**DEBTORS' FOURTH AMENDED PLAN OF REORGANIZATION**

Pursuant to section 1121(a) of the Bankruptcy Code, James C. Gianulias and Cameo Homes, the debtors and debtors-in-possession in these substantively-consolidated cases (the "Debtors"), hereby propose this Plan of Reorganization.

**ARTICLE I**

**INTRODUCTION**

The purpose of this Plan is to provide the details of the Debtors' proposed reorganization and proposed distributions of money or property to their respective creditors. The Plan incorporates the terms of an agreement reached between the Debtors and the Official Committee of Unsecured Creditors (the "Committee") following extensive negotiations among the parties and, as a result, the Plan is supported by the Committee. After the Plan has been confirmed, the Bankruptcy Court will retain jurisdiction to determine the allowance of all Claims and to effectuate and enforce the terms of this Plan. The definitions provided in Article II of the Plan apply throughout the Plan, including those capitalized terms used in the Plan.

**ARTICLE II**

**DEFINITIONS AND RULES OF CONSTRUCTION**

**A. Specific Definitions**

In addition to such other terms as are defined in other sections hereof, the following capitalized terms shall have the following meanings:

1. ***"Adjusted Income Taxes"*** means an amount equal to income taxes liability of a Debtor, less the amount of any tax refunds which it is determined such Debtor would be entitled to based on the computation required under this definition, solely in connection with such Debtor's obligations under the Cash Flow Note and such Debtor's Ownership Interest, and shall be computed as if such Debtor's only income, gain, loss and deduction items were those items directly arising out of the obligations under the Cash Flow Note and such Debtor's direct and indirect ownership in the Portfolio Entities and the Intermediate Entities. Such income tax analysis computation (1) shall be made for each Debtor on an annual basis, (2) shall, to the fullest extent permitted by law, (A) apply all applicable original issue discount deductions with respect to

1 the Cash Flow Note and the Secondary Note in determining applicable net operating losses and  
2 notional tax liability as contemplated herein, and (B) all net operating losses available to such  
3 Debtor with respect to the Portfolio Entities and/or the Intermediate Entities against all income and  
4 gain arising from each Debtor's Ownership Interest, (3) shall be based on the application of  
5 normal tax accounting rules and (4) may not reflect the actual tax liability and tax attributes of  
6 such Debtor in any given year; provided, however, that, for purposes of this calculation, the  
7 application of any net operating losses available to Debtors as contemplated herein plus the  
8 amount of tax refunds shall not result in "double counting" associated with the same tax benefits,  
9 as applicable. Without limiting the generality of the foregoing, all income taxes due in connection  
10 with any management fees received by Mesa Management shall be excluded from the  
11 determination of Adjusted Income Taxes hereunder.

12       2.       ***"Administrative Claim"*** means any right to payment constituting a cost or expense  
13 of administration of the Cases of a kind specified under section 503(b) of the Bankruptcy Code  
14 and entitled to priority under section 507(a)(2), 507(b) or 1114(e)(2) of the Bankruptcy Code,  
15 including, without limitation, any actual and necessary costs and expenses of preserving the  
16 Debtors' estates, any actual and necessary costs and expenses of operating the Debtors' business,  
17 any indebtedness or obligations incurred or assumed by the Debtors in connection with the  
18 conduct of their business, including, without limitation, for the acquisition or lease of property or  
19 an interest in property or the rendition of services, all compensation and reimbursement of  
20 expenses to the extent awarded by the Court under sections 330, 331 or 503 of the Bankruptcy  
21 Code, any fees or charges assessed against the Debtors' estates under section 1930 of chapter 123

26 or indirectly, controls or is controlled by or is under common control with such Person and (b) any  
27 Subsidiary of such Person, as applicable. A Person shall be deemed to be "controlled by" any

4 the validity and priority of the security interest securing the Colorado Note shall remain in full

15 of the Debtors (made prior to the Effective Date), receive one of the following treatments: (i) the  
16 legal, equitable and contractual rights to which the holder of such Allowed Secured Claim is  
17 entitled shall remain unaltered; or (ii) the Debtors shall surrender to the holder of the Allowed  
18 Secured Claim such property of the applicable Estate as may be security and collateral for its  
19 Claim.

20           To the extent that a Creditor in Class 1C does not hold an Allowed Secured Claim, such  
21 Claim, if it becomes an Allowed Claim, shall be included in Class 3.

22           **Class 1C is unimpaired under the Plan.**

23    D.     **Class 1D ~ Secured Claims of Robbins**

24           Class 1D consists of all Secured Claims of Robbins.

25           Robbins shall receive the following treatment on account of her Allowed Secured Claims:

26           1.     Principal Amount. The principal amount to be paid to Robbins under the Plan shall  
27 be \$5,075,000.

1           2.     Interest. Simple interest shall accrue on the unpaid principal balance owed to  
2 Robbins at the rate of 7.5% per annum.

3           3.     Payments. Payments to Robbins shall be made on a monthly basis commencing on  
4 the Effective Date, based on the following schedule:

14 month, a monthly payment of \$100,000.00 will be due on the fifteenth (15th) day of each  
15 successive month. Thereafter, until maturity, Robbins shall receive monthly payments of  
16 \$132,796.93 representing the remaining amounts owing to Robbins in connection with her claim.  
17 In the event that payments for a particular month are insufficient to pay the accrued interest for the  
18 current month, the excess accrued interest shall be added to the principal amount owed to Robbins.

19           4.     Maturity. The maturity date of the Robbins obligation shall be the last Business  
20 Day of the 60th calendar month after the Effective Date.

26 Collateral. Robbins shall retain this first priority security interest in the Collateral until such time  
27 as the Allowed Class 1D Claim has been paid in full. Robbins' security interest in the Collateral  
28 shall, at all times until paid in full, be senior to the Creditors' Trust Lien.

To the extent that a Creditor in Class 1D does not hold an Allowed Secured Claim, such Claim, if it becomes an Allowed Claim, shall be included in Class 3.

**Class 1D is impaired under the Plan.**

**E. Class 1E – Secured Claims of Gus Gianulias**

Class 1E consists of all Secured Claims of Gus Gianulias.

Except to the extent that the holder of an Allowed Secured Claim in Class 1E agrees to a different treatment, the holder of the Allowed Secured Claim in Class 1E shall, at the sole election of the Debtors (made prior to the Effective Date), receive one of the following treatments: (i) the legal, equitable and contractual rights to which the holder of such Allowed Secured Claim is entitled shall remain unaltered; or (ii) the Debtors shall surrender to the holder of the Allowed Secured Claim such property of the applicable Estate as may be security and collateral for its Claim.

To the extent that a Creditor in Class 1E does not hold an Allowed Secured Claim, such Claim, if it becomes an Allowed Claim, shall be included in Class 3.

**Class 1E is unimpaired under the Plan.**

**F. Class 1F – Secured Claims of Countrywide**

Class 1F consists of all Secured Claims of Countrywide.

Except to the extent that Countrywide agrees to a different treatment, Countrywide's Note shall be modified as follows:

1. Principal Amount. The modified Countrywide Note shall have a principal amount equal to the outstanding balance of the note as of the Effective Date (estimated at \$509,372.60 as of Oct. 26, 2009, plus interest thereon through the Effective Date at the rate of 5.625% per annum).

2. Interest. Interest shall accrue on the unpaid principal balance of the Countrywide Note at the fixed rate of 5.75% per annum.

3. Payments. The first monthly payment under the Countrywide Note will be due on the fifteenth (15th) day of the first calendar month following the Effective Date and will be in an amount equal to (a) the interest accrued on the Countrywide Note from the Effective Date through

the end of the calendar month in which the Effective Date occurs plus (b) principal calculated on the basis of a 30-year amortization schedule. Thereafter, until maturity, a monthly payment will be due on the fifteenth (15th) day of each successive month in an amount equal to (a) the interest accrued on the unpaid principal balance of the Countrywide Note during the previous month plus (b) an installment of principal calculated on the basis of a 30-year amortization schedule.

4. Maturity. The maturity date of the Countrywide Note shall be extended, and the Countrywide Note will be due and payable in full on the last Business Day of the 360th calendar month after the Effective Date.

5. Pre-Payment. At any time after the Effective Date, without penalty or premium, the Countrywide Note may be prepaid, in whole or in part, in the sole discretion of the Reorganized Debtors provided, however, that pre-payment cannot act to impact payments due to the Creditors' Trust.

6. Retention of Collateral. Except to the extent inconsistent with any other term of the Plan or with the law, the validity and priority of the deed of trust securing the Countrywide Note shall remain in full force and effect following the Effective Date.

To the extent that a Creditor in Class 1F does not hold an Allowed Secured Claim, such Claim, if it becomes an Allowed Claim, shall be included in Class 3.

**Class 1F is impaired under the Plan.**

**G. Class 1G ~ Secured Claims of Chase**

Class 1G consists of all Secured Claims of Chase.

To the extent that the Debtors continue to hold such property, the Debtors shall surrender to the holder of the Allowed Secured Claim such property of the applicable Estate as may be security and collateral for its Claim.

To the extent that a Creditor in Class 1G does not hold an Allowed Secured Claim, such Claim, if it becomes an Allowed Claim, shall be included in Class 3.

**Class 1G is unimpaired under the Plan.**

**H. Class 1H~ Other Secured Claims**

Class 1H consists of all Secured Claims not included in the Classes described above. Each holder of an Allowed Secured Claim in Class 1H shall be deemed to be a separate subclass of Class 1H.

Except to the extent that the holder of an Allowed Secured Claim in Class 1H agrees to a different treatment, the holder of the Allowed Secured Claim in Class 1H shall, at the sole election of the Debtors (made prior to the Effective Date), receive one of the following treatments: (i) the Allowed Secured Claim shall be cured and reinstated pursuant to section 1124(2) of the Bankruptcy Code, and the Debtors shall fund all amounts and take all actions otherwise necessary to reinstate such Allowed Secured Claim, on or prior to the tenth (10th) Business Day following the Effective Date; or (ii) the legal, equitable and contractual rights to which the holder of such Allowed Secured Claim is entitled shall remain unaltered. Notwithstanding the foregoing, alternatively, the Debtors may elect to satisfy an Allowed Secured Claim in Class 1H by one of the following treatments: (x) the surrender to the holder of the Allowed Secured Claim of such property of the applicable Estate as may be security and collateral for its Claim, or (y) the payment in Cash of the amount of such Allowed Secured Claim, as set forth in the Confirmation Order or other Final Order.

To the extent that the County of Riverside has a Secured Claim for real property taxes under 11 U.S.C. § 506(b), any payment made to the County of Riverside upon the sale or transfer of such real property will include all applicable state law interest under 11 U.S.C. § 511. The County of Riverside will retain any applicable lien until such Secured Claim is paid in full. A failure by the Debtors to make a payment based on a Secured Claim to the County of Riverside pursuant to the terms of the Plan shall be an Event of Default. If the Debtors fail to cure any such Event of Default within ten (10) days after service of written notice of default from the County of Riverside, then the County of Riverside may enforce the entire amount of its Secured Claim, including all penalties and interest accrued under state law, against the applicable Debtor in accordance with applicable state law remedies.

Exhibit 1  
Page 186

1 To the extent that a Creditor in Class 1H does not hold an Allowed Secured Claim, such  
2 Claim, if it becomes an Allowed Claim, shall be included in Class 3.

3 **Class 1H is unimpaired under the Plan.**

4 **I. Class 2 ~ Priority Claims**

5 Class 2 consists of all Allowed Priority Claims against the Debtors. Class 2 does not  
6 include any Priority Tax Claims, all of which shall be treated in accordance with section III.E of  
7 the Plan.

8 Except to the extent that the holder of such Claim agrees to a different treatment, the  
9 Debtors shall pay Cash on the Effective Date to each holder of an Allowed Claim in Class 2 the  
10 amount of such Allowed Claim.

11 **Class 2 is unimpaired under the Plan.**

12 **J. Class 3 ~ General Unsecured Claims**

13 Class 3 consists of all Allowed Claims against the Debtors (including Claims arising from  
14 the rejection of executory contracts and/or unexpired leases) other than: (a) Administrative  
15 Claims; (b) Priority Tax Claims; and (c) Claims included within any other Class designated in the  
16 Plan. Class 3 shall be deemed to include those Creditor(s) holding an alleged Secured Claim  
17 against the Debtors for which: (i) no collateral exists to secure the alleged Secured Claim; and/or  
18 (ii) liens, security interests, or other encumbrances that are senior in priority to the alleged Secured  
19 Claim exceed the fair market value of the collateral securing such alleged Secured Claim as of the  
20 Petition Date.

21 Due to the substantive consolidation of the Estates resulting from the Consolidation Order,  
22 the Creditors' Trust shall, subject to the terms and conditions of the Creditors' Trust Agreement,  
23 including, without limitation, after consideration of applicable reserves established by the  
24 Creditors' Trust Trustee pursuant to the terms and conditions thereof, make periodic Pro Rata  
25 distributions of Cash to Creditors holding Allowed Claims in Class 3 against the Debtors, except  
26 that Cash previously allocated to the Disputed Claims Reserve shall be distributed net of the  
27 income taxes owed with respect to the earnings of assets allocated to the Disputed Claims  
28

1 Reserve. See Section VII.F.9 hereof. In no event, however, will a Creditor receive an amount in  
2 excess of such Creditor's Allowed Claim in Class 3.

3 The proceeds from the Recovery Rights and the payments to be made by or on behalf of  
4 the Reorganized Debtors to the Creditors' Trust pursuant to the Cash Flow Note and the  
5 Secondary Note shall be the sole sources of distributions to holders of Allowed Claims in Class 3.  
6 Except to the extent that Cash previously allocated to the Disputed Claims Reserve is used to pay  
7 taxes owed with respect to the Disputed Claims Reserve, each Creditor holding an Allowed Claim  
8 in Class 3 is entitled to a Pro Rata share of available Cash received by the Creditors' Trust. The  
9 amount to be paid to a Creditor holding an Allowed Claim in Class 3 may depend upon which of  
10 the following categories of Claims applies to a particular Creditor's Claim: (1) the Creditor's  
11 Allowed Claim is asserted solely against the estate of Gianulias; (2) the Creditor's Allowed Claim  
12 is asserted solely against the estate of Cameo; or (3) the Creditor has valid, non-duplicative  
13 Allowed Claims against both the Gianulias and Cameo estates (for example, a Creditor with  
14 enforceable guarantees issued by both Debtors).<sup>1</sup> The Creditors' Trust Trustee will determine the  
15 appropriate distributions for Creditors holding Allowed Claims in each of the foregoing three  
16 categories of claims, and shall ensure that each distribution is not less than the amount such a  
17 Creditor would have received absent the substantive consolidation of the Debtors' estates. When  
18 determining the amount to distribute to Allowed Claims (and after consideration of applicable  
19 reserves, if any, as permitted pursuant to the Creditors' Trust Agreement), the Creditors' Trust  
20 Trustee shall first allocate a Pro Rata amount of available Cash to the Allowed Claims and the  
21 Disputed Claims, and then place amounts allocated to Disputed Claims in the Disputed Claims  
22 Reserve on behalf of such Disputed Claims, so that holders of Disputed Claims may receive their

23  
24  
25 <sup>1</sup> For avoidance of doubt, the following hypothetical illustrates how distributions to  
26 creditors with dual claims will be made under the Plan: Assume that a creditor has a claim against  
27 each of the Debtors for \$10 million [for example, based on each Debtor having guaranteed the  
28 single loan of \$10 million], and further assume that the aggregate claims pool against both Debtors  
is \$200 million. Said creditor has claims of \$20 million as against a claims pool of \$200 million,  
or ten percent (10%) of the claims pool. Consequently, said creditor will receive ten percent  
(10%) of each distribution made by the Creditors' Trust Trustee. Further, under the Plan, no Class  
3 Claim will be disallowed on the ground it is duplicative if the claim would not have been  
disallowed as duplicative if the Debtors' two cases had not been substantively consolidated.

1 Pro Rata allocations, net of their share of the income taxes owed with respect to assets allocated to  
2 the Disputed Claims Reserve, if, to the extent and when their Claims are Allowed.

3 The Reorganized Debtors shall make payments to the Creditors' Trust Trustee from  
4 Available Cash Flow for the benefit of holders of Allowed Claims in Class 3 under and pursuant  
5 to the terms of the following notes:

- 6 • The Cash Flow Note, in the principal amount of \$42 million, subject to  
7 adjustment as set forth therein, bearing interest at a rate of 3.75% per  
8 annum, and with a maturity date of December 31, 2024, subject to the terms  
9 and conditions of the Plan Documents.
- 10 • The Secondary Note, in the principal amount of \$5 million, which shall not  
11 bear interest, and with a maturity date of December 31, 2025, subject to the  
12 terms and conditions of the Plan Documents.

13 The payments to be made to the Creditors' Trust by the Reorganized Debtors pursuant to  
14 the Cash Flow Note and the Secondary Note, and the proceeds of any recovery with respect to the  
15 Recovery Rights, shall be the sole sources of distributions to holders of Allowed Claims in Class  
16 3.

17 **Class 3 is impaired under the Plan.**

18 **K. Class 4 ~ Inter-Debtor Claims**

19 Class 4 consists of all Allowed Claims of any Debtor against the other Debtor.

20 Inter-Debtor Claims of Class 4 will continue to exist and will not be eliminated under the  
21 Plan. However, Allowed Inter-Debtor Claims shall be subordinated to all Allowed General  
22 Unsecured Claims and shall not receive any distribution under the Plan.

23 **Class 4 is impaired under the Plan.**

24 **L. Class 5 ~ Subordinated Claims**

25 Class 5 consists of all Allowed Subordinated Claims.

26 Holders of Allowed Subordinated Claims of Class 5 shall retain, unaltered, all legal,  
27 equitable and contractual rights to which the holder of such Claim is entitled.

28 **Class 5 is unimpaired under the Plan.**

1 **M. Class 6 ~ Interests**

2 Class 6 consists of all Interests.

3 Holders of Class 6 Interests in Cameo shall retain, unaltered, all legal, equitable and  
4 contractual rights to which the holder of such Interest is entitled. In addition, because Gianulias is  
5 an individual, he is the Interest Holder with respect to his Estate. As set forth in section VII.B of  
6 the Plan, title to all assets, properties, and business operations of Gianulias and his Estate,  
7 including his Interests in Cameo, shall revert in Gianulias as Reorganized Debtor.

8 **Class 6 is unimpaired under the Plan.**

9 **ARTICLE VI**

10 **ACCEPTANCE OR REJECTION OF THE PLAN**

11 Each holder of an Allowed Claim in an impaired Class of Claims that is entitled to vote on  
12 the Plan shall be entitled to vote separately to accept or reject the Plan as provided in such order as  
13 is entered by the Bankruptcy Court establishing procedures with respect to the solicitation and  
14 tabulation of votes to accept or reject the Plan, or any other order or orders of the Bankruptcy  
15 Court. In the event no holder of an Allowed Claim in an impaired Class of Claims submits a  
16 Ballot accepting or rejecting the Plan, such Class of Claims shall be deemed to have voted to reject  
17 the Plan.

18 **A. Classes Entitled to Vote**

19 Classes 1C, 1E, 1G, 1H, 2, 5, and 6 are unimpaired Classes under the Plan and are  
20 conclusively presumed to have accepted this Plan pursuant to section 1126(f) of the Bankruptcy  
21 Code.

22 Classes 1A, 1B-1, 1B-2, 1D, 1F, 3 and 4 are impaired Classes under this Plan and are  
23 entitled to vote to accept or reject this Plan.

24 **B. Non-Consensual Confirmation**

25 If a Class fails to accept this Plan by the statutory majorities provided in section 1126(c) of  
26 the Bankruptcy Code, the Debtors reserve the right to request the Bankruptcy Court to confirm  
27 this Plan as to such rejecting Class.

1 **C. Elimination of Vacant Classes**

2 Any Class of Claims that does not have a holder of an Allowed Claim or a Claim  
3 temporarily allowed under Bankruptcy Rule 3018 as of the date of commencement of the  
4 Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept  
5 or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such  
6 Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

7 **ARTICLE VII**

8 **IMPLEMENTATION OF THE PLAN AND EXECUTION OF ITS TERMS**

9 **A. Implementation of Plan**

10 The Debtors propose to implement and consummate the Plan through the means  
11 contemplated by sections 1123(a)(5)(A), (B), (D), (E) and (G), 1123(a)(8), 1123(b)(1), (b)(2),  
12 (b)(3)(A) and (B), (b)(4) and (b)(5), and 1145(a) of the Bankruptcy Code.

13 **B. The Reorganized Debtors and Revesting of Assets**

14 Except as otherwise set forth herein, or as modified by appropriate corporate action after  
15 the Effective Date, the corporate structure and equity ownership of Cameo by Gianulias shall be  
16 unchanged.

17 On the Effective Date, title to all assets, claims, causes of action, properties, and business  
18 operations of the Debtors and of the Estates shall revest in each respective Reorganized Debtor,  
19 and thereafter, the Reorganized Debtors shall own and retain such assets free and clear of all liens
