Bob,

Please find Rodden & Company consulting invoice for services provided through 12/9/08, as well as a statement for services provided through 12/9/08. The consulting fee for services provided through 11/9/08 is overdue. During our recent discussion, you mentioned that you would wire transfer \$10,000 the last week of December and another \$10,000 the first week of January.

I would really appreciate it if you would honor your commitment as I am a sole proprietor and I had not planned on working for 2 months, without getting paid. Additionally, I am responsible for paying my independent contractor, Spencer.

Sincerely,  
Bonnie

o Arlington-Based Onsite3 Files Chapter 11, Agrees to Company Sale

Arlington, Va. -- Onsite3, an Arlington-based provider of litigation support and electronic evidence technology for law firms and corporations, revealed on Thursday that it has filed for Chapter 11 bankruptcy protection and has agreed to be acquired by Los Angeles-based Integreon. As part of the deal, Integreon already has completed the acquisition of the company's pre-bankruptcy secured debt, and has agreed to provide it with debtor-in-possession financing to continue operations until the entire deal is complete. "Our plan is to focus on our growing e-discovery business. We will close our declining paper discovery support operations, but preserve the continuity of our e-discovery operations around the U.S.," said Robert Ballou, the CEO of Onsite3. "We plan to immediately transition paper projects to other vendors." Integreon said that the acquisition will give it a national electronic discovery division, with processing centers in DC and New York.

Hi Mike,

The 22 meetings scheduled are the meetings scheduled during the 10/9/08 – 11/9/08 time period. We've schedule 40 meetings to date during the 2 month time frame covering 9/9/08 – 11/9/08.

We have contacted 918 out of 2000 customers and prospects expected during the 10/9/08 – 11/9/08 time frame. Per the forecast, we are running behind on this effort. Here's why:

- \* The recruiting effort took longer than expected
- \* The 2nd candidate that we hired didn't show up for work, resulting in 2nd round of recruiting
- \* We've been tasked with sourcing and setting up Zoho.com – this has taken a great deal of time and effort

If you'd like, I can provide you with an Addendum to the original Agreement that will include the additional responsibilities related to Zoho.com. I tried to cover this with the Telemarketing Program Deliverables and Forecast. Per our Agreement, the forecast becomes the Telemarketing Program Deliverables for the period.

Per our revised 11/11/08 forecast, my sense is that we'll be on target soon. Please let me know if you need further clarification.

Thanks,

Bonnie

What is the difference between the 22 Meetings scheduled and 40 Meetings to date? Does that mean we had 22 in the current month and 40 total?

Also, same question on the Customers and Prospects contacted. Is the 918 for one month only? What is the # that is comparable to the goal of 2,000?

Thanks,

Mike

Bob,

I am writing to follow up on last week's discussion regarding the overdue consulting payment and the overdue expense reimbursement check. You had mentioned that I would receive an expense reimbursement check via fed-ex for \$4370.00 from expenses incurred 10/8 – 11/9 - I have not received a fed-ex package. Could you or someone from Mike's team send me the tracking #?

Also, we had discussed sending the overdue consulting payment totaling \$20,000 in 2 payments: \$10K this week and \$10K the first week of January. When will this be wire transferred to my account?

Bonnie
