Case No. 02 B 02474

Honorable Susan Pierson Sonderby

ORDER DENYING MOTIONS OF ILEASE BARTLETTE

This cause coming to be heard on the motions filed by Ilease Bartlette in relation to her Claim No. 45327 and related matters,

As appeared to
The Court finds that Ilease Bartlette filed a proof of claim in this case for a liquidated amount of \$45,000, that the claim is based on allegations of employment discrimination and therefore, as a litigation claim, falls under Class 6 of Kmart's Plan of Reorganization, that Kmart has allowed the claim in the amount filed, and that Kmart had attempted on three occasions to make the distribution on the claim required by the Plan of Reorganization;

The Court hereby concludes that Ms. Bartlette has received the treatment on her claim that she is entitled to under the Kmart Plan of Reorganization, that she is entitled to no further relief from this Court, and that the following motions, and all other pleadings filed by Ilease Bartlette not identified as motions, to the extent that they request relief from this Court, are therefore denied:
