DECLARATION OF MARISOL RIVERA IN SUPPORT OF OBJECTION TO PLAINTIFF'S EMERGENCY MOTION TO EXTEND THE AUTOMATIC STAY AND, ADDITIONALLY, OR IN THE ALTERNATIVE, GRANT PRELIMINARY INJUNCTIVE RELIEF, HALTING THE PROSECUTION OF THE CLASS ACTION AGAINST DEBTOR AND NON-DEBTOR DEFENDANTS FOR 60 DAYS [DOC. NO. 2]

DIVISION OF ST. CROIX)

I, Marisol Rivera, being first duly sworn, declare under penalty of perjury that the following is true and correct.

1. I make this declaration of my own personal knowledge.
2. I live at #308 Williams Delight, Frederiksted, St. Croix.
3. On May 12, 2021, there was an oil spew from Limetree Bay that spewed oil on my property including my roof. As a result my cistern water became contaminated by the oil product that had covered my roof.
4. Officials from Limetree Bay showed up at my residence two weeks after the oil spew advising that they needed permission to inspect my property for oil.
5. Upon completion of her inspection, she stated that there was oil found on our property and gave me two cases of water.
6. The officials stated that an adjuster would come by to further assess the damage to our property.
7. By this time, I had already started to develop bumps on my skin that itched and turned into red bumps that bled. I also experienced burning in my throat.

DECLARATION OF MARISOL RIVERA

8. On June 16, 2021, Limetree Officials presented me and my husband, Rafael Rivera, with a Release of Certain Claims for property damage in the amount of \$5,002.00. I was advised by my Attorney not to sign the release.
9. Since then, we have not been able to clean the house or the cistern and continue to bathe and brush our teeth in the water.
10. We have had to buy our own water to cook and drink as Limetree will only allow two cases a week of water and it is not enough for our water needs.
