Case Number: 02-02474

Case Name: Kmart

Motion to Supplement the Record

New evidence on the Proof of Claim reveals a fraudulent entry by Kmart concerning the reproduction of filing fraud. The original copy was tampered with thus it produced a counterfeit that is unable to match my original copy.

The use of my name and Date signed 7-18-02 were used to deceive even me but with time and examination the original copy entered remain stable even though Kmart produced a counterfeit.
