GENERAL NOTES SECTION

These general notes follow the summary page of the Schedules and the summary pages of the Statements for each Debtor entity.

General

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules, the “Schedules and Statements”) filed by FairPoint Communications, Inc. (“FCI”) and its affiliated debtors in these jointly administered chapter 11 cases (collectively, the “Debtors”) in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) were prepared, pursuant to section 521 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors’ court-appointed advisors, and are unaudited. While the Debtors’ management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to it at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements have been signed by Mrs. Lisa R. Hood, Senior Vice President, Corporate Controller of FCI. Accordingly, in reviewing and signing the Schedules and Statements, Mrs. Hood necessarily relied upon the efforts, statements, and representations of the Debtors’ other personnel and professionals. Mrs. Hood has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These general notes and statement of limitations, methodology, and disclaimer regarding the Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

Description of the Cases

On October 26, 2009 (the “Petition Date”), the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases have been consolidated for the purpose of joint administration under Case No. 09-16335. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

Basis of Presentation

For financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements that were audited annually. These Schedules and Statements do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles (“GAAP”). Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements.

The information contained in the Schedules and Statement of Financial Affairs, except as indicated herein, reflects the assets and liabilities of the debtor on an unconsolidated basis. Presentation on a consolidated basis using GAAP, or consolidating the assets and liabilities of the debtor with the assets and liabilities set forth in the schedules and statements of other debtors, would result in financial information regarding the debtor that may be substantially different from the financial information reflected in the Schedules and Statement of Financial Affairs. Nothing contained in the Schedules and Statement of Financial Affairs shall constitute a waiver of rights with respect to this chapter 11 case and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets, avoid transfers, or collect money owed. The reader is therefore cautioned not to place undue reliance on the presentation of the information contained herein.

Amendment

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.

Confidential or Sensitive Information

There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

GTC, Inc.

Case Number: 09-16368

GENERAL NOTES SECTION

These general notes follow the summary page of the Schedules and the summary pages of the Statements for each Debtor entity.

Causes of Action

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available.

Claim Description

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

Unliquidated Claim Amounts

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

Undetermined Amounts

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

Bankruptcy Court Orders

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, taxing authorities, and certain other prepetition creditors. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements.

Valuation

It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Petition Date, adjusted for any prepetition items approved pursuant to a Bankruptcy Court Order. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

Dates

The information provided herein, except as otherwise noted, represents the asset data of the Debtors as of September 30, 2009 and the liability data of the Debtors as of the close of business on October 25, 2009. Cash was scheduled as of the close of business on October 25, 2009, adjusted for checks issued pre-petition approved to be paid pursuant to a first day order. In addition, intercompany balances for all legal entities and accounts receivable at the following legal entities: FairPoint Logistics, Inc., Northern New England Telephone Operations, LLC, Telephone Operating Company of Vermont, LLC, and Enhanced Communications of Northern New England, Inc., were scheduled as of October 31, 2009.

Specific Notes

These Global Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

GTC, Inc.

Case Number: 09-16368

GENERAL NOTES SECTION

These general notes follow the summary page of the Schedules and the summary pages of the Statements for each Debtor entity.

Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements such as goodwill, certain accruals, and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded. Pursuant to certain Bankruptcy Court orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities are deemed to have been satisfied in accordance with such orders and therefore are not listed in the Schedules and Statements.

Leases

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. However, assets under a capital lease have been included in the Schedules and Statements.

Contingent Assets

The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, have not set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

Accounts Receivable

For confidentiality reasons the Debtors have not listed individual customer accounts receivable balance information.

Guaranties and Other Secondary Liability Claims

The Debtors have used reasonable efforts to locate and identify guaranties and other secondary liability claims in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements (collectively, "Guaranties"). Where such Guaranties have been identified, they have been included in the relevant Schedule H for the Debtor or Debtors affected by such Guaranties. The Debtors, however, believe that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve all of their rights to amend the Schedules to the extent that additional Guaranties are identified.

Intellectual Property Rights

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

Defined Benefit Pension Plans

The Debtors have not separately listed each codebtor for the Company's two defined pension plans. FCI is the primary plan sponsor of the two defined benefit pension plans. Under ERISA guidelines, each of the debtors would be jointly and severally liable for the defined benefit plans' liabilities should the defined benefit plan terminate without sufficient assets to pay all benefits.

Fiscal Year

Each Debtor's fiscal year ends on December 31.

Case Number: 09-16368

GENERAL NOTES SECTION

These general notes follow the summary page of the Schedules and the summary pages of the Statements for each Debtor entity.

Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Property and Equipment

Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

Retiree Healthcare Plans

The Company has two retiree healthcare plans, which are a carryover from its merger with Verizon's Northern New England Wireline Operations. The Company did not list the participants of these plans as creditors in the preparation of the Schedules.

Interest in Subsidiaries and Affiliates

FCI directly or indirectly owns all of the subsidiaries and affiliates that are also Debtors. Interests in subsidiaries arise from stock ownership or from interests in partnerships. Each Debtor's Schedules B-13 or Statement 18(a) contains a listing of the current capital structure of FCI and its Debtor affiliates and includes ownership interests in the related affiliates and partnerships of each corporate affiliate.

Umbrella or Master Agreements

Certain contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

Insiders

The Debtors have attempted to include all payments made over the 12 months preceding the Petition Date to any individual or entity deemed an "insider." For these purposes, "insider" is defined as (1) an individual or entity owning 5% or greater of FCI, or (2) individuals who served as either Officers or Directors (consistent with the definition used for disclosure in the SEC reporting) of a Debtor in the 12 months immediately preceding the commencement of this case. The listing of a party as an "insider," however, is not intended to be, nor should be construed as, a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved, nor does such listing intend to modify the meaning of "insider" as that term is defined in Bankruptcy Code section 101.

Payments

The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors participated in a consolidated cash management system through which certain payments were made by one entity on behalf of another. Payments in the Schedules and Statements are listed on the books and records of the bank account holder.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements.

Setoffs

The Debtors routinely incur setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various items, including setoffs of mutual prepetition obligations between a Debtor and a counterparty (a) that have been consented to by a Debtor in the ordinary course of business as part of a periodic reconciliation of accounts between them (and that did not involve cross-affiliate or triangular setoffs) and (b) as to which the counterparty has paid in full all amounts due to the Debtor relating to such accounts. These normal setoffs are consistent with the ordinary course of business in the Debtor's industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtor to list all such normal setoffs. Therefore, such normal setoffs are excluded from the Debtor's responses to Item 13.

Intercompany Transactions

Prior to the Petition Date, the Debtors routinely engaged in intercompany transactions resulting in intercompany accounts payable and receivable. The respective intercompany accounts payable and receivable are presented as net accounts payable and are set forth in the Schedules and Statements at their values as of October 31, 2009. The Debtors believe that such balances are reasonable approximations of the intercompany accounts' net book values as of the Petition Date and, further, that efforts to obtain more precise estimates of these amounts would be burdensome, time-consuming, and cost-ineffective.

GENERAL NOTES SECTION

These general notes follow the summary page of the Schedules and the summary pages of the Statements for each Debtor entity.

Consolidation of Certain Information

The Debtors have sought to isolate business operations in order to file Schedules and Statements for each Debtor on an individual basis. However, in certain instances, the separation of information for some entities would be unduly burdensome and an inefficient use of estate resources. In those cases, information is provided on a consolidated basis.

Trade Accounts Receivable and Accounts Payable

Trade Accounts Receivable are presented net of allowance for doubtful accounts, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights or collateral held by the Debtors, unless otherwise stated. Likewise, Accounts Payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights or collateral that has been posted on behalf of the counterparty.

Workers Compensation

Workers Compensation claims have also been excluded from the Schedules and Statements by virtue of the fact the Debtors are performing their obligations as required by law and in accordance with the "first day" orders granting authority to the Debtors to satisfy these obligations in the ordinary course.

Customer Contracts

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases, the Debtors were authorized (but not directed) to honor, among other things, certain pre-petition obligations of customers. Accordingly, these liabilities may have been or expect to be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements. In addition, certain of these customers, and in particular corporate and governmental customers, may have contracts with the Debtors that may be considered executory for which the Debtors expect to assume. As such, the Debtors are not including in Schedule G, contracts with parties that obtain services as end users, either under tariff or other such agreements, as it is the Debtors intention to assume the majority of those contracts.

Statements of Financial Affairs - Question 8: Losses

The losses listed exclude those incurred in the ordinary course of business or those where the amount is de minimis.

Statements of Financial Affairs - Question 9: Payments Related to Debt Counseling or Bankruptcy

Unless otherwise disclosed, all professional fees relating to restructuring and bankruptcy counseling were paid by FCI.
