgages, financing and continuation statements and other security instruments to be recorded and filed in such manner and in such places as may be required by law to fully preserve and protect the rights and security of the Guaranteed Parties. The Guarantors will pay all fees and expenses, including reasonable legal fees, incurred in connection with such recordings and filings.

Section 4.08. Management; Control; Insider Transactions. The Guarantors covenant and agree that, so long as the Baseball Loan or any of the Baseball Bonds are Outstanding:

(a) The Guarantors (together with, in the event of death of John Q. Hammons, the estate of John Q. Hammons and the trustee under the John Q. Hammons Revocable Trust or any other trust that may be created by him) shall maintain Collateral hereunder with an aggregate Net Agreed Value of not less than the Adjusted Equity Requirement and will not take any action to affect their qualifications as Acceptable Guarantors under this Guaranty.

(b) The Guarantors will not enter into any transaction, including without limitation, the purchase, sale or exchange of property or the rendering of any service, with any affiliate, related party or related entity except in the ordinary course of and pursuant to the reasonable requirements of the Guarantors' business and upon fair and reasonable terms no less favorable to the Guarantors than would obtain in a comparable arm's-length transaction with a person not an affiliate, related party or related entity.

(c) The Guarantors have satisfied and will continue to satisfy each of the agreements and warranties applicable to the Guarantors as the Developers contained in the Phase One Lease, the Baseball Lease and the Agency Agreement.

Section 4.09. Compliance with Laws, etc. The Guarantors shall operate or cause the operation of the Baseball Stadium to be in compliance with all applicable laws, rules, regulations and orders of any governmental authority.

Section 4.10. Keeping of Books. The Guarantors shall keep proper books, records and accounts, in which complete and correct entries shall be made of financial transactions and the assets and business of the Baseball Stadium in accordance with GAAP.

Section 4.11. Performance of Related Documents. Each of the Guarantors shall perform and fulfill each and every covenant contained in each Bond Document or the Baseball Bonds to which it is a party.

Section 4.12. Compliance with ERISA. The Guarantors shall maintain each Plan as to which it may have any liability in compliance in all material respects with the applicable provisions of ERISA and the regulations and published interpretations thereunder, the failure to comply with which could subject the Guarantors to any tax or penalty which tax or penalty, taken together with all other taxes and penalties which could be assessed against the Guarantors by reason of all other non-compliances, would have a materially adverse effect on the Guarantors. "**Plan**" as used herein shall mean an employee pension benefit plan (as defined in Section 3(2) of ERISA) which is insured by the Pension Benefit Guaranty Corporation.

Section 4.13. Restrictions on Liens. The Guarantors covenant and agree that so long as the Baseball Bonds are outstanding or the Guaranteed Obligations remain unfulfilled or unpaid under the Bond Documents or the Baseball Bonds, the Guarantors will not directly or indirectly create or permit to exist any lien, security interest or other charge or encumbrance, or any other type of preferential arrangement, upon or with respect to any part of the Collateral (or the Baseball Stadium or the Baseball Site) or assign any right to receive income, to secure any Indebtedness of any Person, other than Permitted Encumbrances, and other than liens on, and security interests in, the furniture, trade fixtures (not constituting realty) and equipment used in the operations of the Baseball Stadium, and no other asset of the Guarantors, created to secure Indebtedness for borrowed money, provided that the Guarantors shall have delivered to the City a certificate to the effect it is not in default in payment of any Indebtedness secured by a Permitted Encumbrance and is permitted by the instrument represented by such Permitted Encumbrance to grant the Deed of Trust the Collateral.

ARTICLE V
ASSIGNMENT

Section 5.01. Assignment by the City. The City, by means of the Assignment, and as security for the payment of the Baseball Loan has assigned to the SCCDC which has pledged the same to the payment of the principal of and redemption premium, if any, and interest on the Baseball Bonds, has assigned, pledged and granted a security interest in certain of its rights, title and interests in, to and under this Guaranty and the Phase One Lease, including Rent Payments and Additional Payments under the Phase One Lease, and other revenues, moneys and receipts received by it pursuant to this Guaranty and the Phase One Lease, to the Trustee (reserving its rights to unassigned rights). The Guarantors consent to such assignment. For purposes of Article 9 of the Uniform Commercial Code of the State, no security interest in this Guaranty and the Phase One Lease may be created by the transfer or possession of any counterpart hereof other than the counterpart containing the receipt therefor executed by the Trustee on or immediately following the signature page hereof.

Section 5.02. Restriction on Transfer of the City's Rights. The City will not sell, assign, transfer or convey its interests in this Guaranty and the Phase One Lease except pursuant to the Assignment and the SCCDC's further assignment to the Trustee pursuant to the Indenture.

ARTICLE VI
EVENTS OF DEFAULT AND REMEDIES

Section 6.01. Events of Default Defined. The term "**Event of Default**" shall mean any one or more of the following events:

(a) Failure by the Guarantors to observe and perform any covenant, condition or agreement on the part of the Guarantors under the Development Agreement, the Phase One Lease or the Baseball Lease, when executed, for a period of ten (10) days after written notice of such default has been given to the Guarantors by the City or the Trustee, during which time such default is neither cured by the Guarantors nor waived in writing by the City and the Trustee.

(b) Failure by any Guarantor to observe and perform any covenant, condition or agreement on the part of such Guarantor under this Guaranty.

(c) Abandonment of the Baseball Stadium by the Guarantors.

(d) Any representation or warranty by the Guarantors herein or in any certificate or other instrument delivered under or pursuant to the Development Agreement, the Bond Documents or the Baseball Bonds or otherwise in connection with the financing of the Baseball Stadium shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made, unless waived in writing by the City or cured within ten (10) days after the discovery thereof.

(e) The Phase One Lease, the Baseball Lease, when executed, and the Assignment at any time shall prove not to be a valid, binding and enforceable agreement of the City or the Assignment shall not constitute a valid assignment of the rights of the City under this Guaranty pursuant to the Assignment and by the Indenture effective to vest in the Trustee all such rights of the SCCDC in, to and under this Guaranty, including the right to enforce this Guaranty in accordance with its terms.

(f) Any of the Guarantors shall (1) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of any of the Guarantors, or of all or a substantial part of the assets of any of the Guarantors, (2) be unable, fail or admit in writing its inability generally to pay their debts as they become due, (3) make a general assignment for the benefit of creditors, (4) have an order for relief entered against them under applicable federal bankruptcy law, or (5) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against any of the Guarantors in any bankruptcy, reorganization or insolvency proceeding.

(g) An order, judgment or decree shall be entered without the application, approval or consent of any of the Guarantors, by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of any of the Guarantors or of all or a substantial part of the assets of any of the Guarantors and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

(h) A Guarantors Event of Default hereunder.

(i) An Event of Default as defined in any Bond Document or the Baseball Bonds.

Section 6.02. Remedies on Default. Whenever any Event of Default shall have occurred and be continuing, the Trustee, as the assignee of the SCCDC, and the SCCDC, as the assignee of the City, may take whatever action at law or in equity, including causing the appointment of a receiver or receivers for the Guarantors or their assets, take all actions necessary and appropriate to enforce the performance and observance of any obligation, agreement or covenant of the Guarantors under the Bond Documents or the Baseball Bonds. If payment in full is not received from the Guarantor when due, the Guaranteed Parties may, at their option, without limiting the Guaranteed Parties as to their remedies hereunder, sell the whole or any part of the Collateral mortgaged by the Guarantor hereunder at public or private sale, for cash or on credit, on such terms as the Guaranteed Parties may accept. The Guaranteed Parties may bid and become a purchaser at such sale. After deducting all costs, expenses, and attorney fees incurred at any time in the collection, protection, sale, and delivery of the Collateral, the Guaranteed Parties shall apply the net proceeds to payment of the sums or obligations owed by the Developers, so far as the proceeds may reach, returning the excess, if any, to the Guarantor on demand. The Guarantor shall pay any deficiency.

In the enforcement of the remedies provided in this Section, the Trustee may treat all expenses of enforcement, including reasonable legal, accounting and advertising fees and expenses, as Additional Payments under the Phase One Lease or the Baseball Lease, when executed, then due and payable by the Guarantors.

Any amount collected pursuant to action taken under this Section shall be paid to the Trustee and applied, first, to the payment of any costs, expenses and fees incurred by the City, the SCCDC or the Trustee as a result of taking such action and, next, any balance shall be paid into the Series 2002B Bond Fund (created pursuant to the Indenture) or any other bond fund related to other Outstanding Baseball Bonds and applied in accordance with the Indenture or any indenture pursuant to which Baseball Bonds are Outstanding.

Notwithstanding the foregoing, the Trustee shall not be obligated to take any step that in its opinion will or might cause it to expend time or money or otherwise incur liability, unless and until satisfactory indemnity has been furnished to the Trustee at no cost or expense to the Trustee.

The provisions of this Section are subject to the limitation that the annulment of a declaration that the Baseball Bonds are immediately due and payable shall automatically constitute an annulment of any corresponding declaration made pursuant to subparagraph (a) of this and a waiver and rescission of the consequences of such declaration and of the Event of Default with respect to which such declaration has been made, provided that no such waiver or rescission shall extend to or affect any other or subsequent default or impair any right consequent thereon. In the event any covenant, condition or agreement contained in this Guaranty shall be breached or any Event of Default shall have occurred and such breach or Event of Default shall thereafter be waived by the Trustee, such waiver shall be limited to such particular breach or Event of Default.

Section 6.03. No Remedy Exclusive. No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guaranty or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 6.04. Agreement to Pay Attorneys' Fee and Expenses. In connection with any Event of Default by the Guarantors, if the SCCDC, the City or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Guarantors herein or in the other Bond Documents or the Baseball Bonds contained, the Guarantors agree that they will, on demand therefor, pay to the SCCDC, the City and the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the SCCDC, the City and the Trustee as Additional Payments under the Phase One Lease or the Baseball Lease, when executed.

Section 6.05. City and SCCDC to Give Notice of Default. The City and the SCCDC shall each, at the expense of the Guarantors, promptly give to the Trustee written notice of any default of which the SCCDC or the City, as the case may be, shall have actual knowledge or written notice, but the SCCDC or the City shall not be liable for failing to give such notice.

Section 6.06. Performance of Guarantors' Obligations. If the Guarantors shall fail to keep or perform any of their obligations as provided in this Guaranty in respect of (a) maintenance of insurance, (b) payments of taxes, assessments and other charges, (c) repairs and maintenance of the Baseball Stadium, (d) compliance with legal or insurance requirements, (e) keeping the Baseball Stadium and the Baseball Site free of all liens other than Permitted Encumbrances, or in the making of any other payment or performance of any other obligation, then the SCCDC, the City or the Trustee, may (but shall not be obligated so to do) upon the continuance of such failure on the Guarantors' part for ten (10) days after notice of such failure is given to the Guarantors by the SCCDC, the City or the Trustee, and without waiving or releasing any Guarantor from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all sums so paid by the SCCDC, the City or the Trustee and all necessary incidental costs and expenses incurred by the SCCDC, the City or the Trustee in performing such obligations shall be deemed to be Additional Payments under the Phase One Lease or the Baseball Lease and shall be paid to the SCCDC, the City or the Trustee on demand.

Section 6.07. Remedial Rights Assigned to the Trustee. Upon the execution and delivery of the Indenture, the SCCDC will thereby assign to the Trustee all rights and remedies conferred upon, reserved or assigned to the SCCDC by this Guaranty, reserving only the rights set forth in Section 4.01. The Trustee shall have the exclusive right to exercise such rights and remedies conferred upon, reserved or assigned to the SCCDC by this Guaranty in the same manner and to the same extent, but under the limitations and conditions imposed thereby and hereby. The Trustee, the SCCDC and the Bondowners shall be deemed third party creditor beneficiaries of all representations, warranties, covenants and agreements contained herein.

ARTICLE VII

Section 7.02. Term of Guaranty Agreement. This Guaranty shall be effective from and after its execution and delivery and shall continue in full force and effect until the Baseball Loan, the Baseball Bonds and all Guaranteed Obligations are deemed to be paid within the meaning of the Development Agreement, the Bond Documents and the Baseball Bonds, as the case may be, and provision has been made for paying all other sums payable by the Guarantors to the City, the SCCDC and the Trustee under the Bond Documents or other documents relative to the financing of the Baseball Stadium to the date of the retirement of the Baseball Bonds and the satisfaction of all Guaranteed Obligations.

All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when delivered by hand delivery or on the fifth day following the day on which the same has been mailed by registered or certified mail, postage prepaid addressed as specified in the Indenture. A duplicate copy of each notice, certificate or other communication given hereunder to any party mentioned in said Indenture shall be given to all other parties mentioned therein (other than the Bondowners unless a copy is required to be furnished to them by other provisions of this Guaranty) and if required by first class mail. The SCCDC, the Guarantors, the City or the Trustee may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent to it.

Section 7.05. Binding Effect. This Guaranty shall inure to the benefit of and shall be binding upon the Guarantors and their respective successors and assigns, subject to the provisions contained herein.

Section 7.06. Amendments, Changes and Modifications. Section 7.07. Execution in Counterparts. This Guaranty may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of Article 9 of the Uniform Commercial Code of this State, no security interest in this Guaranty may be created by the transfer or possession of any counterpart hereof other than the counterpart containing the receipt therefor executed by the Trustee on or immediately following the signature page hereof.

Section 7.08. No Pecuniary Liability. No provision, representation, covenant or agreement contained in the Bond Documents or the Baseball Bonds, or any obligation herein or therein imposed upon the City, the SCCDC or the Trustee, or the breach thereof, shall constitute or give rise to or impose upon the City, the SCCDC or the Trustee a pecuniary liability (except to the extent of any loan repayments, revenues

and receipts derived by the City, the SCCDC or the Trustee pursuant to this Guaranty). No provision hereof shall be construed to impose a charge against the general credit of the City, the SCCDC or the Trustee or any personal or pecuniary liability upon any official or employee of the City, the SCCDC or the Trustee.

Section 7.09. Neither City Nor SCCDC Liable. Notwithstanding any other provision of this Guaranty (a) the City or the SCCDC shall not be liable to the Guarantors, the Trustee or any other person for any failure of the City or the SCCDC to take action under this Guaranty, and (b) except with respect to any action for specific performance or any action in the nature of a prohibitory or mandatory injunction, neither the City or the SCCDC nor any official, member or employee of the City or the SCCDC shall be liable to the Guarantors, the Trustee or any other person for any action taken by the City or the SCCDC or by their officers, servants, agents or employees, or for any failure to take action under this Guaranty or the Indenture. In acting under this Guaranty, or in refraining from acting under this Guaranty, the City or the SCCDC may conclusively rely on the advice of counsel.

Section 7.10. Effectiveness of Guaranty. The obligations of the Guarantors hereunder shall arise absolutely and unconditionally when any part of the Loan has been disbursed and the Series 2002B Bonds have been issued and delivered to the original purchaser thereof.

Section 7.11. Provisions Severable. In case any clause, provision or section of this Guaranty, or any covenant, stipulation, obligation, agreement, act, or action, or part thereof, made, assumed, entered into, or taken under this Guaranty, or any application thereof, is for any reason held to be illegal, invalid or inoperable, such illegality, invalidity, or inoperability shall not affect the remainder thereof or any other clause, provision or section or any other covenant, stipulation, obligation, agreement, act or action or part thereof, made, assumed, entered into, or taken thereunder, which shall at the time be construed and enforced as if such illegal or invalid or inoperable portion were not contained therein, nor shall such illegality or invalidity or inoperability of any application thereof affect any legal and valid and operable application thereof, from time to time, and each such clause, provision or section, covenant, stipulation, obligation, agreement, act or action, or part thereof, shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent from time to time permitted by law.

Section 7.13. Entire Agreement. ORAL AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING PAYMENT OF A DEBT, INCLUDING PROMISES TO EXTEND OR RENEW SUCH INDEBTEDNESS, ARE NOT ENFORCEABLE. TO PROTECT THE GUARANTORS, THE CITY AND THE SCCDC FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS THE GUARANTORS, THE CITY AND THE SCCDC REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS WRITING, WHICH IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN THE SCCDC, THE CITY AND THE GUARANTORS, EXCEPT AS THE SCCDC, THE CITY AND THE GUARANTORS MAY LATER AGREE IN WRITING TO MODIFY IT.

(b) No amendment or waiver of any provision of this Guaranty nor consent to any departure by any grantor here from shall in any event be effective unless the same shall be in writing and signed by the party to be charged therewith, and the waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(c) All notices and other communications provided for hereunder shall be given in the manner set forth in this Guaranty and to the address first above written or, as to each party, at such other address as may be designated by such party in a written notice to the other party.

(d) This Guaranty shall create a continuing security interest in the Collateral which is not real estate and in the proceeds of Collateral which is real estate and shall (A) remain in full force and effect until payment in full of the Guaranteed Obligations, the termination of the commitments of the City under the Financing Agreement, the termination of this Guaranty, (B) be binding upon each Guarantor, its successors and assigns and (C) except to the extent that the rights of any transferor or assignor are limited (concerning assignments) of this Guaranty, inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent, the City, the owners of the Baseball Bonds subject to the terms and conditions of this Guaranty. Without limiting the generality of the foregoing clause (C), the SCCDC may assign or otherwise transfer any interest in any Loan owing to such the Trustee or to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Collateral Agent herein or otherwise of this Guaranty. Nothing set forth herein or in any other Bond Document is intended or shall be construed to give any Guarantor's successors and assigns any right, remedy or claim under, to or in respect of this Guaranty, any other Bond Document, Baseball Bond or any Collateral. Each Guarantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession thereof or therefor.

Upon the payment in full of the Guaranteed Obligations, the termination of the commitments of the City under any Loan under the Financing Agreement, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the relevant Guarantors. Upon any such termination, the Collateral Agent shall promptly return to the relevant Guarantor, at such Guarantor's expense, such of the Collateral held by the Collateral Agent as shall not have been sold or otherwise applied pursuant to the terms hereof. The Collateral Agent will, at such Guarantor's expense, execute and deliver to such Guarantor such other documents as such Guarantor shall reasonably request to evidence such termination.

Upon any release of the Collateral Agent's security interest in any part of the Collateral expressly required to be given by the Collateral Agent, the Collateral Agent shall execute and deliver to each Guarantor, at such Guarantor's expense, all deeds of release, termination statements, assignments and other documents and instruments as may be necessary or desirable to release fully the real estate lien and the security interest in such Collateral granted hereby; provided, however, that (i) the Collateral Agent shall not be required to execute any such documents on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligation or entail any consequence other than the release of such real estate lien and security interests without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Guaranteed Obligations or any security interests, liens or other encumbrances upon (or obligations of such Guarantor in respect of) all interests retained by such Guarantor, including, without limitation, the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(e) This Guaranty shall be construed in all respects in accordance with, and governed by, the laws of the State. Whenever possible, each provision of this Guaranty shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Guaranty shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition

or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Guaranty.

(f) ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY PARTY HERETO WITH RESPECT TO THIS GUARANTY MAY BE BROUGHT IN ANY COURT IN THE STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, AND BY EXECUTION AND DELIVERY OF THIS GUARANTY, EACH PARTY HERETO ACCEPTS, FOR ITSELF IN AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY FINAL JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS GUARANTY FROM WHICH NO APPEAL HAS BEEN TAKEN OR IS AVAILABLE. RE: $6,130,000 Springfield Center City Development Corporation, Taxable Revenue Bonds, Series 2002B (Jordan Valley Park - Baseball Stadium Project)

Gentlemen:

In connection with the purchase on this date by Fahnestock & Co. Inc. (the "Placement Agent") from the Springfield Center City Development Corporation (the "SCCDC"), of its Taxable Revenue Bonds, Series 2002B (Jordan Valley Park - Baseball Stadium Project), in the aggregate principal amount of $6,130,000 (the "Series 2002B Bonds"), the undersigned, as counsel to John Q. Hammons and Juanita K. Hammons, husband and wife, and the Revocable Trust of John Q. Hammons, Dated December 28, 1989, as amended and restated (collectively, the "Developers") have examined the following:

A. The organizational documents, as amended to date, of the Developers, including all amendments to the Revocable Trust of John Q. Hammons.

B. The proceedings of the members of the Developers authorizing, among other things, the execution and delivery by the Developers of that certain Baseball Stadium Phase One Lease dated as of December 1, 2002 by and among the SCCDC, the City of Springfield, Missouri and the Developers (the "Phase One Lease"); the Baseball Stadium Future Advance Leasehold Deed of Trust dated as of December 1, 2002 by and between the Developers and the Trustee for the benefit of the bondholders (the "Baseball Mortgage"); the Collateral Agent Agreement dated as of December 1, 2002 between the City of Springfield, Missouri, the Developers, the SCCDC and Commerce Bank, N.A., as collateral agent (the "Agency

Agreement") and the Guaranty Agreement dated as of December 1, 2002 between the Developers, as Guarantors, for the benefit of the City and the Bondowners (the "Guaranty").

C. Executed counterparts of the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty.

D. Such other laws, matters and documents as we deem necessary for purposes of this opinion.

For purposes of this opinion, we have assumed, without investigation: (1) all natural persons have legal capacity and the genuineness of signatures of all parties other than the Developers; (2) the full power and authority of each person other than the Developers to execute, deliver and perform each document heretofore executed and delivered or hereafter to be executed and delivered, and to do each other act heretofore done or hereafter to be done by such person; (3) the due authorization, execution and delivery by each person other than the Developers of each document heretofore executed and delivered or hereafter to be executed and delivered by such person; (4) the legality, validity, binding effect and enforceability as to each person other than the Developers of each document heretofore executed and delivered or hereafter to be executed and delivered, and of each other act heretofore done or hereafter to be done by such person; (5) the genuineness of each signature on and the completeness of each document submitted to us as an original; (6) the conformity to the original of each document submitted to us as a copy; (7) the authenticity of the original of each document submitted to us as a copy; (8) no modification of any provision of any document nor waiver of any right or remedy; and (9) no exercise of any right or remedy other than in a commercially reasonable and conscionable manner and in good faith.

The opinions hereafter expressed are qualified to the extent that enforceability of the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty may be subject to or affected by: (1) any bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, receivership, moratorium or similar statute, regulation or other law affecting the enforcement of creditors' rights and remedies; (2) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of general principles of equity; and (3) any fraudulent conveyance, preferential transfer, equitable subordination or similar law.

We express no opinion as to the specific remedy that any court or other authority or body might grant in connection with the enforcement of rights under the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty.

Use of the term "to our knowledge" and words of similar import means that, during the course of representation as described herein, no information came to the attention of the attorneys involved in the transactions described herein which gave such attorneys actual knowledge of the existence of the matter as so qualified. Except as set forth herein, we have not undertaken any investigation to determine the existence or status of such matters nor have we made any independent investigations as to the accuracy or completeness of any representation, warranty, data or other information, written or oral, made or furnished by the Developers to us.

The opinions expressed herein are based upon: (1) our review of the above documents; (2) discussions with those members, officers and employees of the Developers who have knowledge of factual matters material to our opinion; and (3) discussions with those of our attorneys who have knowledge of the matters contained herein. As to questions of fact material to our opinion which have not been independently established, we have relied upon, without independent verification, the accuracy of the relevant facts stated in certificates or comparable documents of officers of the Developers and representations made in the above-referenced documents.

These opinions are limited solely to the laws of the State of Missouri and the United States of America and the matters stated herein. No opinion is to be inferred or may be implied beyond the matters expressly stated herein.

Based on the foregoing, and subject to the qualifications stated herein, we are of the opinion that:

1. The Developers are a husband and wife and a revocable inter vivos trust under the laws of the State of Missouri, and each has legal authority and capacity both legal and otherwise to own their properties and to operate the same and to carry out the transactions contemplated by the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty. The Developers have all necessary power and authority to conduct their business as contemplated by the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty and to enter into and perform its obligations under the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty. The Revocable Trust of John Q. Hammons, Dated December 28, 1989, as amended and restated, has not been revoked and grants to the Trustee sufficient power to enter into, and operate, a Baseball Stadium, such as contemplated by the Phase One Lease.

2. The Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty has been duly authorized, executed and delivered by the Developers and constitute valid and legally binding obligations of the Developers enforceable against the Developers in accordance with their respective terms.

3. No authorization, consent or approval of any governmental body or agency not already obtained is required in connection with the valid execution and delivery of the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty by the Developers and do not:

(a) require any consent or approval not heretofore obtained of any partner, security holder or creditor of such Developer;

(b) violate or conflict with any organizational document relating to any Developer;

(c) to the knowledge of the undersigned, result in or require the creation or imposition of any lien or right of others (other than as provided in the Phase One Lease, the Baseball Mortgage, the Agency Agreement or the Guaranty);

(d) violate any requirement of law known to the undersigned to be applicable to such Developer; or

(e) result in a breach of or constitute a default under, or cause or permit the acceleration of any obligated owed under, any indenture or loan or credit agreement known to the undersigned or any other contractual obligation known to the undersigned to which such Developer or any of their assets are bound or affected.

4. The execution, delivery and performance by the Developers of the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty does not and will not violate any provisions of law nor, to our knowledge, any applicable judgment, order or regulation of any court or of any public or governmental body, agency or authority and do not and will not conflict with, or result in the breach of any of the provisions of, or constitute a default under the organizational documents of the Developers, or of any indenture, mortgage, deed of trust or other agreement or instrument to which the Developers is a party or by which the Developers or its property is bound.

5. To our knowledge, each Developer is in substantial compliance with all laws and other requirements applicable to its business, have obtained all authorizations, consents, approvals, orders, licenses and permits from, and has accomplished all filings, registrations and qualifications with, or obtained exemptions from any of the foregoing from, any governmental authority that are necessary for the transaction of their business or affairs except where the failure so to comply, file, register, qualify or obtain exemptions does not constitute a material adverse effect. There are no actions, suits or proceedings pending or threatened against the Developers at law or in equity or before any federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality in which an adverse determination might substantially adversely affect the ability of the Developers to perform its obligations under the Phase One Lease, the Baseball Mortgage, the Agency Agreement and the Guaranty.

6. To the knowledge of the undersigned, the Developers are in substantial compliance with all applicable laws relating to environmental protection where the failure to comply would constitute a material adverse effect and have not received any notice from any governmental agency respecting the alleged violation by the Developers of such laws which would constitute a material adverse effect which has not been or is not being corrected.

7. Certain rights, remedies and waivers in the Phase One Lease, the Agency Agreement and the Guaranty may be enforceable in whole or in part, but the inclusion of such provision does not effect the validity of the Phase One Lease, the Baseball Mortgage, the Agency Agreement or the Guaranty taken as a whole but such Phase One Lease, Baseball Mortgage, Agency Agreement and Guaranty, taken as a whole, contains adequate provisions for enforcing payment.

This opinion is for the benefit of the addressees only and no reliance or use of this opinion by any other party except the designated addressees is intended or authorized. This opinion may not be used or relied upon by any other person, except prospective bondowners who may rely thereon, and may not be disclosed, quoted, filed with a governmental agency or otherwise referred to without our prior written consent. Our opinion is based on a state of facts and the law existing and in effect on the date hereof, and we assume no obligation to revise, supplement or update this opinion in any respect at any time subsequent to the date hereof.

Very truly yours,
