2. THE WORK

- 2.1. The Work to be performed by CONTRACTOR under this Agreement is set forth in Part 1 of each Work Release entered into under this Agreement. All parts of the Work reasonably inferred from but not expressly mentioned or included therein are understood to be part of the Work and shall be performed as an obligation of CONTRACTOR under this Agreement.
- 2.2. The materials, equipment and items to be provided by LIMETREE under a Work Release are set forth in Part 2 of each Work Release entered into under this Agreement.
- 2.3. For any work and/or services in addition to the Work that LIMETREE desires CONTRACTOR to perform, to the extent consistent with and complementary to the Work, LIMETREE will advise CONTRACTOR in writing of the extent of the work and/or services required in accordance with change order procedures. If the Work or any portion thereof is unable to be performed due to a failure by CONTRACTOR to obtain any Authorizations (to the extent such Authorizations are identified as required in the applicable Work Release) necessary for the CONTRACTOR to perform the Work, the Work or applicable portion thereof may be suspended or terminated by LIMETREE for convenience in accordance with, and subject to, Section 12.1.
- 2.4. It is the intention of the Parties that this Agreement and all related schedules and documents incorporated by reference interoperate, and that when a question of interpretation arises, precise terms and more stringent performance requirements will control over those that are more general or more lax. If any conflict between terms of the Agreement is discovered, the discovering Party shall notify the other Party promptly after the discovery of such conflict, whereupon both will work in good faith to seek a resolution of such conflict. The documents that form this Agreement are listed below in order of priority, with the document having the highest priority listed first and the document with the lowest priority listed last:

Without limiting Section 3.2, the Work will be subject to the inspection and approval of LIMETREE's Representative, whose decision, based upon good practice and procedure in the industry and area, on all questions arising out of the performance of the Work by CONTRACTOR, will be final. Any such inspection and approval by LIMETREE will not relieve CONTRACTOR of its obligations under this Agreement or any Work Release.

- 2.6. To the extent Work is performed on a basis other than lump sum or fixed price, LIMETREE shall have the right to review and acknowledge CONTRACTOR's time sheets to verify cost coding, hours worked and location. This right does not mean that LIMETREE controls the manner, method or operative detail of the Work being performed by CONTRACTOR.

3. COORDINATION OF WORK

3.1. Administrative Procedures.

3.1.1. The Parties may elect to mutually develop the Coordination Procedures for this Agreement or for a specific Work Release, and, upon the Parties' mutual agreement and implementation of such Coordination Procedures, CONTRACTOR will comply with such procedures in performing the Work. LIMETREE has the right, in its sole discretion, to issue additions to, or revisions of, the Coordination Procedures in writing at any time during the course of the Work.

3.1.2. General Procedures. When CONTRACTOR is required to follow or reference a LIMETREE policy or procedure which was not included with documents provided to it under this Agreement, it shall request those policies and procedures from LIMETREE and it is the responsibility of LIMETREE to provide or otherwise make available the correct policy or procedure in response to CONTRACTOR'S request.

The Project Manager shall have the authority to issue instructions, requests and decisions associated with the normal day-to-day operations associated with the Work (and such authorized instructions, requests and decisions shall be binding upon CONTRACTOR), except that the Project Manager shall have no authority to amend or waive any of the terms of this Agreement.

3.1.4. LIMETREE shall appoint a designated representative for each Work Release ("Representative"), whom CONTRACTOR may consult regarding the Work described in such Work Release. The Representative shall have the authority to issue instructions, requests and decisions associated with the normal day-to-day operations associated with the Work (and such authorized instructions, requests and decisions shall be binding upon LIMETREE), except that the Representative shall have no authority to amend or waive any of the terms of this Agreement.

3.2. Progress Review.

3.2.1. LIMETREE shall have the right to review the progress of and inspect CONTRACTOR's Work at any time, and in connection with such review CONTRACTOR shall provide LIMETREE with all information and documents requested by LIMETREE. LIMETREE's failure to review or inspect to

3.2.2. Notwithstanding any specifications or inspections by LIMETREE, CONTRACTOR is responsible for timely inspection of the Work area to ascertain suitability of the area and affected equipment for performance of the Work, and shall immediately advise LIMETREE of any deficiencies therein.

3.2.3. 3.3.2. CONTRACTOR shall remove or cause the removal of all of CONTRACTOR's temporary buildings or trailers on completion of the Work unless otherwise instructed in writing by LIMETREE. CONTRACTOR shall return the areas occupied by such temporary buildings or trailers to the same condition as they were in when turned over to CONTRACTOR by LIMETREE.

3.3.3. CONTRACTOR shall ensure that any temporary buildings or trailer maintained by it at LIMETREE's Site is placed and maintained in full compliance with LIMETREE's or its Affiliate's Procedures for Facility Siting of Trailers and Temporary Facilities, as set forth in **Schedule C, Exhibit 28**. A failure by CONTRACTOR to comply with the aforementioned procedures shall be deemed a Breach of this Agreement under Section 12.2. In the case of such Breach the offending trailer or temporary facility will be locked by LIMETREE security, and will not be used until the temporary facility or trailer is either removed or brought into full compliance by the CONTRACTOR. All costs of LIMETREE in conducting any corrective or removal activities will be charged to CONTRACTOR and will be set-off against any current or future payment due to CONTRACTOR. CONTRACTOR shall be solely responsible for any lost work productivity, missed schedules, increased costs, etc. resulting from the closure or removal of non-compliant trailers or temporary facilities.

4. PROPRIETARY AND CONFIDENTIAL INFORMATION

4.1. All drawings, bills of material, written or digital data or documents and other materials produced by CONTRACTOR for the Work shall be the property of LIMETREE or its Affiliates. CONTRACTOR, its Affiliates, and its and their employees, subcontractors, agents and representatives will not divulge to third parties any information obtained in the course of providing services under this Agreement except to the extent necessary to perform the Work. The obligation of CONTRACTOR, its Affiliates, and its and their employees, subcontractors, agents and representatives to hold confidential all information will be continuing and survive termination of this Agreement. All of LIMETREE's confidential materials relating to a Work Release, whether printed or digital, must be returned to LIMETREE or destroyed/permanently deleted upon completion of the Work under such Work Release or earlier termination of any such Work Release. Any additional confidential information provided hereunder must be destroyed or permanently deleted upon termination or expiration of this Agreement.

The confidentiality obligations in Section 4.1 shall not apply to information which: (1) was known to CONTRACTOR prior to being encountered in connection with this Agreement other than by or due to a breach of confidentiality provisions to LIMETREE, (2) becomes part of the public domain other than by or due to a breach of confidentiality provisions to LIMETREE, (3) is learned by CONTRACTOR from another source without breach of any obligation of confidentiality to LIMETREE, or (4) is required to be disclosed by CONTRACTOR in connection with legal proceedings following reasonable notice to LIMETREE and option to pursue a protective order. Without limiting the foregoing THIS AGREEMENT AND ALL WORK RELEASES ENTERED INTO HEREUNDER AND THE TERMS HEREIN AND THEREIN ARE DEEMED CONFIDENTIAL AND MAY NOT BE DISCLOSED.
- 4.3. Notwithstanding the execution of this Agreement, the Parties agree that certain Confidentiality Agreement dated [] between the Parties shall continue in effect in accordance with the terms and conditions therein.

5. PERSONNEL; INDEPENDENT CONTRACTOR

- 5.1. CONTRACTOR warrants that it shall only employ properly qualified, and where appropriate, properly licensed or certified personnel, to perform the Work.
- 5.2. In performing the Work, CONTRACTOR acknowledges and agrees that it is acting solely as an independent contractor and has the right to hire or discharge employees, designate the classification and hours of work for each of its employees and to supervise and control the manner of performance of the Work. LIMETREE's rights herein are general rights to order work stopped or resumed, to inspect progress or to receive reports, and to prescribe alterations and deviations, but LIMETREE does not have control over the manner and methods chosen by CONTRACTOR to perform the Work.

6. WARRANTIES

- 6.1. CONTRACTOR warrants that upon delivery of the Work to LIMETREE, LIMETREE shall have good title to the Work, free and clear of any Liens, and in addition CONTRACTOR warrants for the Warranty Period that (i) the Work shall be executed by CONTRACTOR in a competent, efficient, safe and workmanlike manner and in accordance with the LIMETREE Standards, (ii) the Work will conform to the specifications in the applicable Work Release and be without Defects, and (ii) any materials, supplies or equipment included as part of the Work, except for any LIMETREE Furnished Items or materials, equipment and items provided by third parties, shall be new (unless agreed otherwise in a Work Release), free from Defects, and in compliance with any specifications set forth for the Work. - 6.2. CONTRACTOR acknowledges that Repairs and other warranty related Work must be coordinated with the ongoing operations of LIMETREE and Limetree Terminals and performed in a manner so as not to unreasonably interfere with the normal operations of LIMETREE and Limetree Terminals.
- 6.3. The warranties in this Agreement and the Work Releases are the exclusive warranties made by CONTRACTOR applicable to the Work and are in lieu of any other warranties, express or implied.

7. OBLIGATIONS OF CONTRACTOR

- 7.1. The Work shall be executed as expeditiously as possible, in accordance with the Work schedule set forth in a Work Release.
- 7.2. On-Site Activities. CONTRACTOR, its representatives, and its and their investigators, subcontractors, agents or employees, may not conduct any survey or investigation on LIMETREE's Site (whether of LIMETREE's, CONTRACTOR's or another contractor's physical property, equipment, systems, documentation or personnel) that is not strictly within the scope of the Work without LIMETREE's prior written consent, which may be withheld or conditioned in LIMETREE's sole discretion. No visitors are permitted to access LIMETREE's Site without LIMETREE's prior written permission.
- 7.3. Workplace Conduct. CONTRACTOR shall ensure that all personnel employed or contracted by it and its subcontractors (if allowed under this Agreement) on LIMETREE's Site comply with LIMETREE's workplace safety, environmental, security and workplace conduct policies, rules and procedures ("Policies"). To ensure the safety of all those at the LIMETREE's Site, CONTRACTOR shall establish and enforce Policies that are no less stringent or protective than LIMETREE's policies, which include, but are not limited to, policies, rules and procedures previously promulgated by Limetree Terminals and HOVENSA L.L.C. which have been adopted by LIMETREE, including LIMETREE's Standard Contract Exhibits. Any violation of or non-compliance with LIMETREE's Policies, will be a Breach of this Agreement. To the extent applicable, CONTRACTOR agrees that such Policies are incorporated as applicable into this Agreement and that CONTRACTOR is obligated to comply with such Policies. CONTRACTOR further agrees that from time to time LIMETREE may provide or otherwise make available to CONTRACTOR new Policies or amendments to existing Policies and that CONTRACTOR shall, from the 5th day after receipt of such new Policies or amendments to Policies, comply with such new Policies and/or amendments to existing Policies.

The program used for any particular assessment or test shall be substantially similar to a nationally recognized program used for such assessment or test; for example programs approved by National Center for Construction Education & Research (NCCER) or Associated Builders and Contractors (ABC). The program may be reviewed by LIMETREE for confirmation of appropriate employee-skill classification.
- 7.5. Liens. CONTRACTOR does hereby release all rights of Lien, and shall indemnify, defend and hold LIMETREE and each of the other Indemnified Parties harmless against, any

Claims related to the attachment of Liens where CONTRACTOR has failed to pay a vendor or subcontractor.

- 7.6. Fire Call Response. If the Limetree Terminals Fire Department responds to an alarm which, in LIMETREE's sole judgment, was necessitated as a result of CONTRACTOR's or any of its subcontractors' (if allowed under this Agreement) negligence in the performance of the Work (an "Unnecessary Response"), CONTRACTOR shall pay LIMETREE an amount of \$25,000 for each Unnecessary Response so incurred as liquidated damages. The Parties acknowledge and agree that, because of the unique nature of the economic damages and losses that would be sustained by LIMETREE in connection with any Unnecessary Response, it would be impracticable or extremely difficult to fix the actual damages to LIMETREE as the non-breaching Party resulting therefrom, and such sums payable described immediately above are stipulated by the Parties to be in the nature of liquidated damages and not a penalty and are acknowledged and agreed to be fair, reasonable, and appropriate. Without limiting the foregoing, CONTRACTOR shall be deemed to be in Breach of this Agreement if in the sole opinion of LIMETREE, CONTRACTOR causes an excessive number of Unnecessary Responses.
- 7.7. Hazardous Substances. If CONTRACTOR handles any Hazardous Substances during performance of the Work it shall handle, store and dispose of such Hazardous Substances safely and in accordance with the Policies and Applicable Law. CONTRACTOR shall comply with all Applicable Laws requiring registration of job vacancies with the Virgin Islands Department of Labor. CONTRACTOR will cooperate with LIMETREE in complying with residency requirements that apply to LIMETREE, CONTRACTOR or to Work at the LIMETREE's Site, in such manner as may be reasonably required by LIMETREE.
- 7.9. Compliance with Applicable Laws.

- 7.11. Coordinate and Cooperate. CONTRACTOR shall coordinate its activities with LIMETREE and cooperate with LIMETREE so that LIMETREE may carry out safe, efficient and consistent LIMETREE's Site operations.
- 7.12. Assessments.
- 7.12.1. CONTRACTOR shall pay all U.S. federal, state, territorial and locally imposed contributions, assessments and taxes which are based upon the wages or other remuneration paid to CONTRACTOR or persons employed by CONTRACTOR, including payroll taxes, contributions for unemployment insurance, disability insurance, old age and survivor's insurance or annuities, and all taxes required under the Social Security Act, Internal Revenue Code and the Unemployment Compensation Acts of the states and territories in which CONTRACTOR performs the Work.
- 7.12.2. If required by Applicable Law, CONTRACTOR shall qualify as a foreign entity doing business in the Virgin Islands, obtain a business license authorizing CONTRACTOR to do business in St. Croix, pay its Virgin Islands tax liability, register with and contribute to the Virgin Islands Worker's Compensation Fund, and pay unemployment taxes to the Virgin Islands Employment Security Agency.

The laws of the Virgin Islands require LIMETREE to withhold from any contractor that is a foreign (non-USVI and non-US) corporation, other foreign business entity or nonresident alien individual (an individual who is not a US citizen and not a US or USVI resident), an income tax from all payments made by LIMETREE for work performed by CONTRACTOR in the USVI. The rate of this withholding tax for such corporations and other business entities is 11% and for individuals 10%. Payments made for independent contractor services performed outside the USVI are not subject to withholding in the Virgin Islands (but may be subject to US withholding at applicable US tax rates if income therefrom constitutes US source income). Unless LIMETREE has on file a copy of CONTRACTOR's USVI business license and either a VI Form W-8ECI or US Form W-8, as satisfactory proof that the CONTRACTOR is exempt from the income tax withholding for payments otherwise subject to withholding, LIMETREE will withhold and pay the requisite amounts to the USVI Bureau of Internal Revenue.

7.12.3 The laws of the Virgin Islands require LIMETREE to withhold from any contractor that is a foreign (non-USVI and non-US) corporation, other foreign business entity or nonresident alien individual (an individual who is not a US citizen and not a US or USVI resident), an income tax from all payments made by LIMETREE for work performed by CONTRACTOR in the USVI. 18 GOVERNING LAW; DISPUTE RESOLUTION

18.1 Governing Law. This agreement shall be governed by and construed under the internal laws of the United States Virgin Islands without reference to its conflicts of law principles.

18.2 Dispute Resolution

18.2.1 If there is a dispute between LIMETREE and CONTRACTOR arising out of or related to this Agreement, the aggrieved Party will promptly notify (the "Notice") the other Party of its intent to invoke this dispute resolution procedure. If the Parties fail to resolve the dispute within the ten (10) business days after delivery of the Notice, each Party will, within five (5) business days thereafter, nominate an officer of its management to meet at the Facility, or at any other agreed location, to resolve the dispute.

18.2.2 If the Parties are unable to resolve the dispute to their satisfaction within ten (10) business days after the nomination the Parties shall submit the dispute to arbitration for resolution. The arbitration will be conducted in the United States Virgin Islands, in the English language in accordance with the rules of procedure of the American Arbitration Association (the "AAA") as set forth in its Commercial Rules. The Parties shall request a list from AAA of 9 prospective arbitrators from the AAA panel of commercial arbitrators. Any cost of the AAA list of arbitrators will be split equally between the Parties. After receiving the AAA list of 9 arbitrators, the Parties shall have ten (10) business days to mutually agree to the use of one arbitrator. If the Parties are unable to mutually agree on a single arbitrator, the Parties shall meet within 20 days and select an arbitrator by alternatively striking one arbitrator from the list until only one arbitrator remains, and that arbitrator shall preside over the arbitration. If the amount in controversy exceeds Five Million Dollars (\$5,000,000.00) a three person panel shall be used. To select a panel of 3 arbitrators, the parties shall follow the same procedure of requesting a list of 9 arbitrators from AAA as set forth above for the selection of a single arbitrator. Each party will nominate from said list, within ten (15) days of the commencement of proceedings, one arbitrator. If any Party fails to nominate an arbitrator within the stated time period, the AAA will appoint an arbitrator for such Party. The two arbitrators nominated by the Parties or appointed by the AAA for any Party will jointly nominate a third arbitrator from the list provided by the AAA to the Parties, who will chair the arbitration panel. If the arbitrators nominated by the Parties do not succeed in nominating a third arbitrator within fifteen (15) days, the arbitrator will be selected by the Parties by alternatively striking from the list provided to the Parties. Discovery shall be conducted pursuant to the Federal Rules of Civil Procedure in effect at the time arbitration is conducted, and summary judgment shall be available to the Parties. The AAA shall not administer the arbitration process except as specifically set forth immediately above. The award of the arbitral tribunal will be final and binding upon the Parties. Judgment on the award rendered may be entered in either the territorial or federal courts of the U.S.V.I or any other court having jurisdiction, or application may be made to such court for judicial acceptance of the award or order of enforcement. The dispute resolution procedures set forth in this Section shall be the sole and

exclusive dispute resolution procedures available to the Parties under this Agreement. The arbitrators may award the prevailing Party its costs, including reasonable attorney's fees incurred as a result of such dispute.

- 18.2.3 CONTRACTOR will cause a provision substantively the same as this Section to be included in any contract between CONTRACTOR and any subcontractor to ensure that all disputes arising out of the performance of the Work, or any portion thereof, are subject, to the fullest extent possible, to the dispute resolution procedures set forth in this Section. CONTRACTOR shall require any and all employees, agents or subcontractors of CONTRACTOR to execute a written contract for any and all of the Work and/or any work performed at the Facility or related in any way to operations at the Facility which contains at a minimum, substantially the same language set forth in the "Arbitration Policy" attached hereto. Failure of CONTRACTOR to obtain said executed written contract prior to allowing any employee, agent or subcontractor to perform any Work or work performed at the Facility or related in any way to operation at the Facility is a material breach of the CONTRACTOR'S obligations pursuant to this Agreement.
- 18.2.4 The Parties hereby irrevocably consent to personal jurisdiction on St. Croix, United States Virgin Islands.
- 18.2.5 THE PARTIES HEREBY WAIVE ALL RIGHTS TO TRIAL BY JURY ON ANY AND ALL CLAIMS OR CAUSES OF ACTION ARISING UNDER OR RELATED TO THIS AGREEMENT TO THE FULLEST SCOPE AND EXTENT POSSIBLE.

19 DISPUTE RESOLUTION PROGRAM (DRP)

CONTRACTOR shall be bound by the arbitration related provisions of the DRP with respect to any Dispute between any Employee or Applicant for employment with LIMETREE and/or CONTRACTOR.
- 19.3 CONTRACTOR shall submit any dispute to which it is a party, with an Employee of or Applicant for employment with LIMETREE or with CONTRACTOR for employment or related to the operation of the Facility, or any entity or person in contractual privity with LIMETREE, to final and binding arbitration if the dispute is covered by an arbitration agreement or program maintained by LIMETREE or any entity or person who is in contractual privity with LIMETREE and CONTRACTOR has the right, as a third-party beneficiary or otherwise, to have such dispute submitted to arbitration. This paragraph applies only to employment related arbitration programs and agreements and does not modify or alter the rights and obligations of LIMETREE and CONTRACTOR under the "Dispute Resolution" provisions of this Agreement.
- 19.4 CONTRACTOR shall adopt a written dispute resolution program which shall require, at minimum, that any and all Disputes (including but not limited to personal injury claims not subject to workers' compensation insurance, claims for wages or compensation, claims for breach of contract or covenant, tort claims, claims for wrongful discharge, claims for discrimination (of any type or grounds) and claims for violation of laws, rules and privileges and immunities) involving any Employee of or Applicant for employment with CONTRACTOR, arising out of or related to his or her employment or prospective employment by CONTRACTOR for work or services rendered or to be rendered to LIMETREE, or his or her presence at any premises owned or controlled by LIMETREE, or his or her contact with any Employee or Applicant of LIMETREE, shall be submitted to final and binding arbitration for resolution. CONTRACTOR's program shall provide expressly that LIMETREE, its members, managers, owners, subsidiaries, other related entities, directors, employees and agents, as well as any other entity or person having a contract to perform services

The material provisions of CONTRACTOR'S dispute resolution program shall be subject to confirmation by LIMETREE that the required provisions have been included, including but not limited to the language requirements set forth in section 18.2.3 above. CONTRACTOR shall require that all Applicants and Employees agree, in writing, to participate in its dispute resolution program as a condition of employment or consideration for employment with respect to work performed under this Agreement or at any LIMETREE premises.

20 WAIVER OF CONSEQUENTIAL DAMAGES

20.1 EXCEPT IN REGARD TO INDEMNITY OBLIGATIONS UNDER ARTICLE 9, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR OTHER DAMAGES OTHER THAN ACTUAL DIRECT DAMAGES. ANY PROTECTION AGAINST LIABILITY FOR LOSSES OR DAMAGES AFFORDED ANY INDIVIDUAL OR ENTITY BY THESE TERMS SHALL APPLY WHETHER THE ACTION IN WHICH RECOVERY OF DAMAGES IS SOUGHT IS BASED ON CONTRACT, TORT (INCLUDING SOLE, CONCURRENT OR OTHER NEGLIGENCE AND STRICT LIABILITY OF ANY PROTECTED INDIVIDUAL OR ENTITY), INDEMNITY, STATUTE OR OTHERWISE. TO THE EXTENT PERMITTED BY LAW, ANY STATUTORY REMEDIES WHICH ARE INCONSISTENT WITH THESE TERMS ARE WAIVED. Where a fine or penalty or remediation or environmental restoration obligation results from the Work for which an indemnity obligation exists under Article 9, such Claim shall not be deemed to be one for damages waived by this Article 20.

20.2 The provisions of this Article 20 shall survive the expiration or termination of this Agreement.

When assigned in accordance with the foregoing, the rights and obligations of a Party to this Agreement will be binding upon and be for the benefit of the assignee, but the assignor will remain liable to the other Party for its obligations under this Agreement.
- 24.2 No amendments to this Agreement shall be enforceable against either Party unless in writing and signed by an authorized representative of each of the Parties.
- 24.3 Except as expressly stated to the contrary herein, indemnities in favor of, releases from, assumptions of and limitations of liability expressed in this Agreement, as well as waivers of subrogation rights, shall apply even in the event of fault, negligence or strict liability of the Party indemnified or released or whose liability is limited or assumed or against whom rights of subrogation are waived and such indemnities and releases shall extend to the officers, directors, employees, agents, affiliates, partners and related entities of such Party entitled to indemnification and release.
- 24.4 No failure by either Party to insist on performance of any term, condition, instruction, or to exercise any right or privilege included in this Agreement, shall be construed as a waiver of any Breach hereof unless waived in writing by such Party and no written waiver of any Breach shall constitute a waiver of any subsequent Breach of any term, condition, instruction, Breach, right or privilege.
- 24.5 This Agreement, including the Schedules, Exhibits and other documents incorporated by reference is the entire agreement between LIMETREE and CONTRACTOR regarding the matters covered herein and there are no other agreements, representations or obligations for the services described herein.
