Confirmation that the claim has been filed

To receive confirmation that the claim has been filed, enclose a stamped self-addressed envelope and a copy of this form. You may view a list of filed claims in this case by visiting the Claims and Noticing Agent's website at: www.bmcgroup.com/Montco.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages. Claims entitled to administrative priority under 11 U.S.C. §503(b)(9) should be asserted by filling in the appropriate information on this Proof of Claim form. All other administrative claims must be asserted by an appropriate "request" under 11 U.S.C. §503(a) and should not be asserted on this Proof of Claim form.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Notice of Chapter 11 Bankruptcy Case

12/15

For the debtor listed above, a case has been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

7. Proof of claim deadline If By Regular Mail: BMC Group Attn: Montco Claims Processing PO Box 90100 Los Angeles, CA 90009 If by Messenger or Overnight Delivery BMC Group Attn: Montco Claims Processing 3732 West 120th Street Hawthorne, CA 90250	**Deadline for filing proof of claim:** General Bar Date: July 31, 2017 at 5:00 p.m. (prevailing Central Time) Government Bar Date: September 13, 2017 at 5:00 p.m. (prevailing Central Time) A proof of claim is a signed statement describing a creditor's claim. A proof of claim form may be obtained at www.uscourts.gov or any bankruptcy clerk's office. Your claim will be allowed in the amount scheduled unless: ☒ your claim is designated as *disputed*, *contingent*, or *unliquidated*; ☒ you file a proof of claim in a different amount; or ☒ you receive another notice. If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled. You may review the schedules at the bankruptcy clerk's office or online at www.pacer.gov. Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.
8. Exception to discharge deadline The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.	You must start a judicial proceeding by filing a complaint if you want to have a debt excepted from discharge under 11 U.S.C. § 1141(d)(6)(A). **Deadline for filing the complaint:** _____
9. Creditors with a foreign address	If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.
10. Filing a Chapter 11 bankruptcy case	Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.
11. Discharge of debts	Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge under 11 U.S.C. § 1141(d)(6)(A), you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.
