THE AUCTION

7 If Competing Bids have been received by the Competing Bid Deadline, commencing on December 10, 2003, at 1 30 p m Central Time, the Seller shall receive additional bids for the Fertilizer Assets at an Auction (as defined below) The Auction shall be organized and conducted by the Seller at the offices of Phelps Dunbar LLP in Jackson, Mississippi (or such other place selected by the Seller), on invitation to the Buyer and each Qualified Bidder (the "Auction") No later than two (2) Business Days after the Competing Bid Deadline, the Seller shall deliver copies of all Competing Bids (including all documents described in Section 4 and the Seller's conversion of non-cash consideration into cash and the methodology used in deriving such amount) to the Buyer and each other Qualified Bidder Bids will be received at the Auction for the Fertilizer Assets Subsequent overbids in excess of the Alternative Minimum Purchase Price shall be in an amount of at least $500,000 in excess of the prior bid The Break-Up Fee shall be taken into account in determining the highest or best bid in each round of bidding The only Persons who will be permitted to bid at the Auction are authorized representatives of the Buyer and each Qualified Bidder, in each case that are physically present at the Auction Each bid submitted at the Auction must comply with the procedures set forth herein for Competing Bids and copies of each bid (including the Seller's conversion of non-cash consideration into cash and the methodology used in deriving such amount) must be provided to the Buyer and each other Qualified Bidder at the Auction All bids shall be made in the physical presence of the Seller, Buyer and all other Qualified Bidders To facilitate a deliberate and orderly consideration of the Competing Bids, the Seller may adjourn the Auction at any time and from time to time and may conduct multiple rounds of bidding If no Competing Bids are received by the Competing Bid Deadline, no Auction will be held and the Buyer's offer shall be deemed the highest or best bid

8 The Seller shall not be deemed to have accepted any offer unless and until such offer and bid and the Seller's acceptance thereof have been subsequently authorized by separate order of the Bankruptcy Court for the Southern District of Mississippi (the "Bankruptcy Court")

9 The Seller is authorized to conduct the Auction in accordance with such additional procedures and requirements as the Seller shall from time to time announce, consistent with these Auction and Bid Procedures

10 At the Auction, after the conclusion of bidding, and following consultation with the Lenders and the Creditors' Committee, the Seller shall select the offer that the Seller determines in its sole and absolute discretion to reflect the highest or best value for the Fertilizer Assets (such offer, the "Accepted Offer"), taking into account all relevant factors including, but not limited to, the terms and conditions of the proposed purchase agreement, the scope of the proposed transaction, the form and market value of any non-cash consideration offered, the cost to the Seller's estate of any proposed contribution to post-petition payables outstanding at closing or to curing breaches of Executory Contracts that the maker of the Accepted Offer proposes to take by assignment, the amount of damages resulting from Executory Contracts that are assumed or rejected, and the likelihood and timing of closing on such proposed transaction. If Buyer's offer is not selected as the Accepted Offer, then immediately upon selection of the Accepted Offer and for a period of three (3) hours thereafter Koch Mineral Services, LLC ("KMS") shall have the right, pursuant to the Shareholders Agreement, to match the Accepted Offer If such right is exercised by KMS in accordance with the immediately preceding sentence, such matching offer shall be deemed Buyer's "Final Accented Offer", but if KMS does not so exercise its matching right, the Accepted Offer previously selected shall be deemed the "Final Accepted Offer" If any offer is accepted after the Buyer's Final Accepted Offer in violation of these Auction and Bid Procedures, KMS shall have the right under the Shareholders Agreement to match such offer at any time during the sixty (60) day period following the acceptance of such offer In no event shall KMS be required to participate in, or bid at, the Auction, other than to exercise its right to match at the conclusion of all bidding

11 At the Auction, at the conclusion of bidding and after the exercise or expiration of Buyer's matching right, the Seller shall notice the Person submitting a Final Accepted Offer (the "Successful Offeror") that such Person's offer has been determined by the Seller to be a Final Accepted Offer One Business Day prior to the Sale Hearing (defined below), (a) the Successful Offeror, if other than the Buyer, shall deliver any unpaid portion of any Additional Deposit to the Seller and (b) the Successful Offeror shall complete and sign all agreements and documents deemed by Seller as necessary to bind the Successful Offeror to all of the terms and conditions contemplated by the Final Accepted Offer After notification that a Qualified Bidder is a Successful Offeror, the Initial Deposit of such Successful Offeror shall be nonrefundable and any Additional Deposit of such Successful Offeror shall be nonrefundable when paid, except as otherwise set forth in such Successful Offeror's purchase agreement

12 Each Sale Deposit, plus interest, received by the Seller shall be maintained in an interest-bearing account and be subject to the jurisdiction of the Bankruptcy Court

13 The Sale Deposit of the Successful Offeror shall be applied by the Seller against the purchase price to be paid by the Successful Offeror at the closing of the transaction approved by the Bankruptcy Court

14 If for any reason a Person submitting a Final Accepted Offer fails to consummate the acquisition of the Fertilizer Assets, the offeror of the next highest or best bid for the Fertilizer Assets (as determined by the Seller, after consultation with the Lenders and the Creditors' Committee) will automatically be deemed to have submitted a Final Accepted Offer, and the Seller is authorized to effect the sale of the Fertilizer Assets to such offeror as soon as is commercially reasonable without further order of the Bankruptcy Court If such failure to consummate the purchase is the result of a breach by a Person submitting a Final Accepted Offer, any Sale Deposit deposited by such Person with the Seller shall be forfeited to the Seller, except as otherwise set forth in such Person's purchase agreement

15 Upon the earlier of (i) the closing of the transaction pursuant to the Final Accepted Offer, (ii) April 5, 2004 or (iii) as otherwise set forth in the Purchase Agreement, the Seller shall return to the unsuccessful Buyer, if applicable, and each unsuccessful Qualified Bidder, the Sale Deposits, together with any interest paid thereon, submitted by such unsuccessful Buyer or unsuccessful Qualified Bidders

16 The Auction and Bid Procedures are solely for the benefit of the Seller and the Buyer, and nothing contained in the Sale Procedures Order shall create any rights in any other Person or bidder

17 The Bankruptcy Court shall retain jurisdiction to hear and determine all matters arising from or relating to the implementation of the Sale Procedures Order.
