Dear Sir/Madam

Please find enclosed the proof of claim form of Whipp Capital Partners, LLC d/b/a National Tube Form (NTF) regarding Oxford Automotive's pending bankruptcy in United States Bankruptcy Court, Eastern District of Michigan-Southern Division, Case Number 04-74377

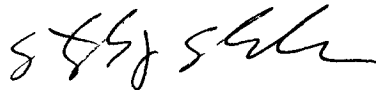

NTF's total claim amount equals \$505,604.98. The remaining amount can be broken down into two parts. First, NTF has an outstanding unpaid accounts receivable with Oxford Automotive of \$305,605.98, of which \$96,707.52 is a potential priority claim given NTF's reclamation rights. A copy of the delinquent receivables is attached for your convenience.

The second component of NTF's claim stems from the purchase of a special grade of steel that NTF had to obtain in order to accommodate Oxford Automotive's specific part requests. Once NTF learned of Oxford Automotive's bankruptcy filing, they were able to cancel a portion of the specialty steel purchase order. However, NTF is still responsible for a portion of the specialty steel order. The \$200,000 amount is the difference between the purchase price of the steel (\$776,812.84) and what NTF was able to sell the steel for at salvage value. NTF has made every reasonable effort to mitigate its losses related to this specialty steel, however, NTF will suffer financial harm resulting from the cancelled purchase order.

Please do not hesitate to contact me should you have any questions regarding this correspondence.

Very truly yours,

BURT, BLEE, DIXON, SUTTON & BLOOM, LLP
