Re: Retirement Pension Plan
S.S. # 130-52-6796 12

DEAR MR/MS GRAMLING:

At the time of your termination of employment on 11/29/89, you had met the requirements for a vested benefit under Kmart Corporation Employee Pension Plan.

The amount of your pension benefit payable on 02/01/2028 , your Normal Retirement Date, is $65.42 per month. This amount is based on a Life Income form of payment and a birth date of 01/26/63 . You must verify your birth date when you retire.

The benefit amount stated above was calculated based on data shown on Company records; this data will be reviewed prior to actual benefit commencement. If this information is not in compliance with Plan provisions and your benefit amount has been incorrectly stated, the benefit amount you are actually entitled to under the Plan, if any, will be payable.

If you wish to receive your vested pension benefit before your Normal Retirement Date, you may apply at any time after age 55. The amount of your vested benefit will be reduced if payments begin before your Normal Retirement Date or if you elect a form of payment other than Life Income. Your benefit will also be reduced for any pre-retirement survivor coverage. The reduction is based on your age at the time you retire, the form of payment you elect and how many months the pre-retirement survivor coverage was in effect.

NORMAL FORM OF PAYMENT

Unless you elect an optional form of payment, your pension benefit will be paid as follows:

If you are **single, widowed** or **divorced** when you retire, your pension will be paid to you under the **Life Income** form of payment. Your pension benefit will be paid for your lifetime and will end when you die.

If you are **married** at the time of your retirement, your pension will be paid under the **50% Joint and Survivor** form of payment. You will receive a reduced monthly benefit for as long as you live. When you die, your surviving spouse will receive 50% of your benefit, provided you had been married for at least one year at the time of death. The survivor benefit will be paid for your spouse's lifetime and will end when he/she dies.

With your spouse's written consent, you may elect to receive your pension under the Life Income form of payment instead of the 50% Joint and Survivor form of payment. To do this, you must advise us in writing at least 90 days before your retirement date.

OPTIONAL FORMS OF PAYMENT

Instead of the Normal Form of Payment (Life Income or 50% Joint and Survivor form of payment), you may elect any of the following optional forms of payment. Your election must be made in writing at least twelve (12) months before your retirement date. If you are married, your spouse must consent in writing to your election.

- A **66 2/3% Joint and Survivor** form of payment. (Available only for married participants).
- A **100% Joint and Survivor** form of payment. (Available only for married participants).
- A **Social Security Leveling Option.** (Available only for early retirement. The 12 month waiting period must be completed before you reach age 62).

Each of these optional forms are fully explained in the Plan booklet. Further information and the amounts payable under each optional form may be requested by writing to the Employee Benefits Department, Pension Section, Kmart Corporation, 3100 W. Big Beaver Road, Troy, Michigan 48084-3163.

PRE-RETIREMENT SURVIVOR COVERAGE

The pre-retirement survivor coverage is automatic if you are married. Your benefit is reduced 3/10 of 1% per year (1/40 of 1% per month) to provide this coverage.

If you die before you retire, your surviving spouse will be eligible to receive a pension benefit under the **50% Joint and Survivor** form of payment, provided you had been married for at least one year at the time of your death. If you die after you have reached age 55, the survivor pension may begin as early as the first of the month following your death or your spouse may choose a later date. If you die before you reach age 55, the survivor pension will begin on the first of the month following the date you would have reached age 55 or any later date selected by your spouse.

You may waive this pre-retirement survivor coverage, but if you waive it and die before retiring, no pension will be payable to your surviving spouse. If you do waive this coverage, you may reinstate it at any time. If you want to waive the pre-retirement survivor coverage, you must notify our office in writing. We will then send you the waiver form.

HOW TO BEGIN YOUR BENEFIT

Please write to the Pension Section at least three months before you wish your pension benefit to begin. All requests for information must include your name, address, telephone number, Social Security number, marital status and requested retirement date. If you are married, please also include your spouse's birth date.

Your pension records will be kept at the Kmart Corporation Headquarters. It is very important that you notify this office if your name or address changes.

Sincerely,
