Case Number: 02-02494

Case Name: Kmart

Motion^{of} Filing Fraud by Kmart
to be reviewed.

Barthlett's Proof of Claim has no comparison but its own being the master copy. There are no other standard by which measurement is done except that the reproduction produces after its kind is the result.

My letter to Kmart 40 Trumbull, P.O. Box 426, Windsor CT 06095 to Dear Sir/Madam was responded to from William J. Borrett. Due to a letter to the U.S. Bankruptcy Court Northern District Illinois, I was sent a Request for Additional Information form and a proof of claim form inserted too even though I had filed a proof of claim. I was requested to fill another using the one sent to me from Deputy Clerk R. Marola.

Barthlett's already filed entry dated 7-18-02, and signed Thase A. Barthlett.

Then from my research Exhibit F Case Numbers 02-02462 through 02-02499 an online account featured document was found.

2

I tried to get information using this Claim No. 02-02-02474 and 02-02474 that number tried did not match any documents and seemed not to be in the system.

I further tried Case No. 02-02474 and got some answers or some information.

With what I had I sort to find some answers. Thus my letter to the Bankruptcy Court that give me a referral outside of the Bankruptcy Court.

I wrote to Kmart % Trunkell Dear Sir/Madam. The one responding to my letter was Mr. Borrett, He told me he is attorney for Kmart in the Chapter 11 cases.

He wanted me to file another proof of claim but I did not, for fear the one already done could be deleted or some unfortunate thing happen I sent a copy of the already filed proof of claim sent to me by Mr. Marala. Even though I had gone and reach so far nothing positive happen in regards to getting my Back pay and Front pay. I eventually had to start at the District Court where

3

I ~~have~~^{had} already filed. The EEOC Discrimination Claims that has since then removed to the Bankruptcy Court. But the Back pay and Front pay payments were not given to me from Kmart I was seeking information.

Mr. Barrett sent me a Counterfeit Proof of Claims that does not match the original document. Red ink mark the copy sent, but a new one will be printed for use for the Court.

The Original will not have broken lines and produce unbroken lines as the counterfeit does.

Nor will the horizontal line be inconsistent by never meeting the vertical line. Both horizontal and vertical lines meet each other on the Counterfeit.

Look at block #5. □ Moto Vehicle there is a horizontal line. The Counterfeit has no line.

Look at block #6. There are several fine lines and defective prints and some are almost destroyed the Counterfeit is perfect.

4

The patterns are consistent even with the one found in the Supreme Court's file sent and I encourage your review.

Then Bold and dearing, Mr. Barrett invites me to his meeting held under Case Number: 02 B 02474 posing off with it to his own hurt for my

Case Number does not match his own. Another fraudulent number on for show in the Bankruptcy Court.

My reason to attend is to defend the right of my number to be where he flaunts another counterfeit.

Another set of numbers used to defeat the Chapter 11 Cases, Case Nos. 02-02462 through 02-02499 call Exhibit E Litigation Claims to be Disallowed. Mr. Barrett

gave me a claim number 45327 it has never worked, gave a reason for Disallowance since he says has no merit.

Mr. Barrett is besides himself another work of fraud in that counterfeit.

However, Mr Barrett should have recognized this number 02-02474.

In the Chapter 11 Cases, Case no. is 02-02474 and Case Name is Kmart.

5

Then there is a mailing list I do not understand and will not pretend to understand it ever since Mr. Barrett sent it to me.

I recall the court's question to Mr. Barrett as to whether the claims were taken care of in the Kmart Cases.

Mr. Barrett answered ~~the~~ yes the judge then said good.

On the list of names featured I see Mr. William J. Barrett. is that your name and why would you send E-Mail notices to yourself?

I will detailed my questions for understanding clarity is needed.

How, when, where, and why these name came on the mailing list under Case Number 02-02474.

Does Case No. 0341875 have anything to do with Seamed, guaranteed full satisfaction to Chapter 11 Cases that I saw in the Plan. - all the other names listed above I have not seen.

Since you are the Attorney in the Chapter 11 Cases, and it appears they too are in the system under Chapter 11 Cases # Case No. 02-02474 my number, I really need to know Mr. Barrett.

6

Proposed Order response added in the Motion.

After meeting and working with Mr. Barrett, I was able to feel the deceitfulness penetrating the record and through the attys. Bennett Chen, and Mical L Morgan. If deceit will prevent justice so that Atty. Berretts gets his wish for denial, knowing I speak the truth he does not care he takes it.

So the entry of an order will bring finality of this matter says Mr. Barrett, in so much, Kmart believes more than a simple denial of her motion is necessary.

Now this is what Ms. Bartlett have to say in her defence. The more Kmart contends with Ms. Bartlett the easier my responses will be. A Chapter 11 Casep for their protection should file a proof of Claim. However if such a person never did file, the Plan provides for those of us who did it and those ^{who} deemed it done even for those who would come after the Confirmation of the Plan.

The District Court erred by saying I did not do a filing of the proof of claim

7

The Third Circuit said I filed a proof of claim and I contend I filed a proof of claim. Mr. Barrett brought up the subject to the front before the court.

Mr. Barrett you should be able to answer based upon your belief. However, your wishes were stated many times even called upon the court on behalf of Kmart for a simple denial although you know that I filed the proof of claim. Dated 7-18-02 and signed Thuse A Bartlette. I know my signature and could identify it when seen and the date reminds me when the signing took place. You wanted a copy of another proof of claim from me, but I was cautious about you and the desire to fill another form.

I did not grant your wishes of another entry of the proof of claim. I was right along about you and sure enough you must have said smart move and not even Kmart would dare to say a simple denial is necessary because any proof of claim form will do, even that one infact the only one my master copy was given to you for the sole purpose "information". In response only to show I had file a proof of claim that was mail to the address

8

given as a referral form, showing date of issuance as September 14, 2007 by R. Marola Deputy Clerk Team B and shows Kenneth S. Gardner, Bankruptcy Clerk.

I must be a simpleton in this case for I hear you Mr. Barrett saying I am a Class 6 and I kept saying I am a claimholder having claims 1-12 in the order of classes. I will name them

Mr. Barrett the Courts, Department of Justice
and myself know Kmart after being
in association with Kmart. It never
does as directed to, does its own thing
then blames it on even you or what it feels to do.

11

Mr. Barrett used that copy to shut me up saying I need money. I will not take what is not mine. I speak the truth because either way the law covers me filed, deemed filed or after the Confirmation Order.

However I am prepetition claimholder and a Chapter 11 case. How does it feel to produce fraud using my proof of claim forgetting it has to be measured by the original. A counterfeit produced another fraudulent act.

Kmart on its listings gave me 30 names saying a complete listing of the Debtors is set forth below. That the list identifies each Debtor by its Case Number in these Chapter 11 cases. That the jurisdiction of incorporation or formation of each Debtor is also designated.

The record shows Kmart refused to name other stores in comparison to Dept. of Justice's Attachment A shows about 38 Debtors

and when I looked none of my stores in the VI were named 5 others are unaccounted for or listing of my very own is on page 12; and the phone numbers are added to make an affirmation. Kmart lies another fraud.

Is there any wonder Claim Number 45327 was given to me and did not work when I tried it. The cases were thrown.

Those unclaimed, not shown Stores The Chapter 11 Cases Claim them

I claim known and unknown claims and Insurances. Anything Kmart refused to Claim as long as they exist I claim them known and unknown.

(b) cause any Debtor to be liable for any Claim or Interest under this Plan for which it otherwise is not liable, and the liability of any Debtor for any such Claim or Interest will not be affected by such substantive consolidation, (c) except as otherwise stated in this Plan, affect intercompany Claims of Debtors against Debtors, and (d) affect Interests in the Affiliate Debtors except as otherwise may be required in connection with the Restructuring Transactions contemplated by this Plan. Notwithstanding anything herein to the contrary, the Debtors may elect in their sole and absolute discretion, at any time through and until the Effective Date, to substantively consolidate the Estates for additional purposes, including for voting purposes; provided, however, that such further substantive consolidation does not alter the treatment of the Prepetition Unsecured Non-Trade Vendor/Lease Rejection Claims, or holders of Trade Vendor/Lease Rejection Claims as called for by this Plan as filed on February 25, 2003, and; provided, further, that nothing herein shall impair the Plan Investors' rights under the Investment Agreement. Should the Debtors make such election, the Debtors will not, nor will they be required to, resolicit votes with respect to this Plan.
