My petition for Rehearing, My Motion to  
to except these charges from the District  
Court, and the statement of employment  
discrimination are these.

Violation of the American with  
Disabilities Act, the Civil Rights Act, the  
Age discrimination in Employment Act,  
breach of contract wrongful discharge  
and intentional infliction of emotional  
distress on May 14, 2001 the day of  
Bartlett's termination and on August 17, 2007  
CV # 2002-100 was discharged.

I am not an attorney. But I experienced  
great suffering at the hands of Kmart  
in so many different ways to include  
my going through (4) four different  
Court. Near death experiences has  
been my lot due to emotional and  
intentional infliction the distress and  
none to assist me. My depression does  
not help my situation either and  
I lean upon the Court to assist  
me to forward properly anything or  
everything where gaps were or are  
formed due to my inability to  
do some of the things necessary,  
for I had also forgot to put  
the Civil Rights Act covering all the

Chapter 11 Cases) me. Kmart has done us  
in in various ways and to get to that  
point it started with severe ill  
treatment to our bodies & minds. What  
was not <sup>only</sup> physical, it harassed the  
Mental Components, <sup>too</sup> unto this day. By  
Disallowing our claims, the wrongful  
discharges, and the lies it confronts  
us with causing one to defend <sup>a</sup> even  
much weaker, against the evil plots  
of one <sup>known</sup> as a giant. The above  
charges were not yet placed on  
Form "Exhibit M". (of these are what is  
call personal injuries claim) Kmart can't  
be trusted to have used these words  
so please allow me to say these  
are my charges for Discrimination  
and the Court will apply its true  
meaning. Back pay & Front pay was  
filed for the \$45,000.00, now doubled  
and .09% added and have nothing  
to do with what Interest "set aside  
by or through the Bankruptcy Court.  
I give the Court permission to see  
if we deserve more as per the record  
in any of the claims we as claimants  
lean heavily upon the Court not for  
less but for more. We suffered much.
